Misty went at them and smashed all three of them down and we tied them up and I snapped my fingers and stripped them of their magic. Misty powered down and her new clothes and jewelry and weapons were permanent.

Me: You should consider yourselves lucky that we're sparing your lives this time.

Icy: We really do appreciate that forgiveness thing. That's why we'll come quietly. But before we do that, can I ask one favor?

Maria: What's that?

Icy: Look up my background history after Halloween. And take the list of other villains that the Winx Club has faced. It's in my pocket.

Maria took a piece of paper in her pocket and read it and it was a lot of villains.

Maria: We appreciate this.

Darcy: You're welcome and also Misty you looked really awesome today in that new transformation.

Misty Tredwell: Thanks Darcy. First time using it.

Carolyn Dialga: It sure was cool though.

?: (Ukranian Accent) I do too.

An Ophanimon appeared.

Me: Whoa! You're Ophanimon.

Ophanimon: That's right. But my real name is Lita Nureimenekov. I come from the Ukraine.

Eli: Oh man. You're another Digimon Gene-Slammer.

Ophanimon: That's right.

?: I'm with her too.

A Night Wing Sorceress came too.

Me: Wow you're a Night Wing Sorceress.

Night Wing Sorceress: That's right and no I'm not a Gene-Slammer. I'm the real thing.

Me: Wow!

Maria: You three should hurry along to your new cells. You really don't want to be around for what's about to happen next!

Me: That's right.

Icy: Thanks for sparing us.

I snapped my fingers and beamed them to the Jupiter Prison.

Eli: Well that went really well.

Carolyn Dialga: Yeah it sure did.

Night Wing Sorceress: That was really amazing.

I put on my blind man glasses and Eli covered his eyes and I snapped my fingers and Carolyn and Lita were reverting back.

Carolyn: (regains her hair) Lita, are you feeling hungry while you're reverting right now.

Lita: I sure am after everything that happened to me.

They both were back to human and were naked as Lita's armor all fell off in huge clattering.

Maria gave them both new clothes and they put them on.

Lita: (holds head in pain while crying) NO! I DON'T WANT TO LOSE MY HUMANITY AGAIN!

Lita began punching herself in the stomach in an effort to stop the transformation.

Simone: Whoa Lita don't do that to yourself. Reign in the power of your Digimon power with the strength of your will. Me and Miranda here did it and so can you.

Miranda: That's right. Reign it in with your will.

She concentrated and Lita glowed in a powerful neon pink aura and her powers were fully engrafted.

Night Wing Sorceress: Wow!

Me: Awesome!

We later went back home.

---

After stripping The Trix of all their magic and throwing them in prison for good, Lincoln, Me, Nico, Eli, Nicole, The Jungle Fury Power Rangers, and Sailor Moon were heading to Ocean Bluff, and not only is Lincoln going to rescue the eight girls there, but we got bad news: Dai Shi, the main enemy of The Jungle Fury Power Rangers, has returned from the dead, and he wants revenge. But, we're not going to let that happen.

Lincoln: Whoa, we're here in Ocean Bluff, and I think I know what we're going to do here, not only am I going to rescue the eight girls there, but we just got word that Dai Shi, the main enemy of The Jungle Fury Power Rangers, has returned from the dead, and he wants revenge.

Me: That's right, big guy, and he'll be in his true form, a 7-Headed Golden Dragon.

Nico: Ugly.

Jungle Fury Jarrod: You said it, Nico. (To Eli) Eli, when we get there, can you summon King Ghidorah for this fight?

Eli: You got it, Jarrod, and I also sense that Sailor Moon is going to transform for this fight, this is going to be good.

Lincoln: And we'll be sure to broadcast this to Whiger and Jellica in the base, and to everyone back in the Estate.

Casey Rhodes: Good idea, Lincoln.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls all calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the eight girls, but they've been cornered by Dai Shi, and he's going to kill them.

Lincoln: Guys, I found the eight girls, but they've been cornered by Dai Shi, and he's going to kill them. Eli, it's showtime!

Eli: On it, Linc.

We'd rushed on over, and Eli summoned King Ghidorah, who appeared in a blinding flash of lightning, and fired Gravity Lightning from its mouths, and they hit Dai Shi.

Dai Shi: So, the famous Team Loud Phoenix Storm, along with the Rangers have finally arrived.

Lincoln: That's right, Dai Shi, and we're here for one thing: to destroy you once and for all.

Casey Rhodes: You'll never learn to take a hint, can you? We thought you'd stay dead, but you came back for revenge. Well, guess what, we're taking you down, this time, for good.

Sailor Moon: And I've had it up to hear with you to last an eternity.

Suddenly, Sailor Moon's eyes turned neon purple, and she was surrounded by a white energy aura with crescent moons surrounding her, and as she approached Dai Shi, she left white energy and white moonlight with crescent moons with every step.

Sailor Moon: Dai Shi, the crimes you have committed against humanity can never be forgiven. In the name of Team Loud Phoenix Storm, you are hereby sentenced to death once again.

Then, Sailor Moon was surrounded by a massive vortex of white energy with white moonlight and white fire surrounding her, there was a cat running around the vortex, and inside the vortex was a pink phoenix. Then, as the vortex faded, Sailor Moon emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sailor Moon grew to 5'11" in height, she had the body of a goddess, she has a cat with The Crescent Moon emblazoned on her forehead, her white angel wings grew larger for her new body, she had on cat earrings with the Moon Kanji in its paws and a necklace with a cat holding the Moon Kanji in its paws for the pendant, she had on a sleeveless white blouse with a pink phoenix, a blue blouse with the crescent moon and stars on it, she has on pink high heels, a sleeveless white trenchcoat with the stars on the coattails and the crescent moon on her back. She had a large sword in her hand called The Sword of The Moon, it's a large sword with the astrological sign of The Moon etched on the 6'5" massive, wide, double-edged blade, large blonde angel wings for the crossguard, large pink gem for the hilt, longer black handle, and large white faceted sphere pommel with surrounding pink gems. Sailor Moon had on her new Bracelets of The Champions of The Universe with pink gems on her wrists, Belt of Elemental Bravery with large pink gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her right hip. There was a gold kanji on the back below the crescent moon that said, "Serena Tsukino also known as Sailor Moon, Sailor Guardian of Love and Justice, Leader of The Sailor Scouts, Destroyer of Queen Beryl, and Master of Light and Angels."

美少女戦士セーラームーン、愛と正義のセーラーガーディアン、セーラースカウトのリーダー、ベリル女王の駆逐艦、光と天使のマスターとしても知られる月野戦士

Sailor Moon has transformed into SUPER ANGEL 750,000,000,000 CELESTIAL CRESCENT MOONLIGHT ANGEL OF LOVE AND JUSTICE!

We were amazed by Sailor Moon's brand new Super Angel 750,000,000,000 transformation, and her transformation filled Dai Shi with incredible rage and fury.

Me: Whoa, Sailor Moon has transformed.

Nico: You said it, J.D., she's the first of The Sailor Scouts to transform.

Sailor Moon: (Divine Echoing Moonlight Voice of Love) **That's right, Nico. And now, your time is finally up, Dai Shi. Shall we, Jungle**

**Fury Rangers?**

Lincoln: You read our minds. Ready, guys?

Casey Rhodes: Time to die, Dai Shi. This time, stay dead!

The Jungle Fury Rangers transformed, along with Lincoln, Me, Eli, and Nico, and we'd went after Dai Shi, and we blasted him with powerful neon colored energy blasts, laser blasts, moonlight, and stars, and the blasts hit him and exploded with incredible power. We also slashed Dai Shi with our swords, and our razor sharp blades really cut him deep, and King Ghidorah fired gravity lightning at Dai Shi, and they really hurt him.

Sailor Moon: **Time for the grand finale. MOONLIGHT STYLE NINJA ART: ARTEMIS!**

Sailor Moon fired a powerful blast of moonlight, which transformed into the Greek Goddess of The Hunt, Artemis, and The Jungle Fury Rangers got out The Claw Cannon, and we powered it up with their animal spirits, and fired a powerful blast, which was also infused with Super Hakai energy, and as the blasts hit Dai Shi, they exploded with incredible power, and Dai Shi was finally Super Hakaied for good, and after 10,000 years, Dai Shi was finally no more.

We cheered wildly, as we changed back, and Sailor Moon powered down, but her new body, clothes, and jewelry were permanent. Then, Lincoln and Nicole went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls were Minky Momo from Magical Princess Minky Momo, Hibari Hanakoganei, Suzume Sakurajosui, Tsugumi Higashijuujou, and Kamome Sengakuji from Cyberteam in Akihabara, Sapphire from Princess Knight, Nami Koishikawa and Chisato Yamane from Sexy Sailor Soldiers.

Lincoln: Oh wow, it's Minky Momo, Hibari Hanakoganei, Suzume Sakurajosui, Tsugumi Higashijuujou, and Kamome Sengakuji, Sapphire, Nami Koishikawa, and Chisato Yamane.

Nicole: From Magical Princess Minky Momo, Cyberteam in

Akihabara, Princess Knight, and Sexy Sailor Soldiers, awesome.

Lincoln: Are you girls okay?

Nami Koishikawa: Yeah, we're okay, thanks for the save.

Then, when Nami Koishikawa saw who it was that saved them from getting killed by Dai Shi, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver

Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Nami Koishikawa: Oh wow, Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Nami Koishikawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and everyone there, and Whiger and Jellica in their base, cheered for us, for what we did in destroying Dai Shi. Finally, we were rid of Dai Shi for good, and he's never coming back for more ever again.

* * *

After we finally got rid of Dai Shi for good, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

Then, Lincoln, Clawdia, Jolyne Kujo, Ulala, Ajna, Sheena Etranzi, Fuu, Kei and Yuri, Peni Parker, Natalie Blackstone, Hannah Whitehouse, Kujou Hikari, Milfeulle Sakuraba, Ranpha Franboise, Mint Blancmanche, Forte Stollen, Vanilla H, Chitose Karasumaru, Reika Kirishima, Princess Allura (Voltron Legendary Defender), Masane Ahama, Medaka Kurokami, Lara Croft, and Rayne were getting ready for their date, for this one, they're going to the beach at Bubblaine from Super Mario Odyssey.

Lincoln was dressed in a pair of large orange swim shorts with a thunderbird and elemental forces on them, he still had on his jewelry and his weapons holstered, Jolyne Kujo was dressed in a two-piece purple bikini with a gold phoenix, Ulala was dressed in a two-piece white bikini with UFOs on them, Ajna was dressed in a two-piece red bikini with Incan idols on them, Sheena Etranzi was dressed in a two-piece blue bikini with the Contra Corps logo on it, Fuu was dressed in a two-piece yellow bikini with katanas on it, Kei and Yuri were dressed in white two-piece bikinis with angels on them, Peni Parker was dressed in a red and blue two-piece bikini with spiders on it, Natalie Blackstone was dressed in an orange two-piece bikini with lightning bolts on it, Hannah Whitehouse was dressed in a white two-piece bikini with hearts on it, Kujou Hikari was dressed in a pink two-piece bikini with suns on it, Milfeulle Sakuraba was dressed in a white two-piece bikini with a pink angel on it, Ranpha Franboise was dressed in a red two-piece bikini with stars on it, Mint Blancmanche was dressed in a blue two-piece bikini with stars on them, Forte Stollen was dressed in a purple two-piece bikini with white stars on it, Vanilla H was dressed in a two-piece green bikini with white stars on it, Chitose Karasuma was dressed in a purple two-piece bikini with an egg pattern on it, Reika Kirishima was dressed in a red two-piece bikini with a clock on it, Princess Allura (Voltron Legendary Defender) was dressed in a blue two-piece bikini with Planet Altea on it, Masane Ahama was dressed in a yellow two-piece bikini with a Witchblade on it, Medaka Kurokami was dressed in a red two-piece bikini with the animals of the Animal Kingdom on it, Lara Croft was dressed in a white two-piece bikini with an Egyptian Cobra on it, and Rayne was dressed in a black and red two-piece bikini with the Brimstone symbol on it.

Ajna: Wow, this place is amazing.

Lincoln: That's right, Ajna. Mario told me he went to Bubblaine to put a stop to Brigadier Mollosque-Lanceur III, who was sucking up the sparkling water.

Rayne: If he shows up again, we'll be sure to turn him into sushi.

Lincoln: (Laughs) We'll also be sure to save some for Morgana too.

Lincoln and the girls went in the sparkling water, and they had some fun in the water. Plus, they also had to take care of some Cheep Cheep fish, who are causing trouble, along with some Gushen, who also served Mollosque-Lanceur III.

Then, they saw the sun set on Bubblaine, and Lincoln and the girls shared a romantic kiss as the sun sets on the Beach Kingdom. Then, they came back to the Estate, and showed us the pictures they all took on their trip to the beach in Bubblaine, and it was amazing. Next time, we were going there, as well to have a little fun in the sun and water, and take in the sights of Bubblaine, as well.

In the simulator, Nico was doing a solo exercise where he takes on cirtain Disney Villains that are going to take over the House of Mouse.

Robin Food: Are you sure you want to do this alone, Nico?

Nico: I'm sure. I know this sounds hypocritical of me. But this is to prove myself as a leader whenever it's my turn.

Me: Well if this is what you want then we won't stop you.

May: Be careful Nico.

Nico: I will.

Eli: Show those monsters in that universe what for.

Nico: With pleasure.

Eclair: Good luck Nico.

Nico: Thanks Eclair.

Nico went into the Simulator.

It activated and Nico found himself in The House of Mouse but it was now turned into THE HOUSE OF VILLAINS! He was going to take down Jafar, Ursula, Maleficent, Chernabog, Cruella, Captain Hook and Hades.

He went in and he had a look on his face that said you 6 are screwed.

Vanellope: This is gonna be good!

Me: Place your bets everyone.

Nico: Before I deal with 6 of you, I just want to say that your musical number was actually pretty good.

Captain Hook: Why thank you. Now lets get him!

Nico flared up his Super Saiyan 2 power and went at them!

He punched and pulverized them all over and Hades and Pete were having some popcorn.

Nico took out a DISK and used Multiplex's power to make 5 duplicates of himself, duplicating the DISK in the process.

Multiplex: (shocked) How does Nico have my powers?! I'm one of the villains in the Masters of Evil!

G1 Kickback: Well, while he can't use the powers of the Redemption Squad, Nico can use the powers of any other villain. Including any of the Masters of Evil.

Multiplex: Ah that makes a lot of sense. Very clever.

Nico and clones: D-SECURE!

Nico sucked in Cruella, Ursula, Chernabog, Maleficent, Captain Hook and Jafar into DISKS.

Nicos: (In Unison) You 6 have failed this world!

Me: Yes they have! It would have been cool to see if Nico could have beaten the crap out of Oogie Boogie though.

Missy: Yeah I heard that during the 20 Days of Darkness, Oogie opened his big ugly bug-filled mouth and really hurt him.

Allie Wilde: Yeah what a monster.

Me: Literally and it would have been really cool if Nico smashed the living crap out of that bug-filled sack of hot air and bugs.

Lana: And I would have loved to eat his bugs again.

Spike: Yeah it sure would have been perfect for you Lana.

Me: Yeah it sure would have.

Nico: I hope the rest of you learn from this. (to Hades and Pete) Except you two. You two are fine.

Pete: Aw, thanks!

Hades: But don't you want to stick around for the rest of the Halloween Party?

House of Mouse Mickey: It's the least we can do for you helping us.

Nico: (smiles with a shrug) Oh, what the Hell.

Cliffjumper: I hope he doesn't stay there overnight.

Me: Don't worry I think it's only for a few minutes.

Missy: Did Lana really eat Oogie Boogie's bugs?

Me: She sure did Missy and she ate ALL of them.

Lana: Yep and they were really tasty too.

Timon: Lana is a true lover of eating bugs like me and Pumbaa.

Pumbaa: She is a true bug vacuum.

Me: Thank goodness Shino wasn't with us or he would have had a mental breakdown.

Eli: Yeah no kidding.

French Narrator: (French Accent) 45 Minutes Later.

Nico was done with the party and he was also given a medal for saving the House of Mouse. He left the Simulator and came back to us.

Nico: That was fun.

Shade Man: I hope you had fun at the party, Nico. Because it's your turn to lead today. And after what we saw, you've earned it.

Nico: Well it was my turn anyway and yes I did have fun at the party. Also I have just the mission for us. We're going to go back in time to help out J.D.'s ancestor, The Scorpion King.

Me: Cool! It'll be awesome to see him again after how he helped us take down his cursed self in the Oasis of Ahm Shere.

Eli: Wow! I heard that was a really awesome battle.

Me: Yep and I found out that I am a direct descendant of Mathayus the Scorpion King.

Lisa Loud: It's true everyone. I did a DNA test and we found out that way.

Me: It was a really epic battle. Many of you weren't with us back then.

I went over what happened during the events of chapter 708

3067 B.C.

A massive army was approaching the city of Thebes in Egypt.

Ardeth Bay: [narrating] Five thousand years ago, a fierce warrior known as the Scorpion King led a great army on a campaign to conquer the known world.

Mathayus, the mighty Scorpion King of Akkadia was on the warpath towards Egypt and the city of Thebes. The soldiers on both sides charged and they clashed ferociously. It was a vicious, brutal and extremely ferocious battle.

Seven Years Later - 3060 B.C.

Ardeth Bay: After a vicious campaign that lasted seven long years, the Scorpion King and his army were defeated and driven deep into the sacred desert of Ahm Shere. One by one, they slowly perished under the scorching sun… until only the great warrior himself was left alive. Near death, the Scorpion King made a pact with the dark god Anubis, that if Anubis would spare his life and let him conquer his enemies, he would give him his soul. Anubis accepted his offer and spared his life.

Almost instantaneously a massive and lush oasis grew out of the sandy desert and the Scorpion King yelled.

Ardeth Bay: Anubis gave the Scorpion King command of his army, and like an evil flood, they washed away all that lay before them.

The Army of Anubis razed the whole city of Thebes in a ferocious flood of evil. Destroying everything in their path and killing anyone that got in their way.

Ardeth Day: When his task was done, Anubis forced the Scorpion King to serve him for all time. His army was returned to the sands from whence they came… where they wait, silently, to be awakened once again.

---

2019 - Present.

I gasped and woke up and I panted.

Me: (Panted) Wow. That dream again. The Scorpion King, I wonder why I keep having dreams about him.

At breakfast I was telling everyone about my dream.

Maria: Want some ice cream, Horsea?

Horsea: Sure Maria.

Cody: I've read legends about the Scorpion King. Lord Anubis told me all about what he did and how great a warrior he was.

Lori: How fierce was the Scorpion King?

Cody: Extremely fierce. He made all other warriors after that look like extremely big jokes. He spared no one and made all his enemies suffer.

Lincoln: He was really ruthless.

Cody: He was.

Laney: Was he as bad as Imhotep when we killed him?

Cody: No. Imhotep was much worse. He and Anck-su-Namun both assassinated Pharaoh Seti I back in 1290 B.C. Their treachery is 100 times worse than the crimes of the Scorpion King.

Me: That's a whole new level of evil. But I don't understand why I keep having dreams about the Scorpion King.

Natilee: Maybe your dreams are somehow connected to him.

Me: That could very well be.

Lisa: Perhaps I might be able to tell you that answer. But I'll need some blood for that.

Me: Sure Lisa. One drop?

Lisa: That should be enough.

Lisa brought out a DNA computer that looks up the family tree of an individual. I took a dagger and cut my finger and dropped one drop of blood into the machine and it analyzed it and printed a huge sheet of paper that had a huge family tree.

Me: Wow! That is a huge family tree.

I laid the tree out on the table and went along the family tree and it showed that I am also descended from more historical figures than what I first thought from over the last 2 to 3,000 years. But also I found out that in the year 3,060 B.C. I found out that I am a direct descendent of Mathayus the Scorpion King Himself!

Me: (Gasp) Look at this! I'm a direct descendant of Mathayus the Scorpion King!

Everyone looked at where I was showing them and they saw that I was right.

Lana: Wow! J.D. that is amazing!

Lincoln: I didn't know you were descended from the Scorpion King, J.D.

Nico: Wow! That is quite an enormous surprise. That is an amazing revelation.

Me: It sure is. I had no idea that I was descended from him.

Varie: None of us did.

Suddenly there was a whoosh and a portal appeared and out of it came Anubis, Egyptian God of the Dead.

Me: Lord Anubis. Welcome.

Anubis: Thank you J.D. Cody how have you been doing?

Cody: I've been doing great Lord Anubis.

Anubis: I'm afraid this isn't much of a social visit. I need all your help.

Me: What's wrong Lord Anubis?

Anubis: The Scorpion King is going to use my army to destroy the planet.

Me: What!? Why would he try to do such a thing my lord?

Anubis: 5,000 years ago, your ancestor, Mathayus the Scorpion King was given command of my army to conquer Thebes. After his task was done, I took his soul and made him my servant for all eternity. But his powers have grown since then and now he is going to be awakened and destroy the entire world if you don't stop him. I was a fool to put him under my power. Now I want to correct my mistake. I want to destroy him. And to help you out I have a soul here to help you.

Anubis opened a portal and out came The Scorpion King, Mathayus himself!

Mathayus: Team Loud Phoenix Storm. It is a pleasure to meet you all at last.

Me: You too ancestor. It's an honor to meet the legendary Scorpion King.

Mathayus: You too. We have to stop this dark version of myself.

Me: And we will. Lord Anubis we will accept this task.

Anubis: Thank you J.D. And be careful my friends.

Me: We will. Ancestor, lets work together to take down the Scorpion King.

Mathayus: Right.

We shook hands.

Me: The only thing that can kill the Scorpion King is the Spear of Osiris. Team Loud Phoenix Storm, Lets fly!

G1 Hot Spot: If you guys don't mind, I'll fly to our destination.

Tucker: Thanks Hot Spot.

Mathayus: We would like that.

We were off to Egypt.

---

We arrived in Egypt and we were flying above Cairo. As we were flying Nico caught a Pelipper and a Swellow. G1 Hot Spot was flying in Omega Supreme.

Nico: We're back in Cairo, Egypt.

Maria: I remember that Tefnut came from here. Without her, I wouldn't be the girl that I am today.

Cody: And it's also where I acquired my powers from Lord Anubis. I wouldn't have come this far without him.

Me: We got our powers from many deities and sources Cody. But we're not heading to Cairo. We're heading to the Oasis of Ahm Shere.

We flew on and we saw the most beautiful oasis out in the middle of the Sahara Desert. It was located somewhere in southwestern Egypt 300 miles southwest of Cairo.

Me: Wow! The Oasis of Ahm Shere.

Lori: Wow! This is literally the most beautiful oasis I've ever seen.

Lincoln: I've got a very bad feeling about this oasis guys. I'm sensing some very dangerous creatures in there.

Laney: Me too.

We went down into the oasis and we found another strange sight. It was a sacrificial burial ground. There were skeletons of dead people from over the centuries in cages and their skulls were mounted on pikes.

Lucy: Gasp!

Haiku: Look at all these corpses.

Brittney: These are all corpses of soldiers from over the centuries.

Me: I recognize where they are from. Egyptian Soldiers from Ramses IV, Roman Legionnaires from Julius Caesar, Soldiers of Alexander the Great, Even soldiers from Napoleon.

Linka: How did they get this way?

Me: I don't know. But this is not good.

Laney heard some growling and she used her plant powers and grew vines that grabbed numerous little pygmy savages.

Lynn: Whoa!

Cody: So that's the reason why lots of soldiers from over the centuries vanished when they came here. These little creatures killed them!

Nico: That does seem plausible.

Lisa: Very fascinating creature. They have the feral qualities of primitive lifeforms from thousands of years ago.

Mathayus: Even I would never use something this dangerous.

Cody: Me neither.

Bai Tza: These little freaks aren't worth our time.

Me: Lets get going.

We continued on to the pyramid. We got to the pyramid and we saw that it was all in pristine condition even after 5,000 years had passed.

Me: Wow. Look at this place.

Lola: It's not the kind of castle I would live in.

Laney: Me neither.

Then we heard a thunderous roar.

ROOOOOOOOOOOAAAAAAAAAARRRRRRRRR!

Lori: Wow! That is literally loud.

Leni: Totes.

Me: The Scorpion King has awakened. Only the Spear of Osiris can kill him.

I had the spear with me.

We arrived in a throne room loaded with fire. We went in and we saw a magnificent room lit up with fire and there was a huge gong and there was a huge crack with a huge amount of fire coming out of it. We looked down and we saw that the walls of the huge crack were crawling with the souls of the damned.

Me: It's the souls of Hell. We're actually looking into the fire of Hell in its entirety.

Cody: These are definitely them.

Me: Lucy do you recognize any of these evil souls?

Lucy: I sure do. They are the souls of the most evil people in history. Some of these souls are from those that we all killed.

Me: I would say it's nice to see them all again but it wouldn't look good.

Nico: (To the Damned souls) YOU ALL HAVE FAILED THIS WORLD!

Me: You tell them Nico.

Lincoln's ghost sense went off. Then out came a ghost. It was HOTEP-RA! He was a mummy ghost.

Tucker: Hotep-Ra!

Hotep-Ra: How nice to see you again Tucker.

Me: You know this ghost Tucker?

Tucker: Unfortunately I do.

Hotep RA was, during his life, the servant of Pharaoh Duulaman. The strength of his loyalty should be questioned though, as he tried to take over the world through Tucker despite believing (at least to some extent) that Tucker was Duulaman reincarnated. At some point he died and was possibly mummified after his death. In the present day, his ghost was awakened when Tucker looked into the mirror on his sarcophagus. After this he acted as Tucker's servant, helping him out and catering to his every whim while at the same time plotting against him. He gave Tucker Duulaman's staff, a weapon of great power which increased Tucker's ego and stifled his conscience and common sense. After Tucker sent everyone to a representation of ancient Egypt and forced them to work, Hotep RA continued to assist Tucker, yet still plotted to dethrone him.

Tucker: You see I'm actually a descendent of Pharaoh Duulaman and he tried to get me to do the things of the Pharaoh in Amity Park.

Me: That's awful. How long ago did he live Tucker?

Tucker: 4,000 years ago.

Hotep Ra: How dare you deny your birthright, Foley!? I gave you everything you ever wanted and you repay me by betrayal?!

Tucker: You tried to turn me against my friends. I think that me betraying you is justified!

Me: I didn't know that Tucker.

Tucker: Yeah he was the worst servant ever.

Me: Well soon he's gonna be a gone servant in the river of fire!

Lincoln: That's right. Ready Danny?

Danny: Yep.

Danny and Lincoln: WE'RE GOING GHOST!

Danny and Lincoln turned into Danny Phantom and Lincoln Phantom.

They thrashed Hotep-Ra and fired blasts of lightning and ecto-rays at him.

Danny: Time to finish him with a combo.

Lincoln: You got it Danny!

Danny and Lincoln fired lightning and ecto-rays at a powerful level.

Danny and Lincoln: LIGHTNING GHOSTRAY DESTROYER!

The blasts combined and they hit Hotep-Ra and obliterated him in an instant and he was sucked into the River of fire for all eternity.

Then the doors in the room unlocked and opened.

Me: (Speaking Arabic) الله يوفقنا (Translation: God help us.)

We saw an ugly monstrosity emerge from the room and it growled and out came THE SCORPION KING HIMSELF! He was half man half scorpion. He had the head, chest and arms of a man and his arms were scorpion claws and the rest of him was all scorpion. He had 8 legs, 2 big pinchers and a poisonous stinger tail.

Mathayus was picked by King Urmhet to protect the lord of Khemet and a concubine from a dangerous beast. The beast was summoned by Magus, who convinced him to join forces before Mathayus declined to the sorcerer. He got sent to Magus' prison and met an elderly prisoner named Hammet. He eventually found his way through the Netherworld and retrieved the Sword of Osiris. Magus reveals himself as the man who mislead Mathayus into helping him summon Set, the Chaos God once he sacrifices Mathayus' brothers. Once Magus died at the hands of Mathayus, he became a vessel for Set, which Mathayus quickly defeated and rescued his brothers.

Mathayus, along with his two brothers, the last of a dying people, the Akkadians, Mathayus became a mercenary, training extensively in the deadly arts and only applying service to those whom he and his brothers personally favoured, though upon the death of his brothers, Mathayus went on to end the reign of Memnon, a murderous warlord who sought to conquer all around him, and went on to become a warlord himself known as the Scorpion King. Upon Memnon's death, Mathayus ascended power by assuming the role of a king, becoming a formidable ruler in ancient Egyptian times, before the era of the Pyramids.

One siege on the city of Thebes was the final battle that the monarch and his men fought as they were forced out into the deserts where Mathayus earned the favour of the god Anubis himself and returned to decimate Thebes with a deadly army, losing his soul once the battle ended so that he was condemned to return to the Anubis' sacred oasis known as Ahm Shere that had been given him by Anubis, awaiting a challenger in a hibernation-like stasis and under a severe transformation that caused Mathayus to lose his humanity.

Scorpion King: **Ah. Team Loud Phoenix Storm. You're all just in time to watch as all of Egypt becomes mine!**

Me: I can't believe that this is what you would become ancestor.

Mathayus: This is not me. This is a monster that has lost all of his humanity.

Me: No kidding. Lets kill this ugly creature and send him back to Hell!

We transformed and it was gonna be a fierce battle.

Nico: (summons Scorpion's tail) Time to fight scorpion with Scorpion! (shoots acid from Scorpion's tail at Scorpion King)

The acid burned his arm.

Scorpion King: **You think you all can defeat me?! I AM A GOD!**

Nico: We eat Gods for breakfast!

I punched him in the face and kicked him in the stomach.

Cody: Lord Anubis made a big mistake choosing you as the commander of his army!

Scorpion King: **So you are a servant of Anubis too.**

Cody: Wrong! I'm his champion and friend!

Maria: In a way, we are the champions of the gods!

Maria fired a powerful blast of water and soaked the Scorpion King and it burned him.

Me: You are just as ugly as Gisele Razor was when she looked like you. Come on guys! It's Combo Time!

Falcon: Lets get him! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into his device and it enhanced his speed when he flies to 50,000 miles per hour. It also gave him the ability to fire lasers from his feathers.

G1 Hot Spot: Time to burn him. CYBER KEY POWER!

The Earth Cyber Planet Key went into his side and enhanced his fire hose water pressure and it also enhanced his fireball cannons to be able to fire fireballs that were beyond thermonuclear levels.

Falcon and G1 Hot Spot: FLASHOVER LASER FIRESTORM!

A massive blast of fire and lasers went at the Scorpion King and hit him and burned him bad.

Onslaught: Now it's our turn! CYBER KEY POWER!

The Earth Cyber Planet Key enhanced Onslaughts weapons, photon missiles and his sonic stun gun.

Bai Tza: Now it's time for me. GIGANTION CYBER KEY POWER!

The Gigantion Cyber Planet Key was inserted into her device and it gave her a version of the Star Saber that had a blade made of pure water.

Onslaught and Bai Tza: PHOTON WATERLIGHT BLASTSTORM!

Bai Tza slashed the Scorpion King's claws and the missiles hit him and exploded.

Nico: Scorpion King, you have failed this city!

Nico fired more acid from Scorpions Tail and Ant Man called an army of Ants his size.

Nico and Ant Man: SCORPION ARMY ANT STING!

The acid burned the Scorpion King and the ant stampede rammed the Scorpion King and overpowered him.

Me: More like he has failed the world for 5,000 years! Final smash time!

Tucker: I'll start us off. TECHNOGHOST EXPLOSION STORM!

Tucker fired a powerful energy wave that swirled in a spiral and it hit the Scorpion King and exploded.

Mathayus: Lets get him. SCORPION SUPERPOISON SPIRITSTING!

Mathayus formed a spirit scorpion and it stung the Scorpion King and it poisoned him.

Me: Time to finish him off.

I pulled out the Spear of Osiris and I stabbed him right into his chest.

Me: GO TO HELL, AND TAKE YOUR FRIENDS WITH YOU!

I destroyed the Scorpion King and he exploded into black dust.

We had destroyed the Scorpion King and saved the world from the terror of the Scorpion King.

Mathayus: (To the viewers) This was an amazing fight.

Me: It was.

Cody prayed to Anubis and told him what happened. He appeared.

Anubis: Well done my friends.

Me: Thank you Lord Anubis.

Later we found a Shen Gong Wu in the pyramid and it was the Emperor Scorpion. It was a Shen Gong Wu that has the ability to allow the user to control other Shen Gong Wu.

We went back home after getting rid of the pygmies in the oasis and the oasis had been declared as a very popular tourist attraction and a popular archaeological site.

---

When I was finished everyone was shocked and amazed!

Eli: Wow!

Twilight Sparkle: That is so cool!

Rainbow Dash: Wow! That is awesome!

Me: It sure was cool.

Nico: Yep I remember that.

Then Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex appeared.

Trickster: Can me, Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Loki, Cad Bane, and Vortex go with you guys?

Nico: You all sure can. We're going to help out J.D.'s ancestor Mathayus the Scorpion King.

Molten Man: Wow! (To me) You are descended from the Scorpion King?

Me: Yep. We faced his cursed self in the Oasis of Ahm Shere almost 3 years ago.

Nico: It's true. It was a really epic adventure.

Ghost: That must've been really something.

Me: Yep.

Firefly: What year did he live in?

Me: 3067 B.C.

Plastique: Wow! Over 5,000 years ago.

Eli: This is gonna be so cool!

Nico: Yep. Lets head out everyone!

We were off.

## AKKAD, 3067 B.C.

We arrived in Akkad in the year 3067 B.C.

Hun Gurr: Is this the place?

Nico: Yep this is it. The Mesopotamian Land of Akkad, 3067 B.C.

Eli: This is gonna be so cool.

Me: I always wondered what this place was like all those years ago.

Laney: We better get to finding him.

Nico: Right. Lets go.

We got to finding Mathayus.

Laney: I wonder if he will still recognize us even after all this time.

Me: He will Laney. He's my ancestor and a lot of things have happened ever since he helped us out the last time.

Nico: Yeah lots of things have happened.

Me: Yep.

We then saw a huge fight going on and we saw Mathayus fighting numerous men.

Whiteout: There he is. Time for our entrance.

Nico: No. Let's save that for the main big bad.

Whiteout: Oh. Sorry.

Nico: But lets help him out. Colonel, you lead the way.

Me: Right commander.

We saw Mathayus really going at the men and he was tearing them apart.

But then a man was about to fire an arrow at Mathayus.

Me: NOW!

We went at the men and the man fired an arrow at Mathayus and then I swooped in and grabbed the arrow just as it was about to hit him.

Me: Looks like we got here just in time.

Mathayus: J.D. you sure have a habit of showing up just in time.

Me: Just lucky at that. Great to see you ancestor.

Mathayus: You too.

I threw the arrow at the man that fired it and it skewered him all the way through his head and killed him instantly!

Mathayus: Wow!

Nico: Nice job!

We slashed and blasted the men and killed them.

The men then ran away.

Nico: That's right you cowards! Run!

Commander Mars: (to Mathayus) F.Y.I., Halloween's tomorrow. Got any plans?

Mathayus: No I don't. But wow you guys have increased in numbers a lot since we saw each other last.

Me: A lot of things have happened to us ever since you helped us out in the Oasis of Ahm Shere.

Nico: Yep. Lots of things.

Nico told him everything that went down from chapter 708 on up and when he was done he was shocked and amazed.

Cad Bane: And the 10 of us aren't with the person you're after right now.

Mathayus: I know and I can tell.

Me: Don't tell me. Is the man you're after…?

Mathayus: That's right. His name is Memnon.

Nico: Whoa man! I've heard of him. He was a ruthless monster.

Eli: What do you know about him?

Mathayus told us about Memnon.

---

Memnon is an evil Egyptian warlord who dominates much of the known world around 3067 BC. A tyrannical conqueror, Memnon is known as "the greatest swordsman the world had ever seen", possessing remarkable fighting skills. Memnon is fixated with an ancient prophecy that concerns the House of Scorpio, in which the gods would choose favour upon a warrior and render that warrior invincible. Memnon becomes attracted to a sorceress known as Cassandra, who possesses the ability to see into the future. Cassandra was, as a young girl, kidnapped by Memnon and compelled to predict the future for the warlord.

Memnon is almost assassinated by the Akkadian warrior Mathayus, who is hellbent on killing the warlord to avenge the death of his brothers, and goes on to kidnap Cassandra and take her away from Memnon's palace within the city of Gomorrah. A furious Memnon is informed that Cassandra had defected from his side to join the resistance against him, as Memnon's intent is to make the sorceress his queen and consummate their marriage (which would halt her powers if her virginity is no longer intact). His plans are halted when he learns that the pure Cassandra's powers were diminishing as she is falling in love with Mathayus.

Memnon has Cassandra taken hostage when the resistors arrive at his palace for the final battle to stop Memnon's ultimate rise to power. Mathayus infiltrates Memnon's throne room to rescue Cassandra and engages in a swordfight with Memnon, with the warlord revealing his skills to the Akkadian. Memnon knocks over some torches which set the floor and curtains on fire, and Mathayus is also forced to dodge and protect himself from poisonous snakes scattered across the room. As Memnon's guards burst in, Mathayus is momentarily distracted and Memnon takes this opportunity to escape with Cassandra as a hostage.

After defeating the guards, Mathayus chases after Memnon and confronts him on the roof of the palace's upper courtyard. They battle once again, with Memnon gaining the upper hand and boasting that the gods favoring him as a warrior. One of his guards then appears behind Mathayus and fires an arrow into his back, though the wound is not fatal. Cassandra quickly kills the guard with a knife and Mathayus painfully rips the arrow from his back, then picks up a bow lying on a table and aims at Memnon. Mathayus is the warrior prophesied to take on the mantle of Scorpion King, and despite his efforts to block the attack, Memnon is hit in the chest by the arrow and knocked off the edge of the courtyard where he stood.

At the same time, the resistors ignite a trail of gunpowder the foundation stones below the statue of Memnon in front of the palace and Memnon falls to his fiery death into the resulting explosion.

---

When he was done we were shocked and horrified that he was THAT EVIL! Memnon was pure evil!

Me: Oh man! This is gonna be really big.

Eli: Memnon is REALLY dangerous.

J.D. 3: No kidding. I've faced Memnon in my travels to find Egypt back during this time and let me tell you it was a brutal battle. He is one of the most fierce swordmasters I've ever seen and he is really skilled in knives and archery too.

Varie: Whoa! This guy sounds like he is really deadly.

J.D. 3: He is.

Me: And a worthy challenge.

Cybertron Ransack: Looks like the guys we just offed are his henchmen.

Mathayus: That's right.

Nico: Looks like J.D. is gonna have some fun while we have the usual battles when we face him.

Me: Yep. I want to test my prowess against a deadly master like him.

Nico: I had a feeling you were going to.

Eli: This is gonna be awesome.

Me: It sure will.

Nico: Yep.

Loki: Let's take this time to prepare for the battle.

Nico: Agreed. Lets sharpen our swords and prepare for battle.

We nodded in agreement and prepared for a massive and full force attack. I was gonna face Memnon as the usual battles rage.

We got ready and headed out that night.

Nico was looking at a photo.

Jinx: Hey, Nico. What are you looking at?

Nico: Oh this is a photo of me, Missy and Qin and two more of my friends.

Missy: You mean Erica Haddock and Ellie Singh.

Nico: Yep.

Qin: I haven't seen them in a while. I hope they are okay.

Me: I have a feeling that they got slammed too.

Eli: Yeah. But J.D. can help them.

Me: What can you tell us about them Nico?

Nico: Well Erica is a powerful 9th Degree Black Belt in martial arts and Ellie is a track runner. She is really fast.

Me: Cool!

Ghost: (to Mathayus) Is it okay if we stop here for a few minutes. Nico's telling us about his two other childhood friends.

Mathayus: Sure thing. I can tell Nico is going through some stuff.

Ghost: Thanks.

Miranda (W.I.T.C.H.): Can we see the picture so we know what Erica and Ellie look like?

Nico: Sure.

Nico showed them the photo and Erica was a red hair girl with green eyes and Ellie was a blond hair girl with golden hair that shined like the sun and she had brown eyes.

Miranda (W.I.T.C.H.): Boy they sure are pretty and Ellie's hair is beautiful.

Vortex: (to Poromon and Poliwag) Do you two have any favorite memories of Erica?

Poliwag: I sure do. I cheered her on at the talent show. She has a really powerful set of moves.

Eli: Maybe J.D. and everyone can teach her some of our more advanced moves.

Nico: I'm sure she would like that.

Vortex: What about you Poromon?

Poromon: I helped root for her when she was going for the 9th Degree Black Belt.

Me: Very supportive.

Hard Man: What about Ellie? Any good memories of her?

Poliwag: You should see how fast she runs. She has what it takes to be in the Olympics. We rooted for her in the 500 meter sprint.

Poromon: That was so fun.

Nico: I remember that. She ran so fast that she blew the competition away.

Poromon: Yep. My favorite memory with Ellie is when she won gold in the School Triathelon.

Nico: Yep. That was something.

Me: That is amazing and very talented.

Plastique: I think they'd be proud of you for what you've accomplished.

Lori: Plastique's literally right. I mean, look at what you accomplished this morning.

Nico: That's right. I'm sure they both would be.

Missy: Yep and it'll be awesome to see them again in the future. We have so much to tell them.

Eli: It'll be awesome to meet them too.

Laney: Yep it will.

Nico: You guys will love them.

Cree Lincoln: We're gonna help you find them, Nico.

Lynn: No matter how many Gene Slammers we have to rescue or how many villains we have to take down, we're gonna help you find them.

Me: Absolutely buddy!

Nico: Thanks guys.

Eli: Anytime.

Mathayus: Wow your friendship has gotten stronger too.

Me: It sure has ancestor.

Molten Man: (to Mathayus) I'm really sorry if you think we're wasting time right now.

Lola: But we've actually had a moment like this before.

Mathayus: I understand that Nico is going through a lot right now and I understand how hard this is for him.

Nico: Thank you Mathayus.

Snaptrap: Are we almost close to Memnon's place?

Mathayus: We should be just about there.

We then saw that we were in the city of Gomorrah.

Nico: This must be it.

Me: Yes it is. I sense he is here.

Eli: Great.

We went into the city and it was a wicked place.

Gearhead: You guys got any vehicles I can use?

Nico: Hmm.

Nico looked around and saw a couple of chariots.

Nico: Those chariots will work. They didn't have good forms of transportation back during this time.

Gearhead: True.

Me: Look up there!

We saw MEMNON!

Laserbeak: There he is. Smugass bastard.

Nico: Now it's entrance time. Lets do it.

We went for the castle.

Memnon was watching over everything in the city. Suddenly…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted above him and then it rained down fireballs and they hit the castle all over and exploded and then more explosions blasted all over the castle and then we came out and we were ready to fight.

Nico: Memnon, so we meet at last.

Memnon: Who are you all?

Me: Your worst fucking nightmare.

Memnon: J.D. Knudson. Its been a long time.

Me: Too long. Now it's time you die.

Firefly: We had a little… chat with some of your goons earlier. They won't be saying anything ever again.

Nico: Because we killed them.

Memnon: So you have. Such a waste.

Me: (Unsheathes sword) We have a score to settle.

Memnon unsheathed his sword.

Roquefort, Ssserpent, Demyx, Duskmon, Dark Laser, Roman Goodwin, Abomination, Blizzard, Scorcher and Gizmo then appeared.

Nico: Roquefort, Ssserpent, Demyx, Duskmon, Dark Laser, Roman Goodwin, Abomination, Blizzard, Scorcher and Gizmo.

Roquefort: I hope we're not too late.

William: Nope. You guys are just in time.

Ssserpent: (to me) We'll have the usual battles.

Demyx: You just go beat up Memnon.

Me: With pleasure.

Duskmon: But first, we heard you showed Missy around Alfea.

Me: We sure did.

Dark Laser: Did she like it?

Missy: I sure did and it was so cool!

Bloom: She had a lot of fun with us.

?: I can tell.

We saw a figure come out and it was THE ANGLERFISH RINSHI from episode 32 of Jungle Fury!

---

The Anglerfish Rinshi was summoned by Dai Shi from the spirit world along with Fox Rinshi and other servants of Dai Shi. He and Fox Rinshi were quickly destroyed by Master Mao in battle. It is unknown if he encountered the Power Rangers earlier or he was a servant of Dai Shi during the first Beast War.

---

Casey Rhodes: Anglerfish Rinshi!

Mad Angler: You can call me Mad Angler. It's fitting.

Me: I remember you! You and the Fox Rinshi were the last ones Dai Shi summoned before the ultimate confrontation.

Mad Angler: That's right. Good memory on you.

Me: Never missed an episode. But it's a darn shame you didn't get your own episode. What a ripoff.

Nico: Yeah what a shame.

May: I can't believe you were the only two monsters that didn't get a full episode.

Mad Angler: I know, right? Dai Shi only summoned me at the very end. At least I got to fight Master Mao.

Nico: You sure did and that was awesome.

Laney: It sure was.

I formed a Shadow Clone.

Me: Help out in the group with the Zyuohgers.

Me 2: You got it.

We got the usual battles underway.

Roquefort was first.

Roquefort: (to Raven) Who did J.D. rescue this time?

Raven: She's a Night Wing Sorceress. She's the first ever Duel Monster that is now real in our world.

Princess Luna: And she is amazing at knowing all about the powers of the night.

Snowdrop: She sure is.

Gari: It's so awesome. She would make a great member of the Goths of Darkness and the Children of the Night.

Blackout: I think that's really amazing.

Lucky: It sure is. I think it's amazing that we have a Duel Monster in J.D.'s harem.

Garo: That is really cool.

Girl Jordan: It sure is. So awesome.

Eggs: It sure is. I think it's cool myself.

Roquefort: I agree with you.

Raven: Be sure to save some cheese for Nico when we're done here. You know how much he likes his cheese.

Roquefort: (Laughs) I will save some for him. Lets do it!

Girl Jordan: Thanks guys. I represent the constellation of Aquarius the Water Bearer.

Raven: That's a great choice for you.

Knight Mare: It sure is.

Roquefort: I agree with you. Lets do it!

Lucky: Time to test your luck!

They fired waves of darkness and energy and smashed him down.

Raven: That was a victory.

Princess Luna: A true victory of the night.

Lucky: We will reclaim the galaxy!

## Battle 2: Kimiko, Sunset Shimmer, Fire Skylanders, Anko, Razorclaw and Hun Gurr VS Ssserpent - The Trix Returning

Ssserpent was next.

Ssserpent: (to Kimiko) Did the Trix really come back?

Kimiko: They sure did and this time Misty got to transform and she laid down the law on them.

Sunset Shimmer: She sure did and this time instead of everyone fighting them, Maria forgave them.

Sunburn: She sure did. After how we killed them 3 times, it's time to bury the hatchet and have them sent to prison without their powers.

Anko: That was a very big act of selflessness right there. I wish the same can be said to my so-called former teacher.

Ssserpent: It's possible. If people like the Trix that are that blackhearted can be forgiven then anyone can be forgiven no matter how evil they are.

Razorclaw: That's true.

Ssserpent: Yep. Lets do it!

They fired waves of fire and smashed him down.

Kimiko: OH YEAH!

Sunset Shimmer: That was amazing!

---

Battle 3: Irma, Rarity, Sweetie Belle, Water Skylanders, Girl Jordan, Luna, Commander Mars and Commander Jupiter VS Demyx - Dai Shi Being Destroyed

---

Demyx was next.

Demyx: (to Irma) It's good that Lincoln and the others killed Dai Shi. That dude was way too big for a Power Rangers villain!

Irma: You're telling me. He was a really scary 7-Headed Golden Dragon. But King Ghidorah proved us wrong about him. Turns out he really did take him down with ease.

Rarity: He most sure did and it was a powerful fight from what we were told.

Sweetie Belle: You should have seen it. It was so awesome!

Gill Grunt: It sure was and I thought it was so awesome.

Girl Jordan: It sure was.

Demyx: You got that right. G.J. you looked amazing as a Kyuranger. That was great!

Girl Jordan: Thanks Demyx. It was so cool being a Kyuranger. I loved it.

Luna: That was rocking little dudette.

Demyx: It sure was. Lets do it!

They fired waves of water, ice, jewels and energy and smashed him down.

Irma: YEAH! That was amazing!

Rarity: Rapture darling that was grand!

---

---

Duskmon was next.

Duskmon: (to Jeri) I heard that Nico's simulator exercise was in House of Villains. Is it wrong that I actually liked the musical number there?

Jeri: Not at all. The song they sang in that movie was really awesome.

Fluttershy: I thought it was a really good song. Even though what the Disney villains did in that movie was terrible.

Tornado Bolt: Yeah no kidding and those guys have given us a tremendous Number of headaches in the past. Especially with Oogie Boogie opening his big ugly bug-filled mouth about Nico doing all that under the influence of the Digimon Emperor!

Duskmon: Yeah how can I forget that!? It would have been nice to see Nico beating the living crap out of him for therapeutic relief.

Tornado Bolt: Amen to that!

Stealth Elf: Yeah you said it.

Yamato: We weren't there when it happened but we heard all about what went down from J.D.

Me 2: Yeah what happened when Oogie opened his ugly mouth was terrible. Nico went into a spiraling depression and locked himself in his room for 2 days.

Duskmon: Poor guy. At least Nico is over that.

Lily: That is a big relief.

Carlitos: Yeah it was awful.

Lucy Loud: But at least it's all over now.

Lucille Loud: (Scottish Accent) Aye. Thank goodness it is over.

Duskmon: You got that right. Lets do it!

Zyuohgers, Lily and Carlitos: WILD INSTINCT! AWAKEN!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind us and we were ready!

Duskmon: Wow! That is awesome! The Roadrunner and Ibex are perfect for you two.

Lily: Yep and I chose the Patagonian Roadrunner because it's a beautiful bird.

Carlitos: I chose the Ibex because of its beautiful horns.

Me: The Ibex are a beautiful deer that live in Asia. Good choice for you.

Duskmon: It sure is.

Yamato: Dont underestimate this planet!

Lily: Watch what I can do. UNLEASH THE BEAST!

Lily ran as fast as the Roadrunner and punched and smashed Duskmon all over.

Carlitos: Now for this. UNLEASH THE BEAST!

Rainbow Dash: Yeah they should have been destroyed forever when J.D. blasted them into oblivion when he Super Hakaied them.

Scootaloo: Yeah and that was with the War with Necrafa on Gemina.

Whirlwind: That was an intense battle. But I think it was a good idea for Maria to forgive them. 3 times facing them is plenty.

Lana: Yeah. It was a good idea for Maria to forgive them too.

Dana: I agree with you there.

Ravager: Same here. I'm glad they were forgiven too.

Blizzard: That was very selfless and smart on Maria's part. We'll have to see if they can be part of the Masters of Evil or the Redemption Squad. Lets do it!

Jason Lee Scott: No one is as evil as Rita Repulsa was. She was going to take over the entire universe and kill anyone that got in her way.

Twilight Sparkle: Yeah no kidding. She was able to do all kinds of horrible things.

Sunny Starscout: Yeah no kidding. What Rita did was absolutely horrible compared to what Memnon did. His crimes are nothing compared to hers.

Scorcher: You do all raise a good point. But as a veteran Power Ranger you are not gonna let Memnon get away with his crimes right?

Jason Lee Scott: Not a chance.

Spyro: We won't let him get away with it either.

Missy: Yeah he has!

Then Missy had an aqua blue glow form on her finger and then when the light faded it formed a ring and there was an Aqua Blue Gem that had an Anglerfish in it.

Missy: Wow! My own Spirit Ring.

Isabel then came.

Isabel: The AnglerfisH is perfect for you Missy. Anglerfish symbolizes the unseen world, navigating darkness, and luring energy…. Anglerfish have a glowing lure that reaches out from their 3rd eye to help them navigate in the dark as well as attract nourishment into its life. Powerful, clever, and determined, those born under the sign of the Anglerfish are mysterious individuals who use their immense intellect to outwit others in the game of life. And to them, life is a game; a challenge to be won. Just like a professional poker player, they keep a straight face and keep others guessing about their next move. It can be very hard to know what an Anglerfish is thinking or feeling since they rarely ever talk about their inner fears or hesitations.

Missy: That is so cool! But how did you know that Isabel?

Lana: Isabel is our chief shaman.

Laney: She has an amazing power that helps her identify which spirit animal is perfect for a person.

Isabel: It's true. I got that power because of this.

Isabel lifted up her shirt and Missy saw her scar on her back.

Missy: Whoa man! How did you get that scar on your back?

Nico: Isabel had a really bad bacterial infection that was destroying her spinal column.

Lisa: It was a bacterial infection called Gangrenous Necrotizing Osteomyelitis.

Missy: Geez!

Isabel: Yeah it was brutal. They had no choice but to replace my entire spinal column with a cybernetically enhanced one. As I recovered I was seeing the spirits of all the animals from all over the world and I got these incredible powers that helped me identify which spirit animal is perfect for anyone. That's how I became a shaman for the team.

Missy: Wow! That is amazing.

Then a glow appeared and it was an aqua blue light and it landed in Missy's hand and it was the Anglerfish Wild Zord Animal Crystal.

Missy: Wow! My own Wild Zord Animal Crystal.

Nico: Cool! The Anglerfish Zord.

Then a Crystal Saber appeared in a holster on her left hip.

Isabel: So awesome.

Missy also got her own Zyuohger Morpher and it was for the Anglerfish.

She was really looking forward to seeing what her Zyuohger Ranger form was like.

Troy Burrows: Rangers that's a super Mega Win.

---

We regrouped and then everyone was facing Memnon.

We fired arrows and they hit him all in the chest and sent him flying and Nico fired an energy blast into the temple and it exploded!

***KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

The explosion incinerated Memnon and obliterated him in an instant.

Nico: TAKE THAT!

?: I will make sure that all of you will die here for what you did to Yggdrasil!

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, and the eight large purple orbs orbiting around Menat's legs were glowing, and that means big trouble was coming.

Lloyd Irving: Oh crap, I was hoping never to hear that voice again. You can come out now, Magnius.

A figure came out of the shadows, and it was none other than Magnius, another member of The Desian Grand Cardinals, or Yggdrasil's followers.

Nico: So, that's Magnius, and from what I can sense, he's another of Yggdrasil's followers. What can you tell us about him, Lloyd?

Lloyd Irving: You aren't going to like what I'm going to tell you about this brute, Commander Nico.

Lloyd Irving proceeded to tell us about Magnius, and we weren't going to like what he was going to tell us about him.

---

Magnius

Magnius (マグニス Magunisu?, "Magnis"), full title Magnius the Pyroclasm, is an antagonist in Tales of Symphonia and one of the Desian Grand Cardinals. He is in charge of the Palmacosta Human Ranch.

History

Past

Prior to the story, Magnius killed the previous governor-general, Dorr's father, and infected Dorr's wife with a seed that mutated her into a monster. As Dorr was next in line to become the new governor-general, he and Magnius made a deal: Dorr would unofficially stop fighting the Desians and periodically give the Human Ranch a large amount of Gald, in order to obtain the medicine needed to cure his wife. However, no such medicine existed.

## Palmacosta Execution

The party first meets Magnius when they return to Palmacosta after meeting with Koton, only to find an execution underway. The victim is Chocolat's mother Cacao, being punished for Chocolat's defiance and unwillingness to sell supplies to the Desians. Against Raine Sage's advice, for fear of a "second Iselia", the party outwardly defies Magnius and rescues Chocolat's mother. Confirming that the offender is the wanted criminal, Lloyd Irving, Magnius rejoices, as his capture would lead to Magnius's promotion to leader of the Grand Cardinals. Magnius orders his men to capture the party while he himself teleports back to his ranch because of an injury. The party fends off the Desians and reunites Chocolat with her mother.

## The Ranch and Chocolat's Rescue

While the party is continuing their journey, Magnius contacts Dorr and makes a plan to trap both Lloyd and the Chosen Colette Brunel. After making the plan, Magnius's troops take pilgrimage travelers prisoners, in which the guide is none other than Chocolat. However, the group is already aware of Dorr's cooperation with the Desians when they infiltrate the ranch. Once inside, the party eventually finds Chocolat and rescues her, along with all the other prisoners. Arriving at the control room, the party is confronted by Magnius, who proceeds to tell Chocolat the fate of her grandmother, Marble, whom he states was killed by Lloyd. Chocolat is overtaken by rage, and in her confusion is captured again by the Desians. The party engages Magnius in battle, and succeeds in defeating him.

## Death

At his verge of death, Kratos Aurion approaches Magnius and tells him that he is a fool, and that the Chosen is accepted by Cruxis, and shall thus not be killed. Hearing this, Magnius realizes that he has been fooled by Rodyle into thinking that the Chosen was actually going to be killed. After Raine activates the self-destruction of the ranch and the party hurries out, Magnius tries to contact Forcystus of the Iselia Human Ranch and warn him, but is cut off by a hologram of Rodyle who thanks him for the Gald and information he has provided him. Just before he dies, Magnius glorifies Yggdrasil's "Age of Half-Elves".

Appearance and Personality

Magnius is a well-built, half-elven man with long, red hair that he keeps in a ponytail. He has several scars on his face that accompany his default scowl. He wears a purple vest that exposes his chest and arms and silver, mechanical-like bracelets on his wrists. His pants are black with a red, wavy design on the sides, while his boots are silver and pointed upward at the ends. Magnius has a hot-tempered personality, flying into a murderous rage whenever someone acts against him, as seen when a human does not refer him as "Lord Magnius" and a child throws a stone at him. He is also slightly sadistic, finding amusement in seeing Chocolat defy Lloyd for something over which he had little to no control.

---

When Lloyd Irving finished telling us about Magnius, we were furious at his actions, but none more so than Roddy St. James.

Roddy St. James: (British Accent) That sadistic brute. I've had it up to hear with him to last an eternity.

Suddenly, we felt something in Roddy St. James' snap, as his caramel brown eyes turned neon blood red, and he was surrounded by a dark energy aura with rodents, dark fire, and creatures of the night, he'd unholstered his Savior of The Queen sword from his wider muscular back, and as he approached Magnius, he left rats, dark fire, dark energy, and creatures of the night with every step.

Roddy St. James: (British Accent) Magnius, what you've done to so many innocent people, and all for that fallen angel, Yggdrasil, can never be forgiven. And now, I will put an end to your miserable life, and you will join your other fallen comrades in The Further for all eternity!

Roddy St. James screamed like a madman, as he was surrounded by a massive vortex of dark energy with dark fire and darkness surrounding it, there were rats and the creatures of the night flying and running around the dark vortex, and in the vortex was a ruby red phoenix. Then, as the vortex had faded, Roddy St. James emerged, but he was changed forever.

Roddy St. James' physical appearance, large black angel wings with ruby red tips on the feathers, and jewelry from when he got his Savior of The Queen sword remained the same, but he has neon blood red eyes and a dark energy aura with the creatures of the night surrounding it, his brown hair grew and went down to the bottom of his neck, he had a rat with the Dark Kanji in its paws emblazoned on his forehead, he had on rodent earrings with the Dark Kanji in its paws and a necklace with a rodent holding the Dark Kanji in its paws for the pendant, his long black trenchcoat had the creatures of the night on the coattails and the castle of the vampires on the back, along with a rodent. There was a blood red kanji on the back below the rodent and the castle of the vampires that'd said, "Roddy St. James, Former Pet Rat from Kensington, Savior of Ratropolis and Rodentkind, Destroyer of The Toad and His Delusional Ambitions, Boyfriend of Rita Malone, and Master of Darkness and The Creatures of The Night."

ロディセントジェームス、ケンジントン出身の元ペットラット、ラトロポリスとローデントキンドの救世主、ヒキガエルと彼の妄想の野心の駆逐艦、リタマローンのボーイフレンド、そして闇と夜の生き物のマスター。

Roddy St. James has now transformed into SUPER ANGEL 750,000,000,000 DEMONIC DARK FIRESTORM RODENT ANGEL OF DARK JUSTICE!

We were amazed by Roddy St. James' Super Angel 750,000,000,000 transformation, and when Rita Malone saw it, her face had an atomic red blush when she saw Roddy transform.

Me: Whoa, Roddy has transformed.

Nico: You said it, Colonel, he's also become a true Angel of Darkness and Dark Justice, and judging from Rita's blushing face, she's fallen even more in love with him.

Rita Malone: (British Accent) Wow, Roddy, you look amazing. How do you feel?

Roddy St. James: (Divine Echoing Darkness Voice of Justice and British Accent) **I feel incredible, Rita, and now, I'm going to teach this heartless savage a lesson: a lesson that'll end in blood!**

Roddy St. James went after Magnius, who swung his axe at him, but he dodged it. Then, Roddy fired powerful blasts of dark energy, darkness, and dark fire at Magnius, which'd exploded with incredible power as the blasts hit him, Roddy St. James even summoned the creatures of the nights to attack Magnius, as they tore at him, and was left with bleeding wounds. Then, Roddy St. James slashed off Magnius' arms with his Savior of The Queen sword, as he'd screamed in excruciating pain and was bleeding like crazy, which was exactly Roddy's point: to make Magnius pay for his crimes in blood.

Roddy St. James: **And now, it's time for you to join your fellow comrades in The Further for all eternity, Magnius. NIGHTMARE STYLE NINJA ART: PLAGUE OF RATS!**

Roddy St. James fired blasts of darkness, which transformed into The Curse of Rats, one of the Ten Curses of Egypt, and they ripped Magnius apart, leaving only nothing but his torn flesh, bones, and a pool of blood, and Magnius' spirit was sent to The Further for eternity. We cheered wildly for what Roddy St. James did, as he holstered his massive Savior of The Queen sword on his back and powers down, but the new earrings and necklace were now part of his new attire. Rita Malone went up to the former fancy rat of Kensington, and she hugged and kissed him, which he returned in kind.

Me: I knew those two were meant to be together.

Nico: Yeah, what started out as an uneasy relationship has now blossomed into true love.

Thanks to what Roddy did, now we were rid of Yggdrasil's main followers, The Desian Grand Cardinals and they will never return to plague us again.

Mathayus: Thank you all for helping me today.

Roman Goodwin: Anything for an ancestor of J.D.

Abomination: Now we just have to get ready for Halloween tomorrow.

Blizzard: (to Mathayus) Wanna celebrate it with us?

Mathayus: I would be honored.

Scorcher: Music to my ears!

Gizmo: Trust us. You're gonna love Halloween!

Me: OH YEAH!

Nico: Lets get ready for tomorrow everyone!

Me: You got it commander!

Mathayus: (To the viewers) Never underestimate the power of friends and family working together.

Me: You got that right ancestor.

We then went back home and enjoyed the rest of the day. Tomorrow was Halloween.

HAPPY HALLOWEEN 2021 EVERYONE

---

Over the darkness of New York City, me, Allie, Missy, Maria, Jarrod of the Jungle Fury Rangers, Simone, Miranda and the Zapdos Gene-Slammer Jessica Namiko were flying over the city and it was beautiful.

Jessica Namiko: Is it wrong that I always love Halloween?

Jessica concentrated and groaned as her mouth turned into a beak.

Me: Not at all Jessica and I love Halloween too.

Eli: Same with me.

Jessica turned into ZAPDOS!

Miranda: Awesome!

Me: Yep. Looks like we're in New York City.

We heard a crow and then I knew we were there to meet the anti-hero of the supernatural: THE CROW!

---

On October 30, Devil's Night in Detroit, Sergeant Albrecht is at the scene of a crime where Shelly Webster has been beaten and raped. Her fiancé, musician Eric Draven, lies dead on the street after having been stabbed, shot, and thrown out the window. The couple had planned on getting married the following day, Halloween. As he leaves for the hospital with Shelly, Albrecht meets a young girl, Sarah, who says that she is their friend, and that they take care of her. Albrecht reluctantly tells her that Shelly is dying.

One year later, a crow taps on Eric's gravestone; Eric awakens and climbs out of his grave. Meanwhile, the street gang who perpetrated the deaths of Eric and Shelly, headed by T-Bird, is setting fires in the city. Upon returning to his old, now-derelict apartment, Eric experiences flashbacks of T-Bird and his gang (Tin Tin, Funboy and Skank) committing the murder. Eric soon discovers that any wounds he receives heal immediately; guided by the crow, he sets out to avenge his and Shelly's murders by killing the perpetrators.

The crow helps Eric locate Tin Tin; Eric kills him (by stabbing him in every major bodily organ in alphabetical order) and takes his coat before going to the pawn shop where Tin Tin pawned Shelly's engagement ring, forcing the owner, Gideon, to return it. He then blows up the shop with gasoline, sparing Gideon so that he can warn the others. After finding Funboy with Sarah's drug addict mother, Darla, and killing him (by magically making him overdose), Eric confronts Darla, squeezing the morphine from her veins, making her realize that Sarah needs her to be a good mother. He visits Albrecht, explaining who he is and why he is here. Albrecht tells him what he knows about Shelly's death and that he watched her suffer for thirty hours before dying. Eric touches Albrecht and feels the pain Shelly felt during those hours. After she and her mother begin repairing their strained relationship, Sarah goes to Eric's apartment and tells him that she misses him and Shelly. Eric assures her that although they cannot be friends anymore, he still cares about her.

As T-Bird and Skank stop at a convenience store to pick up supplies, Eric arrives and kidnaps T-Bird. Skank follows the pair and witnesses Eric kill T-Bird by forcing his car into the river; he escapes and goes to Top Dollar, the crime boss who controls all the street gangs in the city. Top Dollar and his lover/half-sister Myca, have become aware of Eric's actions through various reports from witnesses. Top Dollar holds a meeting with his associates where they discuss new plans for their Devil's Night criminal activities. After Eric arrives, looking for Skank, a gunfight ensues, with nearly everyone present, including Skank, being killed. However, Top Dollar, Myca and Grange, Top Dollar's right-hand man, escape.

Eric, having finished his quest, returns to his grave. Sarah bids him farewell, and he gives her Shelly's engagement ring. Grange then abducts her and takes her into the church where Top Dollar and Myca are waiting. Through the crow, Eric realizes what has happened and goes to rescue her. Unfortunately, Grange, after Myca divines that any injury suffered by the crow will harm him, shoots the crow after it flies into the church, sapping Eric of his immortality. Myca grabs the wounded crow, intending to take its mystical power. Albrecht arrives, wanting to pay his respects to Eric, just after Eric is shot and wounded. Top Dollar grabs Sarah and climbs the bell tower as a fight ensues, and Albrecht kills Grange. The crow escapes Myca's grip, claws her eyes, and sends her down the bell tower to her death. When Albrecht is wounded, Eric climbs to the roof of the church on his own. There, Top Dollar admits ultimate responsibility for Eric and Shelly's deaths. In their fight, Eric gives Top Dollar the thirty hours of pain he absorbed from Albrecht; the sensation sends Top Dollar over the roof of the church to his death. Sarah accompanies Albrecht to the hospital, and Eric is reunited with Shelly at their graves. The crow, carrying Shelly's engagement ring in its beak, later lands on Eric's grave and drops the ring into Sarah's hand before flying off over the city and into the night, while Sarah's monologue affirms that while people die, love lasts forever.

---

We saw The Crow!

Maria: Hi. You must be the Crow.

Crow: That's right. Who wants to know?

Me: Team Loud Phoenix Storm.

Eli: Eric Draven A.K.A. The Crow. It's awesome to meet you.

Crow: Same here. I take it you're here to help me kill Top Dollar.

Me: You got that right.

Simone: We heard all about him and it was horrible that he is that ruthless.

Me: What can you tell us about him?

Crow: He's the one that killed me.

He told us his history.

---

Top Dollar is a major antagonist in James O'Barr's graphic novel The Crow, and the main antagonist of the 1994 film adaptation of the same name.

In the film, he was portrayed by Michael Wincott, who also played Michael Korda in Metro, Philo Gant in Strange Days, Guy of Gisbourne in Robin Hood: Prince of Thieves, Gary Soneji in Along Came a Spider, and Scroop in Treasure Planet. In the Stairway to Heaven series, he was portrayed by John Pyper Ferguson.

In O'Barr's graphic novel, Top Dollar is a small-time drug dealer and an affiliate of a gang of thugs, who murdered Eric Draven and his girlfriend Shelley Webster for fun.

One year later, Eric is brought back from the dead by a mysterious crow and seeks vengeance against his and Shelley's murderers. He finds Top Dollar at a meeting with his men, and shoots him in the head, killing him.

Film

In the film adaptation, Top Dollar is a mobster who controls Detroit's street gangs, along with his half-sister and lover Myca. Every year on Devil's Night, his men loot and rob the city, setting several buildings on fire to intimidate law enforcement.

He is responsible for the deaths of both Eric Draven and his girlfriend, Shelly Webster. When Shelly started a petition to fight unjust tenant eviction in a building Top Dollar owned, he sent a gang of his men to rape her and drive her out of her house on Devil's Night. Unfortunately, Eric came home that night as they were raping her, which resulted in both of them getting killed.

One year later, a mysterious crow brings Eric back to life, and he sets about to avenge his and Shelley's death by killing the men responsible. He eliminates Top Dollar's lieutenants until there was only one left - a low-level minion named Skank. When Eric leaves one of his henchmen, Gideon, alive as a message, he informs Top Dollar that his store was destroyed by a man with a big bird who referred to himself as Eric Draven. Top Dollar is skeptical but ultimately kills Gideon due to his sarcastic and disrespectful behavior towards him and Myca by driving a sword through his throat.

As Top Dollar holds a meeting with the city's other gang leaders, Eric breaks in and demands that they hand Skank over. A gunfight ensues, and Eric kills Skank, along with several of the gang leaders. Top Dollar escapes with Myca and his right-hand man, Grange.

Grange kidnaps Eric and Shelly's friend and surrogate daughter Sarah when she leaves the cemetery and takes her to the abandoned church (where Top Dollar and Myca are hiding out), forcing Eric back into action to rescue her. After Grange and Myca's deaths, Eric ends up fighting Top Dollar on the roof of the church.

The mob boss claims responsibility for what happened to Eric and Shelly, saying that nothing happens in Detroit without his "say-so". However, before he can kill him again, Eric gives Top Dollar the "30 hours of pain" that Shelly suffered (which he absorbed from police sergeant Albrecht). Top Dollar then falls from the roof and is impaled on the horns of a gargoyle.

WE WERE SHOCKED AND HORRIFIED!

Me: Oh man! Looks like we're going to kill this son of a fucking bitch.

Eli: Yeah! Lets get him!

We went for him and we smashed and slashed and pulverized him into dust and we also met a Phoenix Gene-Slammer named Nicole Orrlimenekov from Ukraine as well as The Agent of Creation - Venus.

We killed Top Dollar and Super Hakaied him.

Missy: To quote Zazz, You're going home in a box!

Me: In pieces.

Eli: Yep.

Venus: That monster had it coming.

Phoenix: (Ukrainian Accent) Yes he did.

Maria: Let's check for any drugs.

Eli: Agreed.

We got to searching and we found billions of dollars in drugs and cash and jewels and there were even numerous numbers of guns and ammo and more.

Jarrod: Whoa this guy looks like he was going into war.

Me: No kidding. Look at all this. Lets get the FBI here. But before that lets get you back to normal Nicole.

I put on my glasses and Jarrod and Eli covered their eyes and so did The Crow and I snapped my fingers.

Jessica and Nicole were reverting back.

Jessica: (loses her wings) Sorry you have to feel pain on Halloween.

Nicole Orrlimenekov: (Groans) I'll be all right. Besides I've handled worse.

They both were back to normal but naked and Maria gave them clothes and they put them on.

Crow: This must happen to them a lot.

Me: Yep it does.

Nicole Orrlimenekov: (holds her head in pain) Why do I have to transform back when I just became human again?!

Simone: Reign it in with the strength of your will. We did it and so can you.

Nicole concentrated and then a fire aura flared up and she was fully empowered.

Nicole Orrlimenekov: Wow that was awesome!

Eli: So cool!

We later went back to the estate and The Crow was now with us and also Genki and team were amazed that we had a gene-slammer of Phoenix. So awesome.

After killing Top Dollar and The Fire-Up Gang, Lincoln, Me, Nico, Eli, Nicole, Matau, Carly Atlas, Sailor Mercury, and The Goths of Darkness were heading to the world of the 2016 TV series Bunnicula, and not only is Lincoln going to rescue the twenty one girls there, but we're also going to kill Grimbyte, a robot raven who's among one of Bunnicula's many enemies.

Lincoln: Wow, we're in the world of the 2016 TV series Bunnicula, and I think I know what we're going to do here, not only am I going to rescue the twenty one girls there, but we're going to kill Grimbyte, a robot raven who's among one of Bunnicula's many enemies.

Me: That's right, Linc, and we're also going to meet Chester, Harold, and Bunnicula. Those three have gotten into some wild supernatural adventures together.

Nico: You said it, bro. And New Orleans is home to tales of the supernatural, and from what we have just seen, there's a lot of monsters here.

Eli: And many of them are either friends or enemies of Bunnicula, Chester, and Harold. Plus, I sensed that Carly Atlas and Sailor Mercury are going to transform, this is going to be good.

?: HELP!

Suddenly, Lincoln heard the sound of twenty one girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the twenty one girls, along with Chester, Harold, and Bunnicula, but they've been cornered by Grimbyte, and he's going to kill them.

Lincoln: Guys, I found the twenty one girls, but they, along with Chester, Harold, and Bunnicula, have been cornered by Grimbyte, and he's going to kill them. Come on, let's go.

We rushed on over, and Lincoln fired a blast of lightning, which caused Grimbyte to back away, but as soon as he saw us, he was enraged.

Harold: Oh wow, Team Loud Phoenix Storm!

Bunnicula was amazed as soon as he saw us.

Chester: Hah, now you're in trouble, Grimbyte!

Grimbyte: (Growls) How dare you interfere with my plans, Team Loud Phoenix Storm! I will destroy every last one of you!

Lincoln: Not going to happen, Grimbyte. You've used the Internet to cause trouble for its users, so you can mess with their emotions and feed off their angry messages, and we don't take kindly to those who use the Internet to cause trouble.

Carly Atlas: Yeah, and we've had it up to hear with you to last for an eternity.

Sailor Mercury: Same here.

Suddenly, Carly Atlas's eyes had turned neon blue, and she was surrounded by an orange and dark energy aura with orange and dark fire and hummingbirds, she unholstered her Sword of Aslla Piscu, and as she approached Grimbyte, she'd left behind orange and black energy, orange and dark fire, and hummingbirds with every step, and Sailor Mercury's blue eyes turned neon blue, and she was surrounded by a blue energy aura with water and ice, and as she approached Grimbyte, she'd left blue energy, ocean waves, and ice crystals with every step.

Carly Atlas: Grimbyte, what you've done in using the Internet to cause trouble and misery and feed on their negative messages can't be forgiven.

Sailor Mercury: And for that, you will be destroyed here and now!

Then, Carly Atlas was surrounded by a massive vortex of orange and dark energy with orange and dark fire surrounding it, there was a hummingbird flying around the vortex, and there was an orange phoenix with the Hummingbird Nazca Line inside the vortex, and Sailor Mercury was surrounded by a massive vortex of blue energy with ocean waves and ice crystals surrounding it. There was a blue dragon flying around the vortex, and inside the vortex was a blue phoenix. Then, as the two vortexes faded, Carly Atlas and Sailor Mercury emerged, but they've been changed forever.

Sailor Mercury's transformed into SUPER ANGEL 750,000,000,000 CELESTIAL MAELSTROM MERCURY ANGEL OF JUSTICE AND LOVE!

We were amazed by Carly Atlas' and Sailor Mercury's Super Angel

750,000,000,000 transformations, and it enraged Grimbyte to no end, as his blue eyes turned red with pure hatred and rage.

Me: Whoa, Carly and Sailor Mercury have now transformed.

Nico: You said it, bro, and Roman was right, Carly was the next Dark Signer to transform, and Sailor Mercury has become the next Sailor Scout to transform.

Me: Yeah. How do you two feel?

Sailor Mercury: (Divine Echoing Cosmic Voice of the Oceans) **We feel incredible and amazing.**

Carly Atlas: (Divine Echoing Cosmic Voice of The Skies) **That's right, Nico, I am the second to transform.**

Sailor Mercury: **And now, it's high-time to put an end to your mayhem once and for all, you little monster.**

We also transformed, and we went after Grimbyte, and we fired powerful neon colored energy blasts, elemental blasts, Hummingbirds, and mythical creatures, which hits Grimbyte, and they exploded with incredible power. Then, Lincoln fired a red energy wave, which hits Grimbyte, and sucked out all the Negative Energy he fed on from his Internet mayhem, and he, along with the rest of us, absorbed the Negative Energy, and it made us stronger than ever, as our auras flared up extremely.

Then, we fired massive waves of energy at Grimbyte, and as they hit him, they exploded with such incredible power, and the resulting explosions killed him, and Super Hakaied his spirit for good, as his dark influence also left the Internet for good. Harold, Chester, and Bunnicula cheered wildly, as we'd powered down, but Carly Atlas' and Sailor Mercury's new bodies, clothes, weapons, and jewelry were permanent.

Then, Lincoln and Nicole went up to the twenty one girls who were located there, and when Lincoln saw them, he immediately recognized them. The twenty one girls were Tsukino Azusagawa, Inaho Azuma, Monica Adenauer, and Sophie Balzac Kirisaki from

Yakitate! Japan, Akari Kamigishi, Aoi Matsubara, Ayaka Kurusugawa, Konomi Yuzuhara, Karin Sasamori, Kotone Himekawa, Lemmy Miyauchi, Lucy Maria Misora, Manaka Komaki, Mio Hanesaki, Tomoko Hoshina, Sango and Ruri Himeyuri, Sasara Kusugawa, Shiho Nagaoka, Tamaki Kousaka, Yuki Kusakabe, and Yuma Tonami from To Heart.

Lincoln: Oh wow, it's Tsukino Azusagawa, Inaho Azuma, Monica Adenauer, Sophie Balzac Kirisaki, Akari Kamigishi, Aoi Matsubara, Ayaka Kurusugawa, Konomi Yuzuhara, Karin Sasamori, Kotone Himekawa, Lemmy Miyauchi, Lucy Maria Misora, Manaka Komaki, Mio Hanesaki, Tomoko Hoshina, Sango and Ruri Himeyuri, Sasara Kusugawa, Shiho Nagaoka, Tamaki Kousaka, Yuki Kusakabe, and Yuma Tonami.

Nicole: From Yakitate! Japan and To Heart, awesome.

Lincoln: Are you girls okay?

Tsukino Azusagawa: Yeah, we're okay, thank you for the help.

Then, when Tsukino Azusagawa and the other twenty girls saw who it was that saved them from the evil Grimbyte, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Tsukino Azusagawa: Oh wow, you're you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twenty clones of himself, and he and the twenty clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Tsukino Azusagawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and Jack Atlas ran up to Carly Atlas, as they hugged and kissed, and their daughters hugged their mother, and we also now have Harold, Chester, and Bunnicula as our new members of the team, along with teen horror movie fan Mina Monroe, who already knew of Bunnicula's secret that he's a veggie-sucking vampire rabbit ever since the incident with Bunnicula's brother, and her dad, Arthur Monroe. But, we now have to deal with Bunnicula's enemies, but we'll be ready for them, and we'll also have Bunnicula's help, since he knows them all too well.

After destroying Grimbyte, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

---

Later in Halloween Town we had Ruby Rose blindfolded and it was a special day for her.

Lincoln: You will love it Ruby.

Lincoln took off her blindfold and then…

Everyone: SURPRISE!

Poromon, Poliwag, Manaphy, and Horsea: HAPPY BIRTHDAY, RUBY!

Ruby Rose: OH WOW! Thank you so much guys!

Yang: You're welcome sis.

Lincoln: You earned it sis.

Jack Skellington: It's the first time we had a birthday here.

Ruby Rose: Boy it sure is.

Me: Yep and this time we remembered. Hard to imagine that your birthday is also on Halloween too.

Shannon: That is awesome.

Deker: It sure is.

Cheetah: I told you we wouldn't miss your birthday.

We went back to the estate and got ready for Halloween.

---

At the estate we were getting ready for Halloween.

Me: And an awesome Halloween to you all.

My costume was Robin Hood. I was going as the great Medieval Folk Hero for Halloween.

Nico: Nice Robin Hood costume.

Me: Thanks and you look great in Vegeta's armor Nico.

Nico: Yeah it's part of the battle history he had.

Me: Awesome.

Eli: This is my costume. Before I joined J.D. on all his adventures in my universe I was a member of the Order of The Black Knights. We were a rebel group that was designed to destroy LeLouch.

Lincoln and the girls left for Halloween Town, and they all arrived in time for the Halloween festivities here in Halloween Town, as they were about to begin. They saw the Halloween decorations, and they also saw many ghosts and bats flying around in the moonlit skies.

Lincoln: Wow, Jack Skellington definitely had some amazing ideas for this Halloween.

Sam Simpson: He sure did, Linc.

Just then, Jack Skellington saw Lincoln and the girls.

Jack Skellington: Ah, Lincoln, you and the girls have arrived.

Jack Skellington: That sounds like fun.

Lincoln: We love them. You definitely had everything planned for this year's Halloween celebration.

Sally: Dr. Finkelstein helped out greatly for this one, Lincoln.

Clover: And things are now indeed peaceful now that Oogie Boogie is now gone for good.

Lincoln: You said it, Clover. What that bag of bugs did running his big mouth and causing Nico to fall into a two-day depression, that's low, even for him.

Jack Skellington: But, we'll never have to see him again ever. And, we're also keeping an eye on Lock, Shock, and Barrel, as well, so they don't try anything evil again.

Alex: Those three little pranksters caused you all a lot of trouble, but with all of you keeping an eye on them, they won't try anything evil again.

They hung out in Halloween Town for a few hours, and they had a lot of fun there. Then, it was time to head back home for the annual Halloween party at the World Tree Estate, and they'd also brought Jack Skellington, Sally, and Dr. Finkelstein to the Estate for the annual Halloween party.

Later it was time for DODGEBALL!

Splitlife cloned himself while holding a dodgeball.

Splitlife: Let dodgeball begin!

The clones threw the balls before 1 clone tackled Misty Tredwell to safety.

I dodged the balls.

Me: My turn!

I sprouted my extra arms and threw numerous balls and they hit Vypra, Carly, Myotismon, Bane and Webstor and even Devack, Roman, Kalin and Greiger.

Me: Take that!

Leni: You'll never hit me!

Leni picked up Mevya and was about to use him as a sword but Kevin took Mevya from her.

Kevin Levin: Hey! You are not using Mevya as a weapon!

Levi: Oh was that Mevya? Sorry.

Me: Use this Leni.

Announcer: SQUEAKY NIGHTSTICK MAGISWORD!

Leni: Thanks J.D.

She bashed a bunch of balls and hit a bunch of members of the M.O.E.

BAM BAM SMASH!

Poromon: (smirks) I know how to make things interesting!

Poromon flew over to the Masters of Evil side and pretended to be a dodgeball.

Rex picked him up and then..

Poromon: BOO!

Rex screamed in fright!

Poromon: Who wants to use me as a dodgeball?

Poromon flew into the air and the Masters of Evil tried to grab for him.

Poromon: Too slow!

Me: (In my head) Clever distraction.

Nico: (in his head) Well done Poromon.

We threw numerous balls and then…

SMASH BLAM BLANG!

BIFF KROW BLAM SMASH POW!

Tessa: ALL RIGHT!

Flynn: BOOM! Way to go guys!

I was demonstrating really awesome acrobatic moves and dodging the dodgeballs all over and Allie was in awe.

Allie Wilde: Wow! I didn't know J.D. was so acrobatic.

Nicole: Dad is a champion at dodgeball and he is an awesome gymnastics master.

Allie Wilde: Wow!

I threw a ball and then…

SMASH!

I knocked down Dark.

Nico: Did we win?

Scrappy: TEAM LOUD PHOENIX STORM WINS!

We cheered wildly!

Me: That was awesome!

Eli: Yeah it was!

Allie Wilde: Way to go guys!

Brittany Gresh: Just like old times huh?

Me: Boy you said it. In school we played dodgeball a lot and it was fun.

Jared: You got that right dad.

Poliwag: (to Lynn Sr) Wasn't that fun?!

Lynn Sr.: Boy it sure was! Awesome job out there guys!

Lincoln: Thanks dad.

Laney: This was really fun.

Girl Jordan: It sure was Laney.

Samuel Loud: Boy you guys are really good at Dodgeball.

Me: We get that a lot. We have really awesome dodgeball games every now and then with the Masters of Evil.

Vypra: And it was fun.

Samuel Loud: Boy that is really awesome and J.D. you are really acrobatic and agile.

Me: Thanks Samuel. It was so cool. We don't go trick-or-treating for another 3 hours. Lets get ready for next mission.

Lori: I'm literally glad Scarecrow isn't here anymore to cause trouble on this day. But there still might be something else about to happen.

Me: I have that same feeling too Lori. But this whole month has been one awesome event after the other for all of us.

Eli: It sure has and bro it's your turn to lead today and tomorrow.

Me: I know and it's gonna be awesome.

Twilight Sparkle: After we have our next mission you all can come to Ponyville to celebrate Nightmare Night with us.

Me: We would be honored Twilight. And Nightmare Night is Equestria's version of Halloween.

Nico: This will be so cool to see what Nightmare Night is like.

Fluttershy: Oh I get scared on Nightmare Night.

Lincoln: You can be with me Fluttershy. I'll keep you safe and help you not be scared.

Fluttershy: Oh thank you Linky.

Me: Aww. Also Hawk & Hank will not be around to ruin it either.

Nico: Thank goodness.

Kairi Yano: You know what? While there isn't anything major going on, let's go after the rat b*** who made Lynn Sr afraid of Halloween.

Me: He's dead Kairi. I got him executed a few years back before I moved here to Michigan.

Kairi Yano: Oh nevermind then.

Me: But I have a feeling like I'm being watched.

A figure was watching me and then a shadow loomed out of the bushes and then I grabbed it and smashed it to the ground and to my shock and fury it was DANIEL DEREK MONROE! BACK FROM THE DEAD!

Nico: WHOA That's him!

Maria: This is gonna be a fast mission!

Daniel Monroe: (chuckles) Don't be too sure.

May: What are you talking about?

Daniel Monroe: Who knows what might be going on while you're wasting time with me?

Nico: (widens eyes) What. Did. You. Do?

I grabbed him!

Me: WHAT THE FUCK HAVE YOU DONE!?

Daniel Monroe: (Malevolent Smirk) Oh I wouldn't want to spoil the surprise.

Lynn Sr.: I'll face him and you guys go after what he unleashed.

Eli: Okay. I sense that it's in the park!

Me: Lets go! Show this son of a bitch no mercy Mr. Lynn.

Lynn Sr.: I intend to.

Suddenly, we felt something snap inside Lynn Sr.'s mind, as memories of that tragic Halloween night all those decades ago came back, as his eyes turned neon green and then, he was surrounded by a green energy aura with leaves, plants, and fruits, he unholstered his Sword of Dionysus from his back, and as he approached the serial killer who murdered his father those decades ago, he left green energy, green fire, leaves, plants, and fruits with every step.

Lynn Sr.: (Thinking) Ever since this piece of crap murdered my Dad all those decades ago, I've been afraid of Halloween and the supernatural ever since, and to this day, I've been nothing but a scaredy cat. But, that's it, no more. (Aloud) I will make you pay for what you did to me and my Dad, you evil, lowlife, piece of crap!

Lynn Sr. screamed like a madman.

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion blasted the area as he was surrounded by a massive vortex of green energy with green fire, leaves, plants, fruits, and grapes surrounding the vortex and his power was rising fast exponentially, there was a green dragon flying around the vortex, and inside the vortex was a green phoenix. Then, as the vortex faded, Lynn Sr. emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lynn Sr. was now 21 years old, and he grew to 7'0" in height, like Lincoln and Duke Lincoln, he now has abnormally large and powerful upper and lower body muscles and eight-pack abs, his brown hair grew back on top of his head, giving him a full head of hair, and it grew longer going down to his neck with emerald green highlights on his bangs, he had neon green eyes and a green energy aura with leaves, plants, and fruits surrounding him, he has a green dragon with the Plant Kanji emblazoned on his forehead, he has on green dragon earrings with the Plant Kanji in its claws and a necklace with a green dragon holding the Plant Kanji in its claws for the pendant across his bare chest.

Lynn Sr. has on his new large cuff Bracelets of the Champions of The Universe with green gems on his wrists. Lynn Sr. also has on the same wardrobe as Lincoln, but his version of He Man 2002's loincloth is emerald green, he has on long green trenchcoat flaps held up by his new Belt of Elemental Bravery with large green gem for the belt buckle on his waist and his Eater of Sins revolver holstered on his right hip, he has large green weighted bands on his large biceps and thighs, large blue pants with green leaves, large black leather ankle-high combat boots with silver armor on the toes, he now has massive green angel wings with light green tips on the large green feathers for his new body, and the massive, wide, double-edged blade of his Sword of Bacchus grew to 6'5" in length and the long black handle grew longer, and he had eight large green orbs orbiting around his legs.

There was a green phoenix and a green kanji below the phoenix tattooed on his Lynn Sr.'s wider and now much more muscular back, and the kanji said, "Lynn Loud Sr., Master Chef and Patriarch of The Loud Family, Emissary of Bacchus, Husband of Rita Loud, Loving Father of Many Children, Son of Samuel Loud, and Master of Plants and Fruits."

リンラウドシニア、ラウドファミリーのマスターシェフ兼総主教、バッカスの使者、リタラウドの夫、多くの子供たちの愛情深い父、サミュエルラウドの息子、そして植物と果物のマスター

Lynn Sr. has transformed into SUPER ANGEL 750,000,000,000 GAIA FRUITSTORM PLANT ANGEL OF LOVE AND BRAVERY!

We were amazed by Lynn Sr.'s Super Angel 750,000,000,000 transformation, including Lincoln and his siblings. But, when Rita Loud saw what happened to Lynn Sr., she had an atomic red blush on her face and steam whistling from her ears, and her eyes changed to hearts at the hunk before her.

Lincoln: Whoa, Dad's transformed.

Me: You said it, big guy.

Nico: And from the looks of the lovestruck look on Ms. Rita's face, she can't take her eyes off of him.

Lynn: Dang, Dad's now completely ripped, just like Lincoln and Duke Lincoln.

Rita Loud: Whoa, Lynn, you look really amazing. How do you feel?

Lynn Sr.: (Divine Echoing Nature Voice of Bravery) **I feel incredible, honey. Now, if you'll excuse me, I've got a lowlife murderer to kill.**

Me: Go get him Mr. Lynn! Make this monster pay for hurting you and scarring you for life!

Lynn Sr.: **With pleasure J.D.!**

Lynn Sr. went after the monster who murdered his father, and he blasted him with powerful blasts of green energy and green fire, and he fired large grape bombs and other fruit bombs at him, and they exploded with incredible power. Then, with his newly improved Sword of Bacchus, Lynn Sr. slashed off the arms of the monster who murdered his father, and he screamed in excruciating pain, and he was bleeding excessively. Then, Lynn Sr. grabbed him by the collar of his shirt and tossed him up into the air.

Vegeta: Wait a second, this was how I disposed of Nappa after Kakarot defeated him, and paralyzed him. Then, that means, Lynn Sr.'s planning on doing the same thing to the monster who killed his father all those years ago.

Lynn Sr.: **I never want to see you ever again, you miserable**

**bastard. This time, stay dead and gone! NATURE'S VENGEANCE KAMEHAMEHA!**

Lynn Sr. fired a massive green Kamehameha wave right at the serial killer, and it's also infused with Super Hakai energy, and as it hits, it exploded with incredible power.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion killed the serial killer, and Super Hakaied his evil bloodstained spirit forever. We cheered wildly for what Lynn Sr. did, as he powered down and holstered his massive Sword of Dionysus on his back, but his new clothes, jewelry, and weapons were permanent.

Lynn Sr.: I can't believe it… I did it, it's finally over.

Samuel Loud: Lynn.

Samuel went up to Lynn Sr., who turned to his dad. Then, Samuel hugged him by his waist, and he cried. This caught Lynn Sr.'s attention, and he returned the hug, as he kneels down to his dad, and he wrapped his abnormally large and powerful muscular arms gently around his dad. We also went up to Lynn Sr., and we hugged him.

Me: You did it, Mr. Lynn, you got justice for your dad, and killed the monster who murdered him all those years ago.

Lincoln: And you also conquered your fears of Halloween, in the process.

Lynn Sr.: I guess I did, kiddo. From now on, I won't be afraid of Halloween or the supernatural ever again.

Rita Loud: That's what I wanted to hear, honey.

Me: We're proud of you Mr. Lynn.

Nico: That's right!

Then, Lynn Sr. picked Rita up in his abnormally large and powerful muscular arms, and they shared a passionate kiss, which she returned with equal passion and intensity.

Rita Loud: (Seductively and rubs her right hand on Lincoln's massive right pec) And I also like what'd happened to you, honey.

We went and got to searching for what Daniel meant and then we heard something and hid.

Firefly: Alright. Let's hide in this alleyway to see what we're dealing with here.

Me: Okay.

We did so.

Allie Wilde: Wow this is the first ever Halloween mission I've ever been on.

Missy: Same with me. I have a feeling this is gonna be awesome and action packed.

Me: We have many awesome missions on the holidays girls. You all would love them.

Nico: Yep.

We then saw the Avengers in front of us.

Me: Are those the Avengers?

We went over.

Me: Are you guys all right?

They turned and we saw THAT THEY WERE ZOMBIES!? WHAT THE FUCK!?

Spiderman: (shocked) Oh Dear God.

We saw standing before us were ZOMBIE VERSIONS OF THE AVENGERS!

Me: OH MY FUCKING GOD!

Nico: WHOA! I saw this in a comic book!

Nico pulled out a comic and it was for Marvel Zombies.

Me: Marvel Zombies! WHOA! I've read that one! It's about the Marvel Avengers in another universe getting infected by a dangerous virus that turns them into zombies!

Eli: WHOA MAN!

Hunter: (German Accent) Mein gott!

Zombie Iron Man: That's right guys.

Me: Whoa man! You guys still have your brains even though you are zombies!

Zombie Black Widow: That's right.

Me: How did this happen to you!?

Colonel America: It's because we were infected by a virus called hunger.

He told us everything about it.

---

Through the means of an eternal time-loop, the Watcher of Earth-Z sent a zombified Sentry from his reality to infect Earth-2149 with the plague known as the Hunger.

When the zombie Sentry arrived, the Avengers were sent to investigate. They were quickly infected and spread the virus to the other heroes. In less than 24 hours, all of Earth was infected. Despite the efforts of Nick Fury and Ashley Williams, nothing stopped the zombies from eating and spreading the disease to the whole world. The main reason for why the infection spread so quickly could be considered the zombified Quicksilver, since he used his speed to travel around infecting other countries.

Having nothing to eat, the zombified Fantastic Four had the idea of invading the Marvel Apes' reality; however, the other zombies invaded it first. The zombified Mr. Fantastic though he had no choice but revert the invasion, so, he and Spider-Monkey used a time-machine and a interdimensional travel machine to make their consciousness re-incarnate at their bodies of the past to revert the invasion, diverging Earth-8101 to Earth-95019 and Earth-2149 to Earth-21050. So, because of this, the zombified Reed took his attention to his Ultimate counterpart.

After Ultimate Reed's escape, the Silver Surfer appeared and announced the coming of Galactus. The zombies, still feeling the hunger, attacked and killed the Surfer, but only Spider-Man, Colonel America, Wolverine, Giant-Man, Power Man, Iron Man, and the Hulk managed to eat him. They ate the other zombies using the Power Cosmic absorbed from Silver Surfer to toast them, hoping they would taste better, but it tasted bad anyway.

Galactus appeared to devour the world, but the zombies constructed a machine using Vibranium from Wakanda, to unite their power cosmic and take down Galactus, eating him after this, but not before they could face the zombified villains once more, killing them. They used the Power Cosmic of Galactus to travel to other worlds and eat other lifeforms. A divergence occurred during this time, in which this reality's Wolverine was pulled away from it and meet alternate counterparts of him.

Meanwhile, the other many left zombies on Earth were trying to invade Earth-616; however, they were stopped by Machine Man and Morbius the Living of this, they tried to develop a vaccine to the virus. Headpool, who invaded Earth-616 along with zombie Morbius, would eventually meet his Earth-616 counterpart and then be killed by the Evil Deadpool Corps.

After forty years in space, the zombie Galacti returned to Earth to get Reed's interdimensional machine but found a group of survivors led by a zombified Black Panther. They would try to eat them and then get the machine but suddenly the hunger fade away and they helped the humans rebuild, though Malcolm Cortezdecided to get rid of them by sending all of them to Earth-Z, revealing he had sabotaged the machine so no one could leave their dimension, since he liked his lifestyle, and with T'Challa out of the way, he could rule over New Wakanda.

In there, they appeared in separate locations, their cosmic powers disappeared and the hunger returned. Many of them tried to avoid eating but Giant-Man and Wolverine succumbed to the hunger again. Wolverine would be stopped by his counterpart, along with zombie Spider-Man and Kitty Pryde, while Giant-Man focused on studying the Watcher's technology to get to other dimensions. Many of the zombies tried to stop him but failed. Only zombie Spider-Man along with the New Avengers did so, when all the remaining zombies were exposed to the Sandman infused with Tony Stark's nanobots that consume damaged flesh killing them all, except for the Sentry. The Watcher appeared from Giant-Man's body since he was eaten by him years ago. Having observed these events, he came up with what he believed to be the most perfect solution: sending Sentry to Earth-2149 to create a eternal time-loop where all of those events would continue to happen over and over again.

---

We were shocked and horrified!

Me: My god! This is terrible!

Black Panther: My counterpart better not be a part of you all!

Zombie Giant Man: Don't worry. Last time I saw our version of T'Challa was when he was unconscious in my lab.

Zombie Wasp: You got to eat so many pieces of him though.

Zombie Hulk: Not fair! Hulk wanted to eat Panther meat too!

Me: Okay I did not need to know that. Especially after dealing with cannibals for 2 days in a row last week.

Zombie Hulk: Sorry.

Eli: This is terrible how you all became like this. We got to help you guys find a cure.

Zombie Iron Man: I'm afraid there is no cure.

Zombie Spiderman: But you guys can kill us.

Electro: Man webhead I can't believe that this happened to you!

Venom: Yeah we think you look disgusting this way.

Me: No kidding. You all went from the most powerful defenders of the universe in your world to these disgusting abominations.

Laney: No kidding.

Me: We killed many zombies before but none like this.

Colonel America: Stop denying your true natures! You all have already killed so many people. Only they were criminals!

Me: That's because many of them deserved it.

Zombie Wolverine: You guys just need a zombied push in the right direction!

Me: I'm afraid to you we don't taste very good. We would give you nasty food poisoning.

Zombie Luke Cage: We'll see about that. (gestures to the Masters of Evil) And then, you can help us eat these guys!

Dark Spicer: (amused) You're not gonna zombify us too?

Zombie Spiderman: Hey, we need some food in this dimension too. (looks at Scorpion hungrily) I especially can't wait to have you in my belly, Gargan. Man, I always wanted to know what scorpions taste like!

Scorpion: You don't want to taste me webhead! I'd give you indigestion!

Lincoln: That's right!

Zombie Wasp then tried to bite Lincoln, but when she got too close…

ZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAP

Lincoln's lightning flared up and zapped her and obliterated her into dust!

Zombie Giant Man: Oh, c'mon! Don't try and fight it, Lincoln. Remember all the times Nico claimed leadership from J.D.? Well, once you join our ranks, you can eat him as payback for all those times!

Lincoln: How do you even know all that!?

?: Because I told them! (PSYCHOTIC LAUGHTER)

Me: Oh great! I was hoping I would be rid of that psychotic laugh. Come on out Chucky!

Out came CHUCKY!

Allie Wilde: WHOA Chucky!

Chucky: That's right babe! I'm back! And it's not just me this time.

Out came Jason Voorhees, Kevin Wendell Crumb, Michael Myers, Leatherface, Freddy Krueger, Candyman, Ghostface, Richard Fenton and Norman Bates!

Me: Jason Voorhees, Kevin Wendell Crumb, Michael Myers, Leatherface, Freddy Krueger, Candyman, Ghostface, Richard Fenton and Norman Bates!

Nico: But we killed all of you!

Eli: Yeah we made sure there wasn't anything left of you!

Zombie Hawkeye: About time you guys showed up. We thought you got lost.

Chucky: (scowls) You know, just because you all brought us back from the dead doesn't mean you can boss us around.

Zombie Giant Man: You'd be wise not to talk back to us again.

Otherwise, we'll find out how tasty you are!

Me: You can't eat him. He's a doll.

Zombie Giant Man: He's a human in the body of a doll.

Me: But he's worse than you. Not only that but we made sure there was nothing left of you douchebags after we took you down the last time! Especially you Fenton! I made sure you died a horrible death!

Nico: And Bates you should be locked up in the Saturn Insane Asylum.

Norman Bates: But now I will kill you all like mother would have wanted!

Me: Ha. Your MOTHER is dead! You think she's still alive when in actuality it is you that killed her.

Norman Bates: MY MOTHER IS ALIVE!

Me: Bullshit! You think she is but all you think is nothing but fucked up thoughts!

Zombie Spiderman: (to Lincoln) So, about you joining us. We got a deal? Like we said before, you get to eat Nico so J.D. stays leader full time again.

Lincoln: No deals deadman!

Lincoln fired a blast of lightning and burned him all over.

Lincoln: You think I can just turn on my friends? After everything they did for me? Then you are sick in the head!

Me: That virus may have destroyed your humanity but it also warped your minds! It's time for us to do what is right.

Zombie Black Widow: What's that?

Me: Free you and save you from yourselves! Lets power up!

We did so.

May and Maria went to get some people.

* * *

At the Masters of Evil prison, Chameleon, May and Maria were there to get the members of Team Dark Phoenix Storm that we sent to prison.

Chameleon: Guys we need you're help.

Deadshot: I knew something was up when you took too long in the bathroom.

Chameleon: I'm surprised you didn't figure it out after that.

SaberLeomon: I hade my suspicions too. But I didn't actually care much about that at the time.

May: You know we locked you guys up for a good reason, right?

TTG Slade: We get it already.

Maria: You realize we have every reason to send you guys to the Warp permanently.

Omar: We know! You don't have to rub it in.

May: We're not rubbing anything in. But we're offering you guys the chance to redeem youselves.

Chur: What do you mean?

Maria: Right now, our friends are facing off against zombie versions of the Avengers.

Deadshot: Zombie Versions!? You mean like the ones from that comic series Marvel Zombies?

Maria: That's right.

Omar: Oh man. I remember that one. Awful that happened to them.

May: Yeah no kidding.

Maria: And that's not all. Chucky and several other Slasher villains are there as well.

They gasped!

Chur: Oh man! I thought they were dead!

Maria: They were. But they were brought back somehow.

Deadshot: Oh man.

May: So, what do you say? Will you guys help us?

Deadshot: Were in but on one condition.

Maria: What's that?

Omar: That we become part of the Masters of Evil.

Maria: Done. But it's up to Vypra.

Deadshot: Noted.

Maria freed them and they teleported back.

A massive fiery explosion went off behind us and a massive phoenix rose out of the fire and screeched as we were ready for action!

We went at them!

# Nico, Myotismon, May, Loki, Mighty Morphin Rangers, Godzilla the series heroes, Street Sharks, and Girl Jordan, Princess Celestia, Light Skylanders and Andromeda VS Colonel America - Children of The Sun

---

(CHILDREN OF THE SUN PLAYS)

Colonel America was first.

Colonel America: It really is a shame that you won't join us. You all would have made good recruits.

Myotismon: It's weird that you're a Colonel rather then a Captain.

Evil Sasuke: WHO THE HELL DO YOU THINK YOU ARE YOU MOTHERFUCKING CUR!? YOU ARE NOTHING TO US YOU CUR!

Me: Hmm. Yes and a "Motherfucking Cur" was the only kind of person you thought you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their own fates. Your Father poisoned his own son, you, with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in-

In the middle of my rant, Zombie Spiderman snuck up on me and bit my shoulder. But Deadshot shot him in the leg, making him let go of me.

Me: HEY! Do you mind?! I'm in the middle of a rant here!

Deadshot: Besides, you know J.D.'s blood is going to poison you, right?

Zombie Spiderman: (chuckles sadly) That's what I was counting on.

Deadshot: Wait. You wanted to get poisoned by J.D.'s blood?!

Zombie Spiderman removed his mask, revealing his undead face.

Zombie Spiderman: I can no longer deal with the guilt of eating the people I loved. Death is the only redemption for me. Besides, this blood is the best thing I tasted since becoming a zombie!

Me: Well if that's what you want then we won't stop you.

Then Zombie Spiderman disintegrated into dust.

Zombie Iron Fist: (to me) I hope killing us was worth it. Now, you'll never be full time leader of your team ever again!

Me: I won't count on it.

My blood had my body spit out the Zombie Blood and my wounds healed. My blood burned the ground.

Then my wounds healed.

Me: Now where were we? Oh right.

I then transformed into my Super Angel-Ebonwu-Phoenix-Harmony Infinity Form.

Me: (DIVINE ECHOING COSMIC ELEMENTAL VOICE) (To Evil Sasuke) **Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing**

You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!**

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: **KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA!**

**MEEEEEEEEEEE!**
**HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

***KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO***

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: **You will never have my power.**

Evil Sasuke then raised his right arm up and then I threw an energy disk and it slashed his right arm clean off! He screamed in excruciating pain as it was completely severed from his shoulder and he clutched the stub of his arm.

Evil Sasuke: YOU MONSTER!

Me: **I've been called worse.**

Evil Sasuke: YOU CUR! WHY CAN'T I KILL YOU!?

Me: **Because my power didn't come to me by stealing it. I earned it. Power is earned and never given. You will always be weak and a worthless pathetic piece of dirt. Just like your fucking clan when they died. The Uchiha paid the ultimate price for their crimes just like you will. They had their chance just like you did. We wanted to be your friends Sasuke but you just threw us aside. That shows that you will never understand that true power comes from good things like Friendship, Love, Hope and Wisdom.**

Evil Sasuke: Those are all meaningless things!

Me: **Bullshit! They are things that can help you and you don't want any of that. You would rather make enemies and use fear to get what you want. Now you will join the rest of your clan in Hell.**

I fired a massive energy wave and obliterated him before he could say anything and I powered down.

?: Nice job there fool!

Nico: Oh great! I was hoping to never hear that voice again after everything you did.

Out came THE DIGIMON EMPEROR!

Yolei: It's the Digimon Emperor!

Ken Ichijouji: It's me!

Nico: Yeah it was you.

Nico went up to him.

Nico: Hard to imagine you look just like you did when we first met.

Digimon Emperor: It has been a while Nico. How did you like what I have done for you during the 20 Days of Darkness?

Nico: It was terrible. But a lot of good has come out of it.

Salem: Mainly me! I am now going to make sure that Nico is protected from monsters like you and make sure they never hurt anyone again!

Nico: That's right you fiend! Now you will pay.

Nico and Salem fired waves of energy and obliterated him in an instant.

?: YOU WILL NEVER LEAVE HERE ALIVE!

A figure came out and it was CHRIS HARGENSON!

Carrie White: Chris!

Carrie went up to her.

Chris Hargenson: You are an absolute monster Carrie!

Carrie White: You are the absolute monster Chris and you are nothing but an absolute heartless bully! It was because of you that I killed all those people and destroyed all of Chamberlain in a blind rage! You are the Devil in human form and people like you are not welcome here on this planet!

Then the ground rumbled and opened up underneath Chris and then demonic hands grabbed her and pulled her down into the ground and she was dragged down into hell!

Carrie White: Good riddance.

Me: Yep. Now for the fun part.

We tied up all the slashers and stripped them of their powers.

Mammoth: (to Boy Lynn) Think we can restore Leatherface's chainsaw. It actually is a good weapon!

Lynn: Nah. It's too far melted for that. Besides I can get my own chainsaw like his.

Chucky: What are you gonna do to us?

Eddy: I've got a few ideas.

Eddy used his blaster to shoot the slashers in their groins.

BANG BANG BANG!

Dark Spicer: Step aside, dude. Let me show you how it's really done.

Dark used his own blaster to shoot the slashers in their groins.

BANG BANG! BANG BANG BANG BANG BANG BANG BANG BANG!

Deadshot: You call that shooting. THIS is shooting.

Deadshot shot bullets into the Slashers' groins.

BANG BANG BANG BANG BANG! BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG!

Deadpool: Oh please. Watch the master at work!

Deadpool used his guns to shoot bullets into the Sladhers' groins.

Lola: When did this become a shooting contest?

Me: It's a torture-off. I came up with it. Besides it's gonna be fun.

We demonstrated methods of torture on them and more and we were really butchering them all over.

We used a multitude of weapons on them and really let them have it.

Jack O Lantern: Let me have a shot! I was promised I could participate in Halloween.

Me: Go for it.

He fired pumpkins and they hit the slashers and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

Trailbreaker, Coop, Exhaust and Cheetah all used the Earth Cyber Planet Keys and they enhanced Trailbreaker's Force Field Projector, Coop's powers, Exhaust's Living Smoke Powers and Cheetah's speed 100-fold.

They fired waves of energy and elements and they formed into said monsters.

Lincoln and his harem: MONSTER MASH FINAL SMASH: MONSTER MASH BIG BANG ATTACK BARRAGE!

They fired a massive barrage of Big Bang Attacks powered by the monsters of Halloween and the blasts all hit the Slashers and exploded with incredible power!

***KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

The explosion completely obliterated all the slashers and Super Hakaied them all in one fell swoop and they were all dead again! This time forever.

Maria: That was the best Halloween mission ever!

Me: We had so much fun on this one!

Lori: You said it. And this time, Scarecrow Literally wasn't around to make a mess of things.

Me: No he didn't. Neither did Hawk and Hank either.

May: Now, who's up for trick or treating?

Lola: Count me in!

Poromon: YAY! I CAN'T WAIT TO EAT CANDY!

Lynn: (chuckles) Easy, Poromon. There's plenty of candy for everyone.

Nico: Wait look!

We saw the spirits of the Marvel Avengers appear as ghosts.

Colonel America: You all freed us from an eternity as zombies. You saved us from ourselves.

Nico: Glad we could help you out. I'm sorry you all went through all that.

Eli: Yeah you all did nothing to deserve being turned into zombies like that.

Me: That's right. I'm sorry about everything that happened to you. But the world always needs you all and you would be perfect for the Ghost Zone.

Danny Phantom: Not a bad idea.

Alt. Black Widow: I would like that.

We opened up a portal into the Ghost Zone and they went into it and they were gonna love their new home.

We got to having fun on Halloween and we were in Ponyville to celebrate it. We were there to not only celebrate Nightmare Night but also Halloween too. It was so cool! We got lots and lots of candy and we had a lot of fun as we did bobbing for apples, games and so much more. Lincoln was with Fluttershy to keep her company while they did some trick-or-treating together.

Coop Burtonberger: Man, we got a lot of candy!

Me: Boy we sure did and we even got full size candy bars too.

Nico: You got that right. This has been a really great Halloween.

Missy: Boy it sure has been fun.

Princess Celestia: I think so too.

Princess Celestia came out and she was dressed as DAYBREAKER!

Me: WHOA DAYBREAKER!

Princess Celestia: It's all right J.D.

Me: Oh Princess. Sorry it's just that you looked really convincing and almost like the real thing.

Princess Celestia: That's all right J.D. I did look convincing huh?

Me: No kidding. It was awesome being here on Nightmare Night for Halloween.

Twilight Sparkle: Glad you guys liked it.

Me: Yeah we sure did Twilight. We are probably the first ever humans to celebrate Nightmare Night with you all.

Starlight Glimmer: It sure is fun.

Laney: It sure was.

Me: Lets go home. Great job today.

Jack O Lantern: (To the viewers) Happy Halloween Everyone! I hope you all go get lots of great candy and have a scary time. (WINKS AT THE CAMERA)

We went back home and had a good night sleep.

# PATRICK'S TANTRUM

(SPOILER ALERT! This chapter is gonna have elements of an unaired episode of SpongeBob. You have been warned)

---

In the freezing cold mountains of Alaska, it was brutally cold and me, Lily Loud, Allie, Missy, Maria, Qin, Simone, Miranda and Laura Emerson the Glaceon Gene-Slammer were flying over the brutally cold mountains and we were in our warm fur parkas.

Me: Brr! This is cold!

Laura Emerson: Good thing I can withstand the cold as a Glaceon. Qin, Missy, you two should transform too.

Laura concentrated and groaned as something grew inside her pants.

POP!

She had her tail pop out.

Qin: I'll keep that option available for later.

Missy: Same with me. I want to only use that power for only when it's needed.

Me: Smart thinking.

Laura turned into GLACEON!

Me: Yeah!

Eli: I have a feeling we're going to meet one of Nico's friends that he told us about here.

Simone: I have that same feeling myself. This is gonna be interesting.

Miranda: It sure will be.

Laura Glaceon: (to Qin and Missy) Alright. But if you two get hypothermia, don't say I didn't warn you.

Qin: Good thing we brought our coats with us.

Missy: Yep.

Lily: But this is gonna be awesome. We're going to embark on the very same adventure I took when we helped Balto and the dog team.

Me: Wow I thought this looked familiar.

Eli: This is gonna be awesome.

Allie Wilde: It sure will.

We all set out to find the lost sled dog team with the medicine for the children. The hospital urgently requested more Diphtheria Antitoxin from Anchorage, Alaska. They tried to send it by sea but pack ice from the Bering Sea came in and made that impossible. They tried delivering it by plane but Blizzards and Whiteout conditions made visibility zero and grounded all planes until conditions improve. The antitoxin was shipped by rail from Anchorage to Nenana, 550 miles away from Anchorage. The Sled Dog team that was sent from Nome to Nenana had to deliver it back from Nenana, 550 miles away from Nome and 550 miles back. The Sled Dog team was 100 miles away from Nome.

We walked over lots of snow and ice. The temperature was dropping the further they went.

Balto sniffed their scent.

Balto: Come on Lily. Come on guys. Steele and his team passed this way.

Lily: We've got to hurry.

Me: Lets go.

We found the lost team down and slid down a hill and we got to them and kicked Steele out for being a tyrant.

Missy: (glares at Steele) Get out of here, Steele. Get out of here and never return.

Steele: (Growls): This isn't the last you'll see of me! (runs off)

Qin: (I'm about to go after him) Leave him. We have more important things to worry about right now.

Me: Right. Lets get moving.

Balto: Typical. All right lets load up. Lily you be Musher.

Lily: Okay. I'll try.

Balto, Kaltag and Star load the musher onto the sled and Balto was lead dog.

Me: We'll get him to a hospital when we get back.

Lily checked for a pulse on the musher and he was still alive.

Lily: Ready Balto?

Balto: Ready.

Lily: What about the rest of you?

All: Ready.

Me: We're ready.

We were on our Rapidash and we were ready.

Lily: All right. Mush!

Me: Hyah!

And off we all went. We were braving the treacherous conditions of the Alaskan wilderness. The temperature was -50 degrees, whiteout conditions and blizzards almost made it impossible to see ahead of us, the wind chill was -85 degrees and it was cold.

We entered a forest and saw numerous scratch marks were in the trees.

Star: There's marks all over the trees.

Lily: It must be Steele. He's trying to throw us off the trail.

Me: He's trying to prevent us from getting back.

Allie Wilde: That monster!

Missy: He is so stuck up on his pride!

Simone: Yeah what a beast!

Balto was sniffing the air and he found the right road and pointed with his ear to the west northwest.

Balto: This way.

Lily: Mush!

Allie: Lets go!

Me: Hyah!

We went on and we had to cross over the Rocky Mountains.

We crossed over an ice bridge and Lily heard the bridge cracking.

Lily: Uh oh! The bridge is cracking! Mush!

We ran and got off the bridge just in time as it fell apart.

Balto: Whew! That was a close one. Good call Lily.

Me: Nice save Lily!

Lily: Thanks guys. Lets keep going.

As we kept on going Balto accidentally tickled Star's nose and Star sneezed.

Kaltag: Gesundheit.

Me: Bless you.

The sneeze triggered an avalanche of snow on a nearby mountain and Lily saw it coming.

Lily: Avalanche! Mush!

Me: HYAH!

We all ran and the avalanche was closing in and Balto saw a cave entrance and we went inside it. As we went deeper and deeper into the cave they saw that it was a big ice cave.

Lily: Wow. What an ice cave.

Balto: It truly is a beautiful sight.

Me: Wow. This is amazing.

Laura Glaceon: Beautiful.

Allie Wilde: It's amazing that this is hidden in the Rocky Mountains.

Eli: It sure is.

Nikki: Yeah.

As we walked on a drop of water landed on Balto's head and we saw that the icicles on the ceiling looked like they could fall with the slightest of noise.

Balto: Shh!

Lily: (Whispering) We have to stay quiet.

Me: (Whispering) Okay.

We went deeper into the Ice Cave and Lily was walking beside the sled. We were beside it too.

The sled then made a thump as it landed off a step and it made an icicle fall and it hit the arch in the sled.

CRASH!

We saw the damage and it was big.

The ceiling was about to fall.

Me: Uh oh.

Balto: Mush!

Lily grabbed hold of the sled and got on as we ran and icicles fell and Lily used her Water Powers to swat away falling icicles from the sled and medicine.

I was using my fire powers to melt the icicles.

We saw the exit and a bunch of icicles broke off and we all got out just in time.

Back in Nome, everyone thought that the medicine wouldn't get there and hope was lost. Until Balto started howling.

Lily and the team and all of us came over the hill and we saw Nome up ahead and someone had created an artificial Aurora Borealis to be used as a signal beacon.

Hope has Arrived.

Lily: There it is. Hang on Children! We're almost there!

Me: Hold on kids!

Balto: Jenna.

Allie: We're almost there!

Simone: YEAH!

The lantern at the telegraph station was lit and all the lights in the town came on and all the townsfolk came to the track and cheered wildly as Lily and the team came in and parked in front of the hospital.

We arrived and we were praised as heroes for saving all of Nome from a terrible fate and then Balto lead us to the heating room.

Qin: I've got a bad feeling that we're going to see Steele again in the future.

Simone: We'll be ready for him if we DO see him again. Now, let's find out if there's anyone else here.

Me: Okay. But I sense something here.

We went into a room where they kept the heater and we saw A TYRANNOSAURUS REX!

Me: WHOA A live Tyrannosaurus Rex here!

Qin: Geez!

Tyrannosaurus: (In a girls voice) Qin? Missy? Is that you!?

Missy: That voice. Erica?

Qin: Erica?

Erica: Qin! Missy!

She went over to us.

Erica: I'm so glad to see you two again! I'd hug you both but my arms are too small.

Qin: But it's great to see you too.

Missy: Nico is really worried about you.

Erica: I'm worried about him too. I heard about everything that was happening to him.

Me: But he's doing so much better now.

Erica: I'm glad and J.D. Knudson it's such an honor to meet you.

Me: Same here Erica. Nico told us so much about you.

Eli: But thank goodness we found you.

?: I've been helping with keeping her warm.

We saw a Fire Princess.

Me: Wow you're a Fire Princess.

I held up the Fire Princess Duel Monster Card.

Fire Princess: That's right J.D. and it's a true honor.

Me: Same here.

Eli: Pleasure to meet you.

I put on my blind man glasses and Eli and Balto covered their eyes and I snapped my fingers and Laura and Erica were reverting back.

Laura: (loses her tail) Erica, try to bear with the pain. It'll be worth it when you're human again.

Erica: (Groans) It sure will.

They both reverted back and they were naked and Maria gave them both new clothes.

Erica put them on and she had amazing red clothes.

Erica: Wow! I look amazing in these clothes.

Allie: You sure do.

Erica: (holds her head in pain) Oh, fuck no! I am NOT turning back into a T-Rex right now!

Simone: Reign the power of your dinosaur form with the strength of your will.

Miranda: That's right Erica. It's now a part of you. We did it thanks to J.D. and everyone and so can you.

Erica: Okay.

She concentrated and then she had green slit eyes that reverted back to her blue eyes and it showed that she was now fully engrafted.

Erica: Wow! I did it! But I still have a huge craving for meat.

Lily: That's normal because Tyrannosaurus was the biggest meat eater ever.

Me: Lets get you back to the estate. I'm sure you and Nico have a lot of catching up to do.

Erica: I sure do.

We went back home.

---

Back at the estate, Lynn was heading to the kitchen to get some raw eggs to get some protein for her and then she caught eye of something.

Lynn: (sees something in the kitchen) Nico? You might want to see this.

Nico went into the kitchen and got shocked at what he saw.

Nico: (gets mad) POROMON! POLIWAG! GET IN HERE!

They came.

Nico: WHAT IS ALL THIS!?

We saw a bunch of empty beer bottles scattered all over the place. Some of them were empty and some of them were even stacked perfectly into a pyramid.

Poromon: We were trying to break a record.

Poliwag: Most number of beer bottles in a pyramid.

Lynn: That is impressive. But it is a little dangerous.

Nico: That may be impressive but yeah it is dangerous. Hold on.

Poromon: Wait.

Nico snapped a photo of it with his phone and it had Poromon and Poliwag in front of it.

Nico: Nice. Okay Lynn you throw all those bottles away.

Lynn: Yes sir!

Nico: It's not my turn to lead but thanks. Anyway, you two are in trouble.

UH OH!

Poliwag: Oh no.

Nico: Do you two think what you did was funny?!

Poromon: We just wanted to see if we could break the record.

Poliwag: No harm done.

Nico: NO HARM DONE?! What if the bottles shattered and broke?! The glass could've hurt people. And there would've been alcohol all over the floor!

Erica then came in.

Erica: Hey, Nico.

Nico: Hi, Erica. (to Poromon and Poliwag) What do you two have to say for yourselves?! (POINK!) Erica!

Erica: Been a while Nico.

Nico went over and hugged her for the first time in a while.

Nico: (starts crying) I missed you so much!

Erica: I missed you too Nico. Wow you sure have changed so much.

Poromon: ERICA!

Poliwag: ERICA!

They hugged her.

Erica: Wow Poromon and Poliwag! You two look awesome!

Poromon: It's great to see you!

Poliwag: Yeah we missed you!

Erica: I missed you two too.

Nico: Don't get too comfortable hugging Erica, you two. The both of you are still being punished.

Me: Oh Nico just let them have a reunion with Erica. They haven't seen her in a while like you haven't.

Nico: Oh you're right.

Me: What are they in trouble for this time?

Nico: They thought it would be a good idea to try and break a record for the most beer bottles stacked up in a pyramid.

Eli: That's an unusual record.

Me: Lets see here.

I looked it up.

Me: The record stands currently at 400,000 bottles. How many did they do?

Lynn: I counted 500,234 bottles.

Me: WHOA! You guys broke the record.

Lynn showed me a picture of it on her phone and it was cool.

Me: Wow! That's awesome!

Missy: Why are Poromon and Poliwag being punished again?

Nico: Look at all the beer bottles scattered across the kitchen and you'll understand!

Poromon: Can we still drink the ones that aren't empty?

Poliwag: (to Erica) Would you like to drink one?

Erica: No thanks. But do you guys have a lot of steaks I can eat?

Lynn: Whoa you really love to pile on the protein.

Me: That's because she is now a Tyrannosaurus Rex gene-slammer.

Lynn: WHOA!

Poliwag: Wow! That is amazing!

Lynn: But I think I can work something up.

Lynn spun her Magisword Bracelet.

Announcer: STEAK BUFFET MAGISWORD!

Lynn formed a huge all-you-can-eat steak feast for Erica.

Erica: Oh boy! I am hungry!

Rice: Nice red hair, Erica.

Erica: Your red hair is badass too. You trying to be M.J. Watson?

We laughed at her remark.

Rice: (Laughs) No but that is funny.

M.J.: I'm flattered you want to be like me though.

Rice: But thanks for the compliment though.

Erica: You're welcome.

Erica was eating the steaks all over.

Nicole: Wow you have a huge love for meat like me.

Erica: Yep. Being a Tyrannosaurus Rex Gene-slammer made me into a true carnivore.

Rip: Anyone that loves that much beef is a true friend of meat.

She got to eating and she ate over 50 steaks! All stripped down to the bones clean.

Erica: Ahh. BBBBUUUUUUUUURRRRRPPPP! Oh. Pardon me.

Poromon and Poliwag are about to drink some beer bottles.

Nico: Don't even think about it you two!

Poromon: Aw man.

Poliwag: Nuts.

After saving the children of Nome, Lincoln, Me, Nico, Eli, Nicole, Erica, Danny Phantom, The Loud Family's Scottish Ancestors, The Goths of Darkness, Sailor Mars, and Lewa were heading down to the Bagge Farmhouse back in Nowhere, and not only is Lincoln going to rescue the twenty two girls there, but we got word that the vengeful phantom of the Widow McPherson is causing havoc.

Lincoln: Whoa, we're back in Nowhere, and I think I know what we're going to do here, not only am I going to rescue the twenty two girls there, but we got word that a vengeful phantom is causing havoc in the Bagge Farmhouse.

Me: That's right, big guy.

Nico: And what's worse, Eustace's mother, Ma Bagge, is also helping that phantom in causing trouble among Muriel and Eustace.

Lincoln: I thought we saw the last of her after that hair fiasco, looks like she's back.

Me: Ooh, boy, this is going to get messy.

Eli: True, and I sense that Sailor Mars is going to transform, this is going to be good.

Me: Yep.

Francesca: Yeah. Great Grandma Ma and Grandpa Eustace never got along one bit. They HATE EACH OTHER!

Me: Geez! That is a toxic mother son relationship.

?: HELP!

Suddenly, Lincoln heard the sound of twenty two girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the twenty two girls, but they have been cornered by the McPherson Phantom and a cackling Ma Bagge.

Lincoln: Guys, I've found the twenty two girls, but they've been cornered by the McPherson Phantom and Ma Bagge. Come on, let's go.

We rushed on over, and Lincoln tied Ma Bagge up in a neon blue straitjacket, so she couldn't escape, and we were facing the McPherson Phantom.

Lincoln: McPherson Phantom, why are you trying to tear apart the marriage of Muriel and Eustace?

McPherson Phantom: (Ghostly Scottish Voice) It's because the Plump One's great-great aunt ruined my marriage by feeding my dear husband to The Loch Ness Monster, and that's why I've come back from the Great Beyond, to make the Farmer think his wife is trying to do him in.

Francesca: And you also teamed up with Great Grandmother Ma to help ruin their marriage in the process.

Sailor Mars: That's it, I've had it up to hear with this creepy vengeful ghost to last an eternity.

Suddenly, Sailor Mars' eyes turned neon blue, and she was surrounded by a red energy aura with fire, and as she approached the McPherson Phantom, she left red energy, fire, and light with every step.

Sailor Mars: Widow McPherson, your attempts to bust up the marriage of Muriel and Eustace has gone too far, and by teaming up with Eustace's bitter mother to do it, you've crossed the line, and now, you shall be banished from our world forever!

Then, Sailor Mars was surrounded by a massive vortex of red energy with fire and paper charms now surrounding her, there was a red phoenix flying around the vortex, and inside the red vortex was a white phoenix. Then, as the vortex faded, Sailor Mars emerged, but she was changed forever.

Sailor Mars grew to 5'11" in height, she had the body of a goddess, she has a cat with The Crescent Moon emblazoned on her forehead, she has large red angel wings for her new body, she had on cat earrings with the Fire Kanji in its paws and a necklace with a cat holding the Fire Kanji in its paws for the pendant, she had on a sleeveless white blouse with a red phoenix, a red blouse with flames on it, she has on red high heels, a sleeveless red trenchcoat with flames on the coattails and the crescent moon on her back. She had a large sword in her hand called The Sword of Mars, it's a large sword with the astrological sign of Mars etched on the 6'5" massive, wide, double-edged blade, large red angel wings for the crossguard, large red gem for the hilt, longer black handle, and a large faceted red sphere pommel with surrounding red gems. Sailor Mars now has on her new Bracelets of The Champions of The Universe with red gems on her wrists, Belt of Elemental Bravery with large red gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her right hip. There was a gold kanji on the back below the crescent moon that said, "Rei Hino also known as Sailor Mars, Sailor Soldier of Mars, Master of Fire, The Phoenix, Archer of Fire, and Paper

Charms, and Destroyer of Queen Beryl."

セーラーマーズ、セーラーソルジャーオブマーズ、マスターオブファイア、フェニックス、アーチャーオブファイア、ペーパーチャーム、クイーンベリルの駆逐艦としても知られる日野玲

Sailor Mars has transformed into SUPER ANGEL 750,000,000,000 CELESTIAL FIRESTORM MARS ANGEL OF JUSTICE AND LOVE!

We were amazed by Sailor Mars' Super Angel 750,000,000,000 transformation, and that was more than enough to anger the McPherson Phantom and Ma Bagge.

Lincoln: Whoa, Sailor Mars has become the next one to transform.

Me: You said it, Linc. (To Sailor Mars) Rei, how do you feel?

Sailor Mars: (Divine Echoing Firestorm Voice of Justice) **I feel incredible, J.D. And now, let's get that vengeful phantom.**

Me: With pleasure!

We transformed and we went at the McPherson Phantom, and we fire powerful blasts of neon colored energy blasts and elemental forces, which hits the vengeful ghost, and they exploded with incredible power. Then, Sailor Mars threw a paper charm at the McPherson Phantom, and it paralyzed her, and she couldn't move, and The Goths of Darkness made a magic circle with runes, so she couldn't try to escape.

Sailor Mars: **Let's send her back to where she belongs.**

Lincoln: (Divine Echoing Cosmic Thundersnow Elemental Voice of Justice) **Let's do it.**

Everyone: **EVIL SPIRIT BANISHMENT MEGABLAST!**

We fired a massive and powerful energy blast, which hits the McPherson Phantom, and the resulting explosion Super Hakaied her for good. We holstered our weapons and powered down, but Sailor Mars' new clothes, weapons, and jewelry were permanent.

Erica: WHOA! That was so awesome! These rescues you all go on are really cool!

Nico: I'm glad you like them.

Then, Lincoln and Nicole went up to the twenty two girls, and when Lincoln saw them, he recognized them immediately. The twenty two girls were Faith Connors from Mirror's Edge, Yoko Littner from Gurren Lagann, Asha from Wonder Boy, Saki Hoshino, Riyu Momose, and Kotomi Sanada from Akiba's Beat, Fiore Brunelli, Welch Vineyard, Rena Lanford, Maria Traydor, Alicia, Angelica, and Anne Patriceani from Star Ocean, Farah from Prince of Persia: Sands of Time, Artoria Pendragon, Rin Tohsaka, Sakura Matou, and Illyasviel von Einzbern from the Fate Anime series, Alita from Battle Angel Alita, Amber, Mina Hazuki, and Mai Kashiwagi from Darker Than Black.

Lincoln: Oh wow, it's Faith Connors, Yoko Littner, Asha, Saki Hoshino, Riyu Momose, Kotomi Sanada, Fiore Brunelli, Welch Vineyard, Rena Lanford, Maria Traydor, Alicia, Angelica, Anne Patriceani, Farah, Artoria Pendragon, Rin Tohsaka, Sakura Matou, Illyasviel von Einzbern, Alita, Amber, Mina Hazuki, and Mai Kashiwagi.

Nicole: From Mirror's Edge, Gurren Lagann, Wonder Boy, Akiba's Beat, Star Ocean, Prince of Persia: Sands of Time, the Fate anime series, Battle Angel Alita, and Darker than Black, awesome.

Lincoln: Are you girls okay?

Faith Connors: Yes, we're okay, thanks to you.

Then, when Faith Connors and the other twenty one girls saw who it was that saved them from the McPherson Phantom and Ma Bagge, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and

Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Faith Connors: Oh wow, you're you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twenty one clones of himself, and he and the twenty one clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Faith Connors: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and we took down yet another enemy of Courage. And as for Ma Bagge, she was sentenced to the Saturn Insane Asylum's Solitary Confinement Wing, where she will remain there for the rest of her life, and we found out that it was her great-great aunt that threw the Widow McPherson's husband to the Loch Ness Monster, not Muriel's.

---

After banishing the McPherson Phantom and throwing Ma Bagge in the Saturn Insane Asylum, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

Just then, Max Goof came inside the Estate, and he had some news to share with us about what had happened last night on Halloween. Leon Belmont also appeared to tell us as well.

Max Goof: Guys, Leon and I found out what happened last night on Halloween, we'd both found out who brought Daniel Monroe and the horror movie slashers back from the dead, along with bringing the Marvel Zombies here.

This got our attention, and we gathered in the living room.

Nico: This is some interesting news. So, Max, who was it that brought Daniel Monroe and the horror movie slashers back from the dead, along with bringing the Marvel Zombies here.

Max Goof: It was none other than Death, the one from the

Castlevania franchise.

We gasped in horror at what Max Goof just told us.

Me: So, it was the right-hand man of Dracula who did this. This is not good.

Leon Belmont: That's correct, J.D.

Lincoln: This is definitely a shock to us, and I think we know why he did this: he wanted revenge on us for what we did to Dracula.

Max Goof: You're definitely right about that one, Lincoln. After we destroyed Dracula and shattered The Crimson Stone, Death sensed it, and this made him fall into a rage, and he wanted revenge on us for destroying his master.

Leon Belmont: I had some suspicions when Max told me of the Devil Forgemaster, Isaac, and how he returned from the dead to take revenge when he heard of Dracula's demise. But, I suspect that it was someone among Dracula's inner circle who did this: and it was none other than Death.

Nico: But, we didn't sense any trace of supernatural dark power from Death.

Max Goof: Death was smart to cover his tracks when he brought Isaac back, but not on Halloween, as we know that according to legend, the veil between our world and the world of the dead lifts. But, it also meant that the supernatural dark power from Death was finally exposed, and the trail was much stronger. But, if he found out that we pieced everything together and found out it was him, he had to go into hiding.

Suddenly, Lori got off the phone, and came to the table.

Lori: I think our chance to go after Death has finally arrived, Vypra just called, she wants us to come to McWolf's new castle in Austria, they have Death chained up, and his powers were destroyed when he was brought into the castle, and chained up.

Nico: Whoa, that was quick. Alright, let's head to Austria.

We headed for McWolf's new castle in Austria, and once we arrived, we were greeted by Vypra and McWolf, and we entered the castle. We then got to the center of the castle, and chained up by the Chains of Torment was none other than Dracula's right-hand man, Death.

Me: Death.

Death (Castlevania): So, did you like my little Halloween trick? (Laughing Malevolently)

Max Goof: Your little Halloween trick caused us a lot of trouble, as if it wasn't bad enough that you'd brought back Daniel Monroe from the dead, but you also brought the horror movie slashers from the dead, and brought the Marvel Zombies into our world to cause death and destruction, and you tried to sow the seeds of discord among the team. Death, you're never leaving here alive, you will die here and join your master in Oblivion.

We transformed and attacked Death with holy fire, neon colored energy blasts, and elemental forces, and thrashed Death with our weapons. Then, with one slash of his Scythe of Thanatos, Grim stripped Death of his divine powers, and he, along with the rest of us made them our own, and that one slash also caused Death to explode in a dark vortex and the sound of wailing souls, and his soul was Super Hakaied for good, and his scythe disintegrated into darkness. We'd powered down and holstered our weapons, and we left the castle.

Now that Death has been Super Hakaied, he won't be causing any trouble for us ever again, and that means another servant of Dracula has been taken down for good.

---

Later we were getting ready for another awesome Treasure Hunt.

Satsuki: Erica, how would you like to go with some of us on a treasure hunt?

Erica: I haven't been on an awesome treasure hunt in forever! It'll be just like old times right Nico?

Nico: It sure will. We have so much to catch up on.

Nicole: You will love our treasure hunts Erica.

Rainbow Dash: Yeah they are so awesome.

Daring Do: We do them to get inspiration for my books.

Nicole: Yep. You guys are gonna love this one.

Nicole showed us the treasure.

Ken Masters: Is this the treasure?

Nicole was showing a piece of paper to us.

Nicole: Yep we're going after the Staff of Tlaloc. Tlaloc is the God of Nature in Aztec Myth.

Nico: Ooh that sounds cool.

Eli: Awesome! Where are we gonna find that?

Nicole: We're going to Venezuela to find it. It's said to be in a forgotten temple in the Orinoco Rainforest.

Erica: This will be interesting to see.

Me: Oh yeah. Lets head out!

We were off to Venezuela.

NORTHERN VENEZUELA - ORINOCO RAINFOREST

We were trekking through the Orinoco Rainforest and we were searching for the temple of the Staff of Tlaloc.

G1 Bonecrusher: So, who wants to wield it?

Miranda: I will.

We arrived at the temple.

Nicole: This is it guys.

Rainbow Dash: Awesome.

We went in and it was a jungle covered temple covered in plants and everything.

Fluttershy: This is a most amazing temple.

Nico: Wow.

Erica: This is so cool!

Qin: Yep it sure is.

Me: Look at this. There's a story on this wall.

We saw a bunch of runes.

Eli: What does it say?

Me: Lets see. It says "Long ago, the great god of Nature, Tlaloc, bestowed upon us a mystical staff that gave us the power to control nature and plants to help us grow new crops and riches of nature's bounty. It was truly a magnificent gift. But the evil princess of the Aztecs, Apozanolotl, in her own lust for power sought to use the power of the staff as a weapon of war to destroy the enemies of the Aztecs and take over the world. Fearing that she would do so, the benevolent king ordered for the execution of his own daughter and he had her heart ripped out and he had her mummified. Fearing that the staff would also fall into the wrong hands, he hid the staff here in this temple for its own protection. Only someone that is pure of heart and have a tremendous love of nature can wield the staff and use its power for good."

We were amazed.

Nico: Whoa! The king killed his own daughter for war crimes.

Eli: That's terrible.

Daring Do: She brought all that on herself.

Erica: No kidding. J.D. how can you understand the runes there?

Eli: My bro knows all the languages of the world and even knows alien languages too.

Qin: It's true.

Nico: We saw him speak many different languages and it was awesome.

We went into the temple and in a big room covered in plants and flowing with butterflies was THE STAFF OF TLALOC!

Nico: WHOA! There it is!

Nicole: The Staff of Tlaloc. Wow!

Miranda: Here we go.

Miranda went up to the staff and then she grabbed it and pulled it out and successfully obtained it! She was chosen as its wielder!

Brawn: Congrats on your new weapon, Miranda!

Miranda: Wow! Incredible!

Erica: Way to go Miranda!

Simone: Yeah!

?: (Spanish Accent) NO! That's my staff!

Daring Do: I know that voice anywhere!

Rainbow Dash: So do it!

Out came DR. CABALLERON!

Me: Dr. Caballeron! I thought you were in jail!

Maria: How'd you get out of jail?

Dr. Caballeron: I was busted out by my henchmen.

Erica: Who is he?

Rainbow Dash: That's Daring Do's archenemy, Dr. Caballeron. He is a greedy treasure hunter that is after priceless artifacts to sell to the highest bidder. But Daring Do always outmatches him every time and comes out on top.

Daring Do: It's true.

Me: Yep.

Dr. Caballeron: That's right. Now give me the staff!

Miranda: Never!

Miranda fired a blast of energy and it hit the ground by him and a massive fruit tree grew in an instant and it pelted him with apples.

Nicole: WHOA! That staff is awesome!

Miranda: Wow! That was cool!

May: Doctor, have you ever thought of finding a new line of work?

Dr. Caballeron: Thought never came to me.

Vypra then appeared.

Vypra: I think I have a much better line of work for you. And that is join the Masters of Evil. The money is much better than what you are doing now.

Erica: Wow so you are Vypra that I was told about.

Vypra: I sure am. And you are?

Erica: I'm Erica Haddock and I'm one of Nico's friends.

Vypra: Wow it's a pleasure to meet you. I was told a lot about you from Myotismon.

Erica: Awesome. If I may make a suggestion. Dr. Caballeron can be Daring Do's archenemy and Rainbow Dash and Nicole can be in that group with her.

Nico: That's not a bad idea. Treasure Hunting Trio VS Treasure Thief. Not a bad theme.

Me: Yeah.

Dr. Caballeron: I like it! All right Vypra it's a deal.

Nico: Cool!

We then went back to the World Tree estate.

---

Later we were getting ready for our next mission.

Riku: B.T.W., J.D.? It's your turn to lead again.

Me: I know and I did say that it was my turn to lead twice in a row yesterday.

Riku: Right sorry.

Me: No worries.

My stomach then growled.

Me: Getting hungry.

Nico: Lets go to the Krusty Krab.

Me: Good idea.

Then Roquefort, Ssserpent, Demyx, Duskmon, Dark Laser, Roman Goodwin, Abomination, Blizzard, Scorcher and Gizmo appeared.

Roquefort: Can me, Ssserpent, Demyx, Duskmon, Dark Laser, Roman Goodwin, Abomination, Blizzard, Scorcher and Gizmo go with you guys?

Me: You all sure can. First we're gonna have lunch at the Krusty Krab.

Demyx: Awesome.

Roquefort: (Sees Erica) Wow you must be Erica Haddock.

Erica: I sure am and it's awesome to meet you all.

Roman: We were told so much about you and it's awesome that Nico is reunited with you.

Lily: Yep we found her in Alaska.

Me: We sure did. Lets head out.

We were off to the Krusty Krab.

---

THE KRUSTY KRAB, BIKINI BOTTOM

---

We arrived at the Krusty Krab.

Luminous: Good Morning, Krusty Krew!

SpongeBob: Hey guys!

Me: Hiya SpongeBob. Morning Mr. Krabs.

Mr. Krabs: Ahoy there lads!

Lily: Reporting for duty Mr. Krabs and SpongeBob!

SpongeBob: Hop to it Lily!

We got to having a great lunch and we were eating Krabby Patties.

Plankton was having lunch with us too.

Me: Mmm! Delicious!

Plankton: Man its been so long since I had a Krabby Patty.

Nico: It sure has been a while for you huh?

Mr. Krabs: Don't worry I told everyone about Plankton and how he redeemed himself on that alternate Earth.

Me: Oh good.

We got to eating and then the lunch rush came.

Crowd: [walks through the Krusty Krab doors] Krabby patties! Krabby patties! [The crowd then appears eating Krabby Patties inside.

But then…

Patrick: [bursts through glass doors] No! Nooooo! No! No! No! No! No! No! No! No! [he throws a tantrum on the Krusty Krab floors, causing the customers minus us to leave]

Incidental 37b: [runs inside of and hits large bell]

Patrick: [continues to throw tantrum]

Mr. Krabs: What the halibut is wrong with you, boy?

Me: PATRICK WHAT THE HELL IS WRONG WITH YOU!?

[Patrick uses his legs to throw Mr. Krabs onto Squidward and continues to throw tantrum]

Squidward: Ow.

Mr. Krabs: [emerges from Squidward's station] He's lost his mind!

Lily: Patrick!

SpongeBob: Oh, I've seen this before. I know what to do! [jumps through order window and jumps onto a wailing Patrick, rubbing jellyfish jelly on him as well. This causes Patrick to calm down.] When Patrick has a tantrum like this, jellyfish jelly on the belly is the only thing that calms him down. Then when he comes out of it, he hardly remembers a thing!

Patrick: [stands up and calms down]

SpongeBob: Hey buddy, feel better? What's the last thing you remember?

Me: What was that all about Patrick?

Patrick: Uh, I remember hearing a bell ring. [flashback to when Patrick was a kid] When I was a little sea star, and it was time for my bath, my parents would always ring a bell.

Herb Star: Time for your bath, son!

Patrick: [narrating] I didn't want a bath. [flashback Patrick starts wailing and flashback ends] After that, the only thing I remember is nothing.

Eli: So every time you hear a bell you go bonkers?

Nico: That's weird.

Dark Laser: You should be ashamed of yourself for making a tantrum, Patrick! You're scaring Flipsy!

Nico: Dark Laser he couldn't help it. Whenever a bell rings he goes nuts.

Kin Tsuchi: I better be careful not to ring my bells around him.

Laney: Good idea.

Erica: But these Krabby Patties are good.

Me: They sure are. Patrick want to join us for lunch?

Patrick: You bet guys.

We got to eating.

Cassandra: After our Halloween mission yesterday, we've earned this.

Me: Boy you said it Cassandra.

Plankton: So Lily did your dad really like Chum?

Lily: You wouldn't believe it Plankton. Dad REALLY liked Chum. It was because his school ran out of food and all they had to eat was chum.

Eli: YUCK!

Nico: Yeah it was gross. Sorry to tell this but when we saw Mr. Lynn eating it we hurled our guts out. But J.D. hurled his guts out the most.

Lily: It sure was gross. But Lana likes chum now.

Plankton: Wow. And I heard you guys had similar adventures on land.

Nico: We sure did. Remember how you planned to use Sleep Deprivation to get SpongeBob to tell the Secret Krabby Patty Formula?

Plankton: I sure do.

Lisa Loud: It was very coincidental. Father hired Flip's brother Flop and Ophelia had the Pasta Bowl opened for 23 hours and Flop one up her by being open 24/7.

Lincoln: Yep. Worked us for 43 days.

Plankton: Whoa! That IS coincidental.

Me: It sure was. After the Chum Bucket was destroyed and you were sent into space, A naked version of Krabs opened up the Crab Net right over there and amazingly it was the naked version of Krabs you saw in another universe where you and Krabs switched lives to see what it was like.

Plankton: Wow! That is amazing!

Blizzard: The naked Krabs that's with us also tried some of your own schemes. He even has his own family.

Maria: Yeah it's true. He formed a massive army of his own family to take the Krusty Krab down by force.

Plankton: Wow that's incredible.

Me: Lets see. We saw him also bring a Skunk into the Krusty Krab.

Lily: And I had to take a bath in tomato juice when I got back.

Laney: YUCK!

Me: He even froze the Krusty Krab by playing with the thermostat over there.

I pointed to the thermostat on the wall.

Me: And that was before we found out that a giant asteroid was gonna smash into the planet and destroy it.

Nico: Yep it sure was.

Abomination: Luckily, to drive off the Naked Krabs' family, Lily and the others did a trick similar to a Robot Chicken sketch.

Plankton: Robot Chicken Sketch?

Maria: It's best if we show you.

Me: Yep.

We showed him the Robot Chicken Sketch where SpongeBob revealed the "Truth of The Krabby Patty Secret Formula."

* * *

(the Krusty Krab restaurant, SpongeBob SquarePants bursts open the kitchen door.)

SpongeBob: Krabby Patties are made out of CRABS! (The customers gasp in horror. A green fish retches and spits out his bits from his Krabby Patty.)

Mr. Krabs: (laughs) Hah! Everyone knows Krabby Patties are me family's secret recipe, boy.

SpongeBob: Then explain this. (holds out a box with the label "Crab Legs" in it with some crab legs in it and everyone gasps at him and a box of crab legs of Carl the night janitor) You said you fired Carl the night janitor, but this is his tattoo! (Holds a crab leg that says "Born 2 Lose" and the camera zooms in on it. Mr. Krabs grabs him by the shirt.)

Mr. Krabs: You little yellow bastard. I've treated you like a son, me boy!

(SpongeBob pushes him aside)

SpongeBob: And it's not just crabs,… (turns to Squidward, eating calamari rings) Squidward! Those calamari rings are SQUID! (Squidward yaks and Mr. Krabs was disgusted to see him yak) And your Chicken-of-the-Sea salad?! Hah! Tuna! Sea Chicken-of-the-Sea is TUNA! (A yellow fish gasps in horror and pushes the bowl just out of her reach. The angry customers mob around Mr. Krabs.)

French Green Fish: You fed us to us!

Orange Fish: We gotta pay you to kill us?! (points at Mr. Krabs)

SpongeBob: You're disgusting!

Mr. Krabs: No… I'm the last honest man in Bikini Bottom. We're all animals, boys and girls. Eating each other is what nature intended. (The customers fight him, and the camera pans away to SpongeBob.)

SpongeBob: (sighs) I'm just glad nothing disgusting happens to a sponge.

---

When it was done Plankton was shocked and surprised!

Plankton: Wow! That's like what happened with me and my family.

Nico: Except it was for that Naked Krabs and his family.

Plankton: Where did they run to?

Me: The Bikini Badlands.

Nico: Yep.

Plankton: Wow all the way out there.

Eli: Far.

Me: Yeah.

Varie: You should see what happened to you in a comic book we have

Plankton: Comic?

May: I don't think showing you is a good idea.

Nico: Honey, he has a right to now about it. Besides, he dies heroically in that one.

Me: Yep.

I showed Plankton the Bikini Bottom Horror Comic and he read it and he saw everything that happened with Patrick and how he went mad and everything. He even saw THE TORTURED ONE!

---

Patrick Star, or more specifically, his clone the Tortured One, is the main antagonist of the SpongeBob fan webcomic The Bikini Bottom Horror.

He is a more competent yet murderous version of his cartoon counterpart, being able to become a monstrous beast that can grab people and dissolve them into fluids that he then dines on. He is also able to clone into multiple Patricks due to his ability to regenerate his body from severed limbs and vice versa.

The story starts with SpongeBob asking Patrick if he wants to go jellyfishing with him, only for Patrick to ask him if he knows how starfish feed. He then proceeds to eat SpongeBob as he explains, apologizing to SpongeBob after he injects him with enzymes and seemingly kills him. Sandy, after learning this, leaps out to avenge him by slicing Patrick in half. However, this just results in the two halves regenerating to become two Patricks, both of which attempt to eat her. As this happens, Barnacle Boy notices the chaos that the Patricks are causing throughout Bikini Bottom and announces to Mermaid Man that there's evil afoot, only for the starfish on Mermaid Man's nose to turn out to be another Patrick clone, who promptly jumps off his face, ripping it off and causing him to bleed to death.

Sandy manages to make it to the Krusty Krab, where she explains to Mr. Krabs that SpongeBob has been eaten by Patrick and that they need to board up the restaurant before they are too. However, a Patrick sticks a large tendril into the building, smashing a hole through the boards, and grabs Sandy with it, dragging her through the hole. Then the Patrick prepares to kill Krabs, who shifts into his giant crab form to try to kill him. After tearing the Patrick's head off, though, the sea star tells him about how he knows about Krabs cutting off one of his arms and using it to generate a clone, which he tormented for years as he used it to make Krabby Patty meat.

As the Patrick finishes his backstory, a group of Patricks grab Krabs's legs and tear them off. Later, Sandy and Squidward enter the Krusty Krab and see Mr. Krabs overturned, with his legs and claws lying around him in pools of blood. He explains how a Patrick forced him to eat a raw Krabby Patty before a small starfish bursts out of his chest, killing him once and for all. A lone Patrick emerges ande Squidward tries to put him to sleep with a song. This Patrick covers his ears and rips them off before turning into his monster form, breaking Squidward's clarinet and knocking him down onto the floor.

This Patrick then turns back into his normal form, now scarred by the bullets fired at him by Sandy and the spaces where his ears used to be. A group of Patricks then surround the two, preparing to kill them both. However, Squidward turns into his monster/Kraken form, killing all of the clones around them. Sandy then decides to shoot the one that killed Krabs, only for Plankton to appear and tell her not to shoot, explaining that she'll want to see where the clone is going. They follow it underneath the Krusty Krab, where a machine hangs from the ceiling.

Plankton explains that the machine is what the tortured clone was hooked up to, injecting it with growth hormones and allowing Krabs to take pieces of the clone's body and turn them into patty meat. Sandy is so disgusted by the revelation that she winds up puking in her suit. Plankton then shows her something even more disturbing: a cult of Patrick clones. The small Patrick clone tugs on a Patrick's robe and says that he has returned. The Patrick responds by telling him that he is too small and unready to rejoin with the Tortured One, and that he must feed some more before returning again. Then a much larger Patrick enters the area, saying that he is ready to rejoin and that the souls that he once fed would now be fed to him.

The other cultists shout "Rejoice" as he leaps into and falls toward the bottom of the pit. Then a Patrick throws Sandy over the edge of the balcony she's standing on, revealing that Plankton had tricked her into going there so that he would be spared by them. After he leaves, a Patrick absorbs her gun and then holds her above the pit, where she sees a large, outer-space-like vortex, which opens up and reveals SpongeBob's face, who tells her to join him and become a part of something beautiful. Beneath the vortex, it is shown that there is actually a large pool of acid, which some grinning Patricks are being dissolved by.

She seemingly considers joining him before wriggling out of the Patrick's grasp and tossing him into the pit, causing him to dissolve in the acid at the bottom. The other cultists are grabbed by dozens of clawed hands that suddenly break through out of the ground, tearing them apart as they happily watch Sandy get grabbed by the hands, which attempt to tear her apart as well. However, she manages to get free by unzipping her suit and escaping with just her helmet. However, more hands grow from the walls of the tunnel she runs through as a crack forms and begins growing in the earth above. When Squidward flies up to get an aerial view of the crack, he sees that there are actually five of them, all forming the shape of a star. At the center of the cracks is the Krusty Krab, which is destroyed as a huge starfish arm breaks through the ground and lands on Larry.

Larry is then torn apart and killed by the tiny appendages of the colossal starfish, which then eats him and stands up above the wreckage of the Krusty Krab, revealing itself to be the tortured clone that Krabs had been using as his source for Krabby Patty meat for years, now also combined with many Patricks. It uses another arm to break through the roof of a building where some survivors hide out, eating Bubble Bass and a few other unfortunate fish. It then attempts to eat a mother and her child, but Squidward grabs the arm with a rope and yanks it out before it's able to grab them, saying to it that its fight is with him.

They engage in a battle, with Squidward tossing the Tortured One down onto the ocean floor, ordering it to stay down. It responds by lifting itself up and causing Squidward to fly into his house, destroying it in the process. In response, Squidward lifts up SpongeBob's pineapple and tosses it straight into the mouth of the Tortured One, causing it to bleed and begin choking as Squidward flies up to finish it off. Meanwhile, a Patrick that had learned about the secret formula's true amount of secrecy and became heartbroken over the realization, finds Gary, who nuzzles against the clone's leg. The clone responds with a promise to redeem himself for his wrongdoing and make things right.

Squidward tries to shove the pineapple further down the Tortured One's throat, only for the pineapple to break into multiple pieces and cause Squidward to nearly be pushed into the Tortured One's stomach. When Squidward looks into it, he sees what look like the ghosts of Larry and SpongeBob that try to convince him to give up and let go. The latter also holds a clarinet that he tells Squidward to play so he can let go and join them. As he holds it out, both the ghosts suddenly begin disintegrating and melting away. Suddenly, Squidward sees the vision of a large audience of rotting and disintegrating sea-dwellers eaten by the monster, including Bubble Bass and Squilliam Fancyson, all telling him to let go and play them a final song to bring him peace. Before Squidward can make a decision, though, Sandy shows up to break him out of his trance and hit the Tortured One with a rocket launcher.

Plankton and Karen then show up in a giant mech, the former wishing to redeem himself for what he did to Sandy. He cuts off one of the Tortured One's limbs and burns its wound to keep the limb from regenerating. However, the small Patrick appears behind him to grab him with its stomach and eat him, killing him after his head explodes. Sandy kills the clone, but the Tortured One's limb begins to grow into a new monster and Karen, without Plankton, is unable to go over to burn it completely. So Sandy and Squidward push her over and allow her to self-destruct atop the limb. It attempts to grab hold of Squidward before Karen blows up, but Sandy shoots off the tentacle that it grabs onto and they quickly fly away before they get caught in the explosion.

Chapter 16 reveals that a Patrick had gone over to Squidward's house to attempt to consume him, but it was foiled after Squidward stuck his clarinet into one of its eyes. Outside, he saw the destruction that the Patricks were causing, including the clothes and the dissolved body of SpongeBob, which Squidward lamented over and which triggered his apology for not being a better friend. After the flashback, the Patricks attempt to kill Squidward by eating their way to his brain, but stop when Good Patrick shows up and berates the Tortured One for his supposed ignorance, explaining how nobody besides Mr. Krabs knew that Krabby Patties were made out of starfish meat, which causes Squidward to jaw-drop in shock and horror. Good Patrick then asks the Tortured One why everyone should be punished for something they never knew about, to which it responds by saying that they never asked and tries to kill the good Patrick by smashing it.

Squidward finally blasts off the Patricks attached to him with ink and prepares to take down the Tortured One once and for all, only to see SpongeBob holding on to the arm that attempted to squish Good Patrick. After SpongeBob reveals that he was able to come back to life because of his ability to regenerate via a single cell, he fuses with all of the cells covering all the Patricks and becomes Porifera. After devouring all of the Patricks (except for Good Patrick), he prepares to go to battle with the Tortured One, explaining how what it did was far more monstrous than what was done to it before finally delivering the first punch, officially starting the battle between the two. They both manage to tear pieces of each other apart. As a result, the Tortured One releases its stomach in an attempt to consume him, causing Porifera's skin to melt as he comes into contact with it.

After Barnacle Boy sacrifices himself to make Mt. Bikini Bottom erupt, Sandy (now Mermaid Squirrel) and Squidward attempt to push the Tortured One into the resulting crack in the earth. Sandy tries to save SpongeBob, but Squidward says that it's too late, with most of his skin having been melted off of his body. Inside of the Tortured One's mindscape, SpongeBob (not appearing as Porifera) sees the Tortured One, being hoisted by a machine similar to the one in the Krusty Krab. He explains to SpongeBob his plans to consume everything in the ocean indiscriminately, not caring whether or not anyone he eats had anything to do with his torment. He then grabs SpongeBob with multiple hooks and stretches him out, intending to torment and eventually kill SpongeBob.

However, Gary, finding his way into the mindscape, slithers up his body and bites him, while in the real world, his stomach to pops open. When Squidward realizes he can save SpongeBob/Porifera, he goes up to him and manages to snap him out of his trance. Porifera, now mostly a large skeleton, lifts up the Tortured One and throws it into the magma-filled crevice, finally killing it once and for all. Porifera nearly goes down with it as the ground where he stands collapses, but Patrick, Sandy, and Squidward manage to grab a small chunk of him before he falls in, which turns into SpongeBob in his normal form and hugs the group.

---

When he finished he was shocked and was as white as a ghost!

Me: I know. That was our first reaction too. And all because Mr. Krabs in that universe took his greed to a whole new level.

Bleez: But don't worry. Krabby Patties aren't made of starfish!

Nico: Yeah when I first read that comic I was so shocked and paranoid that I wanted to kill Patrick before the events of that comic happened.

Mr. Krabs: But we proved that I didn't have all that stuff hidden in me restaurant.

Eli: That's a big relief though.

Plankton: That's good though. I can't believe that you were that evil in that comic Eugene.

Mr. Krabs: I know and I would never do all that stuff in that comic ever!

Me: Mr. Krabs has too much honor to do all that. The strangest part is that the Tortured One is very similar to the villain Starro. Both were tortured and used for greed and both were driven by a huge desire for vengeance.

Plankton: That's terrible!

Nico: Yeah it sure was.

Demyx: But Patrick might end up like his other self if we don't do something about his tantrum problem.

Me: No this tantrum was brought on because of a bell. You know how Patrick is. He can't help it.

Nico: Yeah besides he's our lovable starfish.

Mindy (SpongeBob): He sure is.

Eli: Yep.

Scavenger: Well, can we at least deactivate the Bell here in the Krusty Krab so Patrick can have some peace?

Mr. Krabs: Already done.

He turned off the bell system at the Krusty Krab.

Scavenger: Oh then uh nevermind.

Anakin then sensed something.

Anakin: Can I talk to some of you guys in private?

Scorcher: Sure. I'm done with my Krabby Patty anyway.

We went with Anakin.

Me, Eli, Nico and Erica went with him.

Me: What is it Anakin?

Anakin: I'm sensing a disturbance in the Force.

Me: Uh oh.

Eli: I feel it too.

Me: Do you know what it is?

Anakin: Yeah.

We went back to the table.

Spectra Phantom: What did you sense?

Anakin: (Sighs) Dammit, Eli. I was hoping that we could've taken care of this before you found it. But you have a right to know. The Force Disturbance I sense was similar to Ariel's.

Helios: Is it an evil clone of her?

Anakin: I'm not sure but it feels like Ariel.

Ahsoka: I feel this disturbance. It's another Ariel but she has been poisoned with evil.

Allie Knudson gasped in shock!

Allie Knudson: Oh no! It can't be her!

Nova: Don't tell me. Is it that Twisted Princess version of her?

Allie Knudson: I have a feeling it just might be.

Erica: What are the Twisted Princesses?

Allie Knudson: It's something I like to call the Dark Side of Disney. We faced them in my babysitting adventure.

Nico: I remember that! That was crazy!

Laney: Yeah it sure was!

Lola: The Twisted Princesses are the Disney Princesses turned evil.

Allie Knudson: We faced them in my babysitting adventure that I had 2 years ago.

Allie revealed what went down in chapter 713 and it was crazy!

When she was done everyone was shocked!

Mr. Krabs: Wow that's nuts!

Nico: Yeah it sure was.

Ssserpent: Me and the others are just hearing about these Twisted Princesses now.

Allie Wilde: I've seen pictures of the Twisted Princesses on the internet.

Eli: I have too and I saw how dangerous they are.

Allie Knudson: Yep and I faced them many times before and destroyed them. During my babysitting adventure we destroyed them one by one.

Lori: That was literally a scary one.

Leni: It totes was.

Aylene C.: That was crazy but it was awesome.

Teresa: Me, Lori, Arpeggio, Nico, May, and Bridgette actually faced Twisted Ariel before.

Arpeggio: (British Accent) Indeed we have.

Nico: That was a brutal battle.

May: But it was cool.

Bridgette: Scary though too.

Me: I was told all about that adventure and it was scary how you all faced the Twisted Princesses.

Laney: It sure was.

Erica: Wow. That is something.

Fire Princess: It sure is. I hope we all get to take each of them down in our missions.

Simone: I have a feeling we will.

Me: Let me see here.

I looked up my Dark Orb radar and it showed a Dark Orb moving in Jellyfish Fields and it was moving fast to the city.

Twisted Ariel was outside.

Twisted Ariel: (brings out bell) Time for the fun to start! (rings bell)

Gizmo: Does anyone hear a bell?

UH OH!

Nico: OH NO!

Eli used the Force to restrain Patrick and then we looked outside and we saw TWISTED ARIEL!

Me: There she is!

She swam away before we can react!

Divebomb: We have to get Patrick under control!

Lincoln: We got this! Come on girls! CALMING LIGHTNING STYLE: WHITE NOISE!

Yuna: CALMING WATER STYLE: LIGHT RAIN!

Nanami: CALMING WATER STYLE: WATER FOUNTAIN!

Perfuma: CALMING NATURE STYLE: JAPANESE GARDEN!

Fujiko Mine: CALMING NATURE STYLE: FOREST NIGHT!

Frosta: CALMING WATER STYLE: OCEAN!

Rei: CALMING WATER STYLE: WATERFALL!

Tatsumaki: CALMING WIND STYLE: WINDY TREES!

Hilda: (British Accent) CALMING WIND STYLE: WIND MEADOW!

Jessica Shannon: CALMING FIRE STYLE: FIREPLACE CRACKLES!

Saya: CALMING LIGHTNING STYLE: PINK NOISE!

Entrapta: CALMING SPACE STYLE: SPACE DECK!

They fired waves of energy and elements and they formed into said soothing white noise elements.

Lincoln and his harem: CALMING FINAL SMASH: RAGE SOOTHING CALM SOUNDS!

They produced calming sounds to finally calm Patrick down and Twilight Sparkle used Jellyfish Jam to do that and rubbed it on Patrick's belly and he calmed down.

SpongeBob: Good job Twilight and great job guys.

Me: Now lets go after that evil imposter!

Eli: That version of Ariel was crazy! She had a fork for a hand.

Ariel: It's ugly.

Me: I know. Lets get her guys!

Duskmon: Before we fight her, we need to get that bell away from her!

Me: And I know just how to do it. This is something I picked up from my friend Akordia in the world of Dungeons & Dungeons.

I used powerful magic to send my hand to Twisted Ariel. With Twisted Ariel, she was swimming and then my hand appeared in a red ghostly form and swiped her bell and got it over to us.

Nico: Whoa! That was clever.

Eli: VERY crafty bro.

Ariel: Yeah.

Fellbat: Now to do our entrance!

Me: Lets go!

I put some money down for the meal.

Me: Thanks for the grub guys. Duty calls.

Mr. Krabs: Go get her lads!

We were off!

Twisted Ariel was in Jellyfish Fields and then….

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted above the area and a phoenix cry was heard and the spirits of the animals of the 10 elements appeared and swirled around the explosion and they converged and we landed.

Me: Twisted Ariel you will pay for everything you did!

Allie Knudson: And this time you will not be saved from yourself!

Nico: You are just as evil as we saw when we first met.

Eli: How can you become this monster, Ariel?!

Twisted Ariel: It's because of my so called father!

Roman Goodwin: Maybe you should explain it to those of us who haven't heard the full story.

Allie Knudson: I can do that.

She told us that hadn't heard.

As Triton is destroying Ariel's grotto, Ariel gets in front of her statue of Prince Eric. Blinded by rage, Triton accidently blasts Ariel with his trident. Ariel falls lifeless onto the statue. Shocked, Triton picks up his lifeless daughter. Overcome with guilt, he has no other choice, but to take her to Ursula. The sea witch agrees to bring Ariel back to life, however, she is not the same. She is evil, and Flounder is also taken over by an evil spirit. Ursula also takes Ariel's hand as payment, replacing it with a fork. This is all revenge from Ursula for being banished.

---

When she was done we were shocked!

Me: King Triton made a deal with the devil. The one monster that he would NEVER turn to!

William: I'm afraid so.

Angel: After we kill Twisted Ariel, we should visit Patrick's parents.

Red Ghost: There might be more to this story.

Me: I have that same feeling myself.

Skalamander: (to me) We heard you helped out in Balto's world.

Me: I sure did and it was a cold adventure. But it was amazing how Lily got to save all of Nome.

Rich Texan: Don't worry. We'll keep a close eye out for Steele!

Me: Thanks guys.

Nico: Oh and guys this is Erica. I told you all about her.

Erica: It's awesome to meet you all.

Nico: Show no mercy on her Erica.

Erica: With pleasure.

Erica went at Twisted Ariel and she punched and smashed and kicked her all over and kicked her in the face and she punched her in her stomach all over and then kicked her in the face and did a deadly roundhouse kick. Me: WHOA! You weren't kidding Nico. She IS a deadly fighter!

Nico: Was there ever any doubt?

Qin: WAY TO GO ERICA!

Eli: NOT GONNA HAPPEN YOU MONSTER!

Eli went Super Angel 3!

Eli: You were made because of Triton's bad temper and his hatred towards humans! After he lost Athena he harbored an intense hatred towards us humans! The reason is because of Davy Jones.

Me: That's right! It was Davy Jones that killed your mother. Athena was murdered in cold blood by Davy Jones.

Twisted Ariel: NO! It can't be!

Nico: It's true! Davy Jones is the one that killed him.

Lola: And I have this to prove it!

Lola played a taped confession from Davy Jones himself!

Dr. Destiny: Really? In that case, I'll just use my dream powers to reveal to everyone the most despicable thing you did!

Davy Jones: You must mean what happened to Athena.

Me: That's right!

Davy Jones: Yeah that's my secret. Athena was killed yes. And I did it. I KILLED ATHENA!

Eli gasped in absolute shock!

Eli: YOU KILLED ARIEL'S MOM!? YOU KILLED ATHENA!?

Davy Jones: And I would do it again too!

Eli: YOU MONSTER!

When she stopped it, Twisted Ariel was shocked and then she broke down crying! Then a Dark Orb popped out of her!

Nico: The dark orb!

Nico grabbed it and opened a portal and threw it into the Warp.

Eli: I'm sorry sis. It's the least we can do to help you move on.

They fired waves of energy, water and boulders and jewels.

Enre Hep, Laarina, Mudeenu, Kamengareth, Faash, and Bleez blasted Twisted Ariel with energy blasts.

Gizmo, Neptune Crusaders, Water Skylanders, Ariel, Ariel's Sisters, Melody, Girl Jordan and me: NEPTUNE ATLANTICA MAELSTROM BLAST!

We fired a massive blast of energy and the blasts all hit Twisted Ariel and obliterated her in an instant!

Me: That's it for her.

Steam Smythe: Now, Twisted Ariel is put to rest.

Me: But it was all because of an accidental death that made her this way.

Eli: Yeah.

Black Adam: There will be more Twisted Princesses to come in the future.

Leonard: But we'll be ready for them.

Radioactive Man: Now, we should visit Patrick's parents.

BlackWarGreymon: I have a feeling that bells aren't what cause Patrick's tantrums.

Me: I have that same feeling too.

Nico: Yep.

Ariel: (To the viewers) This was a funny and awesome adventure and an awesome battle. I hope you all like it.

Nico: I know I do.

Eli: Same with me.

Ariel: Eli you know I would never become like that.

Eli: I know sis. I know.

They hugged.

We went to talk to Patrick's parents and we found out that it was actually because of Patrick's rubber ducky that he goes into a tantrum. He goes cuckoo crazy whenever someone squeaks a rubber duck. We later went back home and went to sleep.

THE END

---

Another awesome fanfic done.

Patrick's Tantrum was a really funny episode. Just so you know there were some spoilers in this one that gave you what happened in the episode in advance. It was released in many parts of the world but not in the USA. The script for the episode however was incomplete. Patrick going on a tantrum like that in the episode was HILARIOUS! The first part of the chapter was for the 1995 movie Balto. That's one of my favorite childhood movies and it was about the 1925 Diphtheria Serum Run in Alaska and that was awesome! The 2nd part is for the Courage the Cowardly Dog episode McPhearson Phantom and that was a freaky episode that aired on November 2nd, 2001 and it was a creepy one too. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this and so did the guest reviewer for this. Thanks guys. The next rescue for me is gonna be in the Batman Episode Fire From Olympus and that one is gonna have me, Eli, Allie, Missy, Erica, Qin, Maria, Sailor Jupiter, Simone, Miranda and the Jolteon Gene-Slammer go take on Maxie Zeus and we're going to show that wannabee deranged god the TRUE POWER of a god. And we're going to also meet an Azulongmon Gene-Slammer named Gina Pele from Hawaii. And we'll also meet a Maiden of The Moonlight. Sailor Jupiter will transform in that one too so Guest can you make the Transformation for that one too? Lincoln's Rescue is gonna be in the world of Nausicaa of the Valley of the Wind, another one of the great works of Hayao Miyazaki and we're going to meet Nausicaä, the princess of the Valley of the Wind and kill Kushaana and the 3 Mage-Sisters are going to face Hyness and transform too. The next chapter for tomorrow is for Mexico's Dia De La Muerto or Day of The Dead and we're going into the awesome world of the 2014 movie The Book of Life and we're going to meet Mary Beth and destroy the Dark Side of Xibalba and celebrate the great holiday of Mexico.

See you all tomorrow.

# Day of The Dead Awesome

¡FELIZ DÍA DE MUERTOS 2021 A TODOS!

---

Over the city, me, Eli, Allie, Qin, Missy, Maria, Sailor Jupiter, Simone, Miranda, Erica and Janelle the Jolteon Gene-Slammer were flying and we were searching for any crime that was active.

We landed on a building.

Janelle Kerumma: Looks like we're once again taking care of another Gotham criminal.

Janelle concentrated and groaned as she dropped to all fours.

Me: Yep we sure are.

Erica: This is gonna be so cool! I can't wait to see who we're going to face.

Janelle turned into JOLTEON!

Missy: All right!

Maria: He sure be here somewhere.

Simone: Wait what's that up there?

We saw a blue light coming from a building and then we saw a huge blast of lightning fire from it and it hit a Gotham City Police Blimp and set it on fire!

Me: WHOA!

Miranda: Whoa did you see that!?

Sailor Jupiter: Yeah that was incredible!

Eli: I think I know who did that.

Me: Me too bro. Lets go!

I sent Shadow Clones to get the Blimp down.

We went to the building and we landed. We were standing before MAXIMILLIAN ZEUS A.K.A. MAXIE ZEUS

---

His first criminal act in Gotham City was the blood contract on an old enemy called Long John Logan. However, his murder attempt was foiled by Batman.

Formerly a history professor, he is mentally ill and built his persona around an obsession with Greek mythology.

Maxie Zeus was created by the late Dennis O'Neil and the late Don Newton, and he first appeared in Detective Comics #483 (May, 1979).

He is frequently incarcerated in Arkham Asylum. He was briefly a member of the New Olympians.

---

Me: Maximillian Zeus A.K.A. Maxie Zeus.

Maria: You're Maxie Zeus, right?

Maxie Zeus: That's right, dear lady!

Maria: Just wanted to know. (puts on sharp cleats) Qin, how are these cleats?

Qin: Very sharp.

Maria (smiles cheekily): Good to know. (kicks Maxie Zeus in the groin)

CRUNCH!

Me: (Winces) OOOHH! That's gonna hurt!

Eli: AYE YI YI!

Sailor Jupiter: OUCH!

Maxie Zeus immediately covered his groin.

Maria: Yeah, did that hurt? Yeah, that hurt?

Maxie Zeus: WHAT IN HERMES' NAME?!

Maria: Yeah, that don't feel so good, does it? No, huh? [punches Maxie Zeus and throws him to the ground) Where are your Godly balls now, huh?! (gives him a black eye) WHERE ARE YOUR GODLY BALLS NOW?!

Me: You don't know what the true power of a god can do. Especially with this!

I showed him THE THUNDERBOLT OF ZEUS!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Maria: You must've had a lot of money to buy all this stuff, huh? Yeah, huh? How much did you pay for all this stuff?

Maxie Zeus: I paid for it with the gold of Olympus.

Maria got out a cage with a porcupine and let the Porcupine loose on Maxie Zeus.

Maxie Zeus: A porcupine? Thou must be joking.

WHACK!

The Porcupine whacked him with his tail in his leg and Maxie Zeus screamed in pain!

Me: OUCH! But I think it's time you faced the REAL Zeus.

I knelt and prayed to Zeus.

Me: Lord Zeus I pray to thee. Maxie Zeus here is impersonating you and claims to be the real you.

Thunderstorm clouds rolled in and then…

THUNDERCLAP!

A bolt of lightning hit the floor and out came ZEUS!

Me: Welcome Lord Zeus.

Zeus: Thank you for calling me here J.D. I will deal with this imposter myself.

Erica: Lord Zeus it's an honor to meet you. I'm Erica Haddock, one of Nico's friends.

Zeus: It's a pleasure to meet you and I heard you all have been busy. Now watch me do my job.

Zeus fired a blast of lightning and it hit Maxie Zeus and electrocuted him all over.

Simone: Wow!

Miranda: That is amazing how you all know the gods themselves.

Maria: It's how many of us got our powers. We were given our powers from the gods themselves and they made us their champions.

Simone: That is amazing.

Erica Haddock: It sure is.

Suddenly, Sailor Jupiter's eyes turned neon green, and she was surrounded by a green energy aura with green lightning, leaves, flowers, and fruits, and as she approached Maxie Zeus, she left green energy, green lightning, leaves, flowers, and fruits.

Sailor Jupiter: You claim to be a God, but in reality, you're nothing more than a deranged crime boss who dares to pretend to be a

God. Maxie Zeus, you're about to face the true power of the gods, and you will pay for your crimes in Gotham City!

Then, Sailor Jupiter was surrounded by a massive vortex of bright green energy with green lightning, leaves, flowers, and fruits surrounding the vortex, there was a green phoenix flying around the vortex and inside the vortex was a light green phoenix. Then, as the vortex faded, Sailor Jupiter emerged, but she was changed forever.

Sailor Jupiter grew to 5'11" in height, she had the body of a goddess, she has a cat with The Crescent Moon emblazoned on her forehead, she has large green angel wings for her new body, she had on cat earrings with the Thunder Kanji in its paws and a necklace with a cat holding the Thunder Kanji in its paws for the pendant, she had on a sleeveless white blouse with a green phoenix, green blouse with leaves and fruits on it, green high heels, a sleeveless green trenchcoat with green lightning, leaves, and fruits on the coattails and the crescent moon on her back. She had a large sword in her hand called The Sword of Jupiter, it's a large sword with the astrological sign of Jupiter etched on the 6'5" massive, wide, double-edged blade, large green angel wings for the crossguard, large green gem for the hilt, longer black handle, and a large faceted green sphere pommel with surrounding green gems. Sailor Jupiter now has on her new Bracelets of The Champions of The Universe with green gems on her wrists, Belt of Elemental Bravery with large green gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her right hip. There was a gold kanji on the back below the crescent moon that said, "Lita Kino also known as Sailor Jupiter, Sailor Soldier of Jupiter, Master of Lightning and Nature, Friend of Team Loud Phoenix Storm, and Destroyer of Queen Beryl."

リタキノは、セーラージュピター、ジュピターのセーラーソルジャー、稲妻と自然のマスター、チームラウドフェニックスストームの友人、クイーンベリルの駆逐艦としても知られています

Sailor Jupiter has transformed SUPER ANGEL 750,000,000,000 CELESTIAL LIGHTNING STORM JUPITER NATURE ANGEL OF JUSTICE AND HOPE!

We were amazed that she transformed!

Me: Whoa! Lita you look amazing!

Eli: Wow! You transformed!

Miranda: No kidding! How do you feel?

Sailor Jupiter: (Divine Cosmic Thunderstorm Voice of Justice) **I feel amazing Miranda. This is gonna be the the true power that will lead to Maxie Zeus' downfall.**

Me: Show no mercy on that bastard.

Sailor Jupiter: **With pleasure.**

She fired a massive blast of lightning and electrocuted Maxie Zeus all over and then Maxie Zeus fired a lightning blast at her. But it didn't even harm her. In fact, she absorbed his lightning and it made her stronger and more powerful!

Me: Wow! His lightning is making her stronger!

Eli: Wow! What a supercharge!

We knocked him down and he was badly burned all over and Maria grabbed him.

Maria: You do something like this again and we'll kill you, got me?!

Maxie Zeus: THOU ARE INSANE!

Me: We aren't insane. YOU ARE!

Maria: And clean yourself up.

Me: You mess with the rightful names of the gods and there will be hell to pay!

We had him arrested, put in a straitjacket and ready to be sent to the Saturn Insane Asylum Arkham Section.

Eli: That was easy.

An Azulongmon then appeared!

Me: WHOA! Azulongmon!

Azulongmon: (In a girl's voice) That was sure showing him.

Me: Whoa you're an Azulongmon Gene-Slammer.

Azulongmon: That's right. I'm Gina Pele and I was made into this by Team Rocket Scientists.

Simone: Whoa you aren't the only one. I am Simone and I am a Zhuqiaomon Gene-Slammer.

Azulongmon: Wow! Another Sovereign Gene-Slammer.

?: That is amazing.

Out came a Maiden of The Moonlight.

Me: Wow a Maiden of The Moonlight.

Maiden of The Moonlight: That's right J.D. It's an honor.

Me: Same here.

I put on my blind man glasses and Eli and Zeus covered their eyes and I snapped my fingers and Janelle and Gina were reverting back.

Janelle: (stands up straight) Gina, how long were you Azulongmon for?

Gina: (Shrinks) About three months.

They were back to normal and were naked and Maria gave them new clothes and Gina looked awesome.

Gina: Wow these clothes look awesome! And it's gonna be awesome helping you all.

Miranda: It sure will.

Gina: (holds her head in pain) Maria, beat Maxie Zeus up again. It'll make me laugh and then, maybe it'll stop the transformation!

Maria (smirks): If you say so.

Maria went outside. Just as Gina's teeth got lost in her changing gums, Maria came back in with Maxie Zeus tied up in a straightjacket with Firefly following her.

Maxie Zeus: Did thou change your mind? Because- (sees Firefly get out his heat lasers) OH DEAR POSEIDON!

Firefly: Thought I'd help you with this since it's not my turn yet. I never liked this guy anyway.

Firefly continosly shot his heat lasers at Maxie Zeus as the false god screamed in pain.

Firefly: (continues to fire heat lasers) Hey, Gina! I hope this makes you laugh!

Gina: (Laughs) It sure does!

Simone: Gina reign in the power with the strength of your will. We did it and you can too. Concentrate.

She did so and then she glowed in a neon blue aura and it showed that she was fully engrafted with the powers of Azulongmon.

Gina: WHOA! That was powerful!

Sailor Jupiter: Wow! How do you feel Gina?

Gina: I feel amazing.

Maiden of the Moonlight: Awesome!

We went back to the World Tree Estate and we told everyone about what happened in the city and it was amazing.

---

After getting rid of Maxie Zeus, Lincoln, Me, Nico, Eli, Nicole, Kopaka, and The 3 Mage-Sisters were heading to the world of Nausicaa of the Valley of the Wind, and not only is Lincoln going to rescue the eleven girls there, but we're also going to meet Nausicaa, the princess of the Valley of the Wind and kill Kushaana and face Hyness.

Lincoln: Wow, we're in the world of Nausicaa of the Valley of the Wind.

Me: Whoa! This is an apocalyptic wasteland.

Nico: What happened here?

Me: From what I remember it was because of an apocalyptic event called the Seven Days of Fire.

Nicole: Yeah that was a terrifying event.

Lincoln: And I think I know what we're going to do here, not only am I going to rescue the eleven girls there, but we're also going to meet Nausicaa, the princess of the Valley of the Wind and kill Kushaana.

Me: That's right, big guy, and this movie is another favorite of mine. Plus, we also got word that Hyness is there.

Eli: That's right, and from what I sensed, the 3 Mage-Sisters are going to transform and face and kill Hyness.

Lincoln: That's right, Eli.

Flamberge: I can't believe Hyness has returned, there's no doubt he'll be enraged when he sees us, but we've had it with him to last an eternity, and we'll be rid of him for good.

Nicole: I know and he was one of Kirby's most ruthless enemies. It's hard to imagine that he would use you three as pawns like that. That monster has no honor.

Nicole told us his history.

---

**Hyness** (in Japanese: ハイネス, *Hainesu* ) is the main antagonist of *Kirby Star Allies* . He is an insane mage and the leader of the

Jambastion Cult, as well as the superior of The Three Mage-Sisters, who desires to bring his dark lord Void Termina back to life by assembling the evil Jamba Hearts.

## Past

Hyness' past is shrouded in mystery, but he does hint at it very much towards the end of the game. According to Hyness, he and the Jambastion Mages had helped put an end to a "repulsive nightmare of a galactic crisis" using their magic. It can be theorized the "repulsive nightmare of a galactic crisis" could be Galacta Knight, but this is merely a theory. However, they were later sealed away and banished to the edge of the galaxy seemingly for fear that they were too powerful. Although they have their existence erased from history, Hyness and his followers vowed to be restored and bring about the revival of their dark lord by the name of Void Termina.

## *Kirby: Star Allies*

Hyness is seen in the opening cutscene of the game, where he is performing a ritual in an attempt to summon Void Termina from the Jamba Heart. This ritual goes wrong, causing shards of the Jamba Heart, both good and evil, to shower across the universe. Many evil Jamba Hearts land on Popstar, possessing the likes of Whispy Woods, Meta Knight, and King Dedede, while a single good Jamba Heart lands on Kirby, giving him the power to turn his enemies into allies. After Kirby defeats everyone who was possessed by the evil shards, one of Hyness' Jambastions arrives on Popstar to collect the heart shards, and Kirby has to fight his right-hand generals; Francisca, Flamberge, and Zan Partizanne, the latter of which destroys the station upon her defeat.

These mage generals are the ones that Hyness can be seen abusing throughout his appearance in the final world; he slaps Zan Partizanne out of the way so he can deal with Kirby, and as a last resort in his boss fight he sucks out their life force to heal himself and uses them as shields and weapons. Despite being on the receiving end of constant abuse, the mage generals remain loyal to Hyness for he brought a new purpose to their lives.

When he is defeated in his boss fight, he decides to sacrifice himself and his generals to Void Termina in a final bid. It works, however, Void Termina absorbs him and the generals, being seen in the *Core* phase of his boss fight. After Kirby and friends open Void Termina's heart to expose his core, Hyness and his mages are ejected out of their dark lord into space.

Following Void Termina's defeat, Hyness and the Jambastion mages found themselves in another dimension. Using remaining Void of their fallen leader did Hyness try to resummon Void Termina, only for the Void to corrupt him instead, consumed by the evil within his heart. "Corrupt" Hyness finds himself sealed inside a giant Jamba Heart within the dimension, leaking Void that threatens the universe.

Kirby and his allies travel across four terrains of Another Dimension to gather four Heart Spears to shatter the Jamba Heart restraining Hyness, only for his corrupt form to battle them. After his defeat, the Mage-Sisters come to his aid and battle Kirby, but are also defeated.

If Kirby had collected at least 100 of the 120 hearts obtainable in the four Another Dimension levels, he can create a massive Friend Heart to purify the Mage-Sisters, who in return seal away the Void from Another Dimension. After Kirby and allies leave for their home dimension, a single Friend Heart then falls from their warp star and purifies Hyness. Once he awakens, the Mage-Sisters comfort him and explain to him what all happened, making him become an ally to Kirby and all of his friends.

Corrupt Hyness can later be fought within the Ultimate Choice at Soul Melter EX difficulty.

---

When she was done we were shocked!

Kopaka: That is nuts.

Nicole: I know and as the Goddess of Video Gaming his crimes cannot be forgiven that easily. He tried to wipe out the entire universe and he cannot be allowed to live any longer.

Me: I know. I feel the same way.

?: HELP!

Suddenly, Lincoln heard the sound of eleven girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the eleven girls, along with Nausicaa, but they've been cornered by Kushaana and Hyness, and they're going to kill them.

Lincoln: Guys, I found the eleven girls, along with Nausicaa, but they've been cornered by Kushaana and Hyness, and they're going to kill them. Come on, let's go.

We rushed on over, and Lincoln fired two massive neon blue energy blasts at Kushaana and Hyness, and caused them to back away. As soon as they saw us, they were enraged, especially Hyness.

Hyness: Francisca, Flamberge, Zan, how dare you three traitors show your faces here?! I will destroy you three, if it's the last thing I do!

Suddenly, Francisca, Flamberge, and Zan Partizanne were surrounded by red, blue, and yellow energy auras with fire, ice, and lightning surrounding them, and as they walk towards Hyness, they left red, blue, and yellow energy with fire, ice, and lightning with every step.

Francisca: Hyness, you have caused nothing but trouble for the Dream World for the last time.

Flamberge: I don't even know what we were thinking following you. Natilee is a better leader than you.

Zan Partizanne: But, now we're going to finally get rid of you once and for all.

Then, Francisca, Flamberge, and Zan Partizanne were surrounded by massive vortexes of red, blue, and yellow energy, along with fire, ice, and lightning surrounding the vortexes. There are red, blue, and yellow phoenixes flying around the vortexes, and inside the vortexes are red, blue, and yellow phoenixes. Then, as the vortexes fade, the three Mage Sisters emerged, but they've been changed forever.

Francisca, Flamberge, and Zan Partizanne grew to 5'11" in height, they had the bodies of goddesses, their tri-colored hair had highlights of their favorite colors, Francisca, Flamberge, and Zan Partizanne have red, blue, and yellow phoenixes emblazoned on their foreheads, their disembodied hands were now connected by arms, they have red, blue, and yellow eyes with red, blue, and yellow energy auras with fire, ice, and lightning surrounding them, they each now have on phoenix earrings with the Fire, Ice, and Thunder Kanjis in their claws and new necklaces with a phoenix holding the Fire, Ice, and Thunder Kanjis in their claws for their necklace pendants. Francisca, Flamberge, and Zan Partizanne now had on longer black mage clothes with red, blue, and yellow accents on them with fire, ice, and lightning on them, black pants, and black high heels, and in their hands, Francisca, Flamberge, and Zan Partizanne had new mage staffs in their hands called The Destroyers of Hyness, they're mage staffs with large red, blue, and yellow globes mounted on four large golden phoenix heads on one end of the long 6'5" black staff, and on the other end are four smaller golden phoenix heads and below them are the three large split black crescents with red, blue, and yellow spheres on them. Francisca, Flamberge, and Zan Partizanne also had large red, blue, and yellow angel wings, Bracelets of The Champions of the Universe with gems in their favorite colors, Belts of Elemental Bravery with large gems for the belt buckles in their favorite colors, and Eater of Sins revolvers holstered on their left hips.

Francisca, Flamberge, and Zan Partizanne each had a kanji on the back of the black coats in red, blue, and yellow. Francisca's blue kanji said, "Francisca, Elegant and Refined Member of The Three Mage Sisters, Master of Ice and Water, Defender of The Dream World, and Member of The Dream Crusaders."

フランシスカ、スリーメイジシスターズのエレガントで洗練されたメンバー、氷と水のマスター、ドリームワールドの擁護者、そしてドリームクルセイダーズのメンバー

Francisca has transformed into SUPER ANGEL 750,000,000,000 CELESTIAL ARCTIC DREAM ANGEL OF JUSTICE AND HOPE!

Flamberge's red kanji read, "Flamberge, Fiery and Passionate Member of The Three Mage Sisters, Master of Fire, Defender of The Dream World, and Member of The Dream Crusaders."

And Zan Partizanne's yellow kanji read, "Zan Partizanne, Eldest Leader of The Three Mage Sisters, Master of Lightning, Defender of The Dream World, and Member of The Dream Crusaders."

三魔道士姉妹の長男、稲妻の達人、夢の世界の擁護者、そして夢の十字軍のメンバーであるザン・パルティザンヌ

Zan Partizanne has transformed into SUPER ANGEL 750,000,000,000 CELESTIAL THUNDERSTORM DREAM ANGEL OF ELECTRIC JUSTICE AND HOPE!

We were amazed by the Super Angel 750,000,000,000 transformations of the Three Mage Sisters, and it sent Hyness into a black rage.

Zan Partizanne: (Divine Echoing Thunderstorm Voice of Justice) **Oh wow, we've transformed!**

Lincoln: That's right, Zan, you three look amazing.

Francisca: (Divine Echoing Arctic Storm Voice of Justice) **Thank you, Lincoln, and now, we'll take care of our former priest, while you guys kill Kushaana.**

Lincoln: Leave that to us, Francisca.

Nicole: But make that so-called leader of yours pay for his crimes in full.

Flamberge: (Divine Echoing Inferno Voice of Justice) **With pleasure**

**Lady Nicole.**

We transformed and then, we went after Kushaana, while the Three Mage Sisters went after Hyness. The Three Mage Sisters fired powerful blasts of red, blue, and yellow energy, along with fire, ice, and lightning, which hits Hyness and exploded with incredible power.

**KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO**

We then fired powerful neon colored energy and elemental forces at Kushaana, which explode with incredible power as they hit her.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Then, we fired massive energy waves at Kushaana and Hyness, and as they hit and exploded with incredible power, the resulting explosions killed Kushaana and Hyness, and Super Hakaied them for good.

We holstered our weapons and powered down, but the Three Mage Sisters' new bodies, clothes, weapons, and jewelry were permanent. Then, Lincoln and Nicole went up to the eleven girls, and when Lincoln saw them, he recognized them. The eleven girls were Botan Negoro from Tesla Note, Sarasa Watanabe, Ai Narata, Kaoru Hoshino, Ayako Yamada, Chiaki and Chika Sawada, Hijiri Nojima, Sawa Sugimoto, and Risa Nakayama from Opera Girl, and Yuuki Yuuna from Yuuki Yuuna Is A Hero.

Lincoln: Oh wow, it's Botan Negoro, Sarasa Watanabe, Ai Narata, Kaoru Hoshino, Ayako Yamada, Chiaki and Chika Sawada, Hijiri Nojima, Sawa Sugimoto, Risa Nakayama, and Yuuki Yuuna.

Nicole: From Tesla Note, Opera Girl, and Yuuki Yuuna Is A Hero, awesome.

Lincoln: Are you girls okay?

Botan Negoro: Yes, we're okay, thanks to you.

Then, when Botan Negoro and the other ten girls saw who it was that saved them from Kushaana and Hyness, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Botan Negoro: Oh wow, you're you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Botan Negoro: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and we took down Hyness and Kushaana, and Nausicaa came with us, and she's now a new member of the team, and we showed Natilee what the Three Mage Sisters did to Hyness, and she was impressed by what they did, and by their new transformations.

---

After killing Kushaana and Hyness, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

We were flying over to Nashville, Tennessee.

Splash Woman: Nico, don't tell me you're nervous about meeting Erica's parents again.

Nico: I am nervous Splash Woman.

---

Mary Beth, a museum tour guide, takes a group of school detention students on a secret museum tour, telling them, with wooden figures, the story of a Mexican town called San Angel from the Book of Life, holding every story in the world.

On the Day of the Dead, La Muerte, ruler of the Land of the Remembered, and Xibalba, ruler of the Land of the Forgotten, see Manolo Sánchez and Joaquín Mondragon competing for the love of María Posada. They strike a wager: if María marries Manolo, Xibalba will no longer interfere in mortal affairs, but if she marries Joaquín, La Muerte and Xibalba will swap realms. However, Xibalba cheats by giving Joaquín his Medal of Everlasting Life, which grants the wearer invincibility.

The story begins with scenes of young Maria, Manolo, and Joaquin playing together as childhood friends. María is sent to Spain to become a "lady" after freeing animals destined for slaughter. Years later, the day María returns to San Angel, Joaquín has become a military hero with the Medal's aid, but Manolo's musical aspirations are suppressed by his father Carlos, who trains him to be a bullfighter in their family tradition.

At Manolo's first bullfight he defeats the bull but refuses to kill it, angering Carlos and the crowd but impressing María. That night, María is pressured by her father and San Angel's mayor, General Ramiro Posada, to marry Joaquín for his protection from the Bandit King Chakal. María and Manolo profess their mutual love before dawn but are interrupted when Xibalba sends his dual-headed snake staff, which bites her and sends her into a coma. When Manolo brought Maria's body to the town, Joaquín and Ramiro angrily blamed him for her "death", Manolo even blamed himself for Maria. Devastated by María's apparent death, Manolo allows Xibalba to kill him, believing he will be reunited with María in death.

In the Land of the Remembered, Manolo reunites with his mother and his ancestral family. They travel to La Muerte's castle, discovering Xibalba, now the ruler of the realm, who explains the bet and smugly reveals that María didn't die because she was only bitten once and therefore survived. However, Manolo was bitten twice and died. Furious but determined to return to María, Manolo travels to the Cave of Souls to reach La Muerte.

Inside, he meets the Candle Maker, the overseer of mortal lives and keeper of the Book of Life. The Candle Maker sees that Manolo's story in the Book of Life is blank and can be rewritten by himself, so he takes them to the Land of the Forgotten. They find La Muerte at Xibalba's castle and expose his cheating. Furious, La Muerte lectures Xibalba before offering a new wager at Manolo's request: Manolo's life will be returned if he completes a challenge of Xibalba's choosing, but if he fails, he will be forgotten and Xibalba will keep both realms. Xibalba sets Manolo against a giant bull skeleton made from the skeletons of every bull slain by the Sanchez family, believing that to be his greatest fear.

Meanwhile, María has been awakened from her coma, learns of Manolo's death, and reluctantly accepts Joaquín's proposal. Their wedding is interrupted by Chakal, who leads his army to San Angel to find the Medal, which had once been in his possession. Chakal kills Carlos, who arrives in the Land of the Remembered in time to see Manolo's fight. Manolo, realizing his fear is actually of being himself, refuses to fight and instead sings an apology to the bull, appeasing it and touching the hearts of everyone present (including Xibalba and Carlos).

Impressed, the deities resurrect Manolo and send him and his family to San Angel to protect the town. Manolo is knocked unconscious when Chakal destructs himself, but he is protected by the Medal, which Joaquín had slipped him earlier. Joaquín returns it to Xibalba and resolves to be a true hero, while Manolo and María are happily married as Xibalba and La Muerte reconcile.

In the present, Mary Beth finishes the story, and the amazed children leave the museum. Mary Beth and a security guard reveal themselves to be La Muerte and Xibalba in disguise. The Candle Maker appears and encourages the audience to write their own story.

When the movie was done we all cheered.

Angel was looking high in the sky for anything out of the ordinary. Then she saw something coming and it was a mysterious creature and he was crying?

Angel: What the? Is that?

She got closer and it was XIBALBA!

---

Xibalba is the central antagonist and anti hero of the 2014 computer-animated film The Book of Life. He is the dark, ruthless and manipulative ruler of the Land of the Forgotten, who enters the plot upon making a wager with his estranged wife and fellow deity La Muerte.

He was voiced by Ron Perlman, who is best known for playing The Lich in Adventure Time, Dieter Reinhardt in Blade II, Mr. Lancer in Danny Phantom, Nino, Nicola in Bunraku, Warhok in Kim Possible, the High Mage in the 2003 Teenage Mutant Ninja Turtles cartoon series, Fire Lord Sozin, Sheriff Collie Entragian, the Stabbington Brothers, in Tangled, Reman Viceroy Vkruk in Star Trek: Nemesis, numerous incarnations of Deathstroke (most notably Slade in Teen Titans) Armaggon in Teenage Mutant Ninja Turtles, Bernado in Go Fish, Clayface in Batman: The Animated Series and Bular in Trollhunters.

Xibalba is established as the tyrannical ruler of the Land of the Forgotten, a duty he has grown to hate due to the dreary conditions, especially contrasted with the festive nature of his former lover's domain, the Land of the Remembered. Prior to the events of the film, Xibalba had made a bet wherein he cheated, resulting in not only his ruling state, but also his estranged relationship with La Muerte, with whom he seeks to reconcile.

Determined to escape his role, Xibalba proposes another wager with La Muerte, this time concerning a budding love triangle between two friends, Manolo and Joaquín, and their mutual female friend, María. Xibalba bets that the latter will marry María in the future, with the condition that he shall rule The Land of the Remembered if he wins. So as to ensure a chance at victory, he, in the form of an old beggar, provides Joaquín with the Medal of Everlasting Life, which grants its wearer functional immortality by making them unable to be harmed or killed.

Years later, Manolo and Joaquín both unsuccessfully attempt to woo María when she returns to San Angel. Although, Manolo manages to make a heartfelt connection with her. Determined to not lose the wager, Xibalba summons a two-headed snake and sends it to bite Maria, putting her into a coma-like state, until she would conveniently reawaken once she was with Joaquín. With this, Xibalba, in the same old beggar form as before, takes advantage of Manolo's grief-stricken belief that Maria is dead to manipulate him into accepting his "help" to find María. He has the two-headed snake bite Manolo twice, which does kill him. With Manolo dead and María set to wed Joaquín to ensure the protection of their village, Xibalba declares a victory on the wager. When Manolo goes forth to find La Muerte so that he may find María anywhere, Xibalba is sitting in her stead, where he confesses to Manolo about the wager he made with La Muerte and the first bite that only put Maria into a deep sleep before she was awakened by Joaquin (with the usage of the Medal). It was then Manolo realized that Xibalba cheated on the wager and gets very furious at him for it.

Manolo angrily swears to head over to the Land of the Forgotten to find La Muerte and expose Xibalba to her for his cheating, but Xibalba brushes this off as he heads off to oversee Maria and Joaquin's wedding. In the meantime, the notorious bandit Chakal (who previously had the Medal of Everlasting Life until Xibalba stole it back) is alerted to its presence on Joaquín and declares that his forces will take the village on the Day of the Dead.

Seeing Manolo triumph in the wager, Xibalba is completely speechless and initially upset over his defeat, but decides to accept it and grants Manolo a return to life as promised, so that he may help defeat Chakal and be reunited with María. Seeing both the living and deceased reunited to take down Chakal and his forces, Xibalba abandons his cheating ways and successfully reconciles with La Muerte.

During the frame story, a museum tour guide named Mary Beth guides a group of children to the eponymous Book of Life to tell them the story along with an elderly security guard. In the end of the film, Mary Beth and the security guard are eventually revealed to be La Muerte and Xibalba in disguises, and as the children leave in their bus, La Muerte and Xibalba show out their true forms to share a tender moment with each other.

Angel: It's Xibalba!

Angel flew back and told us Xibalba was coming!

Bart: AY CARAMBA!

Me and everyone went to hide.

Skalamander: Oh, c'mon! I'm in the middle of eating my taco!

Xibalba came and we saw him crying his chaotic dead little heart out.

Nico: He's crying?

Discord: Geez! I don't think I've ever cried that hard.

Xibalba was crying with his eyes pouring out tears like water fountains.

WHAT A BABY!

Eli: Poor guy. I wonder what has him so upset?

Me: I don't know. But my heart is hurting for him.

Carnivac: Hey, Discord. He looks a little like you.

Discord: He does look like me in a sense. Except I am more handsome.

Nico: Xibalba why are you crying?

Xibalba: (WAILING HARD)

He formed his head into a fountain and drenched Nico with his tears.

Nico: HEY!

Discord: I got this.

Discord turned a fountain on Xibalba's head and toned the tears down.

Xibalba: (Calms down) Oh thank you. I'm sorry but I am sad because I am trying to reconcile with La Muerta.

Black Adam: J.D., say the word and we do the entrance.

Me: It's not my turn to lead.

Black Adam: Oh sorry.

Nico: (to Xibalba) What happened? Did you two have a lovers' spat?

Xibalba: You could say that. La Muerta cheated on me.

Nico and SpongeBob gasped!

SpongeBob: [gasps] We've got a [the words appear on the screen with a heart as he says them] LOVE EMERGENCY! [through a megaphone] Attention everyone, we've got a love emergency!

Nico: Tell us everything.

Red Ghost: La Muerta did what?!

Me: SHH!

Red Ghost: Sorry.

?: Xibalba!

La Muerta then came.

La Muerta: (Spanish Accent) I'm glad I found you! I wasn't cheating on you!

Xibalba: Like I would believe that!

Nico: Xibalba let her explain!

Red Ghost: I will tear that…

I was holding onto Red Ghost.

Me: Red Ghost let them talk!

La Muerta: I wasn't cheating on you. I was seeking advice on how to be the perfect wife.

Xibalba: Were you really?

La Muerta: Yes. You are the perfect and only perfect one for me.

Xibalda: Oh miha!

They kissed.

Everyone: Aww!

Sid Arkale: Hang on. This seems a bit too easy.

Rubanoid: You're right. Any minute now, something's gonna happen that will justify our need for an entrance.

Eli: And I think it's happening now. Look.

We saw Xibalba holding his head in pain and then a pitch black aura appeared around him and then it separated from him and out came DARK XIBALBA!

Nico: NOW GUYS!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A red, white and green fiery explosion blasted out of the sky and it had the Eagle of Mexico in the middle of it and then a phoenix cry was heard and the dark techno steampunk masters swirled around it and then we came out!

Nico: Now that was an entrance!

Everyone: OLE!

Catalina: A buena entrance!

Me: Muchas gracias.

Dark Xibalba: Then you will meet your end!

Me: Bring it on!

Nico: YEAH!

2 figures came out and then one drew his sword and I clashed with his sword and it was CAPTAIN HARRISON LOVE! And the second figure came out and it was EL BANDITO!

---

Harrison Love

Harrison Love is the central antagonist of The Mask of Zorro.

He is a sadistic American US Cavalry captain who serves as Don Rafael Montero's right-hand man. When he kills Joaquín Murrieta, his brother Alejandro decides to team up with Don Diego de la Vega, the former Zorro and who was a personal vendetta against Don Rafael. He is the arch-nemesis of Alejandro Murrieta/Zorro.

He was portrayed by Matt Letscher, who also played Eobard Thawne in the Arrowverse and Vincent Shyer in Criminal Minds.

Captain Love killed Alejandro's brother and took his head for his "drink". After this, he joined Don Rafael as the don arrived in California. Together they planned to buy California on the gold mined from its own land in their gold mine. However, Alejandro, seeking revenge, met Zorro, Diego de la Vega, whose main enemy was Don Rafael, as the don had stole his daughter, Elena when she was a baby. Diego trained Alejandro to be his replacement, and together they planned to have revenge on Love and Montero, and to find out what their evil plan was.

When the two Zorros, after many weeks of training and spying, discovered the gold mine, Love told Montero that, as they already had mined all the gold to buy California, they shall need to blow up the mine with the miners, as the mine and the workers would be evidence that they had bought California on it's own gold. So Love and Montero prepared to blow up the mine with many barrels of gunpowder, but suddenly the two Zorros appeared and attacked the evil pair. Love fought with Alejandro, but his enemy eventually overcame him, revealed his identity, and finally impaled Love with his sword. As the dying captain fell to the ground, the huge cart of gold, pushed down from a higher level of the mine by Diego and dragged Montero by a leg, fell over the higher level's edge and onto a screaming Love, crushing and gruesomely killing the evil captain.

Spirit of El Bandito

The Spirit of El Bandito was the disguise of Gustavo, an expert on El Bandito, who wanted his hidden loot.

Two teenagers are watching clouds in a cemetery. After looking at some clouds, one of the teens notices a skeleton desperado with swords, who scares the two. The gang is driving through the desert. Velma says that she's surprised that Shaggy and Scooby said yes to attending a Dia de Los Muertos celebration. Shaggy and Scooby say that Fred told them that Dia de Los Muertos is a big party with music, costumes, and food. They claim they want to eat something called Muertos, which makes Daphne confused and asks Fred, but Fred cuts her off and parks the van. When Shaggy and Scooby arrive they see the decorations and costumes of monsters, they scream and run back into the van. Velma and Daphne berate Fred for not telling Scooby and Shaggy the truth. Shaggy and Scooby are mad at Fred for lying to them but forgive him anyway after Fred mentions he'll buy food.

When they go inside, Velma tells Shaggy and Scooby the point of the holiday. Daphne tries to talk to her deceased ancestors for a sign, then gets hit in the face with a sign from a cookie store. Shaggy and Scooby leave for that store, but not before Fred gives them money. Daphne thinks the sign is a message from her Great Aunt Cookie, who was an outcast of her family. They meet Mayor Rogers, who welcomes them to the celebration and throws streamers everywhere. She asks them to have a good time or else someone named El Bandito will get them. Fred is quickly surprised by this, Mayor Rogers says that two kids were attacked by the Spirit of El Bandito over by cemetery hill, then claims they were just crazy. When Velma asks who El Bandito is, Fred explains that El Bandito was one of the greatest criminals in history. For over 50 years he robbed from the rich and gave to the poor then he robbed from the poor. He had an enormous stash of loot that was never found, but he swore his spirit would return to protect it. Mayor Rogers tells them not to worry, claiming it's just a legend, then warns Fred to stay out of trouble. Fred really wants to solve the mystery, because if he does he will be part of the legend and will be named El Frederico (which means "the Fred").

Meanwhile, Shaggy and Scooby get lost and become scared of the people in costume. They go into a dark alley and ask a mysterious stranger for directions, but the stranger turns out to be the spirit of El Bandito. Meanwhile, Fred, Daphne, and Velma are looking for Shaggy and Scooby, when they crash into a nearby stand. Daphne claims it's a sign from her ancestors, but Velma just says it was just coincidence. Fred asks them what happened, but when Shaggy and Scooby explain Fred just claims that they got spooked by the decorations. The gang heads towards the cemetery, when Shaggy asks why they're here. Fred replies that focusing on the mystery will take their minds off the scary stuff. They find what appears to be El Bandito's boot prints, meaning he was here. They meet Mort, the cemetery's caretaker, who asks what they're doing here. Fred explains that they're investigating the El Bandito sighting. Mort claims he doesn't know what they're talking about, but he lets them take a look around because he can't stop them - legally. They arrive at the tomb of El Bandito, much to Fred's excitement. Velma notices that the tomb is sealed inside and out, while Fred theorises that he'll solve the mystery if he thinks like El Bandito. Then El Bandito himself comes and attacks the gang.

The gang splits up with El Bandito chasing Shaggy and Scooby out of the cemetery and into a hospital. Shaggy and Scooby trick El Bandito by dressing up like a doctor and a nurse and putting him on a hospital table. Shaggy and Scooby ride a trolley down the road and crash into an El Bandito themed stand owned by a man named Gustavo. Fred is intrigued by the merchandise, but Velma states that it may be less than authentic. Gustavo claims that he is the official El Bandito expert, but Fred says otherwise, so they start asking each other questions about El Bandito - his real name, his last words, his crimes, his foot size, his tattoos, and where he hid his treasure, to which Gustavo claims if he knew he wouldn't be selling the merchandise. Mayor Rogers comes and complains about the cemetery incident, but when the gang tries to explain about El Bandito, Mayor Rogers kicks them out of her town. When Shaggy and Scooby try to leave, Fred stops them saying to solve this mystery they need to go undercover.

The gang goes to a costume shop and wears Day of the Dead disguises; with Velma and Daphne as senoritas, Shaggy and Scooby as a bride and groom, and Fred as El Bandito. They arrive at the cemetery party and head to El Bandito's tomb because they only open the tomb once a year on this day. They investigate the tomb and find it dusty, full of offerings, and has El Bandito's actual hat, scarf, and swords. Then the spirit of El Bandito shows up and traps the gang in the tomb with no way out. To their horror, the gang realise the tomb is airtight and they are in danger of suffocation.

El Bandito attacks the party in the cemetery and scares the townspeople. The gang, still trapped inside the tomb becomes depressed at their predicament util Fred looks at El Bandito's hat and scarf very suspiciously. Daphne then figures out what her Aunt Cookie was trying to tell her, by discovering the initials for El

Bandito's real name, which are B.U. Daphne says it means to be yourself, even though it's a stretch. She says that Aunt Cookie had an old saying that meant you can't be something you're not because then you're not you. She encourages the gang to get out of the tomb by using their own skills, to which they all agree. They use El Bandito's sword to prop the door open right before they run out of air, then go after El Bandito.

El Bandito is seen scaring everyone until he is confronted by Fred. Shaggy then swings over, steals his scarf, and gives it to Scooby, who gives it to Daphne, who gives it to Velma who is using stilts. El Bandito has Velma cornered until Fred cuts a rope, which causes a giant El Bandito decoration to fall right on El Bandito. The police and Mayor Rogers arrive who orders the officers to arrest the gang. But Fred tells her to hold on as he unmasks El Bandito who is in fact Gustavo, the resident El Bandito expert. Gustavo studied everything about El Bandito to learn where his stolen loot was hidden, he finally figured out that the secret to finding the loot was hidden in plain sight, inside El Bandito's tomb. But the tomb was only opened one night a year for the day of the dead celebration, so Gustavo decided to dress up as El Bandito to scare away any witnesses. He then hoped to slip into the tomb unseen and grab El Bandito's scarf, which is actually a treasure map to the loot. Gustavo states that his plan was perfect and questions the gang on how they figured it out.

The mystery was solved because Gustavo's plan was too perfect. First, there were boot prints in the cemetery, they were two different sizes just like the real El Bandito's, meaning whoever was impersonating him was a stickler for El Bandito trivia. But what brought it all together was when Fred noticed that the scarf in the tomb wasn't covered in dust like the sombrero, because it had been recently replaced with a new cheap knock off from Gustavo's novelties. The police arrest Gustavo, then Fred claims he wouldn't have gotten the loot because Gustavo never figured out that El Bandito's swords were the keys to the treasure. The skull marks on the swords match the skull mark on the map. Fred then flips over Gustavo's stand revealing a door and uses the swords to unlock it, which reveals El Bandito's stolen loot. After Mayor Rogers gleefully claims the loot, Velma congratulates Fred for solving the mystery, which makes Fred feel good.

Me: Captain Harrison Love! But you died a long time ago!

Captain Love: You will die first!

Me: And the Spirit of El Bandito!

Twilight Sparkle: What was he known for?

Me: He was really Gustavo. He was known for wanting to steal the loot of the REAL El Bandito all for himself.

Qin: Yep.

Then a figure came out and kicked Captain Love in the face and to my surprise it was ZORRO!

Me: Oh wow! Zorro!

Captain Love: YOU!

Nico: AWESOME!

Zorro: (Spanish Accent) Looks like the dead man is walking.

Webstor: It's an honor to meet you, Zorro.

Nico: Looks like we're gonna have awesome usual battles and kill three of Mexicos most dangerous enemies.

Supernova Zap: Hey, Discord! How about doing some tricks against Dark Xibalba?!

Discord: You got it!

He formed into a whoopie cushion and farted fire in his face.

We laughed hysterically!

Then he fired nuclear hot chili peppers and they went into Dark Xibalba's mouth and he bursted into flames and he screamed in pain!

Steam Smythe: (laughs) Now, do one involving a coconut! (to Patrick) Think of it as a way to make up to you for yesterday.

Patrick: Thanks.

Discord: Coming right up!

He turned into a palm tree and then dropped 5 coconuts onto Dark Xibalba.

CLANG! CLANG CLANG CLANG CLANGCLANG!

They hit Dark Xibalba on his head!

Patrick: DAHAHAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 5 COCONUTS!

HAHAHAHAHAHAHAHAHAHAHAHAHA! THAT'S FUNNY!

Ed: My turn!

Ed came back and he was carrying an empty house!

Ed: Lots of hurt, hold the onions!

Then…

CRASH!

Ed smashed Dark Xibalba with the house.

Dark Xibalba: OW! Okay. I'm hurt now!

Sinnertwin: Finally, you should sic on him the porcupine that Maria had this morning.

Discord: Coming right up!

Discord turned into a porcupine and Maria let the porcupine she had loose and they both hit Dark Xibalba with their quills and they hurt like you wouldn't believe!

Dark Xibalba: EEEEEEEEEEEYYYYYYYYOOOOOOOOOUUUUCCCCCCCCHHHH!

Me: That's good.

Amora the Enchantress: (to me) We heard you dealt with Maxie Zeus.

Me: We sure did. We saw him in the dream world but not in real life and he got a taste of his own medicine.

Spymaster: That guy had too much muscle and not enough brains.

Me: He actually had a really messed up brain. All that power he had while pretending to be Zeus destroyed his sanity.

Spymaster: That makes sense.

Me: And I see why you have El Jefe, The Golden Eagle Twins, Zoey Aves, El Diablo, Django, Madam Argentina, Titanium Titan, Bane, El Oso and The Dinosaur Spirit of El Oloroso with you all. To honor their heritage and traditions of Mexico.

Skarf was next.

Skarf: You all enjoying Mexico so far?

Nico: Boy are we ever. This is gonna be so fun.

Nico teleported and opened Skarf's safe and in it was a bunch of swords for Allie Knudson and The Loud Kids. They were called The Destroyers of The Twisted Princesses, they're a very massive collection of swords with the anti-Twisted Princess symbol etched on the 6'5", massive, wide, double-edged blades, large dark angel wings for the crossguards, large red gems for the hilts, longer black handles, and large black faceted sphere pommels with surrounding red gems. Once acquired, these swords will merge with your current weapons, and you'll gain a massive power and energy increase, and one hit or swing with these bad boys will mean mega damage dealt onto the Twisted Princesses.

Nico: AWESOME SWORDS! These are perfect for destroying the Twisted Princesses.

Nico teleported back.

Samurai Rangers: IT'S MORPHIN TIME! SAMURAIZER! GO GO SAMURAI!

Antonio: SAMURAI MORPHER! GOLD POWER

They transformed!

Jayden: "Samurai Ranger Red!

Lauren: "Female Samurai Ranger Red!"

Kevin: "Samurai Ranger Blue!"

Mia: "Samurai Ranger Pink!"

Mike: "Samurai Ranger Green!"

Emily: "Samurai Ranger Yellow!"

Antonio: "Samurai Ranger Gold!"

All: "Rangers Together, Samurai Forever! POWER RANGERS SAMURAI!"

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready for action!

Megaforce Rangers: LEGENDARY RANGER MODE! SAMURAI!

The Megaforce Rangers turned into the Samurai Rangers too!

Nico: Lets get him! FIRE SMASHER CANNON MODE!

Jayden: Here we go!

Jayden had his Fire Smasher in Cannon mode!

Nico: Here Jayden!

Nico gave him a new disk for the Mermaid and the rangers loaded their disks.

Nico: FIRE!

They fired waves of elements and energy and it formed into a mermaid and the blasts all hit Skarf and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Skarf was dead again!

Nico: Oh yeah! Skarf you have failed this city again.

Jayden: Samurai Rangers, Victory is ours.

Troy Burrows: Rangers that's a Super Mega win.

* * *

We regrouped and we were facing Dark Xibalba, Captain Harrison Love and The Ghost of El Bandito.

Nico: Time to take these diablos down!

Me: With pleasure!

Emma: Sorry. You're not celebrating Day of the Dead. Because you WILL be dead.

Megaforce Rangers: Legendary Ranger Mode: Mystic Force!

The Megaforce Rangers turned into the Mystic Force Rangers.

Nico: Muchacos, ATTACK!

We went at them.

Me and Zorro were clashing with Harrison Love.

CLANG CLANG CLANG CLANG!

Me: Only one question.

Captain Love: Really. What's that?

Me and Zorro: How would you like to have our swords through your gut?

CLANG CLANG CLANG CLANG CLANG CLANG!

We were clashing all over with incredible fury. Sparks were flying all over.

Me: No wonder Zorro gave you such a hard time all those years ago,

I saw the M shaped cut Zorro left on him.

Me: Nice that Zorro left his mark on you. Now here's mine.

I carved a Star of Satan into the middle of his forehead.

Me: The Star of Satan, it's to let the devil know that we both sent you.

Captain Love: 3 men, 2 DEAD!

We clashed ferociously! Captain Love was out of his mind with fury and hatred towards us and we clashed all over. The people of

Mexico were cheering wildly for us as we clashed.

CLANG CLANG CLANG CLANG!

Nico and El Bandito were clashing all over the place.

CLANGCLANGCLANG CLANG CLANG! CLANG CLANG!

Nico: For a dead guy you fight well!

Nico then slashed him and then kicked his head off and killed him.

Me and Zorro were still clashing with Captain Love.

I kicked Captain Love in his face and then me and Zorro stabbed him all the way through his black heart!

Me: (Speaking in Spanish) Nos vemos en el infierno mi viejo amigo. (See you in Hell my old friend.)

Captain Love fell over dead in an instant and then his blood poured out all over the place.

Zorro: Well done J.D. You've learned really well in your skills.

Me: You would be amazed at how far my adventures have come.

We then went at Dark Xibalba. Discord and Xibalba were watching the fight and eating popcorn.

Xibalba: Wow! What a show!

Discord: It is really fun to see.

Seeryn blasted Dark Xibalba with blasts of fire and burned him all over.

We punched and kicked Dark Xibalba all over the place with incredible fury!

POW! SMASH! BLAM! BIFF! CRACK! SMACK! THOTH! ZONK! KATOW! BASH!

Me: SNIFF ON THIS!

I pointed my butt at Dark Xibalba and then…

FFFFFFFAAAAAAAAAAAAAAAARRRRRRRRTTTTTTTTTTTT!

I fired a massive blast of blue fire from my butt and it burned him all over.

Windcharger, Fabia, Sunstorm and Splash Woman used the Earth and Neathia Cyber Planet Keys and they enhanced Windcharger's Magnetism, Fabia's light powers, Sunstorm's Missile Launchers and Splash Woman's laser trident 100-fold.

Windcharger and Fabia: MAGNETIC LIGHT BURST!

Sunstorm and Splash Woman: LASER MISSILE MEGABLAST!

Sunset Shimmer, Pepperdance, Cayenne, Firecracker Burst, Wallflower, Pip-Squeak, Gusty the Great, Fire Skylanders, and Fire Lori: FIRESTORM INFERNO BURST!

They fired blasts of energy and missiles and fire.

Skalamander, Ronnie Anne, Casagrandes, Mary Beth, Speedy Gonzales, El Tigre, Frida, Zoey Aves, Golden Eagle Twins, El Oso, Titanium Titans, Madam Argentina, Catalina, Zorro, Bart Simpson and Bobby: MEXICO JUSTICE MEGABLAST! ARRIBA!

They fired waves of red, white and green fire and they formed into the Mexico Coat of Arms Eagle.

Lincoln: LETS DANCE! ARRIBA! MEXICAN MUSIC LIGHTNING STYLE: CUP OF LIFE!

They fired waves of elements and they formed into the music notes of said songs.

Lincoln and his harem: MEXICAN MUSIC FINAL SMASH: MARIACHI NOTES BLAST BARRAGE!

They performed Mariachi and as they fired elemental energy blasts and music notes started showing up and they flew at Dark Xibalba and they exploded on contact.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Dark Xibalba was completely obliterated in the explosion!

But then we heard a voice.

?: You will all pay for what you did to Dren!

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, and the eight large purple orbs orbiting around Menat's legs were glowing, and that means big trouble was coming.

Zoey Hanson: Oh no, I was hoping never to hear that voice ever again. You can come out now, Tarb.

A figure came out, and it was none other than Tarb, one of Dren's followers.

Me: So, that's Tarb, and when he mentioned Dren, I'm guessing he's one of Dren's followers.

Zoey Hanson: That's right, J.D. Tarb, like Dren, wanted to take back Earth, and kill every last human here on Earth.

Liam: I've had it up to hear with that sidewinding, lowdown, sack of fur to last an eternity!

Suddenly, we'd felt something snap in Liam's mind, as his eyes had turned neon marine blue, and he was surrounded by a marine blue energy aura with ice crystals and snowflakes, he'd unholstered his massive Defender of Ice sword from his back and the air turned really cold, and as he'd approached Tarb, he left marine blue energy, ice crystals, and snowflakes with every step.

Liam: Tarb, what you and Dren have tried to do in taking over our planet and wipe out every last human on Earth is unforgivable, and for that, I will make sure that you and Dren are both sent to Oblivion for good!

Liam screamed like a madman, as he was surrounded by a massive vortex of marine blue energy with ice crystals and snowflakes surrounding the vortex, there was an ice dragon flying around the vortex, and inside the vortex was an ice blue phoenix. Then, as the vortex faded, Liam emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Liam grew to 7'0" in height, like Lincoln, Lynn Sr. and Duke Lincoln, he now has abnormally large and powerful upper and lower body muscles and eight-pack abs, he now has neon marine blue eyes and a neon marine blue energy aura with ice crystals and snowflakes surrounding him, his orange hair grew and it reached the bottom of his neck and he has neon blue highlights in the bangs, the gap right in between his teeth was filled is as a new adult tooth grew in to fill it, he has a Yuki-Onna holding the Snow Kanji in her hands emblazoned on his forehead, he has on snow dragon earrings with the Snow Kanji in its claws and a necklace with an Ice Dragon with the Snow Kanji in its claws for the pendant across his permanently bare chest. Liam has massive marine blue angel wings surrounded by cold air and snowflakes for his new body.

Liam has on his new large cuff Bracelets of the Champions of The Universe with marine blue gems on his wrists. Liam also has on the same wardrobe as Lincoln, but his version of He Man 2002's loincloth is marine blue, he has on long marine blue trenchcoat flaps held up by his new Belt of Elemental Bravery with large marine blue gem for the belt buckle on his waist and his Eater of Sins revolver holstered on his right hip, he has large marine blue weighted bands on his large biceps and thighs, large blue pants with snowflakes and ice crystals, large black leather ankle-high combat boots with silver armor on the toes, and he has eight large marine blue orbs orbiting around his legs.

There was a Yuki-Onna and an Ice Dragon and a marine blue kanji tattooed on Liam's wider and more muscular back, and the marine blue kanji below the Yuki-Onna and Ice Dragon said, "Liam Hunnicutt, Hardworking Farmer of Gotham Royal York, Awesome Friend of Lincoln Loud, Clyde McBride, Rusty Spokes, Zach, and Stella Zhau, Awesome and Loving Boyfriend of Carmen Rockell, Master of Ice, Snow, and Thundersnow."

リアム・フニカット、ゴッサム・ロイヤル・ヨークの勤勉な農夫、リンカーン・ラウドの素晴らしい友人、クライド・マクブライド、ラスティ・スポーク、ザック、ステラ・ザウ、カルメン・ロッケルの素晴らしい愛情のあるボーイフレンド、氷、雪、雷雪のマスター

Liam Hunnicutt has transformed into SUPER ANGEL 750,000,000,000 SUB-ZERO THUNDERSNOW ICE DRAGON ANGEL OF HOPE AND JUSTICE!

We were amazed by Liam's Super Angel 750,000,000,000 transformation, and when Carmen saw that Liam had become a handsome and muscular hunk, her face turned atomic red and her eyes turn into hearts, and she had steam whistling out from her ears. But, when Tarb saw it, he went into a black rage and his eyes turned red with hate.

Lincoln: Whoa, Liam's transformed!

Nico: You said it, Major. (To Liam) Liam, how do you feel?

Liam: (Divine Echoing Thundersnow Voice of Hope) **I feel incredible, Commander Nico, and now, I'm going to hogtie this sidewinding, low-down fleabag, and send him packing to Oblivion for good.**

Lincoln: Need some help in putting him down, Liam?

Liam: **Sure, Linc, the more the merrier.**

Lincoln transformed into Super Angel-Ebonwu Infinity Elemental Thundersnow Buffalo Angel of Frozen Lightning Justice, and unholstered his massive Sword of Taranis from his wider muscular back, and he joined with Liam.

Lincoln: (Divine Echoing Cosmic Thundersnow Elemental Voice of Justice) **Let's get that sidewinding, low-down monster, Liam.**

Liam and Lincoln went after Tarb, and they fired powerful blasts of neon blue energy blasts, elemental blasts, and massive blasts of ice, snow, and ice lightning, and they hit Tarb, and they'd exploded with incredible power.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Then, with their massive swords, Lincoln and Liam slashed off Tarb's arms, and he'd screamed in excruciating pain.

Liam Hunnicutt: **You ready to end it with one powerful combo, Linc?**

Lincoln: **(Divine Echoing Cosmic Thundersnow Elemental Voice of Justice)** You bet. Let's do it, Liam.

Liam and Lincoln: **This is the end for you and Dren, Tarb! DIVINE THUNDERSNOW KAMEHAMEHA!**

Liam and Lincoln fired two massive icy Kamehameha waves with ice lightning, snow, and ice around the massive energy waves, and as they hit Tarb, the energy waves exploded with incredible power, and the resulting explosions killed Tarb, and not only did it Super Hakai Tarb's spirit, but it also Super Hakaied Dren's spirit that was imprisoned in The Book of Vile Darkness.

We cheered for what Liam and Lincoln did, as they holstered their massive swords on their backs and powered down, but Liam's new clothes, and weapons were permanent.

Lincoln: That was so awesome, Liam. You definitely gotten a lot stronger in those past five years.

Liam: Aw, thanks, Lincoln.

Liam and Lincoln high-fived, and they had ice, snow, and ice lightning coming from their hands. Then, Carmen Rockell walked right up to Liam, and Liam responded as he picked Carmen Rockell up in his powerful muscular arms, and they shared a passionate kiss as we cheered for them, Lincoln and Maria Rockell, especially.

Carmen Rockell: (Seductively and rubs her right hand on Liam's right pec) And I also like what'd happened to you, Liam. You've now become quite a man.

Liam: (Laughing) Aw, you're making me blush.

Carmen Rockell: (Seductively) Oh, trust me, you'll be doing a lot more blushing in the future, Liam.

Lincoln: Uh oh.

Maria Rockell: Looks like we're both going to keep an eye on them in the future, right, Lincoln?

Lincoln: You got that right, but for now, why don't we let them enjoy their romantic moment.

Nico: You said it, Linc. After all, they've gotten this far in the last five years, and their romance has now blossomed into true love.

Me: You got that right commander. But Dark Xibalba, Captain Love, El Bandito and now Tarb are all dead.

Nico: You got that right. We won!

Everyone all over Mexico cheered wildly!

Catalina: Thank you all for your help.

Dirty Bubble: It was our pleasure.

Brain: We weren't about to let someone ruin the Day of the Dead.

Swordsman: And we still got to have fun.

Dr. Destiny: (to Xibalba and La Muerta) Now, you two behave yourselves.

Xibalba: Don't worry. We will.

Onyx: (to the porcupine) By the way, we never got your name.

Maria: Oh this is Lotus. I found him on the road and nursed him back to health. He has been a big help since then.

Onyx: Wow.

Nico: Awesome. Lets get back to the party!

We got to celebrating and it was great! We had great dancing and great food and everything. It was so much fun!

Skalamander: (To the viewers) This was an awesome Day of The Dead for us and I hope you all have a great Day of The Dead too.

Nico: I know we all will.

We later went back home and we had a good sleep for the night.

THE END

---

Another awesome fanfic done.

This chapter was for the 2014 movie The Book of Life and I never saw the movie but it was great from what I saw. The first part of the chapter was for the Batman episode called Fire From Olympus and that was a really strange episode. Maxie Zeus was a disturbed criminal. The second part was for the 1984 movie Nausicaa of the Valley of the Wind. Never saw that movie but I heard it was good. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts and the guest reviewer gave me the ideas for this. Thanks guys. The next rescue for me is gonna be in the world of Sailor Moon and we're going to face Rubeus of the Negamoon who has come back for Revenge on me and we are going to fight him on his ship in the sky. Me, Eli, Allie, Missy, Maria, Sailor Venus, Erica, Simone, Miranda and the Stakataka Gene-Slammer are going to face him as well as rescue an AncientMermaimon Gene-Slammer named Marie Kosmodemyanskaya and she is another friend of Nico that was on the Swim Team before he moved away. Sailor Venus is gonna transform on my rescue as well so I'm gonna need the help of the guest reviewer for that. Also we're going to meet a Queen Angel of Roses. For Lincoln's Rescue it's going to be in the world of Sherlock

Hound, another great work of Hayao Miyazaki, and based on the novel created by Arthur Conan Doyle, but the characters of the anime series are anthropomorphic species of dogs, and not only is Lincoln going to rescue the girls there, but you guys are also going to meet Sherlock Hound, Dr. Watson, Inspector Lestrade, and Mrs. Hudson, and take down Professor Moriarty and his gang, but instead of killing them, we'll put them in Containment Cards. The next chapter is gonna be for the awesome show The Zeta Project and we're going to meet Zeta, a robot that has the power to disguise himself to look like anyone and is armed with lots of weapons and we're also going to meet his friend Ro. And we're going to stop the agents of the NSA that are after him.

See you all tomorrow

# Zeta and Kobra

In Japan, me, Allie, Missy, Maria, Eli, Erica, Qin, Simone, Miranda, Sailor Venus and Alana the Stakataka Gene-Slammer were flying over the city.

Alana Vongphachanh: (Lao Accent) This is Serena's world, right?

Alana concentrated and groaned as her hair fell out.

Me: She's from Japan. So her world has always been on our Earth.

Alana turned into Stakataka!

Allie Wilde: Whoa what's that up there!?

We saw a ship of The Negamoon!

Maria: That's a Negamoon Ship!

Me: And it looks like the next rescue is gonna be on it. Lets go!

We flew at it.

Missy: That ship looks like a crystal star.

Erica: Also who are the Negamoon?

Me: You would not like these guys. They are from the 30th Century.

I went over their history.

---

The Black Moon clan was originally an extremist group who believe that the world order brought about by Neo Queen Serenity is subjugation and that the Legendary Silver Crystal extending the life of every human was against the natural order. The group attracted the attention of Wiseman who guided them to Planet Nemesis where they acquire the Malefic Black Crystal and powers to enact their desire to purge Earth of the White Moon's "poisoned influence".

The transition resulted in its members gaining black, upside-down crescent markings on their foreheads (the inverse of the marking of the Silver Millennium), with most wearing earrings made from the Black Crystal.

The group's initial plan was using the time traveling abilities of the Malefic Black Crystal to travel to 20th century Tokyo and alter history to their ideals. But their leader Prince Demand caused the chain of events that led to also hunting down Chibiusa when she escaped into the past with the Silver Crystal of her time.

Eventually, the members all die with Demand the last member as he learns that Wiseman used them all for his own agenda. In the 90s Anime, the Specter Sisters survived and reformed.

---

When I was finished they were shocked!

Eli: Oh man! Looks like we're going up against one of them that has returned.

Sailor Venus: I hope it's not who I think it is.

Me: If it is, then he will pay.

We flew at the ship.

In the ship Rubeus was enraged as his plans were being destroyed. Then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the wall of the ship and a phoenix cry was heard and then we came in.

Me: Hello Rubeus. Nice to see you again.

Missy: Hi there! You must be Rubeus. Tell me. Did you come here to see the sights of Japan?

Rubeus: That's right and I'm going to kill you all again!

He fired a massive blast of dark energy at her and I jumped in and deflected the blast back at him and it hit him and knocked him down.

Me: Didn't your mother ever teach you any manners about how to respect women?

Rubeus: J.D. Knudson. Now I can kill you for how you killed me and the Negamoon!

Me: You brought all that on yourself! You paid for your crimes just like all the Negamoon did for their terroristic beliefs!

Rubeus: SHUT YOUR TRAP!

Me: Make me!

He fired a massive blast of dark energy at me and I fired a Rainbow fire blast and the blasts collided and exploded with incredible power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I flew and popped out of the smoke and punched Rubeus in the face and sent him crashing into the wall!

Rubeus: MY FACE! (ENRAGED SCREAMING!) YOU RUINED MY BEAUTIFUL FACE!

Me: (Taunting) Aww boo hoo. Did I damage your looks?

Missy: Here's why you should never disrespect women! (kicks Rubeus in the groin)

DING!

Eli: (Winces) OOH! That's gonna hurt!

Missy: And here's for good measure!

Missy fired an energy ball and it hit Rubeus in the chest and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared, the explosion blasted a hole in his chest and we heard heartbeats. The explosion exposed Rubeus' black heart to the open!

Missy: Dammit! Too bad Nico's not here. He would've loved to eat Rubeus' heart!

Me: I don't think it would taste very good. He has been made rotten by his own ego!

Rubeus: YOU HAVE SOME NERVE MAKING ME INTO A JOKE!

I smirked like Vegeta does.

Me: Maybe it's because you have no good taste.

Rubeus: (ROARS IN FURY AND RAGE!)

He fired a massive black energy blast at me and I fired a rainbow fire blast and the blasts collided and exploded with incredible power!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Eli fired a massive blast of Force Lightning and electrocuted Rubeus all over and he screamed in excruciating pain and then an AncientMermaimon appeared and so did a Queen Angel of Roses and they fired waves of water and flowers and slashed him all over and smashed him down.

AncientMermaimon: (Russian Accent) That will hurt him all over.

Qin: That voice. Marie? Is that you?

Marie Kosmodemyanskaya: Qin, Missy, Erica?

They hugged her.

Marie Kosmodemyanskaya: It's great to see you all here.

Erica: We missed you.

Missy: Same with Nico.

Marie Kosmodemyanskaya: I missed you girls and Nico too. I'm now an AncientMermaimon.

Me: This is an awesome transformation for you.

Queen Angel of Roses: I agree and it's an honor to meet you J.D.

Me: Same to you.

Suddenly, Sailor Venus' eyes turned neon blue, and she was surrounded by an orange energy aura with stars and orange nebulae surrounding her, and as Sailor Venus approached Rubeus, she had left stars, orange nebulae, and orange energy with every step.

Sailor Venus: Rubeus, I will never forgive you for the crimes that you and the Negamoon Clan have committed. You never could stay dead for long, but this time, I will put you down for good, and send your evil soul to Oblivion for good.

Then, Sailor Venus was then surrounded by a massive vortex of orange energy with stars and orange nebulae around the vortex, there was a phoenix with reflecting stars and orange nebulae flying around the vortex, and inside the vortex was an orange phoenix. Then, as the vortex faded, Sailor Venus emerged, but she was changed forever.

Sailor Venus grew to 5'11" in height, she had the body of a goddess, she has a cat with The Crescent Moon emblazoned on her forehead, she has large orange angel wings for her new body, she had on cat earrings with the Star Kanji in its paws and a necklace with a cat holding the Star Kanji in its paws for the pendant, she had on a sleeveless white blouse with an orange phoenix, blue blouse with stars on it, orange high heels, a sleeveless orange trenchcoat with orange stars and orange nebulae on the coattails and the crescent moon on her back. She had a large sword in her hand called The Sword of Venus, it's a large sword with the astrological sign of Venus etched on the 6'5" massive, wide, double-edged blade, large orange angel wings for the crossguard, large orange gem for the hilt, longer black handle, and a large faceted orange sphere pommel with surrounding orange gems. Sailor Venus now has on her new Bracelets of The Champions of The Universe with orange gems on her wrists, Belt of Elemental Bravery with large orange gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her right hip. There was a gold kanji on the back below the crescent moon that said, "Mina Aino also known as Sailor Venus, Sailor Soldier of Venus, Master of The Stars and Space, Friend of Team Loud Phoenix Storm, and Destroyer of Queen Beryl."

愛野美奈は、セーラーヴィーナス、ヴィーナスのセーラーソルジャー、スターアンドスペースのマスター、チームラウドフェニックスストームの友、ベリル女王の駆逐艦としても知られています。

Sailor Venus has transformed into SUPER ANGEL 750,000,000,000 CELESTIAL STELLAR BEAUTY VENUS STAR ANGEL OF LIGHT, LOVE, JUSTICE AND HOPE!

We were amazed by Sailor Venus' 750,000,000,000 transformation, but when Rubeus saw it, he fell into a black rage, as his eyes turned red with unimaginable hatred.

Me: WHOA! Mina you look amazing!

Eli: Awesome! Mina how do you feel?

Sailor Venus: (Divine Echoing Cosmic Voice of Light) **I feel amazing Eli. This power is more than enough to destroy this monster.**

Me: Show no mercy on him.

Sailor Venus: **With pleasure.**

She went at Rubeus and slashed and blasted him all over with her sword and she blasted him with light and energy and smashed him down.

Then she kicked him in the face and smashed him down.

Me: AWESOME!

Marie Kosmodemyanskaya: Wow! You guys have amazing power.

Eli: Yeah we trained a lot.

Me: Lets get back to Earth so we can revert you back Marie.

We did so.

We were on a building and then I put on my blind man glasses and Eli covered his eyes and I snapped my fingers and Marie and Alana were reverting back.

Alana: (regains her hair) Marie, did you miss Nico?

Marie: I sure did and it will be awesome to see him again.

They both were back to normal and naked and Maria gave them new clothes.

Marie: Wow I look awesmoe!

Missy: Marie it's great you're back to normal!

Missy, Erica and Qin hugged her.

Simone: We have a lot to tell you.

Miranda: Boy we sure do.

Marie: (holds head in pain) No fair! I just got these clothes!

Simone: Reign the power in with the strength of your will Marie.

Miranda: That's right. We did it and so can you.

Marie concentrated and then she glowed in a neon aqua blue aura and she was fully engrafted.

Eli: Whoa look at the ship!

We then saw the entire ship explode!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Alana: Whoa! Good thing we got out of there.

Maria: He tried to blow the ship up and try to take us with it.

Me: Thank goodness we were on to his plan.

Sailor Venus: Yeah we sure were.

Me: Nice try Rubeus. But like before, you deserve to be dead.

Missy: To quote Nico, Rubeus of the Negamoon…

Missy, Qin and Erica: YOU HAVE FAILED THIS UNIVERSE!

We laughed.

We went back to the estate and told everyone about what happened and Nico was so happy to be reunited with Marie.

---

After getting rid of Rubeus for good, Lincoln, Me, Nico, Eli, Nicole, Laney, and Nuju were heading to the world of Sherlock Hound, and not only is Lincoln going to rescue the eleven girls there, but we're also going to meet Sherlock Hound, Dr. Watson, Inspector Lestrade, and Mrs. Hudson, and take down the criminal mastermind, Professor Moriarty and his gang, and put them in Containment Cards.

Lincoln: Wow, we're in the world of Sherlock Hound set in 19th Century London, and I think I know what we're going to do here, not only am I going to rescue the eleven girls there, but we're also going to meet Sherlock Hound, Dr. Watson, Inspector Lestrade, and Mrs. Hudson, and take down the criminal mastermind, Professor Moriarty and his gang, and put them in Containment Cards.

Me: That's right, big guy.

Laney: It's amazing to think that this anime series is based on the classic novel made by Arthur Conan Doyle. But, the characters in this series are anthropomorphic species of dogs.

Nico: And let's not forget that the characters from The Great Mouse Detective were also based on the characters from Arthur Conan Doyle's novel, as well.

?: Ah, I see that you've arrived at last, Team Loud Phoenix Storm.

We turned around and we were greeted by Sherlock Hound, a handsome anthropomorphic Welsh Corgi and well-known private detective, his assistant, Dr. Watson, who's an anthropomorphic Scottish Terrier, Inspector Lestrade, who's the Inspector of Scotland Yard and an anthropomorphic bulldog, and Mrs. Hudson, the landlady of Sherlock Hound and Watson, and a beautiful anthropomorphic golden retriever.

Me: Sherlock Hound, Dr. Watson, Inspector Lestrade, and Mrs. Hudson. It's a pleasure to meet you.

Sherlock Hound: That's correct, J.D., and it's a pleasure to meet you all too.

Dr. Watson: What brings all of you here?

Lincoln: We're here to take down Professor Moriarty and his gang once and for all.

Sherlock Hound: And taking them down, you intend to put them into Containment Cards and lock them away for good, am I correct?

This amazed us, but since this is an anthropomorphic version of Sherlock Holmes, we expected this.

Laney: Yes, that's correct.

Inspector Lestrade: And where do you intend to put them?

Nico: We have space prisons in our world, and those are reserved for the types of criminals that we encounter, Inspector.

Sherlock Hound: I must admit, that's impressive.

?: HELP!

Suddenly, Lincoln heard the sound of eleven girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the eleven girls, but they've been cornered by Professor Moriarty and his gang.

Lincoln: Guys, I found the eleven girls, but they've been cornered by Professor Moriarty and his gang. Come on, let's go.

We rushed on over, and as soon as Professor Moriarty and his gang saw us, this sent Moriarty into a bit of a panicked state.

Professor Moriarty: Agh, Team Loud Phoenix Storm, here?!

Lincoln: That's right, Moriarty, and we're taking you and your gang down for good. Your crime spree in London ends here and now.

Lincoln fired neon blue energy blasts, which hits Moriarty and his gang, and imprisoned them inside the Containment Cards, and they couldn't escape.

Nico: Whoa, Lincoln, what did you do?

Lincoln: I made my own technique based on the Judgement Mode on the SPD Morphers, and when I fired those energy blasts, they hit Professor Moriarty and his gang, and imprisoned them inside the Containment Cards, and they can't escape.

Me: Nice one, Linc.

Mrs. Hudson: I've got something to keep them secured, when we return home.

Mrs. Hudson gave Lincoln an empty jewelry box, and we put the Containment Cards that had Moriarty and his gang trapped in them inside the box, and locked them inside. Then, Lincoln and I went up to the eleven girls located here, and when Lincoln saw them, he immediately recognized them. The eleven girls were Himeno Kimihara the Centaur, Manami Mitama the Angel, Kyouko Naraku the Satyr, Nozomi Gokuraku the Imp, Miura the Mermaid, Nao Katsura the Cat Girl, Towako Yachiyoda the Angel, Ruru Shizuura the Mermaid, Inukai Michi the Alicorn, Fukami the Mermaid, and Eri the mermaid from A Centaur's Life.

Lincoln: Oh wow, it's Himeno Kimihara the Centaur, Manami Mitama the Angel, Kyouko Naraku the Satyr, Nozomi Gokuraku the Imp, Miura the Mermaid, Nao Katsura the Cat Girl, Towako Yachiyoda the Angel, Ruru Shizuura the Mermaid, Inukai Michi the Alicorn, Fukami the Mermaid, and Eri the Mermaid.

Me: From A Centaur's Life, awesome, and those girls are just like Miia and her friends.

Lincoln: Are you girls okay?

Himeno Kimihara: Yeah, we're okay, thanks to you.

Then, when Himeno Kimihara and the other ten monster girls saw who it was that saved them from Professor Moriarty and his gang, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of

The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Himeno Kimihara: Oh wow, you're you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Himeno Kimihara: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and we now had Sherlock Hound, Inspector Lestrade, Dr. Watson, and Mrs. Hudson as our new members. And as for Professor Moriarty and his gang, who were still imprisoned in the Containment Cards, they've been sent to the Uranus Prison, and the jewelry box containing them inside was put into a special safe, where they'll remain there for the rest of their lives, and they'll never be set free again.

After taking down Professor Moriarty and his gang, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

Then, Lincoln, Saya Takagi, Rei Miyamoto, Saeko Busujima, Shizuka Marikawa, Nami Koishikawa, Chisato Yamane, Jeanne D'Arc, Mai Tsurugino, Luluco, Ingrid (Taimanin), Uehara Kitae, Fang Bai Hua, Akiyama Rinko, Tillis, Lalah Sune, Honey Kisaragi, Lady J, Rain Hasumi, Wonder Momo, Motoko Kusanagi, Tulip Olsen, Yoko, Diana Lombard, Ayaka Kagari, Machiko Mai, and Aqua (Konosuba) were about to go on their date to Lake Lamode from Super Mario Odyssey.

Lincoln was dressed in large orange swim shorts with a thunderbird and elemental forces, Saya Takagi, Rei Miyamoto, Saeko Busujima, and Shizuka Marikawa were dressed in two-piece bikinis in their favorite colors and with bullets on them, Nami Koishikawa and Chisato Yamane were dressed in two-piece bikinis in their favorite colors with stars on them, Jeanne D'Arc was dressed in a white two-piece bikini with a golden cross on it, Mai Tsurugino was dressed in an orange two-piece bikini with the sun on it, Luluco was dressed in a two-piece red bikini with stars on them, Ingrid (Taimanin) was dressed in a purple two-piece bikini, Uehara Kitae was dressed in a red two-piece bikini with bats on it, Fang Bai Hua was dressed in a vermillion red two-piece bikini with leaves on it, Akiyama Rinko was dressed in a two-piece purple bikini with hearts on it, Tillis was dressed in a two-piece red bikini with gold phoenix on it, Lalah Sune was dressed in a white two-piece bikini with a Gundam symbol on it, Honey Kisaragi was dressed in a two-piece white bikini with a red phoenix on it, Lady J was dressed in a blue two-piece bikini with the moon on it, Rain Hasumi was dressed in a black two-piece bikini with a red phoenix on it, Wonder Momo was dressed in a white two-piece bikini with a pink phoenix on it, Motoko Kusanagi was dressed in a two-piece black bikini with the Public Security Section 9 symbol on it, Tulip Olsen was dressed in a two-piece green bikini with tulips on it, Yoko was dressed in a white two-piece bikini with an orange phoenix inside it, Diana Lombard was dressed in a purple and pink two-piece bikini with flowers on it, Ayaka Kagari was dressed in a black two-piece bikini with flames on it, Machiko Mai was dressed in a red two-piece bikini with flower petals on it, and Aqua (Konosuba) was dressed in a blue two-piece bikini with ocean waves on it.

Lincoln: Alright, girls, shall we?

Diana Lombard: Of course, Lincoln.

Lincoln and the girls head out of the Estate, and they head for their destination: Lake Lamode from Super Mario Odyssey. Once they arrive in Lake Lamode, it was a beautiful place with clear waters and an underwater kingdom.

Lincoln: Wow, this place is beautiful.

Diana Lombard: It sure is, next time, you can bring Lily the Mermaid and Ariel's sisters with you, they are going to love this place, Lincoln.

Lincoln and the girls went swimming in the crystal clear waters, and they also met the residents there and they heard about our adventures from Mario, and they were impressed by our deeds. Then, they took pictures with their waterproof cameras, and they continued having their fun.

Then, a few hours later, Lincoln and the girls came home, and they also showed us pictures of Lake Lamode, and we were amazed.

Me: Wow, this place sure is amazing, Linc.

Lincoln: It sure is, and the residents of Lake Lamode heard about our deeds.

Nico: Wow, that's incredible.

Lincoln: And don't worry, next time, I'm bringing Lily the Mermaid and Ariel's sisters for our date, and I'll also bring the Neptune Crusaders and everyone else, so you guys can see the place.

Lily Loud: That's a good idea, Linky.

Lori: And it literally sounds like another vacation spot for the summer.

We continued on with our conversation before our next mission.

---

Later we were having our breakfast. We were having eggs and steaks.

King Julien XIII went to get Saya for breakfast.

King Julien XIII: (to Saya) Good morning, Saya! Do you want some kingly eggs? I made them myself!

Saya was crying hard.

King Julien XIII: Uh oh.

He went to get us. We were having breakfast.

King Julien XIII: J.D. something's wrong with Saya.

Me: Uh oh.

Me and Lincoln went to her room and found her crying.

Lincoln: Saya?

Me: Saya are you all right?

We went over and comforted her.

Olimar: Why's she crying? All the zombies are gone, right?

Natilee: They are but I'm afraid it's worse than that.

Natilee showed us what she drew on her sketchpad and it was a picture of those people that called Saya a kid and laughed insanely.

We gasped in shock!

Me: Those monsters!

Nico: I can't believe those people!

Missy: What they said to Saya and her friends was completely uncalled for.

Rei: Yeah no kidding.

Saeko: They have no honor.

Cybertron Crumplezone: We need to make her laugh!

Lynn: (grins) I got an idea!

Lynn licked her finger and gave Double D a wet willie.

Edd: OH THAT IS DISGUSTING!

Nico: Lynn that was not needed. Let J.D. and Lincoln handle it.

Lynn: Sorry.

Nico gave Double D a towel and some disinfectant.

Saya: (CRYING HARD)

Me: Saya it was just a bad dream. It's not real.

Saya: (Crying) BUT IT WAS REAL WHEN WE WERE THERE!

Me: I know Saya. I know. And it was because of that fucking Genocidal Cultist Shido that caused it.

Lincoln: He's dead now and he's also in prison here in our world.

Eli: Yeah that should have been the end of it with him.

Missy: What he did to you was completely pure evil. Shido is the devil incarnate.

Me: Saya, don't let anything those monsters say get to you.

Gears: (to the 3 Stooges) Do one of your gags to make Saya laugh!

Moe: Okay.

They went over to her.

Curly: Hey Moe you are as old as all get out.

Moe: Oh thanks I… (Realizes what he said) Old huh?

BOOF BONK SLAP SLAP BOP!

Moe hit him in the stomach, hit his head, slapped him twice and punched him in the face.

Curly: (Growls) See that?

Moe slapped his fist and Curly swung it around.

BONK!

Moe got hit on the head by Curly's fist!

Moe: OH! WHY YOU! I'LL STRANGLE YOU!

Moe strangled Curly.

We laughed hysterically and then Saya started laughing too!

Nico: (LAUGHS) That was funny!

Saya: I'm feeling better now. That was funny.

Me: Good. Lets go eat breakfast.

We did so.

Grave Clobber: J.D., now that Saya's feeling better, it's your turn to lead us today.

Me: Yep and I have just the mission for us. We're going to meet Zeta.

Nico: Zeta?

Me: He's a Synthoid Robot that Max Gibson and Terry met a while ago.

Max Gibson: It'll be amazing to see Zeta again.

Nico: What can Zeta do?

Me: He has this amazing ability to use a holographic camouflage that can make him look like anyone.

Eli: Wow that is fancy.

Missy: It sure is.

Marie: This is gonna be amazing to see.

Shendu, Selene, Larxene, Amora the Enchantress, Spymaster, Dirty Bubble, Pinkie and the Brain, Swordsman, Dr. Destiny, and Onyx then appeared.

Spymaster: Can me, Shendu, Selene, Larxene, Amora the Enchantress, Dirty Bubble, Pinkie and the Brain, Swordsman, Dr. Destiny, and Onyx go with you guys?

Me: You all sure can. We're not gonna go far from the estate this time. We're going to meet a robot named Zeta.

Spymaster: Whoa! I heard about him. He was a robot that was made as an infiltration robot to destroy terrorist organizations. But the government has been after him because they fear he might have been reprogrammed somehow.

Me: Wow. He must be a really advanced robot. We better go check it out. (To Nico) Nico remind me to have us visit the Neptune Prison so we can kill Shido. I think letting him live was a mistake.

Nico: Noted but I think it's best to let him suffer there. Rei did say he wasn't worth killing.

Me: You're right. But if we see any followers of Shido, blast them.

Nico: Okay.

We were off to the city.

We were flying over the city.

Cheetah: You were right. We didn't have to go far at all.

Me: But he could be anyone and he may look like anyone.

I had my scanning eyes on that can pierce through holographic camouflage.

Me: So far nothing.

We got to a subway station and then I saw a man dressed in a purple coat and he had brown pants and black hair and blue eyes and with him was a blond hair girl.

Me: Hmm.

I saw that the man was a robot.

Me: There he is.

We went over.

Me: Zeta?

Zeta saw us.

Zeta: Team Loud Phoenix Storm. It's an honor to meet you all.

Ro: Wow it's awesome to meet you all.

Me: Same here.

Max Gibson: Good to see you again.

Zeta: You too Max. And you too Terry.

Batman 2039: Same to you.

Me: Lets go someplace to hide so Agent Bennett won't find us.

We went and hid in an underground warehouse.

Dirty Bubble: You can take off your disguise. It's just us in here.

Zeta did so and we saw that he was a really cool looking robot!

Nico: Wow!

Eli: That is amazing!

Me: Wow!

I looked him over with my data eyes.

Me: You are far more advanced than anything we've ever anticipated. But this data says that you have developed your own conciousness as well as your own human emotions and feelings.

Zeta: (Robot voice) That is correct.

Bruiser Cruiser: A lot has changed for Terry since you last spoke to him.

Zeta: So I have seen.

Penny Polendina: And I think that's amazing you were built. I am an android myself and that is amazing.

Zeta: Indeed it is.

Ro: But Bennett won't stop chasing him. He thinks he was reprogrammed by terrorists.

Me: Hmm.

I looked Zeta over again and the data revealed that there was no trace of any terroristic programming in Zeta at all.

Me: There's no terroristic programming in him at all.

Eli: Obviously they don't want to believe that Zeta is not a threat.

Penny Polendina: That is crazy.

Me: Yeah.

Swordsman: I think Agent Bennett's one of those people who thinks heroes are a threat! We've got plenty of those types

Spymaster: No that's not the case. Agent Bennett helped Batman before from what I recall.

Stalker: That's right. I helped Batman before myself when I was called to help Bennett before I joined the team.

Me: Hmm. Maybe we can give Bennett a much better catch instead of Zeta.

Jindrax: What better target can we give him?! Most of Terry's enemies are redeemed or dead.

Me: Not this one Jindrax. We're gonna go after Kobra.

Twilight Sparkle: Who is Kobra?

Me: Kobra is a very dangerous ultra-secret organization. It's a dangerous cult.

I went over their history.

---

Kobra, also known as the Followers of Kali-Yuga, Kobra Organization, the Kobras and the Cult of the Kobra God, is a cult originating in Kobra Vol.1 1, enemies of most of the heroes in the DC Universe.

Originally a cult in India, Kobra had a prophecy that one day someone would lead them to greatness. Finding this someone as one of a set of twins, they selected one at random and took him to be raised by them. This baby, named Jeffrey Burr by his parents, grew to be a formidable warrior and a criminal mastermind. As he took control of the organisation, he was awarded the title "Naga Naga".

Under Burr, Kobra began using cutting-edge science and terrorist tactics to fulfil it's ultimate goal of bringing about the Kali Yuga - the Age of Chaos, in which the imperfect world will be swept away by a divinely-inspired, better version.

Kobra's members are religious fanatics that will fight to the death, and will commit suicide rather than be captured. As a result the organisation has been able to maintain a veil of secrecy for decades - possibly centuries.

Kobra is an international terrorist and mad scientist who has crossed paths with the majority of Earth's costumed heroes during his attempts to usher in the Kali Yuga (an age of chaos). His real name is Jeffrey Franklin Burr, and he was born part of a set of siamese twins, but was stolen at birth by the Cult of the Kobra god, since a prophecy claimed he would lead them to rule the world. Under their teaching, he became a dangerous warrior and a sadistic criminal mastermind. He led the cult into using advanced technology to menace the world. Followers of Kobra would frequently address their master as "Naja-Naja", "naja naja" being the binomial name for the Indian Cobra. This later became "Nāga-Naga", a meaningless title which translates from the Sanskrit as "snake-snake". Whether this change was intentional or an error is not known.

However, unknown to the cult, he had a psychic link to his twin brother, Jason, who knew nothing of Kobra. As a result, one felt what the other felt, including pain. Because of this, his brother was recruited by an international agency to help them combat Kobra. At first, Kobra was unable to even hurt or kill his brother; eventually, however, he used a device that "shut off" the psychic link, and gave him the chance to kill Jason. However, Kobra was subsequently haunted by visions of his brother. Whether it really was his ghost or just Kobra's imagination was never revealed.

In subsequent years, Kobra would clash with assorted superheroes, including Batman, whom he first met over a Lazarus Pit of his own creation. Kobra had learned to build modified Lazarus Pits, which allowed him to control the minds of those he killed and resurrected. Kobra is the only person in the DC universe ever to decipher the formula for the Lazarus Pits. Kobra had special concerns about Wonder Woman and sought to ensure her death, first by hiring a cartel of international assassins led secretly by corrupted UN Crisis

Bureau chief Morgan Tracy (also Diana Prince's boss), then by kidnapping and irretrievably damaging environmental activist Deborah Domaine, forcibly transforming her into a new Cheetah, and ultimately, facing her in combat in Egypt, faking his own demise after being defeated by the Amazon Princess. A short while later his various Strike Force Kobra teams would fight two different incarnations of Batman's Outsiders. Kobra also fought the third Flash, the Suicide Squad led by Amanda Waller, the original incarnation of Checkmate, Captain Atom, a Superman whose personality had been swapped with Ambush Bug's by exposure to red kryptonite, and others. Kobra is one of a very small number of individuals that has the capability of defeating Batman in hand-to-hand combat, and actually did so on one occasion. The only organization ever to rival Kobra in the old DC Universe (Pre-Crisis I) was SKULL. There were frequent recorded clashes between the two groups, the last occurring in Outsiders Annual #1 story "The Skull… The Serpent… and The Outsiders".

After the betrayal of his lover Eve during the Strike Force Kobra fiasco, she split Kobra in two and established her own splinter group. In the Power Company: Sapphire #1 the Justice League rushes to San Diego to prevent disaster as two rival factions of the Kobra Cult prepared to go to war. One faction was led by Eve; the other was led by Kobra himself.

He kidnaps the former hero Air Wave and uses him to seize control of the world's media and satellite resources, intending to destroy a number of major world cities. However, in a demonstration of his power, he incidentally kills Terri Rothstein, Atom Smasher's mother, ensuring the Justice Society of America's involvement. (Mrs Rothstein's life would later be saved through time travel; Atom Smasher replacing her with the villain Extant).

He appeared again in JSA #45, which featured his trial. He shrugs off claims of terrorism, claiming to be an enlightened soul (a bodhisattva) trying to free souls from their karmic debt by random acts of violence. Following this, his followers threatened to kill the media outside the courthouse with bioengineered suicide bomb implants. Holding everyone hostage with this tactic, he was allowed by the JSA to escape, leading to an outraged Black Adam and Atom

Smasher, who both subsequently choose to leave the team. In JSA #51, Atom Smasher, Black Adam, Northwind, and Brainwave track Kobra down to his headquarters in the Himalaya Mountains. After killing his guards, Black Adam rips his heart out and he is dead instantly.

Jeffrey's twin brother Jason is re-animated by the Kobra Cult in Faces of Evil: Kobra #1 (March 2009), possibly through the use of Kobra's Lazarus Pits. This involves the death of an entire facility of Checkmate agents, including several of Burr's old friends. Within the one-shot Jason reveals that he is re-structuring the organization and killing off all the old members. Before revealing himself as the new Kobra, Jason spent some time undercover as a Checkmate agent learning their secrets.

A future version of Kobra (or, at least, his organization) appeared in four episodes of Batman Beyond. Its members appeared not to be warriors but scientists who have an obsession with reptiles. They also made virus tests on people who were kidnapped. They in turn became reptilian creatures that obey Kobra's every command. Little is known about the origins of Kobra, but they had long admired the power of the dinosaurs. They envisioned them as the only life form capable of ruling the world once again. So, for years Kobra sought a way to splice human genes with dinosaurs' DNA. Until they could achieve their main goal, Kobra used cutting edge technology for robberies, extortion and terrorism, which led them to clash with Batman (Terry McGinnis) on a few occasions. Kobra was ruthless and unforgiving. Every member of Kobra was expected to have complete allegiance and devotion to the organization, and any protocol breach was punished with a gruesome death in a pit of vipers. Among their interrogation techniques, Kobra used a sensor that turned one's thoughts into pictures. This way they could weed out traitors among their ranks (however, this instrument was proved to be fallible, as a young kid deceived it by sheer force of will as seen in "Unmasked"). There were several Kobra branches around the world, and each cell seemed to have its own Main Operator. The hierarchy of Kobra was depicted by color and garments. The ones on the bottom were foot soldiers, identified by their green spandex uniforms.

They responded to members who donned an orange variation of the same spandex uniform, with golden bracelets on their forearms and forelegs, and a green exomis or hooded cloak. There were also scientists, technicians, or assistants who wore these garments. However, Main Operators usually had a chin beard. Within the infantry there were assassins that ranked above the rest. They were trained in specific fighting techniques, or armed with special weaponry, such as electrical flail or edge weapons. Altogether, these combatants were more dangerous and deadlier than the average foot soldier. Kobra's first appearance was in "Plague", where it continued executing fiendish schemes to gain an edge and thrive. In the episode, they had developed a deadly super virus capable of complete biological devastation. They hired a criminal named False-Face to smuggle the virus from Saint Denis to Gotham City, and then broke into Gotham Plastics, where they planned to coat millions of cred-cards with the virus, thus transmitting it by hand-to-hand contact. In case that plan failed or the government resisted their demands, Kobra secretly turned Falseface into a virus carrier. Kobra planned to demand a ransom of 10 billion credits. Their actions were eventually intercepted by the NSA that had enlisted Stalker to track down and retrieve the virus. Kobra's plans were foiled by an unlikely alliance between Stalker and Batman. In the "Curse of the Kobra," it's revealed that despite having a resolute goal, Kobra lacked cohesive leadership. Therefore, they decided to genetically engineer the perfect Kobra leader. In the long run, they created Zander (voiced by Alexis Denisof).

They carefully monitored and controlled his gestation, striving to create a healthy and resilient makeup. Right from early infancy, Kobra started to groom Zander to become the perfect leader. They brainwashed and trained him in military strategies and tactics. When Zander finally reached adolescence and was ready to assume his leadership, Kobra could finally move on with their plan. They stole a vial from Dr. Padu Banjahri, a paleontologist who had been recovering dinosaur DNA, and used its contents to help splice their lackeys into dinosaur hybrids. However, there was still the problem of adaptability: Dinosaurs were cold-blooded, so they could only survive in a tropical environment. In order to raise the planet's temperature, Kobra had stolen the R12 thermal bomb from the Nova Research Center. They planned to plunge it into a dormant volcano standing on a rift that went down to the Earth's core. This would start a chain reaction that would raise the temperature of the whole planet. However, thanks to the combined efforts of Batman, Max and Kairi Tanaga (Zander's martial arts teacher and a former fellow student of Bruce Wayne's own sensei), Kobra's supreme goal was brought to naught, and in the process they lost their perfect leader.

* * *

When I was done everyone was shocked!

Eli: WHOA MAN!

Erica: These guys sound like they are dangerous!

Me: Dangerous is an understatement Missy. They pose a tremendous threat to the entire world. Nobody knows about them but after today we'll make them completely public.

Onyx: Haven't you guys fought them before?

Me: Yes we have. But I don't remember when exactly. Kobra is still active even without their perfect leader and they are still devising new threats to the world to this day.

Nico: Then we got to stop them.

Eli: How are we gonna do that?

Me: I know just how we can do it.

I went over to Zeta and took out the transmitter that Agent Bennett is using to find him.

Me: I'm going to attach this to my device and use my Transformation Jutsu and a genjutsu put on myself to fool Bennett into thinking that I am Zeta and lead him and the agents to Kobra's main lair underneath the city. Scans show that it's located underneath an abandoned laboratory 500 yards from here and then when we're in the middle of the lair we'll all take down Kobra.

Nico: That's genius.

Spymaster: Very clever and well thought out.

Eli: Like luring mice with cheese.

Me: Exactly.

Ashi: Where can we find Bennett so our plan can work?

Me: He'll be coming to us. Scans show he's coming right now. He's 1,000 yards northwest and closing fast.

Spymaster: I'll use my skills to sneak inside their hideout.

Pinky: Brain, can we go with Spymaster?

Brain: Only if he says it's okay.

Spymaster: It's fine with me.

Me: Okay lets get to work.

I put the transmitter on my device and used Transformation and Genjutsu.

Nico: AWESOME!

Me: Do the entrance when I give the signal. It'll be an energy blast going through a Kobra Member.

Nico: Right.

We got the plan put into effect and Grinnade was waiting for Agent Bennett.

Agent Bennett: Excuse me. You're Grinnade, right?

Grinnade made some video game noises.

Agent Bennett: Have you seen this robot?

He showed a picture of Zeta.

Grinnade pointed to me as Zeta.

Agent Bennett: FREEZE MONSTER!

Me: Come and get me!

I ran.

Agent Bennett: AFTER HIM!

They ran after me and I went into the building.

Nico: Get ready.

Selene: I hope J.D. doesn't blow his cover.

Nico: Don't worry he won't.

I went down a hall and Agent Bennett was blasting at me and I dodged his blasts and then I plowed through a door and we came in and saw that we were in KOBRA'S LAIR!

Me: (To Agent Bennett) This is a much bigger catch for you.

I fired an energy blast through a Kobra member and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the ceiling of the lair and then a phoenix cry was heard and the spirits of the 10 Elements of The Dead swirled around and converged and everyone came out and then…

POOF!

I revealed myself and Agent Bennett saw it was me.

Agent Bennett: J.D. Knudson!?

Me: Sorry for the deception Agent Bennett but I have a much bigger prize for you than Zeta.

Nico: And Zeta does not have Terroristic Programming in him.

Eli: That's right.

Me: We can tell you later. Right now we need to take down Kobra for good.

Kobra Man: Team Loud Phoenix Storm found us! Kill them!

Kobra: Praise Kobra! Let all fear our might!

Me: We fear nothing!

Skallox: And while we're at it, we'll help ourselves to your weapons!

Skallox and the Red Lantern Corps brought the weapons over to us and we blasted numerous Kobra men and even arrested them by putting them in cages.

Laney: You guys are all in big trouble!

Poison Ivy: How about one of you gives me a kiss?

Kobra man: Okay ma'am.

She then kissed him on the mouth and then he died instantly from her venomous kiss of death!

Nico: Yeah baby.

Me: Awesome move Pamela.

Shendu: There has to be something on their computers that can tell us more about they plan to do.

Shendu fired a blast of fire and incinerated a bunch of Kobra Men.

Me: We'll have to find out from that when we arrested and killed them.

Nico: Good idea. The usual battles should be coming any second.

Starlight Glimmer went to the computer and pulled up the plans and data of Kobra and what she saw was beyond shocking!

Starlight Glimmer: Guys? You might want to come look at this!

Eli: What is it Starlight?

We went over to the computer and we saw that Kobra's plans were worse than anything we've ever anticipated! They had many plans for biological weapons, chemical weapons, nukes, genetic augmentation and so much more!

Amora the Enchantress: It's worse then we thought! Much worse!

Me: You got that right Amora. After we're done here the entire world needs to be aware of Kobra and they all need to be brought to justice.

Nico: Absolutely.

Eli: Yeah!

Helga Sinclair: There's also plans for a super virus.

Agent Bennett: That was done recently and we stopped it thanks to Batman and the Stalker.

Batman 2039: But we found out that they had a backup plan.

Stalker: They infected Falseface and turned him into a carrier.

Batman 2039: But we burned him before he could get anyone infected.

Me: Thank goodness that was stopped.

Dr. Destiny: We should destroy these plans!

Me: No. We need them to tell the world and the world leaders about everything Kobra is doing.

Nico: That's right.

Me: I'll load these plans onto a disk for that.

I did so.

Me: There. This disk has all the world needs to know about Kobra.

Nico: It sure does.

Me: Kobra's days are now officially numbered.

We regrouped and then

Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Vexen, Diabolico and Sportsmaster then appeared.

Me: Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Vexen, Diabolico and Sportsmaster.

Killer Shrike: You guys sure have been busy.

May: We sure have.

Wolf: It's nice to meet you, Zeta.

Zeta: It's nice to meet you all as well.

Captain Boomerang: (Australian Accent) Mate, you definitely don't look like terrorist material!

William: Of course he isn't! These Kobra scumbags are!

Me: That's right.

Crimson Dynamo: (to me) Speaking of scumbags, I heard you took on Rubeus.

Me: Yep. I don't know how he managed to come back after the last time though.

Shiva: Too bad you didn't save his heart for Nico.

Nico: I probably wouldn't like his heart anyway.

?: No kidding there.

Then a figure came out and it was YOKUBABANGER OF THE ELECTRIC SHOCK from episode 11 of Goseiger!

Yokubabanger is one of Great King Mons Drake's top soldiers, sent to Earth to absorb surrounding electricity and use it to commit acts of destruction, taking out the power of an entire area including a hospital where Miku, a girl Moune was supporting, was having surgery. While trying to stop his initial attack, Yokubabanger proves himself to be too powerful for the Goseigers, forcing them to retreat.

Eventually, Moune and Datas realize that the only way to save Miku and to stop the Warstar Insect was to create so much electricity that even if Yokubabanger absorbed most of it, there would still be enough to run the hospital to help finish the surgery. Using the Sparkquake card combined with some dance moves learned for a cheerleading routine to support Miku, Moune creates a massive flow of electricity that not only restores power to the hospital, but is too much for Yokubabanger to absorb all of, overloading him. The Goseigers summon the Landick Brothers to use with the Tiger and Snake Headders in the Landick Bullet attack, defeating Yokubabanger.

After being enlarged, Yokubabanger uses his absorption powers on Gosei Great, causing it to shut down. However Datas' desire to fight unlocks a new Headder: the Hyper Charge Headder, which Moune uses to change Datas into Datas Hyper who destroys Youkubabanger with Datas Dynamic Crush.

Eli: Whoa! You're Yokubabanger of the Electric Shock of the Goseigers!

Yokubabanger: That's right Eli.

Eli: Wow I remember you! You were sent to absorb all of Earth's electrical energy to commit acts of destruction.

Yokubabanger: That's right Eli and your memory is just as sharp as J.D.'s.

Eli: I never missed an episode of the Japanese Power Rangers.

May: It's too bad you're another monster who wasn't adapted.

Me: Yeah what a ripoff!

Yokubabanger: I know! I would've been a powerful opponent with my electricity!

Lincoln: That would've been cool!

Me: It sure would and you would make a great challenge for one of us.

Gina Pele: You would be a perfect archenemy for me. I am the Gene-Slammer of Azulongmon and I use lightning on an incredible level.

***KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

The Kobra base in the city was defeated. But then we got an unexpected visit.

?: YOU MOTHERFUCKING CUR!

Suddenly the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight large marine blue orbs orbiting around Liam's legs, and the eight large purple orbs orbiting around Menat's legs were glowing, and that means big trouble was coming as soon as we heard a familiar voice.

Lincoln: (Sighs) Oh great, can't you Evil Sasukes ever give us a break?

A figure came out, and it was none other than another Evil Sasuke.

Nico: Great, another Evil Sasuke has got the nerve to show his hide here.

Saya Takagi: Commander, let me face him.

Suddenly, Saya Takagi's eyes have turned neon green, and she was surrounded by a green energy aura with leaves and animals, and as she approached Evil Sasuke, she left green energy, leaves, and animals with every step.

Saya Takagi: You Evil Sasukes are nothing more than a plague, always coming back for revenge, only to be destroyed and Super Hakaied. Well, that's it, I'm putting you down like the rabid demon dog you really are, you miserable cur!

Then, Saya Takagi was surrounded by a massive vortex of green energy with leaves and animals all around the vortex, there was a green griffin flying around the vortex, and inside the vortex was a green phoenix. Then, as the vortex faded, Saya Takagi emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Saya Takagi grew to 6'0" in height, she had the body of a goddess, she has neon green eyes and a neon green energy aura with leaves and animals surrounding her, Saya's pink hair was now long and it had neon green highlights in the bangs, she had a green griffin with the Nature Kanji in its claws emblazoned on her forehead, she had on griffin earrings with the Nature Kanji in its claws and a necklace with a griffin with the Nature Kanji in its claws, and she has large pink angel wings on her back. She has her massive Survivor of Fujimi High School sword out. Saya Takagi had on a sleeveless black blouse with a green phoenix, black skirt with leaves on it, black leather ankle-high combat boots, and a white sleeveless trenchcoat with animals and leaves on the coattails and the anti-zombie apocalypse symbol on the back. Saya Takagi had on her brand-new Bracelets of The Champions of The Universe with green gems on her wrists, her new Belt of Elemental Bravery with large green gem for the belt buckle on her waist, and her Eater of Sins revolver holstered on her right hip. There was a green kanji below the anti-zombie apocalypse symbol that said, "Saya Takagi, Genius of

Takashi's Group, Survivor of Fujimi High School, Destroyer of the Undead, Master of Nature and Animals, and Loving Future Wife of Lincoln Loud."

高城沙耶、タカシのグループの天才、藤見高校の生存者、アンデッドの駆逐艦、自然と動物の達人、そしてリンカーン・ラウドの愛する未来の妻

Saya Takagi has transformed into SUPER ANGEL 750,000,000,000 GAIA NATURE GRIFFIN ANGEL OF HOPE!

We were amazed by Saya Takagi's Super Angel 750,000,000,000 transformation, and when Lincoln saw her transformation, he was blushing atomic red. But, when Evil Sasuke saw it, he fell into a black rage and his red eyes glowed even more red with insane rage and hatred.

Me: Whoa, Saya is now the next one to transform.

Nico: You said it, J.D. and she's going to give that psychotic dumbass his punishment.

Lincoln: Wow, Saya, you look beautiful. How do you feel?

Saya Takagi: (Divine Echoing Nature Voice of Hope) **I feel incredible, Linky. And now, I'm going to put that monster down, once and for all!**

Lincoln: Let me help out, as well.

Lincoln transformed into Super Angel-Ebonwu Infinity Elemental Thundersnow Buffalo Angel of Frozen Lightning Justice, and unholstered his massive Sword of Taranis from his wider muscular back, and he joined with Saya Takagi to attack Evil Sasuke.

Evil Sasuke: WHO THE HELL DO YOU THINK YOU ARE?! YOU'RE NOTHING TO US, YOU CURS!

Saya Takagi: **You'd said the same thing to J.D. 150,000 years from now. But, when your father made that speech to kill all of the Leaf ninja in the name of Madara Uchiha, all they did was seal their fates. Your own father poisoned you, his own son,**

**with lies and his own hatred, and turned you into a miniature version of himself.**

Lincoln: (Divine Echoing Cosmic Thundersnow Elemental Voice of Justice) **He poisoned your mind with so much of his hatred over everything, you eventually became a totally lost cause. He made you into a homicidal and mentally unstable psychopath, and you didn't show any value towards friendship or comradery. You wanted everything handed to you on a silver platter, just like your wretched father and his clan did.**

Saya Takagi: **You've cheated in everything, and even though Ninjas cheat, education is the one thing we NEVER cheat at, isn't that right? And your father said he was leading the Uchiha to greatness. But, it turns out you're nothing more than just another lost soul of the run-of-the-mill ninja, and you know it!**

Lincoln and Saya Takagi: **All we see when we look at you is a miserable, psychopathic monster and a heartless psychotic wretch of a human being. We hate your style above all others, and what you tried to accomplish, stealing all the Jutsu in the world just to expand your Jutsu and repertoire, committing numerous crimes all over the planet just to satisfy that evil devil, Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge, and above all, betraying the very village that your clan founded. You Uchiha demons don't care about anyone but yourselves. You Uchiha are nothing more than heartless monsters that murder, lie, steal, betray, and are completely powerhungry, just like you. In other words, YOU DISGUST US, YOU MISERABLE SPAWN OF SATAN!**

When we heard their rant, we cheered wildly for what Lincoln and Saya Takagi told Evil Sasuke.

Nico: YEAH! YOU TELL HIM, LINC AND SAYA!

Me: Those two did the same rant as me whenever I face him, but we felt a cold air from Lincoln when he said it. There's nothing better than ice cold justice, and that's what they're going to give him.

Lori: And their rant has caused that monster's blood pressure to go over the roof, and he's now gone off the deep end of insanity.

Lynn: (Laughs) Oh yeah, their rant's blinded Evil Sasuke with rage, and he's now lost it big time.

And just like Lynn said, Evil Sasuke lost it, and he fired powerful blasts of fire at Saya and Lincoln, but they absorbed them, and it made them stronger than ever. Then, they attacked Evil Sasuke with powerful blasts of neon blue and green energy, elemental forces, thunderbirds, and animals, which hits Evil Sasuke, and exploded with incredible power, and sent him flying into a rock.

Evil Sasuke emerged, and he roared in pure rage, and he'd entered into his Curse Mark Level 2 form, and he went at them and threw punches and kicks at them, but Lincoln and Saya dodged them all with ease, and they attacked him with some powerful punches and kicks of their own, and they had brutally mangled him. Lincoln then fired a blast of ice fire, which hits Evil Sasuke in his arm, and flash froze it, as he screams in excruciating pain. But, his screams of pain had morphed into maniacal and insane laughter, and he continued to go at them and continued throwing punches and kicks at them, but they continued to dodge them all. Saya kicked him in the back, and he went flying right into a rock, and he got out and fired powerful blasts of lightning at them, but Lincoln and Saya deflected the lightning blasts with their massive swords, and his continually rising hatred was only making them stronger and stronger than ever.

Lincoln grabbed Evil Sasuke by his shirt and sent him flying into the air, and he and Saya went after him, and they kicked him straight into the ground, even knocking out a couple of his teeth. He fired powerful blasts of fire at them, but Lincoln and Saya fired powerful blasts of fire and lightning, which overtook his attack, and they hit him and exploded with incredible power. Evil Sasuke then formed a Chidori and tried to attack Saya, but Lincoln fired blasts of lava, which hits Evil Sasuke in the hands, and burned him badly. Then, Lincoln and Saya fired some very powerful elemental blasts at him, and electrocuted and burned him all over.

Evil Sasuke got out, and he was even more enraged than ever.

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU BOTH?! WHY ARE YOU SO STRONG?! THAT POWER SHOULD BE MINE!

Lincoln: **You will never have our power.**

Evil Sasuke raised his right arm, and Saya threw an energy disk and it slashed his arm clean off. He screamed in excruciating pain as it was completely severed from his shoulder, and he'd clutched the bloody stump of his arm.

Sasuke Uchiha: (Laughs) Those two have got him on the ropes now.

Naruto: It won't be for much longer now.

Me: You said it, bro.

Evil Sasuke: YOU CURS?! WHY CAN'T I KILL YOU BOTH?!

Lincoln: **Because, our power didn't come to us by stealing it. We earned it. Power is earned and never given. You will always be weak and a worthless pathetic piece of dirt, just like your clan when they died. The Uchiha paid the ultimate price for their crimes just like you will. They had their chance, just like you did. We wanted to be your friends, Sasuke, but you just threw us aside. That shows you will never understand that true power comes from good things like Friendship, Hope, Love, and Wisdom.**

Evil Sasuke: Those are all meaningless things!

Lincoln: **That's where you're wrong. They are things that can help you, and you don't want any of that. You would rather make enemies and use fear to get what you want. Now, you will join the rest of your clan in Oblivion.** (To Saya Takagi) **Saya, you ready to end him?**

Saya Takagi: **Let's get him, Linky.**

Lincoln and Saya Takagi: **EVIL SASUKE OBLITERATION MEGABLAST!**

Saya Takagi and Lincoln fired massive energy waves, and obliterated Evil Sasuke before he could say anything, and his evil spirit has been Super Hakaied for good. We cheered wildly for what Saya Takagi and Lincoln did as they powered down and holstered their massive swords on their backs, but Saya Takagi's new body, clothes, weapons, and jewelry were permanent. Then, Lincoln picked Saya Takagi up in his up in his abnormally large and powerful muscular arms, and they shared a passionate kiss as we cheered for them.

Nico: You guys did an awesome rant on Evil Sasuke, and getting rid of him, Lincoln and Saya.

Lincoln and Saya Takagi: Thanks, Commander.

Lori: But, this isn't the last time we'll deal with those Evil Sasukes. There's still more of them out there.

Lynn: But, we'll be ready for them, and we'll send them to Oblivion for good.

Nico: You said it, Lynn.

Me: We sure will.

Agent Bennett came and we told him everything about Zeta and that he is not a terrorist robot.

Agent Bennett: (sighs) Well, Zeta, I guess you're free to go since JD's right that you're not terrorist material.

Zeta: Thank you, sir.

Billy Numerous: See? We told you that Zeta isn't working for terrorists!

Agent Bennett: (to Zeta) Just don't use your abilities on humanity, ok?

Deker: Relax. You won't regret this.

Vexen: The only people Zeta will use his abilities on are scumbags like Kobra.

Diabolico: Speaking of which, we need to tell everyone about them!

Sportsmaster: I just hope the evidence wasn't destroyed.

Me: Don't worry it wasn't. Now we got to show this to the world leaders. It's time to get rid of Kobra for good

We went to the United Nations building and told the World Ambassadors about everything Kobra was doing and how it is pure evil. We told them that Kobra was doing everything: Biological weapons, chemical weapons, nukes, genetic augmentation, crimes against nature, terrorism, extortion, every kind of crime you can think of and the world now knows the kind of monsters that Kobra is. It was then decided that Kobra MUST BE DESTROYED. I told them that their base is located in India and many locations all over the world. We gave maps to where they are and within 12 hours the world apprehended all of Kobra's men and destroyed all of Kobra's operations and destroyed everything they worked so hard to do and were going to do.

Back at the estate, we were watching TV and we were watching the news.

Katherine Mulligan: And in world news, Kobra has been dismantled and overpowered and all the members of the evil organization have been arrested. We counted over 723,534,000 members of the organization. This is the biggest mass arrest in the history of the world. All are looking at death penalty convictions.

Me: Good riddance.

Nico: Yep. They brought all that on themselves.

Me: Yep.

Larxene: Good riddance. (To the viewers) Terrorists better beware because they will never succeed in their plans. Not while we're on guard.

Me: You said it Larxene.

We later went to bed for a good night sleep.

THE END

---

Another awesome chapter done.

The Zeta Project was a great show. Never saw the whole show in its entirety but it was amazing and it even had a lot of crossover appearances with Agent Bennett in Batman Beyond and even had Zeta appear in one episode. So awesome. The first part was for Sailor Moon and the second part was for the 1984 Anime for Sherlock Holmes called Sherlock Hound. Never saw that one but it was cool from the looks of it. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Etstheclarencefan, Nflemingful and ninjakingofhearts all gave me the ideas for this. Thanks guys and thanks to the guest reviewer. The next rescue for me is gonna be in the world of Skylanders and we're going to the Dragon Tower and this time we're going to face DeFoe from Huntik who was brought somehow and Sophie Casterwill is gonna transform in that one so Guest I'll need help on that. We're going to meet a crystal gem named Tanzanite and she will have a female Meramon Gene-Slammer named Mina. AND SHOCKINGLY this will be the India Digidestined that Nico knows. We'll know she disappeared because her partner Meramon will come to us. The second part will be in Babes in Toyland and Rei of Highschool of The Dead is gonna transform in that one. It will spark from when she sees Barnaby Crookedman threatening to kill Jack & Jill. She is gonna be PISSED! The next chapter is gonna be for Muppet Treasure Island. Get ready for an awesome and funny swashbuckling adventure as we go help the Muppets take down Long John Silver and his crew!

See you all tomorrow

# Muppet Pirate Adventure

In Skylands, me, Allie Wilde, Missy, Erica, Miranda, Marie, Qin, Eli, Simone, Sophie Casterwill and Lanalda Ramirez the Giratina Gene-Slammer were flying over the lands.

Lanalda Ramirez: Another day in the world of Skylanders, huh?

Me: Boy you said it Lanalda. I always wanted to see what Dragon's Peak is like.

Eli: Me too.

Lanalda Ramirez: Me too.

Lanalda concentrated and groaned as her hair fell out. Lanalda grew wings from her back.

Sophie Casterwill: (British Accent) I can't wait to see what it's like.

Lanalda turned into GIRATINA!

Missy: OH YEAH! This is gonna be sweet!

Erica: Yeah! I hope we smash some bad dragons.

Me: Me too.

We arrived at the Dragon Throne and to our shock we saw our old enemy DEFOE!

DeFoe: Well, if it isn't my old friend, J.D. Knudson. And by old friend, I mean the one who ruined all my plans!

Sophie: Defoe!

DeFoe: (smirks) What's the matter? You all look like you've seen a ghost. Well, maybe you have!

Me: Actually I always knew you would come back DeFoe. But this time, I'm not going to kill you again. I'm saving that for Sophie here.

Eli: And this time you will STAY dead!

Erica: Who is he?

Me: You would hate this guy Erica. His name is DeFoe and he is one of my most evil enemies. I killed the entirety of the Organization he worked for and killed all of his friends in an instant and he has been hellbent on killing me.

Missy: WHOA!

Miranda: That's crazy.

Me: Yep.

DeFoe: Punish them, Gar Ghoul!

Gar Ghoul appeared!

Sophie: Someone like you doesn't deserve Gar Ghoul, Defoe!

DeFoe: Well, at least I remember to use him. When was the last time any of you used Gar Ghoul?

Missy: I hate to say it. But DeFoe's right. After we claim Gar Ghoul, we really should use him more often.

Me: Good idea. But he doesn't know how strong we are. RISE! LEGENDARY TITAN OF REBIRTH, PHOENIX!

In a massive vortex of fire arose Phoenix the Legendary Titan of Rebirth!

Eli: This is gonna be good!

Sophie: I've had it with this monster.

Suddenly, we felt something in Sophie Casterwill's mind snap, as her eyes turned neon green, and she was surrounded by an orange energy aura with fire and phoenixes surrounding her, she unholstered her Defenders of The Titans sword from her back, and as she approached DeFoe, she left orange energy, fire, and phoenixes with every step.

Sophie Casterwill: DeFoe, you don't even know when to stay dead, can you? You've relentlessly pursued us everywhere in your attempts to kill us. This time, I will put you down like the mad dog you are, and I will make sure you never return again!

Sophie Casterwill screamed like a madman, as she was surrounded by a massive vortex of orange energy with fire surrounding the vortex, there was a phoenix flying around the vortex, and inside the vortex was a red phoenix. When the vortex faded, Sophie Casterwill emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sophie Casterwill grew to 5'11" in height, she had the body of a goddess, she has a phoenix with the Fire Kanji emblazoned on her forehead, she has large fiery orange angel wings for her new body, she had on phoenix earrings with the Fire Kanji in its claws and a necklace with a phoenix holding the Fire Kanji in its claws for the pendant, she had on a sleeveless purple blouse with an orange phoenix, pink blouse with flames on it, black leather ankle-length combat boots, and a sleeveless purple trenchcoat with orange flames on the coattails and the phoenix on the back. The massive, wide, double-edged blade of her Defenders of the Titans large sword grew to 6'5" in length and the long black handle grew a little longer. Sophie Casterwill now has on her new Bracelets of The Champions of The Universe with orange gems on her wrists, Belt of Elemental Bravery with large orange gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her right hip. There was an orange kanji on the back below the phoenix that said, "Sophie Casterwill, Last Surviving Noble of The Casterwill Family, Member of The Huntix Foundation, Amazing Friend of Lok Lambert, Partner of The Titan Phoenix, and Destroyer of DeFoe and The Organization."

ソフィー・キャスターウィル、キャスターウィル家の最後の生き残った貴族、ハンティックス財団のメンバー、ローク・ランバートの素晴らしい友人、タイタン・フェニックスのパートナー、そしてデフォーと組織の駆逐艦

Sophie Casterwill has transformed into SUPER ANGEL 750,000,000,000 INFERNOSTORM PHOENIX ANGEL OF HOPE!

We were all amazed by Sophie Casterwill's Super Angel 750,000,000,000 transformation, but when DeFoe saw it, he fell into a black rage and his eyes turned red with hatred and insanity.

Me: WHOA! Sophie you look awesome!

Erica: Wow! Sophie transformed and she has the wings of The Phoenix Titan. Wow!

Eli: Incredible! Sophie, how do you feel?

Sophie: (Divine Echoing Cosmic Voice of Fire) **I feel amazing Eli. Now I'm going to make sure that this monster never returns to go after us again.**

Me: Show no mercy Sophie. Send this bastard back to the fiery pits of Hell from wence he came!

Sophie: **With pleasure.**

Sophie flew at DeFoe and punched, kicked and smashed him all over the place and then slashed him in his face and smashed him down.

DeFoe: (weakly chuckles) You think you've won just because you've finished with me? You still have Rassimov and the rest of the Blood Spiral to deal with!

Erica: Like we're gonna believe that!

Sophie: **No. Defoe's right. The Blood Spiral are enemies of the Huntik Foundation as well.**

Missy: A monster like Defoe being right two times in one day? What's this world coming too?!

Me: But he is wrong about that too.

Eli: What do you mean?

Me: I killed all of the Blood Spiral. They are all dead now thanks to me. It was after we destroyed The Organization.

DeFoe: NO! YOU DESTROYED THE BLOOD SPIRAL!?

Me: And I show no remorse for killing ALL of them.

Erica: They can all burn in hell for all I care.

Sophie: **Wow! Thank you J.D.**

Me: Anytime.

DeFoe got up and he was INFURIATED BEYOND ALL FORMS OF IMAGINATION! HE HAD COMPLETELY LOST IT!

Then we got a surprise as a Meramon appeared and so did a Crystal Gem. It was Tanzanite and the Meramon was familiar. We then saw a Female Meramon and I recognized them. It was Mina and her partner Meramon. Mina was turned into a Meramon!? WHAT THE!? They fired blasts of fire and incinerated DeFoe and obliterated him in an instant! I then put on my blind man glasses and Eli covered his eyes and so did Meramon and then I snapped my fingers and Mina and Lanalda were reverting back.

Lanalda: (regains her hair) How do you feel, Mina?

Mina: Never thought I would be happy to be human again.

Meramon: Thank goodness you're gonna be back to normal Mina.

Mina and Lanalda were back to normal but naked and Maria gave them new clothes and they put them on.

Mina: Much better. Thank you guys.

Me: You're welcome Mina. Nico will be happy to see you again.

Mina: Same here.

Meramon: Glad you're back to normal.

Mina: (holds her head in pain) Meramon, I'm sorry!

Simone: Reign in the power with the strength of your will and you can use the power like we have.

Miranda: Concentrate Mina. Concentrate.

She concentrated and then a burst of neon orange energy came out and formed an aura around her and she was fully engrafted with the power.

Mina: Whoa! That was intense!

Me: You did it Mina!

Meramon: How do you feel?

Mina: I feel amazing!

Me: Awesome!

Tanzanite: This was amazing adventure. I heard that Steven Universe helped many of my friends.

Me: He sure did and you would make a great member of the Crystal Brigade.

Tanzanite: I sure would.

We went back home to the estate and I told everyone everything and they were shocked and amazed.

---

After finally getting rid of DeFoe forever, Lincoln, Me, Nico, Eli, Nicole, Akira Akatsuki, and Rei Miyamoto were heading to the world of Babes in Toyland, and not only is Lincoln going to rescue the eight girls there, but we're also going to kill Barnaby Crookedman, who's returned from the dead and wants one thing: revenge on those who killed him.

Lincoln: Wow, we're in the world of Babes in Toyland, and I think I know what we're going to do here, not only am I going to rescue the eight girls there, but we're also going to kill Barnaby Crookedman, who's returned from the dead and wants one thing: revenge on those who killed him.

Me: Namely, me, big guy.

Nico: But, this time, he's getting a one-way ticket straight to Oblivion.

Rei Miyamoto: You got that right.

Eli: Yeah.

Me: I can't believe that Barnaby Crookedman is that evil. He's a heartless monster and he got what he deserved.

Nicole: You got that right dad.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the eight girls, along with Jack and Jill, but they've been cornered by Barnaby Crookedman, and he was threatening to kill Jack and Jill, along with the eight girls.

Lincoln: Guys, I found the eight girls, but they, along with Jack and Jill, have been cornered by Barnaby Crookedman, and he's going to kill them.

When Lincoln said that, Rei snapped, and we felt it big time.

Rei Miyamoto: He's going to WHAT?!

Lincoln, Eli, Nico, and Me: Uh oh.

Suddenly, Rei Miyamoto's eyes turned neon red and she had a murderous look of death aimed right at Barnaby Crookedman, as she was surrounded by a red energy aura with red hot lava and heat surrounding her and coming off of her, and as she approached Barnaby Crookedman, she left red energy, red hot lava, and heat with every step.

Rei Miyamoto: You're nothing but a heartless monster, Barnaby Crookedman. It was bad enough that you're a total miserly grouch, but threatening to kill two innocent children!? You're no worse than Shido and the many members of his cult. But, this time, I'm going to get rid of you and put an end to you once and for all!

Then, Rei Miyamoto screamed like a madman, as she was surrounded by a massive vortex of red energy with lava surrounding it, there was a phoenix made of magma flying around the vortex, and inside the vortex was a neon red phoenix. Then, as the vortex faded, Rei Miyamoto emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Rei Miyamoto grew to 6'0" in height, she had the body of a goddess, she has neon red eyes and a neon red energy aura with lava and fire surrounding her, Rei's long orange-brown hair had neon red highlights in the bangs, she had a phoenix and a dragon with the Lava Kanji in its claws emblazoned on her forehead, she had on dragon earrings with the Lava Kanji in its claws and a necklace with a phoenix with the Lava Kanji in its claws, and she has large orange angel wings on her back. She has her massive Survivor of Fujimi High School sword out. Rei Miyamoto had on a sleeveless white blouse with a red phoenix, black skirt with lava on it, black leather ankle-high combat boots, and a crimson red sleeveless trenchcoat with lava on the coattails and the anti-zombie apocalypse symbol on the back. Rei Miyamoto had on her brand-new Bracelets of The Champions of The Universe with red gems on her wrists, her new Belt of Elemental Bravery with large red gem for the belt buckle on her waist, and her Eater of Sins revolver holstered on her right hip. There was an orange kanji below the anti-zombie apocalypse symbol that said, "Rei Miyamoto, Childhood Friend of Takashi Komuro, Survivor of Fujimi High School, Destroyer of the Undead, Master of Lava and Phoenixes, and Loving Future Wife of Lincoln Loud."

宮本麗、小室孝の幼なじみ、藤見高校の生存者、アンデッドの駆逐艦、溶岩と鳳凰の達人、そしてリンカーン・ラウドの愛する未来の妻

Rei Miyamoto has transformed into SUPER ANGEL

750,000,000,000 VOLCANIC LAVA DRAGON PHOENIX ANGEL OF HOPE!

We were amazed by Rei Miyamoto's Super Angel 750,000,000,000 transformation, and when Lincoln saw her transformation, he was blushing atomic red. But, when Barnaby Crookedman saw it, he fell into a black rage and his eyes glowed turned red with insane rage and hatred.

Me: Holy moly, Rei's transformed.

Nico: You said it, J.D., and she's going to burn Barnaby's ass, this is going to be good.

Me: You got that right. Barnaby is in a shitload of trouble!

Lincoln: Whoa, Rei, you look beautiful. How do you feel?

Rei Miyamoto: (Divine Echoing Volcanic Voice of Hope) **I feel incredible, Linky. And now, I'm going to put that monster down, once and for all!** (To Lincoln) **Would you like to join in?**

Lincoln: Count me in.

Me: Take that motherfucking asshole down for good!

Lincoln transformed into Super Angel-Ebonwu Infinity Elemental Thundersnow Buffalo Angel of Frozen Lightning Justice, and unholstered his massive Sword of Taranis from his wider muscular back, and he joined with Rei Miyamoto.

Lincoln: (Divine Echoing Cosmic Thundersnow Elemental Voice of Justice) **Let's do this.**

Rei Miyamoto and Lincoln went after Barnaby Crookedman, and they fired massive neon red and neon blue energy blasts, elemental forces, lava, and ice, and as the blasts hit Barnaby Crookedman, they explode with incredible power. Then, Lincoln and Rei slashed off Barnaby's arms, and he screamed in excruciating pain.

Rei Miyamoto: **Time to end this.**

Lincoln: **Once and for all!**

Rei Miyamoto and Lincoln: **LAVA DRAGON MEGABLAST!**

Rei Miyamoto and Lincoln fired massive blasts of lava, which transformed into two lava dragons, and as they hit Barnaby, they exploded with incredible power, killing him and Super Hakaing him for good. We cheered wildly for what Rei and Lincoln did, as they powered down, but Rei's new clothes, weapons, and jewelry were permanent. Then, Lincoln and Nicole went up to the eight girls who were there, and when Lincoln saw them, he immediately recognized them. The eight girls were Yukino Mononobe, Yuri Mariya, Toba Riona, Karen Jankulovski, Shizuka Kusanagi, Erica Blandelli, Lucretia Zola, and Luo Hao from Campione.

Lincoln: Oh wow, it's Yukino Mononobe, Yuri Mariya, Toba Riona, Karen Jankulovski, Shizuka Kusanagi, Erica Blandelli, Lucretia Zola, and Luo Hao.

Nicole: From Campione, awesome.

Lincoln: Are you girls okay?

Yukino Mononobe: Yeah, we're okay, thanks to you.

Then, when Yukino Mononobe and the other seven girls saw who it was that saved them from Barnaby Crookedman, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of

Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

Yukino Mononobe: Oh wow, you're you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eight clones of himself, and he and the seven clones went up to the girls, and the other clone went up to Rei Miyamoto, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Yukino Mononobe: (Seductively and rubs her right hand on Lincoln's

massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and not only are we rid of Barnaby Crookedman, but we also have a new spot to go to on the holidays coming up.

---

After killing Barnaby Crookedman, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

Then, Lincoln, Gluko, Batch, Princia Ramode, Lucy liberty, Litchi Faye Ling, Asuka Kazama, Lili De Rochefort, Ruby Rose, Weiss Schnee, Blake Belladonna, Yang Xiao Long, Emerald Sustrai, Dew Gayl, Princess Allura (Voltron: Legendary Defender), Kasumi Tendo, Chifusa Manyuu, and Chronoa were all getting ready for their date at a fancy Italian restaurant tonight.

For Lincoln Loud, the 16-year-old 7'0" tall, handsome, extremely muscular, white-haired teen was dressed in a large black fancy jacket, a large white dress shirt, large black vest, large black pants, and large black dress shoes, along with his large cuff Bracelets of the Champions of The Universe and Belt of Elemental Bravery, and his weapons are holstered, in case there was any trouble. He was also wearing Juniper Thunderbird cologne.

Gluko and Batch were dressed in long dark purple fancy dresses, dark purple heels, purple earrings, and fancy necklaces with purple gems.

Princia Ramode and Lucy liberty were dressed in long fancy orange dresses with F-Zero wings on the dresses, black high heels, orange gem earrings, and necklaces with orange gems.

Litchi Faye Ling was dressed in a long vermillion red fancy dress with pandas on them, red high heels, red gem earrings, and a necklace with red gems on it.

And Chronoa was dressed in a long fancy purple dress with the symbol of The Kais on it, blue gem earrings, and a necklace with blue gems on it.

Lincoln: Shall we be on our way, girls?

Kasumi Tendo: Of course, Linky.

Lincoln took the girls by the arms, and they head to the fancy Italian restaurant, located in the north of Gotham Royal York. Once they arrived, they saw just how fancy this place is, and it definitely beat the now-demolished Pasta Bowl by a mile in terms of the delicious food and classy atmosphere, and it also drove Ophelia Shroud, who's still in a straitjacket and chained to a wall, even more insane.

Lincoln: Wow, this place sure is quite fancy.

Dew Gayl: You said it, Linky, and from what I heard from Nico, the food and atmosphere here is quite amazing.

Litchi Faye Ling: And from what I heard, the success of the restaurant has also driven the imprisoned Ophelia Shroud even more insane.

Ruby Rose: She deserves it for her crimes.

Lincoln: You said it, Ruby.

Lincoln and the girls sat at the table, and ordered their food. Then, a few minutes later, their food has arrived, and it was professionally made by the chefs who work there. Then, as soon as Lincoln took a bite, his eyes went wide open.

Lincoln: Wow, this is amazing.

The girls did the same thing, and they had the same look in their eyes. Then, as they finished, Lincoln and the girls paid for the food, and left the restaurant. Then, they came back, and they told us how their date was, and we were surprised by what they told us.

Lynn Sr.: I'm glad you and the girls had an amazing night, champ.

Lincoln: Thanks, Dad.

May: Now, I know where we're going when we go out.

Nico: You said it, honey.

Lincoln: Plus, you can also bring your family with you, as well.

Me: Wow, so it's also a family-friendly restaurant, as well, too? Awesome!

Then, we were going to get ready for our next mission.

* * *

As we were watching TV, Sarah came in and she was frantic.

Sarah (EENE): Guys! Someone vandalized Rolf's house!

We went down to take a look and to our shock we saw Rolf's house totally vandalized! It was covered in rotten fruit, vegetables, meats and eggs and it had spray painted messages. They said "Agnes Skinner and Marge Simpson were here" and "Eddy is a No Neck Chump." We were looking at how Rolf's house was vandalized

ROLF WAS READY TO BLOW HIS STACK AS HE HAD HIS MUSCLES FLEXED! HE LOOKED LIKE HE WAS ABOUT TO RIP SOMEONES HEAD OFF!

Patsy Smiles: Rolf, calm down. It's not worth it.

Rolf: (clearly angry) This crime will not go unpunished! Rolf will teach those witches a lesson!

Eddy: Count me in too, stretch! At least I won't be the one beaten up by a fish.

Me: Why bother?

Maria: What are you talking about?

Me: I've had it up to here with Agnes and Marge. After what those two did in the past, they can burn in Hell!

Eli: I don't like them either bro.

Rolf: POPPYCOCK! Rolf will not do nothing while the vandalizers of Rolf's house go unpunished!

Eddy: Besides, this will teach them a lesson on how it feels to be beaten up for crimes they didn't committ!

Me: (Gets mad) You know what? If you guys want to waste them on two fucked up women, be my guest! (starts to walk away)

May: Where are you going?

Me: I'm going inside to break something. Have fun with your wild goose chase! (goes inside the estate)

Ben: (sighs) C'mon, Eddy. I'll go with you and Rolf to fully heal

Agnes and Marge before your duel.

Eddy: Thanks Ben.

In the estate, I was just sitting down and watching TV.

Me: (To the viewers) When I say break something I meant just watch TV and let it sooth me.

At the Gotham Royal York Insane Asylum, Marge and Agnes were taken from their cells by Ben as Alien X. Alien X just healed Agnes and Marge.

Marge: About time you healed us!

Rolf: You dare talk back to Rolf after your act of vandalism?!

Agnes: What the Hell are you talking about?

Eddy: What Rolf means is that me and Him challenge you two to a duel for vandalizing his house.

Marge: SAY WHAT?!

Rolf: Prepare yourselves, as honor will be hours!

With that, Rolf and Eddy leave.

Alien X: Be there or be square! (sheepishly) That's how you say it, right?

Agnes: That's right.

Alien X: Good.

Rolf is prepared and angry. He is rolling a round stone back and forth in his teeth before spitting it out. Lockdown picks up a chest and offers it to Agnes and Marge.

Lockdown: Okay. Choose your weapons. Just be glad they're not mine.

Agnes: What? More fish?

Rolf: CHOOSE!

Agnes and Marge each chose a fish at random.

Maria: This is gonna be awesome! (pulls out a camcorder)

Eddy: Anything to say before we begin?

Lightning flashes, thunder crashes, and red clouds roll in over the duel.

Marge: Um, would it be so hard to ask you two to lighten up?

Shadows envelop the site of the duel.

May: You okay, honey?

Nico: Just wondering if it's worth it to hate those two anymore.

Agnes: [on her knees] Okay, what? I'm sorry, okay? I'm sorry I treated Seymour like a failure!

Marge: And I'm sorry I treated my own family like crap! Are you happy now?!

Rolf: If this is true, have you brought the Cupcakes of Sorriness?

Agnes: (surprised) What?! (looks at us)

Bart: Don't look at us. I would've forgiven you two if you brought cupcakes!

Poromon: BEGIN!

---

MORTAL KOMBAT!

They got to fighting!

SMASH! BLAM! BAM! CRASH BAM! CRACK! THWACK! BAM!

Rolf and Eddy bashed and pulverized them all over with their fish as they were using them like mace clubs and they were REALLY SMASHING THEM INTO PULP!

BLAM! BIFF! SMASH!

The fight was brutal!

The fight was not gonna stop until Marge and Agnes had EVERY FUCKING BONE IN THEIR BODIES BROKEN AND THAT THEY SMELLED GOOD ENOUGH FOR THE CATS TO EAT!

Homer: KILL THAT FUCKING BITCH! KILL HER! KILL HER!

Skinner: YEAH KILL HER!

KRASMASH! KRABLAM! BLAM!

Papi: They're not even putting up a fight!

Agnes: [clinging to the log] C'mon, Rolf, I said we were-[Rolf's fish catches the side of her face] -sorry.

Eddy and Rolf picks up the two dazed former Springfield Citizens

Marge: Is it over?

Rolf: In a duel, two contestants must fight. Or in this case, four. Why do you not fight us?

Agnes: Oh. Is it our turn?

Eddy: Hit us, you big chickens!

Marge: Fine then! (hits Eddy with fish)

Eddy: (feels his hit cheek) Ok. I admit that was a nice shot. Now, here's mine!

KRABLAM!

He smashed her face in and busted her skull to dust and smashed her down.

Poromon: ROLF AND EDDY WIN!

Homer: Wait. It's over?

Eddy: Yep. It's over.

Alien X: We just wanted them to know how it feels to be beaten up for crimes they didn't commit.

With that, Alien X heals Marge and Agnes.

Rolf: Come, join Rolf with the traditional Eels of Forgiveness. Pull out your pants, everyone.

Skinner: (pulls out pants) Mother, you and Marge are in enough trouble as it is. Just swallow your pride and accept the eels. (shudders) No matter how slimy they are!

Nico: (QUIVERS) They feel funny.

May was laughing because of how they tickled her.

Marge and Agnes complied.

The eels were squirming around in their bloomers.

Edd: "Ed, are you enjoying this?"

Ed: [scratching himself] "I feel weird, guys. I think I'm allergic to eels."

[Purple lumps pop out all over his skin, and his face turns remarkably fish-like. The rest of his body follows.]

Eddy: "FISH FACE!" [Eddy tries to run away, but is unable to because of his overstuffed trousers. Edd faints on sight.]

Ed: "Can somebody scratch my scales?"

Agnes: If you think this changes anything-

Nico: No. I realize that you two might not ever be friends with us. But we can't waste our lives hating you two anymore. So, I forgive you two. Even if J.D. doesn't. (holds out hand)

Realizing that this is closest to peace they'll get, Agnes and Marge sighed and shook my hand.

Marge: We better be free to go.

Huffer: Of course you two are. You two don't go after us. We don't go after you.

They went back to the Mental Hospital.

Nico: Lets go shower before we go on our next mission.

They went back to the Estate and showered and Ed was given an anti-allergy shot for eels.

Wildfly: Nico, it's your turn to lead today. And I'm very proud of you for this morning.

Nico: Thanks Wildfly.

Me: I am too.

Nico: Look J.D. you can't let your anger towards Marge and Agnes consume you.

Me: I know Nico. But it's just that I can't ever forgive those two for everything they did. Especially after how Marge stabbed you in the stomach like that.

Erica: SHE DID WHAT!?

Me: Oh right you don't know about this. Marge stabbed Nico in the stomach in one of our Zombie Apocalypse Survival Missions last year.

Erica: I WILL KILL HER FOR THIS!

Missy: SAVE SECONDS FOR ME!

Nico: Calm down girls! J.D. I know you're upset about that but you have to forgive them.

Me: Why should I?

Nico: Because it's the right thing to do.

Wolf, Killer Shrike, Captain Boomerang, Crimson Dynamo, Lady Shiva, Billy Numerous, Deker, Vexen, Diabolico, and Sportsmaster then appeared.

Wolf: Hey, guys. When J.D.'s done acting like the Joker and Luthor, can me, Killer Shrike, Captain Boomerang, Crimson Dynamo, Lady Shiva, Billy Numerous, Deker, Vexen, Diabolico, and Sportsmaster go with you guys?

Nico: Yes you can. But don't use that comparison again.

Wolf: Sorry.

Nico: J.D. I know what they did was terrible but you got to let it go.

Me: Nico I can't forgive them for everything they did. How can I just let Marge and Agnes be forgiven after everything they did to Homer and the kids and even Skinner for what they did!? Marge still wants to kill Homer and Agnes has never shown a single ounce of respect towards her own son for his services in the war! You think I can just forgive them for everything they did!? They hurt you and that crossed the line!

Missy: I wouldn't either. What they did to Nico must've been bad.

Me: It was. Especially during the 20 Days of Darkness. I can't just let them be forgiven and slide it under the rug as if it never happened. What Marge and Agnes had done is unforgivable. I'm sorry but I can't forgive them for their crimes.

Nico: (Puts his hand on my shoulder) I know how you feel J.D. I know how you feel. What they did is terrible. And I understand how you feel. But like you I have to swallow my pride and let it go. Sure what they did was awful but I have forgiven them. I know it's gonna take some time for you to forgive them but just give it some thought.

Me: (Sniffles) Okay.

Itachi: Oh, Nico, today's the day that you lead.

Nico: I know, Itachi. I just told you.

Sherlock Hound: (British Accent) That's right, after your battle with the traitor, Sentinel Prime, you and J.D. had made a leadership system, and on even days, you'll lead the team, and on odd days, J.D. will lead the team.

Nico: That's right, Sherlock Hound. And I have the mission for us, we're going to help the Muppets take down Long John Silver and his crew!

Me: From Muppet Treasure Island, oh man, I saw that movie long ago, and it was both awesome and funny.

Kermit: So, we're going after Long John Silver and his crew. No doubt he'll be wanting payback on us for beating him.

Nico: That's right, Kermit. But, we're ready for those pirates.

Sherlock Hound: (British Accent) Oh, before we go, I have to do something real quick.

Sherlock Hound made a miniature Black Rose Dragon, and it flew towards Akiza Izinski, and then, in a flash of red light and rose petals, Akiza Izinski now had a Black Rose Dragon emblazoned on her forehead, and this surprised us.

Nico: Whoa, that's impressive. Sherlock Hound, would you like to explain this surprise?

Sherlock Hound: (British Accent) Certainly, Commander. You see, we might have some trouble when we face Long John Silver and his crew, and it's from someone that the Signers and The Dark Signers, namely Carly Atlas and Misty Tredwell, know and hate all too well.

When Sherlock Hound said that, we knew exactly who he was talking about.

Nico: Sayer?! You're saying that we might also run into him when we're going after Long John Silver and his crew?!

Sherlock Hound: (British Accent) Precisely, Commander Nico. After Sayer died from the massive heart attack from the stress and anger, combined with seeing Misty Tredwell's little brother, Toby Tredwell, whom J.D. brought back from the dead after you dealt with King Sandy, his spirit wasn't sealed into The Book of Vile Darkness or sent to The Warp, and if he's so much as found a Dark Orb or worse, a Number Card, it'll bring him back from the dead, and he'll want one thing: revenge on The Signers, The Dark Signers, and all of Team Loud Phoenix Storm and The Masters of Evil.

We gasped at what Sherlock Hound just told us about the possibility of Sayer returning from the dead to seek revenge on us.

Sherlock Hound: (British Accent) And if Sayer shows up, please allow me to face him. I know that all of you want to rip him to shreds for what he's done, but I want to be the one to end his life and send his soul to The Further forever.

Nico saw the determination in Sherlock Hound's eyes, and he confirmed his intentions.

Nico: (Smiles) Okay then, Sherlock Hound, Sayer is all yours when he shows up.

Sherlock Hound: (British Accent) Thank you, Commander Nico. I promise, I won't let him leave here alive.

Nico: Now, that's what I like to hear.

Dr. Watson: (British Accent) Good heavens, old boy, are you sure about this?

Sherlock Hound: (British Accent) Of course, Watson, I intend to make sure that Sayer pays for all of his crimes.

Nico: Good. Now for our mission. First we're going to watch Muppet Treasure Island.

We got to watching the movie.

Jim Hawkins is a young orphan who lives in an inn in England with his best friends Gonzo and Rizzo. Jim listens to Billy Bones' tales about the pirate Captain Flint, who buried his treasure trove on a remote island and executed his crew so only he would own the island's map. One night, Bones' crewmate Blind Pew arrives, giving Bones the black spot. Just before dying of a heart attack, Bones gives Jim the treasure map and begs him to go after the treasure and keep both it and the map safe from pirate hands, especially one with a peg leg. Just then, an army of pirates attack the inn, destroying it, but Jim, Gonzo, and Rizzo escape with the map.

The trio takes the map to the half-wit Squire Trelawney (Fozzie Bear), who arranges a voyage to find the treasure. The boys are enlisted aboard the Hispaniola as cabin boys, accompanied by Trelawney, Dr. Livesey (Bunsen Honeydew), and Beaker. The ship is commanded by Captain Abraham Smollett (Kermit the Frog) and his overly strict first mate, Mr. Arrow (Sam Eagle). The boys meet the cook Long John Silver, a one-legged man whom Bones warned them of, but Jim and Silver become good friends. The ship sets sail, but Smollett is suspicious of the crew, believing them to be of shady character. After Gonzo and Rizzo are kidnapped and tortured by three of the crew who have turned out to be pirates, he has the treasure map locked up for safe keeping.

It is revealed that Silver and the secret pirates in the crew had been part of Flint's crew and want the treasure for themselves. Silver fools Mr. Arrow into leaving the ship to test out a rowboat, says he drowned, and has his minions steal the map during Arrow's memorial service. Jim, Gonzo, and Rizzo discover Silver's treachery and inform Smollett. Arriving at Treasure Island, Smollett orders the entire crew save the officers to go ashore, planning to keep himself and non-pirate crew aboard the ship and abandon the pirates on the island. However, his plan falls through when it is discovered that Silver has kidnapped Jim to have leverage against the captain. On the island, Silver invites Jim to join them in the treasure hunt using his late father's compass. When Jim refuses, Silver forcibly takes the compass from him. Smollett, Gonzo, and Rizzo land on the island in an effort to rescue Jim. However, unbeknownst to them, Silver had hidden a squad of pirates aboard the Hispaniola before leaving, and they capture the ship in Smollett's absence. On the island, Smollett and the rest of the landing party are captured by the native tribe of pigs, where Smollett reunites with his jilted lover Benjamina Gunn (Miss Piggy), the tribe's queen.

The pirates find that the cave in which Flint hid the treasure is empty, leading to a brief mutiny against Silver. Silver reveals that, even though he is a pirate, he cares for Jim and allows him to escape. After reprimanding the crew from using a page from the Bible to deliver a death sentence, Silver and his crew capture Smollett and Benjamina. Smollett is hung from a cliff to fall to his death. In an effort to save Smollett, Benjamina reveals the treasure is hidden in her house, but when she spits out a kiss from Silver, he hangs her off the cliff as well. Jim rescues his friends and with Mr. Arrow (who is revealed to be alive), the group regains control of the Hispaniola, and rescue Smollett and Benjamina. The group engages the pirates in a sword fight until only Silver is left standing, but he surrenders when he finds himself outnumbered. While the pirates are imprisoned, Silver discovers he still has Mr. Arrow's keys and tries to escape with the treasure. Jim confronts him and threatens to give his position away, while Silver draws his pistol. In a tearful standoff, neither can bring themselves to follow their threats and Jim allows Silver to leave as long as they never cross paths again, much to their disappointment. Silver rows away, but not before returning Jim's compass to him and complimenting his kind heart. However, Mr. Arrow informs Jim and Smollett that the boat Silver used was not seaworthy, and Silver is stranded on the island with no gold.

The crew of the Hispaniola sails away into the sunset, but not before sending some scuba-diving rat tourists to recover the treasure from the sea, ending the film.

When the movie was done we cheered wildly.

Nico: That is always an awesome movie!

Lily: Yeah it was!

Me: Yep. But thank goodness this movie wasn't berated by bad criticism this time. It was because of a huge competition with Happy

Gilmore and Broken Arrow.

Eli: I love those two movies.

Nico: I do too. Lets get the ship ready and set sail!

We went to the ship and did so. We set sail. We were on the high seas.

LJS: This isn't Treasure PLanet. It's just Treasure Island.

Fuse Man: We know, Silver. You stay close to us at all times so we don't confuse you for the pirate we're gonna take out.

LJS: Good thinking lads.

Nico: Thanks. But this takes place in the 17th Century. This is gonna be so awesome.

Eli: It sure is.

Gonzo: I'm looking forward to this.

Nico: Me too.

Sportsmaster: Is there anyone new that can help us here?

Nico: We'll find out. But from the looks of things we're going to go for the treasure first.

Eli: I sense that the treasure is right there. (Points to an island)

We saw Treasure Island!

Laney: LAND HO!

Nico: Wow!

Mason Brown: All right. Let's keep our eyes peeled.

Avior: Treasure Planet had traps. This island won't be any different.

Eli: I'll sense for any traps.

Nico: Okay. Drop anchor.

We dropped and anchor and flew to the island and we kept our eyes peeled for traps.

We went onto the island and it was a beautiful island but it was treacherous and we went into the jungle.

Killer Shrike: Hey, Wolverine. Can you sniff out any traps?

Wolverine: Let me see here.

He sniffed the ground and then came across some unusual sand.

Eli: I think I know what this is.

Eli fired a Force Blast and blew a cover off a pitfall!

Nico: A pitfall.

Laney: Look what it's lined with.

We saw that the bottom of the pit was lined with spikes and skeletons were skewered through some of them.

Nico: Geez!

Lana: Whoa! Nice job Logan.

Wolverine: Thanks.

Thunderblast: Wait. Who's that over there? She looks like Sly.

Nico: Lets see.

Brittney looked and she recognized her!

Brittney: Whoa! That's Sly's Caribbean Pirate ancestor Henriette "One-Eye" Cooper!

Nico: Whoa! That's so cool that we're seeing one of Sly's ancestors.

Sly Cooper: It sure is and it's an honor to see her.

We went over to her.

Shiva: Excuse me. Are you Henriette Cooper?

Henriette Cooper: That's right. And you must be the famous Team Loud Phoenix Storm.

Nico: We sure are.

Henriette saw Sly.

Henriette Cooper: Judging from the cane and attire, you are a Cooper.

Sly Cooper: I'm your descendant Sly. I'm from the 21st Century.

Brittney: You are known for stealing from pirates while sailing the seas.

Qin: That is amazing.

Erica: Boy it sure is.

Meta Knight: (to me) Isn't Henriette looking as beautiful as ever?

Me: She sure is and Henriette is known as the Lone Female of Sly's ancestry.

Brittney: Yep.

Henriette Cooper: I'm honored that you all know about me.

Brittney: It's not just you Henriette. We know a lot about the Cooper Line and all that. The Cooper family has over 12,000 years of history behind it.

Erica: Wow! 12,000 years of history!? That's incredible!

Missy: That is amazing! Sly your family has to be the longest ancestral line of thieves in the history of mankind.

Sly Cooper: My family has been stealing from criminals for many generations.

Nico: Ever since 10,000 B.C.

Eli: Wow!

Erica: That's incredible.

Keiichiro: (smiles at Kairi Yano) Reminds me of a certain Phantom Thief I know.

Crimson Dynamo: Make that 3 Phantom Thieves. 4 if you count Noel.

Me: Well Arsene Lupin has an ancestry that is nowhere near as long as the Cooper Clan.

Keiichiro: That's true.

Nico: But lets not forget that like the Lupin Line, they too had many enemies.

Me: Yep. But the most ruthless and most evil of them all is someone that we have faced before.

Missy: Who is that?

Me: CLOCKWERK!

THUNDERCLAP THUNDERCLAP! THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Erica: Whoa! Who is Clockwerk?

Me: You would hate this guy Erica.

I went over his history.

---

Clockwerk is the main antagonist in Sly Cooper series, serving as the overarching antagonist in Sly 2 and the founder and mastermind behind The Fiendish Five. A large owl who resided in Russia, Clockwerk replaced his entire body with advanced machinery in the hopes to wipe out the Cooper line out of jealousy for their reputation as master thieves. He is the arch-nemesis of Sly Cooper and the entire Cooper Clan as a whole.

After his defeat at the hands of Sly, Clockwerk's body was rendered into pieces, which were then stolen by the KLAWW Gang and then put back together by Arpeggio to make himself immortal, only to be stolen by Neyla, who merged with Clockwerk's body herself and became Clock-La.

He was voiced by Ross Douglass.

## Origins

Clockwerk was born thousands of years ago as a Eurasian Eagle-owl (he may have been born in the Ice Age as Clockwerk was sighted there in Thieves in Time). No information is given of his family, real name, or early life. What is known is that, at some point, he learned of the thieving Cooper Clan and was overcome with jealousy and hate for their great fame. Due to this burning hate, he vowed to wipe out the entire Cooper blood-line, but knew that he had live much longer than most to pull it off. To that end, he resorted to replacing his own mortal body with soulless machinery, effectively turning himself into a robot that was powered by his own hatred (how such advanced technology was acquired back then is still a mystery). He also installed a "Hate Chip" that would allow his mechanical frame to exist forever as long as his hatred remained.

After completing his transformation, Clockwerk went on to hunt down various members of the Cooper Clan throughout the ages, including Slytunkhamen I in Ancient Egypt, Rioichi in Feudal Japan, Tennessee Kid in the Wild West and Otto van Cooper in WW1 Europe. He also crossed paths with Henriette "One Eyed" Cooper and her pirate crew out at sea. He used his hypnotic eyes to transfix most of the men aboard in his gaze, but Henrietta herself was unaffected because she only had one eye, allowing her to man the ship and escape. He used various tricks to gain the upper hand on the Coopers, such as using their compassion for others, but they always managed to thwart his efforts. Its unknown if he actually managed to kill any of the Coopers.

## Modern Era

In more recent years, Clockwerk eventually realized that he could never destroy the Cooper clan on his own, so he sought out the most infamous criminals in the world to find his allies. These included the pirating machinist, Sir Raleigh, the hulking gangster, Muggshot, the vicious voodoo priestess, Mz. Ruby and the pyromaniacal demolitionist, Panda King. Together, they formed the Fiendish Five with Clockwerk as their leader.

Clockwerk in the opening cutscene of Sly Cooper and the Thevious Raccoonus.

Clockwerk then discovered the location of the current Cooper patriarch, Conner and his family. He led his cohorts in an ambush on the very night that Conner's son, Sly was to inherit the Thievious Racoonus, an ancient book passed down the Cooper line to teach the newer generations of their ancestors' thieving techniques. Though Connor fought valiantly, the Fiendish Five overpowered him, with Clockwerk himself dealing the final blow to both him and his wife as their son watched helplessly from a closet. After slaying Sly's parents, the Fiendish Five then ransacked the house until they found the Thievous Racoonus inside a safe behind a family portrait, much to Sly's horror. Upon which, each member tore out multiple pages from the book until all that remained was the binder. He also knew of Sly's existence, but rather than slay him as well and finally end the Cooper bloodline, Clockwerk chose to let him live, but only so that it would prove to the world that he, along with any future generations of his family, were nothing without their ancestral book to guide them.

After the raid, Clockwerk and his gang split up so that they could commit more villainy across the world. Clockwerk himself settling into the Krakarov Volcano in Russia as his secret base of operations. There, he built a deadly fortress within the heart of the volcano where he developed several sinister inventions, such as robo-falcons and fire slugs to serve as his security forces. Keeping in tabs with his old team, he provided them with some of his creations, such as hover-blasters. For unknown reasons, he also designed a massive death-ray which bore his image. The authorities knew very little about him, as they only had a few unclear photos of him to go by.

However, his decision to let Sly live would come back to haunt him, as murdering his parents and taking his birthright did not break his spirit. At the orphanage Sly ended up, he met his best friends and future partners-in-crime, Bentley and Murray. Together, they formed their own team, the Cooper Gang, in order to take down the Fiendish Five and retrieve the pages of the Thievious Raccoonus.

## Sly Cooper and the Thievious Raccoonus

### The Cold Heart of Hate

After stealing files of the Fiendish Five from Interpol, as well as escaping Inspector Carmelita Fox (who Sly had feelings for), they began taking down the members one-by-one until Clockwerk himself remained, and Bentley was able to discover his location by studying the metal on the hover-blasters. On their way the volcano to face to murderer of his parents, Sly studied the photos from the pages he recovered from the Five and saw a large, shadowy owl-like figure that resembled police images of Clockwerk stalking his ancestors, making him suspicious. Carmelita Fox also made her way to the volcano via jet-pack to possibly catch both Clockwerk and the Cooper Gang, but ended up captured herself and used as bait for a trap he set for Sly, as he likely knew of the romantic feelings he had for her, but not before she stashed her jet-pack atop Clockwerk's death-ray.

With help from Otto Octavius' page in the Thievious Raccoonus, the Cooper Gang were able to build a turret atop their van, which they used to shoot their way into Clockwerk's lair and past his defenses, including his death-ray, until it was destroyed by Murray's carelessness. Murray did make up for it by getting through the next area by smashing up enough computers before the fire-slugs could, allowing them to access the control room for the death-ray.

With help from Otto Octavius' page in the Thievious Raccoonus, the Cooper Gang were able to build a turret atop their van, which they used to shoot their way into Clockwerk's lair and past his defenses, including his death-ray, until it was destroyed by Murray's carelessness. Murray did make up for it by getting through the next area by smashing up enough computers before the fire-slugs could, allowing them to access the control room for the death-ray.

After reaching the control room, Sly spotted Carmelita, who was being held prisoner in a gas-chamber. Knowing that he had to save her, Sly sneaked past Clockwerk's defenses and made his way into the chamber, but as soon as he did, the door snapped shut behind him, trapping him as well. Upon seeing him, Carmelita immediately assumed that he was the one who imprisoned her, to which Sly denied, and that's when Clockwerk sprung his trap, unleashing deadly gas to liquidate Sly's brain while mocking the Cooper Clan's compassionate ways. Luckily, Bentley hacked into Clockwerk's security mainframe and stopped the gas, thus saving Sly's life. He and Carmelita then decide to form a temporary alliance to defeat the evil owl once and for all. She even helped him retrieve his cane after it was taken by a robo-falcon by shooting at enemies and getting rid of obstacles with her shock pistol, and also allowed him to borrow her jet-pack.

## A Strange Reunion

After retrieving Carmelita's jet-pack from atop Clockwerk's death-ray before it sunk into the lava, Sly then finally confronted his parents' murderer face-to-face after so many years. The old bird stated how remarkable it was that Sly managed to escape his gas-champer as well as destroy his death-ray, just as his ancestors managed to foil him before. This statement allowed Sly to deduce that it truly was Clockwerk stalking his forefathers in the old photos in the Thievious Raccoonus and demanded to know exactly how old Clockwerk was, to which he replied, "perfection had no age". Sly asked if he was immortal, and Clockwerk explained that he has survived for centuries by feeding off his ages-long grudge against the Cooper Clan until he can finally eliminate them for good.

Soon after this conversation, their fight begins, with Clockwerk shooting atomic bullets at Sly as they both soared through the sky over a lake of magma where Clockwerk's lair once was. The missiles from Carmelita's jet-pack were normally ineffective against Clockwerk's metallic body, but the inspector helped out by using her shock-pistol to shoot gaps into his armor, allowing Sly to damage him significantly. After shooting out Clockwerk's right wing, this caused him to to spin out of control and land into the lava, though he was able rise up again by replacing his talons with jet-boosters.

Sly then questioned why Clockwerk allowed him to live on the night he killed his parents and stole the Thievious Raccoonus, which would have accomplished his goal of destroying the Cooper line. Clockwerk answered that it was to prove that the Coopers were nothing without their book, but he was rebuked by Sly, who believed that it was great thieves who created the Thievious Raccoonus and not the other way around. Angered by Sly's confidence and sentiment, Clockwerk ended their argument by stating that he will finish off Sly just as he did with his father, and once that is done, the Cooper Clan will finally be no more and he will be the only true master thief in the whole world.

Clockwerk begins attacking again by shooting off radioactive rings, which Sly dodges by going through them. Once again, Carmelita helps out by blasting weak spots into Clockwerk's armor. Then after shooting out his left wing, Clockwerk once again fell into the boiling lava before. Bentley warns Sly that Clockwerk's robotic body has a self-repair system and that he must quickly get to Clockwerk's head and destroy it to end the fight for good. Sly manages to make it past Clockwerk's defenses and land on his back, and the mechanical owl's head disconnects from the body with its own boosters to look at his foe one last time. Sly starts chipping away at Clockwerk's defenseless face with his cane, but then with his last breath, Clockwerk arrogantly shouts out that he is superior and that Sly will never be rid of him no matter what. In response, Sly knocks his head away completely into the lava, which stops the rest of his body from moving.

With Clockwerk defeated and the final page of the Thievious Raccoonus retrieved from his claw, Sly considered his parents avenged. He and his gang then make their exit from the volcano, leaving Clockwerk's remains literally in pieces floating in the lava. But as they leave, one of Clockwerk's eyes begins glowing with extreme hate, indicating that his feud with the Cooper Clan was not over yet.

### Sly 2: Band of Thieves

2 years after Clockwerk's apparent death, the parts from his mechanical corpse were retrieved from the volcano and placed in the Museum of Natural History in Cairo, Egypt. Upon learning this,

Sly and his gang set off to steal the parts, fearing that Clockwerk could somehow revive unless the parts were destroyed completely. However, the parts were taken beforehand by the KLAWW Gang to use in their various plans, forcing Sly to hunt them down one-by-one to retrieve the parts. This included the furious forger, Dimitri Lousteau, who used Clockwerk's tail-feathers as indestructible printing plates for his counterfeiting scheme, the tyrannical spice-trader, Rajan, who used the wings as a status symbol and the heart for increasing spice production, the hypnotist and corrupt jailer, Contessa, who used the eyes to increase her hypnotic abilities, and the rough transporter, Jean Bison, who used the lungs and stomach to endlessly power his trains and the talons for clearing out forests.

The KLAWW Gang's chief inventor and mastermind behind the heist, Arpeggio, however, had his own plan to put the Clockwerk frame back together so that he can merge with it and become immortal. So he had his protege and undercover agent at Interpol, Neyla, to use the Cooper Gang to steal the parts from the other gang members for him until he decided to let Neyla throw them all in prison so she could retrieve the parts by herself. He also planned to use the KLAWW Gang's individual expertises to force the people of Paris into a mad frenzy so that their collective hate can power the Hate Chip, thus ensuring his new immortality.

Despite having recovered most of the parts in the long-run, the Cooper Gang lost all of them to Jean Bison when he managed to capture them. He then sold all the parts to Arpeggio, allowing him to carry out his plan of rebuilding Clockwerk.

### Anatomy for Disaster

Upon making his way onto Arpeggio's blimp, Sly attempted to keep Clockwerk from being reassembled by reversing the magnets holding him together, but this had the opposite effect and the parts were finally locked into place. After explaining his nefarious scheme to Cooper, Arpeggio then attempted to merge with Clockwerk like he planned, but was then betrayed by Neyla, who took the body for herself and murdered her former mentor. She then flew off with her new body, boldly proclaiming that "Clock-La" was born.

Clock-La then began stalking Arpeggio's blimp for the Cooper Gang, keeping herself aloft by drawing power from the engines. With little time before they reached Paris, the heroes worked fast to disable the engines in order to weaken her. Then just like before, Sly and Carmelita teamed up to take down the evil bird; this time with a helicopter. As Carmelita flew the chopper, Sly manned the turret to fire at Clock-La as she fired missiles and radioactive rings. After receiving enough damage, Clock-La crash-landed into the blimp's main engine, causing the entire base to fall apart. Enraged, she then discovers Bentley and Murray's secret hideout and grabs it with her talons, carrying it to who knows where.

## Showdown with Clock-La

Sly makes his way to Clock-La by jumping on and off the blimp's falling debris. During this, she mentions the Hate Chip, which Bentley overhears. Upon Sly reaching Clock-La, she mentions that while she doesn't have immortality that the blimp was going to provide her, she does a feel a great power growing within her, which is likely the original Clockwerk's essence taking control. She then attempts to attack by firing her eye-lasers, but Sly avoids them and begins swatting her eyes, blinding her and causing her to spin out of control again onto an island in the River Seine.

The Cooper Gang prematurely celebrate their victory before Clock-La regains consciousness and begins reconstructing herself while summoning lasers for defense. Remembering the Hate Chip she mentioned before, Bentley deduces that they can truly win if they remove it. So Murray makes his way to Clock-La's beak and pries it open, revealing a hologram of Neyla's face professing her absolute hatred for the Cooper Gang, which matched Clockwerk's hatred for the Cooper Family. Bentley then used his bombs to blow out the lasers protecting her, which makes Neyla's face disappear, allowing him to remove the Hate Chip from Clockwerk's head. Bentley warns his friends that Clock-La will explode soon, but just before he can leave the mouth, the beak slams shut on him, crippling him permanently. Murray manages to open the beak again and carry him to safety before Clock-La blows into pieces again.

After the battle, Sly and his crew looked on as the Clockwerk parts remained undamaged from the resulting explosion. Carmelita appears and was angry about missing out on the fight, so Sly gives her the Hate Chip to take her anger out on. She then drops the chip to the ground and steps on it, crushing it into dust. Without the chip's power, time finally started to catch up with the ancient owl and the parts began disintegrating before the heroes' eyes, symbolizing that Clockwerk, along with Neyla, were finally vanquished for good.

Sly 3: Band of Thieves

While Clockwerk was truly deceased, the ramifications of the Cooper Gang's final battle with him would haunt them forever, as Bentley would never walk again after being paralyzed by the bird's beak. Murray ultimately blamed himself for not being strong enough to save him and left the team, eventually coming onto the tutelage of a mystical Guru in the Australian outback. However, Bentley made up for his handicap by building a hi-tech wheelchair that would actually provided better maneuverability than his legs ever did. And when they met again in Venice, Bentley made it clear that he did not blame Murray in the slightest for his current condition, and thus Murray was able to heal from his shame and rejoin the time.

Sly Cooper: Thieves in Time

Clockwerk has been seen in many locations throughout time in Thieves in Time watching Sly. He first appears in Japan, watching Sly and Riochi from a building. He later appears in the Wild West, watching the battle between Tennessee Kid and Toothpick's soldiers. He returns again in the Ice Age, monitoring Bob and appears in Medieval times and ancient Arabia. Clockwerk also appears in Bentley's dream, where he confronts the things he fears.

In the present day, Sly finds Clockwerk's eye, which was not destroyed along with him, revealing that Clockwerk still exists and is not gone for good.

---

When I was finished, everyone that hadn't heard about Clockwerk was shocked and horrified.

Erica: WHOA MAN!

Missy: He was able to live for so long because of jealousy and hatred towards the entirety of the Coooper Clan!? That's crazy!

Me: Yep. Hatred and jealousy towards the entire Cooper Clan was so powerful that he replaced his mortal body with machinery and it made him immortal.

Brittney: And powered by pure hatred. His heart was as black as night.

Nico: Yep and that makes him one kind of term.

Eli: Pure Evil Incarnate.

Nico: Yep.

Charge Man: Don't worry. Clockwerk's already been dealt with.

Crimson Dynamo: I remember that. I was there when you guys sent him to the Warp.

Me: Yep and we made sure there was nothing left of him.

Nico: He was able to survive for so long because of a chip that was the very source of his immortality.

Brittney: The Hate Chip. His life force was bound to the chip and when it was destroyed he disinitegrated into dust. 12,000 years caught up with him very fast.

Erica: Good riddance.

Marie Kosmodemyanskaya: (Russian Accent) He gives all owls everywhere a really bad name.

Simone: You're not kidding there.

Henriette Cooper: But you guys saved us all by destroying him forever.

Nico: It was Brittney and the Goths here that destroyed him the first time. Twice.

Crimson Dynamo: That was before the team was still starting out wasn't it?

Nico: Yeah and it was before I joined the team.

Me: I remember that.

Erica: Wow you guys have had a lot of adventures.

Eli: They sure have and it's amazing.

Arrietty: It's all amazing.

Eli: Yeah it sure is.

Nico: We've had a lot of really cool adventures.

Henriette Cooper: They sound interesting.

Captain Boomerang: (to Henriette) (Australian Accent) Look, I don't mean to rush you. But have you seen anyone else on this island?

Henriette Cooper: As a matter of fact yes. Over there.

We looked from the jungle and we saw LONG JOHN SILVER AND HIS CREW!

Nico: It's Long John Silver and his crew.

Eli: It's the one that has a cane and not machines. (To LJS) No offense.

LJS: None taken lad.

Nico: They are in for a rude surprise when they see that the treasure they are after is gone.

Stewie: Wait. I don't think we have the treasure already. And neither do they.

Henriette Cooper: Oh no?

She showed us a bag that was full of the treasure.

Nico: Wow.

Diabolico: (sighs in relief) For a minute, I thought we were too late!

Nico: Shh. Here they come.

We saw the pirates coming and then they saw the chest and they rushed over and opened it.

Pirate: IT'S GONE!

All they saw in the chest was Henriette Cooper's Calling Card: Her emblem of the Cooper Clan.

Charmcaster: (smirks) Why don't we let the traps take out some of them?

Brittney: And I know just the kind of magic.

Brittney used her black magic on the sand around the chest and turned the sand into quicksand and it sucked the pirates down.

Vexen: I think there's more then one trap here.

Nico: Yep and I see it right underneath them.

Laney: I got this.

Laney used her plant powers and then.

SNAG!

The pirates got caught in a snare trap.

Blizzard Man: Okay. Everyone just stay still and don't set off any traps!

Eli: Don't worry I got this.

Eli used the force and destroyed the traps around us and we were safe.

Nico: Whew. Nice save Eli.

Deker: (to Eddy) I don't think fish will work against the pirates. But you still did a good job with said fish this morning.

Eddy: Thanks Deker. I guess Skinner told you about the duel.

Deker: Yep.

Nico: Lets make our entrance guys.

We went at the pirates.

Long John Silver: Why whoever did this will be paying dearly!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted above the pirates and then a phoenix cry was heard and the spirits of mercenaries from all over the galaxy swirled around it and converged and then we came out.

Nico: Long John Silver.

Long John Silver: So Team Loud Phoenix Storm has come.

Nico: To kill you.

The pirates got their swords out and they saw that they were all replaced with Rubber Chickens!? What the!?

Princess Rose was laughing.

Princess Rose: (laughs) I'm sorry. I can't help it. It's just so funny!

Nico: Yeah it was.

Rin Nohara: Looking for these?

Rin had their real swords with her.

They went for their guns and saw that they were bananas!?

Rin Nohara: I have your guns too.

Crew Muppet: You guys are such saps.

The 2 muppets of Silver's crew revealed that they were the ones that vandalized Rolf's home and framed Marge and Agnes.

Maria: Wait. If you guys disguised yourselves as Agnes and Marge, that means-

Rolf: Rolf unleashed his rage on two people innocent of that crime.

Animated Bumblebee: Don't beat yourself up too harshly, Rolf. I've been in your shoes.

Rolf: Really?

Animated Bumblebee: Yep.

Me: Ah screw that. Besides those two hags got what they deserved.

Eddy: Yeah they sure did. At least I wasn't on the receiving end of that this time.

Luan: That's true.

ROLF WAS ENRAGED!

Rolf: YOU WILL KNOW ROLF'S FURY FOR THIS DECEPTION!

Billy Numerous: Let me clone an army for us first!

Billy made 310 copies of himself.

Carmen: YEAH! Lets get them!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE BACK OF A SEA URCHIN!

Rolf went at the pirates and the brutally smashed and pulverized the living shit out of them with extreme savagery and brutality!

KRABLAM KRASMASH KRABOOF! BLAM BIFF CRACK BAM BASH BIFF BAM!

Silver Samurai, Snake, Mole Man, LaGrange, Goliath, Gorilla Grodd, Calamitous, Atomic Skull, Skinner and Red X then appeared.

Nico: Silver Samurai, Snake, Mole Man, LaGrange, Goliath, Gorilla Grodd, Calamitous, Atomic Skull, Skinner and Red X.

Silver Samurai: This really is different from Treasure Planet.

William: It sure is. Especially since it's not in space.

Snake: (to Nico) Dude, I just want you to know that you did the right thing earlier.

Nico: Really?

Skinner: Of course! It's going to be a long time for me and my mother to reconcile. But I'm not wasting my time hating her anymore.

Nico: Good to know.

Mole Man: (to me) I heard you went to the World of Skylanders again.

Me: I sure did.

LaGrange: Where did you go this time?

Me: We went to Dragon's Peak and it was amazing. Sophie transformed there facing DeFoe.

Skinner: That guy again!? Doesn't he know when to quit?

Me: Obviously not.

?: Boy I can tell.

Turtlini and a new figure came out and it was SOILROID DORORIN from episode 39 of Gokaiger, the Japanese Version of Super Megaforce!

---

A brown colored earth-based giant produced alongside Woodroid Moririn after Basco fails to acquire the Megarangers' greater power. It is able to trap its opponents into a large pile of soil. Both Dororin and Moririn are destroyed by Kanzen GokaiOh.

---

Eli: Soilroid Dororin! I remember you! You and Woodroid Moririn were sent to get the treasure of the Megarangers.

Soilroid Dororin: That's right Eli. Good memory on you like J.D.

Eli: I never missed an episode.

William: Looks like you're yet another unadapted monster.

Soilroid Dororin: I know! I hope you guys don't mind that I can control soil.

Nico: Not at all. That is awesome.

Eli: It sure is.

Me: But it's a darn shame you weren't part of America's series. What a ripoff!

Soilroid Dororin: No kidding.

Turtlini: And it's gonna be awesome facing Missy.

Missy: Yeah it sure is!

Me: That shell of his is really strong and tough Missy. I fired a Kamehameha blast with only 1% of my power at it and it didn't even put a dent in it.

Missy: Whoa! That shell must be really tough.

Me: It sure is.

Turtleini: (to Missy) I figured since Soilroid Dororin is making an appearence, I'd tag along to battle you.

Missy: I had a feeling. This is gonna be awesome!

Nico: Yep. I can't wait to see how you fair against that shell of his.

Missy: After what J.D. told me about it, this is gonna be awesome.

Me: Yep.

Nico: Lets get the battles underway.

We did so.

---

Battle 1: Jayden, Sunset Shimmer, Pepperdance, Cayenne, Wallflower, Firecracker Burst, Pip-Squeak, Gusty the Great, Fire Skylanders, Fire Lori, Samurai Jack, Ashi, Slog and Wildfly VS Kenuichio Harada A.K.A. Silver Samurai - The Duel with Eddy, Rolf and Marge and Agnes

---

Silver Samurai was first.

Silver Samurai: (to Jayden) I am impressed with how Rolf and Eddy performed in their duel. Though I find them using fish to be… unorthodox.

Jayden: It was a pretty perplexing way to duel but I thought it was pretty cool.

Sunset Shimmer: Using fish as mace clubs was really funny but cool.

Pepperdance: (Cajun Accent) Ooowee! That was a great way to battle.

Cayenne: I thought it was funny and cool. I hope Agnes and Marge don't mind smelling like fish for a few days.

Wallflower: We can always sic those cats that caused the Casagrande's a lot of problems on them.

Firecracker Burst: Not a bad idea.

Pip-Squeak: (British Accent) Yeah those cats would love to have

Marge and Agnes as scratching posts.

Gusty: I agree with you there Pip.

Sunburn: But we're proud of Eddy and Rolf.

Fire Lori: We all are.

Silver Samurai: That is interesting and did Rolf put eels down everyone's pants?

Jayden: He sure did. He calls it the Eels of Forgiveness.

Sunset Shimmer: It felt like everyone was wiggling around in jello.

They laughed.

Samurai Jack: Rolf may have some unusual customs but they are interesting.

Ashi: They sure are.

Silver Samurai: I think they are interesting though. Lets do it!

They fired waves of fire and energy and smashed him down.

Jayden: Victory is ours.

Sunset Shimmer: That was amazing!

---

Battle 2: Fiona, Rainbow Dash, Scootaloo, Pickle & Barley Barrel, Magma Gloom, Flash Magnus, Air Skylanders, Air Lincoln, Kyurangers and Stella Zhau, Anko, Mia, Sea, Fuse Man and Spark Man VS Snake - How pissed I am at Marge and Agnes

---

Snake was next.

Snake: (to Fiona) I don't mean to question J.D. But he's kinda unnerving me on how he's pissed off at Marge and Skinner's mom.

Fiona: Sorry about that but Marge have done a lot of terrible things in the past. Marge stabbed Nico in the stomach and that really crossed the line.

Snake: Oh man. That's right I heard about that.

Raiinbow Dash: Yeah what she did was not cool.

Scootaloo: Yeah no kidding. She really has a lot of problems with her head.

Pickle Barrel: Yeah and what she did to Nico and everyone really was unconscionable.

Barley Barrel: Yeah no kidding. But for Agnes I can't help but feel sorry for her.

Magma Gloom: Yeah I may be a villain and have done some terrible things in the past but hurting someone like how Marge and Agnes have done is something I would never do.

Flash Magnus: Yeah and I don't blame J.D. for feeling that way against Marge and Agnes. I feel the same way J.D. does towards them.

Whirlwind: I do too. I can't believe Marge and Agnes are that way.

Air Lincoln: No kidding. You should have seen Erica and Missy's and Marie's reaction from when J.D. said that Nico got stabbed. They were just as pissed as J.D. was.

Snake: Boy I don't blame them. I'm sorry this had to happen to them.

Lucky: Yeah we were told everything about what happened in Springfield, Oregon and what happened during the 20 Days of Darkness and those Zombie Apocalypse Survival Missions. That must've been a really bad shock.

Garo: No kidding. That must've been awful.

Laney: It sure was.

Miia: No kidding. But thank goodness J.D. didn't stay to watch the duel otherwise he would have killed them.

Sea: Yeah he made the right call.

Anko: You got that right.

Mole Man: (to Martian Manhunter) I still can't believe a dangerous scumbag like DeFoe was able to come back!

Martian Manhunter: I can't believe it myself. But it's amazing that Sophie was able to transform and bring an end to him with the help of Mina and Meramon.

Fluttershy: That was so cool and I'm glad DeFoe is gone for good.

Tree Hugger: We all are dudes.

Tornado Bolt: Yeah what he did to J.D. and everyone around the world was unforgivable.

Mage Meadowbrook: You're not kidding there. But thank goodness we never have to see the Organization again.

Plant Lola: Yeah what they were doing is awful and horrible.

Yamato: They were gonna use the powers of the spirits and titans to destroy the world.

Liam: No kidding. What a bunch of heartless fiends.

Drill Man: Yeah and it's good that J.D. destroyed them before the team was assembled.

Mole Man: It sure was. By the way J.D. I don't blame you for getting pissed off at Marge and Agnes like that. I feel exactly the same way.

## Battle 4: Vert, Starlight Glimmer, Cozy Glow, Trixie Lulamoon, Triple Berry, Juniper Montage, Clover the Clever, Undead Skylanders, Lightning Lisa, Lightning McQueen, Ghost Rider, Thunderblast and Lugnutz VS LaGrange - Glad I killed the Blood Spiral

LaGrange was next.

LaGrange: (to Vert) I'm glad J.D. killed the Blood Spiral. I don't mind fighting Rassimov and those other guys if they come back from the dead. But I hope we never see the Betrayer anytime soon!

Vert: Don't worry. J.D. made sure that the Betrayer was destroyed for good.

Starlight Glimmer: And that was before the team was even founded thank goodness.

Cozy Glow: Yeah what the Blood Spiral did was pure evil. They needed to be stopped or the world would have been destroyed.

Trixie Lulamoon: No kidding. Rassimov was pure evil. All of them were pure evil.

Triple Berry: Yeah they needed to be destroyed.

Juniper Montage: You got that right.

Grodd was next.

Grodd: (To Donkey Kong) I don't blame J.D. for his anger at Agnes and Marge. I mean, I know you don't treat your family that way.

Donkey Kong: And thank goodness I don't. But yeah what Agnes and Marge did that caused him to be angry is understandable.

Applejack: Yeah Marge and Agnes give all loving mothers everywhere a really bad name.

Apple Bloom: Thank goodness our mom is never like that.

Frozen Fright: No kidding. What they did show that they are absolutely lesser beings.

Rockhoof: (Scottish Accent) Aye lads. They have no love in their hearts for anyone but themselves.

Cocoa Axe: (Irish Accent) And they don't have any shame.

Steela Oresdotter: (Norwegian Accent) Ja it's not good what they did.

Autumn Blaze: What they did show that they are the worst human beings ever. It was because of Marge that Homer lost his money and family and it was because of Agnes that she made Skinner's life a living nightmare.

Coloratura: Those two are both nothing but pure evil incarnate and to make it worse, Marge stabbed Nico in the stomach!

Flashwing: Yeah! She is a monster!

Stone Luna: I OUGHTA SMASH HER UGLY TALL BLUE HAIRED SKULL IN!

Grodd: You and me both.

---

Goliath was next.

Goliath: (to Whenua) I'm amazed that Sly has a long ancestry.

Whenua: We all are amazed. Sly's ancestry is one of the longest family lines we have ever seen.

Twilight Sparkle: You're not kidding there. Sly's ancestry goes back to 12,000 years ago.

Luster Dawn: That is so cool. Sly's family has been stealing from all kinds of criminals for that long.

Sunny Starscout: That is awesome. And it's awesome that we got to meet one of Sly's ancestors here.

Princess Cadance: It sure is awesome. I heard that each member of the Cooper Clan had their own style of using their skills for their thefts.

Flurry Heart: And it's amazing how they wrote and recorded all their adventures down in the Thievius Raccoonus.

Spyro: That book has been in their family since 1300 B.C.

---

Calamitous was next.

Calamitous: (to Lisa) I still can't believe Clockwerk did all of that stuff in the past.

Lisa Loud: You are not kidding on that. What Clockwerk has done over the course of 12 millennia would put even the worst dictators, tyrants and lords to shame.

Pinkie Pie: But it's terrible that he has done all that over the course of that long a period of time.

Maud Pie: (Monotonously) We saw what Clockwerk looked like in the pictures of the Thievius Raccoonus and all he was in those pictures was more of a shadowy owl silhouetted against the night sky.

Marble Pie: Scary but really ominous looking.

Featherweight: It's amazing how he was able to appear all over the place like that in the darkness.

Somnambula: (Egyptian Accent) And it was scary how he lived for so long.

Sprocket: No kidding. And it was all thanks to his incredible jealousy and hatred towards the entirety of the Cooper Clan.

Steel Lynn: No kidding. His hatred and jealousy must've had to be as strong as the devil himself in order for him to replace his body with machine parts in order for him to survive for that long.

Dexter: In my opinion that would be physically impossible.

Jimmy Neutron: I feel the same way.

Calamitous: I feel that way too. Lets do it!

They fired waves of energy, gears, metal and lightning and smashed him down.

Lisa Loud: A most astounding success.

Pinkie Pie: BEST USUAL BATTLE EVER!

Princess Luna: Their thieving skills are very amazing and over the generations they have done it all.

Snowdrop: Boy no kidding. It's amazing that they have awesome thieving skills.

Gari: It sure is. I think it's so awesome.

Battle 9: Dana, Rarity, Sweetie Belle, Kerfuffle, Thunder Terror, Mistmane, Sable Spirit, Water Skylanders, Liquid Leni, Ms. Krabappel, Tundra Man and Blizzard Man VS Skinner - Shocked that two Muppets would Vandalize Rolf's house

---

Skinner was next.

Skinner: (to Dana) I know it was to frame my mother and Marge. But I still can't believe two Muppets would vandalize Rolf's house.

Dana: I know and it's amazing how those two Muppets were able to do it. What they did was pure genius.

Rarity: Indeed darling and it's very clever how they were able to come up with an amazing plan.

Sweetie Belle: Using I.D. Masks to disguise themselves as Marge and Agnes was a very slippery move.

Kerfuffle: (Minnesota Accent) Yeah it sure was a very ingenius move doncha know.

Thunder Terror: I don't know how they were able to get I.D. Masks like that but how they used them to frame Marge and your mom like that is really well planned out.

Skinner: You got that right. To quote Bart, Ay Caramba!

They laughed.

Mistmane: That is true.

Sable Spirit: That was a really well planned out move though.

Skinner: And what did they do to Rolf's home?

Gill Grunt: They pelted it with rotten fruit, vegetables, meat and eggs and spray painted it. They put the sentences "Agnes Skinner and Marge Simpson were Here" and "Eddy is a No Neck Chump" on the house. It really set Rolf and Eddy off.

Liquid Leni: Yeah it totes did.

Ms. Krabappel: I thought it was good those witches got justice. HA!

Skinner: You said it. Lets do it!

They fired waves of ice, jewels, water and lightning and smashed him down.

---

Red X was next.

Red X: (to Hunter) Personally, I think those two Muppets did us a favor framing Agnes and Marge. Otherwise, we wouldn't have been able to teach them a lesson. But I'm still proud of Nico's decision.

Hunter: (German Accent) Ja I'm proud of him too. Und also Marge und Agnes got what was coming to them.

Princess Celestia: Yeah after everything they did in Springfield and beyond they have had it coming for a long time.

Amber Morning growled in agreement.

Princess Celestia: They are monsters aren't they Amber.

Minuette: Especially after what Marge did to Nico.

Twinkleshine: Yeah I can't believe that Marge would hurt Nico like that.

Lemon Hearts: And how she wants to kill Homer. She also tried to kill Becky. (Season 11 Episode 21)

Moondancer: Yeah what she did during that time was despicable.

Lyra Heartstrings: I think she's possessed by a demon.

Twilight Sparkle: That might be the case especially after everything we have seen.

Spotlight: We'll have to find out.

Light Lily: (Coos)

Red Soldier: Yeah no kidding soldiers.

Red X: I agree. Lets do it!

They fired waves of magic, light and fire and smashed him down.

Missy fired an energy ball and it hit his shell and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared, Turtlini was shielded by his shell and there was not one dent in it.

Turtlini: What do you think?

Missy: Whoa! J.D. wasn't kidding! That shell is really tough!

Susie: Boy it sure is! That shell is incredibly strong.

We regrouped and we were facing Silver and his crew!

Jake Holling: Sorry, buddy. But this treasure's ours!

Megaforce Rangers: LEGENDARY RANGER MODE! MYSTIC FORCE!

The Megaforce Rangers turned into the Mystic Force Rangers!

Silver's pirates looked at the rubber chickens, shrugged, and used them to hit us.

SQUEAK!

Nico: Okay that is just pathetic!

Me: TAKE THAT!

Nico: YEAH!

?: I will destroy you all for killing me!

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight large marine blue orbs orbiting around Liam's legs, and the eight large purple orbs orbiting around Menat's legs were glowing, and The Black Rose Dragon that was emblazoned on Akiza's forehead was also glowing, and that means big trouble was coming, and our Dark Orb detectors went off, as well.

Yusei Fudo: I should've known you'd show up here, Sayer.

A figure came out, and it was indeed none other than Sayer, the monster responsible for the deaths of Carly Atlas and Toby Tredwell.

Sherlock Hound: (British Accent) Aha, I was right that you'd show up, Sayer, and I also suspect that a Dark Orb had brought you back from the dead, and it's on the back of your hand.

We saw The Dark Orb in the back of his hand, and Sherlock Hound's deduction was indeed spot-on.

Sayer: And I came back to finally destroy all of you.

Sayer tried to attack us, but the Black Rose Dragon emblazoned on Akiza's forehead fired a blast of rose red fire at his face, and it burned him badly.

Nico: Whoa, so, that was your surprise.

Sherlock Hound: (British Accent) That's right, Commander Nico.

Just then, Carly Atlas, Misty Tredwell, and Toby Tredwell appeared.

Carly Atlas: We got the word from Maria, so it's true, Sayer's returned from the dead.

Misty Tredwell: And we just saw what happened. Excellent work, Sherlock Hound.

Sherlock Hound: (British Accent) Thank you, Misty. But, now the real battle is about to begin.

Suddenly, Sherlock Hound's black eyes have turned neon blue, as he was surrounded by a red and black energy aura with purple nebulae and darkness surrounding him, and as he approached Sayer, he left purple and black energy, purple nebulae, stars, and darkness with every step.

Sherlock Hound: (British Accent) Sayer, what you did to Carly Atlas, Toby Tredwell, and Misty Tredwell and all for your so-called Arcadia Movement, can never be forgiven. (Neon Blue Eyes turn Neon Red) You are nothing but an indecent human being who'd sacrificed innocent lives for your selfish ambition and their blood is on your hands, and I will make sure that you pay for all of your crimes!

Suddenly, Sherlock Hound was then surrounded by a massive vortex of red and black energy with red nebulae, stars, and darkness surrounding the vortex. We also had a surprise when we felt yet another presence enter into Sherlock Hound, but we couldn't identify it. We also saw shadow demons running around the vortex, and inside the massive dark vortex was a blood red phoenix. Then, as the vortex faded, Sherlock Hound emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sherlock Hound grew to 6'10" in height, he had large and powerful upper and lower body muscles, he had neon blue eyes, which can also turn red, and a red and black energy aura with red and black nebulae, stars, darkness, and demons surrounding him. He now had a demonic dragon with the Dark Kanji in its claws emblazoned on his forehead, and he had on dragon earrings with the Dark Kanji in its claws. But, we were also surprised at his brand-new outfit: Sherlock Hound is wearing the purple Victorian outfit that Sparda from Devil May Cry had on in his human form, along with the large red jewel around his neck, minus the monocle, and that meant that other presence that we'd felt enter into him was The Legendary Dark Knight, Sparda.

Sherlock Hound had a brand-new large sword in his left hand called Fang of The Demon Hound, it's a large sword with a dragon with lava reflecting on it etched on the 6'5" massive, wide, double-edged blade, and the massive blade had a dark substance covering it, which resembled hardened lava, two large black metal wolf heads with ruby red eyes, a large red gem for the hilt, a longer black handle, and four large black metal wolf heads with ruby red eyes and ruby red gems in its open mouths.

Sherlock Hound had large black angel wings on his back, he had on his Bracelets of The Champions of The Universe with blood red gems on the wrists and Belt of Elemental Bravery with a large blood red gem for the belt buckle on his waist, hidden by the large cuffs of his long purple coat, long black and red decorated jacket, and long black and red decorated vest, and Eater of Sins revolver holstered on his left hip, and on the back of the long purple coat is a blood red kanji that said, "Sherlock Hound, Famous Private Detective of 19th Century London, Famous Hero of England, Master of The Stars, Red Nebulae, and Darkness, Ruiner of Professor Moriarty's Schemes, and Friend to Many."

シャーロックハウンド、19世紀のロンドンの有名な私立探偵、イギリスの有名な英雄、星のマスター、赤い星雲、そして闇、モリアーティ教授の計画の破滅者、そして多くの友人

Sherlock Hound has transformed into SUPER ANGEL 750,000,000,000 STELLAR DARKNESS DEMON HOUND ANGEL OF DARK COMPASSION AND JUSTICE!

We were amazed by Sherlock Hound's Super Angel 750,000,000,000 transformation, but when Sayer saw it, he fell into a black rage, and he went mad with rage.

Me: Whoa, now that's what I call an awesome transformation.

Nico: You said it, Colonel, and that other presence that we felt enter Sherlock Hound was none other than Sparda from Devil May Cry. This is going to get really messy.

Sherlock Hound: (Divine Echoing Darkness Voice of Compassion and British Accent) **I'm afraid you're right, Commander Nico.** (Sparda's Voice) And now, Sayer, it's time for you to die.

Sherlock Hound went after Sayer, and he fired powerful blasts of red nebulae, stars, and darkness at Sayer, which'd exploded with incredible power. Then, Sherlock Hound surprised us by using some of Dante's techniques, such as Maximum Overdrive, Round Trip, and he knocked Sayer into the air using High Time. Then, he used Air Hike, and it formed an intricate red glyph under his feet, and he'd leapt up after Sayer, and attacked him with Aerial Rave and knocked him down with Helm Breaker.

Nico: Whoa, he's using Dante's techniques from Devil May Cry, awesome!

Then, Sherlock Hound took out Luce and Ombra, Sparda's twin firearms, and he used Rain Storm by flipping upside down midair and firing on Sayer below him, riddling him with bullets, and he was left bleeding badly.

Red Hood: And he used Rain Storm on him by summoning Luce and Ombra, I've got to learn how to do that.

Sherlock Hound: **And now, to end you once and for all.** DANCE MACABRE!

Sherlock Hound then charged at Sayer, covered in red and black energy, and with his sword, he used Dante's Dance Macabre, and he unleashed a streaming barrage of sword slashes that dance around Sayer with breakneck speed, and he finished with an energy-infused massive swing that had dealt a massive amount of damage, and Sayer was killed, as he was cut to shreds and all that was left of him was a pool of blood, and his spirit was sent to The Further for all eternity.

We cheered wildly for what Sherlock Hound did, as he then holstered his massive Fang of The Demon Hound sword on his back, and he powered down, but Sherlock Hound's new body, clothes, weapons, and jewelry were permanent. Sherlock Hound's neon red eyes turned back to blue, as soon as Sparda was finished.

Nico: Sherlock Hound, that was amazing.

Sherlock Hound: **Thank you, Commander Nico.**

Me: And we also now have Sparda in the team now.

Sparda: (Through the Red Jewel on Sherlock Hound's Neck) That's right, J.D., and it's a pleasure to meet you. I'm sorry I had to resort to this, though.

Nico: I understand, but this'll mean we'll be meeting your son, Dante and his allies, soon.

Sparda: Yes, and from what me and Eva have seen in the afterlife, he has done an excellent job in fighting the demons over the years, and he's become a famous demon hunter.

Eli: But that's it for Silver.

LJS: There's only room for one Long John Silver!

Goliath: And that's you!

Me: YEAH!

Calamitous: I was actually in Treasure Planet one time

Atomic Skull: I remember you telling us that.

Me: I remember that. That was awesome!

Grodd: Either way, the treasure's safe.

Red X: So, what do we do with it?

Nico: Put it in our vault.

Me: Awesome idea. What do we do with these two.

I had the REAL Vandals tied up.

Nico: I think I have a good idea.

May: So, what do we do with these two again?

Nico: You'll see.

We had them sent to the Limburger Cheese Mines to work for over 30,000 hours.

LJS: (To the viewers) This was an awesome swashbuckling adventure lads. I hope you all loved it as much as we did.

Me: I know we did.

We went back home and it was a great adventure and we went to sleep.

THE END

---

Another awesome adventure done.

Muppet Treasure Island was a great movie and it was so funny and awesome from what I heard. I never saw the movie but I heard it was great. The first part was for Dragon's Peak from Skylanders and that was really awesome. The 2nd part was for the 1987 movie Babes In Toyland and that was an awesome movie. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Etstheclarencefan, Nflemingful and ninjakingofhearts gave me the ideas for this and the Guest Reviewer did too. Thanks guys. Next rescue for me is gonna be in the world of

Rosario+Vampire and that is gonna be an interesting one. We're gonna go to Yokai Academy and we're going to meet a Cockatrice named Kuune and we're going to also meet Nene Amano who is bonded with Shademon as well as Kazemon Gene-Slammer named Natalia Octavia, an Italian American. And me, Eli, Allie, Maria, Missy, Erica, Qin, Marie, Simone, Miranda, Haumia the Phoenix Angel, Mizore Shirayuki and the Articuno Gene-Slammer are going to face Okuto Kotsubo, a Kraken and the Gym Coach of Yokai Academy who tried to rape Mizore and we're going to make that monster pay for hurting her and trying to get her expelled and we have proof. Mizore is gonna transform in that one. But first I'm gonna show everyone around before we go after Okuto. Next for Lincoln's rescue we're going to school and we're going to face the director from the Fosters Home For Imaginary Friends episode The Smell of Success and as promised, not only is Qin gonna punch him in the face for Terrance but also we're going to stop him from hurting anyone else. The next chapter is gonna be for the 4th installment for RWBY and we're going after The Malachite Sisters, Melanie and Miltia and we're going to throw them in jail.

See you all tomorrow

# The Gangster Twins of Remnant

In the early morning hours at 1:13 AM, I was in bed having a really interesting dream.

In my dream, I was in Equestria and I was seeing Princess Luna and she had a little alicorn girl with her that looked to be no older than Pip-Squeak.

Princess Luna: Moondust I'm sorry to tell you this my daughter but there is a strong chance that my sister may banish me for some time because of a great evil that is festering inside me.

Moondust: What do you mean mom?

Princess Luna: I'm overflowing with incredible hatred and rage and jealousy over my sister. I'm gonna turn into a monster and I don't want you to get hurt because of me. So for your safety I'm gonna have you frozen in time in a magic crystal until I return.

Moondust: I understand mom. But I will always love you no matter what.

Princess Luna: (Smiles) I know Moondust. I know. I love you too.

They hugged one last time for what would be for 1,000 years. Then Princess Luna fired a beam of magic and I saw her put the alicorn filly into a blue crystal and then I saw the crystal fly away. I followed it and it was in a crystal cave that was right underneath a volcano in the Equestria Badlands. I knew right then and there that this was where I was gonna find Moondust.

At 3:12 AM, I woke up and I got up.

Me: (In my head) Princess Luna has to have her daughter back. I got to bring her back.

I went and got my cloak and then I saw Lana, Eli, Laney and Tara up too.

Me: Did you guys have a bad night?

Eli: Actually we had the same dream I think that you did bro.

Lana: Yeah it was crazy.

Laney: What are the odds of that?

Tara: Very High.

Me: Yeah. Lets get ready and head out.

We did so.

Jean Bison: Why are you two up so earliy?

Nico: I'm getting a drink of water. Why are YOU up so early?

Jean Bison: I was heading back to get some more sleep.

Nico: Okay.

Nico went to the kitchen and then he saw me, Eli, Laney, Lana and Tara about to head out.

Nico: Where you guys going so early?

Me: I had another dream about Equestria.

Nico: Was it another vision into the past?

Me: Yeah. It was telling me where to find Princess Luna's daughter.

Nico: Oh wow.

Tara: We're going to find her and bring her back to Princess Luna.

Nico: I'll go with you.

Me: Okay.

Lazlo: Can me and Soundwave come with you guys?

Me: Yes you can. But we have to be careful.

We were off to the Equestria Badlands.

We flew far into the night and then we got to the location we were told about in my dream.

We arrived at the crystal cave we were shown and then we saw Moondust in a crystal.

Eli: Whoa there she is.

Me: Lets get her back to the estate.

We did so and then we used our magic to free her.

Soundwave: Are you Princess Luna's daughter?

Moondust woke up and she saw me.

Moondust: Who are all of you?

Me: It's all right. We mean you no harm. I'm J.D. Knudson, leader of Team Loud Phoenix Storm. You were frozen in that crystal for 1,000 years.

Moondust: 1,000 years? Where's mom?

Me: She's back safe and purged of the evil that was in her. Long story.

We told her everything. Then the sun rose and everyone got up and we told them everything.

Tara: We've got a surprise for Princess Luna!

Blaster: Is the surprise the end of all evil in the universe?

Tara: Nope.

Me: You'll see in a few seconds.

Princess Luna came in and she was tired from a long night.

Me: Morning Princess Luna.

Moondust: (Gasp) Mom!

Princess Luna: (Gasp) Moondust!

They went and hugged for the first time in 1,000 years!

Me: We found her in a dream.

Princess Celestia: Little Moondust. Oh wow. Thank goodness she is back.

Princess Luna: (Crying) I've missed you so much my daughter.

Moondust: (Crying) I've missed you too mom!

It was an awesome family reunion. Then we got ready and had breakfast and then me and my group were off on our next rescue.

---

In the haunted woods outside of Yokai Academy, me, Allie Wilde, Marie, Eli, Missy, Qin, Erica, Marie, Haumia the Phoenix Angel, Mizore Shirayuki, Simone and Miranda and the Articuno Gene-Slammer were walking to the school.

Julie Tancheno: Are you glad to be home, Mizore?

Mizore: I sure am Julie.

Julie concentrated and groaned as her mouth turned into a beak.

Maria: Wow so this is Yokai Academy.

Missy: This is gonna be so cool.

Erica: I can't wait to check it out.

Julie turned into Articuno!

Me: YEAH!

Haumia: This is gonna be interesting. I've heard about Yokai Academy. It's a very prestigious school only for monsters.

Eli: This will be interesting to see.

Me: Yeah it sure will. Me and Naruto were here the first time and we met all kinds of monsters here from myths all over the world.

Mizore: That's right.

We arrived.

Me: Let me show you all around before we go find the next girl.

We walked around. We saw everything in the Academy and it was amazing.

But then we saw a girl with brown hair, a pink shirt and a white skirt.

Maria: (sees Nene) Looks like we found the next girl.

Me: Wait a second. She looks familiar. Nico told me all about her.

I went over.

Me: Are you Nene Amano?

Nene: That's right. (Sees me) Wow! You're J.D. Knudson, leader of Team Loud Phoenix Storm.

Me: That's right and my friend Nico told me all about you.

Nene: Cool! I didn't know he was with you all.

A black mass with red eyes popped out of her back and formed a black wing.

Eli: WHOA!

Missy: Wow!

Simone: That's a Shademon.

Me: Whoa! You're one of the Fusion Fighter Digidestined.

Eli: Who are they?

Me: They have the power to become one with Digimon and have the power to utilize their powers to the full extent.

Nene: That's right.

Eli: Cool!

Simone: That's really cool. I'm Simone Honou and I'm a Zhuqiaomon Gene-Slammer.

Miranda: I'm Miranda and I'm a Lillymon Gene-Slammer.

Nene: Pleasure to meet you both. Wait Gene-Slammer?

Me: Long story on that.

Maria: I hope you don't mind staying with us until we meet your friends in February.

Nene: Not at all. It'll be awesome to work with you all.

Me: By the way are you the next girl we're supposed to meet?

Nene: Nope. You're looking for Kuune. She's a Cockatrice.

Me: The chicken-headed dragon serpents of British Folklore.

Nene: That's right. I'll take you all to her.

Qin: Awesome.

We walked around and then we met Kuune the Cockatrice and a Kazemon Gene-Slammer named Natalia Octavia and then went to the track and we saw Okuto the Gym Teacher.

Missy: So you're the scumbag who tried to rape Mizore!

Okuto: That's right.

Me: Okuto Kotsubo right?

Okuto: Yes and it's an honor to have you back J.D. Knudson.

Me: Sorry but I'm afraid this reunion is gonna be short. We came to bring you to justice for trying to hurt Mizore. What you have done is truly despicable!

Kuune: That's right and if there's one thing I hate it's a Rapist!

Qin: Same with me!

Eli: Me too! They are defiler of women and have no respect!

DING!

Maria kicked Okuto in the groin.

Maria: I hoped that hurt, dumbass!

Okuto was in a lot of pain!

Maria backed away and then we saw him transform! He was really A KRAKEN!

Me: Whoa! He's a Kraken!

Maria: WHOA! That's right I forgot that everyone here is a monster in disguise.

Mizore: I've had it with this clod!

Suddenly, Mizore Shirayuki's blue eyes turned neon blue and she was surrounded by a blue energy aura with ice and snow surrounding her, and as she approached Okuto Kotsubo, she left blue energy, ice, and snow with every step.

Mizore Shirayuki: Okuto, I will never forgive you for trying to rape me and trying to get me expelled. This time, I will make you pay for your crimes, and you will know the full extent of the pain that you dealt onto me in the past!

Suddenly, Mizore Shirayuki was surrounded by a massive vortex of marine blue energy with ice and snow surrounding it, there was an Ice Dragon flying around the vortex, and inside the vortex, there was an ice blue phoenix inside it. Then, as the vortex faded, Mizore Shirayuki emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Mizore Shirayuki grew to 6'0" in height, she had the body of a goddess, she has neon blue eyes and a neon blue energy aura with ice and snow surrounding her, her purple hair has marine blue highlights in the bangs, she has a Yuki-Onna holding the Ice Kanji in her hands emblazoned on her forehead, she had on Yuki-Onna earrings with the Ice Kanji in her hands and a necklace with a Yuki-Onna holding the Ice Kanji in her hands for the pendant, she had on a sleeveless white blouse with an Ice Blue phoenix, ice blue blouse with snowflakes and ice on it, blue high heels, and a sleeveless marine blue trenchcoat with snowflakes and ice on the coattails and a Yuki-Onna on the back. Mizore had on her brand-new Bracelets of The Champions of The Universe with blue gems on her wrists, her new Belt of Elemental Bravery with large blue gem for the belt buckle on her waist, and her Eater of Sins revolver holstered on her right hip. She also had her massive Frostmourne sword unholstered from her back and she had large marine blue angel wings on her back with snow falling from the feathers. There was an ice blue kanji on the back that said, "Mizore Shirayuki, Yuki-Onna of Yōkai Academy, Member of The Newspaper Club, Friend of Moka Akashiya, Amazing Member of Team Loud Phoenix Storm, Master of Ice and Snow, and Destroyer of Okuto Kotsubo."

Mizore Shirayuki has transformed into SUPER ANGEL 750,000,000,000 YUKI-ONNA ARCTIC SNOW ANGEL OF JUSTICE AND HOPE!

We were amazed by Mizore's Super Angel 750,000,000,000 transformation, but that filled Okuto with nothing but blind rage and fury.

We were amazed!

Me: WHOA! Mizore transformed!

Nene: Wow! She looks incredible!

Eli: She sure does.

Haumia: Wow! Mizore how do you feel?

Mizore: (Divine Echoing Voice of Ice and Hope) **I feel incredible Haumia. This power is more than enough to take this monster down.**

Me: Show no mercy on him!

Mizore: **With pleasure.**

She went at him and punched, kicked and slashed him all over and froze him too!

She slashed him and kicked him down.

Maria: How am I supposed to kick his groin now?!

Allie Wilde: Like this.

Allie flared up her aura and then.

ZOOM! SICKENING DEVASTATING CRUNCH!

Allie kicked him in the crotch with incredibly devastating force and we heard a nasty sickening crunch that was so nasty everyone all over the academy heard it and some were covering their manhoods and even some fainted!

Me: WHOA! Nice one Allie!

Okuto fell to the ground and he was foaming at the mouth.

Then I formed an invisibility dome and I put on my blind man glasses and Eli covered his eyes and I snapped my fingers and Julie and Natalia were reverting back.

Julie: (loses her beak) Natalia, I hope Okuto didn't try to rape you as well!

Natalia Octavia: (Loses her wings) No he didn't. I was too fast for him.

They were back to normal and were naked and Maria gave them new clothes and they put them on.

Natalia: Wow! I look awesome.

Eli: You sure do. I got something to say to Okuto.

Eli went up to Okuto as he was on the ground still in pain from Allie's nasty kick.

KROW!

Eli kicked him in the head and sent him flying and he went through a football goal post and then…

CRASH!

He plowed head first into a bunch of tires stacked up.

Eli: Keep the change you fucking filthy animal.

Me: Nice one Eli.

Natalia: (holds her head in pain) NO! I CAN'T TRANSFORM AGAIN! NOT NOW!

Natalia scratched at her arm to try and stop the transformation.

Miranda: Reign it in with the strength of your will Natalia.

Nene: That's right Natalia. It took a lot of agreements and reasoning with Shademon to get him to work with me. Concentrate.

Simone: That's right. Concentrate.

She concentrated and Natalia glowed in a neon pink aura and then she was fully engrafted with her power.

Natalia: Whoa! That was amazing!

Me: You did it though.

Eli: That was awesome!

Haumia: It sure was.

We later went back to the estate and told everyone what happened and they were amazed. Okuto was immediately fired and had his teaching license revoked and he was arrested and sent to prison in a prison among his kind.

---

After putting a stop to Okuto Kotsubo, Lincoln, Me, Nico, Eli, Nicole, Qin, and Iron Man were heading to the school, and not only is Lincoln going to rescue the twelve girls, but we got word from Mac that Kip Snip is here in this school, and we're going to take him down before he hurts anyone else.

Lincoln: So, the rescue's going to take place in school, but I know what we're going to do here, not only am I going to rescue the twelve girls here, but we also got word from Mac that Kip Snip, the disgraced director for Deo-Brand Deodorant is here in this school, and we're going to take him down before he hurts anyone else.

Me: That's right, big guy.

Qin: And I promised to punch him in the face for Terrance, so he's going to lose a couple of teeth.

Nico: Along with getting a black eye.

Eli: And a few broken bones before we put him in a straitjacket.

?: HELP!

Suddenly, Lincoln heard the sound of twelve girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the twelve girls, along with Mac and Bloo, but they've now been cornered by Kip Snip, who's gone insane and he's going to attack them.

Lincoln: Guys, I found the twelve girls, but they, along with Mac and Bloo, but they've been cornered by Kip Snip, who's gone insane and he's going to attack them. Come on, let's go.

We rushed on over, and Lincoln made a large hand from dark energy, which'd grabbed Kip Snip, and tossed him outside, and then, Qin punched him hard in the face, and she knocked out a bunch of his teeth, and then, we piled on and we thrashed him badly. Then, Lincoln put Kip Snip in a straitjacket and the cops came and took him away. We checked on Mac and Bloo, and they were okay.

Then, Lincoln and Nicole went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls were Meiko Shiraki, Mari Kurihara, Mitsuko Yokoyama, and Mayumi Tanaka from Prison School, Tiffania Westwood, Kirche von Zerbst, Charlotte de Gallia, Siesta, and Henrietta de Tristain from Familiar of Zero, Claire Victorious, Alisa Ilinichina Amiella, and Kanon Daiba from God Eater.

Lincoln: Oh wow, it's Meiko Shiraki, Mari Kurihara, Mitsuko Yokoyama, Mayumi Tanaka, Tiffania Westwood, Kirche von Zerbst, Charlotte de Gallia, Siesta, Henrietta de Tristain, Claire Victorious, Alisa Ilinichina Amiella, and Kanon Daiba.

Nicole: From Prison School, Familiar of Zero, and God Eater, awesome.

Lincoln: Are you girls okay?

Meiko Shiraki: Yeah, we're okay, thanks to you.

Then, when Meiko Shiraki and the other eleven girls saw who it was that saved them from Kip Snip, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Meiko Shiraki: Oh wow, you're you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eleven clones of himself, and he and the eleven clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Meiko Shiraki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and when Qin showed Terrence what she did to Kip Snip, along with his teeth that she knocked out of his mouth, he was impressed. And as for Kip Snip, he was then taken to The Saturn Insane Asylum's Solitary Confinement Wing, he was still in his straitjacket, and he was chained to a wall, where he'll remain there for the rest of his life, and he won't hurt anyone ever again.

---

After throwing Kip Snip in The Saturn Insane Asylum, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. The Neptune Crusaders were also dressed in their swimsuits, and they went out the Estate, and they arrived in Bubblaine, and when they saw it, it was just as beautiful as Lincoln described it.

Lily the Mermaid: Wow, this place sure is beautiful.

Lincoln: That's right, and I did make my promise to also bring The Neptune Crusaders with me.

Girl Jordan: You said it, Linky. Plus, when summer vacation starts, this is definitely where we're going.

Lily Loud: You said it, this is so awesome!

Lincoln, the girls, and the Neptune Crusaders were swimming around Bubblaine, and they got their chance to meet the residents there. Plus, they were having fun in the water. Lily Loud also took some pictures all over Bubblaine, and they came out great. They had fun for a few hours, and they also had an amazing lunch that Lynn Sr. made for them, and then after that, it was time to head back home for our next mission.

But, Lincoln, the girls, and The Neptune Crusaders had the time of their lives there at Bubblaine, the next time, all of us were going, and it'll be for summer vacation.

---

We were getting ready for our next mission.

Notacon: Moondust, do you want to go with us on the next mission? It's J.D.'s turn to lead today.

Moondust: I would be honored.

Me: Our adventures are really amazing Moondust. You're in for an amazing time.

Moondust: I can't wait to see them.

Me: Oh yeah and I have just the mission for us. We're going back to Remnant.

Ruby Rose: Awesome! And I have just the target for us.

She pulled out a poster of the Malachite Sisters.

---

Biography

"Yellow" Trailer

In the trailer, both are first seen in a bar nearby Junior, but he then later makes them leave when Yang sits nearby. When the girl attacks him, he sends out his henchmen, which she beats. After he tries using his main two goons, Miltia and Melanie after them, and although they do hold then own for a while, both are then taken out by Yang.

Volume 2

The two make a small appearance, both sitting nearby the club as they watch Yang talk to Junior. They then leave after Neptune tries and fails to flirt with them.

RWBY: Amity Arena

The Malachite Twins appear as units in RWBY: Amity Arena. They are a pair of melee fighters that swap out frequently during the battle, allowing them to stay active for longer.

Powers And Abilities

Melanie mostly uses an acrobatic style of combat, mainly using powerful kicks with the blades on her heels. Milita compliments this by mostly using her acrobatic style with clawed gloved. Both twins have a respectful amount of strength and agility.

When both twins fight together, they fight to help the other, using flanking and distracting moves to leave an opening for the other or to prohibit attacks.

Me: The Malachite Sisters huh?

Ruby Rose: They are known as one of our minor targets.

Nico: They sure look like someone I don't want to mess around with.

Weiss: You'll see what we're talking about later.

Dash (Time Force: I have a feeling that this is gonna be fun.

Silver Samurai, Snake, Mole Man, LaGrange, Grodd, Goliath, Calamitous, Atomic Skull, Skinner, and Red X then appeared.

Grodd: Can me, Silver Samurai, Snake, Mole Man, LaGrange, Goliath, Calamitous, Atomic Skull, Skinner, and Red X go with you all?

Me: You all sure can.

Mole: Who's the little one with you all?

Princess Luna: This is my daughter Moondust.

Me: We found her thanks to a dream I had.

Tara: It's true.

Snake: Wow dudes. You guys have been having a lot of vision dreams lately.

Me: We sure have. Lisa deploy the U.S.S. Valorous Phoenix.

Lisa Loud: Affirmative.

We got the ship ready and we were off to Remnant.

---

We arrived at Remnant and we were flying over the surface.

Cyclonus: Remnant's looking nice as ever.

Me: It sure is. But it still has its share of problems.

Nico: Still has some enemies roaming around that we need to lock up or kill.

Eli: Yep.

Moondust: Sounds like many of them were bad news.

Laney: You have no idea Moondust.

Ruby Rose: While we're here I want to show you guys where we lived before we met you all.

Weiss: We're gonna go to Beacon.

Blake: Or what's left of it.

We arrived at the ruins of Beacon and we were shocked at what had happened to it.

Me: My god. What the hell happened here?

Nora: Cinder Fall that's what.

Skinner: This must've been a nice school before it was destroyed.

Ruby Rose: It was.

Summer Rose: Cinder Fall was a monster and she deserved to die.

Yang: Yeah no kidding.

Me: (Growls)

I clinched my fist tight and blood seeped through my knuckles and dripped onto the ground and burned it.

Nico: Cinder Fall, if you come back I call first dibs on snapping your neck.

Me: Save seconds for Pyrrha. She is the one that killed her.

We walked around.

Blaster Tron : Calculating probability of Beacon being restored.

He got to analyzing it.

Blaster Tron: Analysis complete. 100%.

Nico: Good.

Me: Okay here we go.

I snapped my fingers and Beacon was fully restored and it was back to normal before the whole war with Salem reared its ugly head.

Ruby Rose: Oh wow!

We walked around and we were in the cafeteria and it was a big one.

Ruby Rose: Remember the food fight we had here?

Red X: There was a food fight?!

Me: Really?

Ruby Rose: Oh yeah and it was funny!

Yang: Yeah and it was hilarious!

Nico: That must've been one epic brawl.

Nora: Boy it sure was.

Gargoyle: So, who won the food fight?

Ruby Rose: Me and my team did!

Me: Right on girls!

Nora: That was a good fight.

Jaune: Boy it sure was.

Me: Let me see here.

I used my time view powers to open a window into the past and we saw the food fight unfold.

Me: Got any popcorn and snacks?

Nico: (Snaps fingers)

Nico had some popcorn and food appeared and we watched the entire food fight.

*In the Beacon Academy cafeteria, Team RWBY are sitting together as Blake looks over some notes. Yang then slides up next to her partner.*

**Yang** : Whatcha doing?

**Blake** : Nothing. ( *Blake closes her book.* ) Just going over notes from last semester.

*Yang catches a grape in her mouth.*

**Yang** : Lame.

*Nora giggles as she continues to toss grapes at Yang with her spoon. Yang catches the fruit with ease, giving Nora the thumbs up. Ruby, giving an enormous heave, slams a binder onto the table, catching everyone off guard. On the cover of the binder is written "Vytal Festival Activities, Property of Weiss Schnee". This has been hastily crossed out with a red marker pen, and with the same pen, a new title, "Best Day Ever Activities", has been written underneath.*

**Ruby** : ( *clearing her throat, She gestures to everyone at the table.* ) Sisters… friends… Weiss.

**Weiss** : ( *offscreen* ) Hey!

**Ruby** : Four score and seven minutes ago, I had a dream.

**Yang** : This ought to be good. ( *She catches another berry in her mouth.* )

**Ruby** : A dream that one day, the four of us will come together, as a *team*, and have the most fun anyone has ever had… *ever!*

**Weiss** : Did you steal my binder?

**Ruby** : ( *Ruby makes "peace" signs with both hands.* ) I am not a crook.

**Blake** : What are you talking about?

**Ruby** : I'm talking about kicking off the semester with a bang! ( *She points her finger at Blake.* )

**Yang** : I always kick my semesters off with a *Yang!* Eh? Guys? Am I right?

*An apple is tossed at Yang and hits her in the face. She glares at Nora.*

**Nora** : ( *offscreen* ) Boooooooooooooooo!

**Ruby** : Look guys, it's been a good two weeks and between more exchange students arriving and the tournament at the end of the year, our second semester is going to be great! But, classes start back up tomorrow! Which is why I've taken the time to schedule a series of wonderful events for us today.

**Weiss** : I don't know whether to be proud or scared of what you have in store.

*Yang, still glaring, picks up an apple and tosses it across the room. Offscreen, an unfamiliar voice shouts "Hey!" and Nora can be heard giggling.*

**Blake** : I don't know. I think I might sit this one out.

**Weiss** : Sit out or not, I think that however we spend this last day, we should do it as a team!

**Nora** : ( *offscreen, shouting positively.* ) *I* got it!

**Weiss** : I for one think that… ( *Weiss is interrupted by a pie landing* *on her face.* )

*Nora is shown to be the one who threw the pie, she sits down and points at Ren who has his head in his palm. Pyrrha's hand is over her mouth and Jaune simply sits staring wide-eyed while covering his ear with his palm.*

---

*Outside the cafeteria, Sun Wukong and Neptune Vasilias are walking together as Sun relates the events which took place during "Black and White".*

**Neptune** : Man, that's harsh.

**Sun** : I know, we were fighting side by side. She was super fast and I threw a banana at the guy, which sounds gross, but it was awesome.

**Neptune** : *Nice!*

**Sun** : Right? And the best part is, she's a Faunus. But that's a secret, okay?

**Neptune** : Got it.

*Sun leans in close in order to stress the importance of this secret.*

**Sun** : And not a, "I'm gonna go tell Scarlet the second Sun turns his back secret", I'm talking *secret* secret.

**Neptune** : Whoa, chill out, man, okay? I got it. ( *almost whispering* ) *I got it!*

**Sun** : You better. ( *The camera angle now shows the windows into the cafeteria where food splatters into the panes as students run around. At one point, Jaune is the one splattered into the window.* ) I just don't want to screw this up, you know? The people here are the *coolest!* No offense to you guys.

**Neptune** : None taken.

**Sun** : They're just in here. I'm *really* excited for you to meet them. So be cool, okay? You're gonna be cool, right?

**Neptune** : Dude.

*The camera pans up from Neptune's feet to his face. Neptune's teeth gleam as he smiles.*

**Sun** : Good point.

*Sun and Neptune enter the cafeteria where students are heard screaming.*

**Beacon Student** : ( *offscreen* ) *Food fight!*

*Many students are shown stampeding out the door past Sun and Neptune, the latter of whom is looking quite worried.*

**Nora** : Ahahahaha!

*Team JNPR are shown to be standing atop a tower of tables stacked in a ramshackle manner.*

**Nora** : ( *in sing-song* ) I'm queen of the castle! I'm queen of the castle!

**Ruby** : ( *Stomping her foot on a table and pointing at Team JNPR.* ) Justice will be swift! Justice will be painful! ( *Ruby crushes a carton of milk in her hand.* ) It will be *delicious!*

**Team RWBY** : ( *Raising their fists simultaneously.* ) Yeah!

**Nora** : Off with their heads!

*Nora jumps down from the top of her tower, and the food fight begins.*

**Ruby** : Yang! Turkey!

*Yang rolls over to the turkeys and sticks her fists inside them, proceeding to block and punch the melons as they speed toward her. After some fighting, Nora knocks Weiss into a pillar. The impact* *knocks her out and Ruby holds her in her arms as the pillar collapses around them.*

**Ruby** : ( *Cradling Weiss* ) Weiss, Weiss! Don't leave me! Nooo!

*The fighting resumes, ending with JNPR slammed against a cracked wall painted with soda and food. Team JNPR slides off the wall, leaving only their outlines.*

**Sun** : I love these guys.

*The camera pans right to show that Neptune is drenched with soda and is not pleased. The doors behind them open and Glynda enters the room growling. She proceeds to use telekinesis to re-organize the room.*

**Glynda** : Children, please. ( *The camera zooms in on her face as she adjusts her glasses.* ) Do not play with your food!

*Nora burps aloud as both Team JNPR and Team RWBY try and fail to compose themselves. A screaming Yang then crashes from the ceiling into one of the tables. Glynda grumbles. Ozpin approaches and places a hand on her shoulder.*

**Ozpin** : Let it go.

**Glynda** : ( *sighs* ) They're supposed to be the defenders of the world.

**Ozpin** : And they will be, but right now they're still children. ( *Team RWBY are shown laughing together.* ) So why not let them play the part? ( *Ozpin walks away from Glynda.* ) After all, it isn't a role they'll have forever.

---

We laughed hysterically when it was done and it was funny!

Me: That was so funny!

Eli: Yeah it was!

Pyrrha: I still think you guys cheated in that food fight.

Mole Man: Does it really matter?

Me: Nope. But that was so awesome!

Eli: Yeah no kidding. Nora if we saw you on top of all those tables me and J.D. would dogpile on you.

Eddy: (Laughs) That would be great!

Nico: But that was really awesome. And it's amazing how you used food as makeshift versions of your weapons.

Moondust: That was really clever though.

Sunny Tennyson: You think the Malachite Sisters are somewhere in Beacon even before we restored it?

Eli: They had to have been. I sense that they were here an hour ago.

Lana: Where are they heading?

Eli: Looks like they are heading to Atlas.

Me: Then that is where we need to go. But still girls you were awesome in that food fight. On Earth at any of our schools no way in hell would that be allowed.

Yang: I can tell.

Me: Lets head for Atlas.

We were off to Atlas and we arrived.

LaGrange: Some of you can get in my car while we're looking around.

Moondust: May I go?

LaGrange: Sure.

Princess Luna went too.

Me: Okay some of us will search from the air and some from the ground. Nico you take half the team and search Atlas from above. I'll take the rest of the team and search from the ground.

Nico: Okay.

I whistled and my Rapidash came and I got on and Allie got on too.

Nene: Let me go to Nico.

Nico: Okay Nene.

She flew up to him.

Me: Lets go.

We got to searching.

Blast Man: Pull up to that club over there.

Me: Okay.

We stopped at the club.

Yang: I know this club. It's the club of Junior.

Me: Who is Junior?

Yang: His name is Junior Xiong.

She told us his history.

---

Hei Xiong Jr., more commonly known by his nickname Junior, is a minor antagonist in the American web cartoon series RWBY. A crime lord operating in Vale and the son of Hei Xiong Sr. Junior owns and manages, The Club and has several henchmen, including the Malachite Sisters even being allied with their mother's gang

He is voiced by Jack Pattillo.

## Background

Not much is known about Junior's past. It is suggested that he has a history as an information broker, keeping tabs on the various goings-on of Remnant. He is said to have a reputation for knowing everything and has business connections with underworld figures such as Roman Torchwick. Junior runs a club and has a large number of henchmen, though it is not clear when it was established or if he has any business partners.

## "Yellow" Trailer

In the "Yellow" Trailer, Junior is seen talking with Roman Torchwick about loaning some men for a job. Yang Xiao Long later arrived at the club and walked up to the bar to pressure Junior into saying what he knew about a woman she was trying to find. When he said he didn't know the woman, Yang began to leave, but Junior had his men surrounding her. She feigned at kissing Junior then sucker-punched him to the other side of the club. After Yang defeated all his subordinates and the Malachite Sisters, Junior attacked again, but Yang activated her Semblance and knocked him out the window of the severely damaged club.

## Volume 2

In "Painting the Town…", Junior was able to rebuild the club after Yang wrecked it, and some months later, Yang and Neptune arrive to learn what Junior may know about the plans Roman Torchwick and the White Fang were making. He tells them that Torchwick contracted his men to assist in Dust robberies, but Torchwick was apparently disappointed with his men's performance as he never heard from Torchwick or his men again.

---

When she was done we were shocked.

Me: Whoa. It's a good thing that he doesn't have Roman Torchwick in his club anymore. He's now in prison.

Eli: Yep.

Me: All units land at my position.

Nico: Roger that.

They landed at our position.

We then went in.

Yang: Hey there, Junior!

Junior: (groans) Are you seriously back again, blondie? And just when my club was starting to heal from all the damages you've caused to it!

Atomic Skull: Relax. We're not here to cause trouble.

I went over.

Me: Are you Junior?

Junior: Who wants to know?

Me: Your mother that's who.

Junior: You want to fight me?

Me: I would love that kind of challenge. But I didn't come here for sweet talk. We came here for information. The Malachite Sisters. We heard there were here in Atlas. Do you know where they are?

Junior: Yeah they are here. But they are now freelance.

Me: Do you know why?

Junior: Well, let me tell you why they're freelance. A few months after the big announcement about Salem, they left me, saying that they wanted to make a name for themselves in Remnant's criminal underworld!

Jack Spicer: I don't blame them. I went freelance too back in 2019.

Me: Sounds like a big assassin we know as one of our frenemies in the Masters of Evil.

Junior: Who are you by the way?

Me: If I told you then you would run away with your tail in between your legs.

Poromon: Me and Poliwag are going to get some drinks.

Nene: I had no idea Digimon could even get drunk.

Goliath: You'd be surprised about what Poromon can do.

Nico: Yeah.

Me: Trust me Nene. We've seen some crazy things happen with it.

I went over what happened and more.

Nene was shocked.

Nene: Oh no.

Paragus: And cue the drunk nonsense Poromon and Poliwag are about to utter.

Oceanus Shenron: It's gonna be crazy.

Poliwag then slapped me across my face with his tail.

Me: OW!

Poliwag: (Slurred Speech) You shut up J.D. (HIC) You take back everything you said about Nico being stupid! (BARNEY GUMBLE BELCH)

Poromon: (Slurred Speech) LOOK AT ME! (HIC) I'M A PILLOW!

He was right in between Yang's breasts.

Nico: Okay that's enough for you!

Me: Yeah! (Snaps fingers)

They were back to normal.

Calamitous: (to Qin, Missy, and Erica) When Ellie comes back, the four of you, Poromon, and Poliwag should get drunk together.

Erica: Not gonna happen.

Qin: Yeah that would be a sin against nature.

Missy: Yeah that would be crazy.

Motormaster: All right. Time to continue our search.

Me: Okay. Lets get moving.

Nico: Agreed. (To Poliwag and Poromon) No more for you two.

Me: (To Junior) Thanks for your time.

Yang left the money and we left.

We got to searching and in the town park Snake saw two girls.

Snake: There they are.

Me: Targets sighted. Entrance time.

We went at them.

The Malachite Sisters were resting when suddenly…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted above them and a phoenix cry was heard and then the spirits of mercenaries appeared all around the explosion and then they converged and then we came out.

Weiss: Malachite Sisters, you're under arrest.

Me: Melanie and Miltia Malachite. So we meet at last.

Melanie Malachite: Team Loud Phoenix Storm.

Miltia: What a pleasant treat this is.

Me: You two are prettier than we were told about.

Melanie Malachite: Same to you handsome

Eli: Ooh pretty.

Nunnally: They do have good looks.

Militia: J.D., don't you think you've been a hero long enough?

May: What are you saying?

Melanie: We're saying that J.D. should join us!

May: Say what now?!

Militia: (to me) If you join us, we can be whatever we want. Free from want. Free from responsibility. Free to have fun!

Melanie: You like fun, don't you?

Barbossa: (sees Zarya's jealous look) This isn't going to end well.

Me: Sorry girls but I was given a lot of responsibilities and I can't give them up. As tempting as that is, it's not gonna happen. But I got a better offer for you two.

Melanie Malachite: What's that?

Me: Be one of our frenemies in the Masters of Evil. They can give you two a much better lifestyle and a much better form of living. Think of it. Good food, good clothes, good fights and fun with us.

Zarya: I agree. It's fun. (To me) Smart thinking.

Me: Thanks.

Silver Samurai: I'm afraid we still have to bring you two in so you two don't cause trouble here.

Me: That's right and we still have a job to do.

Miltia: Very well then.

Melanie: Lets dance then sister.

Miltia: Lets dance.

Then Wiggum, Pete, The Vreedle Brothers, The Springfield Mafia, Chalmers, Krusty, Cantwell, Cargill, Box Ghost and Private H.I.V.E. appeared.

Me: Wiggum, Pete, The Vreedle Brothers, The Springfield Mafia, Chalmers, Krusty, Cantwell, Cargill, Box Ghost and Private H.I.V.E..

Krusty: Hey hey kiddies! (Goofy Laugh)

Wiggum: Looks like you found the Malachite Sisters.

William: We sure did. But it took us a while.

Pete: You guys are right. They'd made good recruits to the Masters of Evil

Me: Glad you think so.

Rhomboid: And I bet they'd blow stuff up real good!

Me: I bet they would too.

Fat Tony: (to me) We heard you visited Mizore's world again.

Me: We sure did and it was great to be back at Yokai Academy again.

Chalmers: Did you kill anyone there?

Me: Nope. We got him fired and arrested. It was the gym teacher Okuto Kotsubo. He was a Kraken.

Chalmers: Whoa. We heard a really loud crunch sound.

Allie Wilde: That was courtesy of me.

Me: Allie kicked him so hard in the crotch with the speed and power of a cannonball going as fast as a bolt of lightning and she smashed his manhood and everything he had. He's not gonna be having sex with anyone anytime soon.

We laughed.

Laney: That was funny and awesome!

Gamertron appeared.

Me: Gamertron, back for round two huh?

Gamertron: Yep.

Me: Cool.

Gamertron: (apologetically) Sorry I don't have my clone Rangers with me this time.

Devon Daniels: No worries.

Me: You can always bring them next time.

Nico: After this we're gonna have some awesome fun.

Me: Yep.

We got the usual battles underway.

Sora T.: Someone who has an incredible hatred towards EVERYTHING.

Sorai: And J.D. said that it was Cinder Fall. She is the one that caused Beacon to get completely destroyed.

Phoenixmon: Yeah and what Cinder Fall did to all of Beacon makes her completely disgraceful.

Sunset Shimmer: My thoughts exactly. She had an incredible lust for power like how I used to have.

Pepperdance: (Cajun Accent) She sure did and what she did makes her a monster.

Cayenne: Thank goodness that we killed her.

Firecracker Burst: Even though we weren't there we're glad that she bit the dust.

Wallflower: And I heard she was banished to the Warp.

Pip-Squeak: (British Accent) But what she did was absolutely despicable.

Sunburn: Thank goodness we made sure that she died a horrible death.

Fire Lori: People like Cinder Fall literally disgust me.

Twilight Sparkle: After everything that Cinder Fall did to much of

Remnant, I wouldn't be surprised.

Luster Dawn: Yeah no kidding. Cinder Fall is a monster. She wiped out a whole city and killed thousands of innocent people.

Mage Meadowbrook: Yeah that was terrible. Kuyo has no honor.

Stealth Elf: You got that right and he deserved to be completely destroyed.

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight large marine blue orbs orbiting around Liam's legs, and the eight large purple orbs orbiting around Menat's legs were glowing, and that means big trouble was coming, and we heard a roar in the air.

Link: Oh no, I was hoping never to face him again.

A figure came out, and it was none other than Volvagia, a Subterranian Lava Dragon and the Boss of The Fire Temple.

Nicole: Whoa, that's Volvagia.

Link: That's right, Nicole.

Lincoln: He's not one of Ganondorf's minions, but he's still dangerous. Volvagia is a Subterranian Lava Dragon, capable of shooting powerful fireballs from his breath.

Lincoln 2: But, against any of us, it would prove worthless, since we can absorb fire and elemental forces, and it makes us stronger.

Lily the Mermaid: Let me take a crack at him. I'll put this guy out for good.

Suddenly, Lily the Mermaid's brown eyes turned neon blue, and she was surrounded by an ocean blue energy aura with water and mermaids surrounding her, she unholstered her Sword of Poseidon and as she approached Volvagia, she left ocean blue energy, mermaids, and water with every step. Then, Lily the Mermaid was surrounded by a massive vortex of ocean blue energy with water surrounding it, there was a mermaid swimming around the vortex, and inside the vortex was a blue phoenix. Then, as the vortex faded, Lily the Mermaid emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lily the Mermaid grew to 6'0" in height, she had the body of a goddess, she has neon blue eyes and an ocean blue energy aura with water and mermaids surrounding her, she has a mermaid with the Water Kanji in her hands emblazoned on her forehead, she has on mermaid earrings with the Water Kanji in her hands and a necklace with a mermaid holding the Water Kanji in her hands for the pendant, she has on a white sleeveless blouse with an ocean blue phoenix, blue blouse with ocean waves on it, blue leather ankle-length combat boots, and an ocean blue sleeveless trenchcoat with ocean waves on the coattails and a mermaid on the back of the trenchcoat. The massive, wide, double-edged blade of her Sword of Poseidon grew to 6'5" in length and the long blue fish-scale covered handle grew longer, and Lily the Mermaid has on her brand-new Bracelets of The Champions of The Universe with blue gems on her wrists, her new Belt of Elemental Bravery with large blue gem for the belt buckle on her waist, and her Eater of Sins revolver holstered on her right hip.

There was a light blue kanji on the back below the mermaid that said, "Lily the Mermaid, Guardian of Magic Island, Slayer of The Ruthless Pirate Blackbeard, Loving Future Husband of Lincoln Loud, The Protector of The Secrets of The Mermaids, and Master of Water and Mermaids."

リリー・ザ・マーメイド、マジック・アイランドの守護者、冷酷な海賊黒ひげの殺し屋、リンカーン・ラウドの愛する未来の夫、マーメイドの秘密の守護者、そして水とマーメイドのマスター

Lily the Mermaid has transformed into SUPER ANGEL 750,000,000,000 CELESTIAL MAELSTROM MERMAID ANGEL OF

LOVE!

We were impressed by Lily the Mermaid's Super Angel 750,000,000,000, but when Lincoln saw her, he had an atomic red blush on his face, and he had hearts in his eyes.

Me: Whoa, Lily the Mermaid's transformed.

Nico: You said it, and her new form's got Lincoln blushing like crazy.

Lincoln: Whoa, Lily, you look beautiful. How do you feel?

Lily the Mermaid: (Divine Echoing Maelstrom Voice of Love) **I feel incredible, Linky, and now, I'm going to put Volvagia out for good.** (To Lincoln) **Would you like to join in?**

Lincoln: Of course.

Lincoln transformed into Super Angel-Ebonwu Infinity Elemental Thundersnow Buffalo Angel of Frozen Lightning Justice, and unholstered his massive Sword of Taranis from his wider muscular back, and he joined with Lily the Mermaid.

Lincoln: (Divine Echoing Cosmic Thundersnow Elemental Voice of Justice) **Let's put this dragon's fire out for good.**

Lily the Mermaid and Lincoln went after Volvagia, who fired a blast of fire from his breath, but it didn't work as they absorbed it, and it made them stronger than ever, and they fired powerful blasts of blue and neon blue energy blasts, water, ice, and snow at Volvagia, which hits him and explodes with such incredible power. Then, Lincoln and Lily the Mermaid fired red energy blasts, which hits Volvagia, and they sucked out every last bit of fire he had, and they absorbed it, and it made them, along with the rest of us, stronger than ever.

Lily the Mermaid: **He's already on the ropes. Shall we end this beast once and for all, Linky?**

Lincoln: **Let's send him on a one-way trip to Oblivion, my love. Ladies first.**

Lily the Mermaid: **Such a gentleman**

Lily the Mermaid and Lincoln: **DIVINE MAELSTROM KAMEHAMEHA!**

Lily the Mermaid and Lincoln fired two massive Kamehameha waves, and they had massive waves of water and mermaids surrounding it, and as they hit Volvagia, they'd exploded with incredible power, killing Volvagia, and Super Hakaing his spirit for good. We cheered wildly for what Lily the Mermaid and Lincoln did, as they holstered their massive blades on their backs and powered down, but Lily the Mermaid's new clothes, weapons, and jewelry are permanent.

Then, Lincoln picked Lily the Mermaid up in his abnormally large and powerful muscular arms, and as they locked eyes, they shared a very passionate kiss and hug, as we'd looked on at the scene, and I had tears in my eyes.

Me: Just like what happened when we were in the world of Magic Island.

Nico: You did tell me about it long ago, and now, they're going to be married in the future.

Eli: I'm proud of them both.

Me: All of us are, Eli. Now lets get the battle with the Malachite sisters done uncontested.

We went at the Malachine Sisters. And we punched and kicked and slashed and smashed them all over.

Tangath Toborn, Ario, Jaal, Sobtjek, Lanker, Siado, Malvadine, Bierk, and Skartalas blasted and smashed them all over.

Soundwave, Jean Bison, Lazlo and Blaster used the Planet X and Earth Cyber Planet Keys and they enhanced Soundwave's Concussion Blaster Gun, Jean Bison's powers, Lazlo's powers and Blaster's Electro-Scrambler gun 100-Fold.

Soundwave and Jean Bison: CONCUSSION PUNCH BURST!

Lazlo and Blaster: LIGHTNING BANANA PUNCHER!

Applejack, Apple Bloom, Frozen Fright, Rockhoof, Cocoa Axe, Steela Oresdotter, Autumn Blaze, Coloratura, Earth Skylanders and Stone Luna: APPLE MEGA AVALANCHE!

They fired waves of apples and leaves and energy.

Salem, Yang, Nora, Blake, Emerald, Ruby Ruse, Summer Rose, Weiss, Jaune, Lie Ren, Pyrrha, Penny, Amber (RWBY), Moondust and Snake: REMNANT BURST STORM!

They fired waves of energy.

Dew: NINJA WEAPON NATURE STYLE: WOODLAND KAMA SICKLES!

Toph: NINJA WEAPON EARTH STYLE: QUAKING SAIS!

Hilda: (British Accent) NINJA WEAPON WIND STYLE: JETSTREAM COMBAT FAN!

They fired waves of elements and they formed into said weapons.

Lincoln and his harem: NINJA WEAPON FINAL SMASH: SHINOBI STRIKE!

They summoned their ninja weapons made from elemental energies and struck down the Malachite Sisters from the shadows and they were knocked down.

We arrested them.

Krusty: We told you girls we'd go easy on you.

Cantwell: J.D. used his powers to make the combos and Final Smashes non-lethal to you girls

Cargill: But you'll make excellent additions to the Masters of Evil.

Melanie: Good to know. We haven't seen action in a long time before today.

Box Ghost: We can tell.

Private H.I.V.E.: Don't worry. You girls aren't the only ones from Remnant in our ranks.

Miltia: Really?

Private H.I.V.E.: Really.

Me: And girls?

Melanie: Yeah.

I kissed Melanie on the lips and she returned it and loved it and then I did the same with Miltia and she loved it too.

Me: Consider that my gift to both of you for accepting my offer.

Melanie: Thank you J.D.

Me: Anytime.

Yang: (To the viewers) This was an awesome adventure and another one of Remnant's enemies is taken care of.

Nico: Yep.

Me: Great job everyone. Lets go home.

We went back home and enjoyed the rest of the day before we went to sleep.

# Revenge of The MetalliKats

THIS IS A REVAMPED VERSION OF CHAPTER 69.

---

In the Digital World, me, Allie Wilde, Eli, Nene Amado, Maria, Simone, Miranda, Gina, Marie, Jeri Katou, Erica, Qin, Missy and Aarna Ramachandran the Copperajah Gene-Slammer were walking through a forest.

Aarna Ramachandran: (Indian Accent) Are we in the Digital World?

Me: We sure are and this is the very same Digital World that Takato and his friends know.

Aarna concentrated and groaned as her nose grew.

Jeri Katou: It's amazing to be back here.

Simone: I've always wondered what the Digital World is like.

Aarna turned into COPPERAJAH!

Miranda: All right! I've always wondered where Digimon come from. This is so amazing.

Eli: It sure is. I think this is amazing.

Gina Pele: I think this is really cool. How many kinds of Digimon are there?

Marie: (Russian Accent) J.D. said somewhere around 1,400+ and the number is growing.

Me: I never get tired of coming here. Jeri, Takato and her friends have done a lot of big things here. Same with Tai, Nico and everyone.

Eli: Hey look at that there.

We saw what looked like a village and we saw that it was a MudFrigimon Village.

Me: Wow it's a Village of MudFrigimon.

Jeri Katou: I haven't seen them in a while.

We went into the village and it was a really peaceful and amazing village.

Me: Wow look at all the MudFrigimon here.

Erica: So many of them. This is amazing.

Qin: It sure is. I think this is cool.

Maria: Wait. One of these MudFrigimon isn't like the others

We saw a MudFrigimon running around like it was in a panic.

Eli: I sense human energy in that one.

Me: That must be a MudFrigimon Gene-Slammer. Strange that we would find one here in the Digital World.

Simone: Very unusual. Lets go.

We went over.

Me: Whoa calm down.

MudFrigimon: (Southern Voice) (Girl's voice) Well I'll be sliced and served with gravy! J.D. Knudson and Team Loud Phoenix Storm. It's an honor to meet y'all.

Me: Same here to you.

Leina Vasquez: I'm Leina Vasquez and I don't know what the heck I am?

Simone: You're a MudFrigimon and this is the Digital World. You're a Digimon Gene-slammer like me, Miranda, Gina and Marie here.

Me: It's true. You're one of many that we have yet to meet.

Leina Vasquez: Oh boy.

Maria: Have you seen any bad guys here?

Leina Vasquez: As a matter of fact yes I have. (Points to something) Him.

We saw OROCHIMON!

---

Orochimon is a minor antagonist in the Digimon TV shows Digimon Tamers, Digimon Fusion, and "Digimon Adventure: (2020)".

A long time ago, Orochimon fell to another level of the Digital World and has enslaved a Gekomon and Otamamon village forcing them to make milkshakes for him (sake or rice wine in the Japanese version). Some time later, Andromon continuously tries to defeat Orochimon, but is unsuccessful (and later de-digivolved to Guardromon), and Jeri ends up being kidnapped by Orochimon to make milkshakes. When Kazu came up with a strategy to defeat Orochimon, he and the Tamers asked the Gekomon to help, but were skeptical at first, but changed their mind. The Tamers and the Gekomon set off to rescue Jeri, while Jeri puts Orochimon to sleep after drinking too much milkshakes, the Tamers arrive just in time to deal with Orochimon. As Renamon, Guilmon, and Leomon fought Orochimon and manage to take out three of his heads (which were fake), but Orochimon laughs at them that he can regenerate his false heads. Jeri manages to use a LadyDevimon Digi-Modify card on Leomon, and Leomon destroys Orochimon with the Darkness Wave attack. The Gekomon then were able To go back to their normal lives with Orochimon defeated.

---

Me: WHOA That's an Orochimon!

Maria: Wow! He's an 8-Headed Serpent Digimon.

Me: Wasn't he also the very first enemy that you took down Jeri?

Jeri Katou: That's him. And it looks like he has the MudFrigimon doing his work again.

Me: What does he do?

Jeri Katou: He enslaves Digimon to make him make milkshakes for him?

Me: That's it?

We saw Orochimon drinking lots and lots of milkshakes.

Me: Boy I will say this though. He sure likes milkshakes.

Gina Pele: I don't think I can drink that many milkshakes.

Erica: Me neither.

Qin: Same with me. Nico could.

Me: Yeah Nico could.

?: Let me help you guys take him down.

We saw a Sphinx come.

Me: Whoa you're a Sphinx.

Neme: Yep. My name is Nemes and it's an honor to meet you J.D.

Me: Same here.

Nene: This is gonna be so awesome.

Me: Lets get him.

Maria was gonna use a disguise and give Orochimon a poison-spiked Milkshake.

The plan was in effect.

Maria put on a fake mustache, poisoned one of the milkshakes, and gave it to Orochimon.

Maria: Here's your milkshake!

Orochimon: Why thank you.

He guzzled it down and he threw the barrel away and belched.

BBBBBBBBUUUUUUUUUUUUUUUUUUUUUUUUUUUUURRRR

Orochimon: Ahh! That was delicious.

But then he was acting weird and stupid!

Me: Lets get him!

Jeri Katou: I got this.

Jeri went up to Orochimon and her eyes glowed Neon Yellow and her yellow energy flared up with a powerful aura as she had fire and lions swirl around her.

Jeri Katou: Orochimon what you have done to the MudFrigimon was unforgivable and what you did to the Gekomon is unforgivable too and I won't stand by and watch as you take away anymore free will of Digimon!

Suddenly she was enveloped in a vortex of yellow fire and energy as a lions roar was heard and then a phoenix was seen in the vortex. When the vortex faded, Jeri emerged for the vortex and she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Jeri was now 6' tall and she looked like she was 21 years old and had the body of a goddess. She had longer red hair and it went down to her mid back and she had a red bow in her hair and she had yellow highlights in her hair and had a lion with the kanji for Lionheart above it emblazoned in the middle of her forehead. She had earrings on with lion heads and they had the kanji for Lion Fire on them in their foreheads. She was wearing a yellow shirt that had a lion on it and she had a black skirt with a lion and fire on it and she had yellow leggings with fire on them and she had yellow shoes on and she had a yellow sleeveless trench coat on with the African

Savanna on it and it had lions on it and she had yellow angel wings with black and yellow feathers. She had her Bracelets of The Champions on and she had an Eater of Sins on her right hip, a Crystal Saber on her left hip and she had her Sword of The Lionhearted Lion in her hands. On the back of her coat was the kanji for "Jeri Katou, Digimon Tamer and Partner of Leomon, Survivor of The D-Reaper and Angel of The Digimon Tamers and Awesome Girlfriend and Lover of Takato Matsuki and Protector of The Earth and The Digital World."

加藤樹莉、デジモンテイマーズ、レオモンのパートナー、デジモンテイマーズのデ.リーパーとエンジェルの生存者、松田啓人の素晴らしいガールフレンドと恋人、そして地球とデジタル世界の守護者。

Jeri had become a SUPER ANGEL 750,000,000,000 LIONHEART FIRE ANGEL OF VIRTUE!

We were amazed!

Eli: Oh wow! Jeri transformed!

Me: So awesome! Wow! Jeri how do you feel?

Jeri: (Divine Echoing Lionheart Voice of Virtue) I feel amazing J.D. This power is amazing and now it's time to get rid of this 8-Headed Freak for good.

Me: Show no mercy on him.

Jeri fired a massive blast of fire from her hand and it hit Orochimon and obliterated him in an instant!

Me: WHOA! Way to go Jeri!

Allie Wilde: That was amazing! Awesome job!

Jeri powered down and her jewelry, clothes and weapons were permanent.

Me: Wow! Jeri you were great!

Jeri: Thanks J.D.

Nemes: That was incredible!

We then went into the trees and I put on my blind man glasses and Eli covered his eyes and I snapped my fingers and Aarna and Leina were reverting back.

Aarna: (regains her boobs) It wasn't easy finding you among all these MudFrigimon.

Leina: (Regains her skin) I know.

They were back to normal and Maria gave them new clothes and they put them on.

And Eli gave Leina an awesome cowboy hat.

Leina: Boy howdy these clothes are amazing.

Me: They sure are. And Jeri is the true hero of this rescue because she beat Orochimon twice.

Eli: She sure did.

Leina: (holds head in pain) Someone give me a milkshake! Maybe that'll stop the transformation!

Maria got a milkshake and poured it down Leina's mouth.

Maria: Please tell me that stopped it!

Leina: No it didn't! (SCREAM!) BRAIN FREEZE!

Simone: That only gave her an ice cream headache. But Leina reign in the transformation with the strength of your will. Concentrate.

Miranda: We did it and so can you.

Leina did so and concentrated and then she glowed in a neon brown aura and the power was hers now.

Neme: Wow that was awesome!

Nene: It sure was.

Erica: I thought that was cool.

Jeri: It sure was.

We went back home and we told everyone back home what happened.

---

After destroying Orochimon for good, Lincoln, Me, Nico, Eli, Nicole, and Ant Man were heading to New York, and not only is Lincoln going to rescue the ten girls sighted there, but we're also going to arrest Johnny Valentine, the murderous gangster from Home Alone.

Lincoln: Looks like our rescue's taking place in New York today, but I already know what we're going to do here, not only am I going to rescue the ten girls sighted there, but we're also going to arrest Johnny Valentine, the murderous gangster from Home Alone.

Me: That's right, big guy. Plus, we found out that there was a series of murders that no one, not even the FBI or the New York Police Department were able to figure out.

Nico: You think that Johnny Valentine was behind those murders?

Me: I think so.

Eli: Bro's right, The Force is telling me that Johnny Valentine has murdered more than 1,000 people, and they've been buried in scattered parts of The Five Burroughs.

We gasped in horror at the number of victims Valentine's killed.

Me: Kevin McAllister did tell me that this guy is a psychopath who kills people who cross him with a tommygun. He needs to be sent to prison for good.

Nico: Or sentenced to death, he's a monster.

Lincoln: That'll be for the courts to decide, Nico, right now, we'll get this filthy animal off the streets.

Me: You got that right. But that was really really smart thinking on Kevin's part to use the lines from the movies to intimidate and scare off people like that.

Nicole: You're not kidding dad. That was really clever.

Me: Yep. Lets see what it says here.

I looked up his history.

---

John R. Valentine, referred to as Johnny, is a fictional villain in the first two films of the Home Alone film series, appearing in two fictional gangster films, Angels with Filthy Souls and its sequel Angels with Even Filthier Souls.

He was portrayed by the late Ralph Foody in both films.

In Home Alone, after Kevin was mistakenly left behind when his family went to France for Christmas, he finds a tape and watches a movie that his uncle would never let him watch the night before called Angels with Filthy Souls, and is seen watching it while eating a huge bowl of ice cream. In this film, Snakes met up to Johnny to inform that he got the stuff and asks for the ten percent of hte money. Johnny said, that "Acey ain't in charge no more that he is upstairs taking a bath and will Snakes when he gets out" (though it's implied Johnny killed him). Johnny pulls out his Tommy gun and tells Snakes to get out before he counts to ten. As Snakes calmly tells Johhny that he is leaving, Johnny cuts the count short "One, two… TEN!" and shoots away, rapidly killing Snakes. Johnny laughs maniacally and said "Keep the change, ya filthy animal!". Kevin then paused the movie and called for his mother.

Later on, Kevin uses this movie to trick a pizza delivery guy to make sure that an adult was ordering the pizza by pausing out Snakes' parts to use some of Johnny's lines to talk to the pizza guy.

Later, Harry tells Marv to check out the house near the basement. Recognizing that it's Marv, Kevin plays the movie to thwart him as well by tricking him into thinking that there are insane and dangerous adults in his house. Kevin uses fireworks to make things more believable. Marv runs back to the van and tells Harry about the situation.

In Home Alone 2: Lost in New York, Kevin watched the sequel to Angels with Filthy Souls entitled Angels with Even Filthier Souls in his hotel room, while eating ice cream again. In this film, Johnny watches a movie and said "Hold it right there" to his girlfriend Susie and said that he could smell her getting off the elevator. Susie said that she was singing at The Blue Monkey last night, which Johnny doubted her and saying that she was smooching his brother and other guys (such as Snuffy, Al, Leo, Little Moe with the gimpy leg, Cheeks, Boney Bob, and Cliff) and said that he could go on forever. Johnny takes out his Tommy Gun, saying that his gun doesn't believe her. Susie pleaded her life and Johnny tells Susie to get down on her knees and tell him she loves him. Johnny tells Susie to get out of his apartment before he counts to three, when he counted three he shoots rapidly killing her, laughing maniacally. Johnny then says, "Merry Christmas, you filthy animal!" and fires a couple more shots. He then says, "And a Happy New Year" before firing one more shot.

Kevin uses this movie to trick the hotel staff, a police officer, and a security guard when they came into the room to confront Kevin about his dad's stolen credit card. Kevin hid in the other room and used Johnny's lines to talk to them, pausing out Susie's parts, and making them and the others believe that "there's an insane guest with a gun" in the room. Kevin takes that as the opportunity to go through the emergency exit, but got caught by Marv and Harry.

---

When I was finished we were shocked!

Me: Whoa! He's worse than we first thought.

?: HELP!

Suddenly, Lincoln heard the sound of ten girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the ten girls, but they've been cornered by Johnny Valentine, and he's going to kill them.

Lincoln: Guys, I found the ten girls, but that filthy animal, Johnny Valentine, has them cornered, and he's going to kill them. Come on, let's go.

Me: Oh boy. Lets wait for the right moment.

We went into the building he was in and then we waited.

Johnny Valentine: Hey, I'll tell you what I'm gonna give you girls. I'm gonna give you all 'til the count of ten to get your ugly, yellow, no-good keesters off my property, before I pump your fucking guts full of lead! One, Two, TEN!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the wall of his office and we rushed on over, and Lincoln fired a magnetic blast, which got the tommygun out of Johnny's hand, and he crushed it in two with his bare hands, and we piled on and pummeled him. Then, Lincoln put Johnny Valentine in a straitjacket.

Eli had his lightsaber blade pointed at his face.

Eli: In the name of Team Loud Phoenix Storm, NYPD and the Galactic Senate of The Republic, Johnny Valentine you are under arrest.

Lincoln handed him over to the NY cops, and took him away. Then, Lincoln and Nicole went up to the ten girls located there, and when Lincoln saw them, he immediately recognized them. The ten girls were Ryo Hayakawa, Hikaru Yoshimoto, Izumi Himuro, Kanako Mita, Koharu Hotta, Mao Daidouji, Yoko Tokashiki, Yuki Azuma, Seira Morimura, and Nene Mouri from Princess Nine.

Lincoln: Oh wow, it's Ryo Hayakawa, Hikaru Yoshimoto, Izumi Himuro, Kanako Mita, Koharu Hotta, Mao Daidouji, Yoko Tokashiki, Yuki Azuma, Seira Morimura, and Nene Mouri.

Nicole: From Princess Nine, awesome.

Lincoln: Are you girls okay?

Ryo Hayakawa: Yes, we're okay, thanks to you.

Then, when Ryo Hayakawa and the other nine girls saw who it was that saved them from that filthy animal Johnny Valentine, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver

Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Ryo Hayakawa: Oh wow, you're you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made nine clones of himself, and he and the nine clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Ryo Hayakawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and we also got the news. Johnny Valentine was convicted for the murders he's committed, and he's been sentenced to death. We were there to execute him, and he was chained to a post. Then, Lincoln fired a powerful neon blue energy blast with elemental forces orbiting around the core, and as it hits, it exploded with incredible power, killing Johnny Valentine.

Then his spirit appeared.

Me: Merry Christmas you fucking filthy animal and a happy fucking new year. (Holds hand out) HAKAI!

I Super Hakaied his spirit for good.

Lincoln: Keep the change, you filthy animal.

Rita Loud: That's telling him, sweetie.

Nico: Yep. Johnny Valentine you have failed this universe.

We went back home.

---

After the execution of Johnny Valentine, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

Then, Lincoln, Strawberry Shortcake, Lemon Meringue, Raspberry Torte, Blueberry Muffin, Plum Pudding, Orange Blossom, Cherry Jam, Apple Dumplin, Sweet and Sour Grapes, Tangle the Lemur, Whisper the Wolf, and Jewel the Beetle were getting ready for their date, and it's going to be at Lake Hylia from Legend of Zelda: Ocarina of Time.

Lincoln was dressed in large orange swim shorts with a thunderbird and elemental forces, Strawberry Shortcake was dressed in a pink swimsuit with strawberries on it, Lemon Meringue was dressed in a yellow swimsuit with lemons on it, Raspberry Torte was dressed in a purple swimsuit with raspberries, Blueberry Muffin was dressed in a blue swimsuit with blueberries on it, Plum Pudding was dressed in a purple swimsuit with plums on it, Orange Blossom was dressed in an orange swimsuit with oranges on it, Cherry Jam was dressed in a red swimsuit with cherries on it, Apple Dumplin was dressed in a red swimsuit with apples on it, Sweet and Sour Grapes was dressed in a purple swimsuit with grapes on it, Tangle the Lemur was dressed in a white swimsuit with lemurs on it, Whisper the Wolf was dressed in a black swimsuit with wolves on it, and Jewel the Beetle was dressed in a gold swimsuit with beetles on it.

Lincoln: Alright, girls, you ready?

Whisper the Wolf: We're ready, Linky. Let's get going.

Lincoln and the girls left, and they arrived at Lake Hylia, and it was very beautiful.

Jewel the Beetle: Wow, this place is amazing.

Lincoln: You said it, Link told me about Lake Hylia, and it truly is such a beautiful place.

Strawberry Shortcake: This is indeed an amazing place, I'm glad Link recommended this place for our date.

Lincoln: You said it, and next time, we're bringing everyone on the team for some fun here.

Lincoln and the girls went swimming in the waters of Lake Hylia, and they saw the creatures that live in the lake, and they also had to deal with the minor enemies that dwell within the lake, and they had also taken pictures of the creatures there. Then, they ate some lunch that Lynn Sr. made for them, and they kissed as soon as the sun went down. Then, Lincoln and the girls returned home, and they showed us pictures of their time in Lake Hylia, and we loved them.

Me: Sounds like you all had a lot of fun.

Lincoln: We sure did, J.D., and next time we go there, we're all going.

Lynn Sr.: Sounds like a plan for the future, champ.

Lori: You said it, Dad.

They told us everything about Lake Hylia and about the creatures that live there, and it's definitely like what Link told Lincoln and the girls about, along with seeing the pictures of the creatures there, and it's something that we're going to check out in the future.

---

Back at the estate we were watching T-Bone's favorite show Scaredy Kat.

We were laughing hysterically and we saw Scaredy Kat running down a hall and he opened a door at the end and a ghost came out and scared him and he screamed and we laughed.

Me: (Laughing Hysterically) THIS IS SO FUNNY!

Laney was reading a book.

Eli: (Laughing) Oh this is funny!

Missy: (Laughing) This is so funny! (Laughing)

We then saw Scaredy Kat open the closet and then a girl cat came and she gave him a bomb and Scaredy Kat screamed and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We laughed some more!

Me: (LAUGHING HYSTERICALLY!)

Missy: (Laughs)

Elec Man: Hey, Missy. Remember when we said we'd tell you about how Bastion learned a lesson about needing both brains and brawn?

Missy: Why do you ask?

Elec Man: Well, do you want to hear said story right now?

Missy: As a matter of fact yes I do.

Skunk: You will love it Missy. It's where we met Team Loud Phoenix Storm for the first time.

Me: It's a really awesome adventure. We were still catching Pokemon and even the Clow Cards back then.

I went over what happened during the events of chapter 818.

---

In the city, I was chasing after another Clow Card. It was the Jump Card. 跳 When it first appears before being sealed, Jump appears as a squishy, pink animal with thin, angry lime-coloured eyes; a long tail, ears, feet, and stubby hands.

It looked more like a small pink rabbit.

Me: The Jump Card is a fast one!

Kero: It may be fast, but it's also a good and fast hopper.

Me: Wow!

I caught up to it and jumped and caught it. Then it jumped and lifted me up with it and we were 15,000 feet into the air! WOW!

Me: Wow! We're high up.

I spread my wings and flew after it and I grabbed it.

Me: Gotcha! RETURN TO YOUR POWER CONFINED!

I held out my hand and an energy card formed and it sucked in the Jump Card. It turned into a Clow Card again. I got the card.

Me: Yes! Now to join up with the others.

I landed and ran fast to join up with the rest of the team.

---

Everyone was finished with school 20 minutes ago and I caught up with everyone.

Me: Hey guys.

Nico: Hey man. Caught another Clow Card?

Me: Yep. It was the Jump Card. It didn't put up that much of a fight but it sure is one helluva jumper.

Lori: No kidding.

Qin: Wow!

?: (Chinese Accent) Qin!

We turned and we saw a Chinese boy with black hair, a mean demeanor, a blue shirt, black pants and red shoes.

Qin: Xin!? What are you doing here!?

Xin: You have brought great dishonor to Fa name!

Me: You know this guy Qin?

Qin: Unfortunately yes. His name is Xin Fa. He's my ex-boyfriend.

Nico: He looks like a stereotypical Chinese guy.

Xin: No stereotype! Now here to avenge honor!

Me: Meg did all the people of China talk like this?

Meg: Only in Quahog.

Me: So what is this guy's story?

Qin: He's a total control freak and all he ever cared about was honor. He's a chauvinistic monster and he did all kinds of terrible crimes to me. He assaulted me all the time and he also slashed me in the back.

Qin lifted up her shirt and she had a nasty slash mark on her back. We gasped in horror!

Me: Oh jeez!

Nico: You are truly a monster Xin! Qin did nothing to deserve this!

Xin Fa: You have no say in this!

Nico: Shut your fucking trap you psychopath! You hurt my sister and I will never forgive you for that!

Me: You're a disgrace to all of China!

Qin: To quote Nico: "Xin Fa, you have failed China and this city!"

Nico: Nicely done!

We went at Xin.

Xin Fa was punching Maria, who was in her water form. Maria just backed away with a smirk on her face as the punches went though her. However, Bastion Misawa and Hydrogeddon were nearby as Maria got Xin Fa where he wanted him.

Bastion: Maria, move out of the way! Now!

Maria: Right! (moves to the side)

Bastion: Hydrogeddon, attack with Hydro Gust!

Hydrogeddon fired a muddy blast from it's mouth at the lamp post near Xin Fa, causing it to crash down towards him. But at the last second, Xin Fa got out of the way, causing the lamp post to hit the ground instead.

Bastion (shocked): What?! That should've worked!

Xin Fa: (laughs as he got out a bazooka) Next time, keep it simple. Like a bazooka! (fires rocket at Bastion)

I grabbed the rocket and threw it into the air.

Lincoln fired a massive blast of lightning and electrocuted Xin Fa.

Lincoln: You are an absolute disgrace to China and as a boyfriend.

Qin: He sure is.

Nico: You are hereby sentenced to death! I summon BLACK TYRANNO!

Nico summoned Black Tyranno and it roared ferociously.

RRROOOOOOOOOAAAAAARRRRRRRR!

Nico: Dinner time Black Tyranno!

Black Tyranno then ate Xin in one bite and splattered his blood and guts everywhere!

Me: Nice!

Lana: That was cool!

Lola: It sure was.

Luna: That guy really deserved that dudes.

Lucy Loud: Wicked.

---

Back at the estate we were scolding Bastion.

Bastion: This is the third time in a row where I had a villain exactly where I wanted him. And then… I completely blow it!

Nico. No kidding! The first time was against some leftover M.A.D agents. The second time was against those group of Jokerz.

Nico Miltank nods.

Me: (To the viewers) We fought those agents and Jokerz offscreen, just so you know.

Alexis (to Bastion): The problem is that you're playing a head game. You're overthinking your battles.

Jaden: Yeah, Bastion. Your strategies might be good in duels. But in other battles, you have to be more physical.

Katniss: When I said that you have to incorporate more strategy in your battles, I meant for you all to have a healthy combination of brain and brawn.

Me: That's right Bastion. To win the fight, you must use both your head and your strength.

Bastion: I never thought about it that way.

Me: It's all right Bastion.

Lynn: Bastion, kiss your losing streak bye bye! I got you a new trainer. Two of them, in fact!

Bastion: Really? Where will I meet them?

Drag Strip: Well, you know about the Valley, right?

Bastion: My coaches want to meet me there? I thought we would meet here in Gotham Royal York.

Lynn: It's the valley or no place. Part of their deal.

Bastion: Wow! These coaches sound strict.

Lynn: Strict but good. So we definitely don't want to keep them waiting.

Me: The Valley? You mean the Valley that's at war with Dragon?

Lynn: That's it.

Qin: You mean like a real fire-breathing dragon?

Me: Yep.

I went over to the computer and pulled up Dragon's info.

---

Dragon was the guardian of the valley and a childhood friend of Panda. Sometime before the show began, Heaven sent a horrible drought to "test Dragon's loyalty". Dragon could not bear to watch his friends die so, despite Panda's warnings, used his power of water to make it rain. Of course when he did this Heaven was angered and punished him by taking away his power to fly and made his once beautiful scales black and ugly and hurled into the mountain and attracting the attention of the mysterious hooded bat named the Overlord.

Overlord, who's been too, shunned by the world by exiling into the mountain, offer the battered Dragon of his position as his disicple. For the use of his knowledge of the valley resistance's movement, Overlord grant this ancient creature back of his inconceivable power and immortality. Having nothing left to lose, Dragon immersed himself into a life long study of magics and studies and persuade the Ninja Monkeys to burn down the valley, hoping of attacking the animals and blaming them for his punishment, chasing them from the mountain with his power of fire. In this rampage he ended up burning a mysterious lotus flower, which took away his power of water and burning him with his own fire. Despite being burnt, He retreated with his newfound mentor into the icy lake, in which the overlord created to suppress Dragon's already burned skin, of Lung mountain to sooth his burns. The Overlord, using the combination of ancient technology and the spa, transformed the ex-protector of the valley into the menacingly creature that the valley dweller and what we knew today.

Harboring true hatred and a need for revenge, Dragon plots to destroy the Valley animals completely, waging war against them. Being the dragon that he is, his temper can get outrageous with almost everyone he knows, even his own minions. He'll often burn Baboon and the Ninja Monkeys over trivial matters. Given his decision to blame the animals for his punishment, as well as his continued abuse of Baboon over trivial things, it appears Dragon has a tendency to negate blame from from himself onto everyone else. Besides being angry, Dragon has little humor left in him (except when it comes at someone else's expense). He doesn't entertain Baboon's jokes or attempts to please him. He also demands respect from his minions to the point of threatening to kill a "monkey" for speaking gibberish at him.

Dragon is persistent about destroying the animals and will do anything to see the Valley perish for what he went through. He seems to still have some respect for Panda and also misses his old life as seen in The Art of Kung Fruit. Panda and him were even willing to make a bet outside of Baboon and Skunk's Wushu competition on who would win. Still he doesn't appreciate Panda cursing his dreams to forever be filled with blueberry pies (which he hates).

---

Everyone gasped.

Lola: So Dragon wants to see the animals of the Valley die!?

Lana: Why would he want that when they clearly haven't even done anything to him?

Me: He blames everyone in the valley for his punishment.

Laney: That is not right! He saved everyone and Heaven wrongfully punished him for it! It turned him into a monster!

Qin: A monster of pure evil!

Me: I don't think the Heaven's did this. I think it was an act of the Devil. He made him this way and he lied to him and made him blame the animals for his punishment.

Nico: I think the good him is in there. We can bring it back and destroy the dark side.

Me: That's a great idea Nico. Qin, this is how we were able to help some of the former Supervillains renounce their evil ways and free them from the darkness that poisoned their minds. We have to find a spark of good inside them and bring it out into the real world.

Qin: That's amazing!

Varie: Where is this valley located though?

Me: It says here that it's located in southern China.

Qin: Wow! I'm descended from China. I have ancestry from Shanghai.

Me: That's cool Qin. We can visit Shanghai after we finish Dragon off for good. Lets get moving!

We were off to Southern China.

---

The Valley, Southern China.

---

After 10,000 miles of traveling, we arrived at the Valley. It was a beautiful and tranquil place.

Laney: Wow!

Me: The Valley. It's so beautiful.

Nico: It sure is. I can't believe Dragon wants to destroy the animals here.

Qin: I know. It's not right.

Nico's Miltank agreed.

May: I wouldn't mind coming here for a vacation one of these days.

Me: It would make a perfect relaxation spot. Lets find the animals of the valley.

We did so and we saw Panda and his students Rabbit, Skunk, Fox and many animals.

Panda saw us.

Panda: Ah, Team Loud Phoenix Storm. Welcome to the Valley.

Me: (Kung Fu Bow) It's truly an honor to meet you Panda-sensei.

Rabbit: It's such an honor to meet you guys! I like how you all show no mercy to scumbags. You're everything I want to be.

Poison Ivy: Glad to know we have a fan.

Bastion: Panda and Fox are my coaches?! Are you crazy, Lynn?! How can they train a duelist?!

Rabbit: No offense, but there's no way Panda and Fox can train you.

Fox: I agree with Rabbit for once, Lynn. Bastion here looks… scrawny.

Lynn: Guys, guys! Let's open the minds here a bit. (to Bastion) Bastion, Fox and Panda are one of the greatest teachers in the

Valley. Perfect for you to learn awesome battle skills. (to Panda and Fox) Panda. Fox. I know that Bastion doesn't look like much. But trust me. He has the heart and mind of a warrior. Hell, he even helped beat Sartorius before.

Panda: The host of the Light of Destruction?

Lynn: Yep. But Bastion's been off his game lately. (points to her brain) Too much brainpower and not enough muscle! (points to her muscles)

Me: It's true. We're also here to help you defeat Dragon. But I have a strong feeling that the friend you know is still in there Panda-sensei.

Panda: How so J.D.?

Me: I can sense a spark of good still inside him and I have a strong feeling that his punishment was caused by the devil himself and not Heaven.

Panda: That could very well be J.D. You are very wise beyond your years J.D.

Me: Thank you sensei. If I may, with your permission, we would like to train all your students in everything we know.

Panda: You have my permission J.D.

Me: Thank you sensei.

We got to work.

Hours later we were training everyone in the valley in everything we knew.

G1 Blades: So, how are things going here?

Bastion: (to Lynn) You were ight, Lynn. This training's really paying off. Panda and Fox are great coaches. (karate chops a training dummy and it tears in half easily)

Me: Wow! You are a fast learner Bastion.

Alexis: Great job.

Panda: You are ready now. It is time.

Bastion: Time for what?

Panda: For us to face Dragon and Baboon.

Me: Lets do it.

We were walking to Lung Mountain, Dragon's base of operations.

---

We were walking through the forest on the way to Dragon's lair when we heard a roar.

Bastion: What was that?

Ed: My stomach?

Eddy: Shut up Ed.

Panda: Baboon must've used his Dark Orb to summon a Heartless.

My Dark Orb detector showed that he was right.

Me: You're right sensei. It's close and it's coming this way!

Bastion: (to Lynn) How did I ever let you talk me into this, Lynn?!

Lynn: Oh, c'mon! When I heard Panda, Skunk, and the others needed help against Dragon and Baboon, I thought it would be the perfect opportunity to get the coaching you needed.

Bastion: But now I have to help fight whatever Heartless Baboon summoned.

Rabbit: (laughs) You're really a glass half empty kind of guy, aren't you? Did you really expect to get coached for free? This is a play by play world, my friend.

Bastion: I don't care what kind of world this is. I didn't train just to fight a Heartless that might be more stronger then me!

Skunk: Bastion, you can't back out now. All of us need your help.

Lynn: Skunk's right. If you bail out, the others back hom will think you're a coward. And I don't think that well bode well for your reputation.

Bastion: So, I'm stuck here. Thank a lot, Lynn!

Lynn: Trust me. Do your part in this fight and you'll have agreat time. This whole experience is gonna help you for sure. (hears the roar again) Now, if you excuse me, I have a dentist appointment.

Bastion (grabs Lynn before she runs): Nice try! But you're keeping me company!

Me: Here it comes!

We saw the ground lift up and it was a giant worm heartless! It jumped out and it was a massive worm with 7 tentacle mouths and it had a ferociously big spiked mouth. It was a heartless called the Sandworm Carnage!

Me: Wow!

Lana: That is a big earthworm!

Lola: You would not want to eat that one Lana!

Lily: I agree.

Lila: Same here.

Bastion: Let me do this. I saw this in a book I read about.

Bastion jumped high into the air and fired a powerful blast of lightning at the ground and the Sandworm Carnage came out and roared ferociously in pain.

Lincoln, Linka, Stacy and Lizzy Morris fired a massive blast of lightning at its mouth and it exploded all over the place as a pile of slop! We got a massive power boost as well. (Think of how the Queen Bitch Worm died in Tremors 5: Bloodlines)

Lola: EEEWWW!

Lana: (Licks off the guts) Taste's delicious!

Laney: Lana you are gross.

Lily: But that was awesome!

Me: Well done Bastion!

Bastion: Thanks J.D. I feel more confident and stronger than ever.

Me: I'm glad. But don't let overconfidence and arrogance cloud your judgement.

Bastion: I understand.

Me: Lets continue on.

We did so. Half way into the forest we saw a massive army of Ninja Monkeys! They were a massive army of black monkeys as dark as the night.

Me: Ninja Monkeys at 10:00!

Leni: It's not 10:00. It's 5:30.

Lisa: Leni, 10:00 is the way to describe the West-Northwest direction.

Leni: Oh right. I see what you're saying.

Jaden: I got this. I summon Elemental HERO Flare Neo!

Jaden summoned his Elemental HERO Flare Neos.

Me: Let me get some action in. I summon Nine-Headed Dragon!

Out of the card came a massive serpentine dragon and it had 9 heads! Each of one of 9 elemental forces!

Alexis: Wow!

May: That monster is so cool!

Jaden: I've never seen a monster like that one before.

Me: It's an extremely rare and ultra powerful monster. It's a level 13 monster and it has 10,000 attack.

Axel: 10,000 all by itself!? That's incredible!

Me: I was shocked myself Axel.

Alexis: Level 13!? That's unbelievable!

Jaden: That's amazing J.D.! Get your game on!

Me: (Chuckles) I may collect the cards but that doesn't mean that I can't use them for battle.

Bastion: That's amazing J.D.

Me: All right! Nine-Headed Dragon! Attack! Elemental Typhoon Obliteration!

It roared and fired a massive blast of elements from each of its nine heads. They combined and slammed into the Ninja Monkeys and exploded with incredible power.

KRABBBBBBBBBBBBBBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOO

The explosion completely obliterated 75% of the monkeys all in an instant and a massive mushroom cloud could be seen for miles. A crater was where the monkeys was now stands.

Nico: Wow! What power!

Alexis: That was unbelievable!

Axel: It sure was. I can't believe that it packs incredible power.

Me: Wow! That was amazing!

Jaden: That was amazing J.D.!

Me: Thanks Jaden. But we're not finished yet. It's your turn.

Jaden: You got it. Flare Neos attack! Firestorm Beetle Swarm!

Elemental Hero Flare Neos fired a massive blast of fire and it turned into a powerful swarm of beetles made of pure fire and they slammed into the monkeys and incinerated them.

Me: Barbecued monkeys.

Luan: This sure is Monkey Business. (Laughs) Get it?

We laughed at Luan's joke.

Me: (Laughs) That was a good one Luan!

Xion: It sure was.

Eddy: (Laughs) That was a good one.

Jaden: Time for a Final Smash Panda!

Panda: It will be an honor Jaden. You go first.

Jaden: Thank you sensei. ELEMENTAL HERO SPIRIT STRIKE!

Jaden summoned the spirits of his Elemental Hero monsters from his deck and they went at the rest of the Ninja Monkeys and destroyed most of them.

Panda: Time for some monkey brain soup! PANDA PANCAKE SLAM!

Panda jumped high into the air and slammed into the rest of the monkeys and flattened them into pancakes.

Me: You repulsive monkeys have failed this valley.

Nico: Nice!

Jaden: You're starting to get the hang of it J.D.

Me: I sure am. But I'm nowhere near as good as you and Yugi, Jaden.

Jaden: That's okay. It takes practice and good strategy.

Me: That's true. Lets keep moving.

We continued on.

We were in the desert and we were almost at Lung Mountain. And we saw Baboon!

Skunk: Baboon!

Lola: Is he I.R. Baboon's cousin?

Baboon (laughs): If you're all planning to stop me and Dragon permanently, you're doing a lousy job of showing it by bringing along that weak student of yours!

Me: Oh we shall see!

Bastion punched Baboon in the face and kicked him in the stomach and punched him in the nose, eyes, mouth and chest and kicked him into a tree with devastating force and slammed him into the ground.

Me: Nice! Well done Bastion!

Panda: You have learned really well Bastion.

Bastion: Thank you sensei.

Me: Had enough Baboon?

Baboon: Never!

Double D: If you won't surrender, then you give me and Ben no choice.

Me: Uh oh! Look away guys!

Qin: Why?

Me: Trust me. You don't want to know.

We looked away!

Baboon: What are you talking about?

Toepick: We're talking about this! (shows his face while Double D removes his hat)

Baboon saw their ugly hideous features and he was so scared that it made him pee and shit all over the place and it made him so scared that he crashed into the tree again and scar him for life and knock him out.

They covered their hideous looks and Ben reverted back.

Me: Okay lets finish him!

Alexis: Right! WHITE NIGHT SPIRIT ICE!

Alexis summoned the spirits of the White Night monsters from her deck and they went at Baboon and froze him in ice!

Fox: Lets do it. FOXFIRE FIRESTORM STRIKE!

Fox fired a powerful blast of blue fire and it thawed him out and burned him.

Princess Bubblegum: Time to make sure you never hurt anyone again.

She fired a stream of jawbreakers and they slammed into Baboon and he was now imprisoned for all eternity in a giant jawbreaker.

Me: He's now a giant jawbreaker for all eternity.

Ed: JAWBREAKER! (Runs at it!) YUM YUM YUM!

Me: Hold on there Ed. This jawbreaker is baboon flavored and you would not want to eat that.

Ed: Oh. Mums the word.

We sent the baboon jawbreaker to the Candy Kingdom Prison for all eternity.

We continued on.

But then we got an unexpected surprise.

Tiffany: Tiffany!

Finn: Tiffany Oiler!

Tiffany: Yeah! I'm gonna kill you Finn!

Me: You know this brat Finn?

Finn: Unfortunately I do.

Me: Why do you want to kill Finn!?

Laney: What has he ever done to you?

Tiffany: I was friends with Jake. Then some baritone herb stole him away from me.

Finn: I didn't steal him. We're broth-

Tiffany: And when that snow-white wiener dog is finally dead, Jake will be devastated. [Imagines Jake crying on his shoulder at Finn's tombstone.] He'll need a shoulder to cry whiny, Finn-style tears on, and that shoulder will be mine-Tiffany's! Then I can get busy with undoing your cheesy influence, plus more! With my help, Jake will become the criminal juggernaut he was always meant to be. [In Tiffany's imagination, a giant Jake roars and beats his chest over a city, while helicopters with searchlights hover nearby.] We won't just be robbing banks anymore. [Jake grabs hold of two buildings and rips them off their foundations.] We'll be robbing the actual banks. The whole banks! [Jake swallows the buildings.] You get it? We're gonna steal actual whole buildings.

Finn: Yeah, I get it.

Tiffany: So don't tell me we're not so different, okay?! We're opposites, you and me. Oil and goody-goody snow-white baby-vanilla bean mitten water! Go, Tiffany!

Me: This brat is delusional.

Finn: He wants to kill me and make Jake a monster!

Me: That's insane!

Lincoln: He sounds like me back when I was younger.

Lori: Boy I will literally never forget that.

Tiffany: Time to die!

He came at us and punched me in the face and his fist hurt when it hit me. But it tickled me.

Me: (Giggles) That tickled.

Tiffany's fist was broken, red, purple and swollen.

Me: Geez. I had no idea I was that tough.

Lana: Wow.

Me: But this kid is a menace to Finn and all of Ooo. So prison is his home.

I snapped my fingers and beamed him over to the Venus Maximum Security Prison. Tiffany Oiler was sentenced to life in the maximum security section and he was the cell mate of Marie K.L.'s evil former sisters.

Me: That menace is done for. Now we have to face Dragon.

We went on and we arrived in the snowy mountains and we were at Lung Mountain.

Me: Here we are guys. Lung Mountain.

Panda: Lets go.

We went up to the mountain and we saw the skeletal remains of a bat.

Me: A Bat Skeleton? What's that doing here?

Lucy Loud: That is an evil bat called the Overlord.

Panda: So it was the Overlord that corrupted Dragon and made him this way.

Me: I have a feeling it was because of him. Lets keep moving.

We went into a cave on the side of the mountain and went down some stairs and we saw DRAGON! He was a black dragon with no wings, and he had green hair and he was filled with pure evil.

Dragon: Panda! And you have Team Loud Phoenix Storm with you!

Panda: This ends now Dragon. You will be defeated where you stand.

Me: And we will make sure you never terrorize the Valley again! Your minions are finished forever!

Skunk: That's right! Your ninja monkeys bought the farm and Baboon has been sent to a prison far away!

Me: We brought the pain to your minions and played all your diabolical games and now it's time to finish you off!

Nico: Dragon, you have failed this valley!

Dragon: Little Skunk. This is the first and last time you will ever challenge me!

Skunk: And it will be one worth remembering!

Rabbit just punched Dragon in the face.

POW!

Rabbit: (chuckles darkly) You don't know how long I've wanted to do that!

Me: Lets get him!

We went at Dragon and I punched him in the face and kicked him in the stomach and he belched out a tremendous amount of fire and melted all the ice in the cave!

Lola absorbed all the fire.

Edzilla (punches Dragon): ED SMASH DRAGON!

Me: (In my head) There is a spark of good in him. The overlord turned him evil and he was responsible for this. I'm glad he's dead. (Out Loud) Dragon! I know you are impervious to magic but this will help you.

I knelt and chanted a prayer and a powerful beam of light hit the dragon and the real dragon was separated from the evil one. The Good Dragon came out and he was back to normal! He had his golden skin and his powers back.

Dragon: I'm back.

Panda: Dragon!

Dragon: Panda!

They hugged.

Dragon: I'm so sorry I tried to kill all of you.

Panda: It's all right Dragon. Lets take down your evil self that you became.

Dragon: Way ahead of you friend!

Dark Dragon: You ruined everything!

Dragon: You made me become you! I will never forgive you!

Qin: Let me show you true firepower!

Qin fired a massive blast of fire and it hit Dark Dragon and burned him bad.

Dragon and Lola fired a massive blast of fire and burned him.

Eddy: (fires blaster at Dragon) I hope you like smelling extra crispy!

Me: Yeah!

The Animals of the Valley punched and kicked and blasted the Dark Dragon and pulverized him all over the place.

Me: Time for some teamwork!

Drag Strip: You got it boss! CYBER KEY POWER!

The Velocitron Cyber Planet Key went into his back and enhanced his Gravity-Gun 100-fold!

Poison: Time to poison you! EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into into her right arm device and it enhanced her plant powers 100-fold.

Drag Strip and Poison Ivy: IVY MACE GRAVITY-SLAM!

Poison Ivy formed a powerful spiked mace ball made of ivy vines and Drag Strip's gravity gun slammed it into Dark Dragon and crushed him!

BLAM!

G1 Blades: Lets do this! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and enhanced his photon pistol 100-fold.

Nico: Lets do this Miltank! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into his right arm device and enhanced his Miltank's abilities 100-fold.

Nico: Miltank, use Zen Headbutt!

G1 Blades and My Miltank: PHOTON HEADBUTT SMASH!

Miltank ran fast and its head glowed a powerful pink and Blades fired a powerful blast of photons and Miltank slammed into Dark Dragon and the photon's hit him and exploded.

Rabbit: Any last words before I snap your neck!

Dark Dragon was too weak to talk.

Me: Time to finish this monster for good!

Bastion: Lets do this! PERIODIC TABLE SPIRIT EXPLOSION!

Bastion formed spirits of the monsters from his Earth and Water decks and sent them at Dark Dragon and they hit him and exploded with incredible power!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Skunk: Never again will you terrorize my home and friends! SUPER STINKRAY OBLITERATION!

Skunk fired a massive blast of energy from his tail and it slammed into Dark Dragon and completely obliterated him in an instant! Dark Dragon was dead.

Me: It's over Dark Dragon!

The Spirit of Dark Dragon appeared.

Nicole: The Book of Vile Darkness is too good for you. The River of Fire is perfect for you!

The portal into the River of Fire opened and it sucked in Dark Dragon.

Dark Dragon: CURSE YOU VALLEY ANIMALS!

He was sucked into it and he was gone for good!

Me: That's it for him.

Suddenly there was an explosion and the mountain was rumbling!

Me: The Mountain is collapsing! Lets get out of here!

We ran back the way we came and got out of the mountain just in time as the whole mountain caved in.

Me: That was a close one.

Panda: Thank you all for hepling us to stop Dragon.

William: No problem, Panda.

Lynn: And if you ever need to train someone again, Bastion will be more then happy to-

Bastion: (elbows her) Thank you, Panda-sensei. You and Fox are excellent coaches.

Panda: I'm glad we could help out Bastion.

They did a kung fu bow.

Dragon: Thank you all for returning me to my happy good and magical self. Overlord poisoned me with lies and evil. He did the drought and ruined me.

Me: We had a feeling it was him. But there are other evil villains out there. So we have to always be ready for anything.

Panda: That is true.

Skunk: (To the viewers) Whether there are forces of good or evil, we will always be there to answer the call and help out and stop evil.

Me: You said it Skunk.

Nico caught a Florges and a Gogoat during the battle. We went back home and we would call on the animals of the Valley whenever needed. Bastion has redeemed himself.

---

When I was finished we were shocked and amazed. Even everyone that hadn't heard it.

Missy: So, Bastion almost got killed because he wasn't being reckless like you guys normally are?

Me: Yep.

Kai: (Ninjago) From what J.D. and the others told me, Bastion almost got killed because he was using too much brainpower and not enough muscle.

Qin: And it was my ex-boyfriend that almost did him in. You remember my ex, right?

Nico: How can I forget?

Me: Xin Fa was an absolute control freak and wanted everything done HIS way.

Eli: I hate people like that.

Nunnally: Me too.

Qin: He also gave me this scar.

Qin pulled up her shirt and showed it.

Many of us gasped.

Missy: WHOA! I remember that scar.

Erica: No kidding. That scar is ugly!

Nico: I was shocked myself.

Needlenose: Thankfully, Lynn got Bastion his own training coaches.

Lynn: Yep I sure did and I was the one that introduced him to Panda and Skunk. Panda and the animals of the Valley trained him in the skills they know and everything.

Panda: It was a very amazing challenge for us.

Qin: It sure was. But it was really cool.

Dragon: I thought so too.

Rabbit: I miss the good old days where we were fighting those ninja monkeys.

Me: Yeah we sure kicked a lot of butt.

Laney: Those were some tough monkeys.

Nico: Yeah they sure were. They didn't put up that much of a fight though.

Lana: They still were awesome to Face.

Lola: Yeah they were.

Skids: And we learned some other things about why Dragon here turned bad.

Nico: Yep. He was "Punished" by Heaven for doing a kind act and saving his land from a drought.

Me: But we found out that it was because of a bat called Overlord that made him evil. He used some kind of dark magic to make it look like Heaven was punishing him and it made Dragon evil and Hellbent on destroying the Valley and the animals. But thankfully we got rid of that evil.

Nico: Yep we sure did.

Qin: That was a brutal battle.

Lana: But it sure was fun. And Bastion learned a huge lesson that day.

Missy: And that would be?

Me: To use not only your brain power but also use brawn too. Only by using brains and brawn together can you get the job done.

Nico: That's right.

Gluko: By the way, Nico, you're leading today.

Nico: Yep I know and we are going to the Megakat City sector of the city to see if any trouble is brewing.

Missy: Megakat City?

Aylene C.: It's the city that was the setting of one of my favorite shows: SWAT Kats. We went there many times before and destroyed the SWAT Kats most dangerous enemies.

Eli: Wow! I wasn't here for most of those adventures but I heard they were awesome.

Me: Boy they sure were. We took down some of the most dangerous enemies the SWAT Kats know. We destroyed Dr. Viper, Rex Shard, Dark Kat, The Pastmaster, Mad Kat, The Cit-Kat-A and even the MetalliKats.

Aylene C.: The MetalliKats were the first we took down and Lola and me did that one. It's how I got my powers.

Me: That's right. I remember that and that was back when I was starting to put the team together.

Wiggum, Pete, Vreedle Brothers, Springfield Mafia, Chalmers, Krusty, Cantwell, Cargill, Box Ghost, and Private H.I.V.E. then appeared

Box Ghost: Can me, Wiggum, Pete, Vreedle Brothers, Springfield Mafia, Chalmers, Krusty, Cantwell, Cargill, and Private H.I.V.E. go with you guys?

Nico: You all sure can. We're going to the Megakat City sector of the city. Better assemble everyone. (Pulls out bugle and plays Reville)

We all gathered.

Nico: ATTEN-TION!

We stood in attention.

Nico: ALL RIGHT MAGGOTS LISTEN UP! We are going to the Megakat City Sector of the city and our mission is to find any of the

Swat Kats enemies and destroy them but chances are we may or may not find any of them since we took down a pretty good majority of the Swat Kats major enemies. But regardless we have to see if any trouble is brewing. Now this is for you new people! I have only one rule. Everyone does their job and no one quits. You don't do that, you will be sent back to the estate for the remainder of the mission! DO YOU GET ME!?

Everyone: WE GET YOU SIR!

Private H.I.V.E.: SIR YES SIR!

Nico: Welcome to the Roughnecks!

Me: NICO'S ROUGHNECKS!

Everyone: (SPARTAN GRUNT)

Nico: At ease! We leave in 15 minutes. Take that time to get what you need. We're gonna be in for an awesome mission. That'll be all. DISMISSED!

Me: Lets kick the tires and light the fires Commander.

We were off to the MegaKat City sector.

---

We were walking around the city.

Dominique: Everything looks fine so far.

Nico: So far. Sense anything Eli?

Eli: Nothing yet. But I have a feeling that something big is about to be coming shortly.

Nico: Then we better be ready for anything. Lets head to Enforcer HQ.

We went to Enforcer HQ and we saw Commander Feral.

Chalmers: Hello, Commander Feral.

Commander Feral: Hello Team Loud Phoenix Storm.

Nico: Last time we saw you, J.D. and Zarya were halfway around the world competing in the Ridonculous Race and we were here facing Mad Kat.

Commander Feral: That's true.

Eli: I remember that. That was crazy.

Nico: It sure was.

Me: Yeah it was.

Commander Feral: That has been fun and you guys have increased in numbers a lot since we last saw you.

Nico: Yeah we sure have grown in numbers haven't we.

Me: We sure have huh commander?

Nico: Yep.

Commander Feral: You're leading now Nico?

Nico: It's a new leadership system we have. I'm leading on the even days and J.D. is leading on the odd days. And it's my turn to lead.

Commander Feral: Oh I get how it works.

Nico: A lot of things have happened to us over these last few months.

Lync Volan: Also, we found out that Lincoln's ancestors are Scottish.

Commander Feral: I've been hearing about that all over the world news. The battle with Team Dark Phoenix Storm was a crazy one. But I knew you guys were gonna win no matter what.

Nico: Thanks for that Commander. But what really amazed us is that the Loud's Ancestry stretches back to 400 years ago.

Lucille Loud: (Scottish Accent) It's true lads. My name is Lucille

Loud and I'm the Gothic ancestor of the Louds.

Lucy: She is my Gothic Ancentor.

Commander Feral: The resemblence is completely uncanny.

Me: We all thought the exact same thing ourselves.

Eli: We sure did and the castle they lived in back then was incredible.

Caitlyn: It sure was.

Starlight Glimmer: And the battle with Team Dark Phoenix Storm will also go down in history as the Great Alicorn Ascension.

Me: Yep. Sunset Shimmer and the rest of the Mane 12 ascended into Alicorns that day.

Lana: They sure did.

Nico: Yep. Here's a picture of the Loud's ancestors from 400 years ago.

Nico showed him a photo of the Loud Ancestors and it was amazing.

Commander Feral: Wow that's amazing.

Nico: I know. The resemblence between the Loud's and their ancestors is completely uncanny. The battle with Team Dark Phoenix Storm was an epic one and we saw that the Loud Family had Royal ties to Scotland.

Commander Feral: That is really amazing.

Eli: Yep it sure is. And we stopped that malevolent witch Morag from killing them and the entire planet.

Me: We sure did and everything that she was gonna do made me infuriated. There were 24 members of Team Dark Phoenix Storm and Morag was technically the 25th member.

Commander Feral: That is true. I really despised what that witch

Morag was gonna do. We saw it all over the international courts on TV.

Lana: Wow! They must've broadcasted it all over the world.

Me: Well it was the biggest case of High Treason and Attempted Genocide in the history of the world. It was the biggest crime of the millennium.

Nico: That's true. Morag deserved it.

Allie Wilde: Thank goodness she got what was coming to her.

Commander Feral: That is true. She brought it all on herself.

Pete: Unfortunately, none of the Swat Kats enemies were apart of Team Dark Phoenix Storm.

Commander Feral: It's good they weren't. You all took out a majority of them.

Nico: Volcanus and Rex Shard as the Crystal Colossus are now in our frenemies the Masters of Evil.

Nan Que: It's true. Volcanus is now my archenemy.

Jesse Anderson: And I'm Rex Shard's archenemy.

Me: Jesse Anderson has Rainbow Dragon and the 7 Crystal Beasts and Cholan with him and I figured they would be the perfect group to face him.

Cholan: It's true. I think it's an amazing setup.

Commander Feral: That is interesting.

Me: It sure is.

Shrapnel: So, has there been any trouble here?

Commander Feral: I'm afraid so. We got word that Mack and Molly Mange the MetalliKats are back.

We gasped in shock!

Aylene C.: But that can't be! Me and Lola melted them into nothing when we got here the first time.

Lola: Yeah those two should be dead and thrown into an incinerator.

Commander Feral: Somehow they returned.

Me: Oh boy.

Missy: Who are the MetalliKats?

Aylene C.: Oh right many of you don't know who they are. They were two of Megakat City's most dangerous criminals. Their names were Mack and Molly Mange. They were a ruthless and notorious Bonnie and Clyde duo that terrorized all of Megakat City for a long time.

She went over their history.

---

The crime-bosses Mac and Molly Mange, the criminal couple were worst criminals of Megakat City and later escaped from Alkatraz. Now, rebuilt by Professor Hackle and becoming the Metallikats.

Originally a husband and wife team named Mac and Molly Mange, the Metallikats drowned when they were trying to escape from Alkatraz prison but their bodies were discovered by Professor Hackle's robotic servants and their minds were transfered into robotic bodies. The pair proceeded to become even more dangerous criminals, killing Katscratch before turning their attention to Mayor Manx - who they had a grudge against for denying their parole (though in reality it was Callie who denied the parole).

Katastrophe

They have also allied with Dark Kat and Dr. Viper despite being order around by Dark Kat and sharing a hatred towards the SWAT Kats.

A Bright and Shiny Future

The Pastmaster brings Mac and Molly back to life, both form a alliance to rid themselves of the SWAT Kats and so they takeover the city together. The duo betrayed The Past Master and use his watch as a pocket watch. In the future, they took over the city and enslaving the any organic that's not a robot. Soon, they are defeated by the SWAT Kats, the Enforcers and Professor Hackle. Returning everything back to normal and remaining the evidence closet in their damaged state.

Unlikely Alloy

Mac and Molly attempted to rob the Megakat City's bank, they were defeated by The Enforcer and The SWAT Kats. Molly was badly damaged in the fight and tells Mac to get the loot, Mac loves her enough to saved her and retreated to their hovercraft. Mac robs Dr. Lieter Greenbox's creation to fixed him and saved his wife, the device rebuilt itself with their car as their minion aka "Zed". Zed absorbed Mac for being metal and Molly forced the SWAT Kats to help save her husband, Molly get absorbed and Zed corrupted Dr. Lieter Greenbox to become one being. After Zed defeat, Molly is back to normal and looking for her husband in the rumble of Zed. She finds Mac's head is merged to a food-processor and set him mix which shaking him. Mac gets dizzy and begs his wife to shut the blender, both remaining alive and back arguing with each other again.

---

When she was finished we were shocked and horrified!

Nico: Those monsters!

Eli: Yeah they should have stayed dead!

Varie: More importantly, what was Professor Hackle thinking!?

Krusty: Wait. I thought Hackle was aware Mac and Molly were wanted criminals.

Aylene C.: No he wasn't. Hackle's advanced age made him completely oblivious to the fact that they were that dangerous from the get go.

Nico: He didn't know that he turned his robotic servents into the dangerous MetalliKats.

Eli: No kidding.

Commander Feral: Those monsters will stay dead for good this time.

Nico: And we'll make sure they do.

Missy: I hate people like them.

Nico: Yeah I do too.

Aylene C.: And without a doubt they will be after me, Lola and Callie.

Nico: Right because you and Lola killed them and Callie denied their parole which lead to them escaping in the first place.

Me: What a grudge. Even in death they just won't learn.

Nico: No kidding.

Wildrider: First, we need to find whoever they plan to go after first.

Aylene C.: I have my thoughts but they will go after Callie Brigs first because she denied their parole which lead to them escaping in the first place.

Eli: I have that same feeling myself.

Nico: Then we better get her to the Estate till this blows over.

Cargill: Where's Callie Brigs right now?

Commander Feral: At City Hall.

Nico: Then we better get her over to the Estate for safety.

Eli: Right.

We went to City Hall and we saw Callie Brigs.

Komba: Are you Callie Briggs?

Harpus: We need to talk to you!

Callie: Wow hey guys!

Nico: Been a while Callie. But I'm afraid we got big problems. The MetalliKats are back.

Callie: What?! But I thought they were destroyed.

Aylene C.: They were but somehow they came back and are back to finish what they were gonna do. And they will try and kill me and Lola.

Eli: Because Lola and Aylene killed them the first time.

Nico: We need to get you to the estate for safety till we destroy the MetalliKats for good.

Callie: Okay. Thanks guys.

We beamed her over to the World Tree Estate.

Commander Feral: I think I may have some weapons that can help you all out.

Rhomboid: Is it stuff blow those two up real good?

Octagon: If not, that's okay.

He gave us magnet guns.

Nico: Magnet guns. Very clever.

Eli: Because they are robots and magnets will scramble them up.

Tuddrussel: Just like how my magnets scrambled Larry up.

Larry 3000: I heard that!

Tuddrussul: Watch.

He put a pig magnet on Larry.

Larry 3000: (Slow deep voice) A computer is not a toy. It's a valuable tool.

He took that off and put a Banana Magnet on him.

Larry 3000: (Singing and Dancing) OH I'M A YANKEE DOODLE DANDY, YANKEE DOODLE DO OR DIE!

He came back and Tuddrussel put the magnet on that said World's Greatest Grandma and Larry was acting like a baby!

He was babbling and cooing like one.

Rage Mage: Think we should take the magnet off Larry now?

Larry 3000: I made doody in my diapy.

We laughed hysterically!

Nico: (LAUGHING HYSTERICALLY!) OH THAT IS SO FUNNY!

Laney: (Laughing) That is funny!

Lana: (Laughing Hysterically)

Me: (Laughing) That is funny! (LAUGHS)

Tuddrussel took the magnet off.

Me: Whew!

Nico: (Laughs) Glad we got that out of our system.

Bombshell (Skylanders): (British Accent) Jolly good that was a good laugh.

Private H.I.V.E.: Thank you kindly for these weapons!

Commander Feral: You're welcome.

Nico: These will be handy. Lets get ready.

Larry 3000: Please tell me I didn't do anything embarassing!

Deadpool: Relax! You didn't do anything M Rated.

Larry 3000: Good.

Nico: The World's Greatest Grandma Magnet made you act like a baby and the Banana magnet made you dance and sing to Yankee Doodle Dandy.

Larry 3000: Oh.

Nico: But it was funny. We got a good laugh out of it. Now lets get back to the matter at hand. Here's my plan.

Nico's plan was to have Aylene and Lola stand in the middle of the street and act as bait and the MetalliKats will come to them and when they have a chat with them we make their entrance.

Robo Blaze, Robo Roxy and MetalSeadramon appeared.

Fat Tony: Thank you 3 for coming.

Robo Blaze: Well, since we're dealing with robots, me and Robo Roxy thought we'd help out too.

Legs: Why is Metalseadramon helping out though?

Metalseadramon: Well, I do have Metal in my name.

Me: And he is a robotic version of Seadramon.

Louie: (shrugs) Can't argue with that.

Nico: That does make sense. Okay lets put our plan into effect.

Lincoln: Time to put Operation Lure The MetalliKats Out And Destroy Them So Megakat City Can Be Safe From Another Enemy Of The Swat Kats And Also Think Of A Shorter Name For This Operation into action.

Missy: Whoa. That's a mouthful.

Me: Lincoln got that from his dad. He has a habit of coming up with these long names for Operations. But lets call it Operation: MetalliKat Destruction.

Lincoln: That works perfectly.

Bowser: I hope everyone brought snacks while waiting. This will take awhile.

Laney pulled out a cooler full of snacks.

Bowser: Great thinking Laney.

Laney: Thanks Bowser. Always be prepared.

Nico: The wait is on.

Everyone was hiding on top of a tall building.

Cantwell: Any minute now, they're going to show up.

Nico: Wait I see something in the shadows.

Nico saw something in an alley.

Lola and Aylene saw something in the alley and then out came MAC AND MOLLY MANGE THE METALLIKATS!

Lola: Mac and Molly Mange. Nice to see you again after all this time.

Aylene C.: You guys are looking well.

Molly Mange: (Cybernetic Voice) Yes well enough to kill you both for what you did to us!

Mac Mange: (Cybernetic Voice) You are gonna pay for what you did.

Lola: You brought all that on yourselves you talking tin cans.

Aylene C.: We may have had our fun with you all. But our friends haven't.

Molly Mange: Friends? What friends? The SWAT Kats?

Aylene C.: Not just them. Our entire team!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off in the sky and the spirits of the henchmen and big brutish enforcers of crime appeared in the explosion and then converged and we all came out.

Nico: Mac and Molly Mange. We meet at last.

Mac Mange: Who are all of you?

Me: Your worst fucking nightmare.

Lana: We're going to take you apart screw by screw!

Exhaust: Let's see what these magnet blasters can do!

Nico: Here we go.

We fired beams of magnetic energy and the blasts hit the MetalliKats and then they started babbling like idiots.

Wiggum: Normally, I'd say two are under arrest. But I think you two are past that point!

Mac Mange: And what are you gonna do about it?

Me: We're gonna blow you two to smithereens until there is nothing left of you.

Nico: That's right. You two should've stayed dead when you drowned trying to bust out of prison.

Lola: And you two should have died when we melted you into mush.

Aylene C.: Now we're going to finished what we started.

Then we heard the Turbo Kat and it landed by us and we saw the SWAT Kats.

T-Bone: Looks like we got here just in time.

Razor: Yeah we sure did.

Skulker, Patty & Selma, Golden Glider, Grizzly, Professor XXXL Zzzax, Mumbo Jumbo, Toad, The Salami Swami and Machinedramon appeared.

Nico: Skulker, Patty & Selma, Golden Glider, Grizzly, Professor XXXL Zzzax, Mumbo Jumbo, Toad, The Salami Swami and Machinedramon.

Skulker: Does this bring back memories?

William: For Lola and Aylene, it does.

Patty: Good to know.

Me: The MetalliKats were the first of the SWAT Kats enemies that they destroyed.

Nico: Yep.

T-Bone: Sorry we got here late.

Golden Glider: Better late then never.

Me: That's true.

May: It's fine as long as you guys help us out.

Professor XXXL: (to me) We heard you faced off against another of the Digimon Tamers' enemies.

Me: We sure did and it was Orochimon. Jeri and Leomon took him down the first time.

Grizzly: And what's this I hear about milkshakes?

Me: He had a tremendous love for milkshakes. Orochimon enslaved a MudFrigimon village and forced them to make massive numbers of milkshakes for him.

Grizzly: Whoa!

Me: I know.

?: Sounds like a lot of milkshakes.

A figure came out and it was HOOKBEARD from episode 10 of Dino Super Charge!

---

Hookbeard is deployed by Snide who sends him to the fishing spot in order to seek and destroy the Titano Zord. He arrives there along with the other generals and electrocutes the river with his Electro Rod which causes Matt Griffin fall overboard from his boat. When the Rangers find out that he's doing all this, they try to stop him and a battle begins. Soon, Keeper arrives and lifts the river water with the power of his staff, revealing a deactivated Titano Zord. He awakens him and leaves, saying that the zord will be activated in no time. Hookbeard is attacked by the Rangers, and is then grown from the Magna Beam from Snide and fires at the awakened Titano Zord but it's too strong. The Rangers form the Titano Charge Megazord and destroy him with the Final Colossal Crush

---

Tyler Navarro: Hookbeard!

Hookbeard: Been a long time laddies.

Me: I remember you! You were sent to find and destroy the Titano Zord.

Hookbeard: That's right lad. Mistress Vypra was right about you J.D. You have a sharp memory.

Me: Never missed an episode.

May: You're one of those monsters that acts like a pirate.

Hookbeard: (laughs) I am, aren't I?

Jack Sparrow: Sounds like my kind of monster mate.

Me: Same with me. You would have made a great monster to fight in the usual battles when we went to Treasure Island.

Nico: That is true.

Hookbeard: Glad you think so mateys.

Me: This is gonna be an intense battle. So we better take this away from here. (Snaps fingers)

We were on the planet Glaren again.

Nico: Good thinking Colonel.

Me: Thanks Commander.

Nico: Lets get this party started!

We got the battles underway.

---

Battle 1: Aqua, Rarity, Sweetie Belle, Water Skylanders, Danny Phantom, Gluko and Storm Shadow VS Skullker - Did we meet a MudFrigimon Gene-Slammer

---

Skulker was first.

Skulker: (to Aqua) Did J.D. and the others really meet a MudFrigimon Gene-Slammer this morning?

Aqua: He sure did and her name is Leina Vasquez. She's from Texas.

Rarity: She and Applejack would be perfect for each other since they work on farms.

Sweetie Belle: I think that is so cool.

Gill Grunt: It sure is. I think so too.

Danny Phantom: Same here.

Skulker: Agreed. Lets do it!

They fired waves of water, jewels, ice and energy and smashed him down.

Aqua: How is that for awesome!

Rarity: Rapture darling that was grand!

## Battle 2: Mandee, Sunset Shimmer, Pip-Squeak, Fire Skylanders, Lisa, Bart, Caitlyn and Dominique VS Patty & Selma - Talk about the Adventure with Skunk

Patty & Selma were next.

Selma: (to Mandee) Did you guys tell Missy about the adventure with Skunk?

Mandee: We sure did and that was a really fun adventure.

Sunset Shimmer: It sure was. I thought it was so cool how Skunk and his friends all battled Ninja Monkeys like that.

Pip-Squeak: (British Accent) It sure was. I thought so too.

Sunburn: Those Ninja Monkeys didn't stand a chance against all of us back then.

Selma: And that was before we all became official.

Patty: Yeah it sure was.

Lisa: That was sure fun though.

Bart: Yep it sure was.

Lisa: How's cousin Ling?

Selma: She's doing great Lisa.

Patty: Yep.

Selma: Lets do it!

They fired waves of fire and smashed them both down.

Mandee: Oh yeah!

Sunset Shimmer: That was amazing!

## Battle 3: Flash, Rainbow Dash, Scootaloo, Air Skylanders, Zyuohgers, Cornelia, Lync Volan and Nurzak VS Golden Glider - Shocked that Dragon would turn evil

Golden Glider was next.

Golden Glider: (to Flash) I can't believe Dragon turned evil like that in the past. I guess that's why he's in the Redemption Squad.

Flash: Yeah no kidding. But thank goodness we saved him from himself.

Rainbow Dash: I can't believe that he was falsely punished like that. Heaven would never punish him for something he did from the kindness of his heart like that.

Scootaloo: Hard to imagine it was all because of dark magic like that.

Whirlwind: What happened was terrible. But it's horrible that he believed that his friends were the cause of his punishment like that. And they didn't even do anything to him.

Yamato: And because of that he swore to destroy them. His friends had nothing to do with his so-called punishment.

Lincoln: Yeah what happened to Dragon was totally uncalled for.

Me: I would call that a massive miscarriage of justice. Heaven would never punish someone like that.

Golden Glider: I was thinking exactly the same thing. Dragon was just looking out for his friends and "Heaven" turned him evil.

Laney: I think it was all because of dark magic that lead to all that happening.

Cornelia: Yeah I feel the same way.

Golden Glider: Me too. Lets do it!

Zyuohgers and Zach: WILD INSTINCT AWAKEN!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind us and we were ready!

Golden Glider: Awesome! The Falcon is perfect for you Zach.

Zach: It sure is. The Falcon is one of my favorite birds and I thought it was really cool.

Me: It's a great choice. The Falcon is the fastest bird in the world and it's perfect for you.

Laney: Yep.

Yamato: DON'T UNDERESTIMATE THIS PLANET!

Zach: Watch what I can do. UNLEASH THE BEAST!

He grew wings and flew into the air and divebombed Golden Glider with incredible speed and flew passed her and then a massive sonic boom hit her and smashed her down.

Me: WHOA! That was fast!

Lana: Yeah it was!

---

Kuyo

Kuyou is a major antagonist in the anime/manga series Rosario +Vampire. He is the leader of the Public Safety Commission until his defeat at the hands of Tsukune Aono, Moka Akashiya and their friends, after which he moves on and becomes a member of Fairy Tale. He is a kitsune, an S-Class species of monster who are amongst one of the most powerful of all Yōkai who live in Japan, and they have even known to be worshipped as divine beings.

He was voiced by Shūichi Ikeda (who also voiced Masayoshi Shido) in Japanese and Jason Douglas in English.

Kuyō first appears when the Newspaper Club begin publishing articles relating to a scandal involving former teacher Hitomi Ishigami. Believing the Public Safety Committee could intimidate them enough to collect a bribe, he threatens them by outlawing the 'illegal' Club and destroying their newsstand. Kurumu Kurono's indignant outburst causes his second-in-command Keito to get angry - Kuyō orders her to monitor the club's activities. Moka later defeats her after Keito finds Kurumu trying to sell newspapers despite the Committee's imposed ban.

Enraged, Kuyō initiates his own transformation, revealing his true nature to his opponents, much to their surprise and horror. After a brief onslaught of threats, Kuyō launches his signature attack, the Vortex of Fire, at the group, which Ginei blocks before collapsing. At this point, he taunts the group even more, and transforms into his Battle Form, and unleashes a swift barrage of attacks which incapacitates the rest of the group, and shakes the entire building and the immediate surroundings like an earthquake.

With only a horrified Tsukune left standing, Kuyō attempts to kill Moka and the others, but Tsukune pleads for him not to, willing to sacrifice himself for the sake of his friends. Upon hearing this, Kuyō briefly pauses, and feigns compassion, before mocking Tsukune once again and firing a blast to kill Moka. In response, Tsukune takes the blast instead, and succeeds in removing the Rosario from Moka's neck as he collapses. As she awakens, she moves to help her fallen friend.

Upon witnessing Moka's transformation, Kuyou recalls his knowledge of the Vampire race before declaring that he will be able to kill her easily while unleashing a surge of his Yōki, which Moka answers in kind, surprising her opponent and demonstrating her superior power level. Rather than attacking, she instead injects a considerable amount of her blood into Tsukune in order to save his life, surprising everyone, especially Kuyō and Ishigami, neither of whom had ever seen nor heard of this.

At that point, she immediately explains the drawbacks of this procedure to her allies and moves against Kuyō, who had been bracing for the inevitable assault. As he is attacked in earnest, Moka warns him that if Tsukune dies, then she will kill him. Surprised and horrified by this, Kuyō barely manages to block Moka's onslaught before she forcefully drives him into ground. However, it soon becomes clear that despite the speed and force that she employed, her attacks lacked the necessary stopping power to defeat her opponent, who immediately recovers without issue and counterattacks.

Because she had given Tsukune so much blood, she has lost a significant amount of her strength, which Kuyō immediately capitalizes on, unleashing his own high-speed, high-intensity hand-to-hand barrage, wounding her and smashing her into the ground with a swift lash of his tails. He taunts her on her weakness before attempting to kill her, but is immediately distracted Tsukune's subsequent revival, fully unharmed with the blood and power of a vampire flowing through him.

Stunned by this development, a now frustrated and fearful Kuyō assumes that Ishigami had tricked him, and incorrectly identifies Tsukune as a monster. By dropping his guard, Moka is given to opportunity to capture Kuyō in strong grapple, with which she takes without a second's thought. She then tells him the final problem of the blood transfusion procedure; in the case of success, the results are unpredictable. She then squeezes Kuyō's chest so hard that she breaks some of his ribs and forces him to spit blood.

Kuyō recoils in pain and struggles to free himself, all the while refusing to face defeat. He makes one last defiant statement just as Moka lets go and Tsukune uses all of his remaining power in a headbutt to Kuyō's jaw, breaking it, shattering teeth, and propelling him into the ground with tremendous, explosive force. This immediately renders Kuyō unconscious, who is left to lie in the rubble as the other student police members find his comatose form.

When Tsukune and the group enter the Floating Garden to recover Moka, Tsukune encounters Miyabi Fujisaki and Kiria Yoshii, members of the 1st Subdivision of Fairy Tale. Kiria casts a spell teleporting Tsukune and Ruby Toujo to a seemingly different dimension filled with shrine-styled buildings and a long walkway. Tsukune soon realizes that the architecture and the view are familiar to him - belonging to that of the former headquarters of the Public Safety Committee. Suddenly, a fireball is launched at them, and while they dodged the attack, Kuyō appears and declares himself a Subdivision Leader of Fairy Tale. It is revealed that Kuyō had also been spying for Fairy Tale during his time at Yōkai Academy.

Soon afterwards, Tsukune attacks Kuyō in earnest, who easily nullifies the incoming attacks. During the fight, Kuyō launches a large fireball attack at Tsukune, and not only continues to overwhelm him, but also taunts him as well. During the fight, Ruby notices that despite his best efforts, Tsukune's body is recalling his near-death experience at the Yōko's hands, and is in turn subconsciously retreating in fear from Kuyō.

Realizing that Tsukune will lose the fight if he continues like this, Ruby intercepts an otherwise disabling blow meant for Tsukune, which significantly wounds her and renders her unconscious. When Tsukune goes to help her, Kuyō gleefully tells him that Fang-Fang and Yukari had been killed by Gairen, another subdivision leader, and continues to taunt him about his weaknesses. At that point, he breaks into hysterical, manic laughter, declaring that he had wanted to witness and savor Tsukune's fear and face of despair, and moves in for the kill.

However, upon realizing what has to be done, Tsukune overcomes and masters his fear, which in turn enables him to gain proper control of his sealed vampiric abilities, and stops Kuyō's attack cold. Surprised, Kuyō drops his guard long enough for Tsukune to a deliver an explosive left-hook to Kuyō's face, stunning him and causing him to spit blood. Overcoming this shock, a frustrated Kuyō is unable to understand how he was so easily repelled.

At that point, Tsukune states that he must let go of his fear and focus on saving his friends, and begins to tap into his vampiric powers in earnest. This immediately horrifies Kuyō, as he witnesses Tsukune's transformation, who in turn warns that if Kuyō doesn't retreat, Tsukune will kill him. Tsukune then re-engages Kuyō, headbutting him and knocking Kuyō into the flames below. Kuyuo refuses to believe that Tsukune can defeat him and,in a rage, transforms into his battle form. He then gains a flame suit, that burns anything that comes near him. He then tells Tsukune how he will kill him and climb to greater heights. Tsukune then releases the first seal of his holy lock, and punches several holes in Kuyō before the flames could reach Tsukune. Kuyō then collapses, still in disbelief that he was defeated. Later it is revealed that he had survived the attack, escaped, and trapped Ruby and Tsukune in a space called "The Masked King".

After Alucard's demise, Kuyō is seen holding Kahlua Shuzen's body standing along side with Kiria holding an unconcious Hokuto Kaneshiro as they make their escape to rebuild Fairy Tale once again.

Later in the Rosario Vampire II chapter 67 Extra II, Kuyo reveals that Kahlua was revived by Miyabi injecting her with his Shinso blood and asked him to look after her before going into battle. Kuyo asked about Hokuto's condition when he was being held by Kiria and afterwards left with the hybrid to rebuild Fairy Tale.

Kuyō first appears in the Committee's office learning about Keito's defeat by Inner Moka and Kurumu as he goes over the files on the members of the Newsclub. Everyone's monster identity is listed except for Tsukune. Kuyō then remarks that they will soon have something interesting happen for the first and longest time at Yōkai, burning the files with a sneer.

The next day, Kuyō comes to Ms. Nekonome's classroom and tells Tsukune that he is under suspicion of being a human. When Moka, Kurumu, and Mizore defends Tsukune with the fact that humans could not even be at Yōkai Academy, Kuyō sees them as possible accessories to Tsukune hiding his identity. With this, Kuyō takes Tsukune and the three girls to the shrine that serves as the Committee's headquarters.

In the shrine, Kuyō shows Tsukune where the teachers, students, and his friends are being questioned about his identity. Kuyō then brings out the Fan Club Collation which he had beat up the trio badly and Kuyō explains that they told him all about how Tsukune never fought back against them and how weak he was. Having his men pin Tsukune to the ground, Kuyō tells Tsukune that he could change into a monster and free himself of the guards holding him down, clearing the charge. When Kuyō hears from Tsukune that he's human, Kuyō simply laughs maniacally. Kuyō tells his men to let Kurumu and Mizore leave, but keep Moka locked up as she was an accessory to hiding Tsukune's human identity. Kuyō coldly tells Tsukune the Committee finds him guilty of being human and he is to be put to death. Kuyō announces through the speakers that Tsukune is a human who infiltrated the Academy, and that he will be put to death, inviting other students to watch him die.

Kuyō puts Tsukune on a big cross for his execution with a bloody sign saying "I'm Human". Kuyō asked Tsukune if he's lost his mind in fear. Tsukune proves him wrong by calmly asking him to promise one thing is to spare the rest of the Newspaper Club. Kuyō is surprised that someone being put to death would make such a selfless request. Kuyō says they will not suffer unnecessary harm, but saying that he plans to kill them. Kuyō announces that the time has come to kill Tsukune and lights him on fire, however, it's put out by Mizore's ice as Ruby and Kurumu fly down to free Tsukune. Moka, Mizore, and Yukari arrive, yelling for them to Tsukune to safety while they handle things there. As Kurumu and Ruby flee with Tsukune, a surprised Kuyō asks if the girls know what they've done is a crime against the Academy. Moka, Mizore, and Yukari tells him that it doesn't matter so long as they save Tsukune. Kuyō explains that Gin said something similar to him the previous year saying that the Security Committee's corruption needed to be exposed which matters more to him than the Academy. In retaliation, the Security Committee killed every member of last years Newspaper Club, except for Gin. Kuyō then orders his top three minion to kill the Newspaper Club as punishment. Kuyō looks up to see Kurumu and Ruby still flying away with Tsukune, gloating that they can try to running, but against someone of his power, they don't stand a chance so Kuyō heads off after the trio.

Kuyō eventually catches up to them on the roof and throws an arrow of fire which pierces Tsukune's heart and engulfs him, burning him badly. Kuyō comments that the execution could sadly not be shown to the students, but has none-the-less been carried out. Before passing out, Tsukune was able to release Inner Moka and with Inner being enraged, she kicks Kuyō across the roof. Kuyō has assumed to his monster form, that of a fox that has control over fire and is also a S-ranked monster. He fires a blast at them but Gin blocks his attack to save his fellow members. Kuyō didn't seem to care if Gin did that since he plan to kill him anyways. Kuyō battles Kurumu, Mizore, Yukari, and Ruby in order to by some time for Moka to inject her blood into Tsukune to save him. Kuyō has proven himself superior in power as he has beaten the four girls as he had changed into his final form. When Moka fights Kuyō, he noticed that her kicks are weak due to the amount of blood she injected into Tsukune. Kuyō beats Moka back to where Tsukune's at and fires a blast seemingly destroying the two for good.

However, Kuyō is shocked to see that Tsukune survived who dodged his attack while holding Moka. Kuyō tries to attack Tsukune and Moka, but Gin grabs him from behind. Kuyō expresses shock at Gin getting into a position to immobilize him, to which Gin reminds him about Werewolves are known for their speed. Moka tells Kuyō that he's became intoxicated with power from being the justice of the school and becoming corrupt and he needs to learn his place. With a jump kick, Moka hammers Kuyō into a room below the roof, ending his ways of justice.

Shortly before the other students arrive, Moka reattaches her rosary and collapses; seeing Kuyō and Moka unconscious and Tsukune shirtless, the others assume that Tsukune himself defeated Kuyō and rejoice at the Yōko's defeat, declaring Tsukune their new hero.

Kuyō reluctantly allies himself with the very teacher who was scandalized, Hitomi Ishigami, to destroy the Newspaper Club once and for all. Based on Ishigami's claims that Tsukune is a human, Kuyō detains both Moka and Tsukune and takes them to the headquarters of the Public Safety Committee. Kuyō forces Tsukune to transform, but as he naturally cannot, Kuyō throws a fireball at Moka and Tsukune. Tsukune nearly faints from the attack, and cannot remove Moka's seal. Kurumu, Yukari Sendo and Ginei Moriokashow up; while Yukari helps Tsukune heal, Ginei transforms into wolf form and punches Kuyō several times. During this time, Ishigami hides behind a wall and watches the ongoing events.

## Osi Sobeck

**Osi Sobeck** is a minor antagonist in the 2008-2020 animated television series *Star Wars: The Clone Wars* . He appears as the main antagonist of the Citadel arc of Season 3. He is a Separatist officer during the Clone Wars. He is the sadistic warden of the infamous prison known as the Citadel on planet Lola Sayu.

He was voiced by James Arnold Taylor who also voiced Rako Hardeen in the same series and Eddie in *Jurassic World: Camp Cretaceous* .

### Warden of Lola Sayu

Osi Sobeck served as the warden of the notorious prison complex known as the Citadel. The prison was infamous for its high security, having been designed to hold rogue Jedi as prisoners. Osi believed in torture, a very cruel way to get information from enemies. During the Clone Wars, Lola Sayu was occupied by the Separatists and Sobeck offered his services to Count Dooku.

At some point during the war, the Separatist forces captured Jedi general Even Piell and transported him to the Citadel. Piell and his naval officers were transferred to the Citadel under the watch of Sobeck. While being held at the prison Piell was interrogated in order to obtain coordinates for a key hyperspace route known as the Nexus Routes, control of which could influence the outcome of the war. Sobeck relied on the use of fear to break his prisoners - the one thing Jedi spend all their lives training against. The Phindian used an and a few to torture the Jedi and get the information out of him by any means necessary.

Even though he did not know that the Jedi were planning to rescue Even Piell, he knew that the Jedi would soon arrive to rescue him. His predictions came true as a rescue team soon came in the form of a shuttle, full of Jedi and clones frozen in carbonite in the ship.

## Incarceration of Even Piell

Due to his suspicions and the current occupancy of the prison, he ordered his droid to do a detailed scan of the incoming vessel. Because of them being frozen in carbonite, the scan did not detect any life forms. But the warden's tension did not ease. But when an electro-mine guarding the Citadel exploded because one of the clones accidentally triggered it and was killed, Sobeck knew a rescue team had arrived.

Thus, Sobeck ordered all of his troops to their positions and prepared his special unit of commando droids. Meanwhile, Sobeck observed the group through his security cameras from his command center. Sobeck eventually activated a magnetic trap which magnetized all the weapons. One of the Jedi, Anakin Skywalker, was magnetized with the weapons due to his cybernatic arm. When his commando droids arrived to capture the group, Anakin grabbed his lightsaber and destroyed the machine.

The group picked up their weapons and destroyed the commando droids and commander Rex destroyed Sobeck's camera, much to the warden's annoyance, urging him to go out of his way to take matters into his own hands. Sobeck attempted to stop the Jedi from rescuing Piell and his men, but was too late and the group successfully rescued Piell and his naval officers, including their captain Wilhuff Tarkin. The droid guarding the cell told Sobeck the prisoners escaped and the infuriated warden ordered his droid captain to "teach the droid a lesson" to which he shot the droid. Two security droids informed Sobeck the Jedi and clones were making their way to the upper levels, which, unknown to Sobeck, was a diversion by Anakin's master, Obi-Wan Kenobi, to lead Sobeck's attention from Anakin's group.

## Scare Tactics

Sobeck assumed the Jedi were going to steal transports and ordered his droids to black all ports in hopes of preventing them from escaping. Soon, an explosion shook Sobeck and his droids, but they stood their ground. Later, Sobeck was contacted by Dooku, who revealed his frustration at the fact that Piell and his men had escaped, but Sobeck assurd the count that everything was under control and ended transmission. Soon, Ob-Wan's group was captured and taken to Sobeck. When Sobeck demanded information on the Nexus Routes, Piell told him the clones are ready to die for the Republic.

In response, Sobeck shot and killed a clone, but was informed that Anakin's group was spotted and Dooku needed him immediately. Sobeck ordered his droids to lock the group up and head for the hangar and ignored Dooku's transmission. Later, a firefight ensued which resulted in the death of the clone Echo and the destruction of the escape vessel as well as the droids, forcing both Anakin and Obi-Wan's groups to flee into the caves below.

## Taking Matters Himself

Later, Dooku contacted Sobeck again and reminded him of the importance of the Jedi's capture and threatened him by saying that Sobeck's promises to capture the Jedi were the only thing keeping him alive. Sobeck then ordered the release of his pet Anoobas in an attempt to pick up the Jedi's scent. The Anoobas tracked down the group and killed Piell, who the Jedi buried and moved on and contacted the Reublic for help in escaping Lola Sayu. When the team was spotted, Sobeck personally led a squad of STAP-mounted commando droids to capture them. Upon sighting the team, he fired at them. However, his STAP was shot down by Fives and he crashed to the ground.

Tarkin tried to shoot him but he missed. He then grabbed Tarkin, angry that he was unable to obtain the information, warning Tarkin that if he could not get the information, it would die with Tarkin and was about to throw Tarkin into the sulfur, but was stabbed in the back and killed by Anakin's Padawan, Ahsoka Tano. With Sobeck dead, the group was able to depart Lola Sayu and head for Coruscant with the rescued naval officers.

---

Nico: Ahsoka, Anakin, who is that guy with Kuyo?

Anakin Skywalker: That is Osi Sobeck, a male Phindian who served the Confederacy of Independent Systems.

Ahsoka Tano: He was also the Prison Warden on Lola Sayu, but during the battle, he tried to kill Captain Wilhuff Tarkin of the Galactic Republic, but I killed him after I noticed Sobeck threatening the Republic officer's life.

We gasped in shock.

Me: You did a good thing killing him, Ahsoka. Threatening to kill an officer of The Republic, that's high treason.

Mollie: I've had it with this monster to last an eternity.

Suddenly, Mollie's eyes turned neon purple, and she was surrounded by a neon purple energy aura with lightning and phoenixes surrounding her, she unholstered her Sword of Suzaku from her back, and as she approached Osi Sobeck, she left purple energy, lightning, and phoenixes with every step.

Mollie: Osi Sobeck, what you tried to do in killing Captain Wilhuff Tarkin of the Galactic Republic is nothing more than a deliberate act of treason. In the name of Team Loud Phoenix Storm and The Galactic Republic, you are hereby sentenced to death for your crimes!

Then, Mollie was surrounded by a massive vortex of purple energy with lightning crashing down from the heavens, there was a purple phoenix with lightning in its wings flying around the vortex, and in the vortex was a pink phoenix. Then, as the vortex faded, Mollie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Mollie grew to 6'0" in height, she had the body of a goddess, her long brown hair grew to reach the bottom of her neck and she had purple lightning bolt highlights in the bangs, she has neon purple eyes and a purple energy aura with lightning and phoenixes surrounding her, she has a phoenix with the Thunder Kanji emblazoned on her forehead, she has on phoenix earrings with the Thunder Kanji in its claws and a necklace with the phoenix holding the Thunder Kanji in its claws for the pendant, she has on a pink sleeveless blouse with a purple phoenix on it, red skirt with lightning on it, purple stockings, purple ankle-high leather combat boots, and a sleeveless purple trenchcoat with lightning bolts on the coattails and a phoenix on it. The massive, wide, double-edged blade of her Sword of Suzaku grew to 6'5" in length and the long black handle grew longer. Mollie has on her brand-new Bracelets of The Champions of The Universe with purple gems on her wrists, her brand-new Belt of Elemental Bravery with large purple gem on her waist, and Eater of Sins revolver holstered on her left hip. There's a red kanji on the back of the sleeveless trenchcoat below the phoenix that said, "Mollie, Friend of Girl Jordan, Slayer of Irredeemable Scum, Loving Future Wife of Lincoln Loud, and Master of Lightning and Phoenixes."

モリー、少女ジョーダンの友人、取り返しのつかないスカムの殺し屋、リンカーンラウドの愛する未来の妻、そして稲妻とフェニックスのマスター

Mollie has transformed into SUPER ANGEL 750,000,000,000 SUPERCELL LIGHTNING THUNDERSTORM PHOENIX ANGEL OF LOVE AND JUSTICE!

We were amazed by Mollie's Super Angel 750,000,000,000 transformation, including Girl Jordan. But, when Lincoln saw her, he had an atomic red blush on his face.

Girl Jordan: Whoa, did Mollie just…?!

Nico: Oh yeah, Mollie's transformed into her Super Angel 750,000,000,000 form, and she's going to fry that traitor's brains out for what he's done.

Lincoln: Whoa, Mollie, you look beautiful. How do you feel?

Mollie: (Divine Echoing Thunderstorm Voice of Love) **I feel incredible, Linky, and now, I'm going to put an end to this traitor to the Galactic Republic once and for all.** (To Lincoln) **Would you like to join in?**

Lincoln: Of course.

Lincoln transformed into Super Angel-Ebonwu Infinity Elemental

Thundersnow Buffalo Angel of Frozen Lightning Justice, and unholstered his massive Sword of Taranis from his wider muscular back, and he joined with Mollie.

Lincoln: (Divine Echoing Cosmic Thundersnow Elemental Voice of Justice) **Let's put an end to this evil traitor once and for all.**

Lincoln and Mollie then went after Osi Sobeck, and they fired neon blue energy with elemental forces orbiting around the cores, neon purple energy, lightning, ice, thunderbirds and phoenixes made of pure lightning, and they exploded with incredible power, as soon as they hit Osi Sobeck. Then, Mollie and Lincoln slashed off Osi Sobeck's arms, and he screamed in excruciating pain.

Mollie: **Let's use our Final Smash Combo, and end him once and for all, Linky.**

Lincoln: **You read my mind, Mollie.**

Mollie and Lincoln: **COSMIC ELECTRIC THUNDERBIRD PHOENIX MEGABLAST!**

Mollie and Lincoln fired massive and powerful blasts of purple and blue lightning, which transformed into a phoenix and thunderbird, and as they hit Osi Sobeck, they exploded with incredible power, and the resulting explosions killed Osi Sobeck, and he was Super Hakaied forever. We cheered wildly for what Mollie and Lincoln did, as they holstered their massive blades on their backs and powered down, but Mollie's new body, clothes, weapons, and jewelry are permanent.

Then, Lincoln had picked Mollie up in his abnormally large and powerful muscular arms, and as they locked eyes, they shared a very passionate kiss and hug, as lightning crashed down behind them, and formed into a thunderbird and phoenix together, as we'd looked on at the scene.

Nico: Whoa, talk about sparks flying.

Everyone laughed at the pun, especially Luan.

Luan: Good one, Commander.

Girl Jordan: Yeah, that was a good pun, but that beautiful display behind Linky and Mollie, I wonder what'll happen with each of us.

Lori: That'd be something truly jaw-dropping to see, you girls and Lincoln kissing and the display of the mythological creatures and the elements they represent behind you girls and Lincoln.

Nico: It'd be splendid, indeed, Lori.

Suddenly, my eyes turned into neon rainbow colors and I was surrounded by a rainbow fire energy aura with planets, stars, elemental forces, and phoenixes as the ground was shaking extremely violently, as I unholster Phoenixcalibur from my back, and as I approach Kuyo, I left rainbow energy, rainbow fire, planets, stars, elemental forces, and phoenixes with every step.

Me: Kuyo, you just don't know when to stay dead, do you? All of your crimes that you had committed back at Yokai Academy are indeed unforgivable. This time, when I kill you, you'll stay dead once and for all! You don't give a flying fuck about anyone but yourself and all you know is how to use fear and evil to get what you want. I will make sure you die a horrible death.

Suddenly, I was surrounded by a massive vortex of rainbow energy with rainbow fire and elemental forces surrounding it, there was an Angel, Phoenix, Fairy, Sylph, Salamander, Leprechaun, Werewolf, Mermaid, Gnome, Yuki-Onna, and Griffin surrounding the vortex, and inside the vortex was a phoenix of many colors. Then, as the vortex faded, I emerged, but I was changed forever.

(IMPERATRIX MUNDI PLAYS 1:35 TO 2:14)

I grew from 6'11" to 7'0" in height, just like Lincoln, Lynn Sr., Liam and Duke Lincoln, but my shirt was like that of Gohan's except it was red and my abnormally large and powerful upper and lower body muscles grew a little bigger, and I still had eight-pack abs, my eyes changed to neon rainbow colors and I had a rainbow energy aura with rainbow fire, planets, stars, elemental forces, and phoenixes surrounding me, my black hair grew reaching the bottom of my neck, and I now had rainbow highlights in the bangs, the phoenix with the emblem of the Ebonwu Squadron emblazoned on my forehead now had rainbow colors, I had phoenix earrings with the Kanji for Eternity in its claws and a necklace with the phoenix holding the Eternity Kanji in its claws across my chest, I had massive black angel wings with reflecting stars and nebulae and rainbow tips on the large feathers, and my massive and long eleven rainbow-colored wolf tails with tips and elements were out.

The gems on my large cuff Bracelets of the Champions of The Universe on my wrists and the large gem belt buckle on my Belt of Elemental Bravery were now rainbow colors, and the massive, wide, double-edged blade of my Phoenixcalibur sword grew to 6'5" in length and the long gold handle grew a little longer. I now had on the same wardrobe as Lincoln, Liam, and Lynn Sr., but my version of He Man 2002's loincloth is red, and I had red pants with fire and flames on them and I had on long red trenchcoat flaps with all of the elemental forces on the coattails, which were held up by my Belt of Elemental Bravery, I now have on large rainbow colored weighted bands on my large biceps and thighs, large black pants with elemental forces on them, and a pair of large black leather ankle-high combat boots with silver armor on the toes, and the eight large planets and stars orbiting around my legs had remained the same, along with my Eater of Sins revolver still holstered to my right hip and Crystal Saber holstered to my left hip.

I had a phoenix tattooed on my massive right pec and on the back of my trench coat there's a rainbow kanji written below the phoenix that said, "James Dean Knudson, Powerful Leader of Team Loud Phoenix Storm, Golden-Hearted Loving Future Husband of Many Wives, Golden-Hearted Loving Father of Many Children, Golden-Hearted Loving Brother of The Loud Family and Many Friends All Over The World, Amazing and Powerful Student of Many Masters, Brave Warrior and Savior of The Universe and Beyond, Destroyer of Irredeemable Black-Hearted Villains, Monsters, Power-Hungry Bastards, and Maniacal Tyrants, Emissary of The Cosmos and The Heavens, Ambassador of Harmony and Love, and God of Justice."

ジェームズ・ディーン・ナドソン、チームラウドフェニックスストームの強力なリーダー、多くの妻のゴールデンハートの愛する未来の夫、多くの子供たちのゴールデンハートの愛する父、ラウドファミリーのゴールデンハートの愛する兄弟、そして世界中の多く

の友人、素晴らしいそして多くのマスターの強力な学生、勇敢な戦士と宇宙とその先の救世主、取り返しのつかない黒い心の悪役の破壊者、モンスター、力に飢えた野郎、そしてマニアックな暴君、宇宙と天国の使者、調和と愛の大使、そして正義の神

I've now transformed into SUPER ANGEL-EBONWU-PHOENIX-HARMONY ETERNITY INFINITY ELEMENTAL HARMONY PHOENIX ANGEL OF COSMIC UNIVERSAL JUSTICE, my most powerful transformation ever times infinity!

When everyone saw it, they were indeed stunned and shocked with awe, and when the many girls in my harem saw me, their eyes turned to hearts, they had an atomic red blush on their faces, their tongues came rolling out, and steam whistled out from their ears, and they went totally lovestruck nuts. But, when Kuyo saw it, he flew into a demonic rage and his eyes turned red with unimaginable hatred and rage.

Nico: (Stunned) Holy crap!

Lincoln: J.D.'s transformed into his most powerful transformation ever, awesome!

Eli: WHOA! What Power!

Hunter: (German Accent) Mein Gott! His power is amazing!

Nico: INCREDIBLE! Wow! J.D. how do you feel?

Me: (Divine Echoing Cosmic Elemental Voice of Harmony and Justice) **I feel amazing Nico. This power is more than enough to make sure that all evil gets silenced times infinity.**

Lori: And you're literally going to beat the crap out of Kuyo big time, and make sure that he never returns again.

Me: **That's right, Lori. Alright, Kuyo, this is the end for you once and for all!**

I went after Kuyo, who transformed into his Yōko form, and he fired powerful blasts of fox fire at me, but I absorbed them, and it made me even more powerful than ever. Then, I attacked with powerful blasts of rainbow energy, elemental forces, and rainbow fire, which hit him, and they'd exploded with incredible power.

***KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

Kuyo got up and we flew into the air and he fired a massive volley of blue fireballs and they all missed me and exploded all over the place.

KRABBBBBOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOMMMMMMMMMM!
KRABBBBBBBOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMM
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMMMM!

He fired a massive blast of blue fire at me and I fired a massive rainbow Kamehameha Blast and the blasts collided and exploded with unbelievable power!

***KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

When the smoke cleared, Kuyo got up, and it made him even more angrier than ever, and he fired more powerful blasts of fox fire at me, but I kept absorbing the blasts, and it made me even more powerful than ever, and we'd clashed with our swords, and sparks flew, and I kept absorbing the flames, and they made me even stronger.

I kicked him in the face and jumped back and he fired a massive blast of fire at me and I jumped over it and landed behind him and I fired two powerful blasts of rainbow energy and they hit him and exploded!

***KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO***

***KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOO***

I then fired a massive volley of rainbow energy blasts and they all hit Kuyo all over and he screamed in pain as he was being blasted all over the place with incredible and indiscriminate fury and then I formed a rainbow energy ball and fired it and it hit him and he screamed in excruciating pain and a massive explosion followed!

***KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO***

Kuyo then jumped out of the explosion brutally beatened and mangled up with his sword and then I'd disarmed him, and I grabbed him with two of my tails, and I covered my hand in rainbow energy, and I'd grabbed Kuyo by his neck, and I began sucking out and absorbing all of his powers and abilities, and as soon I was done, I then tossed Kuyo into the air with my immense brute superhuman strength, and I prepared my final attack.

Me: **You are full of hatred, bitterness and malevolence and you will be destroyed forever. You only rule with nothing but fear, sadism, torture and slavery. And for that you will never torture anyone or brainwash anyone into doing your evil ways ever again. And now, this is the end for you, Kuyo, this time, stay gone forever. DIVINE COSMIC ELEMENTAL KAMEHAMEHA!**

I then fired a massive and powerful Kamehameha wave made of rainbow energy, rainbow fire, and elemental forces at Kuyo, and once it hits him, it exploded with incredible power.

***KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

Kuyo: DAMN YOU, J.D. KNUDSON!

The resulting explosion obliterated his body completely, and Kuyo's evil spirit was Super Hakaied, this time for good. Everyone cheered wildly for what I did, as I holstered my newly improved and massive Phoenixcalibur blade on my now wider and more muscular back and powered down, but my new clothes, weapons, and jewelry were permanent.

Nico: Colonel, that was so awesome!

Me: Thanks, Commander.

Lincoln: And now, we've finally seen the last of Kuyo.

Me: You got that, big guy, and he won't show his ugly face here ever

again.

Then, the girls in my harem dogpiled on me, and I got showered with kisses, and I got lipstick marks on my face and massive muscular upper body, and I had a dazed look on my face, as everyone had a laugh. Plus, what I did to Kuyo had angered the MetalliKats even more, as they saw that I obliterated their ally completely from existence for good. Moka picked up Kuyo's sword and decided to keep it for herself. We then set our sights on the MetalliKats.

Me: Time for some buttkicking.

Nico: Lets take these tin cans apart!

We went at the MetalliKats and Mac fired his laser and Eli ignited his lightsaber and deflected the blasts back at him.

We punched and kicked and pulverized them all over!

SMASH! BLAM! BASH! CRASH!

Lincoln fired blasts of lightning at them and electrocuted them all over.

Topar and Fivarth blasted and smashed the MetalliKats all over the place.

Needlenose, Elec Man, Kai and Skids used the Earth Cyber Planet Keys and they enhanced Needlenose's Proton Missiles, Skids' Electron Blaster, Kai's Fire Powers and Elec Man's Thunder Beam 100-fold.

They fired a massive elemental missiles at the MetalliKats which explode on contact.

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

The blasts all blew the MetalliKats to pieces and scrap metal and then the spirits of Mac and Molly Mange appeared.

Aylene C.: You two have tormented Megakat City for far too long and this time you will stay dead. (Holds hand out) SUPER HAKAI!

They were obliterated and erased from existence forever!

We were back on Earth.

T Bone: Looks like the MetalliKats are gone for good.

Zzzax: Good riddance to them.

Me: Yep. All of the SWAT Kats major enemies are now nothing but forgotten Memories. Rex Shard and Volcanus excluded.

Mumbo: But we can still keep any of their surviving parts for future use.

Toad: That's actually a good idea.

Machinedramon: Personally, I'm a better robot then those two.

Nico: Yep and the Robot Masters, Rusty, Mega Man, Roll and all the robots we know are better robots than them.

All of a sudden, Stewie took out his blaster and shoot the heads of MetalliKats.

Salami Swami: Stewie! We already sent their spirits to the Warp!

Stewie: Just wanted to be sure.

Me: That won't be necessary Stewie.

Nico: But that was one amazing battle and colonel, great job taking out Kuyo and Mollie you did a great job too. All of you did. Great job everyone.

Me: Thanks commander.

T Bone: (To the viewers) This was awesome! I hope this was a great adventure for you all.

Nico: It sure was. Lets head home everyone.

We went home and we had a great rest of the day. Callie and the Mayor and Megakat City are safe and we went to sleep.

THE END

Another awesome fanfic done.

THIS WAS AWESOME! We're now done with the last of the major enemies of the SWAT Kats. The MetalliKats were a true Bonnie and Clyde crime duo. They were worse though however. The first part was for Digimon Season 3 and it's where we took on Orochimon and Jeri got to get another shot in. Awesome! The second part is for the Home Alone Movie called Angels with Filthy Souls and the bad guy Johnny Valentine was one bad monster in that movie. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the Guest Reviewer. Thanks guys. This was AWESOME! Next rescue for me is gonna be for Naruto and we're gonna see Fu transform in that one. We're going to the Hidden Waterfall Village and Suien is gonna be after the Hero's Water. But Fu has a really powerful surprise in store for Suien. So guest I'll need you help on that one. Also Me, Allie Wilde, Maria, Eli, Erica, Qin, Missy, Marie, Simone, Miranda, Gina, Haumia, Nene, Fu and the Xurkitree Gene-Slammer are going to meet a Varodurumon Gene-Slammer named Laurie Lorelai and she is from Switzerland. We'll also meet a Al-mi'raj named Miraj. The rescue for Lincoln is gonna be for where we go rescue Emma's Parents. I promised Emma when I met her in a previous chapter that I would rescue Emma's mom and dad and her sister Kate from a Zombie Apocalypse. The next chapter is gonna be for James Bond and we're going to help James Bond and Agent Wai Lin take down Elliot Carver and we're going to make sure that scumbag reporter pays for his crimes and stop him from playing both sides for fools and causing World War III.

See you all tomorrow

# TOMORROW NEVER DIES

JAMES BOND FOREVER!

In Saskatchewan, Canada me, Allie, Maria, Eli, Nene, Missy, Erica, Qin, Marie, Simone, Gina, Miranda, Fu and Haymar the Xurkitree Gene-Slammer were walking around the awesome and ever-beautiful Hidden Waterfall Village. It was beautiful as always.

Haymar: (Myanmar Accent) We're in the Hidden Leaf Village, right?

Me: Nope this is one of the Leaf's Allied Villages, The Hidden Waterfall Village. You will like this one Haymar.

Haymar concentrated and groaned as her hair fell out.

We saw that it was a true hidden village.

Eli: Wow Fu your old village is really beautiful.

Fu: It sure is.

Haymar turned into XURKITREE!

Erica: All right!

Missy: But wow this village is beautiful and that giant tree in the middle of this lake is magnificent.

Qin: Boy it sure is. I think it's amazing that the Hidden Waterfall is that beautiful.

Simone: I think so too.

Me: And I have a strong feeling why we are here.

Eli: Yeah I do too.

We went to the Sacred Tree and it was a massive and beautiful tree. We went to a shed and we got a jug and it was The Hero's Water.

Maria: Is that the Hero's Water?

Fu: Yep this is it.

Eli: It looks like an ordinary jug of water.

Me: That was my first reaction too. But this water is really special. It's water thats harvested from the Sacred Tree of the Hidden Waterfall once every 100 years.

I told them all about what the Hero's Water can do.

---

The Hero Water (英雄の水, Eiyu no Mizu) is a specialised liquid from Takigakure. It is produced once every one hundred years from the giant tree that hides the village.

By drinking the water, it allows a ninja to have at least a ten-fold increase in chakra for a short period of time. The chakra increase was so potent that, as Suien demonstrated, the user can create a chakra shield to deflect kunai, similar to the Eight Trigrams Palms Revolving Heaven.

In exchange for this power, the water shortens the user's life span proportional by the number of times his chakra increased, as Shibuki's father died from the side-effects.

---

When I was finished everyone was shocked.

Eli: Whoa! That is stiff.

Marie: (Russian Accent) So they lose that much of their life because of that power increase?

Fu: Yep. That's why it had to be locked away and never to be used again.

Simone: Geez that is big.

Me: I've seen what the Hero's Water is capable of. The power that comes from the Hero's Water is incredible.

Eli: Wow.

Missy: I don't think we're alone here!

Eli: Yeah I sense it.

We went over to the edge of the tree and standing by it with most of the village held hostage was SUIEN!

---

Suien was the teacher of Shibuki. He went rogue as a missing-nin and assembled followers like Hisame, Kirisame, Murasame, and a substantial number of grunts in his plan to obtain the chakra-enhancing Hero Water, even if it meant taking hostages in Taki. He threatened to kill the captive villagers one by one if Shibuki didn't show himself with the Hero Water. When Shibuki drank the water and hid its bottle in his shirt, he engaged Suien in battle until Suien impaled Shibuki with a water sword technique and discovered the water falling out of his shirt. After Suien drank it, Naruto engaged him in battle long enough for Shibuki to free Sasuke.

Naruto and Sasuke then fought him, but Suien was winning until Naruto unleashed the chakra of the Nine-Tailed Fox. After Naruto drew on the fox's chakra, Suien was no match for him, and thus he tried drinking the last of the water. Before he could do so, Sasuke knocked the bottle of the water out of his hand, breaking it. Naruto then used multiple shadow clones to send Suien flying, causing him to fall down the waterfall to his death.

---

Me: (Whispering) It's Suien.

Missy: (Whispering) Who is he?

Me: He's a rogue shinobi from here. He used to be Shibuki's teacher and he went rogue in search of more power. He wants the Hero's Water so he can take everything from the Five Great Nations.

Eli: (Whispering) Well he can't have it.

Fu: (Whispering) I've had it with this clod.

Me: Me too. Lets go.

We went and confronted him.

Suien: Team Loud Phoenix Storm. Nice to see you all again.

Me: I would say the same thing Suien. But I would be lying.

Suien: And you have the Hero's Water too.

Maria: You realize that if you use the Hero's Water, your life span will decrease, right?

Suien: What do you mean?

Me: You were told about the chakra-enhancing power of the Hero's Water yes but you obviously didn't read about the terrible price that comes with it. Your life force will drain depending on how much you drink and that's why they had to lock it away.

Eli: Using the Hero's Water is a terrible thing for this village. Why do you think Shibuki's father lost his life. He didn't die from battle, but from the Hero's Water's life-ending price.

Fu: But I've decided I'm going to make sure you don't get it!

She drank the whole jug!

Me: (Smirk)

Suien: NO!

She drank the whole thing until it was all gone and then…

WHOOOSH!

Her neon green aura flared up with incredible intensity and power!

Me: WHOA!

Eli: WHOA WHAT POWER!

Marie: What an increase!

Suien: She will die soon!

Me: Oh I don't think so. We found out that because of our immortality and invincibility the power enhancing abilities of the Hero's Water will last forever.

Fu unholstered her Sword of The Jinchuriki, and she transformed into her Super Angel 500,000,000,000 form. Suddenly, we felt something snap in Fu's mind, as her eyes had turned neon orange and she was surrounded by a yellow energy aura with beetles, and as she approached Suien, she left yellow energy, lightning, and beetles with every step.

Fu: Suien, what you've done can never be forgiven. You claim that this is for the village, but I see you for what you really are. You are a selfish, ruthless, murderous, power-hungry tyrant, and I will see to it that your ambitions end here and now!

Fu screamed like a madman, as she was surrounded by a massive vortex of yellow and neon green energy with lightning crashing down from the heavens, there were beetles flying around the vortex, and inside of the vortex was a red phoenix and the eyes of Chomei the Seven-Tailed Beetle glaring at Suien. Then, as the vortex faded, Fu emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Fu grew to 6'0" in height, she still had the body of a goddess, along with the rhinoceros beetle with the Thunder Kanji emblazoned on her forehead, earrings with the Thunder Kanji and necklace with a rhinoceros beetle with the Thunder Kanji for the pendant, and her Bracelets of The Champions of The Universe with pink gems on her wrists, her Belt of Elemental Bravery with large pink gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip, her long blue hair was now flowing and she had gold lightning bolt highlights in the bangs, her brand-clothes from when she'd transformed into her Super Angel 500,000,000,000 form grew longer for her new body, her yellow angel wings surging with lightning had gotten larger for her new body, and she had her seven beetle wings out. The massive, wide, double-edged blade of her Sword of The Jinchuriki grew to 6'5" in length, the long black handle grew longer, the large gem for the hilt was yellow, and the crossguard was in the shape of Chomei's seven wings. Fu has transformed into SUPER ANGEL 750,000,000,000 SUPERCELL THUNDERSTORM LIGHTNING BEETLE ANGEL OF JUSTICE!

We were amazed by Fu's Super Angel 750,000,000,000 transformation, but when Suien saw it, he was now enraged and his eyes turned red with hatred.

We were amazed!

Me: WHOA! Fu transformed!

Eli: AWESOME!

Maria: Wow! Fu how do you feel?

Fu: (Divine Echoing Cosmic Thunderstorm Voice of Justice) **I feel amazing Maria. Now I'm got to make sure that this monster pays for his crimes.**

She went at Suien with incredible speed and before he could even react, Fu slashed his arms clear off and he screamed in excruciating pain and then she stabbed him in his black heart and he belched up a huge amount of blood and then he bursted into purple energy and was super hakaied for good!

Eli: WHOA! He didn't stand a chance.

Qin: No he didn't.

We later met an Al-Miraj from Arabic myth named Miraj and we also met a Varodurumon Gene-Slammer named Laurie Lorelai. We went to a secluded place and I put on my blind man glasses and Eli covered his eyes and Haymar and Laurie were reverting back.

Haymar: (regains her hair) Laurie, please tell me you didn't drink any of the Hero's Water!

Laurie: (Regains her legs and hair) No I didn't thankfully. I didn't know what that was.

They both were back to normal and were naked and Maria gave them new clothes and they put them on.

Laurie Lorelai: This outfit is really nice.

Haymar: It sure is. Wow.

Me: Glad you're all right. And now we've seen the last of Suien and his team.

Eli: Suien is dead and his followers are back in the stony lonesome.

Laurie: (holds her head in pain) NO! I CAN'T TRANSFORM AGAIN! NOT NOW!

Laurie dunked her head in the water to stop the transformation.

Simone: Laurie! Concentrate and reign in the power with the strength of your will.

Miranda: That's right. We did it and so can you.

Nene: You can to it.

Laurie concentrated and then she glowed in a neon rainbow aura and the power of Varodurumon was now part of her!

Laurie: Whoa! That was intense!

Fu: But you did it Laurie.

Miraj: You sure did. Awesome job.

Me: Yep. Lets head home.

We first freed the prisoners and we were heroes of the village and then we went back home.

---

After getting rid of Suien this time forever, Lincoln, Me, Nico, Eli, Nicole, Emma, and Jessica Shannon were heading to Emma's world, and not only is Lincoln going to rescue the eleven girls there, but as I had promised to Emma, we're also going to rescue her mom and dad and her sister, Kate, from a Zombie Apocalypse. We were on the U.S.S. Valorous Phoenix, and we arrived in Emma's world.

Lincoln: Whoa, so this is Emma's world.

Me: That's right, big guy. I came here along with Jetfire, and this is where we rescued Emma.

Lincoln: And I think I know what we're going to do here, not only am I going to rescue the eleven girls there, but like you promised to Emma, we're also going to rescue her mom and dad and her sister, Kate, from a Zombie Apocalypse.

Me: You got that right.

Nico: Whoa, this place is just as bad as the world that Takashi and his friends were from, along with Raccoon City.

Me: Yeah this whole planet went to Hell. I don't know what caused Emma's world to become like this but it was bad.

Eli: But, once we rescue Emma's mom, dad, and her sister, Kate, they'll have a new and better home in our world.

Me: You said it, Eli.

?: HELP!

Suddenly, Lincoln heard the sound of eleven girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the eleven girls, along with Emma's mom, dad, and her sister, Kate, but they've been cornered by the zombies, and they're going to kill them.

Lincoln: Guys, I found the eleven girls, but they, along with Emma's mom, dad, and her sister, Kate, have been cornered by the zombies, and they're going to kill them. Come on, let's go.

We rushed on over, and we fired powerful blasts of fire at the zombies, and killed them. Then, Lincoln fired a massive volley of neon blue energy blasts at more zombies, which killed them all.

Emma: Mom, Dad, Kate?

When her parents and Kate saw Emma, they rushed on over and hugged her. We then got them and the eleven girls onboard the U.S.S. Valorous Phoenix, and we left out of there. Emma's parents and Kate were okay, and they weren't infected, thank goodness. Then, Lincoln and Nicole went up to the eleven girls located there, and when Lincoln saw them, he immediately recognized them. The eleven girls were Zizou Olympia from Legend of The Dark Witch, Patricia "Patty" Wagon from Mighty Switch Force, Reiko Hinomoto, Dixie Clemets, Candy Cane, Benikage, Aigle, Rebecca "Becky" Welsh, Aisha, Makoto Aihara, and Miss Spencer from Rumble Roses.

Lincoln: Oh wow, it's Zizou Olympia, Patricia "Patty" Wagon, Reiko Hinomoto, Dixie Clemets, Candy Cane, Benikage, Aigle, Rebecca "Becky" Welsh, Aisha, Makoto Aihara, and Miss Spencer.

Nicole: From Legend of The Dark Witch, Mighty Switch Force, and Rumble Roses, awesome.

Lincoln: Are you girls okay?

Zizou Olympia: Yeah, we're okay, thanks to you.

Then, when Zizou Olympia and the other ten girls saw who it was that saved them from the zombies, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Zizou Olympia: Oh wow, you're you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Zizou Olympia: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and Emma's mom, dad, and Kate were going to get used to their new home here on our Earth, but they won't have to deal with the threat of a Zombie Apocalypse ever again.

* * *

After rescuing Emma's Mom, Dad, and her sister, Kate, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

After that, Lincoln, Paige, Ronnie Anne, Mollie, Kirche von Zerbst, Luo Hao, Rin Tohsaka, Hibari Hanakoganei, Suzume Sakurajosui, Liru the Werewolf, Pachira the Vampire, Uma the Witch, Love Heart (Sky love), Sochie Heim, Petra (Fire Emblem), and Cleopatra (Cleopatra In Space) were now getting ready for their date and exploration at the Aquatic Ruin Zone, one of the worlds that Sonic the Hedgehog has gone to many times.

Lincoln was dressed in large orange swim shorts with a thunderbird and elemental forces, Paige was dressed in a yellow two-piece bikini with lava dragons on it, Ronnie Anne was dressed in a purple two-piece bikini with fireworks on it, Mollie was dressed in a purple two-piece bikini with lightning bolts and a phoenix on it, Kirche von Zerbst was dressed in a black two-piece bikini with flames on it, Luo Hao was dressed in a green two-piece bikini with flowers on it, Rin Tohsaka was dressed in a two-piece red bikini with a cross on it, Hibari Hanakoganei was dressed in a pink two-piece bikini with the sun on it, Suzume Sakurajosui was dressed in a blue two-piece blue bikini with wind gusts on it, Liru the Werewolf was dressed in a two-piece dark blue bikini with a werewolf howling at the full moon, Pachira the Vampire was dressed in a two-piece black bikini with vampire bats on it, Uma the Witch was dressed in a purple two-piece bikini with witch hats on it, Love Heart (Sky Love) was dressed in a two-piece pink bikini with hearts on it, Sochie Heim was dressed in a white two-piece bikini with the Gundam symbol on it, Petra (Fire Emblem) was dressed in a two-piece red bikini with a sword on it, and Cleopatra (Cleopatra In Space) was dressed in a white two-piece bikini with Egyptian cobras on it.

They also had on snorkels and masks, air tanks, regulators, gloves, fins, alternate air sources, dive computers, and pressure gauges. They arrived at The Aquatic Ruin Zone, and it was amazing.

Paige: Wow, so this is The Aquatic Ruin Zone.

Lincoln: That's right, Paige. Sonic told me about The Aquatic Ruin Zone, plus it's also a perfect place for our date and we'll also do some exploring along the way.

Ronnie Anne: Great idea, Linc. Plus, we'd better make sure to take pictures, so everyone can see the Aquatic Ruin Zone.

Lincoln: That's exactly what we're going to do during our exploration, Ronnie Anne. Shall we?

Mollie: Let's get diving.

Lincoln and the girls dived right in with their scuba gear on, and they began their exploration of The Aquatic Ruin Zone. They saw the ruins there, and they also took pictures of them. Then, they also saw the ancient stone pillars that lie dotted around Aquatic Ruin, and they took pictures of them. Plus, they also took care of any remaining minions of Dr. Robotnik once and for all. Then, they had lunch on the surface, and after that, they came back home after their exploration.

Me: Wow, you guys definitely had fun. Where did you go to?

Lincoln: We went to the Aquatic Ruin Zone.

Sonic The Hedgehog: The Aquatic Ruins? I haven't been there in a long time.

Lincoln: And we also took pictures of the Aquatic Ruins.

Lincoln showed us the pictures of The Aquatic Ruins, and they were amazing.

Me: Wow. This is amazing.

Laney: Plus, you also took pictures of the ancient stone pillars. That's amazing.

Lincoln: And while we were there, we also took care of some remnants of Robotnik's minions who've been wanting revenge on us.

Nico: Ooh, nice one, Linc.

They continued showing us all of the pictures of The Aquatic Ruins, and we'll probably be doing some exploring in Sonic's world in the future.

* * *

Back at the estate we were watching TV and then…

SOMEONE THROWS UP!

Nico: Oh man!

We went to the bathroom and we saw Carol hurling her guts out into the toilet.

Notacon: You okay, Carol?

VOMIT!

Carol: Do I look fine to you?!

Carol was throwing up her guts in the toilet.

Maria was patting her back.

Maria: Man Carol that is not a good sight.

Me: Lets get her looked at.

We looked her over and we came to the diagnosis that she had both the stomach flu and food poisoning.

Carol: (crying) I DON'T WANT TO DIE! (VOMITS)

Carol then threw up all over the floor and all over the walls.

Missy: CLEAN UP ON AISLE 12!

Muscle Man: You know who else like vomiting like that? My Mom!

Me: That was a good one Muscle Man.

Maria: Carol you are not gonna die. It's just a case of food poisoning and stomach flu. I've had it remember? It goes away after a couple of days.

Carol: (Calms Down) Oh. (VOMITS)

Eli: Geez Carol. What did you eat?

Carol: I had a really bad piece of meat from the Meat House.

Nico: That place has really bad food.

Maria: Don't worry, sis. I'm here for you.

Maria continued to pat Carol on the back as she continued to throw up.

Carol: (PROJECTILE VOMITING)

Thunderblast: That's it, Carol. Let out all the puke.

Maria: GEEZ! That meat did something to you!

Me: We should call the health department on that restaurant.

Nico: I'll ring it up.

Vince: Geez honey.

Evelyn Pusateri: Poor mom.

Carol: Maria, go with the others on the next mission without me. I'll be fine.

G1 Inferno: You sure about that?

Carol then puked all over Lori.

Lori: OH YUCK!

Me: HOLY CRAP! Lori you better go take a bath before we go.

Lori: Good idea.

Lori went to the bathroom.

Carol: I'll be fine. I've got my children, the mascots and Kirby to help me out.

Pickle Barrel: We can help too.

Barley Barrel: Yeah we can help out too.

Carol: Oh thanks guys.

Kirby came in and he was dressed as a doctor.

Kirby: Dr. Kirby reporting for duty!

Nicole: Right I forgot he has a Doctor ability.

Volcana: J.D., it's your turn to lead today. (hears Carol puke and winces) But now, we won't have Carol with us.

Me: I know Claire. Poor Carol. But I hope our estate won't get flooded with throw up by the time we get back. But I have just the mission for us. We're going to investigate why a British Navy ship went down in the South China Sea and we're going to meet up with James Bond in Germany first. He's at an awesome casino in Hamburg.

Nico: Cool!

Laney: Awesome. (Hears Carol Puke and winces) Geez! I hope that meat didn't have Escherichia-Coli 0157.

Me: If it did, Lisa can use her cure on it. Lisa made a cure for it remember?

Laney: Oh right.

Skulker, Patty & Selma, Golden Glider, Grizzly, Professor XXXL Zzzax, Mumbo Jumbo, Toad, The Salami Swami and Machinedramon Then appeared.

Golden Glider: Can me, Skulker, Patty & Selma, Grizzly, Professor XXXL Zzzax, Mumbo Jumbo, Toad, The Salami Swami and Machinedramon go with you guys? (hears Carol puke) Exactly how long has Carol been puking?

Me: Don't ask.

Eli: About 45 minutes.

Lori came back from the shower.

Lori: I'm back.

Grizzly looked and saw Carol throwing up her guts into a bucket.

Grizzly: Whoa what happened?

Me: She has a really nasty case of food poisoning and the stomach flu combined. She ate a REALLY bad piece of meat from the Meat House.

Zzzax: That bad meat restaurant on the other side of the city?

Me: Mm-hmm.

Golden Glider: Poor Carol. She'll be better soon.

Torch Man: Yes she will.

Me: Yep. And she has Kirby, the mascots, the Barrel Twins and her kids to look after her.

Golden Glider: Good.

Me: Lets head out to Hamburg, Germany.

We were off and Carol was in good hands.

---

## HAMBURG, GERMANY

---

We arrived in beautiful Hamburg, Germany.

Heckyl: Here we are.

Me: Yep.

We went in and saw lots of people in sharp suits and beautiful dresses.

Me: Wow. This is one amazingly lavish party.

Eli: Wow.

We were about to head in and a man stopped me.

Usher: (German Accent) You have an invitation sir?

Me: (Whispers) The Phoenix Burns in The Afternoon Sun.

Usher: Oh right. Go on in. (Winks at me.)

I winked at him back and we went in.

Patty: Hey there, James!

Selma: Nice to see you again!

James Bond: (British Accent) Nice to have you all here.

Me: Glad we could come James.

Eli: This is an amazing soiree.

Laney: It sure is.

Me: One last thing. (Snaps Fingers)

We were then dressed in our really sharp tuxedos and dresses.

Me: Nice party huh?

James Bond: May I ask where Carol is?

Solar Man: Funny you should ask. See, the Puke Police pulled us over earlier.

May: And Carol didn't have any money.

Me: (Whispers to James) Carol got sick with a nasty case of the Stomach Flu and Food Poisoning.

James Bond: Oh no. I hope she gets better.

Me: She will. She has the mascots, Kirby, her kids and the Barrel twins looking out for her.

James Bond: That's good. I take it you are here to help me out?

Me: Yes we are.

Toad: In my opinion, British Navy ships don't just go down on their own. Someone probably sabotaged it.

Me: That's what I'm thinking too.

?: Well look who's here.

We saw a beautiful woman in a beautiful blue dress.

Me: Paris Carver I presume?

Paris Carver: That's right J.D. and may I say you look more handsome than ever.

Me: I get around. It's an honor to meet you in person.

James Bond: How do you do Paris.

Paris Carver: Pleasure to meet you mister?

James Bond: Name's Bond. James Bond.

Ghuul: May we ask who your husband is?

Paris Carver: His name is Elliot Carver and he is a famous Newspaper Anchor.

Me: Ah Mr. Elliot Carver. I've heard of him. Very well known newspaper anchor known for making some of the worlds best stories.

Nico: Yep. I've heard of him. Very well known.

Skulker: (gets suspicious) "Famous Newspaper Anchor", huh?

Paris Carver: He is.

Me: (In my head) Also up to something big. We have to find out what.

James Bond: Up for a little poker J.D.?

Me: Sure James. Care to join us Ms. Carver?

Paris Carver: I would like that.

We went to the gambling tables and it was fun.

Top Man: Let's see how much money I make!

I had my cards ready and Paris Carver bet 500,000,000€ or $577,575,000.00

Eli raised it to 1,000,000,000€ or $1,155,150,000.00.

Nico got the money with a Royal Flush.

Professor XXXL: Would anyone like snow cones while we're gambling?

Nico: I'll have one.

Professor XXXL gave him one.

We had a lot of gambling fun and we all won a lot of money. Mostly Eli, Lana, Lola, Allie, Mizore, Maria and Simone.

Simone: Never realized how fun Gambling can be.

Allie Wilde: But it is cool.

Bai Tza: Maria, I'm sorry that Carol's not here.

Maria: I know Bai Tza. But Carol is in good hands.

Eli: Yep she sure is.

James Bond: That restaurant she went to really must've been nasty.

Me: It was James.

Paris Carver: Tell me something J.D. do you sleep with a gun under your pillow?

Me: Funny you should mention that. I don't sleep with any kind of weapon at all under my pillow.

Paris Carver: Thank goodness.

Me: (Whispers to her) Your husband is up to something big.

I told her everything about what Elliot is planning to do and offered her protection in the estate until he is caught. She took the offer and then later I teleported Paris and her belongings to the Estate for her safety. We later got to work on our mission.

Mumbo Jumbo: We need to find out Elliot's up to.

Me: Right.

James Bond: Follow me.

We followed James into Carver's paper company. James used a key on his awesome high tech phone and we went down and had invisible genjutsus on and we went to Carver's office and James disabled the security with a 20,000 volt security system on his phone and then we searched all over the office and found a hidden wall safe and James used the fingerprint scanner on his phone and opened it and then got a red code box and he handed it to me.

Me: Awesome.

Eli: High tech.

Me: Lets get out of here. We got what we need.

We teleported out of there.

Slobber Trap: What's Elliot's endgame here?

Me: Lisa's deciphering the code right now.

Lisa was using her skills and then a beep was heard.

Lisa Loud: Got it. The Code Box reveals a very impressive and utterly diabolical plan.

Lisa told us that Carver plans to destroy the Chinese government with the stolen missile from the sunked British Navy ship. He is attempting to provoke a war between the United Kingdom and China in order to destroy the Chinese government and use the new government to obtain exclusive broadcasting rights in China

We gasped in shock.

Salami Swami: (Hindu Accent) A war between the United Kingdom and China is a war none of us need right now!

Me: It's a war that the world is not ready for. We've been through many wars already.

Lisa Loud: The code also says that Elliot plans to do it via launching a missile from a stealth boat.

Me: Hmm.

I used the data from my computer and saw that it was from a prototype Stealth Boat that was built and stolen from the British Government.

Me: So that's it. He used this stealth boat that is equipped with a wide array of weapons.

We saw that it was equipped with a huge arsenal of weapons and it's totally invisible to radar.

Me: Hmm. I have an idea but it's gonna be really risk. First we need a taped confession and I know how we can do it. I have a friend from China that we can have infiltrate the ship. We'll use this.

I pulled out a microphone button that is hooked up to a special recorder on my device.

My plan is to get a recorded confession from Carver to play to the world leaders that China and England are being duped into a false war and I'll be inside hiding in plain sight out of their security camera sights and then I'll fire an energy ball no bigger than a pin point at some fuel barrels and show the boat on radar and then that's when we fight.

Blitzwing: I'll be in my jet mode in case something goes wrong.

Me: Good thinking. Stealth Boat is located in Ha Long Bay.

Nico: Near Vietnam.

Me: Yep. Lets go.

With that we were off to Ha Long Bay.

We arrived and at night we were watching. I turned on my night vision and I saw the Stealth Boat.

Me: Target sighted. Wai Lin. Be careful.

Wai Lin: Okay.

We got to work and I went into the boat and Wai Lin got captured just like we planned.

Machinedramon: Maybe I can keep that missile. It could be a good weapon for me.

Nico: It would. Stand ready everyone.

In the Stealth Boat, I was watching Wai Lin and Elliot Carver talking while hiding behind some boxes on the opposite end of where they were.

Elliot Carver: What you are about to witness, Ms. Lin, is not so much a missile attack, but the launch of a new world order. In precisely five minutes after your countrymen have attacked the British fleet, I shall retaliate for dear old England by sending this missile into Beijing, where General Chang has just called an emergency meeting of the Chinese High Command. Unfortunately, General Chang will be delayed in traffic, arriving just after the missile has killed your leaders, and too late to stop the air force from sinking the entire British fleet, but he will be just in time to take over the Government, negotiate a truce, and emerge as a world leader, with the Nobel Peace Prize.

Wai Lin : And what do you get?

Elliot Carver: Me? oh, nothing. Just exclusive broadcasting rights in China for the next hundred years.

Me: (In my head) Bingo.

I had the evidence we need.

I pulled out an audio flash drive from my device.

Me: (In my head) Carver's goose is cooked. Showtime.

I formed a tiny energy ball.

Me: God save the queen you bastard.

I fired the tiny ball and I used a laser to signal Wai Lin and she ran fast and then….

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted a hole out of the boat and I was firing laser blasts at some of the henchmen and killing them left and right!

Nico: SHOWTIME!

They went at the boat.

Captain: They've breached the hull! They're going to see us on radar!

Dirge: Let's use our entrance to get his attention!

Nico: Roger!

Cindersaur: You want to start a war against China? You'll have to go through us!

Eli: And we won't let that happen!

They flew at the boat and me and Wai Lin were killing henchmen all over and then..

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted a hole through the wall of the ship and a phoenix cry was heard and then the spirits of the Masters of Animals, Smoke and Technology swirled around the explosion and then cooonverged and everyone else came and we all regrouped.

Me: Great timing guys!

I fired an energy blast and it hit a man in his face and blew his head off. Eli fired a blast of Force Lightning and it hit a bunch of fuel tanks and ignited them and they exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Lets have the British fire some shots at the ship too.

Eli: Leave that to me!

Eli put his hands on the floor and channeled Force Lightning into it and the lightning went to the engine room and overloaded the controls and destroyed them and the ship was stuck!

Anakin: Smart thinking Eli.

Eli: Thanks.

Me: You guys take care of the henchmen. I'll deal with Elliot.

Nico: Okay. You got the proof?

Me: Oh yeah.

We then went to confront Carver and we went and faced him.

May: How could you do something like this?!

Elliot: Because I can! By the time I'm done, those Chinese fools won't know what hit them!

Zzzax: (growls) Elliot, before we kick your ass, I'm going to have to ask you to apologize for that remark about the Chinese!

Elliot: I'm a reporter. I never apologize for the truth!

Me: You obviously forgot the most important first rule of mass media Elliot. And that is Give the People What they Want.

I punched him in the face and I went at him and he went at me and I kicked a gun out of his hand.

Me: It's over for you Elliot. Your press license is revoked.

Elliot: And what makes you think you've won?

Me: Because we have audio evidence.

I pulled out the tape.

Me: After we defeat you here, (Pulls out tape) I'm going to play this to the world leaders and show them how you've been duping the United Kingdom and China into going at each others throats for your crimes and they will see the kind of monster you are. (Puts it back)

Elliot: You wouldn't!?

Me: Oh I would. And I always carry out my threats on bad guys.

Elliot: Not if I kill you first!

He went at me and I threw him down and he punched at me and I dodged his punch.

The henchmen came at us.

Grizzly: Come at me, assholes!

The Henchmen came at him and Grizzly grabbed one and ripped him in half with his brute strength.

Eli slashed a man in half with his lightsaber and fired a blast of Force Lightning and it hit another man and Electrocuted him all over and burned him to ashes.

Then Captain Cold, Man Ray, Major Disaster, Mysterio, Pyro, Hsi Wu, Grumblemon, Electrocutioner and Cluemaster then appeared.

Me: Captain Cold, Man Ray, Major Disaster, Mysterio, Pyro, Hsi Wu, Grumblemon, Electrocutioner and Cluemaster.

Captain Cold: I just hope you guys will be able to stop the war.

William: Don't worry. We will.

Nico: It'll be stopped before it even happens.

Man Ray: Good. Otherwise, China and the United Kingdom will be destroyed.

Major Disaster: And we don't want that.

Me: No we don't.

Cluemaster: (to me) We heard you found the Hero's Water.

Me: Yep we did and we killed Suien yet again. This time for good.

Mysterio: Please tell me none of you drank it!

Me: Fu did and she got a new transformation out of it.

Eli: It's true.

Naruto: And she looks more awesome than ever.

Fu: Yep. It's amazing.

Sakura Haruno: She sure does look awesome.

?: She sure does huh?

A figure came out and it was FILM SHADOW From episode 38 of ToQgers!

---

Having great knowledge of cinema with the power to convert peoples' nightmares into movie, Film Shadow is sent to the Touto Film Studio to abduct the cast and crew of the upcoming Police Reporter Pestacore film to produce his masterpiece Yamitto Monster Z to gather the most darkness possible from its national and overseas release. After being defeated by a security guard variation of the Rainbow Rush, Film Shadow is destroyed by ToQ Rainbow

---

Right Suzuki: Film Shadow!

Me: I remember you! You were sent to convert peoples nightmares into a movie and use the Touto Film Studio to do it. You abducted the cast and crew of a police movie to make your movie.

Film Shadow: That's right J.D. Great memory on you.

Me: Never missed an episode.

Film Shadow: (to Eddy) After this, I'll be glad to take a look at that movie you, Ed, and Double D made so many years ago.

Eddy: Is it okay if I send it to you first?

Film Shadow: Sure. That way, I can see the flaws in the movie.

Eddy: That would be great of you to correct them.

Nico: You must mean that movie that he did for his brother.

Film Shadow: Yep.

Me: Awesome. Lets get this party started.

I made a clone of myself for the group with the Zyuohgers and I went at Carver and the battles started.

Pepperdance: (Cajun Accent) One of the worst cases of the Stomach Flu we've ever seen.

Cayenne: Poor Carol. But that meat restaurant must have a lot of bad meat.

Firecracker Burst: But I think Nico already called the Gotham Royal York Better Business Bureau, The HAZMAT Division and the Health Department.

Pip-Squeak: (British Accent) We'll have to go check it out when we're done here.

Gusty: Yeah something is REALLY wrong here. Carol would never hurl her guts out like that unless there is something really wrong with that restaurant.

Sunburn: Yeah no kidding.

Fire Lori: Poor Carol. What a bad sickness.

Lana: Yeah no kidding. But she will get better.

Dana: Yeah she sure will.

Ice: (Norwegian Accent) Yeah she needs a lot of T.L.C. and a lot of care.

Harry Potter: (British Accent) Oh no, that voice. I should've known you'd be here, Salazar Slytherin.

A figure came out of the shadows, and it was none other than Salazar Slytherin, the racist founder of Slytherin House, and whose racial views were idolized by Voldemort, The Death Eaters, Malfoy, and his goons.

---

**Salazar Slytherin** is the posthumous overarching antagonist of the *Harry Potter* book and film franchise. He is one of the four founders of Hogwarts who founded the House of Slytherin and the ancestor of Lord Voldemort. Estranged from his fellow founders, Slytherin's goal was to purge Hogwarts from all Muggle-borns to keep the blood purity from Pure-blood wizards intact, directly influencing all the actions of Lord Voldemort and his Death Eaters hundreds of years later.

Beginnings

Salazar Slytherin was one of the first recorded parselmouths (wizards that have the extremely rare ability to speak to snakes). When he founded Hogwarts with the other three founders: Godric Gryffindor, Helga Hufflepuff and Rowena Ravenclaw, he chose students that show traits of resourcefulness, leadership, ambition, cunning, shrewdness and determination.

He also had a friendly and harmonious relations with the other three founders, and all four coexisted peacefully.

Disillusionment, construction of the Chamber of Secrets, and departure from Hogwarts

Despite his harmonious coexistence and friendly relations with the other founders, Salazar Slytherin became disillusioned as time passed, wanting to be more selective of the students admitted to Hogwarts. He believed that the school should only accept pure blood witches and wizards, as he distrusted Muggle-borns, possibly of the great conflict between Wizardkind and Muggles. He tried to sway the other founders to agree with him but they refused, especially Godric Gryffindor. This caused Salazar Slytherin's friendship with Godric Gryffindor to break and resulted in him leaving the school. Before leaving, Slytherin built a secret hidden hall deep underneath the castle where he placed a Basilisk egg without the knowledge of the other founders.

Slytherin planned to have his "heir" eventually find that hidden room and unleash the Basilisk in order to kill all Muggle-born students in Hogwarts. This secret room came to be known as "The Chamber of Secrets" after the other founders heard rumours of its existence but were unable to find it.

## Legacy

Future Hogwarts headmasters conducted multiple attempts to find Slytherin's Chamber of Secrets but all proved to be futile, leading the Chamber to be dismissed as a mere myth. As time passed and the castle was expanded, the Chamber was flooded by the addition of plumbing systems while a girl's bathroom was built over the original secret entrance, making the said said bathroom the new entrance.

It is unknown when or how he died, but it is known that his portrait is still at Hogwarts and his locket was made into a horcrux by Voldemort.

## Bloodline

Slytherin's bloodline was passed down through the female line for generations. The Gaunt family, who practised inbreeding by marrying their own cousins, in order to keep their bloodline pure and their ability to speak Parseltounge, were the last known family to possess Salazar Slytherin's blood. Among the last of the Gaunts included Marvolo Gaunt and his two children Morfin and Merope. Merope fell in love with a Muggle named Tom Riddle and eloped with him, while her father and brother were in Azkaban. Eventually Tom and Merope's marriage resulted in the birth of Tom Marvolo Riddle, later known as Lord Voldemort.

Riddle discovered that he was the heir of Slytherin during his time as a Hogwarts student, as such he found the Chamber of Secrets and initially followed Slytherin's plan. However, after the Basilisk killed Myrtle Warren, the school was threatened to be shut down. As such, Riddle was forced to stop accessing the Chamber and instead left one of his Horcruxes behind so that he could continue using the Basilisk through someone else in the future.

After Voldemort's death, everyone thought that Slytherin's bloodline had ended. More than 20 years after Voldemort's death, it's revealed that Voldemort had a daughter with Bellatrix Lestrange, her name was Delphini. As of 2020, Delphini is the last known survivor of the Slytherin bloodline.

Me: So, that's one of the Founders of Hogwarts, Salazar Slytherin.

Harry Potter: That's right, J.D. But, how is this possible? He passed away a long time ago.

Me: Yeah its been over 1,000 years.

Suddenly, our Dark Orb detectors went off, and we soon found out that Salazar Slytherin was brought back by a Dark Orb embedded in his hand.

Me: A Dark Orb. Figures.

Paige: I've had it with this monster to last an eternity.

Me: We all have Paige. It was because of this very monster that Voldemort was going to wipe out 99% of the entire human race. His pureblood supremacist ways will die with him. Just like Voldemort did when we killed him.

Suddenly, Paige's eyes turned neon blue, as she was surrounded by an orange energy aura with lava and phoenixes surrounding her and the heat coming off of her was incredible, and as she approached Salazar Slytherin, she left orange energy, lava, dragons, and phoenixes with every step.

Paige: Salazar Slytherin, your racial views against half-wizards and humans will never be welcome in the Wizarding World. Your followers paid the price with either prison or death, and now, it's your turn to pay the price for your crimes!

Then, Paige was surrounded by a massive vortex of orange energy with lava surrounding it. There was a phoenix flying around the vortex, and inside the vortex was a neon red phoenix. Then, as the vortex faded, Paige emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Paige grew to 6'0" in height, she had the body of a goddess, her light orange hair grew to reach the bottom of her neck and she had neon red highlights in the bangs, she has neon orange eyes and an orange energy aura with red hot lava and phoenixes surrounding her, she has a phoenix with the Fire Kanji emblazoned on her forehead, she has on phoenix earrings with the Fire Kanji in its claws and a necklace with the phoenix holding the Fire Kanji in its claws for the pendant, Paige has on a yellow sleeveless blouse with a purple phoenix on it, red skirt with lava on it, long blue jeans, red ankle-high leather combat boots, and a sleeveless red trenchcoat with lava on the coattails and a phoenix on the back, and she has large orange angel wings with lava dripping from the large feathers. Paige now has a new large sword in her hand called The Sword of The Honouians, it's a large sword with a Fire Angel etched on the 6'5" massive, wide, double-edged blade, two large red angel wings for the crossguard, large fire gem for the sword's hilt, longer black handle, and a large red faceted sphere pommel with surrounding fire gems. Paige has on her brand-new Bracelets of The Champions of The Universe with orange gems on her wrists, her brand-new Belt of Elemental Bravery with large orange gem on her waist, and Eater of Sins revolver holstered on her left hip. There's a golden kanji on the back of the sleeveless trenchcoat right below the phoenix that said, "Paige, Last of The Honouian Race, Awesome Gamer of Gotham Royal York, Slayer of Irredeemable Scum, Loving Future Wife of Lincoln Loud, and Master of Lava, Fire, Volcanoes, and Phoenixes."

Paige has transformed into SUPER ANGEL-HONOUIAN 750,000,000,000 VOLCANIC INFERNOSTORM LAVA ANGEL OF JUSTICE AND LOVE!

We were amazed by Paige's Super Angel 750,000,000,000 transformation, and when Lincoln saw her, he had an atomic red blush on his face. But, when Salazar Slytherin saw it, he fell into an insane dark rage.

Me: Whoa, Paige has transformed.

Nico: You said it, J.D., and now, she's going to burn Salazar Slytherin for his crimes, and see to it he never returns again.

Lincoln: Wow, Paige, you look beautiful. How do you feel?

Paige: (Divine Echoing Cosmic Voice of Lava and Love) **I feel incredible, Linky, and now, I'm going to destroy this evil wizard once and for all.** (To Lincoln) **Would you like to join in?**

Lincoln: Of course.

Me: Go get him guys! If there is one thing I absolutely HATE more than anything else it's a racist!

Lincoln: With pleasure!

Lincoln transformed into Super Angel-Ebonwu Infinity Elemental Thundersnow Buffalo Angel of Frozen Lightning Justice, and unholstered his massive Sword of Taranis from his wider muscular back, and he joined with Paige.

Lincoln: (Divine Echoing Cosmic Thundersnow Elemental Voice of Justice) **Let's put an end to Salazar Slytherin once and for all.**

Paige and Lincoln went after Salazar Slytherin, who fired a blast of magic at them with his wand, but they dodged it, and they both fired powerful blasts of neon orange energy and neon blue energy with elemental forces orbiting around the blue cores, elemental forces, lava, and ice at Salazar Slytherin, which hits the evil wizard, and

exploded with incredible power.

Salazar Slytherin got up, and he tried to attack again, but Lincoln fired a blast of energy which hits Salazar Slytherin's wand and incinerates it, and then, Paige and Lincoln fired a blast of red energy, which hits Salazar Slytherin, and sucked out his magic, powers, and knowledge of magic, and they, along with the rest of us, made them our own.

Paige: **Time for the Grand Finale, Linky.**

Lincoln: **You read my mind, Paige.**

Paige and Lincoln: **This is the end, Salazar Slytherin. DARK WIZARD EXTINCTION MEGABLAST!**

Paige and Lincoln fired a massive blast of lava, which transformed into two phoenixes made of lava, and they had Super Hakai energy infused into them, and as they hit their target, they exploded with incredible power, killing Salazar Slytherin, and not only was Salazar Slytherin Super Hakaied, but the remaining Death Eaters in The Warp were also Super Hakaied for good. Salazar Slytherin's bloodline and hatred had been silenced forever.

We cheered wildly for what Paige and Lincoln did, as they holstered their massive blades on their backs and powered down, but Paige's new clothes, weapons, and jewelry are permanent.

Then, Lincoln picked Paige up in his abnormally large and powerful muscular arms, and as they had locked eyes, they shared a very passionate kiss and hug, as a pool of lava formed behind them, and they took on the form of a phoenix spreading its wings, and it let out a screech into the air. We had tears in our eyes and a smile on our faces at the scene.

Me: Now, that's so awesome.

Nico: You said it, what an awesome display.

Becky: My little sister's now become a woman, I'm so proud of her.

Leni: We all are, Becky.

Lori: You said it, Leni.

We then went back to going after Caver and his henchmen. I punched Carver in his face.

We were firing lasers and elemental blasts at the henchmen and killing them one by one and destroying them all over.

Kopond and Drakness were blasting them all over the place and really letting them have it.

POW! BAM! BIFF! CRACK!

I was punchin and kicking Elliot Carver all over.

Elliot Carver: YOU RUINED EVERYTHING FOR ME!

Me: And I show no remorse for that. The only place you are going is right before the world leaders so you can face judgement.

Elliot Carver: The missile's fully programmed. In a matter of minutes, my plan will succeed. I'll be out of here in a Carver News helicopter covering the event. It's going to be a fantastic show!

Me: I may have some breaking news for you, Elliot…

I punched him in the face all over.

Me: You forgot the first rule of mass media, Elliot… GIVE THE PEOPLE WHAT THEY WANT!

POW! BLAM! BIFF! CRACK!

I punched him in the face all over.

Me: I won't let you get away with everything you've done!

POW!

I punched him in the stomach.

Thunderblast, Notacon, Inferno and Muscle Man used the Earth Cyber Planet Keys and they turned Thunderblast's rocket launcher into a cannon and enhanced Notacon and Muscle Man's powers and Inferno's Extinguisher Rifle 100-fold.

Thunderblast and Notacon: BLASTING MUTANT BURST!

Muscle Man: You know who else likes smashing your faces in with combos? MY MOM!

G1 Inferno and Muscle Man: MUSCLE BURST BLAST!

Starlight Glimmer, Cozy Glow, Trixie Lulamoon, Triple Berry, Juniper Montage, Clover the Clever, Undead Skylanders and Lightning Lisa: UNDEAD THUNDERSTRIKE MEGABURST!

They fired waves of energy, lightning and magic and blew many of the henchmen apart.

James Bond, Carmen Cortez, Juni, Laney, Eli, Lola, Grizzly and Nico: SPY FURY BLAST!

They fired waves of energy and blasted many of the henchmen apart.

Lincoln: SPY LIGHTNING STYLE: JAMES BOND!

Jessica: SPY STING STYLE: BLACK WIDOW!

Girl Jordan: SPY WATER STYLE: AGENT 13!

Tatsumaki: SPY WIND STYLE: AGENT 13

Entrapta: SPY TECH STYLE: BETH BAILEY!

Perfuma: SPY NATURE STYLE: JACK BAUER!

Frosta: SPY ICE STYLE: SNAPPER CARR!

Toph: SPY EARTH STYLE: COOL MCCOOL!

Hilda: (British Accent) SPY FIRE STYLE: DANGER MOUSE!

Paige: SPY WIND STYLE: JOHNNY FEDORA!

Tyris Flare: SPY FIRE STYLE: OSCAR GOLDMAN!

Blaze Fielding: SPY DARK STYLE: MAX GUEVARA!

Kei: SPY LIGHTNING STYLE: MARA JADE!

Yuri: SPY WIND STYLE: GABRIEL JONES!

Asuka Kazama: SPY FIRE STYLE: ACE VENTURA!

Lili De Rochefort: SPY WATER STYLE: CLAY QUATERMAIN!

They fired waves of elements and energy and they formed into said spies and they hit the rest of the Henchmen and killed them. We then set our sights on Elliot Carver.

Lincoln and his Harem: SPY FINAL SMASH: SPIES OF MAYHEM!

They donned their spy outfits and smashed Elliot carver all over and fired bazookas made from elemental energies which explode on contact with Elliot Carver

Me: SPY BURST BLAST!

I fired a massive wave of energy and the blasts all hit Elliot and exploded.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

He was knocked down and knocked out.

Me: Now you are under arrest.

CLICK!

I slapped the cuffs on him and tied him up.

We disarmed the missile and we decided to have the stealth boat be used by us.

Pyro: Thank goodness we stopped Carver in time!

Carmen Ccortez: Was there any doubt?

Hydro Man: Of course not.

Hsi Wu: Now, World War III won't occur.

Grumblemon: Nor will it ever!

Electrocutioner: So, quick question. Do you guys think Carol's feeling better now?

Me: One can hope. Now lets get this asshole to the United Nations for trial.

Nico: Yep.

Me: Great job today everyone. Great job.

James Bond: Thank you all so much J.D. Very clever to capture Elliot to have him face trial for his crimes.

Me: Yep. No bad deed goes unpunished no matter how terrible.

Wai Lin: That's true. Thank you guys.

James Bond: Now lets go find some good quality time of our own?

Wai Lin: We shall.

Me: Oohohohoho. Don't get too kinky now.

They went to the quarters of the boat. We fixed the engines and made them better than ever and then we piloted the boat back to New York and we went to the United Nations building. I told M at MI6 about what happened and all that and she was amazed. At the United Nations Building, the world leaders were gathered and I played the evidence for them and what they heard was shocking and they were all OUTRAGED! Mostly China and England were outraged that Carver played them like a fiddle. Carver was immediately found guilty of his crimes and they were Kidnapping, Blackmail, Conspiracy, Attempted genocide, Mass murder, War crimes, Incrimination, Journalistic malpractice and Terrorism. He was sentenced to eternity in the Neptune Cryo-Prison. Over at the Meat House, we did a little investigating and found out that the meat there was AWFUL! It was not just the meat though. It was EVERY ITEM OF FOOD THERE! We found out that the steaks were disgusting and more. The whole place was an absolute cesspool. We found out that Carol got sick there because the owner made the restaurant to look like a good restaurant and served their rotten food to Carol and it made her really sick! The Owner was arrested and the restaurant was closed under the direct order of the Health Department, The Gotham Royal York Better Business Bureau and the Gotham Royal York Department of Labor. Turns out the Owner was not paying the employees one penny and working them like slaves while he racked in the money for his horrible food. HOW STUPID CAN YOU GET!? The owner was immediately sent to prison for the rest of his life and was ordered to pay restitution in the amount of $832,934,432,567,343.00 to all the employees that worked there. And they threatened him with the death penalty if he didn't. He paid every cent to them and also Carol got a good share of the money too. Back at the estate we were checking on Carol.

Me: Hey Carol.

Carol: Hey guys. How was the mission?

Me: It went really well.

Carol: I saw it all over the news. That was a massive conspiracy.

Maria: It sure was. But thank goodness we stopped it.

Kirby: So did you guys go to the Meat House?

Me: We sure did Kirby and you wouldn't believe what we found out over there.

I told her everything and Carol was floored.

Carol: Whoa man! (VOMITS INTO A BUCKET)

Me: (Winces) Ew.

Maria: (Pats Carol's back) You'll be all right Carol. But we closed down that restaurant and the owner is condemned to prison for the rest of his godforsaken life.

Me: And you got a good portion of the restitution money.

Maria: Yep.

Carol: Good. Thank goodness.

Pickle Barrel: Drink some water Carol.

Carol drank some water.

Nico: That man was worse than Mr. Krabs in every way.

Eli: Yeah he sure was.

Maria: But after you get better, we're going on a huge shopping spree.

Carol: Cool.

Me: We have a lot to tell you.

Carmen Cortez: (To the viewers) We've seen the last of Elliot Carver and put an end to a huge global conspiracy. And Carol will be right as rain next time.

Me: That's good.

We got to telling Carol about everything that happened and she was amazed and we later went to sleep. Maria stayed with Carol to help her out in case she throws up some more and so did Eli. We went to bed. Paris Carver divorced her so-called husband and now lives in the beautiful penthouse suite at the hotel where the Stalker once lived and it was beautiful for her. With all the money she had from her so-called husband she now can enjoy everything with luxury.

THE END

---

Another awesome chapter done.

James Bond in Tomorrow Never Dies is one of my all time favorites and Pierce Brosnan and Michelle Yeoh did a great job in that movie.

But what Elliot Carver did in that movie was absolutely terrible. It was awesome and action packed though. The first part of the chapter was for the Naruto OVA Mission: Protect the Hidden Waterfall Village and that was a great one. Fu unlocked her strongest transformation ever in this one. The second part was for the Web Comic called Emma, Little Girl VS The Walking Dead and that was a sad and scary one about a little girl that ends up having to fight for survival in a Zombie Apocalypse. Poor Emma. But we have her family rescued and all that. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this and so did the Guest Reviewer. Thank you guys. Next rescue for me is gonna be in London and we're going into the world of 2015's Danger Mouse and it's gonna be awesome to meet one of London's most amazing and action packed heroes: Danger Mouse. We're going to not only take down Baron Silas von Greenback but we're also going to meet a Frankenstein's Monster girl named Fran and an Argentinosaurus Gene-Slammer named Megan Wendoll and she is from America and is the largest of the gene-slammers we have seen and the 2nd Dinosaur Gene-Slammer we've met. She is also Nico's friend from Cooking Classes and is an awesome cook. Also we're going to meet an Aurorus Gene-Slammer from Norway named Estella Oresdotter and she is the long lost little sister of Tora Oresdotter A.K.A. Ice. Me, Eli, Allie, Nene, Maria, Marie, Qin, Erica, Missy, Simone, Miranda, Gina, Aylene Carter and the Vaporeon Gene-Slammer will be there to meet them and Aylene Carter will also transform in that one. Need your help on that one Guest please. The next rescue for Lincoln will be in the I Am Weasel episode Disease Fiesta but instead of I.R. Baboon being the villain it will be the Cruel Veterinarian from Courage the Cowardly Dog and FLUTTERSHY has a few choice words for that lunatic! The next chapter is another awesome Secret Squirrel Adventure and this one is GOLDEN. We're going after the villain Goldflipper and we're going to stop him from stealing all of the world's Gold Teeth and keeping them all for himself.

See you all tomorrow

# The Case of The Stolen Gold Teeth

In London, me, Allie Wilde, Eli, Maria, Missy, Qin, Erica, Marie, Nene, Simone, Miranda, Gina Pele, Aylene Carter and Marina Kerumma the Vaporeon Gene-Slammer were walking down the streets of the city.

Marina Kerumma: I have a feeling that we'll meet another hero.

Me: And coincidentally in London.

Marina concentrated and groaned as something grew in her jeans.

POP!

She grew her tail.

Miranda: I have a feeling I know who we're going to meet and it's Danger Mouse.

Marina turned into VAPOREON!

Allie Wilde: This is gonna be awesome. Danger Mouse is an awesome spy from London.

Nene: Just like James Bond except he is much more daring and action packed.

Eli: Yep and he kicks bad guy butt right where it really hurts.

We then saw a mouse and he was going after some criminals in a Daredevil Fashion. They fired grenades and explosives and he was dodging them like no big deal!

KRABOOOMM! KRABBBOOOOMMM!
KRABBBBBBOOOOOOOMMMMM!

Penfold: CHIIIIIIEEEEFFFF!

That mouse was Danger Mouse and he jumped and grabbed

Penfold as a massive explosion erupted out from when Penfold was standing and they jumped.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They bashed and pulverized the criminals and they were all caught.

Me: WHOA!

Eli: AWESOME!

Allie Wilde: That was incredible!

Me: That was AWESOME!

We went over.

Maria: Hi! You must be Danger Mouse.

Danger Mouse: (British Accent) I say yes I am. And might I say it's an honor to meet the famous Team Loud Phoenix Storm.

Me: Same to you Danger Mouse. This is an honor.

Danger Mouse: Same here and I take it you are here to help me kill my enemy.

Me: You mean Baron Silas von Greenback. This is gonna be awesome.

Simone: What does it say about him?

Me: Lets see.

I looked up his history.

---

Baron Silas Von Greenback is the tyrannical toad out to claim the world as his own. He's the main antagonist of the franchise and most commonly known as the most despicable villain on the show. This version of the Baron features in the Reboot series.

---

We were shocked!

Me: Greenback has got to go. But Danger Mouse that was so awesome how you saved Penfold from doom. You were awesome.

Danger Mouse: Why thank you.

We went after Greenback and we busted into his lair and we were ready to fight!

Maria: Alright, buddy! Put your hands behind your head and your death will only take a few seconds!

Greenback: (German Accent) We'll see about that Team Loud Phoenix Storm!

DING!

Maria kicked him square in the crotch with spiked cleet shoes!

OUCH!

Eli: TAKE THAT FROG BOY!

Aylene Carter: YEAH!

Suddenly, Aylene Carter's eyes turned neon green, and she was surrounded by a green energy aura with leaves, green fire, and dinosaurs surrounding her, and as she approached Baron Silas von Greenback, she left green energy, leaves, green fire, and dinosaurs with every step.

Aylene Carter: You really make me sick, Baron Silas Von Greenback. You've caused so much chaos here in London, and you have shown no sign of remorse for your actions. This time, I'm putting you down for good, and you will never return to terrorize London again!

Then, Aylene Carter was surrounded by a massive vortex of green energy with green fire and leaves surrounding it. There were the energy constructs of Littlefoot and his friends running around the green vortex, and inside the vortex was a green phoenix. Then, as the vortex faded, Aylene Carter emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Aylene Carter grew to 6'0" in height, she had the body of a goddess, she had green highlights on the bangs of her long brown hair, she has neon green eyes and a green energy aura with green fire, leaves, and dinosaurs surrounding her. She has a dinosaur with the Nature Kanji emblazoned on her forehead, she has on dinosaur earrings with the Nature Kanji in its claws, and a necklace with a dinosaur holding the Nature Kanji in its claws for the pendant, she has on a sleeveless green blouse with a green phoenix on it, green skirt with leaves, dinosaurs, and green flames on it, blue pants, black ankle-high leather combat boots, and a green sleeveless trenchcoat with green fire, leaves, and dinosaurs on the coattails, and a dinosaur on the back. She has large green angel wings with leaves and green flames falling from the large green feathers, she has a new large sword in her hand called Defender of The Great Valley, it's a large sword with her cutie mark etched onto the 6'5" massive, wide, double-edged green blade, large green angel wings for the crossguard, large blue gem for the hilt, longer black handle, and large green faceted sphere pommel with surrounding green gems. Aylene Carter now has on her brand-new Bracelets of The Champions of The Universe with green gems on her wrists, Belt of Elemental Bravery with large green gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip. There's a blue kanji written on the back below the dinosaur that said, "Aylene Carter, Defender of The Great Valley and Megakat City, Friend of Littlefoot and his friends, The Swat Kats, Commander Ulysses Feral, Callie Briggs, and Lieutenant Felina Feral, Master of Dinosaurs, Leaves, and Green Fire, Amazing Hero of Team Loud Phoenix Storm, and Slayer of The Eternally Damned."

グレートバレーとメガカットシティの擁護者であるアイレン・カーター、リトルフットと彼の友人の友人、スワット・カッツ、ユリシーズ・フェラル司令官、キャリー・ブリッグス、そして恐竜、葉、緑の火のマスターであるフェリーナ・フェラル中尉、チーム・ラウドの素晴らしいヒーローフェニックスストーム、そして永遠に堕落したスレイヤー

Aylene Carter has now transformed into SUPER ANGEL 750,000,000,000 DINOSAUR FIRESTORM NATURE ANGEL OF JUSTICE AND LOVE!

We were amazed by Aylene Carter's new Super Angel 750,000,000,000 transformation, but when Baron Silas Von Greenback saw it, he fell into a rage.

Me: WHOA! Aylene transformed!

Eli: Awesome!

Allie Wilde: Wow! Aylene you look incredible! How do you feel?

Aylene Carter: (Divine Echoing Jurassic Voice of Fiery Justice) **I feel amazing Allie and now I'm going to make this frog face pay for his crimes.**

Me: Go get him!

She went at him kicked him and punched him all over the place and smashed him all over the place.

Maria: If any Gene Slamers besides Marina wants to help us, they can!

?: (Norwegian Accent) Someone call!?

We saw an Aurorus and an Argentinosaurus come out and on the Argentinosaurus was a Frankenstein Girl!

Aylene Carter: **Wow! An Argentinosaurus!**

Eli: And an Aurorus.

Me: And the girl is a Frankenstein. I can tell by the bolts coming out of her arm.

Fran: Yep. My name is Fran. And it's an honor.

Argentinosaurus: Same here.

Erica: That voice! Megan? Megan Wendoll?

Megan Wendoll: Erica, Marie, Qin, Missy? Wow! It's great to see you all again.

Qin: Same here. Wow! You look awesome as an Argentinosaurus.

Me: Are you another one of Nico's friends?

Megan Wendoll: I sure am. I went to his cooking classes and I taught him some of my cooking.

Me: Pleasure to meet you. Nico will be happy to see you again.

Aurorus: My name is Estella Oresdotter. I was looking for my sister when I was turned into this.

Miranda: What's your sister's name?

Aurorus: Tora. You all know her as Ice of the Justice League.

Me: Whoa! Your sister is a well known superhero. We'll help you girls after we take care of this frog faced freak here.

We went at Greenback and then we turned him into frogs legs and saved them for later. I then put on my blind man glasses and then Eli and Danger Mouse and Penfold covered their eyes and then I snapped my fingers and Marina, Megan, and Estella were reverting back.

Marina: (tail goes back into her butt) I know a few people who will be happy to see you two.

Megan Wendoll: (Groans) Same here. (Bones Crunching)

Estella: (Crying) IT HURTS!

Miranda: It takes a while to get used to it Estella. But your sister Tora will be happy to see you.

They were back to normal and they were naked and Maria gave them new clothes.

Megan Wendoll: Wow these clothes are great!

Qin: Megan!

Megan, Erica, Qin, Missy and Marie hugged for the first time.

Megan Wendoll: (holds her head in pain) Oh, God! Please don't let it happen again!

Estella: (holds her head while crying) NO! THIS CAN'T HAPPEN AGAIN! IT CAN'T!

Me: Reign the power in with the strengths of your will.

Simone: That's right girls. Concentrate.

Gina Pele: You can do it.

They concentrated and then they glowed in a powerful aura and it showed that they were engrafted with their powers.

Megan Wendoll: Whoa! That was awesome!

Estella: Ja it sure was.

Megan Wendoll: I sure am hungry though. Can we get some salad though.

Eli: We have plenty of vegetables back home.

Me: Lets get back home and get ready for the day.

We went back home to the estate.

---

Back at the World Tree Estate, everyone was having fun and enjoying the day when we came back.

Me: Hey guys.

Nico: How was the Rescue?

Me: It was great! We have three people we rescued.

Miia: Fran!

Fran: Miia!

They hugged.

Nico then saw Megan and gasped.

Nico: Megan!? Is that you?

Megan Wendoll: It sure is Nico and wow you have grown a lot.

Nico and Megan then hugged and Nico was crying hard.

Ice: (Norwegian Accent) Estella!

Estella: Big sis!

They hugged.

It was a great reunion.

---

After getting rid of Baron Silas Von Greenback, Lincoln, Me, Nico, Eli, Nicole, Fluttershy, Courage, The Swat Kats, I M Weasel, and Megan McAllister were heading into town, and not only is Lincoln going to rescue the twelve girls there, but we also got word that the Cruel Veterinarian, the one responsible for sending so many dogs, including Courage's Parents, into space, has broken out, and he wants revenge on us.

Lincoln: So, today's rescue is here in town, but I think I know what we're going to do here, not only am I going to rescue the twelve girls there, but we also got word that the Cruel Veterinarian, the one responsible for sending so many dogs, including Courage's Parents, into space, has broken out, and he wants revenge on us.

Me: That's right, big guy.

T-Bone: Francesca told us what that insane vet did to so many dogs, including Courage's Parents. It's animal cruelty to the 1,000,000,000th power.

Razor: If I see him, remind me to punch his teeth out of his mouth.

Lincoln: We'll do just that, Jake. Plus, Fluttershy has a few choice words for that lunatic.

Eli: And it won't be pretty. Where was this vet sending dogs to in space?

Me: We found them all on Jupiter's largest moon, Io.

Eli: WHOA! All the way over there!? That's crazy!

?: HELP!

Suddenly, Lincoln heard the sound of twelve girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the twelve girls, but they've been cornered by the Cruel Veterinarian, and he's going to kill them.

Lincoln: Guys, I found the twelve girls, but they've been cornered by the Cruel Veterinarian, and he's going to kill them. Come on, let's go.

We rushed on over, and we dogpiled on the Cruel Veterinarian, and we pummeled him brutally. Then, Lincoln tied him up in a neon blue straitjacket, so he couldn't escape. But, his punishment was only just beginning, as Fluttershy used her Stare on The Cruel Veterinarian, and she was going to let him have it.

Fluttershy: No words can describe just how evil and cruel you are, sending innocent dogs into space, and for a pathetic theory of turning them into space dogs. Not only that, but it was because of you, you separated Courage from his parents long ago, and left him all alone with nothing but nightmares of what you did! You are nothing more than a complete disgrace to the veterinarian profession, you are nothing more THAN. A. BIG. FAT. **EVIL. CRUEL. *MEANIE!***

Those choice words had caused Nico and Courage to jump into my arms.

Me: OOF! (Straining) You're giving me a hernia guys!

The Swat Kats, Megan McAllister, Eli, and I M Weasel were left stunned and shocked, and The Cruel Veterinarian lost all the color in his face, and was left in a state of shock so bad, he fainted and cried like a baby.

Lincoln: Yeah, you tell him, my Alicorn Princess of Kindness!

Lincoln and Fluttershy shared a kiss and hug, after her choice words towards that lunatic.

T-Bone: (Stunned) Holy Cats!

Razor: I knew that Fluttershy loved animals, but anyone who proved to be cruel to them, she definitely would give them such a nasty reprimand

Me: Especially with that Stare of hers. Remember when Lincoln used it on those Trump Supporters?

T-Bone: I could never forget what he said to them, we heard it all the way from Megakat City. His siblings may be loud, but Lincoln's definitely the Loudest of the Louds.

Then, Lincoln and Nicole went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls were Rem Ayanokouji from Dream Hunter Rem, Shizuru Fujimura, Lou Roux, Luna, Ellis Valentine, and Ekaterina from Godannar, Akane Isshiki and Aoi Futaba from Vivid Red Operation, Neptune, Noire, and Blanc from Hyperdimension Neptunia, and Ahri from League of Legends.

Lincoln: Oh wow, it's Rem Ayanokouji, Shizuru Fujimura, Lou Roux, Luna, Ellis Valentine, Ekaterina, Akane Isshiki, Aoi Futaba, Neptune, Noire, Blanc, and Ahri.

Nicole: From Dream Hunter Rem, Godannar, Vivid Red Operation, Hyperdimension Neptunia, and League of Legends, that's awesome.

Lincoln: Are you girls okay?

Rem Ayanokouji: Yes, we're okay, thanks to you.

Then, when Rem Ayanokouji and the other eleven girls saw who it was that saved them from The Cruel Veterinarian, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie

Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Rem Ayanokouji: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eleven clones of himself, and he and the eleven clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of

Lincoln and his clones, as we cheered over the scene.

Rem Ayanokouji: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and as for The Cruel Veterinarian, he was sent back to The Saturn Insane Asylum, but this time, the still-restrained lunatic was chained to a wall in his new cell in the Solitary Confinement Wing, where he'll remain for all eternity until the day he dies.

---

After sending the Cruel Veterinarian back to the Saturn Insane Asylum for good, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

After that, Lincoln, Rem Ayanokouji, Reiko Hinomoto, Dixie Clemets, Candy Cane, Benikage, Aigle, Rebecca "Becky" Welsh, Aisha, Makoto Aihara, Artoria Pendragon, Hibari Hanakoganei, Suzume Sakurajosui, Tsugumi Higashijuujou, Kamome Sengkuji, Robin Loxley, Kukuru Misakino, and Fuuka Miyazawa were getting ready for their date, this time, they're going to Sea Breeze Cove, a place that Donkey Kong and his family go to during their adventures.

Lincoln was dressed in large orange swim shorts with a thunderbird and elemental forces and he had on his jewelry and weapons holstered, in case of trouble, Rem Ayanokouji was dressed in a blue two-piece bikini with stars on it, Reiko Hinomoto was dressed in a red two-piece bikini with rose petals on it, Dixie Clemets was dressed in a white two-piece bikini with doves on it, Candy Cane was dressed in a white two-piece bikini with a baseball bat on it, Benikage was dressed in a two-piece black bikini with kunai daggers on it, Aigle was dressed in a white two-piece bikini with the flag of Mongolia on it, Rebecca "Becky" Welsh was dressed in a blue two-piece bikini with her name on it, Aisha was dressed in a two piece white bikini with the star of Texas on it, Makoto Aihara was dressed in a white two-piece bikini with a dragon on it, Artoria Pendragon was dressed in a blue two-piece bikini with the sword Excalibur on it, Hibari Hanakoganei was dressed in a pink two-piece bikini with the sun on it, Suzume Sakurajosui was dressed in a purple two-piece bikini with a sparrow on it, Tsugumi Higashijuujou was dressed in a red two-piece bikini with flames on it, Kamome Sengkuji was dressed in a green two-piece bikini with ocean waves on it, Robin Loxley was dressed in a black two-piece bikini with an archer's bow and arrow on it, Kukuru Misakino was dressed in an aqua blue two-piece bikini with ocean waves on it, and Fuuka Miyazawa was dressed in a pink two-piece bikini with wind gusts on it.

Lincoln: Shall we be on our way, girls?

Rem Ayanokouji: Of course, Lincoln.

Lincoln and the girls left, and they arrived at Sea Breeze Cove, and it was an amazing place.

Rem Ayanokouji: Wow, this place is amazing. Where are we?

Lincoln: This is Sea Breeze Cove, an atoll with many palm trees living on them, and it's also home to a diverse ecosystem of sealife including Gordos, Mama Saws, Snaggles, Pufftups, Fritzes, and more living around.

Reiko Hinomoto: We'll also be sure to take pictures of them to show to everyone.

Lincoln: That's exactly why I also brought a camera with us, as well.

Then, Lincoln and the girls dived in, and as they swam in the waters, they encountered the sea-life of Sea Breeze Cove, the Gordos, Mama Saws, Snaggles, Pufftups, and Fritzes. Lincoln took pictures of them with his water-proof camera, and they came up to the surface, and they also played in the sand or were surfing in the water. Then, they ate lunch, which Lynn Sr. provided for them, and they stayed to watch the sun set on Sea Breeze Cove, which ended with Lincoln kissing the girls as the sun sets behind them.

Then, Lincoln and the girls came back, and we can tell they had a good time. They also showed us the pictures of the sea-life of Sea Breeze Cove.

Me: You know, we've got to plan a trip to Sea Breeze Cove in the summer.

Nico: You said it, J.D.

Me: It would make a great vacation spot for us.

Lily Loud: I can't wait to see the sea-life there, as well in the future.

Lincoln: We'll all get that chance, Lily.

They continued showing us the pictures they took of Sea Breeze Cove, and how their date has been.

---

Later we were watching TV.

Poromon: (hears knock on the door) My delivery's here!

Cozy Glow: What exactly is this delivery?

Poromon: I don't want to spoil the surprise.

Poromon opened the door and saw two delivery men.

Poromon: Is my package here?

Unknown to Poromon, these delivery men were members of the Teen Titans.

Hot Spot: Yep. Package for Poromon.

Poromon: Thank you.

Me: Wow! You're Isaiah Crockett A.K.A. Hot Spot and you are Wildebeest.

Hot Spot: Wow! I didn't know the delivery address was Team Loud Phoenix Storm Estate.

Robin: Good to see you both again.

Starfire: Glorious that you two came.

Laney: Awesome to meet you two.

Lana: Yeah.

Cadance: You two are delivery men?

Hot Spot: (sheepsihly) It was the first jobs we spotted here.

Cyborg: Awesome to see you both here though.

Flash: You guys have a good chat, I'll go deliver the rest of those packages for you.

Me: Thanks.

ZOOM!

He went and delivered the rest of the packages of Hot Spot and Wildebeest with his superspeed.

Me: We have great news for you two. Many of your major enemies have either kicked the bucket, been reformed and are now in our Frenemies the Masters of Evil.

Hot Spot: Wow that's awesome!

Nico: Yep.

Hot Spot: So, you guys even took out Madame Rouge?

Cutthroat: From what J.D. and the others told me, taking that bitch out wasn't exactly easy.

Me: No it wasn't. Her shapeshifting abilities made her a really formidable and very dangerous adversary.

Nico: But thanks to the powers I got from Ferret that we were able to flush her out and take her down.

Eli: I never liked that monster. She was dangerous.

Me: Yep.

Laney: She was ruthless too.

Hot Spot: Wow! Thank goodness you guys took her down. That just leaves Brain, Monsieur Mallah and General Immortus left.

Me: Brain and Monsieur Mallah are dead and General Immortus is still at large.

Hot Spot: Wow! So soon the Brotherhood of Evil will soon be a forgotten memory.

Me: Yep.

Hot Spot: If Madame Rouge shows up again, you guys need to Hakai her immediately. Out of all of the Brotherhood of Evil, she's the most dangerous!

Tracks: Don't worry. We won't even waste time with any new transformation.

Me: Yep. But in my opinion, ALL of the Brotherhood of Evil were THAT dangerous because they posed a tremendous threat to the entire world. Just like Team Dark Phoenix Storm did.

Hot Spot: Man we heard about all that. That was intense!

Wildebeest nodded.

Me: Yeah it sure was. But that was one of our most amazing battles ever.

Nico: It sure was.

Mandarin: Nico, I hope you realize that you're leading today.

Nico: Yes I am aware of that.

Suddenly some strange magnetic waves came and then…

Rita felt a pain in her mouth and then a gold tooth was pulled right out of her mouth!

POP!

Rita yelped in pain!

Lincoln: Mom!

Nico: Ms. Rita are you all right?

Rita: My gold tooth!

Nico: Let me see.

She opened her mouth and we saw that the gold tooth she had was gone! There was a bloody hole in her mouth where her tooth was ripped out.

Nico: WHOA MAN! That must've hurt!

Laney: Oh man! Your gold tooth is gone!

Me: Ouch! That wasn't pulled out with a pair of pliers.

Lisa Loud: It appears to have been pulled out with a powerful magnetic current. My scans are picking up a huge level of magnetivity that is pulling gold teeth.

Me: Whoa!

Major Disaster, Captain Cold, Man Ray, Cluemaster, Mysterio, Pyro, Hydro Man, Hsi Wu, Grumblemon, and Electrocutioner then appeared.

Major Disaster: Can me, Captain Cold, Man Ray, Cluemaster, Mysterio, Pyro, Hydro Man, Hsi Wu, Grumblemon, and Electrocutioner go with you guys?

Nico: You all sure can.

Captain Cold: (Sees Rita in pain) Uh oh. What happened to you Ms. Rita?

Eli: She had a gold tooth ripped out of her mouth by a powerful magnetic force.

Pyro: YIKES! That must've hurt.

Man Ray: No kidding.

Hsi Wu: This is not Dr. Polaris' work. He uses magnetism in all things metal.

Nico: Hmm. Maybe this is the work of one of Secret Squirrel's old enemies. Better call him.

Nico pulled out a caller.

Nico: (Imitating Tony Jay as The Chief) Come In Secret Squirrel.

Me: That's really good.

Secret Squirrel then popped out of the cushion.

Secret Squirrel: Agent 000, Secret Squirrel reporting for duty.

Morocco Mole: Likewise. Morocco Mole.

Secreet Squirrel: (Realizes something) Hey that was you that called Nico?

Nico: Yeah pretty good imitation huh? But that's not why you are called here. A strange magnetic force pulled out Rita's Gold Tooth.

Secret Squirrel: Sounds like my old nemesis Goldflipper is back to finish what he started.

Me: Lets see here.

I looked up his info.

---

An evil sea lion named Goldflipper (creates a giant gold magnet steals golden teeth, which calls the "Molar-Acoustic-Synctro-Bicuspid-Dental-Magnetic-Electro-Plaque-Conductive-Positiviser".

Secret Squirrel goes under cover as a Squirrely Girly scout to thwart the evil plan and recover all the stolen teeth.

---

Me: Whoa! So he's a sea lion that is like the evil James Bond Villain, Goldfinger.

Birdbrain: First, let's search the area for any leads.

Nico: From what Secret Squirrel told us, he used a powerful magnetic machine to pull in all those gold teeth.

Birdbrain: Wow that must be a really powerful magnet.

Eli: How are we gonna find a magnet like that?

Nico: We'll have to trace the source of the magnetic energy and find out where he is that way.

We were outside looking around.

Man Ray: Let's keep our eyes peeled.

We were looking around and then we saw a bunch of people have all their gold teeth ripped right out of their mouths and that must've hurt! OUCH!

Me: OOH! Just looking at all these people getting their teeth ripped out of their mouths like that is making MY MOUTH hurt just feeling it.

Nico: No kidding. Man the Tooth Fairy is gonna have one helluva field day when she sees who is swiping all those gold teeth.

Eli: No kidding.

Me: Wait a second. Wanda from what I remember you and the Tooth Fairy have a really bad history together right?

Wanda: As a matter of fact yes I do. We don't get along very well because she is rich.

Me: Oh man.

Nico: Maybe we can enlist her help for this.

Captain Cold: Look, Wanda. If we're going to defeat Goldflipper, you may have to swallow your pride.

Wanda: I'll do my best.

Nico: Good. All right lets head to Fairy World. Thank God that Crocker will never bother the world of Fairies ever again.

We went to Fairy World and we were at the home of the Tooth Fairy.

Darkwing: Hi there, Tooth Fairy!

Tooth Fairy: Well Hello there Team Loud Phoenix Storm.

Nico: Hello Tooth Fairy. Sorry to bother you like this but I'm afraid we have a huge emergency situation here. A villainous sea lion named Goldflipper is using a powerful magnetic device to rip out all the gold teeth out of peoples mouths.

Lincoln: Yeah look what happened to mom.

Rita was holding her face as it was in a huge amount of pain and blood was dripping from her mouth.

OUCH!

Tooth Fairy: Goldflipper!? That monster is back!?

Secret Squirrel: I'm afraid so and we are gonna stop him.

Tooth Fairy: I will gladly help you all.

Nico: Thank you.

Pyro: Wait. You know about Goldflipper?

Tooth Fairy: I sure do.

The Tooth Fairy showed us a collage of pictures of Goldflipper and all the crimes he has done to the world of dentistry. He is public enemy #1 on the Tooth Fairy's list of people that she despises!

Nico: Whoa! I didn't know you had a bad history with him as well as Dr. Bender.

Tooth Fairy: Yeah he and I go WAY back. I caught him ripping someones gold teeth out and I rotted his teeth from the inside out and cursed him so he would never grow new teeth again.

Me: Geez!

Eli: Yeesh!

Allie Wilde: Yikes!

Nico: That's nasty.

Weirdwolf: Look, you don't like Wanda and she doesn't like you. But you two are going to have to work together if we're gonna defeat Goldflipper.

Tooth Fairy: I know and this time we will.

Wanda: I agree.

They shook hands.

Weirdwolf: Wow that was easy.

Hydro Man: Now, let's go back to Earth to find more leads.

Tooth Fairy: No need. I know all there is to know about Goldflipper and all that. I know where his island hideout is at too.

She pressed a button and a holographic globe came up out of the floor.

Me: Wow impressive globe. Like the one we have back home.

Tooth Fairy: He's right here.

We saw that it was at -12.471981289846935 S, 163.81941328394896 E

Nico: Not far from the Solomon Islands.

Pounce: Poromon, those deliveries you ordered better not be bottles of beer.

Poromon: Relax. They aren't. But I'm not telling you guys until the time is right.

May: It's going to be something mischievous. I just know it.

Nico: I have that feeling too.

Eli: This is gonna be good.

Back in the city we were looking around for more clues.

Lemon Zest: We have to find out where those golden teeth are.

Secret Squirrel: And I know just how we can do it.

Nico: How?

Secret Squirrel: We can find his lair by tracing it.

He pulled out a decoy gold tooth with a tracking chip in and then the magnetic energy hit it and pulled it over.

Nico: FOLLOW THAT TOOTH!

Hsi Wu: I'll fly to keep track of it!

Nico: Lets go!

We flew after the tooth and it was moving really fast.

Me: Wow that tooth is REALLY going!

Nico: No kidding. Goldflipper's machine is really impressive.

Eli: Where do you think it's going?

Nico: I think we're already here.

We arrived at Goldflipper's Volcanic Island.

Cross Crow: (Russian Accent) There it is.

Nico: Target sighted.

We saw the magnet that was attracting all those gold teeth and they were being pulled into the volcano like a vacuum cleaner. It was sucking in millions and millions of gold teeth in.

Nico: Jumping gold nuggets! This is bad.

Electrocutioner: Let me destroy that thing!

Nico: Go for it! It's time for us to make our entrance. Anyone that defiles gold teeth like this makes it personal not just for the Tooth Fairy but for us too!

Electrocutioner fired a massive blast of lightning and it hit the magnet and destroyed it and then we flew at the volcano.

Goldflipper: NO! My Molar-Acoustic-Synctro-Bicuspid-Dental-Magnetic-Electro-Plaque-Conductive-Positiviser! Who would do this!?

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the wall of his lair and then a phoenix cry was heard and the spirits of the Elemental Villains of Mystery Swirled around it and then we came out.

Nico: Team Loud Phoenix Storm that's who! Goldflipper you are under arrest!

Drag Strip: Also, that's a ridiculously long name for a machine. Just as long as some of Lincoln's plans.

Lincoln: YEAH! (Offended) HEY!

Drag Strip: Sorry.

Nico: You are gonna pay for everything you did Goldflipper. Including stealing Gold Teeth out of Rita's mouth!

Goldflipper: I love gold and now I will finish you! ATTACK!

Mysterio: Time to get some Robot Heartless in here!

He summoned Robot Heartless for the Red Nocturne, Blue Rhapsody, Yellow Opera, Green Requiem, Black Ballade, Silver Rock, Emerald Blues, Crimson Jazz, Spring Metal, Scarlet Tango, Grey Caprice, Striped Aria, Sapphire Elegy, Pink Concerto, Turquoise March, Emerald Serenade and the Violet Waltz.

Eli: Awesome!

Eli fired a blast of Force Lightning and Electrocuted many of Goldflipper's henchmen and the Robot Heartless blasted them all over the place.

Rubberband Man: Time to play a trick!

Rubberband Man turned into Secret Squirrel.

Rubberband Man: Chew on this!

KROW BLAM SMASH BAM BIFF!

He punched and kicked numerous henchmen all over.

Secret Squirrel: That was really good Adam.

Rubberband Man: Thanks.

Lemon Zest kicked and punched a bunch of guards all over and really smashed their skulls open. One of them had a gun pointed at her.

Lemon Zest: Didn't your mother ever tell you never to point a gun at a lady?

The guard lowered his gun in guilt.

Lemon Zest: That's what I thought.

KROW!

She kicked him in the face and knocked him out.

Orion: Let's see how you like it when YOUR teeth are knocked out!

Megaforce Rangers: LEGENDARY RANGER MODE! FOREVER GOLD!

The Megaforce Rangers turned into the Gold Rangers! Troy turned into the Gold Mystic Force Ranger, Noah turned into the Gold RPM Ranger, Jake turned into the Gold Samurai Ranger, Emma turned into the Gold Dino Charge Ranger, Gia turned into the Gold Ninja Steel Ranger and Orion turned into the Gold Beast Morpher Ranger!

Troy Burrows: Time for this gold to bite back!

POW BIFF SMASH BLAM BASH BAM KROW BLAM SMASH ZONK THOTH WHAP SMACK BIFF THOTH ZOWIE!

Eartha: I have to say, Mysterio! I really liked the classification of your Heartless Robot that you summoned!

Mysterio: Why thank you very much.

Nico: Very clever too.

Grumblemon: (ECHOING) Seismic Sledge!

Grumblemon smashed the ground with his club and sent many guards and henchment tumbling.

Earth: Take this you clods!

She fired waves of lava and burned them into pulp.

Nico then grabbed Goldflipper.

Nico: What have you done with all those gold teeth!?

Goldflipper: I'll never tell you!

Nico then formed an energy sawblade and it was heading for his face.

Goldflipper: OKAY OKAY OKAY they are in that room over there behind you!

Eli went over and checked and in the room was a MASSIVE AND GARGANTUAN PILE OF BILLIONS OF GOLD TEETH!

Eli: WHOA! Look at all these gold teeth!

Nico: Whoa! That is a LOT of Gold Teeth.

Naruto: No kidding!

?: I will kill you all for what you did to our master Aku, Brave 12!

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight large marine blue orbs orbiting around Liam's legs, and the eight large purple orbs orbiting around Menat's legs were glowing, and that means big trouble was coming, and our Dark Orb detectors went off.

Ashi: I was hoping never to hear that voice ever again. You can come out now, Mother.

A dark figure came out of the shadows, and it was none other than The High Priestess, the mother of Ashi, Ami, Avi, Aki, Ani, Ali, and Ari, and the leader of The Cult of Aku.

High Priestess: I will never forgive you or your sisters for betraying our lord Aku, and siding with The Brave 12.

Ashi: Aku brought this on himself for the evil he's inflicted on mankind.

Me: That's right. But, we killed you long ago, how did you come back?

High Priestess: Thanks to this.

We saw that The High Priestess had a Dark Orb in her hand.

Me: A Dark Orb, figures.

Nico: She she is the High Priestess of the Daughters of Aku. It's terrible how one woman can be so evil and worship a monster like him.

Lynn Jr.: I've had it with this demon priestess to last an eternity.

Suddenly, Lynn Jr.'s eyes turned neon red, and he was surrounded by a crimson red energy aura with red hot lava, magma, and hula girls, and the heat that was coming off him was incredible, and as he approached the High Priestess of Aku, he left red energy, red hot lava, magma, and dancing hula girls with every step.

Lynn Jr.: High Priestess of Aku, what you and your master have caused can never be forgiven, but for trying to kill your own daughters, you've crossed that line one too many times. You should've never returned from the dead, but this time, I will put you down myself once and for all!

Then, Lynn Jr. was surrounded by a massive vortex of red hot neon red energy with red hot lava and magma surrounding it, there were dancing hula girls around the vortex, and inside the vortex was a phoenix with magma reflecting off it. Then, as the vortex and the dancing hula girls faded, Lynn Jr. emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lynn Jr. grew to to 7'0" in height, just like Me, Lincoln, Lynn Sr., Liam and Duke Lincoln, he now had abnormally large and powerful upper and lower body muscles and eight-pack abs, he had neon red eyes and a red hot neon red energy aura with red hot lava, magma, and hula girls surrounding him, he had a dancing hula girl holding the Lava Kanji emblazoned on his forehead, he had on hula girl earrings with the Lava Kanji held in her hands and a necklace with a hula girl holding the Lava Kanji in her hands for the pendant across his permanently bare chest, his chestnut brown hair grew, and it reached to the bottom of his neck, and it was tied in a ponytail. Lynn Jr. had massive chestnut brown angel wings with orange tips on the large chestnut brown feathers, and they had lava dripping from the tips.

Lynn Jr. had on his new large cuff Bracelets of the Champions of The Universe with scarlet red gems on his wrists, he now has his own massive Sword of Guabancex sword in his left hand, but his has a hula girl with lava reflecting off her etched on the 6'5" massive, wide, double-edged blade and it has hardened lava covering the blade, it still has the massive volcanic angel wings for the crossguard, the large volcanic gem for the hilt, longer black handle, and a large obsidian faceted sphere pommel with surrounding volcanic gems. Lynn Jr. now has on the very same clothes as Me, Lincoln, Lynn Sr., Duke Lincoln, and Liam, but his version of He Man 2002's loincloth is scarlet red, he has on long scarlet trenchcoat flaps with lava and hula girls on them, which were held up by his new Belt of Elemental Bravery with large scarlet red gem for the belt buckle around his waist, he now has on large scarlet red weighted bands on his large biceps and thighs, large black pants with lava on the legs, and a pair of large black leather ankle-high combat boots with silver armor on the toes. Lynn Jr. also has his new Eater of Sins revolver holstered on his left hip, and he now has eight large scarlet red orbs orbiting around his legs.

Lynn Jr. had a dancing hula girl tattooed on his now wider and much more muscular back, and there was a red kanji below the dancing hula girl that said, "Lynn Loud Jr., Powerful and Skilled Athlete of The Genderbent Loud Family, Fifth Eldest Brother of Linka Loud, Ambassador of Volcanoes, Emissary of Guabancex, Slayer of Evil, and Most Loyal Member of Team Loud Fairywind and Team Loud Phoenix Storm."

リンラウドジュニア、ジェンダーベントラウドファミリーの強力で熟練したアスリート、リンカラウドの5番目の兄、火山の大使、グアバンセックスの使者、悪の殺し屋、そしてチームラウドフェアリーウィンドとチームラウドフェニックスストームの最も忠実なメンバー

Lynn Jr. has transformed into SUPER ANGEL 750,000,000,000

VOLCANIC ATHLETE HAWAIIAN LAVA ANGEL OF RAGING JUSTICE!

We were amazed by Lynn Jr.'s Super Angel 750,000,000,000 transformation, including Lynn, Lincoln's sister, Linka, and her brothers. But, when the High Priestess saw it, she flew into a demonic rage.

Me: Whoa, Lynn Jr.'s transformed.

Nico: You said it, Colonel, and now, he's going to burn that demon bitch to the ground.

Lynn Loud: Whoa, you look really awesome and ripped, Lynn Jr. How do you feel?

Lynn Jr.: (Divine Echoing Cosmic Voice of The Volcanoes and Justice) **I feel incredible, Lynn, and now, I'm going to take care of The High Priestess of Aku once and for all, and I'll see to it that she never returns to torment Ashi and her sisters again.**

Lynn Jr. went after The High Priestess of Aku, who got out her dagger, and they clashed violently as sparks flew across the field, starting fires, and Lynn Jr. was absorbing the flames, making him even more powerful than ever. Then, he slashed her on her chest with his massive sword, and the glowing lava-infused slash made it hurt even more. Then, Lynn Jr. attacked her with powerful blasts of red hot neon red energy, lava and magma bombs, and hula girls made of pure lava, and they all hit the High Priestess of Aku, and they exploded with incredible power, and really burned her up, as she screamed in pain. Then, with his massive Sword of Guabancex sword, Lynn Jr. slashed off the High Priestess of Aku's arms off, and she screamed in even more excruciating pain.

Then, Lynn Jr. grabbed her and tossed her into the air with his brute superhuman strength, and he'd prepared for his final attack.

Lynn Jr.: **You are so full of pure evil and malice, just like Aku. You will never plague our world or humanity with Aku's evil ever again. Say goodbye, High Priestess, and this time, stay dead! VOLCANIC LAVASTORM KAMEHAMEHA!**

Lynn Jr. fired a massive red hot Kamehameha energy wave with red hot lava and magma surrounding it, and as it hits The High Priestess of Aku, it exploded with incredible power.

High Priestess: DAMN YOU, TEAM LOUD PHOENIX STORM! Lord Aku, forgive me!

The resulting explosion killed her, and it obliterated her body completely, and her evil spirit was Super Hakaied forever. Everyone cheered wildly for what Lynn Jr. did, as he holstered his massive Sword of Guabancex on his wider and muscular back, and powered down, but his new clothes, weapons, large scarlet red orbs orbiting around his legs, massive angel wings, and jewelry were permanent.

Loki Loud: Bro, that was so impressive!

Lynn Jr.: Thanks, Loki.

Then, Linka hugged her brother and Lynn Jr. returned the hug and he'd wrapped his arms gently around her, and picked her up.

Linka: I'm proud of how much you've changed and grown, Lynn.

Lynn Jr.: Thanks, sis, but it's also thanks to everyone.

We all joined in on the group hug, then we turned our attention to Goldflipper.

We then went at Goldflipper and smashed and pulverized him all over the place!

POW BIFF SMASH BLAM BASH BAM KROW BLAM SMASH ZONK THOTH WHAP SMACK BIFF THOTH ZOWIE! POW BIFF SMASH BLAM BASH BAM KROW BLAM SMASH ZONK THOTH WHAP SMACK BIFF THOTH ZOWIE! POW BIFF SMASH BLAM BASH BAM KROW BLAM SMASH ZONK THOTH WHAP SMACK BIFF THOTH ZOWIE THWACK KATOW POW SMASH! SMACK! WHAP!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Goldflipper was beaten. He had the cuffs slapped on him.

Me: Now it's time to return the teeth to their proper owners.

I used my magic to teleport all the gold teeth back to their owners. We then went to Lynn's Table for lunch. Goldflipper was sent to prison for the rest of his life. We were having lunch and then Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Black Spider, Cavalier, El Oso, Bronze Kneecap, Ebon and Kyd Wykkyd appeared.

Me: Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Black Spider, Cavalier, El Oso, Bronze Kneecap, Ebon and Kyd Wykkyd.

Count Vertigo: So, you guys got all the teeth back?

William: Of course we did.

Overdrive: Good. I hope J.D. was able to get them back to their owners.

May: Don't worry. He was able to.

Me: Yeah and Rita is gonna one helluva sore mouth for a few days because it was pulled out of her.

DC Enchantress: I hope it was painlessly.

Me: It was. Thank goodness.

Tar Pit: (to Danger Mouse) It's an honor having you here, Danger Mouse.

Danger Mouse: It's an honor to be with the team.

Black Spider: How do you like it with the team so far?

Danger Mouse: It's amazing and so much fun.

Penfold: We love it!

?: Awesome.

A figure came out and it was FORCEFEAR from episode 19 of Ninja Steel!

---

Forcefear is introduced by Cosmo Royale in the Warrior Dome and shows the audience his ability to create a force field as he blocks and reflects the Basherbots' energy lasers right at Cosmo Royale's butt. Angered, the host goes all out but he ends up being harmed by the Force Field. Forcefear then goes to Earth to battle the Ninja Steel Rangers and use his Force Fields to destroy them and retrieve the Ninja Power Stars. The Rangers try their hardest to defeat him but aren't powerful enough to stand up against Forcefear's durability and firepower. They are forced to make a hasty retreat when Forcefear nearly destroys them with his Energy Laser. Odius appears and Forcefear critiques her for not gigantifying him to destroy the Rangers for good and then leaves. Forcefear is later gigantified to lure the Rangers in once more. The Rangers fight Forcefear with the Lion Fire, Bull Rider, and Ninja Steel Megazord whilst the Ninja Nexus Prism creates the Ninja Ultra Star. Once the Ninja Ultra Star is finished, the Rangers use it to form the Ninja Ultrazord and gain the upper hand against Forcefear whilst destroying his barrier with the Ninja Ultra Strike. Forcefear is ultimately destroyed by the Ninja Ultrazord Blast Final Attack.

---

Calvin: Forcefear!

Forcefear: Been a while rangers.

Me: I remember you! You were sent to get the rangers Ninja Power Stars and you were too much for the rangers to handle and they retreated. Then they beat you with their new Ultrazord.

We went back home and had a good rest of the day and went to sleep.

THE END

---

Another awesome chapter done.

Goldflipper is the very first enemy of Secret Squirrel from 2 Stupid Dogs and he was awesome and funny. But it was horrible seeing how he was swiping gold teeth. Ouch. The first part of the chapter was for the 2015 version of the awesome British cartoon Danger Mouse. That's one of my favorite shows from Netflix and it was awesome. The second part was for the Cruel Veterinarian from the

Courage the Cowardly Dog episode Remembrance of Courage Past where we see how Courage got abandoned and it was all because of that Cruel Veterinarian. He sent his own parents into space! What a fiend! NicoChan, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this. And so did the guest reviewer. Thanks guys. This was awesome! Get ready for a fast rescue as me, Eli, Allie Wilde, Nene, Maria, Marie, Simone, Miranda, Erica, Qin, Megan, Lillian, Gina Pele and the Pheromosa Gene-Slammer go into the world of Spiderman the Animated Series and we're going to face Carnage and Venom and prevent them from stealing a Portal Machine. It's gonna be brutal! Qin is gonna transform in that one against both of them and we're also going to meet another one of Nico's friends who is also a Kineceleran Gene-Slammer. We're going to meet Ellie Singh. Also we're going to meet an Angewomon Gene-Slammer named Nathalie Lowinsky and she will also have a Red Archery Girl with her as well as. Lincoln's rescue is gonna take place in the world of Speed, the 1994 movie with Keanu Reeves and Dennis Hopper and that is gonna be a brutal one! We're going to face a rogue cop that is gonna blow much of Los Angeles in half and we're going to save a bunch of people from a bus that is gonna blow up an airplane in that. The next chapter is gonna be for a bad toy movie called Small Soldiers and that is gonna be action packed and epic! Get ready to see Toy Story gone action packed.

See you all tomorrow

# Gorgonites VS COMMANDO ELITE

NO MERCY ON THE SOLDIERS, MERCY ON THE GORGONITES!

---

In New York City, New York, me, Allie Wilde, Eli, Maria, Qin, Marie, Missy, Erica, Lillian, Megan, Nene, Simone, Miranda, Gina, Girl Jordan and Leana the Pheromosa Gene-Slammer were walking down the streets.

Me: New York City, one of the most populated cities in the country.

Leana McDougall: Qin, if you, Erica, and Missy want to transform too, you can.

Missy: I think we're fine for now.

Qin: We're going to only use our Gene-Slammer forms in reserve when necessary.

Leana: Oh. That's all right.

Leana concentrated and groaned as her hair fell out.

Nene: I wonder who we'll find here.

Leana turned into PHEROMOSA!

Eli: I have a feeling it's gonna be big.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We heard an explosion and then we went into an auditorium and we saw Spiderman fighting Venom and Carnage!

Me: Lets go!

We rushed in and Girl Jordan kicked Carnage in the face and smashed him into the wall!

Girl Jordan: I got a bone to pick with you Carnage!

Me: Still just as fucked up as ever!

Maria: Venom. I'm not here to fight. I just want to talk. (to the others) Can you guys hold Carnage off and give the two of us some privacy?

Me: You bet we will Maria and it's Girl Jordan that wants to rip him apart the most even though she got over her vendetta.

Maria: Great! Go get that son of a bitch!

Me: With pleasure.

We went at Carnage.

Maria: (smiles) So. How's your day been so far?

Venom: We have been very busy.

Maria: That's a big case and it looks like Carnage has been busy too. But Venom let me talk to Eddie for a bit.

Venom had Eddie's face appear.

Maria: Eddie I know what happened to you. You went through a huge nightmare after everything that happened to you and I'm sorry about that. But Spiderman is not to blame for everything that happened to you. It's J. Jonah Jameson. He ruined your life. Let me tell you about why he hates ALL heroes with a vengeance.

Maria did so and she told him everything about why he HATES and LOATHES all heroes with a massive vendetta and all that. And he was shocked.

Maria: There's more. I know you know Spiderman's true name and we do too. But you are Venom would make awesome heroes that can show that monster J. Jonah Jameson wrong.

But you and Venom would make a great team for Spiderman.

Eddie: But Venom wants me to…

Maria: Eddie, Venom is bonded to you yes. But you make the decisions because he is part of you. Think about Ashley. Do it for her.

Eddie then realized that Maria was right and he reigned Venom in with the strength of his will and power and he became a new person!

Eddie: Wow! Thanks Maria. That was awesome.

Maria then saw Jameson lurking about.

Maria: And speak of the Devil!

Jameson: (nervously) Oh, I was just-

Maria: Planning to unmask Spiderman after he's exhausted fighting Carnage? I can see that.

Jameson: But why are you talking with Brock? I fired him!

Maria: Because you don't care! Also you hate all heroes right? You want them to suffer and you want the villains to get all the credit.

Jameson was sweating bullets.

Maria: It should be the other way around! Heroes deserve just as much credit as anyone!

She looked at Eddie.

Maria: (to Venom) So, what do you say? Will you help me just like the you I know has several times?

Eddie: We will.

Maria: Great. Jameson, there's an old term that we know for a long time.

Jameson: What's that?

Maria: (Flares up her aura) It's Payback Time!

Venom: And this time we are gonna dish it out!

Venom punched Jameson in the face and sent him into the wall. Then Maria entombed him in a ball of water.

Jameson: You think I'm afraid of water?!

Maria: Oh it's not water you should be afraid of.

Maria enveloped him in a ball of water completely and then froze him completely in a huge ball of ice!

Venom: Very clever.

Maria: Thanks. Now lets finish Carnage.

We regrouped and we were facing Carnage!

Qin: I've had enough of this creep to last an eternity!

Suddenly, Qin's eyes turned neon green, and she was surrounded by a green energy aura with green fire and komodo dragons, she unholstered her Sword of The DNA Spliceteam from her back, and as she approached Animated Venom and Animated Carnage, she left green energy, green fire, and komodo dragons with every step.

Qin: What you are trying to do by stealing that Portal Machine is going to mean trouble for the entire Earth and mankind, and on top of that, you have committed a lot of crimes here that can't be forgiven. This time, I'm putting a stop to you once and for all Carnage!

Then, Qin was surrounded by a massive vortex of green energy with green fire surrounding it, there was a green komodo dragon running around the vortex, and there was a vermillion red phoenix in the vortex. Then, as the vortex faded, Qin emerged, but she was changed forever.

Qin grew to 6'0" in height, she had the body of a goddess, she had green highlights on the bangs of her long black hair, she has green eyes and a green energy aura with green fire and komodo dragons surrounding her, she has a komodo dragon with the Fire Kanji emblazoned on her forehead, she has on komodo dragon earrings with the Fire Kanji in its claws and a necklace with a komodo dragon with the Fire Kanji in its claws for the pendant, she has large black angel wings with green tips on the large black feathers and green fire coming from the tips. She has on a green sleeveless blouse with a vermillion red phoenix on it, green skirt with green flames and a komodo dragon on it, black pants, and black leather ankle-high combat boots, and a vermillion red sleeveless trenchcoat with green fire and komodo dragons on the coattails and a komodo dragon on the back. The massive, wide, double-edged blade of her Sword of The DNA Spliceteam grew to 6'5" in length and the long black handle grew a little longer. Qin has on her brand-new Bracelets of The Champions of The Universe with green gems on her wrists, Belt of Elemental Bravery with large green gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip. There's a gold kanji on the back below the komodo dragon that said, "Qin Chen, Komodo Dragon Gene-Slammer of Team Loud Phoenix Storm, Friend of Nico and Many Others, Descendant of Fa Mulan and Emperor Qin the Dragon Emperor, Defender of China's Honor, and Slayer of The Eternally Damned."

秦陳、コモドドラゴンジーン-チームラウドフェニックスストームのスラマー、ニコと他の多くの友人、ファムーランの子孫と皇帝秦ドラゴン皇帝、中国の名誉の擁護者、そして永遠に堕落したスレイヤー

Qin has transformed into SUPER ANGEL 750,000,000,000 GREEN FIRESTORM KOMODO DRAGON ANGEL OF CHINESE HONOR AND COURAGE!

When we saw it, we were amazed by Qin's Super Angel 750,000,000,000 transformation. Animated Carnage tried to attack her, but she fired a powerful blast of green fire, and it hurt him really badly, as Symbiotes hate fire and sound.

Me: WHOA! Qin you look awesome!

Eli: Incredible! You look incredible Qin!

Missy: Way to go!

Erica: Wow! How do you feel?

Qin: (Divine Echoing Voice of Fiery Dragonic Justice) **I feel amazing guys. This power is strong enough to take down Carnage times infinity.**

Allie Wilde: Awesome! Nico is gonna be really proud of you.

Qin: **He sure will.** (to Spiderman) **Spiderman, you know we might kill Carnage, right?**

Spiderman: I don't mind! I honestly wish I had your killing privelages.

Me: Wouldn't we all. But as you can see, Girl Jordan had a massive vendetta against Carnage. The reason is because he ruined her life.

I told him everything that happened and Spiderman and even those that hadn't heard about it were shocked!

Simone: WHOA! Carnage did that to her!?

Miranda: That is absolutely pure evil!

Gina Pele: What a heartless monster!

Me: That's why we have to kill Carnage!

I fired a massive blast of fire at Carnage and burned him all over.

Then suddenly…

WHOOOSH!

Something zoomed by us with incredible speed and spun Carnage around in a tornado of fire and burned the Carnage Symbiote off of Kasady and he was back to his pathetic human form!

Maria: Flash? Is that you?

Me: No that's not Flash.

We saw a Kineceleran come out.

Kineceleran: (In a girls voice) Thank goodness that Symbiote is gone.

Qin: **That voice. Ellie, is that you?**

Ellie Singh: Qin, Missy, Marie, Lillian, Megan, Erica? Wow! You girls are all here!

They hugged her.

Qin: **Wow! It's awesome you're here.**

POW! BIFF! CRACK! SMASH!

Girl Jordan was kicking and pulverizing Cletus Kasady all over with brutal fury!

Missy: Whoa! Girl Jordan is fighting him really well.

Eli: J.D. taught her all his moves.

Missy: Wow!

Venom: J.D. is a really good teacher.

Maria: I looked over Ashley for you. She just has a bump on the head but she'll be all right.

Venom: Thank goodness.

Spiderman (sees the machine) Venom? You might want to get back.

Venom: Why?

Spiderman: I know how to defeat Carnage!

Me: We're going to imprison him in another dimension for all eternity.

Venom: Good thinking!

Me: Here we go!

I powered up the machine and it activated a portal and Girl Jordan kicked Kasady in the face.

Girl Jordan: It's over for you Kasady! I may have forgiven you for everything you did to me but I will never allow you to hurt anyone else again!

Cletus Kasady: (Maniacal Laughter) You won't let me hurt anyone else!? Now where's the fun in that!

But then…

SHING SHING SHING!

Three arrows suddenly hit him square in the back and skewered him all the way through his black heart and the arrows came from a Red Archery Girl!

Red Archery Girl: I would take Girl Jordan's advice.

Me: Whoa! A Red Archery Girl!

Girl Jordan then kicked Kasady into the portal and he went through it and it closed.

Girl Jordan: Take that!

Eli: Awesome!

I put on my blind man glasses and Eli covered his eyes and I snapped my fingers and Ellie and Leana were reverting back.

Leana: (regains her hair) Spiderman? Can you and Venom please look away?

Spiderman: Sorry.

They had their backs turned at them and they wouldn't look.

Leana and Ellie reverted back and they were naked and Maria gave them new clothes and they put them on.

Qin: **Ellie.**

Erica: It's awesome to have you back with us.

Ellie: I missed you all.

They hugged.

Missy: Looks like the Quantum Girls are all back together.

Me: Nico has been really worried about you Ellie.

Ellie: I can tell you all were. But Qin you look amazing. It's like you've become an amazing warrior.

Qin: **Lots of things have happened to us on many of our adventures.**

She powered down and her jewelry, clothes and weapons were permanent.

Ellie: (holds her in pain while smiling sadly) Thanks for trying, girls. Please tell Nico I miss him.

Simone: You can reign the power in with the strength of your will Ellie.

Erica: That's right. We did it and so can you. Concentrate.

Ellie did so and she then glowed in a neon teal aura and she was stronger and more.

Ellie: Whoa! That was intense. But wow! I feel amazing.

Me: Try running to the Empire State Building and back.

Ellie: Okay.

ZOOOM!

She ran fast at 500 miles per hour and came back in 2 seconds.

Ellie: Done! Wow! I have superspeed now.

Eli: Wow you sure do! That was awesome!

Missy: It sure was. Welcome to the DNA Spliceteam.

Eddie: Thanks for helping me out guys. Now me and Venom can help Parker out.

Me: That's great. I'm sorry about what Jameson did to you Eddie. He has no right to treat you like that. But this is a good start on the road to redemption.

Eddie: It is. We all will be great partners.

Me and Eddie shook hands and we went back to the estate.

* * *

Back at the World Tree Estate, Lori was walking back to the living room when something caught her eye.

Lori: (sees something in the backyard) Nico? You literally might want to look at this.

Nico came out to the backyard and his eyes widened.

Nico: HOLY MOTHER OF GOD!

UH OH!

The mascots had a slingshot and Leonard and his pigs were there and they saw the Mascots doing a reenactment of the Angry Birds App and they were simulating a level and instead of real eggs they were using Easter Eggs full of money.

Nico: So THIS is what you guys were gonna do. Now I see what that package you ordered was for.

Shanan: I thought this was a really cool idea. It's just like in the game and in the movie.

Nico: POROMON! WHAT THE HELL WERE YOU THINKING ON MAKING THIS?!

Poromon: We wanted to see what it was like to do an Angry Birds

Level.

Red: I'm honored that you guys want to see what that was like for us.

Chuck: It was really fun for us to take on Leonard and his pigs to get our eggs back.

Bomb: Boy it sure was. Good times there huh fellas?

Bubbles: You got that right.

Poromon: I thought it was cool.

Sheldon: We thought so too.

Lola: Sheldon's participating too?

Lynn: Oh, c'mon! Sheldon counts as a mascot too!

Sheldon: She's right.

Plankton: I think that's really something.

Lynn: I do too. And this is better than stacking a bunch of beer bottles.

Nico: True. BUT THIS IS JUST AS DANGEROUS!

Leonard: Actually the glass, concrete and wood are all made of foam.

He squeezed the wood and glass and concrete and it was all made of foam ball foam.

Nico: Oh that's different.

Lori: Yeah.

Nico: We have to hide all of this before Maria, J.D., and the others get back!

Me: We're back!

Nico: Uh oh.

Me: What's going on here?

I saw what the Mascots were planning.

Me: Whoa the Mascots were gonna reenact a level from Angry Birds the game. So that's why Poromon ordered that package. Very clever.

Ellie: It sure is.

Nico: (Gasps) Ellie? Is that you?!

Ellie Singh: Yes it's me Nico. I'm back and now part of the team.

Nico went over and hugged her and he was crying.

Red: Thank goodness you guys found Ellie.

Chuck: Where was she?

Red Archery Girl: It's a really unusual story.

Fire Princess: We'll have to hear about it.

Poromon: ELLIE!

Poliwag: ELLIE!

They hugged her.

Ellie Singh: Poromon, Poliwag! Wow! You two look awesome.

Poromon: Thanks Ellie.

Nico: That's right, you two. Get comfortable reuniting with Ellie. Because there's going to be consequences for all of this!

Me: Oh Nico come on. Don't be too hard on them. Besides I thought it was really awesome how they set this up.

May: It sure is awesome though. And it was a clever idea.

Leonard: It sure was. Just like old times.

Shanan: Brings back a lot of memories.

After dealing with Animated Venom and Animated Carnage, Lincoln, Me, Nico, Eli, Nicole, and Courtney (Total Drama) were heading to Los Angeles in the world of the 1994 action movie Speed, and not only is Lincoln going to rescue the thirteen girls there, but we're also going to deal with the rogue LAPD cop Howard Payne and save a bunch of people from a bus that's gonna blow up an airplane and blow much of Los Angeles in half.

---

Howard Payne is the main antagonist of the 1994 sleeper hit action thriller Speed.

He was a retired police officer from a bomb squad unit. After his discharge due to an injury, he became an extortionist and an extremely calculating, manipulative, temperamental and psychopathic terrorist. He is Jack Traven's archenemy.

He was portrayed by the late Dennis Hopper, who also played Peter Vollmer in The Twilight Zone, Tom Ripley in The American Friend, Frank Booth in Blue Velvet, President Koopa in Super Mario Bros., the Deacon in Waterworld and Victor Drazen in 24.

Past career

Payne first worked for the Atlanta Police as a sergeant of the bomb squad team. In 1989, whilst defusing a bomb, his left hand was severely burned, and he also lost a thumb. He was forced into retirement afterwards as he proved too ineffective to do his job anymore. Payne's sanity snapped, and he turned to crime using his knowledge of bombs to become rich, regardless of how many lives he would take.

First Kidnapping and Attempt to Bomb Elevator

Five years later, Payne was working on a Los Angeles skyscraper express elevator during the night. A security guard spots him and asks to see his work permit, only to be stabbed in the ear with a screwdriver and killed by Payne, who is revealed to be planting bombs on the elevator's cables. After Payne bombs the cables, the emergency brakes are the only things holding the elevator car up. LAPD officers Jack Travenand Harry Temple manage to rescue the hostages before Payne detonates the emergency brakes sending the elevator plummeting to the basement. They find Payne in a freight elevator, who was overseeing the bombing.

Payne reveals he is wearing a bomb with a pressure release detonator, using it to take Harry hostage. Payne tricks the police into thinking that the express elevator is getting off on a different floor and takes Harry with him. Jack manages to shoot Harry in the leg, causing a confused Payne to release him. Jack tries to pursue Payne, who sets off a small explosion in the parking garage that appears to kill him. Jack and Harry are commended for their bravery in an official ceremony. Harry is promoted to Detective and given a desk job.

The next day, Jack observes as a Santa Monica Municipal Bus Lines bus explodes near him, killing the driver, who is a friend of Jack's. Payne calls Jack on a nearby pay phone, revealing that he faked his death and has rigged another bus to explode. Once the bus reaches 50 miles per hour, the bomb will be automatically armed. Should it drop below that speed, it will explode. Payne also threatens to detonate the bus manually if anyone attempts to get off the bus, or if the ransom is marked or not delivered by his deadline. The bus Payne rigs is an *express* bus, making an effort to stop the bus before the bomb arms futile. Jack locates the bus and jumps aboard, but the bomb has already been armed.

When Jack identifies himself as a police officer, one man draws a gun, believing Jack has come to arrest him, and accidentally shoots the driver, Sam. Another passenger, Annie Porter, takes the wheel and is forced to desperately maneuver through the city's congested streets at all costs.

Meanwhile, the police department receives their own extortion threat from Payne and responds with an escort for the bus while Jack's superior, Lieutenant McMahon, directs it from a following helicopter to the unused 105 freeway where a commandeered flatbed truck joins it to disembark the passengers. Jack, aware that the trailing news helicopters covering this emergency will inadvertently alert Payne, negotiates for the wounded bus driver to be evacuated from the moving bus. Payne agrees, but when he witnesses a terrified passenger named Helen recklessly trying to get off as well, he detonates a secondary explosive, which is a small bomb under the steps. This causes Helen to fall under the bus, where she is crushed to death beneath the wheels.

As they continue down the 105, they find out that the freeway is unfinished, as there is a 50 ft gap in the upcoming freeway flyover. Jack orders Annie to floor it, and they reach 70 miles per hour. The bus manages to jump the gap with room to spare.

They drive to Los Angeles International Airport where they can safely maintain their speed by driving in circles on the emergency runway and, being a restricted airspace, the police can operate without Payne seeing them in the media from the news helicopters. On the way in they accidentally hit tire spikes, damaging the rear tires. Jack goes under the bus on a sled in an attempt to defuse the bomb, but is unable to disarm it when he discovers it has been rigged with a collapsible circuit. He orders to be pulled to out, but when the sled loses control, he tries to grab hold of the bus and accidentally ruptures the fuel tank with a screwdriver.

Later, Harry learns about Payne's past as a bomb squad sergeant. He assembles a team which attempts to storm Payne's apparent residence, but Payne has already rigged the retirement house with a bomb which explodes, killing Harry and his team. When Payne gloats to Jack about the deaths of Harry and his team, Jack has a brief meltdown.

Once he calms down, Jack discovers that Payne is monitoring the bus with a hidden camera. Jack's colleagues loop the footage being transmitted to Payne so that the passengers can be evacuated safely to another bus. Jack and Annie are the last to evacuate, after which the bus crashes into a taxiing cargo plane and explodes. The police plan to catch Payne as he picks up the ransom money, but Payne discovers the looped video feed and in a rage realized that his plan was foiled. However, with another plan up his sleeve, he disguises himself as a police officer and kidnaps Annie before strapping a bomb with a pressure release detonator to her chest, just like he did to Harry in the skyscraper. Payne then escapes into the subway station, where he collects the ransom money. Jack catches Payne and demands for Annie's release, saying that Payne can get away with the money. However, Payne refuses to release Annie and threatens to set off the detonator if Jack steps closer to him. Payne proceeds to hijack a subway train, handcuffing Annie to one of the poles inside. Jack narrowly manages to get inside the train just as it starts moving.

Payne catches the conductor of the subway train answering the radio and kills him. He discovers that Jack is on the rooftop and that his money has been tainted when a dye pack bursts in his face, rendering the money useless. Losing whatever sanity he has left, a furious Payne starts shooting on the train's rooftop until he runs out of bullets. Taking his detonator, Payne climbs onto the rooftop and fights Jack. Eventually, Jack pushes Payne into the path of an oncoming signal light, which decapitates him, sending his headless body off the train. Jack barely manages to gain hold of the detonator and disarms Annie's bomb. However, the train cannot be stopped, because its control panel is heavily damaged by Payne's bullets. Jack also cannot free Annie from the handcuffs since he doesn't have the keys to unlock them. Jack observes the map and discovers that the track dead ends into the construction site under Hollywood/ Highland. Jack accelerates the train, intentionally derailing it. The derailed train crashes through a wall where it comes to rest on Hollywood Boulevard. When Annie realizes that Jack stayed with her rather than saving himself, she passionately kisses him as pedestrians surround the train, watching and taking photos.

Lincoln: Wow, we're in the world of the 1994 movie Speed, and I think I know what we're going to do in this one, not only am I going to rescue the thirteen girls there, but we're also going to deal with rogue LAPD cop Howard Payne, and save a bunch of people from a bus that's gonna blow up an airplane and blow much of Los Angeles in half.

Me: That's right, big guy.

Nico: So, we're dealing with another rogue cop, but this time, he's now turned into a bomber fueled by greed. Oh, he's looking at life in prison or death for this one.

Me: Another cop gone bad in a sense and one seriously fucked up asshole.

Lincoln: Once we get done with him, he'll be begging to get the chair, because we're not showing him any mercy.

Courtney (Total Drama): What Howard Payne was planning is pure evil, he's endangering the lives of innocent people and all for money.

Me: He's been consumed by the sin of Greed, one of The Seven Deadly Sins.

Eli: Yep and we're going to make sure he pays.

?: HELP!

Suddenly, Lincoln heard the sound of thirteen girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the thirteen girls, but they've been cornered by Howard Payne on the bomb-loaded bus, and he's going to kill them.

Lincoln: Guys, I found the thirteen girls, but that rogue cop Howard Payne has them cornered and on the bomb-loaded bus, and he's going to kill them. Come on, let's go.

We rushed on over, and we got on the bus. Then, Lincoln punched Howard Payne in the face, and he tied him up in a neon blue straitjacket, and Lincoln disarmed the bomb, and I got the bus to safety and out of the way of the plane. Everyone cheered for what we just did, but Howard Payne flew into a rage.

Howard Payne: NO, YOU RUINED EVERYTHING, YOU BASTARDS!

Lincoln punched Howard Payne in the head, and knocked him out, and handed him over to the cops, along with evidence of his crimes.

Then, Lincoln and Nicole went up to the thirteen girls located there, and when Lincoln saw them, he immediately recognized them. The thirteen girls were Sasame Mitsukuri, Miku Nishio, Hiyo Yukino, Shupe Gushiken, Roro Morooka, Kotoko Kintoki, Kiri and Uori Mukae, Haru Chitose, Eri Kumagai, and Sarasa Ryuoh from Music Girls, Shigure Kōsaka, and Kaname Kugatachi from History's Mightiest Disciple Kenichi.

Lincoln: Oh wow, it's Sasame Mitsukuri, Miku Nishio, Hiyo Yukino, Shupe Gushiken, Roro Morooka, Kotoko Kintoki, Kiri and Uori Mukae, Haru Chitose, Eri Kumagai, Sarasa Ryuoh, Shigure Kōsaka, and Kaname Kugatachi.

Nicole: From Music Girls and History's Mightiest Disciple Kenichi, awesome.

Lincoln: Are you girls okay?

Sasame Mitsukuri: Yeah, we're okay, thanks to you.

Then, when Sasame Mitsukuri and the other twelve girls saw who it was that saved them from rogue LAPD cop Howard Payne, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Sasame Mitsukuri: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twelve clones of himself, and he and the twelve clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Sasame Mitsukuri: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and we got the news from the court. Howard Payne was found guilty of domestic terrorism and murder, and he was sentenced to death. Howard Payne was chained to a post, and Lincoln fired a powerful neon blue energy ball with orbiting elemental forces around the core, and it exploded with incredible power, killing him and he was Super Hakaied for good.

---

After dealing with Howard Payne, Lincoln, Me, Nico, Garrett, Nicole, Tracer, Lori, Lynn, Laney, Lola, Jasmine Queenston, Bangray (Garrett's universe) and Jeeves Weevil were heading to the world of Jennifer's Body.

Lincoln: Whoa, we're in the world of the 2009 movie Jennifer's Body, and I think I know what we're going to do here, not only am I going to rescue Anita "Needy" Lesnicki, but we're going to save Jennifer Check from herself, she has been turned into an evil succubus who must feed on flesh to survive and has an unending hunger for blood.

Me: That's right, big guy.

Lori: Dana told me she saw that movie long ago in the theater, and Jennifer's bloodstained murderous acts terrified her so badly, she literally had nightmares for weeks.

Nico: Yikes.

Jeeves Weevil: (British Accent) And I'm looking forward to sending the demon possessing her back to Hell where it rightfully belongs, chaps.

Garrett: Yeah, and I sense that this is going to be a clusterfuck.

?: HELP!

Suddenly, Lincoln heard the sound of eleven girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He saw Anita "Needy" Lesnicki, but she's been cornered by Jennifer Check, and the unwillingly bloodthirsty, flesh-eating succubus is going to kill her.

Lincoln: Guys, I found Anita, but she's been cornered by Jennifer Check, and she's going to kill her. Come on, let's go.

We rushed on over, and Lincoln fired a blast of light, which caused Jennifer Check to back away, since as a succubus, she's afraid of light, but it'd also sent her backing towards a magic rune circle created by Lincoln, and it trapped her inside it.

Anita: Thanks for the save.

Me: Jennifer, why are you doing this?

Jennifer Check: (Horrifying Demonic Voice) **I have no other choice, if I don't feed on flesh and blood, I'll die. This was the result of that failed sacrifice. I don't want to do this, but it feels so good, to take the lives of the living, to feed on their flesh and blood.**

Lori: She's literally lost it.

Lynn: She's given into the dark powers of Hell, and now, her soul is now eternally condemned.

Lola: She must be destroyed for good before she kills again.

Garrett: No, I've had it up to hear with that demon for all eternity but I am not letting her die because of something she can't control.

Suddenly, Garrett's eyes turned neon blue and blood red, and he was surrounded by a neon blue energy aura with stars and static surrounding him, and as he approached Jennifer Check, he left neon blue energy, stars, fire, blood, lightning and blue nebulae with every step.

Garrett: Jennifer Check, listen to yourself! Do you think that murder will solve your whole "being a succubus" thing? Do you think it will make you feel better and make you happy? NO! It won't!

Bangray (Garrett's universe): Garrett is right, Ms. Check! You have to stop it now. Continuing this will lead you too is a one way tickey to your own destruction.

Jasmine Queenston: This is like a double-edge sword. If you keep this up, death will be your only reward. All this will lead you to is a path to your own destruction and it only makes things worse.

Laney: That's right. If you keep this up, you'll be no better than Mithos Yggdrasil was when he got killed.

Me: You don't want to die because of that do you?

Jennifer Check then was shocked at what she heard and knew that I was right. Then she broke down crying and Jasmine comforted her.

Jeeves Weevil than does an exorcism and pulls the demon out of Jennifer Check and it takes the form of a blobby snake.

Lynn: And now to tear that evil snake to shreds for what it has done.

Jeeves Weevil: (British Accent) That's right, Lynn. (To the demon) And now, it's time for you to die.

We'd transformed, unholstered our weapons, and we went after the demon, and we'd blasted it with powerful neon colored energy blasts, lava, stars, and elemental forces, which exploded with such incredible power, and it angered the demon to no end. Suddenly, we'd felt her life force becoming weaker and weaker.

Nico: Whoa, it feels like it's becoming weaker and weaker.

Lori: (Divine Echoing Hurricane Voice of Justice) **It hasn't fed on Anita or anyone else, it's a result of the possession, like Jennifer said. If she doesn't feed on flesh and blood, she'll become weaker by the second. Now's our chance to finish this demon off.**

Garrett: (Staticy Voice) Now, everyone, together!

Everyone: HOLY FIRE BARRAGE!

Garrett: TASTE AMERICA MOTHERFUCKER!

Garrett loaded grenade rounds into BlueBlaze.

Jasmine Queenston: US OF A MOTHERFUCKER!

Jasmine Queenston pointed a Karl Gustav that appeared out of nowhere at the demon.

Lori: Wait, where did she literally get that?

Bangray (Garrett's universe): NO ONE POSSESSES SOMEONE WITHOUT CONSENT AND GETS AWAY WITH ON MY WATCH!

Bangray (Garrett's universe) got out a Carcano rifle.

Jeeves Weevil: (British Accent) YEE YEE, CHAP!

Jeeves Weevil pulled out some kind of automatic shotgun.

BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG!

Needless to say the amount of powerful blasts of stars and holy light, bullets, explosives and shrapnel being sent the demon's way was like watching the Fourth of July. Blood, guts, brimstone and ass spitting all over the place. And the demon's spirit was sent back to Hell, where it belongs. We holstered our weapons on our backs and powered down and went back to the estate. Jennifer Check was then put on the Redemption Squad.

---

After saving Jennifer Check from the monster she became, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Shizuru Fujimura and Lark Cyclonis (Garrett's Universe): Of course.

Lincoln and the girls and Garrett and his girls went out the door, and they headed off to their date destination: Shangri-Spa in the world of Paper Mario: The Origami King. When they arrived at the destination, they saw just how beautiful this place is.

Shizuru Fujimura: Wow, this place is beautiful.

Lincoln: Mario told me about this place, and this place looks just like Shangri-La.

Lark Cyclonis (Garrett's Universe): I was about to point it out. I've heard the stories of Shangri-La, but this place is inspired by it.

Garrett: And it's the perfect place for our date.

Lincoln and his girls and Garrett and his girls entered Shangri-Spa, and they began swimming in the massive pool inside the place. Then, they also explored the facilities in the place, and they were very amazing and also well-maintained by the Paper Toads. They also took pictures of the place, so that way, they'll show the others of what they've seen. They hung out there for a few more hours, then, it was time to head on home.

Me: Hey, guys, how was your date?

Lincoln: It was awesome, J.D. Here, take a look at the photos we took.

We saw the pictures, and the place they went to was very amazing.

Me: Wow, this place sounds amazing.

Lincoln: It sure is, and this place is like Shangri-La.

Nico: I guess that's why they named it Shangri-Spa. Now, I know where we're going for vacation or a date.

We continued looking at the photos and we continued hearing their experiences, and they were quite amazing.

* * *

Back at the estate, something funny was going down.

[Applejack and Rainbow Dash walk from one room into another, snickering all the way.]

Twilight Sparkle: "We're not allowed to play up here, girls!"

[Her friends sneak into another room, but she doesn't see them.]

Twilight Sparkle: "I repeat, upstairs is off limits!"

[A breaking sound is heard. Twilight Sparkle turns around and approaches a door]

Twilight Sparkle: "This is not good." [She flings the door open, a hand over her eyes.] "You're trespassing in my parents' bedroom! Please leave now or I'll have to call an attorney!"

Rainbow Dash: [imitating Twilight's mother in bed] "Twilight Sparkle! Must your father and I remind you to finish your homework?"

Applejack: [as Twilight's father in the other bed] "That is right, Twilight. A mind is a terrible organ to shovel."

Twilight Sparkle: "HAVE YOU GONE MAD?" [She attempts to pull Applejack from the bed, then checks her arm.] "My blood sugar seems a tad low."

Adaigo: Applejack. What are you and Rainbow Dash doing?

[Rainbow Dash snickers.]

Twilight Sparkle: "RAINBOW DASH, YOU'RE CONTAMINATING MOTHER'S LINEN WITH MILLIONS OF DEAD SKIN CELLS!" [Rainbow Dash dives beneath the sheets.] "If you two only knew the regimen of cleaning procedures that you've set into place-"

Rainbow Dash: "Woohoo!" [He is spinning on a rotatable mirror.] "Jane, stop this crazy thing!" [The lump in the middle of the bedspread collapses.]

Applejack: "Look what I found!" [She pops out of a drawer.] "Sticky notes!"

Twilight Sparkle: "You put those back!"

Rainbow Dash: "You're in trouble, Applejack!" [She runs away gleefully.]

Applejack: "I'm a mean girl!" [Applejack follows Rainbow Dash away, putting sticky notes on her as they run.] "Sticky note! Sticky note! Sticky note!"

Twilight Sparkle: "Downstairs immediately!" (SPLAT!) [Applejack's tongue hits Twilight Sparkle in the face. Twilight pulls it away to reveal a sticky note with "stiky note" written on it.] "Your spelling's atrocious, Applejack."

[Rainbow Dash comes by in a rowboat.]

Rainbow Dash: "Row! Row! Row! Row!"

Twilight Sparkle: "Rainbow Dash, you're scratching the floor!"

Rainbow Dash: "Row! And-"

Applejack: "My turn!" [She leaps on Rainbow Dash.] "Boing!"

Rainbow Dash: [hitting Applejack with a paddle] "Smack!"

Applejack: [flying] "Whoosh!"

Twilight Sparkle: [chasing] "Pant pant pant pant."

Applejack: "Ha ha!" [Applejack crashes in a closet.] "Oop."

Me: Whoa what's going on up here!?

Sonata Dusk: Search me.

Eddy: Looks like they are doing something that me and Ed did in Double D's parents room.

Me: I think this is just something they want to get out of their system.

Fluttershy: You shouldn't be messing with Twilight's room.

Rainbow Dash: Oh lighten up. It's just a funny time.

Nico: I think Ed and Eddy did something like this to Double D one time.

Applejack: Did they really?

Twilight Sparkle: I didn't know about that.

Dirtbag: And let me guess. Twilight has bubblewrap, right?

Applejack: "Look what I found!"

Twilight Sparkle: "NO, NOT THAT!"

Applejack: "Bubble wrap." [She pops a bubble] (BANG!) [damaging the ceiling.]

Twilight Sparkle: "Applejack!"

Applejack: "Cool!" [She then pulls a whole sheet out. The object wrapped inside the bubble wrap comes out and falls on Twilight Sparkle's head, earning a laugh from Rainbow Dash.] "What was that?"

Rainbow Dash: "It's a hunk of baloney, Applejack. What are ya?"

Twilight Sparkle: [slightly dazed] "Baloney? Please. It's-the-ancestral fruitcake!"

Rainbow Dash: "Looks like you got competition, Applejack." [Applejack grins at this.]

Twilight Sparkle: "For decades, we parade the cake every Christmas!"

[Ed, suddenly alert, presses on top of Twilight Sparkle's head to rewind.]

Twilight Sparkle: "For decades, we parade the cake every Christmas!" [Ed rewinds her again.] "Every Christmas!"

Ed: [excited and bonks Eddy] "Christmas, Eddy! I want a flying saucer, a pen and pencil set, four egg rolls, a subscription to Chunky Puff Quarterly, a box of Band-Aids, a big book, and… um…"

Me: Christmas is right around the corner huh?

Edd: Twilight I didn't know you had an ancestral Fruitcake too.

Twilight Sparkle: Crazy huh Double D.

Linka: Boy it sure is.

Grapple: We still have a month before Christmas.

Me: Not that far away though.

Eli: That's true. But this was funny though.

Eddy: It sure was. It's like we were reliving a previous Ed-Venture huh?

Laney: It sure felt that way.

Pinkie Pie: It sure was funny.

We went back to the living room.

Spring Man: B.T.W., J.D.? It's your turn to lead us today.

Me: Yep I know and I have just the mission for us. We're gonna go after the Commando Elite from one of my favorite movies: Small Soldiers.

I showed said movie.

Nico: AWESOME! I love that movie.

Eli: Me too! That was a great one.

Nico: That was a great movie.

Lana: It sure was. I thought it was cool.

Lola: Same with me.

Then Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Black Spider, Cavalier, El Oso, Bronze Kneecap, Ebon, and Kyd Wykkyd appeared.

Ebon: Can me, Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Black Spider, Cavalier, El Oso, Bronze Kneecap, and Kyd Wykkyd go with you guys? My portals will be very useful.

Me: Sure thing guys. First we're gonna watch Small Soldiers.

Black Spider: AWESOME! That's one of my favorites.

We got to watching the movie.

Top defense contractor GloboTech Industries acquires the Heartland Toy Company and as part of the move, Globotech CEO Gil Mars commissions Heartland toy designers Larry Benson and Irwin Wayfair to develop actual live action toys capable of "playing back". Mars selects Larry's Commando Elite for the project and Irwin's Gorgonites for their enemies. Faced with a tight three-month deadline for the toys' release, Larry forgoes safety testing, then uses Irwin's password and chooses GloboTech's X1000 microprocessor to activate the toys.

Teenager Alan Abernathy signs off for a shipment of the toys at his family's toy store without his father's consent. He and delivery driver Joe activate Archer and Chip Hazard. Alan's neighbor and love interest, Christy Fimple, buys Chip Hazard for her brother Timmy's birthday. Alan returns home to discover Archer in his backpack. Meanwhile, the Commando Elite apparently attack the Gorgonites in the toy store. Alan calls the company and files a complaint. Later, when Larry and Irwin listen to Alan's voice mail, Irwin shockingly discovers the X1000 was designed for smart munitions guidance; a Globotech engineer reveals the artificial intelligence circuit is designed to learn over time, but issues with electromagnetic pulse shielding halted mass production.

The Commando Elite pursue Alan to his home and attempt to interrogate and kill Archer in the kitchen. Alan intervenes and is wounded by Nick Nitro, whom he partially destroys by shoving in the garbage disposal. His parents, Stuart and Irene, arrive in the kitchen, having heard the sounds of the scuffle. Alan attempts to explain what is going on, but with Archer not supporting his explanation, neither believe him. The next day, Alan and Archer find the Gorgonites in a dumpster at the store. At home, Alan learns that the Gorgonites seek to find their home Gorgon, which they mistakenly believe to be in Yosemite National Park. Through tapping the Abernathys' phone line, the Commando Elite learn of Alan's interest in Christy, tie up and gag Timmy, sedate and subdue the Fimples and use the destroyed Nick Nitro's AI chip to engineer an army of Gwendy fashion dolls as reinforcements. The Commando Elite then take Christy hostage to force Alan into surrendering the Gorgonites.

Alan and Archer sneak into the Fimples' house to save Christy, but the Gwendy dolls subdue Alan. Archer frees Christy from her bonds, and together they save Alan and destroy the Gwendys before escaping. The Commando Elite pursue them in improvised vehicles, but all except Chip Hazard are destroyed in a crash. Alan, Christy and Archer return to Alan's house, only to find both their families waiting for them, believing that Alan kidnapped Christy and immobilized the Fimples. This time, Stuart and Irene believe Alan and Christy's account of the Gorgonites and the Commando Elite, but Phil and Marion, Christy's parents, remain skeptical. Irwin and

Larry arrive and talk to Alan about his voicemail, but Chip Hazard then attacks the house with a new force of Commando Elite from a hijacked recall shipment by Joe and with more improvised vehicles and weapons. The Commando Elite attack the Gorgonites and the humans, causing the house's electricity supply to short out.

Inspired by Irwin's advice to create an EMP blast, Alan heads out to force an overload of the power lines. Christy, Irwin, and Larry head to the Fimples' house to turn on all electronic items inside and wedge the circuit breakers open for a larger surge. The Gorgonites emerge and fight back against the Commando Elite. Chip Hazard flies to the top of the power line pole to stop Alan, where he battles and defeats Archer, but Alan thrusts Chip into the power transformers, triggering the EMP blast, which destroys him along with the remaining Commando Elite.

Mars arrives in his helicopter during the police and fire department cleanup the next day. He pays Joe and both families for damages, as well as buying their silence from the media, and orders Larry and Irwin to repurpose the Commando Elite for a military use. Among the craziness of the aftermath, Alan and Christy part on highly amicable terms, having agreed to start a relationship with each other. Alan later discovers that the Gorgonites have evaded the EMP blast by hiding underneath the Fimples' large satellite dish. The Abernathys bring the Gorgonites to Yosemite National Park, where Alan sends them out in a large toy boat from his father's store to find their home of Gorgon.

---

When it was done we cheered wildly!

Nico: That was so awesome!

Lana: Yeah it was!

Lola: Those soldiers were stupid to think they can win against the human mind.

Lisa Loud: My thoughts exactly.

Me: Yep. Lets head out everyone.

Ebon formed a portal and we went through it and we were off to California.

LOS ANGELES, CALIFORNIA

We arrived in Los Angeles, California.

Diamond Tiara: Here we are in California.

Discord: And it's going to be a most fun time.

Laney: Yes it will.

Rainbow Dash: And we're going to smash those toys to pulp! (To Woody and friends) No offense.

Woody: None taken.

Me: Lets find the home of Alan.

We walked around and we found Alan Abernathy's house.

Me: Here we are.

We went up to the door and rang the door bell and answering the door was Alan Abernathy.

Black Spider: Hi. Are you Alan?

Alan Abernathy: Whoa! Black Spider!

Me: It's all right Alan. He's with us.

Alan Abernathy: AWESOME! Team Loud Phoenix Storm. It's an honor to meet you all.

Me: Pleasure is ours.

Nico: We came to ask you a couple of questions about certain toys.

Blade Man: Can we come in?

Alan Abernathy: Sure.

We were allowed inside and we were introduced to Christy Fimple.

Christy Fimple: Team Loud Phoenix Storm! Wow! What an honor.

Me: Pleasure to meet you Christy.

Eli: Awesome to meet you.

Christy Fimple: You guys are awesome heroes.

We went to Alan's room.

Count Vertigo: Okay, which kinds of toys are in your room right now?

Alan Abernathy: All kinds.

We went in and saw that he had ALL kinds of toys. Most of them were toys I hadn't played with in forever.

Me: Wow! These are the kinds of toys I hadn't played with in a long time.

Nico: Boy these all bring back tons of memories.

Eli: Same here. Wow. But I sense that Chip Hazard is here.

Nebula: Alright, Chip Hazard! You want to attack us?! Here we are!

Me: That's right you soldier disgrace. Come on out and fight you coward.

Alan Abernathy: He's coming soon.

Eli: He's here now.

Eli used the Force to detect his surroundings and then…

He grabbed something and then pinned it to the ground and it was CHIP HAZARD!

---

**Major Chip Hazard** is the main antagonist of the 1998 movie *Small Soldiers* . He was Archer's archenemy and the leader of the Commando Elite.

He was voiced by Tommy Lee Jones, who also played Two-Face in *Batman Forever*, William Strannix in *Under Siege*, Ryan Gaerity in *Blown Away*, Robert Dewey in *Jason Bourne,* H. Clifford McBride in *Ad Astra* and John Neville in *Eyes of Laura Mars* .

Major Chip Hazard, a military action figure, along with the other Commando Elite, were designed by Larry Benson, but were created by Global Tech Industries. Each one of the Commandos were given a microchip known as the X-1000 and were programmed to kill Gorgonites. However, the X-1000 was designed to learn and adapt to the programming. So Hazard and the other Commandos became more and more like "real" soldiers, determined to kill the Gorgonites and anyone who was allied with them (whom they would call "Gorgonite allies").

Hazard tries to kill Alan Abernathy and the Gorgonites, and is shown to be extremely xenophobic towards the Gorgonites (though in fairness to Hazard and his crew, he was following a program, which dictated that the Gorgonites were enemies). However when the commandos began to precieve Alan as a threat, Hazard showed no problem with endangering the lives of others and was warmongering, aggressive, and capable. With aid from his crew, he terrorized any that got in his way and was not one for negotiation or diplomacy. He preferred a hands-on approach involving the creation of deadly war-machines made out of junk and the modification of toys into equally dangerous weaponry. When Nick Nitro was badly damaged by the garbage disposal and made it back to the rest of the Commando Elite, where he died in Hazard's arms, Hazard and the others held a moment of mourning.

After creating their machines, Hazard leads the Commandos in a siege of the Fimple family's household, where they immobilize Phil and Marion, the parents of Alan's love interest, Christy, by drugging them with sleeping pills and tie up her younger brother, Timmy, before appropriating her childhood toys, the Gwendy Dolls, into sentient reinforcements. When Christy returns home from a date, the Gwendy Dolls ambush, subdue, and restrain her, and when her boyfriend, Brad, attempts to rescue her, Hazard staves off the attempt by setting his pants on fire, scaring him out of the house. (It is later revealed that this act leads to Christy breaking up with him off-screen for abandoning her to Chip.) Now with Christy as their hostage, Chip coerces her into making a video for Alan and the Gorgonites that demands the surrender of the latter.

Hazard believes that he has won when Alan seemingly leaves a box containing the Gorgonites in front of the Fimple household, and he and the Commandos blow it up with dynamite. In reality, it is a decoy containing a recording of the Gorgonites' voices with Bumble Balls bouncing around to simulate the feeling of them moving around inside. This is because Alan and Archer have sneaked into the Fimple house to rescue Christy. Archer cuts her loose while Alan unsuccessfully deals with the Gwendy Dolls, who subdue him briefly before being defeated by Christy.

When the teens and Archer then try to escape Christy's house, they find themselves attacked by Hazard and the other Commandos, who are now fully utilizing their newly-created machines. They hop onto Christy's motorbike and take off with Hazard and the Commandos in pursuit. The teens and Archer seemingly emerge victorious when they make a daring jump over a ravine in the park that the Commandos cannot make themselves, destroying Chip and his men.

As it turns out, Hazard survives the failed pursuit of Archer, Alan, and Christy and washes up near a Big Toy Barn, where he kidnaps a truck driver, Joe, who is carrying a full truckload of unopened Commando Elites, stating that he's been "drafted." He activates them off-screen and unleashes them on the Abernathy household in a full-scale war. His intentions are not only to kill Archer and the other Gorgonites once and for all, but also Alan, Christy, Larry, his friend and partner, Irwin, Alan's father, Stuart, his mother, Irene, Phil, Marion, and Timmy, all of whom have gathered in the house for various reasons.

Hazard later sees Alan climbing a pylon containing two transformers on it which would create an EMP (electromagnetic pulse) that would wipe them out. He pursues him in his war-chopper, but is forced to eject after the Gorgonites fire at him.

Hazard stabs Alan with a knife to prevent him from destroying them. Archer suddenly intervenes and Hazard defeats him, mocking that Archer is programmed to lose, so there is nothing he can do. He then kicks him off the pylon onto the ground below. He celebrates, thinking he has won. However, Alan has had enough and seizes Hazard in a rage, jamming him in between the two transformers, triggering an EMP, which destroys the rest of the Commandos, and even the Gwendy Dolls who survived Archer, Alan, and Christy's escape. A damaged Hazard says, "There will be no mercyyyy…" before his circuits shut down, and he is terminated for good. They put what is left of the Commando Elite, including the Gwendy Dolls, into garbage bags, and it is presumed that they were taken to a steel plant to melt them in molten steel so they would never come back to life.

After the battle is over, Irwin showed head of Globo Tech Gil Mars what is left of Hazard, showing him only his damaged head with one of his eyes sticking out. Mr. Mars then decides to sell the Commandos to some rebels in South America.

In the PS1 video game, Hazard sends his troops to invade Gorgon, the home world of the Gorgonites to destroy his enemies once and for all.

Archer who has sworn to protect his home world, destroys the Commandos' weaponry, defeats Hazard's troops, rescues the Gorgonites who were being held captive and goes to the Commandos' war torn home world.

There he breaks through their defenses, destroying everything to prevent them from invading Gorgon again before battling Chip himself in the inner sanctum of the main base Garrison Prime. Hazard has encased himself in deadly battle armor, but Archer still manages to defeat him and Hazard ends up fried to a fritter from the deadly range of one of his own cannons.

When the battle is over, Archer sticks one of his arrows into a tattered piece of the Commando flag, declaring the war finally over.

Nico: Chip Hazard.

Me: I had a feeling he was here. Lets tie him up and interrogate him.

We did so.

We had him tied up to a chair with energy rope.

Chip Hazard: You think I'm afraid of any of you?! We are the Commando Elite! Everything else is just a toy!

El Oso: (Spanish Accent) For such a small toy, you've got a lot of guts.

Me: He sure has a lot of tenacity for such a puny little mass of plastic I'll give him that.

I looked at Chip Hazard as he was tied up in binds and I turned on my data vision.

Me: Wow that chip inside him gave him complete sentience and life. Amazing.

Nico: That is really something.

Chip Hazard: I'll rip your eyes out of your face and use them as soccer balls!

Me: Go ahead and try.

Dive Man: Where are the rest of your pals?

Chip Hazard: (laughs) Oh, they're around here somewhere on their way to rescue me. You all haven't won this war just yet!

Me: Ha! Do you honestly think we're afraid of you and your little pals? I don't think so. We've handled threats that are infinitely worse than you and they all met the same end. We are the most powerful force the entire universe has ever seen and we can just wipe you out just like that.

Chip Hazard: We'll see about that!

Me: Well you're in for a wild ride as we destroy you.

Chip Hazard: Do you expect me to talk?

Me: No Chip Hazard. I expect you to die.

Nico: You watch too many James Bond Movies.

Suddenly, the window was broken into as the rest of the Commando Elite appeared.

Chip Hazard: (smirks) What did I tell you?

Brick Bazooka untied Chip Hazard.

Brick Bazooka: We'll see you on the battlefield, suckers!

The Commando Elite began to leave.

Bronze Kneecap: They're getting away!

Eddy: Relax! I'll kill at least one of them!

Eddy took out his blaster and shot at Nick Nitro just as the Commando Elite made it to the sidewalk. The blast hit Nick Nitro and melted him into mush.

Just as Brick Bazooka made his way the sidewalk, I fired the Noisy Cricket and the blast hit Brick Bazooka and blew him to pieces and I went flying back because of the powerful recoil and Nico caught me!

Nico: OOF!

Nico and me fell to the floor!

Nico: WHOA!

Me: WOW! What a recoil!

Eli: But you blew Brick Bazooka and Nitro apart guys! Nice shooting.

Me: Thanks bro.

Eddy: Thanks Eli.

Alan Abernathy: That was AWESOME!

Me: Yeah it was. Sorry about landing on you like that Nico.

Nico: No worries. But man I can't believe that Agent J had a lot of trouble with that little gun.

Me: Big things DO come in small packages. But next time I'll use this in the air.

May: We'll need some help to defeat those tiny punks!

Tarantulas: (smirks) My thoughts exactly. (to Alan) Alan, are the Gorgonites in this house too?

Archer: (Offscreen) Yes we are.

We saw the Gorgonites in a cabinet come out.

May: Cool.

Alan Abernathy: Glad you guys came.

Archer: Indeed.

Archer: I do not see how we can help you all defeat the Commando Elite. We are programmed to hide and lose against them.

Cavalier: We understand how you are programmed. But you all have free will! You don't have to follow that programming if it means your destruction!

Android 18: That's right. I was made an android and programmed for killing Goku and I used my free will to overcome that programming because I realized that I was human and still am.

Me: That's true. Archer, even though you are a toy you are still just as human as us. Inside and out.

Archer: Thank you J.D.

Luna: (to Sam, Clover, and Alex) Have any of the villains you dudes faced before used talking toys?

Sam Simpson: As a matter of fact yes and it's funny you should bring that up.

Alex: We met a man named Seth and he took some chips and brough some toys to life with them too.

Me: That's very coincidental. Can you tell us all about it?

She told us about Seth.

---

He appears in the episode "Toying Around", and is voiced by Wally Wingert. He broke into a military lab for a set of microchips to make his toys more realistic. However, he did not know that the toys would grow sentient and attempt to conquer the world for him. As a result, he later attempted to assist Samantha, Alex, and Clover in stopping his creations. While he was arrested by Jerry for breaking into the military base, Jerry was sure he could get Seth a reduced or suspended sentence. He is one of the few villains to ally with the girls as his crimes were unintentional.

---

We were amazed.

Me: But at least Seth saved you all and he learned a big lesson that day.

Nico: Yeah no kidding.

Eli: Yeah thank goodness.

Me: Yep.

DC Enchantress: We should have some time to prepare for when the Commando Elite attack again.

?: Alan! Can you come down here, please?

Alan: It's my dad!

Me: We better go talk to him and tell him what's going on.

Alan: I'll talk to him first.

Alan went downstairs and we followed.

Alan Abernathy: You wanted to see me dad?

Stuart Abernathy: Yes have a seat.

He sat down.

Me: Mind if we sit too?

Stuart Abernathy: Wow! J.D. Knudson it's an honor.

Me: Sorry to come in like this. But we are here to help out with Alan and Christy.

Stuart Abernathy: Okay.

We sat down.

Stuart Abernathy: Alan, your mother and I are very worried about how you and Christy have been acting lately. And so are Christy's parents.

Barath Beyond: I assure you, Mr. Abernathy. There's a very good reason.

Phil Fimble: (to Stuart) Hey, I'm only worried about Christy. Your kid's the one being a bad influence on her. (sees the Masters of Evil) And now look! He's hanging around supervillains!

Me: We understand your concern but I assure you Alan and Christy are both in good hands.

Nico: That's right sirs. Its for a good reason. Besides it's a long story with the Masters of Evil.

Phil Fimble: Oh right sorry. They helped you out many times in your adventures. Sorry.

We told them everything.

Stuart: You're telling us that the Gorgonites and Commando Elite are alive?! And the Commando Elite are evil?!

Tar Pit: That's right. But we managed to kill Nick Nitro and Brick Bazooka.

Maria: Somehow, I don't think things are going to be any easier.

Me: No they aren't. I know this is very hard to believe but it's 100% true.

Eli: We've seen many things happen on all of our adventures and they are all amazing.

Stuart: My god. I can't believe that this is all happening.

Me: I know. It's crazy. But Alan and Christy want to do everything they can to help out.

Timmy Fimple: I'm scared.

Marion Fimple: It's alright, Timmy. We're not gonna let them hurt you.

Phil Fimple: Look, don't attack me for this but maybe so they leave us alone, we should give them these Gorgonzolas.

Maria: They're called Gorgonites. And that's not an option.

Phil Fimple: I know you guys have a habit for being reckless. But let's be logical here. Besides, I have my family to think about!

Larry Koopa: Well, this action won't do them any favors. You really think the Commando Elite will accept surrender?

Me: No they won't Phil. The Commando Elite will never take any prisoners. They will kill ANYONE that gets in their way. We've encountered many villains that have that kind of dishonorable capability.

Nico: It's true.

Eli: Yep.

Me: I understand you are just looking out for your family and I respect that. But I can assure you that Alan and Christy are more than capable of taking down these pint-sized terrors. Just like we have done so to many toys like them before.

Nico: It's strange but it's true.

Kyd Wykkyd: Look, how about I teleport your son to a safe place so he doesn't get hurt?

Phil: Okay.

Christy: You, mom and dad will be safe at the Team Loud Phoenix Storm estate till we take down these toys.

Timmy Fimple: Okay.

Marion Fimple: Be careful sweetheart. We don't want to lose you.

Christy: I know mom but you won't. We've seen many of Team Loud Phoenix Storm's adventures and they are awesome. But we'll be fine.

Alan Abernathy: That's right. We'll be fine.

Me: They will be in good hands. I promise you.

We teleported them to the estate.

Me: Here we go guys.

I pulled out a scroll and unsealed a bunch of awesome high tech energy blasters.

Me: Alan, Christy, choose your weapons.

Alan and Christy chose awesome energy blaster rifles. So awesome.

We got ready and then we saw CHIP MAJOR! Phil went up to him.

Phil Fimple: (to Chip Hazard) Hi. I'm Phil Fimple. I'm here to negotiate the surrender of these Gorognites. Here's our proposal: Take them!

Family Guy Penelope: You're joking! Are you really selling them out?! After everything we said to calm you-

Me and Phil winked at her and motioned that Eddy was behind a trash can behind Chip Hazard.

Chip Hazard: There will be no surrender! There will be no mercy! All Gorgonite scum… must die!

Eddy: (sees the approaching army) The Hell?!

We saw a massive army of Commando Elite soldiers in the millions!

Me: Oh crap!

Nico: Not good!

Eli: This just got dangerous.

Christy: This is gonna be rough.

Me: But we've handled odds like this before.

Maria: Time to do our entrance!

Nico: Lets go!

We flew out.

The army of soldiers and dolls was getting closer and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted into the sky and then a phoenix cry was heard and the spirits of magical cavaliers swirled around it and fired a massive barrage of fireballs and laser blasts and they hit many soldiers and Gwendy Dolls and blew them up in fiery explosions!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM! KRABBBBBBOOOOOOMMMM! KRABBBBOOOOOOMMMMM! KRABBBBOOOOOMMMMMMM! KRABBBBBBBBOOOOOOOOOOOMMMMMMMMM! KRABBBBBBOOOOOOOOOOOMMMMMM!

The spirits converged and we came out ready to fight!

Me: Lets light them up!

Christy: Great! They've reprogrammed my dolls too!

Overdrive went into the Heartland Playsystems truck that got the Commandos there and freed the tied up driver.

Overdrive: (to the driver) I'm about to use my powers to control your truck. Might want to get to safety!

Chip Hazard: There will be no mercy!

Eddy: (reveals himself) Funny. We were about to say that same thing!

Lincoln: Lightning Rod!

Linka: Thunderbolt!

Lincoln and Linka: LETS RAIN DOWN THE LIGHTNING!

Lightning Rod: This is gonna be fun!

Thunderbolt: Lets do it!

Lincoln, Linka, Lightning Rod and Thunderbolt fired massive waves of lightning and they hit the soldiers and Gwendy Dolls and electrocuted them all over the place and blew them apart!

Sunburn: Taste fire!

He blasted them all over with fire!

Duke (GI Joe): I have to admit. The Commando Elite are like an evil version of me and my team.

Me: I was just about to point that out Duke.

Alan and Christy fired energy blasts from the guns and blew many of soldiers apart!

Nico: Nice shooting guys. You handle those guns like pros.

Alan Abernathy: Watch a lot of movies on TV.

Then See-More, Tala, Robo-Blaze, Whiger, King Shark, Arbormon, New Wave, Gator Ghoul, Killer Croc and Deadwood appeared.

Me: See-More, Tala, Robo-Blaze, Whiger, King Shark, Arbormon, New Wave, Gator Ghoul, Killer Croc and Deadwood.

See More: At least you guys got rid of two of the Commando Elite.

William: Too bad Hazard got numerous copies of them.

Tala: That doesn't matter. I'm sure you guys will be able to destroy them.

Me: You bet we will.

Robo Blaze: Not to mention they're tiny.

Me: We've handled monsters like these before.

Whiger: (to me) We heard you met another version of Venom.

Me: We sure did.

King Shark: Was another version of Carnage there too?

Me: Oh yeah! And Girl Jordan dished out some well deserved payback on him minus the vendetta.

King Shark: Good.

Me: Look out!

I fired a blast of energy and blew a copy of Blitz Bazooka apart as he was about to jump and punch King Shark.

?: Good shot.

A figure came out and it was SAMBABA from episode 36 of Zyuohger!

---

**Sambaba** is one of the Players from Team Azald. Also he is the main antagonist in episode 36 of the 2016 TV series *Doubutsu Sentai Zyuohger* .

He was voiced by Shintarō Asanuma.

History

Sambaba made his first appearance on planet Earth with a couple of Moebas ready to begin his blood game at a Halloween party. However this was stopped when the Zyuohgers, so he and the Moebas battle the team.

After the intro the team managed to take out the Moebas leaving Sambaba left, so he used his combo to set himself on fire and he thrown it at the team. After that he left the planet.

A while later he was back on the Sagittari Ark explaining to his team leader that if his blood game ends to soon then he can't spend enough time with Azald, so Sambaba thought if Azald wants to dance with him, but to his team leader response he was forced out of the Sagittari Ark by a couple of Moebas.

A while later he was back on the planet Earth with an army of

Moeba Dancers ready to show off their dancing right in front of the Japanese civilians, but he was told by the Zyuohgers that he wasn't allowed to join the party, so he sent the Moeba Dancers to deal with them.

During the fight he used his combo to set himself on fire as he attacks the Zyuohgers de-transforming them. As he mocks at the team he was then attack by Amu who thrown a top hat at him. After that he used his combo to send a couple of fireballs at the team, but they dodge his attack, so he sent the Moeba Dancers to defeat the team, but they were wiped leaving Sambaba no choice, but to battle them himself. After that he was then defeated by this finisher called Zyuoh Final.

However thanks to Naria as she inserted a continue medal right at Sambaba's belly to enlarge him as he battles Wild Tousai Dodeka King. After that he was then destroyed by this finisher called Zyuoh Dodeka Dynamite Stream.

---

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: Sambaba you have failed this world.

Troy Burrows: Rangers that's a Super Mega Win.

---

We regrouped and we were going to tear apart the Commando Elite.

Chip Hazard: Victory is ours!

Gia: Have we got a shock for you?!

Megaforce Rangers: LEGENDARY RANGER MODE! ELECTRONIC BRIGADE!

The Megaforce Rangers turned into the Denziman Rangers!

Suddenly, the eight large planets and stars orbiting around my legs, the eight large orange orbs orbiting around Lincoln's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight large marine blue orbs orbiting around Liam's legs, the eight large scarlet red orbs orbiting around Lynn Jr.'s legs, and the eight large purple orbs orbiting around Menat's legs were glowing, and that means big trouble was coming, as we felt an earthquake.

Then, a figure came out of the shadows, and it was none other than Shake King from Wario Land: Shake It.

Nicole: Uh oh, it's Shake King.

Me: What can you tell us about him, Nicole?

Nicole: He's a greedy tyrannical pirate captain who's been after The Bottomless Coin Stack, and he'd tried to obtain it by invading the Shake Dimension and imprisons the residents, Queen Merelda and the Merfles. But, one Merfle escaped and he warned Wario about it, and he came after Shake King, and defeated him.

Ronnie Anne: Nicole, let me take a crack at him.

Suddenly, Ronnie Anne's eyes turned neon purple, and she was surrounded by a neon purple energy aura with fireworks, Chinese Dragons, fire, and Aztec glyphs on it, she'd unholstered her Defender of Mexico's History and Culture from her back, and as she approached Shake King, she left purple energy, fireworks, Chinese Dragons, fire, and Aztec glyphs with every step. Then, Ronnie Anne was surrounded by a massive vortex of purple energy with fireworks and fire surrounding it, there was a Chinese Dragon flying around the vortex, along with a ring of Aztec glyphs around it, and inside the vortex was a purple phoenix. Then, as the vortex faded, Ronnie Anne emerged, but she was changed forever.

Ronnie Anne grew to 6'0" in height, she had the body of an Aztec goddess, her long black hair wasn't tied in a ponytail and it had purple highlights in the bangs, she had neon purple eyes and a purple energy aura with Chinese Dragons, fireworks, fire, and Aztec glyphs surrounding her, she now has straight teeth, she has a Chinese Dragon with the Fire Kanji emblazoned on her forehead, she has on Chinese Dragon earrings with The Fire Kanji in its claws and a necklace with the Chinese Dragon holding the Fire Kanji in its claws for the pendant. Ronnie Anne has large black angel wings on her back with purple tips on the black feathers, she has on a sleeveless dark purple shirt with an orange phoenix on it, blue jeans with flames on the legs, black leather ankle-length combat boots, and a dark purple sleeveless trenchcoat with fireworks, flames, and Chinese Dragons on the coattails, and an Aztec glyph surrounded by a Chinese Dragon on the back. The massive, wide, double-edged blade of her Defender of Mexico's History and Culture grew to 6'5" in length and the long black handle grew a little longer. Ronnie Anne has on her brand-new Bracelets of The Champions of The Universe with purple gems on her wrists, Belt of Elemental Bravery with large purple gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip. There's an orange kanji below the Aztec glyph surrounded by a Chinese Dragon that said, "Ronnie Anne Santiago, Little Sister of Bobby Santiago, Daughter of Maria and Arturo Santiago, Loving Future Wife of Lincoln Loud, Master of Fireworks and Fire, Defender of Mexico's Culture and History, Skateboarding Master of Gotham Royal York and Great Lakes City, and Defender of The Santiago-Casagrande Familia."

ロニー・アン・サンティアゴ、ボビー・サンティアゴの妹、マリアとアルトゥーロ・サンティアゴの娘、リンカーン・ラウドの愛する未来の妻、花火と火のマスター、メキシコの文化と歴史の擁護者、ゴッサム・ロイヤル・ヨークと五大湖市のスケートボードのマスター、そしてディフェンダーサンティアゴ-カサグランデファミリアの

Ronnie Anne has transformed into SUPER ANGEL 750,000,000,000 CHINESE DRAGON INFERNOSTORM FIREWORKS ANGEL OF MEXICAN HONOR AND JUSTICE!

We were amazed by Ronnie Anne's Super Angel 750,000,000,000 transformation, and when Lincoln saw what happened to her, he had an atomic red blush on his face.

Me: Whoa!

Nico: You said it, J.D. Ronnie Anne's transformed, and that atomic red blush on Lincoln's face tells me that he's stunned with awe.

Lincoln: Whoa, Ronnie Anne, you look beautiful. How do you feel?

Ronnie Anne: (Divine Echoing Fireworks Voice of Mexican Justice) **I feel incredible, Linc, and now, I'm going to teach that overgrown bruto a lesson.** (To Lincoln) **Would you like to join in?**

Lincoln: Of course.

Lincoln transformed into Super Angel-Ebonwu Infinity Elemental Thundersnow Buffalo Angel of Frozen Lightning Justice, and unholstered his massive Sword of Taranis from his wider muscular back, and he joined with Ronnie Anne.

Lincoln: (Divine Echoing Cosmic Thundersnow Elemental Voice of Justice) **Let's get that overgrown bruto.**

Nico: Bruto?

Me: It's Spanish for brute, a fitting word for Shake King.

Lincoln and Ronnie Anne went after Shake King, who fired hyper beams, lightning, magic, and fire at them, but they dodged them. Then, Lincoln and Ronnie Anne fired powerful blasts of neon purple and neon blue energy blasts with elemental forces orbiting around the cores, fireworks, fire, elemental forces, and ice, which exploded with incredible power, and damaged him badly.

Then, Lincoln and Ronnie Anne grabbed Shake King, and they sucked out his elemental powers and brute strength, and they, along with the rest of us, made them our own. Then, they slashed off Shake King's arms with their massive blades, and he screamed in excruciating pain.

Ronnie Anne: **Time for the Grand Finale, Linc.**

Lincoln: **Let's do it, Ronnie Anne.**

Ronnie Anne and Lincoln: **FIREWORKS SPECTACULAR MEGABLAST!**

Ronnie Anne and Lincoln fired massive blasts of fireworks and fire, which transformed into Chinese Dragons, and as they hit Shake King, they exploded with incredible power, killing him and Super Hakaing his spirit for good. We cheered wildly for what Ronnie Anne and Lincoln did, as they holster their massive swords on their backs and power down, but Ronnie Anne's new clothes, weapons, and jewelry are permanent.

Then, Lincoln had picked Ronnie Anne up in his abnormally large and powerful muscular arms, and as they locked eyes, they shared a very passionate kiss and hug, and a Chinese Dragon and Thunderbird formed, and they were flying in the air with fireworks exploding in the skies. We had tears in our eyes and a smile on our faces at the scene.

Frida Casagrande: (Crying) It's so beautiful!

Maria Santiago: My little girl's now become a woman.

Bobby Santiago: I'm so proud of you, Ronnie Anne.

Me: We all are, Bobby.

Nico: You said it, J.D.

Me: Now lets get back to ripping these soldiers apart!

We went at the Commando Elite.

I fired a massive blast of lightning at them and electrocuted them and blew many of them apart. Eli fired a blast of Force Lightning and blew them to pieces.

Me: Try this on! LIGHTNING STYLE NINJA ART: ELECTROMAGNETIC PULSE THUNDERCLAP!

I channelled lightning into my hands and clapped my hands and then fired a massive blast of electromagnetic energy and then many of the soldiers were electrocuted and they were shorting out and falling apart.

POP! WILHEIM SCREAM! ZAP!

Accato blasted the soldiers all over.

Adagio Dazzle: Girls join me.

Adagio, Aria and Sonata sang their siren song and the soldiers were all infuriated and they were tearing each other apart and their Negative Energy was flowing right into us and we were getting stronger and more powerful. Our auras were flared up and Alan's aura was red and Christy's was blue.

Christy: WHOA! That's intense.

Alan Abernathy: Why do I suddenly feel stronger all of a sudden?

Me: It's part of our power. We have the ability to absorb Negative Energy from pure hatred and negative emotions and convert it into Positive Energy. We get stronger and more powerful because of it.

Christy: That's amazing!

Eli: It sure is.

Me: I haven't done this in a while. Leobreaker, Wingsaber, lets do it!

Wingsaber: You got it! Leobreaker and Wingsaber transformed and linked up to me.

Me: J.D. KNUDSON, SAVAGE CLAWED SONIC WING MODE!

THUNDERCLAP!

Nico: YEAH GO J.D.!

Me: Time for some heavy firepower! CYBER KEY POWER!

The Autobot, Decepticon, Animatron, Earth, Velocitron and Gigantion Cyber Planet Keys went into my device and I got Leobreaker's claws, Red Alert's plasma cannon, Starscream's cannon, Mudflap's sword, Thundercracker's thunder cannon, Scattershot's blasters and missile launcher, Hot Shot's missile launchers, Scourge's 2 Fire Dragon Heads, Crumplezone's Shoulder Cannons and Optimus Prime's cannon.

Me: Chew on these!

I fired a massive energy and laser and missile barrage and the blasts all hit the Commando Elite all over and exploded all over.

KRABBBBBBOOOOOOOOOOMMMMMM!
KRABBBOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMM!

Christy: WHOA! That was so awesome!

Eli: Way to go bro!

I slashed and cut many soldiers of the Commando Elite apart.

Kirby: Time for my fun!

He turned into Fire Kirby and fired a massive blast of fire from his mouth and incinerated many Commando Elite Soldiers.

Dirtbag, Adagio, Fluttershy and Grapple used the Earth and Equestria Cyber Planet Keys and they enhanced Dirtbag's Missile Launcher, Adagio and Fluttershy's powers and Grapple's Rockets 100-fold.

Dirtbag and Adagio: SIREN MISSILE MEGABLAST!

Fluttershy and Grapple: KINDNESS SUPERSHOT BLAST!

Sunset Shimmer, Pepperdance, Cayenne, Wallflower, Firecracker Burst, Pip-Squeak, Gusty the Great, Fire Skylanders and Fire Lori: INFERNO OF FORGIVENESS BLAST!

They fired waves of fire and missiles and blew many of the Commando Elite to oblivion.

The Commando Elite was destroyed.

Arbormon: Looks like that's the end of the Commando Elite.

New Wave: They wanted to show us no mercy? Well, we didn't show any mercy either!

Me: No we sure didn't. And we are merciless to ruthless scumbags.

Gator Ghoul: But what about all the damages here?

Stuart: Not to mention the pain, the anguish, and humiliation that we've been through today!

Killer Croc: Don't worry. The Heartland Toy Company owners aren't getting off scot free.

Deadwood: That's right. We're exposing this to the public and suing them.

Me: Yep. For EVERY single penny they have.

Gil Mars: Don't worry. I'll pay you for all the damages if you keep quiet about this.

Alan: Actually, J.D. and the others will take care of the damages.

Me: Being as filthy rich as I am I can take care of that no problem.

William: And your own toys were the ones who started all of this.

May: All because of you foregoing safety testing for lots of cash!

Maria: You're not getting off scot free, buddy. By now, everyone knows what you did. And we're suing you for every penny you have. That money's going to Alan and his family.

Me: That's right.

I gave him a slip that said "You Got Served."

Me: See you in court.

We took Gil Mars and the Heartland Toy Company to court after fixing the damage that was done and we won. Alan, Christy and Alan's family won the trial and the Heartland Toy Company was ordered to pay restitution in the amount of $777,777,777,777,777,777,777,777,777.37. But as a result the company went bankrupt. Most of that money went to Alan and his family.

Alan Abernathy and Christy and their families now live in Gotham Royal York and they live in an amazing mansion in the World Tree

Estate grounds and it was perfect for them.

Alan Abernathy: Thank you all so much for everything you've done for us.

Me: It was our pleasure Alan and you and Christy would make a great couple.

Alan Abernathy: (Blushes) Do you really think so?

Me: We have a habit of picking up on these things.

Christy: Wow. I'm glad you do.

Me: But look on the bright side, at least you and the Gorgonites won't be seeing the Commando Elite anytime soon.

Christy: That's true.

Alan: Yep. (To the viewers) Be careful what kind of toys you all buy. Or you may be going through like what we went through.

Me: No one wants that.

We went back home and Alan and Christy were now in our school and more and we enjoyed the rest of the day and we went to sleep.

THE END

Another awesome fanfic done.

Small Soldiers from 1998 is one of my favorite movies from my past and it was so awesome! Everyone in that movie all did a great job in that movie from back then and it was GREAT! The first part of this chapter was for the show Spiderman The Animated Series and that was a show that I have known since I was a kid and it was awesome! The second part was for the movie Speed with Keanu Reeves, Sandra Bullock and the Late Dennis Hopper. That was an awesome movie. The third part was kind of a makeup part. It was for Jennifer's Body. I asked the Guest reviewer for a battle with Jenifer from 2005 and he got it mixed up with Jennifer's Body from 2009. Oops. So this was to make up for that. Never saw that movie myself but it was scary from what I saw in the trailers. And it's just sick to see how a band can kill someone all in a Satanic Ritual that can turn someone into a succubus like that. We'll have to go after that band in the future. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts and the guest reviewer all gave me the ideas and scenes for this and Nico don't chew out Drako for giving me the scene for Jennifer's Body. It's okay with me just this once. Thanks guys anyway. The next rescue for me is gonna be in the world of FernGully and me, Eli, Allie, Maria, Missy, Marie, Erica, Lillian, Qin, Ellie, Megan, Simone, Miranda, Gina, Syd Chang and Estella the Aurorus Gene-Slammer and Ice are going to face Hexxus and The Leveller and stop them from destroying the FernGully Rainforest in Australia. We're going to also meet a Gagaga Girl and a Gigantamax Moltres Gene-Slammer named Alison Fury. Syd is gonna transform in that one and she is gonna unlock her most powerful transformation after she has the Magical Powers of Nature unlocked within her. Lincoln's rescue is gonna be in the world of Super Mario Bros. the 1993 movie. The next chapter is one you've all been waiting for as we meet The Smurfs for the first time. It's gonna be awesome as we also face Gargamel.

See you all tomorrow

# Little Blue Friends

## 40 YEARS OF AWESOME SMURFS

---

In the Australian Rainforests of FernGully, me, Eli, Allie Wilde, Maria, Missy, Qin, Erica, Ellie, Marie, Lillian, Megan, Simone, Miranda, Gina, Syd, Ice and Estella were walking through the forest.

Estella: (Norwegian Accent) I'm glad I get to go with you on this rescue, sis!

Ice: (Norwegian Accent) Me too Estella. This is gonna be amazing.

Estella concentrated and groaned as her hair fell out.

Me: And it looks like the next rescue is in FernGully.

Eli: I have a feeling I know why we are here. We're going to not only destroy Hexxus but also help Syd.

Estella turned into AURORUS!

Ice: Awesome.

We saw all the fairies starting to gather at a tree.

Me: Looks like it's time.

Syd Chang: Here we go.

Syd went over.

Magi: Syd, sit in the center of the tree and meditate.

Syd Chang: Okay.

Syd Chang did so and Magi made a speech.

Magi: Since the beginning of time, we have been the guardians and the healers of the forest. We have too long forgotten the Magic Powers of Nature. The time has come to call on them again.

Magi picks up a seed from a fig pod.

Magi: Remember: All the magic of creation exists within a single tiny seed.

The seed glowed and a choir singing and the rumble of thunder was heard. All the trees started glowing and green energy from all of the forest was pouring into the tree and flowing into Magi and the tree twisted around and closed.

Syd Chang was in a state of total concentration as she meditated and all of Natures Life Energy flowed into Magi.

Crysta flew to Magi.

Magi: Look for the hero inside yourself Crysta. Look to the good and loving heart in you and all others. For just as every seed holds the power and magic of creation, so to do you and every other creature in this world. Laney, Team Loud Phoenix Storm, Protect Crysta and all my family with your lives.

Crysta: Magi don't leave me.

Magi: I love you. [Echoing] I'll always be with you.

Magi turned into blue energy sparkles.

Magi: We all have a power and it grows when it is shared. Remember what you've learned Crysta.

Magi dispersed and all her power touched everyone. A Blue Sparkle landed on Syd's forehead and a green leaf appeared in the middle. Syd was now given all of Magi's powers and she was now stronger and more one with nature.

Syd Chang: I understand Magi.

Maria: If we can find Hexxus and kill him before he gets to full strength, this will be over in half an hour!

Me: Uh you spoke too soon Maria!

Machinery Whirring was heard.

Eli: It's here!

Me: Lets prepare for battle!

Crysta: We won't let Magi's sacrifice be in vain!

Me: That's right!

We heard a sawblade and then a laugh. We all saw on top of the Leveler a ghostly smoke creature. It was HEXXUS!

Hexxus: [Evil Laugh] I'm back!

Crysta: Hexxus!

Me: Stand ready!

Maria went up to him.

Maria puts a bomb in a present.

Maria: (smiles innocently) Hey, Hexxus. I've got a present for you!

Hexxus: What is it?

He opened it and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blasted the Leveler apart and cut off his source of energy and drained Hexxus.

Me: WHOA! Smart thinking Maria.

Eli: His energy is fading.

We then saw Hexxus fade. But that was just the start.

Suddenly we felt an earthquake and then fire came out of the Leveller and Hexxus then emerged and he was IN HIS TRUE FORM! He was a skeleton creature made of pure fire and oil and he had a glowing skull face that grinned malevolently!

Me: It's his true form!

Maria: Okay. This is the part where we get backup.

?: Someone call?

Out came a Gagaga Girl and we heard a screech and out came a GIGANTAMAX MOLTRES!

Me: WHOA MAN!

Eli: WHOA That's a big Moltres!

Simone: That is a true phoenix!

Miranda: That must be a Gigantamax Moltres! Wow!

Gigantamax Moltres: Yep and my name is Alison Fury and I am the daughter of Nick Fury.

We gasped in shock!

Me: WHOA! I didn't know Director Fury was your dad.

Eli: Me neither.

Allie Wilde: Whoa!

Gigantamax Moltres: How do you know my dad?

Me: He's one of our allies and he is the leader of S.H.I.E.L.D.

Syd Chang: He helps us and we help him on many occasions.

Gagaga Girl: Wow that's something.

Suddenly, Syd Chang's eyes turned neon green, and she was surrounded by a neon green energy aura with leaves and animals surrounding her, and as she approached Hexxus and the Leveller, she left green energy, leaves, and animals with every step.

Syd Chang: You really make me sick, Hexxus, your actions are leading to the destruction of the forests and the ecosystem. These forests are their homes, but you both don't care. Well, you are about to feel the true wrath of Mother Nature, and you will suffer for the crimes you committed!

Then, Syd Chang was surrounded by a massive green energy with leaves surrounding it, there were animals running around the vortex, and there was a blue phoenix in the vortex. Then, as the vortex faded, Syd Chang emerged, but she was changed forever.

Syd Chang grew to 6'0" in height, she had the body of a goddess, she had green highlights on the bangs of her long brown hair, she has green eyes and a green energy aura with green leaves and animals surrounding her, she has a fairy with a leaf and the Nature Kanji in her hand emblazoned on her forehead, she has on fairy earrings with the Nature Kanji in its claws and a necklace with a fairy with the Fire Kanji in its claws for the pendant, she has large brown angel wings with green tips on the large brown feathers and green leaves falling from the tips. She has on a blue sleeveless blouse with a green phoenix on it, red skirt with green leaves on it, black pants, and black leather ankle-high combat boots, and a blue sleeveless trenchcoat with green leaves and animals on the coattails and a fairy on the back. Syd Chang has a brand new sword in her hands called The Sword of The Dryads, it's a large sword with a Dryad etched on the 6'5" massive, wide, double-edged, green blade, large green angel wings for the crossguard, large blue gem for the hilt, longer black handle, and a large green faceted sphere pommel with surrounding green gems. Syd Chang has on her brand-new Bracelets of The Champions of The Universe with green gems on her wrists, Belt of Elemental Bravery with large green gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip. There's a green kanji on the back below the fairy that said, "Syd Chang, Eldest Sister of Adelaide Chang, Best Friend of Ronnie Anne Santiago and The Great Lakes City Shredders, Loving Girlfriend of Clyde McBride, Master of Animals and Nature, and Slayer of The Eternally Damned."

シッド・チャン、アデレイド・チャンの姉、ロニー・アン・サンティアゴと五大湖の都市シュレッダーの親友、クライド・マクブライドの愛するガールフレンド、動物と自然のマスター、そして永遠に堕落したスレイヤー

Syd Chang has transformed into SUPER ANGEL 750,000,000,000 GAIA ANIMAL NATURE ANGEL OF LOVE!

When we saw it, we were amazed by Syd Chang's Super Angel 750,000,000,000 transformation. But, when Hexxus and The Leveller saw it, they fell into a dark rage.

We were amazed!

Eli: WHOA!

Me: Wow! Syd you look incredible!

Ice: Amazing!

Missy: Wow! Syd how do you feel?

Syd: (Divine Echoing Nature Voice of Justice and Life) **I feel amazing Missy and now it's tim for me to purge the world of this monster forever.**

Me: Go get him!

Syd fired a blast of energy and it hit Hexxus and it caused a massive tree to form around the Leveller and then it wrapped around Hexxus and entombed him in it and then it Super Hakaied him as it became a full fledge tree full of life!

Eli: WOW! That was amazing!

Marie: (Russian Accent) It sure was! Awesome job Syd.

Syd: **Thanks guys. That was amazing.**

Syd powered down and her jewelry, clothes and weapons were permanent. I then put on my blind man glasses and Eli covered his eyes and then I snapped my fingers and Estella and Alison were reverting back.

Estella: (regains her hair) Your dad's gonna be very happy to see you again.

Allison Fury: He sure will. (Loses her wings)

They both were back to normal and were naked and Maria gave them both new clothes.

Allison Fury: Wow! That was awesome. And these clothes look cool.

Maria: Yeah they sure do.

Allison: (holds her head in pain) Oh, Hell no! I am NOT transforming back in the middle of a forest!

Simone: Reign in the power with the strength of your will Allison. It's now part of you. Concentrate.

Allison concentrated and then in a massive burst of a fire aura she had the power fully engrafted with her.

Allison Fury: WHOA! That was intense.

Me: Whew! And hot too. We're gonna have quite a story to tell Director Fury and every one back at the estate.

Gagaga Girl: Yeah no kidding. But we've now seen the last of Hexxus.

Syd Chang: And I got an awesome new Transformation. I can't wait to show Clyde.

Me: It will be awesome for him to see.

We went back home after Syd used her new powers to restore the forest that was destroyed. Clyde was amazed when he saw her and Nick Fury was back together with his long lost daughter.

After destroying Hexxus and The Leveller this time for good, Lincoln, Me, Nico, Eli, Nicole, and Dante (Loud House) were heading to the world of the Super Mario Bros. 1993 movie, and not only is Lincoln going to rescue the fourteen girls there, but we're also going to deal with the movie version of Bowser.

Lincoln: Wow, we're in the world of the Super Mario Bros. 1993 movie, and I think I know what we're going to do here, not only am I going to rescue the fourteen girls there, but we're also going to deal with the movie version of Bowser.

Me: That's right, big guy. I saw this movie long ago, and it was amazing.

Nico: And it was based on the Super Mario Bros. games, that's also awesome.

Eli: This does bring back memories of long ago.

?: HELP!

Suddenly, Lincoln heard the sound of fourteen girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the fourteen girls, but they've been cornered by the movie version of Bowser, and he's going to kill them.

Lincoln: Guys, I found the fourteen girls, but they've been cornered by the movie version of Bowser, and he's going to kill them. Come on, let's go.

We rushed on over, and we attacked the movie version of Bowser with powerful energy blasts. Then, Lincoln used Bowser's Fire Breath, and fired a powerful breath of fire, and incinerated Movie Bowser and Super Hakaied his spirit for good. Then, Lincoln and Nicole went up to the fourteen girls there, and when Lincoln saw them, he recognized them. The fourteen girls were Honoka Kosaka, Eli Ayase, Kotori Minami, Umi Sonoda, Rin Hoshizora, Maki Nishikino, Nozomi Tojo, Hanayo Koizumi, and Nico Yazawa from Love Live, Elena from Street Fighter, Sakura Kasugano, Karin Kanzuki, Sarai Kurosawa, and Kei Chitose from Street Fighter.

Nicole: From Love Live and the Street Fighter franchise, awesome.

Ibuki: Wait a minute, Sarai's here?! Awesome!

Lincoln: Are you girls okay?

Honoka Kosaka: Yeah, we're okay, thanks to you.

Then, when Honoka Kosaka and the other thirteen girls saw who it was that saved them from the movie version of Bowser, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep sapphire blue thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Honoka Kosaka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made thirteen clones of himself, and he and the thirteen clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Honoka Kosaka: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and when Ryu, Chun-Li, Ken, and the other Street Fighters saw Elena, Sakura Kasugano, Karin Kanzuki, Sarai Kurosawa, and Kei Chitose, they were happy to be reunited with them.

---

After getting rid of the movie version of Bowser, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

After that, Lincoln, Elena, Sakura Kasugano, Karin Kanzuki, Ibuki, Sarai Kurosawa, Makoto, Kei Chitose, Laura Matsuda, Lita Luwanda, Marz, Natsu Ayuhara, Pullum Purna, Chie Satonaka, Suzu Fujibayashi, and Urara Oikawa were getting ready for their date at Noki Bay from Super Mario Sunshine, but they're not the only ones, Nico and May were also joining as well for their date.

Lincoln was dressed in large orange swim shorts with a thunderbird and elemental forces and he had on his jewelry and weapons holstered, in case of trouble, Sakura Kasugano, Karin Kanzuki, Ibuki, Sarai Kurosawa, Makoto, Kei Chitose, Laura Matsuda, Lita Luwanda, Marz, Natsu Ayuhara, and Pullum Purna were dressed in two-piece bikinis in their favorite colors with the Street Fighter logo on them, Chie Satonaka was dressed in a two-piece green bikini with her signature persona Tomoe on it, Suzu Fujibayashi was dressed in a red two-piece bikini with a short sword on it, and Urara Oikawa was dressed in a two-piece purple bikini with the logo of St. Mikhailov Academy on it.

And Nico was dressed in large red swim shorts with the Dragon Balls on it, and May was dressed in a two-piece red bikini with the symbol of the Hoenn Region on it.

Urara Oikawa and May: Alright, boys, shall we?

Lincoln and Nico: Ladies first.

Lincoln and Nico took their girls by the arms, and they left the Estate, and a few minutes later, they'd arrived at Noki Bay, and it was a beautiful place.

Urara Oikawa: Wow, so this is Noki Bay? This place is so beautiful.

Lincoln: That's right, Urara, Mario told us about this place, and you're right, this place is so beautiful.

Nico: Alright, let's get our dates started.

Lincoln and the girls and Nico and May dived into the water, and they were swimming in the waters of the bay, and they also took pictures of the place, along with the creatures there. Then, they also got up to the surface, and were having lunch, courtesy of Lynn Sr. Then, they explored the waterfall there and it was beautiful. Then, as the sun was about to set, Lincoln and the girls kissed, along with Nico and May. Then, they came back home, and we saw they had tons of fun.

Me: Hey, guys, did you have fun?

Nico: Oh yeah, take a look at the pictures that Lincoln and I took of Noki Bay.

We saw the pictures of Noki Bay, and they were amazing.

Lincoln: Plus, we ended the day with me and Nico kissing the girls as the sun sets over Noki Bay.

Lori: Now, that's known as a classic date move, Linky.

They continued telling us about their dates at Noki Bay, and it was indeed amazing. Plus, we also had found yet another destination to go to during the summer for vacation one day.

---

Later on that day, we were in the living room watching TV.

?: HELP!

Suddenly, Lynn Jr. had heard the sound of a girl calling out for help. With his deep scarlet red eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw a genderbent twin of Lightning, but she's been cornered by our old enemy, The Black Daffodils, who've broken out of prison, and they were going to kill her in an act of bloodlust.

Lynn Jr.: Guys, I found the genderbent twin of Lightning, but she's been cornered by our old enemy, The Black Daffodils, who've broken out of prison, and they're going to kill her in an act of bloodlust.

We gasped in horror at what Lynn Jr. just told us.

Lynn Loud: The Black Daffodils have broken out of prison?!

Lightning: And they're going to kill my genderbent twin in cold blood?! Those miserable punks!

Lynn Jr.: Then, let's go, everyone. Looks like this is going to be my first rescue.

Me: This is going to be good, and we're also going to pummel The Black Daffodils yet again.

We flew off and we saw the genderbent twin of Lightning, along with The Black Daffodils, and Lynn Jr. fired a blast of red hot neon red energy, which caused The Black Daffodils to back away. Then, when they saw us, they were enraged.

Lynn Jr.: I should've known that you punks would show your ugly faces here in Gotham Royal York yet again. But, also to try and kill a woman in cold blood, as if you couldn't get any lower than that.

Tone: You assholes have ruined our reign over the losers of Detroit five years ago, and you ruined our desire for revenge long ago. YOU BASTARDS, I HATE EVERY LAST ONE OF YOU!

When Tone said that, our auras flared up with extreme fury.

Lynn Jr.: Keep that up, Tone, your hatred only makes us stronger. But, now that you bastards are now here again, let's give you a proper Gotham Royal York welcome.

We piled on, and we viciously pummeled Max (Black Daffodil), Megan (Black Daffodil), Brick, Boomer, and Butch (Black Daffodils), Tori, Kori, Yuki, and Tone. When we got off of them, The Black Daffodils each had a black eye, and they lost their teeth. Shannon also got her punches in on them, and she'd blasted them with powerful blasts of dark energy and magic, and really hurt them.

Tone: You'll pay for this, bastard!

Tone took out a gun and aimed it at the genderbent twin of Lightning, but Lynn Jr. flew faster than a bolt of lightning, picked her up in his abnormally large and powerful muscular arms, and got out of the way of the bullet. We cheered for Lynn Jr., and that caused Tone to scream in pure rage, until Eli got the gun out of his hand with the Force, and I knocked him out with a punch.

Lynn Jr.: Now, to make sure you filthy animals don't try to escape.

Lynn Jr. fired powerful blasts of neon red energy, which turned into neon red straitjackets, and tied up The Black Daffodils, so they couldn't escape. But, there was also yet another surprise: the neon red straitjackets had also branded them with the Star of Satan with the kanji Eternally Damned on their foreheads, as they screamed in excruciating pain. We then loaded them onto the police wagon, and it drove off.

Lynn Jr. was checking on the genderbent twin of Lightning, and she was going to be okay.

Me: How is she?

Lynn Jr.: She's going to be okay, J.D. (To Female Lightning) Are you alright?

Female Lightning: Yes, I'm okay, but what about those street punks?

Lynn Jr.: Gone, and they're not coming back anytime soon.

Then, when Female Lightning saw who it was that saved her from The Black Daffodils, her face turned atomic red when she saw the 18-year-old 7'0" tall, handsome, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, deep scarlet red eyes, a dancing hula girl holding the Lava Kanji emblazoned on his forehead, hula girl earrings with the Lava Kanji held in her hands and a necklace with a hula girl holding the Lava Kanji in her hands for the pendant across his permanently bare chest, long chestnut brown hair grew that reached to the bottom of his neck, and it was tied in a ponytail, and massive chestnut brown angel wings with orange tips on the large chestnut brown feathers, and they had lava dripping from the tips.

He had on his new large cuff Bracelets of the Champions of The Universe with scarlet red gems on his wrists, his massive Sword of Guabancex sword holstered on his wider and muscular back, and he was dressed in a scarlet red version of He Man 2002's loincloth, long scarlet trenchcoat flaps with lava and hula girls on them, which were held up by his new Belt of Elemental Bravery with a large scarlet red gem for the belt buckle around his waist, large scarlet red weighted bands on his large biceps and thighs, large black pants with lava on the legs, and a pair of large black leather ankle-high combat boots with silver armor on the toes, his new Eater of Sins revolver holstered on his left hip, and he has eight large scarlet red orbs orbiting around his legs. He had a dancing hula girl tattooed on his now wider and much more muscular back, and there was a red kanji below the dancing hula girl that said, "Lynn Loud Jr., Powerful and Skilled Athlete of The Genderbent Loud Family, Fifth Eldest Brother of Linka Loud, Ambassador of Volcanoes, Emissary of Guabancex, Slayer of Evil, and Most Loyal Member of Team Loud Fairywind and Team Loud Phoenix Storm"

Female Lightning: Oh wow, you're Lynn Loud Jr. of Team Loud Phoenix Storm and Team Loud Fairywind.

Lynn Jr.: That's right, and it's a pleasure to meet you.

Then, Lynn Jr. picked Female Lightning up in his abnormally large and powerful muscular arms, and he hugged and kissed her with intense passion.

Female Lightning: (Seductively and rubs her right hand on Lynn Jr.'s massive right pec) You too, big, tall, muscular, and handsome.

Lynn Jr.: (Thinking) So, this is what happens to the girls in Lincoln's harem when he rescues them and they see him? This is really cool.

We returned to the Estate, and Lightning was excited to meet his genderbent twin, who was also just like him, and she and Lynn Jr. are now in a relationship, which is about to blossom into true love. And as for The Black Daffodils, they were sent back to The Uranus Prison, only this time, they were put into separate cells in Solitary Confinement, and chained to a wall, where they'll remain there until the day they die. Plus, that brand Lynn Jr. put on them had a curse:

as soon as they die, their souls will be sent to Hell for eternal torture and punishment for their crimes.

---

Later in the middle of Oklahoma we were there to visit Ellie's parents.

May: I can't wait to see your house, Ellie! I bet it's going to be just as Qin, Missy, and Erica's!

Merrick: I wouldn't be too sure of that, May. The wind's telling me that we're about to approach danger,

Me: And I think you're right.

We saw that we were in front of Ellie's house and it was a run down mobile home in the middle of nowhere.

Me: Is that your home Ellie?

Ellie Singh: (Sighs) Yeah unfortunately it is.

Eli: What a dump,

Nico: What happened? Last time I saw your home Ellie it was a beautiful mansion and now it's this?

Ellie Singh: A lot of things have happened ever since you moved Nico. I went from being rich to rags.

Nico: Oh no.

We went up to the house and we went in and we heard crying.

Ellie Singh: Mom? Amelia? I'm home.

Ellie's mom Nicole Singh came.

Nicole Singh: Ellie!

They hugged.

Ellie Singh: It's awesome to see you mom.

Amelia: Big sis!

Amelia hugged Ellie.

Ellie: Amelia it's awesome to see you.

Nicole Singh: I'm so glad you're home.

Ellie Singh: I am too.

Nico: Hello Mrs. Singh. It's great to see you again.

Nicole Singh: Wow Nico it's great to see you too. You've grown a lot since I last saw you.

Nico: It sure has been a while.

Me: Pleasure to meet you Mrs. Singh.

Nicole Singh: You too J.D. It's an honor.

Mumbo Jumbo (Banjo Kazooie): Hello, Mrs. Singh. Can you tell us what happened here?

Nicole Singh: I sure can.

We learned that because of a massive scam, Ellie's dad lost ALL OF HIS MONEY: $500,200,000,000.00 down the drain. Because of that all he could afford was a run down mobile home in the middle of nowhere and he completely spiraled into depression and drank heavily. Because of that he completely lost his mind and then his sanity and he was blaming Ellie for it. But what he didn't know was that Ellie had a hidden account in her name that she kept open and Ellie set out to go get that money. But fate had different plans and she was turned into a Kineceleran Gene-Slammer before she could get that account.

When she was done we were shocked!

Me: Oh man. That's bad.

Ellie Singh: Yeah it sure is. But I have all that money at the estate and I can have my mom and sister move in with us and get dad the help he needs.

Me: That's great.

Nico: We should see how your dad is doing.

We went into his room.

Wildrider: Alright, Mr. Singh. We're here to get you the help you need. Come with us quietly and there won't be trouble.

We then saw him in his room curled up in a ball and then we saw how horrible he looked and his room was no better! What we saw was the sheer signs of an absolute maniac. On the walls were blood stains and they had the words I Hate Ellie, I want her to die, Die Bitch and so on and we saw pictures of Ellie all over and they all had evil hate symbols and more on them. And that's not all. We saw that Mr. Singh had done something absolutely horrible to himself! We saw that he had literally sewn his eyes shut!

Me: My god! What in the 9 fucking levels of hell have you done to yourself!?

Nico: He is completely insane!

Eli: This is worse than we thought!

Allie Wilde: And I thought my mom had it bad.

Mr. Singh: You did this to me you fucking bitch! I should have had you sent to a slaughterhouse for me to enjoy killing after you got me broke! (Laughs Maniacally) I hate you more than anything you little putrid fucking monster! I never wanted you! I NEVER WANTED THIS WHOLE FUCKING FAMILY! I SHOULD HAVE JUST KILLED YOU ALL! (LAUGHS INSANELY!) She is a fucking mistake! No wonder she loved her mother more than me because she is a fucking deadweight and a worthless loser that deserves to be thrown to the wolves! I should have just taken her to the woods and killed her there and left her there for dead! Then I should have killed that bitch of her mother and then her sister! And throw them all into a fucking volcano! (LAUGHS LIKE A HOMICIDAL MANIAC!)

Nico then got infuriated!

Ellie then broke down crying and Qin comforted her

G1 Smokescreen: Nico, calm down. Don't lose your shit over something like this.

Nico: (seemingly calms down) I'm calm. We'll just take Ellie's dad to get some help and then BEAT THE CRAP OUT OF HIM FOR WHAT HE JUST SAID!

Nico charged at Ellie's dad but Lola and Lynn hold him back!

I grab onto him.

Lola: Nico, calm down!

Lynn: He's not worth it!

Nico: LET ME FUCKING GO RIGHT NOW!

Me: NICO CALM DOWN! He doesn't know what he's doing! His mind is so badly damaged that he completely lost all control of himself! His mind is totally gone! He has no idea what the hell he's doing!

Nico: But you heard what he said!

Me: Nico calm down. It's not his fault! He's totally lost his mind. He needs a lot of help!

Allie Wilde: That's right Nico. This is exactly like what happened when I lost my dad.

Nico calmed down and from there we moved Ellie and her mom and sister to the Estate and Ellie's dad was put into the Saturn Insane Asylum.

---

Back at the Estate, we were getting ready for our next mission.

Blast Off: Boss, if you've finally calmed down, it's your turn to lead.

Nico: First, I need to go outside and break something. (goes outside)

Lori: Let's give him time to cool off. He literally needs this right now.

Me: Okay.

May: I'll go with him.

Me: Okay.

May went with Nico

Qin: Ellie I'm so sorry about what your father said to you.

Ellie: It's all right Qin. I know it's not his fault. He lost his mind.

Eli: We had him sent over to the Saturn Insane Asylum. But I'm afraid that because of his mental state, it's completely incurable.

Laney: Eli is right. I've seen this kind of mental disorder before. He has Manic Depression and Extreme Psychosis.

KRABOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOMMMMMMM!

We heard massive explosions coming from the training yards.

Me: It's all right guys. Nico is just venting.

Nico was firing energy blasts at training dummies that looked like Heartless and blowing them to smithereens.

---

French Narrator: (French Accent) 1 Hour Later.

---

Nico came back and King Shark, See-More, Tala, Robo-Blaze, Whiger, Arbormon, New Wave, Gator Ghoul, Killer Croc and

Deadwood appeared.

King Shark: Can me, See-More, Tala, Robo-Blaze, Whiger, Arbormon, New Wave, Gator Ghoul, Killer Croc and Deadwood go with you guys? (to Nico) You calm now, Nico?

Nico: Yeah I'm calm.

Tala: We heard about what Ellie's dad said and we're sorry he said all that.

Arbormon: Yeah he is clearly messed up in the head.

Nico: Yeah. What happened must've really done a lot of damage to his mind.

New Wave: No kidding.

Nico: Yeah. Anyway I think I have just the mission for us. J.D. can you show us your friends the Smurfs?

Me: Sure thing. I've been wanting to show them to you all anyway.

Everyone followed me to the World Tree Estate park and we went in and it was a beautiful place.

Eli: Wow this park is always beautiful.

Allie Wilde: Wow. I didn't know this park was here. It's magnificent.

Missy: Boy it sure is.

Me: It sure is beautiful huh?

Cycloid: I think the Smurfs might be as small as I am right now.

Billy Gilbert: Try not to turn into your true form and scare them. Okay, Cycloid?

Cycloid: Don't worry I won't.

Me: They are over here guys.

We arrived at a grove and we saw a little mushroom village and we heard the trademark singing of the Smurfs and we saw the Smurfs.

Me: Here we are guys. This is the Smurfs village.

Papa Smurf: Well glad you all came. It's an honor to meet you all.

Nico: Wow same to you Papa Smurf. It's an honor to meet you too.

See-More: Hi there, people of Smurf Town!

Brainy Smurf: Pleasure to meet you Seymour.

Hefty Smurf: This is so awesome you all came to see us.

Molly Hale: Your village is so awesome.

Smurfette: It sure is.

We sat down.

Nerri: It's awesome watching over the Smurfs. It's like I'm their Guardian Angel for them.

Me: And you are doing a great job watching them Nerri.

Nerri: Thanks J.D.

Sassette: It's great you all came this time J.D.

Me: Glad we all could.

Air Man: A lot has happened since J.D. last saw you guys.

Papa Smurf: I can see that and Nerri has been telling us all about all the adventures you all went on.

Nerri: I've been filling them in on everything that has been happening while you guys are away.

Me: That's great you have Nerri.

Laney: Do you guys like Donuts?

Sassette: Oh boy!

Laney gave some donuts to them.

Grouchy Smurf: I HATE DONUTS!

Brenda Loud: Wow and I thought I was the only one that hated everything.

Grumpy: Same with me.

Leni: Looks like you two are totes perfect for a trio.

Handy Smurf: Boy they sure are.

Jokey Smurf: Hey Luan want a present?

Luan: Sure.

She opened it and then…

POOF!

Out came a bunch of confetti and streamers in an explosion of magic.

Jokey was laughing.

Luan: That was a Party of a Time! (Laughs)

Deadwood: Looks like Luan found a new friend.

Luan: I sure did.

Lola: You sure are gorgeous Vanity.

Vanity Smurf: Why thank you Lola.

Lana: And I love your style Sloppy.

Sloppy Smurf: Thanks Lana. Same to you.

Lucy Loud: You and I have so much in common Poet.

Poet Smurf: Thank you Lucy and your poems are as magnificently written as they are when they come from you.

Me: Looks like many of us have a lot in common with you all.

We saw Weepy Smurf crying.

Me: Oh Weepy.

I pat him on his back with my fingers.

Killer Croc: You sad about what Ellie's dad said, Weepy?

William: Hey, I get it. I'm not happy about that either!

Me: He can't help it. He gets sad about lots of things. Poor guy.

Weepy: It's true. (CRYING) I CAN'T HELP IT!

Me: There there. It'll be all right.

Harmony Smurf was playing a trumpet.

Lori: Harmony Smurf literally is an amazing trumpet player.

Greedy Smurf was eating all the food from the bakery.

Shaggy: (Laughs) Like, Greedy Smurf has just as big an appetite as me and Scooby.

Scooby Doo: Reah.

We laughed.

Me: That's Greedy for you. He eats everything.

Chef Smurf: But he sure likes all my food.

Shego: Any other Smurf that has similarities to any of us?

Me: Well there's Stinky Smurf.

We saw Stinky and he is a Smurf that NEVER took a bath.

Lana: Looks like he is one that never washes.

Stinky Smurf: Yep and I never will.

Patrick: Looks like he and I will get along great. (BURPS)

Then Clumsy Smurf came out and he tripped and I caught him with my hand.

Me: Whoa careful there Clumsy.

Clumsy: Thanks J.D.

Derpy Hooves: Looks like he and I will get along great. I crash into stuff all the time.

Vambre: (British Accent) Boy this all reminds me of the Kotassian Village.

Prohyas: Yeah the Kotassians are in every way like the Smurfs. Except they are ruled by a muffin king.

Laney: That's interesting. Derpy would love to eat their king and you know how much she likes Muffins.

Tso Lan: Anyone else we're missing?

Me: There are lots of Smurfs here and many of us have lots in common with them.

Farmer Smurf: I farm and so does Applejack.

Applejack: You and I are gonna get along just fine Farmer.

Big Mac: Eeyup.

Lazy Smurf was sleeping.

Me: Looks like Lazy Smurf and Sleepy would get along great.

Miner Smurf: And I do mining so I would get along great with the Seven Dwarfs.

They laughed.

Happy: Boy we sure would.

Sneezy: And me and Sneezy Smurf would get along great too.

Whiger: Hard to believe Gargamal wants to eat you guys.

Brainy Smurf: He doesn't want to just eat us, he wants to destroy us.

Allie Wilde: Boy it's been a long time since I heard that name Gargamel.

Nico: I know. And it's awful that Gargamel wanted to turn the Smurfs into Gold.

Laney: No kidding. Fluttershy would totally use her stare on him and make him wet his pants.

Fluttershy: I sure would. Smurfs are living creatures too and they deserve to be treated with kindness and love.

Me: Well said Fluttershy.

Lincoln: That's my Princess of Kindness.

Nico: I'll use Reverse Flash's speed to search the village for any sign of Gargamal.

Ty Lee: That's a good idea.

ZOOM!

Nico ran fast and searched for anything out of the ordinary.

Papa Smurf: Wow that is fast.

Me: Nico has the power to use all the powers of the villains that are dead or in prison and in the Masters of Evil.

See-More: It's true and that is amazing.

Nico came back.

Nico: Nothing.

Eli: But I sense that he's up to something. Something big.

But then we saw MARGE AND AGNES!

Marge: Where's Nico? Is he here?!

Robo Blaze: (glares at her) Don't you have to nag some kids eating ice cream or something?

Agnes Skinner: Will you be serious? We know it's Nico's turn to lead today! We need to inform him about something important!

Having searched the village for Gargamal, Nico zoomed right in front of the two former Springfield Citizens.

Nico: Let me clarify what Robo Blaze means. I might've forgiven you. But you two aren't welcome near us right now!

Marge: Look, I know we're not the best of friends.

May: That's an understatement.

Agnes Skinner: But you need to hear this. Gargamal's planning to attack the Smurfs again!

Lincoln: (rolls his eyes) Oi vey! Give it a rest, will you? We already know Gargamal attacks the Smurfs on a daily basis!

Missy: (to Marge) Just be glad we don't plan to kill you for stabbing Nico in the stomach!

Ellie: (angry) SHE DID WHAT?!

Nico: (grabs Marge and Agnes by the wrists) Okay. You two wanna keep making a scene. Then you're doing it somewhere else!

Papa Smurf: Where are you going?

Nico: I'm locking these two in the jail cell that Stewie installed here until we can figure out what's going on!

Me: Guys wait! They are telling the truth.

Eli: That's right. Let them speak. They have a frightened look on their faces and that shows that something is seriously wrong.

Ellie: Why should we let them talk!?

Me: Guys?

Ellie: They SHOULD be let them say anything after what they did to Nico!?

Me: Guys!?

Qin: Yeah after what happened they deserve to be locked up!

Me: GUYS!?

Ellie: What?

Me: Sorry. But just let them speak.

Missy: But J.D. you hate them too.

Me: You're right I do but I realized that I can't stay mad at them forever despite everything they did.

Nico just threw Marge and Agnes in a jail cell.

Marge: Nico, listen to us! You, your friends, and the Smurfs are in danger!

Roscoe: Funny. Because we seem to remember that you were a danger to us before.

Agnes Skinner: Look, you have every reason to be pissed at us! But we really want to make amends. Starting with telling you about Gargamal's latest plan!

Desoto: That's nothing new. Gargamal ALWAYS goes after the Smurfs.

Marge: But this time, he has the help of Blackheart, Gressil, Abigor, and Wallow!

Nico: Blackheart and the Hidden?!

Agnes Skinner: That's right! Maybe if you guys weren't as stubborn and arrogant as always, you would be prepared for them!

Nico: (sighs) Well, until your story checks out, you two are staying here.

With that, Nico, Roscoe, and Desoto leave the two of them alone in the jail cell.

Me: What did they say?

Nico: They said that Gargamel has enlisted the help of Blackheart and The Hidden.

We gasped in shock!

Me: Blackheart and The Hidden!? But that's impossible! We destroyed them!

Ghost Rider: Yeah we made sure they were sent back to Hell.

Eli: I'm afraid they are right. The Force is telling me that Gargamal has made a pact with them.

Eli walked near the jail cell.

Marge: Eli, was it? Why don't you use the Force on us?

Agnes: You'll know we're telling the truth.

Eli: Relax. I already know that.

Eli then went back to us.

Gator Ghoul: Did the Force tell you anything?

Eli: I just figured it out by looking into their eyes. After all, they say eyes are the windows to the soul. (sees Nico thinking) Having second thoughts about their story?

Nico: Agnes and Marge aren't stupid. They knew how we'd react to seeing them again but they came to us anyway.

We went back to the others.

Nico: Alright, here's the plan. We-

To Nico's confusion, everyone was just standing around.

Nico: Why the Hell aren't you guys getting ready?!

Lincoln: Oh, c'mon. You can't seriously believe them. Not after everything they-

Nico grabbed Lincoln by the collar.

Nico: First of all, I told you guys to get ready. So you guys should fucking be ready! (lets go of Lincoln) And second, if Gargamal and his new buddies want the Smurfs, they'll have to get through us first!

Me: That's right! I for one am going with Nico. I beat Blackheart before and I believe that he and the Hidden have come back. Just like many villains we have faced before have returned and we beat them. Also Blackheart and Gargamal have completely overlooked one thing and that is we have gotten more powerful than anything and he won't last more than 10 minutes against us now that we have gotten stronger.

Nico: That's true. But we're going still!

Lincoln: You're right!

Suddenly the wind picked up.

Babs Seed: Wait. Is it just me is it getting a little windy in here?

Nico: I think THAT is the cause of it!

Allie Wilde: Wait what's that?

We saw a tornado!? And it was coming right at us!

New Wave: We need to find a way to stop that tornado!

The winds blew Nico to where the jail cell was and he slammed right through it.

CRASH!

Nico groaned.

Marge: Are you okay, Nico?

Nico: (groans) Marge, it's possible, and I'm not saying for sure. But it's possible I owe you and Agnes an apology!

Marge: Oh it's all right Nico.

Agnes: We forgive you for not believing us.

Rainbow Dash: I got this.

Rainbow Dash used her superspeed and ran around the opposite direction of the tornado and dissolved it.

Lincoln: Awesome job R.D.!

Nico: (to Lincoln) NOW do you want to get ready?!

Yamato Man: Nico, I think he gets the point.

Nico: You and the others aren't innocent either, Yamato Man. You guys didn't get ready either.

Me: Commander lay off them. They were just being conflicted with themselves for the moment.

Nico: Noted.

Lincoln: Lets get moving guys!

Everyone agreed.

Lori: But where are we gonna find them?

Nico: The easiest spot we can think of: San Venganza.

Me: Then that's where we need to go.

Nico: (to Lincoln) No hard feelings about before, right?

Lincoln: No hard feelings.

Nico: Good. All right lets go!

Aligned Optimus Prime: Autobots, Transform and Roll Out!

We were off to San Venganza!

---

We were heading over to San Venganza.

Arbormon: (to Agnes and Marge) Alright, you two. Cut the crap. Why did you two REALLY warn us? You could've easily offered to help Gargamal and Blackheart.

Marge: Because we knew that Gargamal was going to do this from the get go.

Agnes: Gargamal isn't also the sharpest knife in the drawer either.

Marge: We also found out that Gargamal was going to be double-crossed by Blackheart. So we knew that you guys took down Blackheart and the Hidden before.

Nico: I see.

Maria: Are you two really serious about making amends? If so, you'll have to earn Skinner and Homer's trust back.

Marge: We are doing that to make amends yes.

Agnes: It's gonna take a while to earn their trust back.

Sunset Shimmer: J.D. have you and the team really faced Blackheart and the Hidden before?

Me: Yes we have Sunset and let me tell you, that was one of the most incredible battles we've ever had.

Nico: And one of the most fiercest ever.

I went over what happened during the events of chapter 632.

When I was finished everyone that hadn't heard about it was floored and shocked.

Eli: Wow! That's incredible!

Rainbow Dash: That was AWESOME! That's amazing you faced them.

Starlight Glimmer: Boy it sure is. That's amazing that you all were able to face a bunch of demons like them.

Nico: Yep. That was one of our most memorable battles.

We arrived at San Venganza and to our surprise they were not there.

May: Are you kidding me?! They're not here!

Papa Smurf: They might be at Gargamal's hideout then.

Nico: At the swamp right on the edge of the city. Lets go.

Ebon then appeared.

Ebon: I can take you guys there.

Nico: Thanks Ebon.

Ebon used his portals and took us there.

GOTHAM ROYAL YORK SWAMP

We arrived at the swamp and we were right outside of Gargamel's house.

Terrorsaur: There they are.

Nico used his binoculars and showed an X-Ray image of the inside of Gargamal's house and sure enough, inside it was GARGAMAL, BLACKHEART and the Hidden, GRESSIL THE EARTH DEMON, ABIGOR THE WIND DEMON AND WALLOW THE WATER DEMON!

Nico: Targets confirmed and sighted. I got just the thing to flush them out and then it's entrance time.

Me: Lets do it.

Nico used the power of Naturon Shenron. The 7-Star Dragonball on his bracelet glowed and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion followed by a pillar of magenta energy blasted the house into dust and blew the 5 out into the open and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blew above them in the sky and the spirits of Elemental Beasts swirled around it and then converged and we landed.

Nico: You 5 are in REALLY HUGE trouble!

Me: Blackheart and the Hidden. Its been a long time.

Blackheart: Three years J.D. Three years. Now we all can kill you.

Papa Smurf: Why are you teaming up with Blackheart, Gargamal?! It's always us you've gone after!

Gargamal: Well, after you met Knudson, I knew that I wouldn't stand a chance against you all without backup. That's why I teamed up with Blackheart and the Hidden!

Ghost Rider: You fool! Once you've stopped being useful, Blackheart will double cross you!

Me: That's right! We know from experiences that Blackheart will only throw you aside like garbage.

Blackheart: Oh, we already have plans to double cross each other. But we'll wait until you guys are dead to do that.

William: At least they're admitting it.

Tala: You won't get the chance. My magic's more than enough to take care of you.

Me: And so is my power. I want to show my newest abilities that I've acquired since we fought the last time. And Blackheart, you are gonna be in for a wild ride when you face me at my maximum power.

Blackheart: We'll see how strong you've gotten.

I teleported and punched Blackheart in the face with devastating force and sent him crashing into a hill and he got up and had his entire right side of his face smashed in and he had a nasty fist print on his face.

Wallow, Abigor and Gressil came at me and I fired a massive energy force and blew them into Blackheart and smashed them down.

Blackheart regenerated himself.

Blackheart: Impressive. You have indeed gotten stronger since our last fight.

Me: That was just a small sample.

I snapped my fingers and we were on the planet Valmorg.

Me: Figured this would be a perfect spot for the fight.

Then Tchang Zu, Batroc, Whirlwind, Vypra, Dai Gui, Aqueduct, Mirror Master, Evilseed, Puff and the Dark Turtles appeared.

Nico: Tchang Zu, Batroc, Whirlwind, Vypra, Dai Gui, Aqueduct, Mirror Master, Evilseed, Puff and the Dark Turtles.

Tchang Zu: That's a lot of Smurfs.

William: (laughs) I know, right?

Batroc: I bet there are still Smurfs that you guys haven't met.

Me: You bet there are.

Whirlwind: When this is over, you'll have to give us a full list of Smurfs.

Vypra: (to me) We heard you dealt with Hexxus again.

Me: We sure did.

Dai Gui: Here's hoping Ferngully won't have to deal with his toxic nature ever again!

Me: Don't worry. We made sure that he would never return ever again. We Super Hakaied him forever.

Dai Gui: Good. But it's amazing how you all faced Blackheart and the Hidde before.

Me: Yep and it was 3 years ago.

Nico: It was an epic fight.

?: Boy it sure was.

A figure came out and it was GLOVEN from episode 40 of Kyuranger!

---

**Gloven** is the Karo of Space Shogunate Jark Matter who ruled the Cassiopeia Constellation system. He's also the main antagonist in episode 40 of 2017 TV series called *Uchu Sentai Kyuranger* .

He is voiced by Fukushi Ochiai, who also voiced Charaleet in *HUGtto! Pretty Cure* .

History

Gloven made his first appearance on the planet called SBC as he introduced himself to the Kyurangers on the monitor where he challenge the team in game of baseball. With that said both team arrived on the field ready to beat the Jark Matter in the game of baseball.

After the intro Gloven was first up to bat as soon as he smacks the ball for a home run, but Star Raptor 283 transformed and caught the fly ball making Gloven the first one out. Gloven is very concerned about it and decided to eliminate the ace player.

A while later it was the Kyurangers up to bat while the Jark Matters try to prevent the team from making anymore runs. Gloven then declares to switch pitchers as the Indaver (who's on the pitcher's mound) is then replaced by Madakko (which I'm assuming that she'd want to play a game of baseball too) as she'd open fire on Stinger. With that said both team broke into the fight as the two Indavers hold Lucky in place while Gloven weakens him when its the Jark Matter's turn to bat. However the announcer declare that'll be enough fighting for now.

A while later team during the first match Kyuranger has 2 points while Jark Matter has 0 points during the second match both teams has 0 points that goes for the third match too as well. Now during the fourth match the Kyuranger has 2 and the Jark Matter still has 0 points and for the fifth match the Kyurangers has 5 points while the Jark Matter still has 0 points. At this rate the Jark Matter will lose to the Kyurangers however Gloven has an idea in order to prevent the team from catching any more balls he tossed his bat towards Raptor 283, Hammie and Kotaro knocking them to the ground thus giving the Jark Matters enough run and its by cheating.

So for the last two matches both teams has 0 points, but once the Jark Matter started cheating they gained 3 points. However when its Tsurugi's turn to bat Gloven used his ability as is it incinerates the uniform and TKO the immortal warrior, Champ and Garu. So after that the Kyurangers 0 points and Jark Matter has 3 points. During the ninth match Madakko used her ability as she hits the baseball causing it to split into eight baseballs giving the Jark Matter 8 points that leaves them 11 runs total while Kyuranger still has 8 runs. However the Commander calls in a timeout since its getting late so the game will resume tomorrow morning.

Later that day Gloven wonders where Spada is at this moment. So Raptor 283 pointed to where he's at which right at the bleachers. However with enough practice that he has from last night Spada successfully hit one of Gloven's deathball as he transformed and used his helmet sending the baseball out a here which means team Kyuranger wins the game. Once the game is over team got the Kyutama and used it's ability to transform into a colorful baseball, so Madakko sends the Indaver to prevent the Kyuranger from knocking out the generator on this planet.

However once Spada passed the ball towards Lucky he transformed into his Orion form and used the sword as the bat as it smacks it towards the disappointed Gloven thus defeating this karo of Cassiopeia with this finisher called End Ball.

However due to his Inro (that manage to survived the destruction) Gloven was then enlarged prompting the team to bring out the Kyutamajin and battle him. However Gloven used his bat and began to smack the Megazord, so Lucky summoned the Orion Battler to assist in this fight. After that Gloven was then destroyed by this finisher called Meteor Booster.

---

Lucky: Gloven!

Gloven: Been a while rangers.

Me: I remember you! You were out to conquer the Cassiopeia Constellation system and you were going to beat the rangers in a game of baseball!

Gloven: That's right J.D. Good memory on you.

Me: Never missed an episode.

Nico: I just want to say that your episode was one of my favorites!

Gloven: (laughs) Glad you liked it. If you want, we can do a baseball fight for our battle.

Lynn: In that case, count me in! You know how much I love sports!

Nico: Cool!

Me: Commander, I'll face Blackheart and some of us will split off into groups and hold off the Hidden and Gargamal while you have the usual battles.

Nico: Good idea.

I made a shadow clone of me for the Zyuohger group.

We got the battles underway.

Rainbow Dash, Scootaloo, Pickle & Barley Barrel, Magma Gloom, Flash Magnus, Air Skylanders, Air Lincoln, Blue Lantern Corps, Lincoln, Linka, Paula, Fiona, Blast Off and G1 Vortex VS Tchang Zu the Demon Sorcerer of Thunder - Glad Ellie has her mom and sister back but her dad went cuckoo bonkers

---

Tchang Zu was first.

Tchang Zu: (to Rainbow Dash) I'm glad Ellie has her mom and sister back. But her dad's gone completely nuts!

Rainbow Dash: Yeah he has completely lost his marbles.

Scootaloo: What he did shows that he totally lost his mind.

Pickle Barrel: He sewed his own eyelids shut!

Barley Barrel: What kind of a person does that!?

Magma Gloom: Someone that's REALLY screwed up that's what.

Flash Magnus: No kidding. Ellie's dad lost his mind and I don't think he's going to live much longer.

Tchang Zu: What makes you think that?

Flash Magnus: I've seen this kind of madness before back 1,000 years ago and it was not pretty. What he is going through shows that his brain has been completely shattered beyond repair. He will be dying of a heart attack or a stroke.

Whirlwind: Oh man. Ellie is gonna be devastated. What happened to her father was not her fault.

Air Lincoln: Yeah no kidding.

Saint Walker: She needs all the help and support we can give her if that happens.

Sister Sercy: All will be well for her.

Linka: We just have to help Ellie.

Lincoln: And be there for her as much as we can.

Paula: That's right.

Tchang Zu: That's good that you will be there. Lets do it!

They fired waves of rainbows, wind and lightning and smashed him down!

Rainbow Dash: That was AWESOME!

---

Batroc was next.

Batroc: (to Cap) The Smurfs are amazing and each have their own talents and personalities. (laughs) Who knows? Maybe there's a

Smurf similar to you!

Captain America: (Laughs) That would be cool to see. And it's amazing that everyone has something in common with some of the Smurfs.

Sunset Shimmer: It sure is something. Lola and Vanity Smurf get along great.

Pepperdance: (Cajun Accent) Lana gets along great with Handy and Stinky Smurf.

Cayenne: Brenda Loud, Grumpy and Grouchy Smurf are the perfect trio.

Wallflower: Lisa gets along great with Brainy Smurf.

Firecracker Burst: Luan gets along great with Jokey Smurf.

Pip-Squeak: (British Accent) I think it's really amazing how so many of us have so much in common with the Smurfs.

Gusty: It sure is cool. I think it's really neat myself.

Sunburn: Boy it sure is and Applejack and her family like Farmer Smurf and so do the Seven Dwarfs with Miner Smurf.

Batroc: Wow! That's amazing how you all have so much in common with the Smurfs. And they have been around since 1981.

Brittney: Wow! 40 years. That's amazing.

Bleez: Boy it sure is Brittney. I think that's cool.

Razer: It sure is.

Lily: Boy and I think all the Smurfs are cool and J.D. met awesome and amazing friends.

Sakura Avalon: He sure did and J.D. is like a guardian angel to them and is doing a good thing by protecting them from Gargamal.

Batroc: I agree with you completely there. J.D. did a really good thing by moving them all to the World Tree Estate park.

Captain America: That is a good thing.

Batroc: Yep. Lets do it!

They fired waves of fire and energy and smashed him down.

Captain America: That is how we get it done!

Sunset Shimmer: That was amazing!

## Tom Major, Starlight Glimmer, Cozy Glow, Trixie Lulamoon, Triple Berry, Juniper Montage, Clover the Clever, Undead Skylanders, Lightning Lisa, Indigo Tribe, Lori, Loki, Air Man and Dust Man VS Whirlwind - Terrible that Gargamel wants to eat them or turn them into gold

---

Whirlwind was next.

Whirlwind: (to Tom) I think it's terrible that Gargamel wants to eat the Smurfs or turn them into gold.

Tom Major: Yeah I don't think the Smurfs would taste very good and I don't think they would be worth anything as gold.

Whirlwind: I heard that Mandy and Billy met comical versions of the Smurfs called the Schlubs and that Prohyas and Vambre know a version of the Smurfs called the Kotassians.

Starlight Glimmer: That's what we were told and that is very coincidental. Except Mandy turned the Schlubs into gold bricks.

Cozy Glow: I don't think anyone liked those versions of the Smurfs really well because they had such gorey names.

Trixie Lulamoon: Mandy did the right thing getting rid of those nasty versions of the Smurfs.

Triple Berry: She sure did.

Juniper Montage: And she got 99 gold bricks out of it. That gold is worth it.

Clover: I think so too.

Whirlwind: Yeah that's good she got rid of them and turned them into gold.

Hex: That is a good thing.

Lightning Lisa: I think so too.

Indigo 1: Nok. It sure is good. I don't like the Schlubs.

Lori: Me neither.

Whirlwind: You got that right. Lets do it!

They fired waves of stars, magic, wind, bones and energy and smashed him down.

Tom Major: OH YEAH!

Starlight Glimmer: That was so fun!

Vypra was next.

Vypra: (to Luan) Gargamal's sunk to a new low making a pact with Blackheart and the Hidden! That's something that Bansheera would do if she were still alive!

Luan: You got that right and that makes Gargamal no better than any ruthless scumbag we faced.

Princess Celestia: What he did deserves the worst kind of punishment we can dish out.

Amber Morning raspberried.

Minuette: I agree with you there. We're going to make that monster pay.

Twinkleshine: Yeah he needs to be destroyed forever just like all the dirtbags we faced.

Lemon Hearts: You got that right.

Moondancer: Shows how he has no love for anyone.

Lyra Heartstrings: A heartless monster.

Twilight Sparkle: With no soul or compassion.

Spotlight: Yeah he needs to be destroyed.

Light Lily: POO POO! (RASPBERRIES)

Kyle Rayner: You got that right.

Eddy: Yeah no kidding! He deserves to go.

Vypra: Big time! Lets do it!

Lightspeed Rescue Rangers: LIGHTSPEED RESCUE!

Ryan: TITANIUM POWER!

They transformed!

Carter: "Red Ranger, Rescue ready!"

Chad: "Blue Ranger, Rescue ready!"

Joel: "Green Ranger, Rescue ready!"

Kelsey: "Yellow Ranger, Rescue ready!"

Dana: "Pink Ranger, Rescue ready!"

Ryan: "Titanium Ranger, Rescue ready!"

All: RESCUE READY! POWER RANGERS LIGHTSPEED RESCUE!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready to kick some butt!

They fired waves of energy, magic and light and smashed her down.

Luan: That was enlightening! (Laughs)

---

Dai Gui was next.

Dai Gui: (to Cornelia) I think Brenda, Grumpy and Grouchy Smurf are a perfect trio.

Cornelia: You got that right. The reason is they hate everything.

Applejack: Yeah they sure do. Those three are as mean as a Rattlesnake in a barrel full of sea urchins.

Apple Bloom: Boy they sure are. They have really nasty tempers.

Frozen Fright: No kidding. The trio of grumpiness.

Apple Fritter: It's like they have no love for anything.

Big Mac: Eeyup.

Rockhoof: (Scottish Accent) Aye lads. Those three have permanent wedgies.

Cocoa Axe: (Irish Accent) That reminds me so much about Ed Bighead. He has a permanent wedgie and he hates everything too.

Steela Oresdotter: (Norwegian Accent) Ja. So that would technically make them the Grumpy Quartet.

Autumn Blaze: Yeah Ed Bighead has a nasty disposition.

Coloratura: It's like he has no love for anyone.

Flashwing: No kidding. He is a toad with a rotten temper.

Stone Luna: Way harsh dudes.

Larfleeze: No kidding.

What Ellie's dad said was really low and how Nico could go ballistic towards him.

---

Aqueduct was next.

Aqueduct: (to Raiden) What Ellie's dad said was really low. I don't blame Nico for attempting to go ballistic on him!

Raiden: It's not his fault. When you're insane you have no idea what it is you are saying or have any idea what is real or anything like that. The guy even sewed his own eyelids shut!

Rarity: That is absolutely repulsive and disgusting!

Sweetie Belle: I can't believe he would do that to himself like that! He totally lost his marbles!

Kerfuffle: (Minnesota Accent) No kidding! He totally lost his mind and hurt Ellie doncha know.

Thunder Terror: I can't believe that he would do that to himself! His mind is so badly damaged that he would do that to himself?! That is absolutely crazy!

Mistmane: No kidding! That scam that made him lose all his money like that really ruined him.

Sable Spirit: Yeah. He lost everything. Including his mind.

Gill Grunt: Reminds me what happened to Azula.

Liquid Leni: Wow. That is crazy.

Carol Ferris: You're not kidding. But I hope Ellie will be okay.

Luna: She will Carol. She will.

Girl Jordan: Thank goodness her dad wasn't like Kasady.

Maria: No kidding.

Cozy Glow: But at least he's in the Saturn Insane Asylum getting intense help.

Aqueduct: Boy thank goodness. Poor fella. Lets do it!

They fired waves of lightning, water, jewels, ice and energy and smashed him down.

Raiden: Flawless Victory.

Rarity: Rapture darling that was grand!

---

Mirror Master was next.

Mirror Master: (to Zoe) I can't believe that Ellie's family went from Riches to Rags! And look what it did to Ellie's dad. He lost his mind and sewed his own eyelids shut!

Zoe: I know! That is shocking! He lost EVERYTHING including his mind! What kind of a person does that to themselves!?

D'Arcmon: Someone who is completely off their rocker that's what. J.D. said it reminded him of something that he saw in a documentary at one time.

Kazemon: Yeah it was crazy and awful.

Twilight Sparkle: I guess that's as insane as people can get.

Luster Dawn: No kidding. I can't help but feel sorry for Ellie's dad. He went through a nightmare.

Sunny Starscout: It's like he lost all love for everything in life.

Princess Cadance: That is really sad. I feel really bad for him.

Flurry Heart: I do too. Maybe someday we can help him out. Lily was able to save Allie's mom from insanity.

Star Swirl: That's true she did. I guess we didn't give her that shot because we were too busy helping Ellie and restraining Nico.

Spyro: Yeah. But like J.D. said it wasn't his fault.

Crystal Laney: But we will help him out someday.

Sinestro: Poor guy went through a lot.

Mirror Master: And how much money did he lose in that scam?

Kirby: Ellie said it was over $500,000,000,000.00.

Mirror Master: 500 billion!? Whoa! That REALLY messed with his mind!

Strut: You are not kidding there.

Mirror Master: Yeah. Lets do it!

They fired waves of wind and magic and energy and smashed him down.

Zoe: RIGHT ON!

Twilight Sparkle: That was amazing!

---

Puff was next.

Puff: (to Lynn Sr) It's good that Ellie's mom and sister are living in the estate now.

Lynn Sr.: It sure is. And it's better than living in a cesspool of a mobile home where tornadoes can destroy it.

Princess Luna: I agree with you there.

Puff: Where was the mobile home at?

Moondust: It was in Oklahoma and it was in the middle of Tornado Alley.

Snowdrop: Thank goodness there were no storms in the area when we were there.

Gari: Thank goodness for that. I'm glad we got them out of there.

Ink Rose: That is a good thing.

Moonlight Raven: It sure is.

---

The Dark Turtles were next.

Dark Raph: (to Hulk) Can't believe that punk Gargamel made an alliance with Blackheart!

Dark Leo: I know you guys don't like being wrong. But Marge and Agnes were actually right about this.

Hulk: Hulk agree. But Tall Blue Hair Marge and Old Lady Agnes came through for team.

Pinkie Pie: Boy they sure did. And it's good that they want to make amends.

Maud Pie: (Monotonously) It sure is but it's gonna take a long time for Homer and Skinner to forgive them.

Marble Pie: No kidding. After how they were mean to them this is gonna take a really long while.

Featherweight: No kidding. I hope they come to terms soon.

Somnambula: (Egyptian Accent) Same with me. That was a crazy ordeal.

Sprocket: But I feel sorry for Agnes. The woman is in her 90s and she should have been sent to a retirement home and not be living at home with her son.

Steel Lynn: I agree with you on that one.

Missy: Same with me. And Marge may have been trying to do some good for the family but I think that it was because of Burns that lead her to becoming like that.

Qin: I agree there.

Erica: But we can't forgive her for stabbing Nico.

Ellie: I agree there and that is crossing the line.

---

Gloven was next.

Nico: This is gonna be awesome facing you. But we'll have to decide on a potential archenemy for you. Maybe one of Lynn or Lincoln's friends would be perfect for you.

Gloven: That is a good idea. Or one of Twilight Sparkle's many friends would go good for me.

Nico: That's true. But there's plenty of us to go around.

Nico teleported and opened Gloven's safe and in it was a massive collection of swords. They were called The Destroyers of The Villain Teams, they're a massive collection of swords with the symbols of The Mystic Freeze, Instincts of Lightning, The Volcano of The

Omega, The Ocean of The Alpha, The Delta Sky, and The Flames of Valor etched on the 6'5" massive, wide, double-edged blades, large rainbow angel wings for the crossguards, large rainbow gems for the hilts, longer black handles, and large faceted rainbow colored sphere handles with surrounding rainbow gems. ---

We regrouped and the Hidden and Blackheart were being destroyed.

Wallow and New Wave were shooting water at each other.

Wallow: Looks like we're evenly matched!

New Wave: Not for long!

King Shark grabbed Wallow.

King Shark: I'm going to enjoy feasting on your bones!

King Shark bit him and then ripped him apart and killed him.

Gressil and Deadwood were punching each other.

Gressil: How long do you think you can keep this up?

Deadwood: Not for long. This was just a distraction!

Arbormon: (from behind Gressil) Roundhouse Punt!

He kicked Gressil's head off and killed him.

Abigor had Robo Blaze pinned down with his foot.

Abigor: Any last words?

Robo Blaze: (smirks) Yep. Have fun in the Warp.

Whiger: With the Spirit of the White Tiger!

Whiger blasted Abigor and obliterated him.

This Hidden were destroyed.

Now was my fight with Blackheart.

Me: I'm not the same as I was when we fought the last time Blackheart. I'm now far more powerful than ever before.

Blackheart: Then come and get me.

Me: First watch this.

I then transformed and went Super Angel-Ebonwu-Phoenix-Harmony Eternal Infinity!

He was blown back by the sheer magnitude of my power!

Me: (Divine Echoing Cosmic Elemental Voice of Justice and Hope) **Get ready for a fight unlike any other.**

I flew at Blackheart and punched him in the face with incredible force and kneed him in the chin and then teleported behind him and kicked him in the back of the head. Blackheart rebounded and I dodged his punches and kicks like they were nothing and I jumped back and flew at him faster than lightning and smashed him in his stomach with devastating force and sent him crashing into the ground!

Me: **I've also learned some new tricks Blackheart.**

Blackheart: So have I.

He then was enveloped in a vortex of darkness and then he turned into LEGION!

He had darker blue skin and he opened his eyes and they were blood red and overflowing with pure evil!

Legion: (Demonic Voice) **My name is Legion. For we are Maaaannnny.**

Me: **Just like I remember when we fought 3 years ago. Now watch this.**

I pulled out an elephant gun and used Ghost Rider's Hellfire Powers and turned it into a deadly and wicked scary Hellfire Cannon and then I fired a powerful blast of fire from it and it hit Legion and it hit him and he exploded!

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

Blackheart was blown to dust and then he was regenerating and he reformed.

Me: **How does it feel to have all that evil inside of you? All their power, all their souls, 1,000 souls to burn.**

I chanted a powerful incantation and pulled out all the evil souls from him and he was reverted back to normal and then I banished all the evil souls of San Venganza into the Warp for all eternity. Blackheart was severely weakend.

Blackheart: (grabs See More by the throat) I'm not going to kill you with my sulfur touch. That would be too quick. No, I'm going to make your death nice and slow!

See More: (grins): That's actually a bad move!

Blackheart saw Tala about to use her magic on him.

Blackheart: (groans) Son of a-

She fired a blast of energy and Super Hakaied him in an instant and destroyed him for good!

Me: **That takes care of Blackheart and the Hidden.**

Orion: Now to help J.D. and the others!

Megaforce Rangers: LEGENDARY RANGER MODE! MYSTIC

FORCE!

The Megaforce Rangers turned into the Mystic Force Rangers.

?: I should've never broken those punks out of prison in the first place!

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight large marine blue orbs orbiting around Liam's legs, the eight large scarlet red orbs orbiting around Lynn Jr.'s legs, and the eight large purple orbs orbiting around Menat's legs were glowing, and that means big trouble was coming.

Mine (Our universe): Oh crap, I was hoping never to hear that voice again. You can come out now, Ogre.

A large figure came out, and it was none other than Captain Ogre, the captain of the Imperial Police and an enemy of Mine from our universe and Garrett's universe.

Lincoln: Mine, who is that?

Mine (Our Universe): That's Captain Ogre, the captain of The Imperial Police, and you're not going to like what I'm going to tell you guys.

Mine (Our Universe) proceeded to tell us the history about Captain Ogre, and we weren't going to like it one bit.

---

Captain Ogre

Ogre was a captain of the Imperial Police, and the former superior of Seryu. He was killed by Tatsumi.

## Appearance

Ogre was a large muscular man with black hair that was graying near his temples. He had an unusual hairstyle with four ponytails or braids on the back of his head wrapped in white cloth. He had a large star-shaped scar over his missing left eye, while his remaining eye was red with a black sclera. His teeth were shown to be quite sharp which give him a monster/demon-like aspect.

He usually wore a suit of armor typical for the Imperial Police. While training Seryu, he wore a white kimono.

## Personality

Ogre was a prideful and corrupt man. He would accept bribes from an oil merchant named Gamal and other criminals, and often framed innocent people to take the fall for the criminals. He enjoyed interrogating suspects and presumably abused his authority quite often, going as far as calling himself "the king of the city".

## History

He often spent his time out on patrols with his subordinates and hanging out at the garrison headquarters. He played a large role in the development and training of Seryu. Ogre was also the one that recommended Dr. Stylish to Seryu, as she wanted to become stronger. After the fiancée of an executed man who was framed by Ogre told her story to Leone, Night Raid accepted her money and agreed to exterminate Ogre. After the truth of his corruption was confirmed by Leone, Night Raid decided to attack him during his off day from his Imperial Police duties, which he would often spend at a bar drinking. Tatsumi was able to lure Ogre into a back alley and pretended to want to join the military, and attacked when his back was turned. Despite wounding Ogre on his initial strike, an overconfident Tatsumi believed him dead and was almost hit by the counterattack, dodging it at the last moment. An enraged Ogre began to overpower Tatsumi in the resulting battle while promising to kill the executed man's fiancée and her entire family as well. However, at this moment, Tatsumi leaped into the air, slicing off both Ogre's arms and finishing him with a fierce slash.

When Mine from our universe was finished, we were horrified by his history, and enraged by his actions.

Sherlock Hound: (British Accent) And from what he said, he was also the one who'd broken The Black Daffodils out of prison, and, he was aware of the fact that The Black Daffodils hated all of you for what you did five years ago: ruining their reign of terror over Detroit and ruining their desire for revenge on you long ago.

We gasped when we heard Sherlock Hound's explanation that Ogre was the one who busted out The Black Daffodils this morning, and that enraged Loki Loud.

Loki Loud: So, you're the bastard who broke those Black Daffodil bastards out of jail?! That does it, I've had it up to hear with you to last an eternity.

Suddenly, Loki Loud's eyes turned neon sky blue, and he was surrounded by a sky blue energy aura with wind gusts and tornadoes surrounding him, and as he approached Ogre, he left sky blue energy, wind gusts, tornadoes, fairies, and Sylphs with every step.

Loki Loud: Ogre, I will never forgive you for your crimes when you were serving the Empire, but what you did in breaking The Black Daffodils out of prison, you've crossed the line, and now, I will put you down like a dog once and for all!

Then, Loki Loud was suddenly surrounded by a massive vortex of sky blue energy with wind gusts and tornadoes around it, there were fairies and Sylphs flying around the vortex, and there was a blue phoenix inside the vortex. Then, as the vortex faded, Loki Loud emerged, but he's changed forever.

Loki Loud grew to to 7'0" in height, just like Me, Lincoln, Lynn Sr., Liam, Duke Lincoln, and Lynn Jr., he now had abnormally large and powerful upper and lower body muscles and eight-pack abs, he had neon sky blue eyes and a neon sky blue energy aura with wind gusts, tornadoes, fairies, and Sylphs surrounding him, he had a Sylph and a Fairy holding the Wind Kanji emblazoned on his forehead, he had on Sylph earrings with the Wind Kanji held in her hands and a necklace with a Fairy holding the Wild Kanji in her hands for the pendant across his permanently bare chest, his blonde hair grew, and it reached to the bottom of his neck, and it was tied in a ponytail. Loki Loud had massive blonde angel wings with sky blue tips on the large blonde feathers, and they had wind gusts coming from the tips.

Loki Loud had on his new large cuff Bracelets of the Champions of The Universe with sky blue gems on his wrists, he now has his own massive Sword of Ga'Oh sword in his left hand, but his has a Sylph holding the Sun etched on the 6'5" massive, wide, double-edged blade, it still has the massive gold angel wings for the crossguard, large sky blue gem for the hilt, longer black handle, and large four gold deer heads for the pommel with blue gems. Loki Loud now has on the very same clothes as Me, Lincoln, Lynn Sr., Duke Lincoln, Lynn Jr. and Liam, but his version of He Man 2002's loincloth is sky blue, he has on long blue trenchcoat flaps with wind gusts and fairies on them, which were held up by his new Belt of Elemental Bravery with large sky blue gem for the belt buckle around his waist, he now has on large sky blue weighted bands on his large biceps and thighs, large black pants with wind gusts on the legs, and a pair of large black leather ankle-high combat boots with silver armor on the toes. Loki Loud also has his new Eater of Sins revolver holstered on his left hip, and he now has eight large sky blue orbs orbiting around his legs.

Loki Loud has a Sylph and fairy tattooed on his now wider and much more muscular back, and there was a sky blue kanji below the Sylph and Fairy that said, "Loki Loud, Leader of The Genderbent Loud Siblings, First Eldest Brother of Linka Loud, Descendent of The Iroquois Bloodline, Emissary of Ga'Oh, Slayer of Evil, Great Lover of Bebe Santiago and His Brothers and Only Sister, and Awesome Member of Team Loud Fairywind and Team Loud Phoenix Storm."

ジェンダーベントラウド兄弟のロキラウドリーダー、リンカラウドの最初の兄、イロコイ血統の子孫、ガオの使者、悪の殺し屋、ベベサンティアゴと彼の兄弟と唯一の姉妹の大恋人、そしてチームラウドの素晴らしいメンバー妖精の風とチームラウドフェニックスストーム

Loki Loud has transformed into SUPER ANGEL 750,000,000,000 HURRICANE SYLPH FAIRY ANGEL OF INDIAN WIND AND JUSTICE!

We were amazed by Loki Loud's Super Angel 750,000,000,000 transformation, but when Captain Ogre saw it, he fell into a rage.

Me: **Whoa, Loki's the next Loud Brother transformed.**

Nico: You said it, Colonel, and he's going to rip that overgrown brute to shreds.

Lori: Whoa, Loki, you literally really awesome and ripped, how do you feel?

Loki Loud: (Divine Echoing Cosmic Voice of The Tornado and Justice) **I feel incredible, Lori, and now, I am going to literally turn that overgrown brute into a human pretzel!**

Loki Loud went after Captain Ogre, who unholstered his swords, and they clashed violently as sparks flew across the field, starting fires, and Loki Loud was absorbing the flames, making him even more powerful than ever. Then, he'd slashed him over his injured eye with a wind-infused slash from his massive sword, and Loki Loud blasted the brutal captain with powerful blasts of sky blue energy, wind, tornadoes, fairies and Sylphs made of pure wind, and they hit Captain Ogre, and they exploded with incredible power, and blew him all over the place. Then, with his massive Sword of Ga'Oh sword, Loki Loud slashed off Captain Ogre's arms off, and he screamed in even more excruciating pain.

Then, Loki Loud grabbed him tossed him into the air with his brute superhuman strength, and he'd prepared for his final attack.

Loki Loud: **Say goodbye, Ogre, and may you never return to plague us again. DIVINE HURRICANE KAMEHAMEHA!**

Loki Loud fired a massive sky blue Kamehameha energy wave with tornadoes and winds surrounding it, and as it hits Captain Ogre, it exploded with incredible power.

Captain Ogre: DAMN YOU, TEAM LOUD PHOENIX STORM!

The resulting explosion killed him, and it obliterated his body completely, and his evil spirit was Super Hakaied forever. Everyone cheered wildly for what Loki Loud did, as he holstered his massive Sword of Ga'Oh on his wider and muscular back, and powered down, but his new clothes, weapons, large sky blue orbs orbiting around his legs, massive blonde angel wings, and jewelry were permanent.

Loni: Loki, that was so awesome!

Loki Loud: Thanks, Loni.

Linka: Plus, I got a surprise for you.

Then, Loki saw Bebe Santiago here, and this surprised him.

Loki: (Surprised) Babe?

Bebe Santiago: That's right, Loki, and I saw everything that happened.

Then, she walked up to Loki, who then picked Bebe Santiago up in his abnormally large and powerful muscular arms.

Bebe Santiago: (Seductively and rubs her right hand on Loki's massive right pec) Plus, I like what's happened to you, big, tall, muscular, and handsome.

This caused Loki Loud's face to turn atomic red, as they shared a passionate kiss and hug. Then, he gently put Bebe down, and he went up to Linka, gently picked her up, and he hugged her.

Loki Loud: That was a wonderful thing you did, little sis.

Linka Loud: Thanks, Loki.

Then, we turned our attention to Gargamal.

Me: **Now it's time to give Gargamal the worst buttkicking ever!**

We went at him and punched and kicked him and blasted him all over the place!

POW BIFF SMASH BLAM BAM KROW KATOW BLAM SMASH CRACK!

Killer Croc: (punches Gargamal) How'd you like that?!

Gargamal: (in pain) Is that all you got, you stupid alligator?!

Gator Ghoul: I'M an alligator. He's a crocodile. There's a difference!

Me: **Leobreaker, Wingsaber! Lets do it!**

Leobreaker transformed and so did Wingsaber and then they hooked up to me.

Me: **J.D. KNUDSON, SAVAGE SONIC WING MODE!**

We were ready for action!

Me: **Try this on! CYBER KEY POWER!**

The Autobot, Decepticon, Velocitron, Animatron, Earth and Gigantion Cyber Planet Keys went into my arm device and then I got Metroplex's axe, Quick Mix's cannon, Red Alert's Cannon, Hot Shot's missile launchers, Scattershot's missile cannons, Starscream's cannon, Scourge's Two Fire Dragon Heads, Leobreaker's claws, Optimus Prime's cannon, Megatron's blade arms, Thundercracker's Thunder Cannon, Crumplezone's Shoulder Cannons and Dirt Boss's Shoulder Cannons.

Me: **Time to go all out!**

I fired waves of energy, fire and missiles and bullets and they all hit Gargamal and exploded all over the place!

KRABBBBBOOOOOOOMMMM!
KRABBBBBOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOMMMMM!
KRABBBOOOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOMMMMMM!
KRABBBBOOOOOOOOOOOOMMMMM!

I then jumped and slashed Gargamal and smashed him with the axe!

Kirby: Now fire this! Nico throw some rocks!

Nico: You got it Kirby!

Kirby turned into Ice Kirby and Nico threw a bunch of rocks and then Kirby fired a blast of ice and froze the rocks in a block of ice and then threw them at Gargamal and they smashed him all over the place.

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Qwun, Maxxor and Ninren blasted and smashed him all over the place.

Wildrider, Merrick, G1 Smokescreen and Mumbo used the Earth and Nintendo Cyber Planet Keys and they enhanced Wildrider's Scattershot Gun, Merrick's wolf powers, Smokescreen's disruptor rifle and Mumbo's Voodoo powers 100-fold.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Gargamal fell to the ground and he was swollen and REALLY puffed up! Turns out he was horribly allergic to many of those berries!

We went up to him and we powered down and we were back on Earth.

Gargamal: Well?! Aren't you going to kill me?!

Maria: No. We're sending you to prison. (smirks) So you can eat berries in the prison cafeteria!

Gargamal: Oh no.

He was stripped of his magic and sent to the Neptune Prison for all eternity.

Papa Smurf: Thank you all for helping us.

Aqueduct: It was our pleasure.

Mirror Master: If you guys want, you can move near the Estate.

Papa Smurf: I think we're fine in the park.

Evilseed: (To Agnes and Marge) Now, what about you two?

Marge: I know it might take some time for us to be forgiven. So, that's why we were thinking we can work at the Scooby Snax Factory.

Agnes: If that's okay.

Puff: Nothing wrong with that.

Marge: Great!

Agnes: Just one favor. Tell Seymour and Homer we're sorry.

Dark Don: Don't worry. We'll tell them that.

Dark Mikey: But today was a good step towards forgiveness.

Me: Yep.

Nico: That's good. But great job everyone. We've now seen the last Blackheart and the Hidden and now Gargamal is gonna be in prison forever.

Eli: Yep. Good riddance.

Papa Smurf: (To the viewers) Gargamal is gone and we are gonna love being in the protection of Team Loud Phoenix Storm. We can now live in peace with them.

Me: You all will be perfectly safe with us Papa Smurf.

Nico: Yep. Lets go home everyone.

We went back to the estate and we enjoyed the rest of the day and we went to sleep.

THE END

---

Another chapter finished.

The Smurfs have been a very popular show since 1981 and it was so cool! I thought it was awesome how the Smurfs outsmarted Gargamal all the time. The 1st part was for FernGully and I know it sounds like I'm being repetative and I'm sorry about that. The second part was for the 1993 movie version of Super Mario Bros. and that was a great movie. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this and so did the guest reviewer. Thanks guys. Next up for my rescue is gonna be in the Season 1 Digimon show and we're gonna be in that factory. We're going to face Andromon as he is under the influence of a Black Gear. It'll be interesting to see what that was like for Tai and friends. Me, Eli, Allie, Maria, Missy, Nene, Erica, Lillian, Marie, Qin, Ellie, Simone, Miranda, Gina, Kari Kamiya and the Jolteon Gene-Slammer are gonna be there and we're going to also meet a Werecat named Were and we're also going to meet a Dark Magician Girl too. Kari is gonna also transform in that one too. So I'll need the transformation sequence for that. The Rescue of Lincoln is gonna be in the Courage the Cowardly Dog episode The Sandman Sleeps and we're going to ask the Sandman to give Muriel's sleeping sand back after she went for 5 days without sleep. The next chapter is for Veteran's Day and we're going to also go into the undersea world of The Snorks, the Underwater Version of The Smurfs and that is gonna be really cool to meet one of my favorite shows from my past.

See you all tomorrow

# Underwater Versions of The Smurfs

HAPPY VETERANS DAY 2021 EVERYONE!

---

In the Digital World on File Island, me, Eli, Allie, Nene, Maria, Missy, Erica, Qin, Marie, Lillian, Ellie, Simone, Miranda, Gina Pele, Kari Kamiya and Janelle the Jolteon Gene-Slammer were walking through a factory.

Me: Wow look at this factory.

Janelle Kerumma: I can't believe there would be a factory in the Digital World.

Me: I think Tai and Izzy told me all about this kind of factory.

Janelle concentrated and groaned as she was forced to all fours.

Eli: They were here before in the Digital World.

Janelle turned into JOLTEON!

Marie: (Russian Accent) I have a feeling we'll run into an evil Digimon here.

Kari: I hope not. Tai said they met Andromon the first time and he was under the influence of one of Devimon's Black Gears.

Me: I remember hearing about that. Andromon is an Ultimate Level Digimon and it's one of the reasons why they had a hard time with him.

Simone: But it will be amazing to face him like that.

Me: It sure would. But I wonder what this factory is used for. Matt told me that this factory was designed to put things together and then take them apart.

Eli: Doesn't sound very helpful to me.

Lillian: Yeah that is crazy.

Eli: Wait I sense something. (Points down a hall) That way.

We heard footfalls and then a figure came out and it was Andromon!

Me: It's Andromon!

Eli: Uh oh! He's under the influence of a Black Gear. I sense it.

Maria: Andromon, we won't want to hurt you. (dodges a punch from him) Okay. I guess the feeling's not mutual!

Andromon: I will punish Alien Intruders.

Me: The Black Gear is making him think we're intruders!

Andromon: (Echoing) GATLING ATTACK!

He fired missiles from his chest!

I fired energy blasts and they hit the missiles and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Me and Andromon: (At the Same Time) LIGHTNING BLADE!

We fired blades of electrical energy at each other and the blades collided and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blew Andromon back and he skidded.

Maria: I hope he doesn't fire homing missiles!

Me: Those were homing missiles that he fires.

Andromon: (Echoing) LIGHTNING BLADE!

He fired a blade of Electrical Energy.

Simone: (Echoing) PHOENIX FIRE!

Simone fired a blast of fire from her hand and it hit the Lightning Blade and dissolved it and the blast hit Andromon and blew him back.

Eli: Awesome!

?: Let us help!

We saw a Tinkermon, a Werecat and a Dark Magician Girl!

Me: Whoa! Tinkermon, a Werecat and a Dark Magician Girl!

Eli: Wow! Beautiful!

Dark Magician Girl giggled.

Tinkermon: Awesome to meet you all. I'm Tina Freeley and I'm from Colorado.

Me: Wow one of my home state natives. And you're a Tinkermon Gene-Slammer.

Tinkermon: Yep.

Were: My name is Were and yes I'm a Werecat.

Me: Cool!

Suddenly, Kari's eyes turned neon pink, and she was surrounded by a pink energy aura with dragons and pink fire surrounding her, and as she approached Andromon, she left pink energy, dragons, and pink fire with every step. Then, Kari was surrounded by a massive vortex of pink energy with pink fire surrounding the vortex, there was a dragon flying around the vortex, and inside the vortex was a pink phoenix. Then, as the vortex faded, Kari emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Kari Kamiya grew to 6'0" in height, she had the body of a goddess, she had pink highlights on the bangs of her long brown hair, she has neon pink eyes and a pink energy aura with dragons and pink fire surrounding her, she has a Gatomon with the Light Kanji in its paws emblazoned on her forehead, she has on Gatomon earrings with the Light Kanji in its claws and a necklace with the Crest of Light for the pendant, she has large brown angel wings with pink tips on the large brown feathers and pink fire falling from the tips. She has on a sleeveless pink blouse with a yellow phoenix on it, a hot pink skirt with pink fire on it, hot pink pants, and hot pink leather ankle-high combat boots, and a hot pink sleeveless trenchcoat with pink fire and dragons on the coattails and a Gatomon on the back. Kari Kamiya has out her massive Sword of the Dragonheart sword in her left hand, Kari Kamiya has on her brand-new Bracelets of The Champions of The Universe with hot pink gems on her wrists, Belt of Elemental Bravery with large hot pink gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip. There's a pink kanji on the back below the Gatomon that said, "Kari Kamiya, Little Sister of Tai Kamiya, Dear Friend of Gatomon, Digidestined of Okinawa, Master of Pink Fire and Dragons, and Slayer of The Eternally Damned."

八神ヒカリ、八神太一の妹、テイルモンの親愛なる友、沖縄のデジデスティネーション、ピンクの火とドラゴンの達人、そして永遠に堕落したスレイヤー

Kari Kamiya has transformed into SUPER ANGEL 750,000,000,000 DIGIDESTINED PINK FIRESTORM DRAGON ANGEL OF LIGHT!

When we saw it, we were amazed by Kari Kamiya's Super Angel 750,000,000,000 transformation. But, when the Black Gear possessed Andromon saw it, he fell into a dark rage.

Me: WHOA! Kari you look amazing!

Eli: Way to go Kari!

Lillian: Awesome! Kari how do you feel?

Kari: (Divine Echoing Voice of Light and Hope) **I feel amazing Lillian. This power is more than enough to make the strongest evil Digimon quiver in fear.**

Me: It sure is.

Dark Magician Girl: That is a fact!

Maria: (to Dark Magician Girl) Wait. Are you the same Dark Magician Girl that Jaden and his friends met on Duel Monsters Spirit Day?

Dark Magician Girl: I sure am and it will be great to see them again.

Me: That is so cool and I heard that you know Syrus Truesdale.

Dark Magician Girl: I sure do. It'll be awesome seeing him again.

Me: It sure will.

Eli: Here he comes!

Andromon was coming.

Eli: I got this. I remember Izzy told me he had to hit his leg. (Echoing) ELECTRO SHOCKER!

He fired a ball of lightning and it hit Andromon in his leg and he screamed in pain as the Black Gear came out and then I grabbed it!

Me: Got it! Maybe we can take this back to the estate for analysis.

Andromon: (Groans) What happened?

Maria: A Black Gear was controlling you and you almost killed us.

Kari: **But the important thing is that you are back to Normal.**

Andromon: Thank you all so much for saving me again and it's great to see you again Kari.

Kari: **You too Andromon.**

Andromon: You look amazing Kari. You must've transformed.

Kari: **I sure did and it's so cool. I have so much to tell Tai and my friends.**

Tinkermon: Boy no kidding.

Me: Lets get you back to normal Tina.

I put on my blind man glasses and Eli and Andromon covered their eyes and I snapped my fingers and Janelle and Tina were reverting back.

Janelle: (stands up straight) Good thing we found you in the Digital World.

Tina: (Loses her wings but her dress stays on) Same here.

Janelle was naked but Tina was not.

Maria gave her new clothes.

Tina: This is amazing that I'm now a Digimon Gene-Slammer. But I thought all Digimon are made of Data?

Me: They are. But somehow Team Rocket's scientists have been able to turn Digimon into organic beings.

Miranda: It's crazy but it's really true.

Gina Pele: Yeah no kidding.

Tina: (holds her head in pain) Oh, c'mon! Do I really have to transform again?!

Miranda: Reign the power in with the strength of your will and you can use Tinkermon's powers like we did with the Digimon we were turned into.

Gina Pele: Concentrate.

Tina did so and she glowed in a neon yellow aura and then she was fully engrafted.

Tina: Whoa!

Andromon: That must be really tough for you all to have to go through all that.

Lillian: You have no idea.

Me: But we're searching for the men that did this to many people around the world and the universe.

Dark Magician Girl: I hope you all find them.

Me: Oh we will. And they will get what's coming.

We later went back home after Kari powered down and Andromon came with us and it was great he was with us and T.K. and Tai were amazed and more. We told everyone everything and more.

---

After dealing with the Black Gear possessed Andromon, Lincoln, Me, Nico, Eli, Nicole, and Boris (Loud House) were heading to Nowhere, and not only is Lincoln going to rescue the fifteen girls there, but we're also going to ask The Sandman to give back Muriel's sleeping sand, which has caused her to go 5 days without sleep.

Lincoln: Ah, we're back in Nowhere, and I think I know what we're going to do here, not only am I going to rescue the fifteen girls there, but we're also going to ask The Sandman to give back Muriel's sleeping sand, which has caused her to go 5 days without sleep.

Me: That's right, big guy.

Nicole: Plus, you also seem to be in a good mood today, Lincoln.

Lincoln: Well, this also pertains to what happened this morning.

Me: He's right, Nicole. You see, this morning right after breakfast, Lincoln was in a deep meditation, and thanks to him, Lincoln 2, and Lincoln 3, Lincoln reigned in his emotions, and now, he's now in a more balanced state.

Nico: That's right, and we also found out that his Anger side was getting a little rowdy and rebellious again.

FLASHBACK TO THIS MORNING

After breakfast, we followed Lincoln to the gym, then, we saw him use his ghost powers and he then turned his hand invisible, and he phased it through his stomach, and when he pulled his hand out, it was revealed that he had a Dark Orb in him, and he banished it to The Warp. He also told us that the person who did this was Morag when she launched her attack, and we gasped in horror.

But, when Mira McLaughlin heard it, her eyes narrowed and turned red, and she let loose such a loud storm of curse words and swears that everyone in Gotham Royal York heard it. Our jaws dropped in shock, and even Tayuya was applauding at that swear storm.

After that swear storm from Mira, Lincoln went into a meditative state, and he met with Lincoln 2 and Lincoln 3 in his mind. Then, they met up with Lincoln's other emotions, and they'd confronted Rage Lincoln.

Lincoln: Rage Lincoln, you need to stop acting out like this.

Rage Lincoln: NEVER! THAT FILTHY MONKEY CAN'T TELL ME WHAT TO DO!

Lincoln: That's my brother you're talking about. Look, you may be the embodiment of my anger, but that anger needs to be directed at those who are beyond redemption. Marge and Agnes had proved they're worthy of redemption when they warned us of Blackheart and The Hidden returning from the dead and allying with Gargamal. Only those who've proven to be beyond redemption deserve to die, but those who've already suffered from their punishment will prove themselves worthy of redemption.

Lincoln 2: He's right, Rage Lincoln. That anger needs to be tempered and directed at those proven to be irredeemable and can never be forgiven.

Lincoln 3: And Nico was doing his job, but you have to learn to listen to his orders when he's leading the team, okay?

Suddenly, Rage Lincoln's eyes now had tears in them, and his rage was now quieting down, and he'd went up to Lincoln, and he picked him up and everyone hugged him. Then, Lincoln's emotions turned into a whirlwind of colors, and they merged with Lincoln, and the emotions became one with Lincoln. And outside, we saw Lincoln surrounded by a colorful rainbow fire energy vortex, and we felt Lincoln getting even more stronger and stronger and stronger still. Then, Lincoln emerged from the vortex, and we felt that his emotions were now one with him, and the deep sapphire blue thunderbird that's emblazoned on his forehead now had rainbow colors, and the gold thunderbolt on the thunderbird remained the same.

Me: Whoa, Lincoln, not only have you gotten even more stronger and stronger and stronger still, but you're now in a balanced state of mind.

Lincoln: That's right.

Lincoln 2: We got through to Rage Lincoln, and we comforted him after his breakdown before he and the other emotions merged with Lincoln.

Lincoln 3: And now, say hello to a new and improved Lincoln.

Lori: And you were able to reign in your emotions like that, just like with the other Gene-Slammers?! That's literally incredible!

Lynn: Do you think you can teach us that, bro?

Lincoln: (Smiles) Of course, Lynn.

We hugged Lincoln and we stayed that way for a few hours.

FLASHBACK ENDS

Nico: It was incredible that you were able to reign in your emotions like that, Linc.

Lincoln: That's right, like with my powers, I'm in control of my emotions, my emotions don't control me.

Me: You got that right.

?: HELP!

Suddenly, Lincoln heard the sound of thirteen girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the thirteen girls, but they, along with Courage and Francesca, have been cornered by the Sandman.

Lincoln: Guys, I found the thirteen girls, but they, along with Courage and Francesca, have been cornered by the Sandman, who found out they were trying to get Muriel's sleeping sand back. Come on, let's go.

We then rushed on over, and we got in between The Sandman and the thirteen girls, Courage, and Francesca. Suddenly, Lincoln saw something that could be the cause of The Sandman's sleepless nights and his actions.

Lincoln: (Smiles) Sandman, I think I know why you can't sleep.

Lincoln put his hand underneath the mattress of The Sandman, and he pulled out a teddy bear, and when the Sandman saw it, he was surprised.

The Sandman (CTCD): Teddy! Oh, how I missed you. No wonder I couldn't sleep. How did you know that I couldn't sleep without Teddy?

Lincoln: I've had my plush rabbit, Bun-Bun, when I was little. He's helped me get to sleep every night and comforted me when I got scared. So, I understand why you couldn't sleep, and now that you've been reunited with Teddy, now, you can experience sleep, just like the rest of us.

The Sandman was touched by Lincoln's explanation and words.

The Sandman (CTCD): Thank you, Lincoln, and here. I won't be needing this anymore.

The Sandman gave Lincoln back Muriel's sleeping sand, and he fell asleep, and we gave Muriel back her sleeping sand, and she was able to go back to sleep again. Then, Lincoln and Nicole went up to the thirteen girls, and when Lincoln saw them, he recognized them. The thirteen girls were Hina Yumihara, Mayuka Nasu, Elvira Hill, Lene Kleinbeck, and Anessa Rossetti from Buddy Complex, Sayla Mass from Mobile Suit Gundam, Fa Yuiry, Elle Vianno, Roux Louka, and Emary Ounce from Mobile Suit Gundam ZZ, Catherine Bloom, Luna Armonia, Dorothy Catalonia, and Sally Po from Mobile Suit Gundam Wing, and Mineva Lao Zabi from Mobile Suit Gundam Unicorn.

Lincoln: Oh wow, it's Hina Yumihara, Mayuka Nasu, Elvira Hill, Lene Kleinbeck, Anessa Rossetti, Sayla Mass, Fa Yuiry, Elle Vianno, Roux Louka, Emary Ounce, Catherine Bloom, Luna Armonia, Dorothy Catalonia, Sally Po, and Mineva Lao Zabi.

Nicole: From Buddy Complex, Mobile Suit Gundam, Mobile Suit Gundam ZZ, Mobile Suit Gundam Wing, and Mobile Suit Gundam Unicorn, that's awesome!

Lincoln: Are you girls okay?

Hina Yumihara: Yeah, we're okay, thanks to you.

Then, when Hina Yumihara and the other twelve girls saw who it was that saved them from the Sandman, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books right on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had

deep sapphire blue eyes.

Hina Yumihara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made thirteen clones of himself, and he and the thirteen clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Hina Yumihara: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We went back home to the Estate, and not only did Lincoln rescue the thirteen girls and give Muriel back her Sleeping Sand, but

Lincoln also made a new friend in The Sandman, and that was quite an amazing rescue.

* * *

After helping The Sandman and giving Muriel back her Sleeping Sand, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

When Lincoln, Garrett, and I saw the girls in their bikinis, we had atomic red blushes on our faces, and we had to keep ourselves from going crazy. But, the girls were also doing the same thing as soon as they saw us in our swim shorts.

Lincoln: Shall we, ladies?

Yellow Iris: Of course, Linky.

We took the girls in our arms, and we headed off to our destination: Goron Hot Springs. When we'd arrived, it was an amazing place with constant warm water.

Lincoln: Wow, this place is amazing.

Viridi: I've heard about the Goron Hot Springs in Hyrule, the warm water is said to ease someone's tension and relieve any stress they've had to deal with.

Me: Looks like we picked an ideal place to have our date.

We headed for the pool of warm water, and when we sat in the pool of warm water, we felt that any tension and stress has been melted away, and we breathed a sigh of calming relief.

Me: Whoa, the warm water is really doing wonders for us.

Lincoln: You said it. Any stress and tension we've had is now being melted away, and we're now in a state of relaxation.

Then, we also took pictures of Eldin Canyon, along with the Goron Hot Springs, and we also proceed to have lunch, courtesy of Lynn Sr. Plus, the girls gave me, Lincoln, and Garrett a relaxing massage, and we also gave the girls a relaxing massage. Then, after our fun and relaxation, we returned home, and Nico saw we were all relaxed and calmer than ever.

Nico: Looks like you all had quite a fun time.

Lincoln: Oh yeah, we went to the Goron Hot Springs.

Nico: Really? I've heard about them from Link, they're supposed to be a perfect vacation spot there in Hyrule. Tell me you took pictures of it.

Lincoln showed everyone the photos, and they were impressed.

Lori: We should also go there, as well, in case we get stressed out.

Lynn: You said it.

Lola: And from the added massages that you gave the girls, along with getting massaged by the girls, we should also bring our dates as well.

Nico: I was about to suggest that, as well.

We continued telling everyone about our date before it was time for our next mission.

Later at school it was time for another awesome dodgeball game!

RD Luna ducked as a dodgeball flew past her.

RD Luna: Is dodgeball always so hectic?!

I ducked and flipped over a couple of dodgeballs.

Me: Yeah but it's fun!

I threw them and they hit Dark Spicer and Chalmers in their faces!

BONK! BIFF!

Everyone cheered!

Dark Magician Girl: Wow! J.D. is so acrobatic.

Syrus: He sure and I think this sport is perfect for him.

Erica: GO J.D.! GO!

Maria pulled Tiny Kong to the ground before she could get hit by dodgeballs.

Tiny Kong: This is dodgeball, not a warzone!

Maria: Right now, it's a combination of both!

Kick Buttowski was running up the walls and running along them as he was throwing dodgeballs at Skinner, Lunch Lady Doris, Groundskeeper Willie, Hydro Man and Evil Green Ranger and he smashed them to the ground.

Wiggum: Time to call in the Secret Weapon!

That Secret Weapon was COACH KRUPT! UH OH!

Coach Krupt: BOMBARDMENT!

He threw dodgeballs all over and I was dodging them.

Me: You call those throws Krupt? My mom throws better than you!

I dodged more throws!

Maria: You tell that stick-armed freak!

Coach Krupt: BOMBARDMENT!

SMACK!

Maria got hit in the face and everyone gasped!

Me: Uh oh!

Crankcase: Great! It's the bombardment freak.

Maria: NO ONE HITS ME IN THE FACE AND GETS AWAY WITH IT! Bombardment this! (throws dodgeball)

The Dodgeball hit Krupt square in the crotch and then…

CLANG!

A bear trap from the Dodgeball popped out and it snapped onto his crotch and he screamed in a squeaky voice and screamed like a little girl!

We winced and some of us covered our manhoods and some of us fainted!

Armada Hoist: Okay, someone should take Krupt somewhere else.

Skinner: I'll do it. I was in charge of him back in Springfield after all.

Me: Okay. That was awesome though!

Scrappy Doo: TEAM LOUD PHOENIX STORM WINS!

We cheered wildly!

Ellie Singh: That was so awesome!

Skinner took him to the bench as Krupt was foaming at the mouth.

---

Back at the Estate we were getting ready for our next mission.

Mushi: BTW, J.D.? You're leadiing today. And Happy Veterans Day!

Me: Thanks Mushi and yes I know that. Also I have just the mission for us.

I turned on the TV and then she Snorks came on.

Nico: Cool! We're going to see the Snorks.

SpongeBob: Ooh we're going underwater this time.

Ellie Singh: I better bring my scuba gear.

Me: Not needed Ellie. We all have the power to breathe underwater.

Eli: It's true and this is gonna be awesome.

Then Tchang Zu, Batroc the Leaper, Whirlwind, Vypra, Dai Gui, Aqueduct, Evil Seed, Mirror Master, Puff, and Dark Turtles appeared.

Whirlwind: Can me, Tchang Zu, Batroc, Vypra, Dai Gui, Aqueduct, Mirror Master, Evilseed, Puff and the Dark Turtles go with you guys this time? And Happy Veterans Day!

Me: You all sure can and same to you.

Nico: This is gonna be cool.

Eli: Yep. We're going to the world of The Snorks.

Aqueduct: Wow! I haven't watched that show in a long time! I bet we're gonna go after Dr. Strangesnork.

Me: Bingo! This is gonna be awesome.

Varie: I've heard of Dr. Strangesnork.

Varie pulled out a Wanted Poster of him.

Varie: He's on the Neptune Crusader's Top 10 Most Wanted List.

Me: Whoa! Sounds like we picked the right mission for you all. Lets get moving guys.

We were off to the Ocean.

## THE OCEAN

We were underwater and we were swimming to Snorkland.

Sideways: Good thing Cybertronians can breathe underwater.

Me: Yep.

We were swimming and we saw Snorkland.

Me: Wow we're here.

Nico: Wow! Snorkland.

A bunch of Snorks came.

Allstar Seaworthy: Wow! Team Loud Phoenix Storm! What an honor.

Me: You must be Allstar Seaworthy. It's an honor to meet you.

Allstar: That's right and this is Dimmy Finster, Daffney Gillfin, Casey Kelp and Tooter Shelby.

Eli: Pleasure to meet you all.

Casey Kelp: How can you guys breathe underwater?

Aqueduct: Well, it's easy for me since I have water powers.

Me: We all have the power to breathe underwater. It's one of our most amazing powers.

Nico: It sure is. I think it's so cool.

SpongeBob: Some of us are sea creatures.

Varie: And some of us are mermaids.

Eli: Yep.

Teen Titans Thunder: Several of us are in a group called the Neptune Crusaders.

Varie: That's right and I formed the group when a massive Krabby Patty Zombie Invasion broke out in Bikini Bottom.

Casey Kelp: Whoa I heard about that. That was intense! Thank goodness that didn't happen here in Snorkland.

Varie: No thank goodness it didn't.

Lily: We had to use Plankton's chum that was locked in a storage bin to get everyone back to normal.

Plankton: Wait. You guys used my chum against zombies?!

Vypra: Guess chum isn't too bad.

Lily: Yeah it was really crazy. Sandy invented these really weird Krabby Patties and they turned everyone into Krabby Patty Zombies. But thanks to Sean's teachings in Zombie Apocalypse Survival we cured everyone with your chum.

Plankton: Wow! That's incredible!

Maria: That was one of the strangest and most harrowing adventures we've ever had.

Rarity: Boy that must've been a scary one too darling.

Maria: It was.

Indigo Zap: You guys wanna show us around?

Allstar: Sure.

We swam around Snorkland and we saw all kinds of amazing places the Snorks have fun at.

We saw all sorts of amazing places in Snorkland and it was awesome.

Puff: This place is amazing!

Casey Kelp: It's home and it's awesome.

Me: I think it's really cool.

Ariel: You all have amazing homes down here. Just like how we do on land and in Atlantica.

SpongeBob: And lets not forget in Bikini Bottom.

Me: We all have great homes on Land, Air, Sea and in Space.

Nico: Yep and lets not forget underground for some of us.

Me: Yep.

Pam: This is like a combination of Bikini Bottom and Smurf Village.

Me: I was just about to point that out.

Allstar: Wow you guys know the Smurfs?

Me: We sure do. They are good friends. I found them shortly after my house turned into a massive and gargantuan world tree estate and we were protecting them from the evil

Gargamal. It was really cool. But how do you know them?

Casey Kelp: We had an adventure with them a long time ago and it was really amazing.

Laney: Wow that is so cool!

Eli: It sure is.

Batroc: Don't worry about Gargamal. He's been taken care of.

Me: Yep. He's now in one of our space prisons.

Allstar: That's good you guys took care of him.

Suddenly a massive blast of underwater wind blew.

Me: Whoa! What a sea storm.

Allstar: Lets get back to Snorkland.

We were swimming fast.

Me: Man I didn't know that storms could brew even underwater.

Eli: Yeah that is crazy.

Laney: Wait guys listen!

Laney heard a song.

Ariel: That sounds like the song of a mermaid.

Laney: It's coming from here.

Laney went over and she saw a blond hair mermaid that was no bigger than a Snork and she was trapped in seaweed!

Laney: Wow!

Serena: Please help me.

Laney: Hold on!

Allstar: Suffering Seaweed!

Casey Kelp: And she really needs our help!

Me: Hang on!

Laney had the seaweed let go of her and we had her come with us back to Snorkland.

Gus Grav: Are you okat?

Vulcan: What's your name?

Serena: Yeah I'm fine. Wow! You're the famous Team Loud Phoenix Storm. I'm Serena.

Me: Pleasure to meet you Serena.

Eli: Same here.

Me: Lets get out of this storm so we can talk.

We went to Casey's home.

Mirror Master: Nice house, Casey.

Casey Kelp: Thanks. It's home.

Me: How did you get lost in the storm Serena?

Serena: I didn't get lost. I swam away from home.

Eli: You swam away?

Ariel: How come?

Serena: Look at me and Casey. We're almost the same size. All the mermaids in Mermaid Del Ray are much much bigger. I was the runt. I had to try twice as hard to keep up. So I swam away. I kept going and going until my tailfin gave out. Then I got caught in the storm and I might have perished if you all hadn't found me.

Me: It's good we did. But Serena you shouldn't give up on trying just because you're half the size of a normal mermaid.

Eli: Yeah. You are still a mermaid no matter how big or small you are.

Bludgeon: Look at Horsea, for example. She's not as big as many of us and she's still helpful to the team!

Horsea: That's right!

Manaphy: And I may not be that big either but I'm still a huge help.

Tentacool: Same with me and lots of other Water Pokemon.

Serena: That's awesome.

Casey Kelp: It sure is.

Me: Casey perhaps we should explain the reason why we are here.

Varie: Obviously you know this guy.

She pulled out a wanted poster of Dr. Strangesnork.

Casey Kelp: Dr. Strangesnork. Yep. He is a mad scientist and is really dangerous.

Serena: I've heard of him. He is a bad monster.

Me: Yep. And Like Gargamal we're going to throw him in jail.

Dark Leo: First, we need some info on him.

Dark Raph: I hope he doesn't have backup like Gargamal did!

Dark Don: I have a feeling that he's working alone.

Dark Mikey: Hey, either way, he's gonna lose!

Me: Yep.

Varie: Here's the info on him and he mostly has a catfish with him.

Varie pulled up his history.

Dr. Strangesnork was presumably born in Snorkland to Allstar's grandparents on the Seaworthy side of the family. His brother is Mr. Seaworthy, and his twin is Dr. Gallio. When he and Gallio were both children, they both entered a science contest at their elementary school. Strangesnork kept tourmenting Gallio about it, but Gallio enters it by creating glue, and winnng the science contest. Ever since then, this has put a strain on their relationship.

When she finished reading we were shocked.

Serena: Goodness!

Casey Kelp: Yeah he has always been a bad case for us.

Me: Sounds like you all have a really bad history with him.

Allstar: Yeah we sure do.

Brimstone: First, Serena needs to eat something so she has some energy.

Varie: Good idea. Lily?

Lily: I'm on it.

Lily pulled out her emergency grill and then made some krabby patties and then Serena ate them and they were really good.

Serena: (Eating) Delicious.

Lily: Figured it would be perfect for this.

Tchang Zu: (to the Snorks) Also, Happy Veterans Day!

Allstar: Thanks.

Me: Well I think we're ready for an awesome battle. Serena, you are going to love how we get the job done to bad guys.

Serena: I have a feeling I will.

Allstar: This is gonna be good!

Me: I sure will. Get ready Dr. Strangesnork… (Eyes Glow Red) Justice is coming for you.

Casey Kelp: Whoa how come his eyes glowed red like that?

Eli: He does that to add dramatic effect. I think it's cool.

Nico: Yep.

Jabberjaw: I hope Dr. Strangesnork made his will. Because we're going to give him a taste of his own medicine! Nyuk nyuk nyuk nyuk nyuk.

Power Girl: I wonder what made the storm in the first place?

Maria: Undersea currents can do that.

Power Girl: Ah. That makes sense.

Lily: Reminds me of the time I had to restrain Mr. Krabs during when he went bonkers over money. People called him a Tyrant and I ended up having to fight him.

Eli: Geez.

Me: We'll have to hear about that later.

Evilseed: Where's Dr. Strangesnork's hideout?

Allstar: His lair is right there on that hill outside of Snorkland.

I pulled out my binoculars and I looked and saw his lair.

Me: That must be it. He doesn't have it guarded. This is almost looking to be too easy. Lets go.

We went to Dr. Strangesnork's lair. We arrived and we were swimming above it.

Yagura: Looks like it's Entrance time.

Me: Lets do it!

We swam at the lair.

Dr. Strangesnork laughed as he was watching Snorkland.

Dr. Strangesnork: (Laughs evilly) Soon my plan to take over Snorkland will be complete!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through his ceiling and the spirits of the Dark Elements of The Sky swirled around it and lightning struck all his inventions and destroyed them. Then the spirits converged and we came out.

Me: Dr. Strangesnork, I presume?

Dr. Strangesnork: Team Loud Phoenix Storm!? What are you doing here!?

Me: I think you know the answer to that.

Eli: In the name is Team Loud Phoenix Storm and the Galactic Republic, (Ignites Lightsaber) You're under arrest.

Dr. Strangesnork: (to Dai Gui with a laugh) What's the matter? Not in your right element?

Dai Gui: Unlike you, I learn to adapt!

Bai Tza: We all do brother.

Me: And we all have the power to breathe underwater.

Serena: We won't let you get away with everything you've done.

Allstar: That's right. It ends now Doctor.

Dr. Strangesnork: We'll see about that!

He fired ray blasts and Eli deflected them with his lightsaber and the blasts hit the walls and exploded.

BOOOM! BOOM BOOM BOOM BOOM!

Me: Time to take you in.

Mr. Touch & Go, Kangor, Manboy, Stinky Butt the Foul, Femme Fatale, Melter, Trapster, Po Kong, Saix and Titanium Toenail then appeared.

Me: Mr. Touch & Go, Kangor, Manboy, Stinky Butt the Foul, Femme Fatale, Melter, Trapster, Po Kong, Saix and Titanium Toenail.

Mr. Go: We hope you're having a Happy Veterans Day!

May: We sure are!

Kangor: (Jamaican Accent) And this is a really nice way to celebrate it, mon.

Man Boy: The Snorks live in a really nice place

William: Of course they do.

Me: Yep they sure do.

Stinky Butt: (to me) We heard you freed Andromon from a Black Gear.

Me: We sure did. That was amazing.

Femme Fetale: Is he okay?

Me: Yep he is back to normal and I did an analysis on the Black Gear and I found out that it is a dark energy gear that controls Digimon.

Femme Fetale: Whoa! Who made it?

Nico: Devimon. Crazy huh?

Bluto, Torch Tiger, Ship Org, The Stitch Sisters and Troika then appeared.

Me: Bluto, Torch Tiger, Ship Org, The Stitch Sisters and Troika.

Nico: Troika must be here to challenge one of us.

Troika: Yep and we chose the Three Mage-Sisters.

Francisca: Wow! This is gonna be amazing!

Flamberge: We're honored.

Zan: This is gonna be sweet!

?: Boy it sure will be.

A figure came out and it was RAIMON GAORUFANG from episodes 23 to 25 of LupinRangers VS PatRangers!

---

He'd made his first appearance along with his members of the Raimon Gang Ushibaroque the Brawl and Giwi Newzie were at the Gangler Mansion having a meal a bit early before their boss arrived.

A while later both he and Giwi were at Ushibaroque's hideout they'd ambushed Lupin Blue and Lupin X and his gold safe was about to be access by just one dial fighter, but that turns out to be an error, so the result he'd destroyed the Blue Dial Fighter thus detransformed Tooma from Lupin Blue.

After that both he and Giwi became the judges for this cooking contest between Tooma and Ushibaroque and once the contest was over they'd declared Touma the winner causing Ushibaroque to be a sore loser and attack Touma. Then they both appeared at the docks battling Lupin Red and Lupin Yellow before they retreat. TV STORY-Number 23: Status: Gold

Raimon appeared at Giwi's hideout where Giwi bought more Lucky Charms from Zamigo Delma.

Then he'd appeared on the roof top asking Zamigo to be part of his gang. After that he'd enlarged himself to be even bigger than the Pat Kaiser and X Emperor Slash. TV STORY-Number 24: Promise to Return Alive

Then he'd appeared in the parking garage where wants to know if Zamigo wants to be part of his gang, but Zamigo declines, so for this response he'd attack him. However he'd draws the attention to the police where he then fight them instead. However when the cops used their finisher on Raimon it looks like they destroyed him, but thanks to the treasure that he has in his safe he'd revived himself and the battle continues and no matter how much damage Raimon takes he'll instantly regenerates himself as long as the treasure is locked away in his gold safe. However with the arrival of Noel he'd transformed himself into Lupin X and battles him instead.

However when Raimon thought Noel was going to access his Golden Safe it turns out he was acquiring the data from it and it turns out the gold safe requires two dial fighters because it has a 6-digit combination.

So with teamwork from both the thieves and police also with some help from Noel Lupin Red used the two dial fighters and he managed to gain access to Raimon's safe (which his password is 1-1-0-0-3-0) and got a Docteur, docteur (which translate as "Doctor, Doctor") Life Tank Bracelet. So without the treasure in his safe Raimon will be instantly destroyed once and for all.

However without the assistant from Goche Ru Medou he'd instantly enlarged himself, but this time instead of fighting two megazords he's battling just one which is the Good Cool Kaiser VSX after that he was finally destroyed by this finisher called Good Cool Kaiser: Vehicle Rush Strike.

---

Kairi Yano: Raimon Gaorufang!

Raimon Gaorufang: Been a while rangers.

Me: I remember you! You were the leader of the Raimon Gang and you were going to ask Zamigo to join his gang but he declined. Also it was thanks to Noel that he needed 2 Morphers to open your safe.

Raimon Gaorufang: Yep that's right. Very good memory.

Me: Never missed an episode.

Noel: I assume Ushibaroque and Giwi aren't with you?

Raimon: Sorry. They aren't. But you'll still face them in the future.

Me: We can't wait to see them. And to quote Dark Spicer, your ass is about to be kicked!

Raimon: Bring it on!

At a restaurant, Dark Spicer was eating lunch when suddenly he sneezed.

Dark Spicer: (SNEEZES) Someone must be talking about me.

We got the battles underway.

---

Kangor was next.

Kangor: (to Randy) That was an awesome dodgeball game this morning, mon! (laughs) Especially since Maria got to teach Krupt a lesson!

They laughed.

Maria: I always have a lot of fun in dodgeball. We all thought it was really awesome.

Randy Cunningham: It sure was a lot of fun! J.D. and everyone did a lot of action in that one.

Sunset Shimmer: But it was so cool how J.D. ran up the walls and dodged the balls that way. That was so awesome!

Pepperdance: (Cajun Accent) Ooowee! Lincoln did a great job too and also it was so cool how J.D. does all those acrobatic moves every time.

Cayenne: Now I see why J.D. and Kick love that game so much.

Firecracker Burst: It was amazing. You guys always have a lot of fun in dodgeball. It's perfect for you guys because it tests your speed, agillity, acrobatics and everything.

Kangor: That's true mon and it always is fun. I heard that Syrus is seeing Dark Magician Girl again.

Pip-Squeak: (British Accent) He sure is and surprisingly it's the same Dark Magician Girl that appeared during the Duel Academy Spirit Festival.

Gusty the Great: That is so awesome and Syrus is one amazing guy to be in love with Dark Magician Girl.

Sunburn: He sure is and we're so happy for him.

Fire Lori: It's literally so amazing.

Francis: It sure is amazing.

Teresa: We're so happy.

Maria: Yep.

## Flora, Rainbow Dash, Scootaloo, Pickle & Barley Barrel, Magma Gloom, Flash Magnus, Air Skylanders, Air Lincoln, Powerpuff Girls, Thunder and Lightning VS Manboy - Andromon being under the control of Devimon's Black Gears must've been awful

---

Manboy was next.

Man Boy: (to Flora) Andromon being under the control of Devimon's Black Gears must've been awful. I think he also got possessed by a Dark Ring during the Digimon Emperor's reign.

Flora: He sure did and that's what Tai told us. That was crazy.

Rainbow Dash: But the number of Digimon controlled by Devimon's Black Gears is nothing compared to the number of Digimon that were being controlled by the Digimon Emperor.

Scootaloo: Yeah hundreds of Digimon were enslaved by his reign of terror.

Pickle Barrel: That was terrible from what we heard.

Barley Barrel: No kidding. But thank goodness they both will never terrorize the Digital World again.

Magma Gloom: No kidding! But I can't help but wonder what Nico's reaction to learning that the Digimon Emperor was really Ken Ichijouji was like.

Man Boy: That is a really good question. How did they find out that he was the Digimon Emperor?

Flash Magnus: From what I was told Davis scratched Ken's ankle during a soccer match with his foot and it was thanks to that injury that they were able to find out.

Manboy: Boy that must've been a REALLY shocking revelation. I guess it's true what they say: "The Enemy of my Enemy Is My

Friend."

Whirlwind: Yeah that was intense!

Air Lincoln: I can't believe that MaloMyotismon would force Oikawa to turn such a sweet boy into a ruthless tyrant hellbent on ruling the Digital World with an iron fist.

Blossom: No kidding.

Bubbles: Poor guy.

Buttercup: That is one of the worst ever schemes we've ever seen.

Manboy: You got that right. Lets do it!

They fired waves of rainbows, lightning, wind and energy and smashed him down.

Flora: OH YEAH!

Rainbow Dash: That was AWESOME!

Loki Loud: Yeah that is a good thing and we were shocked to see how dangerous Devimon really was.

Pinkie Pie: It was terrible. But thank goodness we destroyed him.

Featherweight: Yeah no kidding.

Somnambula: (Egyptian Accent) It was terrible that he was that dangerous. Devimon was one of the ultimate evils of the Digital World.

Sprocket: But his evil paled in comparison to that of MaloMyotismon and Apocalymon.

Steel Lynn: Yeah no kidding. That was nuts!

Crag: The Digidestined sure had one amazing adventure not just on Earth but all over the Digital World as well.

Rip: They have a huge responsibility to both worlds.

Chunk: And that is really amazing.

Slab: It sure is. I think it's great.

Gloriosa Daisy: I do too. And all Digimon are cool.

Stinky Butt: They sure are. Lets do it!

Crag: Come on fellas!

Ripping Friends: IT'S RIPPING TIME!

Loki fired a fart blast from his butt and it hit Stinky Butt and smashed him down and they fired waves of metal, gears, lightning and energy and smashed him down and the Ripping Friends all pulverized Stinky Butt and smashed him down.

Loki Loud: OH YEAH!

Pinkie Pie: BEST USUAL BATTLE EVER!

---

Femme Fatale was next.

Femme Fetale: (to Alexis) Nico must've despised Devimon with a vengeance. I wonder if he hated him just as much as he hated Brightburn.

Alexis Rhodes: After everything Devimon did in the Digital World, I wouldn't be surprised. But I think Nico's hatred towards Devimon might be that strong.

Rarity: That would be really scary if he had that strong a level of hatred.

Sweetie Belle: It sure would. But thank goodness we made sure that Devimon was destroyed for good.

Kerfuffle: (Minnesota Accent) That was terrible from what I was told about him. Sounds like he gave you all a huge amount of problems doncha know.

Thunder Terror: Yeah Devimon was awful. I can tell how dangerous he was and that he gave the Digidestined a huge helluva rough ride when they first met him.

Mistmane: He must've been one dangerous opponent.

Sable Spirit: Yeah no kidding. But at least the Digital World will be a safer place without him from now on.

Gill Grunt: That is a good thing. But there are still other Digimon that will cause problems.

Liquid Leni: But we'll totes be ready for them.

Jasmine: We sure will. But it's cool that we're going to face Digimon.

Mindy: Yeah it sure is.

Mai Valentine: I think so too and this is gonna be awesome.

Aquaman: Oh gosh there was a lot of Digimon. But lets see here. There was Meramon, Andromon, Monzaemon, Unimon, Leomon, Frigimon, Mojyamon, Centarumon, Whamon and Drimogemon.

Applejack: Hoowee. Those are all Champion Level Digimon.

Apple Bloom: Andromon and Monzaemon are actually Ultimate Level Digimon.

Applejack: Oh. But that is awful how many Digimon he controlled.

Frozen Fright: But those number of Digimon pale in comparison to the number of Digimon that was under the control of the Digimon Emperor.

Rockhoof: (Scottish Accent) No kidding lads. That was awful.

Autumn Blaze: It sure was. I'm glad that Tai and Nico and friends all saved them.

Coloratura: Me too. It's terrible how there can be so many Digimon controlled by Devimon and the Digimon Emperor.

Flashwing: No kidding. That was terrible. I don't blame Nico one bit for having that big of a grudge against both Devimon and the Emperor.

Melter: Do you guys know what Digimon were controlled by the Digimon Emperor?

Aquaman: Oh gosh it's a long list. But it was A LOT of them.

Stone Luna: But we heard that Agumon was part of it.

Melter: WHAT!? The Digimon Emperor got Tai's Agumon!?

Stone Luna: Yeah he sure did!

Mera: That fiend! But if he ever comes back Tai is gonna dish out some pain on him!

Cozy Glow: They pale in comparison to him.

Trixie Lulamon: But I bet they are nowhere near as powerful as me, The Great and Powerful Trixie!

Triple Berry: But we'll be ready for them.

Lucina: Oh no, I was hoping that I'd never hear that voice. You can come out now, Rudolf.

A figure came out of the shadows, and it's none other than Albein Alm Rudolf I, the tyrannical warlord and fourth Emperor of Rigel.

Lucina: Rudolf, I thought I would never have to deal with you again.

Lincoln: He's definitely someone none of us want to meet. What can you tell us about him, Lucina?

Lucina: You won't like what I'm going to tell you, Linky.

Lucina proceeded to tell us about Rudolf, and we weren't going to like it one bit.

---

# Rudolf (Fire Emblem)

Emperor Albein Alm Rudolf I, simply known as Rudolf, is the central antagonist of Fire Emblem Gaiden and its remake Fire Emblem Echoes: Shadows of Valentia. The fourth Emperor of Rigel, Rudolf is also Alm's father and Berkut's uncle.

Rudolf is voiced by Takayuki Sugō in Japanese. In English, he is voiced by Jaimeson Price, who also voices Zephiel and Nemesis.

## Appearance

Rudolf is a burly bearded man clad in crimson and black armor with gold trim. He also wears a crimson crown and a purple cape with a white fur trim. In Fire Emblem Gaiden, Rudolf has brown hair and beard, but it was aged white for Fire Emblem: Shadows of Valentia. He wields a lance and a large crimson shield with gold edges.

## Personality

As Emperor of Rigel, Rudolf detested the state of his country, as his subjects forgot the concept of leisure in their pursuit of power above all else. He similarly despised what the neighboring country of Zofia was becoming, as its people slid into indolent hedonism. Rudolf blamed both nations' declines on the degeneration of their patron gods, Doma and Mila, and believed that freeing Valentia from their influence was the only way to save the country from total ruin. To accomplish this goal, he constructed the façade of an oppressive tyrant; so strong was his determination to produce heroes capable of ruling Valentia without the gods' influence that Rudolf accepted the his condemnation and inevitable death.

## Backstory

A young Rudolf joined the Rigelian army, rising through the ranks to become one of its most famous generals. This renown, along with his Brand of Duma and ability to wield Falchion, led to Rudolf's coronation as Emperor despite only being indirectly related to his predecessor, Rigel III. Shortly after his ascension, Rudolf met directly with Rigel's patron god Duma. Over the course of their meeting Rudolf was disturbed at the early stages of Duma's madness, as the War Father demanded he conquer Valentia in his name. Rudolf pledged dominion of the continent and made a show of preparing for war, while secretly meeting with Halcyon, High Priest of the Duma Faithful, for guidance. Halcyon foretold Valentia's eventual spiral into destruction, with its only hope resting with "The Children of Fate": one born in Zofia and a second in Rigel, both Branded. In the year 590, the Empress of Rigel gave birth to Albein Alm Rudolf II, who inherited Rudolf's Brand of Duma on his left hand. Upon learning that a Branded Zofian princess was born around the same time as his son, Rudolf realized that both were the prophesized Children of Fate and covertly visited Ram Village to meet with Mycen, a former Zofian knight exiled for protecting the aforementioned Princess Anthiese (now living as Celica) from the corrupt chancellor Desaix. After explaining his plan to instigate a war that would ultimately free Valentia from Duma and Mila's influence, Rudolf entrusted the newborn Albein to Mycen, hoping his son would grow into a great warrior.

## War of the Deliverance

Late in the year 604, Rigel began to enter a famine. When Zofia refused to aid its neighbor, Rudolf decided the time was right to execute his master plan. After receiving Falchion from Duma, Rudolf invaded the Temple of Mila, killing her and sealing her soul into the sword. With Mila's death, Zofia's crops withered, plunging the country into a famine of its own. As Desaix completed his coup against Zofia's King Lima IV, Rudolf officially declared war on the country. By 606, an adolescent Albein, now known as Alm, joined a resistance group called the Deliverance, eventually becoming its leader. Meanwhile Celica, long staying at Novis Priory for her safety, departed to search for Mila.

The War of the Deliverance culminated in Alm's charge on Rigel Castle itself. Determined to lead his men to the last, Rudolf commanded the castle's defense, but not before imploring his men to surrender to Alm should he perish in the battle. Indeed Rudolf fell that fight, but with his last words he revealed to Alm their true connection, and implored Alm to take up Falchion and slay Duma.

---

When Lucina was finished, we were horrified by Rudolf's actions. But, when Loni Loud heard it, his eyes narrowed in anger, and he narrowed his eyes in anger at the tyrant's ruthless and cruel actions. Suddenly, we felt something snap inside of Loni Loud's mind, as his eyes turned neon purple, and he was surrounded by a purple energy aura with stars, gravity, and gravity lightning crashing down to Earth, and as he approached Rudolf, he left purple energy, stars, gravity, and gravity lightning with every step.

Loni Loud: Rudolf, I will never forgive you for your heartless misdeeds. You tried to conquer Zolfia, and you oppressed your people with nothing but ruthless violence. That is unforgivable, and for that, I will put you down once and for all, YOU HEARTLESS, CRUEL, SADISTIC BASTARD!

We gasped in pure shock when we heard Loni curse at Rudolf, especially the Loud Brothers and Linka.

Me: Whoa, did Loni just…?

Lynn Jr.: Oh yeah, J.D. Loni may look like the nice guy of the family. But, now that he's just found out about the cruel, ruthless, and heartless crimes of Rudolf, that's just pushed Loni too far.

Nico: And now, he's going to tear that tyrannical warlord to shreds.

Then, Loni Loud screamed like a madman, as he was then surrounded by a massive vortex of purple energy with stars surrounding it and gravity lightning crashing down from the Heavens, we saw the image of King Ghidorah flying around the vortex, and inside the purple vortex was a sea-foam green phoenix. Then, as the vortex faded, Loni Loud emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Loni Loud grew to 7'0" in height, just like Me, Lincoln, Lynn Sr., Liam, Duke Lincoln, Loki, and Lynn Jr., he now had abnormally large and powerful upper and lower body muscles and eight-pack abs, he had neon purple eyes and a neon purple energy aura with stars, gravity, and gravity lightning surrounding him, he had King Ghidorah holding the Gravity Kanji in his claws emblazoned on his forehead, he had on King Ghidorah earrings with the Gravity Kanji in his claws and a necklace with King Ghidorah holding the Gravity Kanji in his claws for the pendant across his permanently bare chest, his blonde hair grew, and it reached to the bottom of his neck, and was tied in a ponytail. Loni Loud had massive blonde angel wings with sea-foam green tips on the large blonde feathers, and they had stars falling from the tips.

Loni Loud had on his new large cuff Bracelets of the Champions of The Universe with sea-foam green gems on his wrists, he now has his own massive Sword of King Ghidorah sword in his left hand, and it has King Ghidorah etched on the 6'5" massive, wide, double-edged blade, it still has the massive gold wings of King Ghidorah for the crossguard, the large sword had a large sea-foam green gem for the hilt, longer black handle, and King Ghidorah's heads for the pommel with sea-foam green gems in its mouths. Loni Loud now has on the same clothes as Loki Loud, Me, Lincoln, Lynn Sr., Duke Lincoln, Lynn Jr. and Liam, but his version of He Man 2002's loincloth is sea-foam green, he has on long sea-foam green trenchcoat flaps with stars and King Ghidorah on them, which were held up by his new Belt of Elemental Bravery with large sea-foam green gem for the belt buckle around his waist, he now has on large sea-foam green weighted bands on his large biceps and thighs, large black pants with stars on the legs, and a pair of large black leather ankle-high combat boots with silver armor on the toes. Loni Loud also has his new Eater of Sins revolver holstered on his left hip, and he now has eight large sea-foam green orbs orbiting around his legs.

Loni Loud has King Ghidorah from over the years tattooed on his now wider and much more muscular back, and there was a sea-foam green kanji right below King Ghidorah from over the years that said, "Loni Loud, Fashion Expert of The Genderbent Loud Siblings, Second Eldest Brother of Linka Loud, Master of The Stars and Gravity, Emissary of King Ghidorah, Slayer of Evil, Golden-Hearted Lover of His Brothers and Only Sister, and Awesome Member of Team Loud Fairywind and Team Loud Phoenix Storm."

Loki Loud has transformed into SUPER ANGEL 750,000,000,000 STELLAR GHIDORAH STARSTORM GRAVITY ANGEL OF KAIJU JUSTICE AND LOVE!

We were amazed by Loki Loud's Super Angel 750,000,000,000 transformation, but when Rudolf saw it, he fell into a rage.

Loki Loud: Holy crap, Loni's transformed. That's awesome.

Me: You said it, Loki.

Leni: Wow, Loni. You look totes awesome and ripped. How do you feel?

Loni Loud: (Divine Echoing Cosmic Voice of Ghidorah and Justice) **I feel incredible, Leni, and now, if you'll excuse me, I've got a tyrannical warlord bastard to kill.**

Nico: Oh yeah, show him no mercy, Loni.

Loni Loud: **Trust me, Nico. He deserves none after what he's done.**

Loni Loud went after Rudolf, who got out his lance, and they and they clashed violently as sparks flew across the field, starting fires, and Loni Loud was absorbing the fierce flames, making him even more powerful than ever. Then, Loni Loud blasted Rudolf with powerful blasts of sea-foam green and purple energy, stars, gravity, and Gravity Lightning, and they hit Rudolf, and they exploded with incredible power, and blew him all over the place. Then, with his massive Sword of King Ghidorah sword, Loni Loud slashed off Rudolf's arms off, and he screamed in even more excruciating pain.

Then, Loni Loud grabbed Rudolf and then, he tossed the tyrannical warlord into the air with his brute superhuman strength, and he'd prepared for his final attack.

Loni Loud: **Say goodbye, Rudolf. May you never return to plague the lands of Zofia ever again. DIVINE STARSTORM KAMEHAMEHA!**

Loni Loud fired a massive purple Kamehameha energy wave with stars, gravity, and Gravity Lightning surrounding it, then as it hits Rudolf, it exploded with incredible power.

Rudolf: DAMN YOU, TEAM LOUD PHOENIX STORM!

The resulting explosion killed him, and it obliterated his body completely, and his evil spirit was Super Hakaied forever. Everyone cheered wildly for what Loni Loud did, as he holstered his massive Sword of King Ghidorah on his wider and muscular back, and powered down, but his new clothes, weapons, large sea-foam green orbs orbiting around his legs, massive blonde angel wings, and jewelry were permanent.

Loki Loud: Whoa, Loni, that was so awesome. You really had it in you.

Loni Loud: Thanks, Loki. There was no way I was going to let someone like that tyrant, Rudolf, live, not after what he's done to the lands of Zofia.

Linka went up to Loni, and she hugged him, as Loni picked Linka up and hugged her.

Linka: That was so incredible, Loni. You really showed that tyrant what for.

Loni Loud: Aw, thanks, Linka.

Lori: Yeah, what you literally did to Rudolf, that was incredible.

Lincoln: Lori's right, plus, I've got the feeling that you and An are going to get together in the future.

Eddy: Just like how Leni and Ed got together.

Edd: Lincoln's right, and it's only a matter of time before Anny and

Lane Loud get together, as well.

We shared a laugh, but we know that it's going to come true one day, and once that happens, it'll be a blossoming of true love. We then set our sights on Strangesnork and we went at him and punched and pulverized him all over the place!

Me: Looks like the ocean is a safer place.

Melter: That's it for Dr. Strangesnork.

Me: Yep and I hope he likes the Enceladus Mad Scientist Prison.

Casey Kelp: Thanks for helping us, guys.

Trapster: It was our pleasure.

Me: Glad we can help you all out.

Allstar: I think so too.

Me: Well I think our work here is done. Great job today everyone.

Nico: Thanks man.

Casey Kelp: (To the viewers) Never trust an evil mad scientist or there will be trouble.

Me: Yep.

We went back home to the estate and the Snorks, Snorkland and Serena the Mermaid were all placed into our protection. We then enjoyed the rest of the day and went to sleep.

THE END

---

Aother awesome chapter done.

The Snorks was a great show from my past and it was so awesome! It was made 3 years after the Smurfs came out in 1984 and it was so awesome. The first part was for the Digimon Season 1 episode where the Digidestined met Andromon and battled him after he got a black gear in his leg. The second part was for the Courage the Cowardly Dog episode called The Sandman Sleeps and that was a cool one. It aired on March 13th, 2002 and it was a cool one. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this and so did the Guest Reviewer. Thanks guys. Awesome job today! Next rescue is gonna be in the Episode where Davis acquires the The Digiegg of Friendship and me, Eli, Allie, Nene, Maria, Marie, Missy, Erica, Qin, Lillian, Ellie, Simone, Miranda, Gina, Yolei and Alison Fury are gonna be facing Ken Ichijouji and MetalGreymon. It's gonna be great as we give that tyrant a piece of our minds! Yolei is gonna transform in that one so I'll need the Transformation Sequence for that and Yolei is gonna have a number of choice words for the Digimon Emperor! We're also going to meet Queen the Queen Bee and a Ranamon Gene-Slammer named Lillian Vega and she is a Cajun Girl. Also the next rescue for Lincoln is gonna be for where we go to Total Drama Island and Rarity is gonna have a few choice words for Heather the Queen Bee and she is not gonna like all of them! Also we're going to face Billy McLean who is back for revenge! The next chapter is gonna be for an original chapter that I made and it's gonna be the 16th Installment of My Little Pony. We're going to face a pony in Ponyville that EATS MEAT! That's right you heard me. We're going to face a meat-eating pony and we're going to stop her from terrorizing Ponyville.

See you all tomorrow

# A MEAT EATING PONY!

In the Digital World, me, Eli, Maria, Allie Wilde, Missy, Erica, Qin, Lillian, Ellie, Marie, Simone, Miranda, Gina, Yolei, Ken Ichijouji and Alison Fury the Gigantamax Moltres Gene-Slammer were walking through a canyon.

Alison: So this is where Davis got his first Digi Egg?

Me: Second actually. His first Digi Egg was the Digi Egg of Courage and that helped Veemon become Flamedramon. This is the Spot where Davis got the Digi Egg of Friendship and that is what lead him unlock Veemon becoming Raidramon.

Alison Fury: Oh I get it.

Alison concentrated and groaned as her hair fell out.

Eli: I have a feeling we're going to encounter the Digimon Emperor here and if that happens we're gonna give that tyrant a piece of our minds!

Yolei: Yeah he had it coming for a while.

Alison turned into GIGANTAMAX MOLTRES!

Missy: It'll be awesome tearing that monster apart!

Ellie: Especially after how he forced Nico to do all the stuff he did in the 20 Days of Darkness.

Allie Wilde: I heard about that and that was terrible.

Miranda: No kidding.

Me: Ken I'm sorry you have to see us face yourself as the Digimon Emperor again but I figure it would be therapeutic for us to face him.

Ken Ichijouji: No worries J.D.

Maria: Yolei, I know you had a crush on Ken before. But I hope you're okay with still being in love with Davis now.

Yolei: I am Maria and also I wanted to go with you on this mission to help out too. I have this feeling that I'm going to transform.

Maria: Oh I get it. That's gonna be awesome to see.

Eli: Wait what's that?

We looked and we saw a blue version of MetalGreymon and on its shoulder was KEN ICHIJOUJI THE DIGIMON EMPEROR!

Me: There they are! Lets get him!

We flew at him and then..

KROW!

I punched the Digimon Emperor onto the ground and he was down. He got up and he saw us and we were REALLY PISSED AT HIM!

Maria: I'm sorry. The Digital World's closed today! Better pack up your things and get the fuck outta here.

Me: And you have 10 seconds to leave!

Digimon Emperor: I'm not going anywhere! I rule this world and you all have no right to tell me what to do! I am the Digimon Emperor and you don't tell me what to do! I am the most powerful being in the Digital World! (Chuckles)

Me: Oh we don't huh? Let me tell you something Ichijouji! (Me and Nico's voice in Unison) Don't you think it's time you gave up on this little charade? It's getting old really fast. You say that you are the most powerful being in the Digital World and yet you have no idea about the powers that are here. You are nothing but a pretender. You're like that story The Emperor's New Clothes.

When I said that he was INCREDIBLY INSULTED and then he went BALLISTIC and GROWLED FEROCIOUSLY!

Digimon Emperor: YOU ARE NOBODY! NOT LIKE ME! YOU ALL WILL BOW DOWN BEFORE ME!

Me: Sorry but I don't listen to you! You're in no position to give any one of us orders.

Digimon Emperor: YOU WILL LISTEN TO ME!

He then slashed me across my left cheek on my face with his whip and blood dripped from my face. But then the Digimon Emperor saw his whip being dissolved by my poisonous blood.

Me: All you are is nothing but a coward Ken. Now we're going to rip you apart!

Allie Wilde: Starting with me!

ZOOM!

Allie flew at incredible speed and punched The Digimon Emperor in the face with devastating force and sent him crashing into a rock wall!

Suddenly, Yolei's eyes turned neon brown, and she was surrounded by a purple energy aura with wind gusts and tornadoes surrounding her, and as she approached The Digimon Emperor, she left purple energy, wind gusts, and tornadoes with every step.

Yolei Inoue: Digimon Emperor, I will never forgive you for what you've done to Ken and the Digimon, this time, I will make you pay for everything that you've done!

Then, Yolei Inoue by a massive vortex of purple energy with purple fire, wind gusts, and tornadoes surrounding the vortex, there was a hawk flying around the vortex, and inside the vortex was a purple phoenix. Then, as the vortex faded, Yolei emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Yolei Inoue grew to 6'0" in height, she had the body of a goddess, she had pink highlights on the bangs of her long purple hair, she has neon brown eyes and a purple energy aura with hawks, wind gusts, tornadoes, and purple fire surrounding her, she has a Hawkmon with the Wind Kanji in its talons emblazoned on her forehead, she has on Hawkmon earrings with the Wind Kanji in its talons and a necklace with a Hawkmon holding the Wind Kanji in its talons for the pendant, she has large purple angel wings with pink tips on the large purple feathers and winds surrounding them. She has on a sleeveless pink blouse with a purple phoenix on it, a hot pink skirt with wind gusts on it, hot pink pants, and hot pink leather ankle-high combat boots, and a hot pink sleeveless trenchcoat with wind gusts and hawks on the coattails and a Hawkmon on the back. Yolei Inoue has out her massive Sword of the Hawks sword in her left hand, Yolie Inoue has on her brand-new Bracelets of The Champions of The Universe with hot pink gems on her wrists, Belt of Elemental Bravery with large hot pink gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip. There's a pink kanji on the back below the Hawkmon that said, "Yolei Inoue, Dear Friend of Hawkmon, Digidestined of Okinawa, Loving Girlfriend of Davis Motomiya, Master of Wind and Tornadoes, and Slayer of The Eternally Damned."

ホークモンの親愛なる友人、沖縄のデジデスティネーション、本宮大輔の愛するガールフレンド、風と竜巻の達人、そして永遠に堕落したスレイヤーの井ノ上京栄

Yolei Inoue has transformed into SUPER ANGEL 750,000,000,000 DIGIDESTINED TORNADO HAWK ANGEL OF LOVE!

When we saw it, we were amazed by Yolei Inoue's Super Angel 750,000,000,000 transformation, and when Ken Ichijouji saw what happened to her, he had an atomic red blush on his face. But, when The Digimon Emperor saw it, he fell into a rage and was about to attack her with his whip. But, Ken fired a blast of light at him.

Me: Holy crap, Yolei's transformed.

Maria: You said it, J.D. Plus, when Ken saw what happened to her, he was blushing like crazy. And when The Digimon Emperor tried to attack her, he fired a blast of light at him. (To Ken Ichijouji) Nice shot, Ken.

Ken Ichijouji: Thanks, Maria. (To Yolei Inoue) And Yolei, you look really beautiful. How do you feel?

Yolei Inoue: (Divine Echoing Voice of Wind and Love) **I feel incredible, Ken, and now, I'm going to teach the Digimon Emperor a lesson.** (To Ken Ichijouji) **Would you like to join in?**

Ken Ichijouji: Count me in. I've got more than just a few choice words to say to that piece of crap for what he's done.

Yolei: (sighs) **Ken, I saw you were blushing at me when I transformed. But please remember that me and Davis are still a couple. I did have a crush on you before. But I've gotten over that. I hope you can understand.**

Ken Ichijouji: I do understand Yolei. I do. Thanks for reminding me. Now go kick that evil version of me's butt!

Yolei: **With pleasure!**

We went at the Digimon Emperor and punched and kicked and pulverized him all over.

Then Queen the Queen Bee appeared and she had a Ranamon with her.

Maria saw what appeared to be Ranamon.

Maria: (happy) Ranamon?! (to Digimon Emperor) Boy, are you screwed now!

Ranamon: (Cajun Accent) (Different Voice) I agree there my friend!

Maria: Wait a second. You're a Ranamon Gene-Slammer. And that voice! Lillian Vega! Is that you?

Ranamon: Maria? Wow! Maria Rockell!

They went and hugged for the first time in a while.

Maria: I didn't expect to see you here.

Ranamon: Me neither. I heard about what happened to you in the Big Bang and how you were turned into pure water.

Maria: A lot of things happened to me.

Lillian Vega: I know it sure has been a while! I have a lot of catching up to do.

Queen: Looks like you two have a reunion coming up.

We later knocked out the Digimon Emperor and we tied him up. Then I put on my blind man glasses and Eli and Ken covered their eyes and I snapped my fingers and Alison and Lillian were reverting back.

Alison: (regains her hair) Maria's really grown as a person ever since the first defeat of the Meta Breed.

Lillian Vega: I heard and I'm so happy for her.

They were done reverting and they were both n*** and Maria gave them both new clthes.

Lillian Vega: Wow! These look amazing!

Maria: I'm one of the members of the Gene-Slammer Emergency Fashion Brigade. We make new clothes for Gene-Slammers.

Simone: It's true. I think it's amazing.

Me: How do you know Maria, Lillian?

Lillian Vega: Me and Maria were partners in the Swimming Triathlon. We both won first place.

Eli: Wow! That is amazing!

Lillian: (holds her head in pain) Sorry, Maria. Looks like I'm about to transform out of these clothes you just gave me!

Maria: Reign in the power with the strength of your will Lillian. Many of my friends all did it and so can you.

Simone: Concentrate.

Lillian Vega concentrated and then she glowed in a neon blue aura and she was fully engrafted with her powers.

Lillian Vega: Wow! That was amazing.

Maria: Carol is gonna be so happy you are back with us.

Queen: She sure is. And it's gonna be an awesome honor to be part of the team.

Allie Wilde: It sure is. But what do we do with this dirtbag here?

Allie had the unconcious Digimon Emperor tied up and he was really mangled up by Yolei.

Me: I have a special prison cell at the Estate for him. Nico is gonna be having a good talk with him later on and Allie you earned the right to keep his Digivice.

Allie Wilde: Thanks J.D. and I also got this too.

She pulled out a D-Terminal.

Me: Cool! We'll have to find a good partner Digimon for you.

We went back to the Estate.

Back at the Estate, we arrived.

Nico: Hey guys. How was the rescue?

Me: It was great Nico. But we have some amazing surprises.

Carol: (Gasp) Lillian!? Is that you?

Lillian Vega: Carol!

Carol and Lillian hugged in reunion.

Nico: Another one of Carol's friends?

Me: Yep. She is now a Ranamon Gene-Slammer.

Maria: She and I were on the swim team together.

Nico: That's cool. (GASP)

Nico saw that I had the Digimon Emperor captured!

Nico: You caught the Digimon Emperor!?

Me: We sure did and he's now our prisoner. Figured you have a lot to talk to him about to get some answers.

Nico: That's true but wow!

We put him in the Estate Prison. It was a prison for prisoners we brought to the estate and because of everything that happened to us in the 20 Days of Darkness we gave him the Presidential Suite.

---

After dealing with The Digimon Emperor, this time for good and locking him up in our prison for life, Lincoln, Me, Nico, Eli, Rarity, Nicole, The Total Drama Crew, and Carter Grayson were heading to Camp Wawanakwa, and not only is Lincoln going to rescue the fourteen girls there, but we also got word that Heather the Queen Bee and Billy McLean are back, and they want revenge.

Lincoln: Wow, we're at Camp Wawanakwa, and I think I know what we're going to do here, not only am I going to rescue the fourteen girls here, but we also got word that Heather the Queen Bee and Billy McLean are back, and they want revenge.

Me: That's right, big guy.

Nico: Oh, I'm looking forward to knocking out more of Billy McLean's teeth.

Rarity: But, leave Heather to me, Nico. I've got a few choice words to say to Heather, and she's not going to like all of them one bit.

Eli: Ooh, this is going to be good.

?: HELP!

Suddenly, Lincoln heard the sound of fourteen girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He then saw the fourteen girls, but they've been cornered by Heather and Billy McLean, and they're going to kill them.

Lincoln: Guys, I found the fourteen girls, but they've been cornered by Heather and Billy McLean, and they're going to kill them. Come on, let's go.

Nico: That bitch. Let's rip them to shreds.

We rushed on over, and we pummeled Heather and Billy McLean brutally, and Lincoln tied them up in neon blue straitjackets, so they couldn't escape. Then, Rarity went up to Heather, and she was really mad at Heather.

Rarity: No words can describe just how much of a monster you really are, Heather. But, I already know what to say: you are nothing more than a two-faced, backstabbing, lying, little, no-good, selfish, bossy, manipulative, black-hearted, monstrous, QUEEN BEE BITCH!

Our jaws dropped to the floor when Rarity said that, and that caused Heather's eyes to widen in big time shock, but that shock was eventually replaced with rage as she was foaming at the mouth like a rabid dog and her eyes glowed red with pure evil. Then, Lincoln fired a blast of dark lightning at Heather, which made her see her worst fear ever: disowned by her family and her awards taken away forever. Then, Lincoln called the cops, and they loaded Heather and Billy McLean inside to take them back to prison.

Then, Lincoln and Nicole went up to the fourteen girls, and when Lincoln saw them, he recognized them. The fourteen girls were Akari Yomatsuri, Hana Mutou, Moco, Setsuna, Ai, and Lin from Captain Earth, Rui, Hotomi, and Ai Kisugi from Cat's Eye, Saeko Nogami, Kasumi Asou, and Chiemi Horikoshi from City Hunter, Kohaku, and Yuzuriha Ogawa from Dr. Stone.

Lincoln: Oh wow, it's Akari Yomatsuri, Hana Mutou, Moco, Setsuna, Ai, Lin, Rui, Hotomi, and Ai Kisugi, Saeko Nogami, Kasumi Asou, Chiemi Horikoshi, Kohaku, and Yuzuriha Ogawa.

Nicole: From Captain Earth, Cat's Eye, City Hunter, and Dr. Stone, awesome.

Lincoln: Are you girls okay?

Akari Yomatsuri: Yeah, we're okay, thanks to you.

Then, when Akari Yomatsuri and the other thirteen girls saw who it was that saved them from the Queen Bee bitch Heather and Billy McLean, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books right on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Akari Yomatsuri: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made thirteen clones of himself, and he and the thirteen clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Akari Yomatsuri: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We then returned to the Estate, and we told everyone in the Estate what Rarity did in telling off that Queen Bee bitch Heather, and they cheered wildly, and they also saw we beat her and Billy McLean up badly, and sent them back to prison. As for Heather, she was returned back to The Uranus Prison, but she and the other Total Drama sore losers were sent into separate cells in Solitary Confinement, and they were tied up in neon blue straitjackets and chained to the walls of their separate cells in Solitary Confinement. And as for Billy McLean, he was returned to his cell in The Neptune Prison for Traitors, but he was then chained to the wall of his separate cell in Solitary Confinement, and he got another Life Sentence added to his original sentence for breaking out of prison.

After throwing Heather and Billy McLean back in prison, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

After that, Lincoln, Jessica Shannon, Mai Shiranui, Sari Sumdac, Yuna Kamihara, Nanami Simpson, Toph Bei Fong, Julie Makimoto, Tatsumaki, Hilda, Shantae, Akko Kagari, Colette Brunel, Ryuko Matoi, Entrapta, Frosta, Perfuma, Starlight Glimmer, Sakura Kasugano, Karin Kanzuki, R. Mika, Menat, Fuu (Samurai Champloo), Cassandra Alexandra, and Chai Xianghua were getting ready for their date, and it's going to be at a popular dance club in the east of Gotham Royal York.

But, they're not the only ones going, Garrett and the X Squad members who've joined us are also going to the dance club as well.

Nico: Whoa, you guys are looking sharp. Where are you headed?

Lincoln: We're heading to the dance club in the east of Gotham Royal York.

Nico: Really? Oh, I've heard about it, that place is awesome with music and has a huge dance floor in the middle of the room, where people can bust out some awesome dance moves or for when couples want to dance.

D.J. Dalmatian: And I'm also one of the people who work there, supplying the music as the DJ of the dance club. Plus, we got the Dimitris working as the bouncers of the club, in case of party crashers.

Nico: Yeah, there's nothing worse than a party crasher. You guys have fun, and tell us about it when you come back.

Lincoln: Got it, Nico.

Lincoln, the girls, Garrett and the X Squad members headed for the dance club, and once they got in, it was a state-of-the-art dance club with amps and stereos, tables, colorful lights, and a massive dance floor in the center.

Lincoln: Whoa, this place is awesome.

Garrett: You said it, Lincoln. This is just like what Nico described, but seeing it for ourselves, this is awesome!

D.J. Dalmatian was already on the DJ stand, and as soon as his hands were on the records and the lights started to change, the party was beginning. Lincoln made clones of himself, and they danced with the girls he brought on his date, and Garrett and the X Squad members were also dancing to Michael Jackson's Smooth Criminal.

Outside, The Dimitri Trio were keeping watch. Suddenly, Dimitri 1 saw something in the air heading their way: it was Sancho and the rest of the party birds, and they were here to crash the party.

Dimitri 1: (Through a Communicator) D.J., we got trouble. Sancho and the Party Birds are heading this way to crash the party. Make a Shadow Clone and see if he can sniff out Sergio, I can bet he's behind this.

D.J. Dalmatian made a clone of himself, and he began tracking down the suspected Sergio. But, he'd remembered: Sergio's still at home and Ronnie Anne was keeping an eye on him to make sure he's not up to something.

D.J. Dalmatian: (Through his Communicator) Dimitris, Sergio's not here, Ronnie Anne's keeping an eye on him, and he's still at home. But, still, stop Sancho and the Party Birds, and send them back to Great Lakes City.

The Dimitris got on it, and they sent Sancho and the Party Birds flying back to Great Lakes City, with Sancho saying through coos, "You'll pay for this one day, Dimitris!", before flying of with his crew. And after that was done, Lincoln, the girls, Garrett and the X Squad members were done, and they were heading home, and they told us of their fun time at the Dance Club, and we know where we're going for our dates next time.

Plus, The Dimitris and D.J. Dalmatian came back, and they told us that Sancho and The Party Birds tried to crash the party, but the Dimitris sent them flying back to Great Lakes City, and Sergio wasn't the mastermind this time, he's still stuck at home and Ronnie Anne was keeping an eye on him, and we breathed a sigh of relief.

Dimitri 1: (British Accent) And we also remembered another thing: Sergio, Sancho, and The Party Birds were banned from the dance club after things got too wild, and trust me, you guys don't want to know what happened there.

Nico: Knowing those party animals, I can guess things got too crazy.

Dimitri 2: (British Accent) You said it, Nico.

After coming back, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily were joining with Lincoln at the gym, and as promised, Lincoln was going to teach his sisters to reign in their emotions, and like Lincoln, reach a more balanced state of mind.

Lincoln: Alright, everyone. Now, I need you all to get into a meditative stance, and block out all sorts of distractions and concentrate.

Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily did just that, and once they did, the sisters of Lincoln entered into their minds and they met up with their counterparts/ancestors from 250 trillion years ago, and they met up with their emotions, and after using the same tactic Lincoln used yesterday on the angry sides of themselves, who then broke down and they comforted them, their emotions turned into whirlwinds of colors and they merged with Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily.

And outside, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily were surrounded by massive vortexes of colorful rainbow fire and energy, and we felt them all getting even more stronger and stronger and stronger still, Then, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily emerged from the vortexes, and we felt their emotions have now become one with them, and the mythological creatures emblazoned on their foreheads now had rainbow colors.

Lincoln: Wow, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily, not only have you all gotten even more stronger and stronger and stronger still, but you're all now in a balanced state of mind.

Lori: That's right, and it worked, Linky.

Lynn: (Smiles) Yeah, I now feel more balanced mentally.

Lola: And we've also gotten even more stronger and stronger and stronger still.

The girls went up to Lincoln, and they all hugged. Me and Nico saw it for ourselves, and we had tears in our eyes and smiles on our faces.

Nico: (Smiles) Lincoln, you never cease to amaze me.

Me: Same here, bro. Lincoln continues to bring hope to others in need, including his own family. That is definitely why he's a Blue Lantern of Hope. I'm so proud of him.

We were impressed by what we saw, which means, the irredeemable better watch out, the new and improved Louds are coming for them, and things are going to get even Louder!

---

Later I was going to head out for a jog.

Me: I'm gonna go out for a jog. Be back in a few minutes.

Nico: Okay.

I went down to the surface. But then Aeleus smelled something and it was a really familiar smell.

Aeleus: (snuffs something) Oh, crap. I know that smell.

Nico smelled it too.

Nico: Oh no.

Jamesdean5842: Oh great. It's gonna be one of those days.

(HOW DRY I AM PLAYS)

Missy, Qin, Erica, Ellie, Poliwag and Poromon came and they were crazy drunk! Qin was in her underwear!

Qin went up to Nico.

Qin: (Slurred Speech) Hey Nico lets get down and dirty and make love. (HIC)

Missy: (Slurred Speech) Yeah we'll make awesome babies tonight. (BARNEY GUMBLE BURP)

Carol: Are you all right Ellie?

Ellie: (Slurred Speech) Hey buddy, get me 10 cheeseburgers, a tub of fries and do you sell pants?

Cranky Doodle: Are the 6 of you drunk right now?!

Horsea: And without me and Manaphy?!

Nico: Oh no!

Poromon: (Slurred Speech) Hey Nico what do you call a woman that takes forever to cook breakfast?

Luan: I don't know what?

Poromon: You call her Lois!

Luan laughed!

Nico: Why are you only in your underwear Qin?

Qin: I was supposed to be given $1,000 if I took off all my clothes. Where's where's Peter Griffin. He owes me $1,000 if I took off all my clothes. (BARNEY GUMBLE BELCH)

Laney: How did they get into the stash of beer?

Eli: Boy that is crazy!

Runamuck: After how many years the Quantum Girls spent apart, they, Poromon, and Poliwag have earned the right to get wasted.

Nico: Yeah I agree. Besides, I could get used to this.

Erica and Ellie were pressing their chests in his face and rubbing them on his chest like exotic dancers.

Erica: (Slurred Speech) How do you like that Nico?

Ellie: Beautiful huh? (BURPS)

Lori: That is really funny.

SLAP!

Poliwag hit Lori with his tail.

Poliwag: (Slurred Speech) YOU SHUT UP YOU DUMB BLONDE! (BURPS!)

As I was out on a jog, I was running through the streets of the city and dripping sweat like you wouldn't believe.

Me: Whew!

I then heard Opera Music coming from a house and it was on really loud.

Me: Wow someone is playing music really loud there.

I then heard faint calls for help and they were coming from the basement. They were coming from a woman.

Me: Huh?

I heard the call.

Me: Hmm.

I turned my X-Ray Vision on and I saw a man sitting in the living room with opera records playing and blaring and in the basement I saw a woman that was locked in a dungeon cell that was built in the basement and she was a prisoner and she looked like she was there for a long time. The man was playing the opera music that loud to block out the cries for help.

Me: OH HELL NO!

I then sprang into action and teleported into the basement and went to the door of the cell and then I pressed a button on the police call remote that I always carry with me. Then I ripped the door to the cell right off its hinges and the woman came running to me and she hugged me and cried hard into my chest.

Me: You're okay. Lets get you out of here.

I teleported outside with the woman and then the man came and saw the woman gone!

Man: NO! I WILL KILL HER!

The cops came and then I told Sheila and Tom everything.

Sheila: Oh my god! You found the missing Cherylton girl. She was missing for 7 months!

Me: WHOA!

Then backup arrived and the man came out with a 12 gauge shotgun and the cops ALL had their guns drawn at him and told him to drop or they would fire. The man surrendered and was arrested and then he looked at me with incredible hatred and then I recognized his face!

Me: Wait a second! You're Francis Gustovson, a serial rapist and serial killer that was wanted by the FBI and the police for the abduction, rape and murder of 75 people in 7 states!

Francis Gustovson: THAT RIGHT AND YOU RUINED ME J.D. KNUDSON! I WILL KILL YOU FOR EVERYTHING YOU DID TO ME!

Me: You did that all to yourself!

?: J.D.!

A girl no older than 14 years old came to me. It was my friend Hailey Gustovson, Francis's daughter and she came and hugged me.

Hailey Gustovson: (Crying Hard) Thank you! Thank you! I wanted to get rid of that monster forever! Thank you!

Me: It's all right Hailey. It's all right. Go pack your stuff and you can move into the estate.

Hailey Gustovson: Okay.

Francis looked at me and Hailey with incredible fury and hatred and he knew he was gonna try and kill us.

Hailey came back with her bags and then we teleported to the estate. But upon arriving we saw a chaotic scene.

Me: All right I think you guys all have had enough! (Snaps fingers)

They were back to normal but had a massive headache the size of Alaska.

Cybertron Red Alert: Are you guys okay now?

Qin: (Groans) I think so. (GROANS) My aching head!

Erica: (Groans) What the hell did we drink!?

Ellie: (Groans) I'm never drinking again.

Missy: (Groans) Thanks a lot Poromon and Poliwag.

Poliwag: You're welcome.

Poromon: Yep.

Qin: (Sees that she is in her underwear) WHOA! Where are my clothes!?

Eli gave them to her.

Qin: Thanks Eli.

Nico: Hailey? What happened?

Me: Really ugly story.

I told them everything and everyone gasped.

Lori: Oh man!

Me: Look.

I turned on the tv and we saw the story.

Katherine Mulligan: This is Katherine Mulligan with Gotham Royal York News and we have just received word that our own J.D. Knudson has caught the notorious Francis Gustovson and he is now officially arrested after J.D. rescued his next victim, Katherine Cherylson who was missing for 7 months.

Everyone cheered wildly for me.

Nico: Way to go J.D.!

Eli: Awesome job bro!

Me: Yeah I should go out for jogs more often.

Hailey Gustovson: I can't go to school guys.

Lori: Why?

Hailey Gustovson: Because everyone will think that I'm a murderer like my father!

Lori put her hand on her shoulder.

Lori: Hailey the blood of those people is on HIS hands. You are literally not to blame for any of his crimes. His sins are his only.

Leni: That's right Hailey. You should not blame yourself for his crimes.

Eli: He brought all that on himself and he will pay for it.

Me: That's right Hailey. As long as you are here under our protection he won't come near you.

Poliwag went to Lori.

Poliwag: (sheepishly to Lori) No hard feelings?

Lori: No hard feelings Poliwag. You were just drunk.

Laney: Yeah it happens. Like with me when I was eating all that hot sauce.

Sunset Shimmer: That sure was crazy.

Me: This time I'm gonna install a deadly security system on the fridge where we keep the alcohol and no one but my face is gonna unlock it.

Nico: Good thinking.

We got Hailey to her room and she was gonna be safe with us.

Francis Gustovson was indicted by the FBI on multiple counts of murder, rape, kidnapping, assault and attempted murder. He was loking at the Death Penalty for his crimes. He was convicted and sentenced to Death and he was executed 5 hours later by Electrocution and was buried in an unmarked grave. But Gustovson would not be done yet. He had many friends in the criminal underworld and they are gonna be coming after me.

Barricade: FYI, Nico, it's your turn to lead today.

Nico: I know.

Twilight Sparkle: We don't even know what our next mission is.

Spike the Dragon: Yeah. (BURPS)

A cloud came out and it formed into a paper and it was a message from Princess Celestia.

Twilight Sparkle: "My dearest Twilight, a situation is going down in Ponyville. A flesh-eating pony that eats meat is in Ponyville and is terrorizing the local populus and you have to stop her right now."

Me: A meat eating pony!?

Nico: That is completely bizarre! Whoever heard of a pony that eats meat!?

Spike: Wait I've heard about a meat-eating pony.

Sunset Shimmer: You have Spike?

Spike: I sure have. She's a crazy pony that was adopted by dragons in the Dragonlands and she eats only meat and no fruit or vegetables. She tried to eat gems but they broke her teeth and made them jagged.

Nico: Oh man!

Kangor, Touch & Go, Man Boy, Stinky Butt, Femme Fetale, Melter, Trapster, Po Kong, Saix, and Titanium Toenail then appeared.

Kangor: Can me, Touch & Go, Man Boy, Stinky Butt, Femme Fetale, Melter, Trapster, Po Kong, Saix, and Titanium Toenail go with you guys, mon?

Nico: You all sure can Kangor. But we're going on a weird mission. There's a crazy meat-eating pony that is walking around Ponyville.

Stinky Butt: A meat-eating pony!? Weird.

Trapster: What does it look like?

Me: Boy beats me.

Spike the Dragon: (BURPS)

Another scroll came and it showed a picture of her. It was a red girl pony with razor sharp teeth and she had red eyes, a singed off mane and tail and her cutie mark was two bones in an X shape. And she looked very reminiscent to Gollum from The Lord of The Rings.

Twilight Sparkle: This is a very easy description.

Twilight gave Nico the picture of the Meat Pony.

Nico: That's an easy pony to find. She looks like Gollum in Pony Form. She won't be too hard to spot. Lets head on out!

Skywarp: I'll fly in my vehicle form to find her.

Nico: Roger that. Eli you go with Thundercracker, Erica you go with Skywarp.

Erica: Okay.

Thundercracker and Skywarp transformed and Eli hopped in Thundercracker and Erica hopped in Skywarp and they hovered in the air to search.

We were off to Ponyville. When we arrived we saw the town closed up and no one was out on the streets.

Nico: They all must be inside. Good call.

Eli: We better stay alert.

Femme Fetale: This pony must be more dangerous than the Doomsday 23.

Nico: I don't think one pony alone can rival that of the Doomsday 23. Besides there would have to be a million of them to do that.

Me: That's true.

Nico: Hmm. (Into a radio) Nico to Waspinator, Terrorsaur, Airazor. Find anything?

Airazor: Airazor here. Negative Nico. Nothing in the Northern Part of Ponyville.

Waspinator: Waspinator here. Nothing in the southwestern side.

Terrorsaur: Terrorsaur here. Nothing in the northwestern side either.

Nico: This meat pony must be one heck of an elusive target. Nico to Captain Spitfire, do you copy?

Spitfire: (On the radio) Spitfire here Nico.

Nico: Join up with Thundercracker and Skywarp and help Eli and Erica search for the Meat Pony. This is one elusive target.

Spitfire: Roger that.

Mr. Touch: Me and Mr. Go will go with Spitfire too.

Mr. Go: That way, we can cover more ground.

Nico: Okay.

They flew into the air and went with Spitfire.

We were searching for the Meat Pony.

(PREDATOR THE CHOPPER PLAYS)

Nico: Man finding this pony is difficult.

Me: Hmm. (Into a radio) Cody how is everything on your part?

Cody was on the roof of Sugarcube Corner.

Cody (OC): This must be one dangerous pony we're dealing with J.D. I have my infrared vision on and it's searching for her.

Cody was looking around and he saw nothing out of the ordinary.

We were searching all over.

Overbite: How hard is it to track down one flesh-eating pony?!

Nico: Shh! Overbite, you want her to hear us?

Overbite: Sorry.

Me: Wait what's this?

I saw a puddle of green slime and I swiped my finger in it.

Nico: What's that stuff?

Me: Hmm.

I sniffed it and it smelled familiar. It smelled like relish.

I licked it.

Me: (Spits) Jellian Blood.

Nico: Jellian Blood? You mean like the Jellians that invaded Bikini Bottom? You don't think they were brought back do you?

Me: It's highly likely.

Venom: Okay. Which one of you is a Jellian in disguise?!

Nico: Venom calm down. Lets go.

Me: There's a trail and it leads to that sewer manhole cover.

Nico: Looks like we're going in. Lets go.

We went over and Nico lifted the lid and we all went down into the sewer.

Saix: Venom's right to be paranoid. The Jellians could be anyone.

Nico: They could be. But there is one trait that sets them apart from The Thing that makes them imperfect imitations and that is that the Jellians talk monotone style like they are from another planet and they have weird black eyes.

Saix: Ah that makes sense.

Then we heard something.

Nico: Shh.

Everyone regrouped and then Eli sensed something.

Eli: I sense something evil. Down that tunnel.

A roar was heard in the distance and we walked quietly down the tunnel.

We saw what appeared to be Patrick.

Plant Man: Hey, Patrick.

"Patrick": Hold the mayonaisse!

Nico: Jellian!

SQUIRT!

He squirted him with mayonaisse and then Jellian Patrick dissolved into green slime. YUCK!

Eli: Yep that's a Jellian.

Nico: Nice try Jellian.

May: Who knows how many Jellians are in this sewer!

Melter: I'm gonna melt any we see!

Numbuh 2: You'll need this then.

Numbuh 2 gave us all mayonaisse blasters.

Nico: Great thinking Numbuh 2.

Me: One thing all Jellians hate more than anything is mayonaisse. Something in it destroys them.

Eli: Good thinking.

Me: Also these creatures are aliens that want to replace us all. It's like what happened in the movie Invasion of The Body Snatchers.

Allie Wilde: I remember that movie. That was nuts.

Erica: No kidding.

Nico: Lets go.

We followed Nico.

Pain Yatta: But why can the Jellians only turn into people from Bikini Bottom?

Maria: Because they only live underwater in the ocean.

Me: Somehow they must've come onto land. I think this might be the work of the Aparoids.

Krystal: (British Accent) He's right. I sense it. The Jellian Patrick had such strange thought patterns when we saw it.

Trapster: There's also the fact that they didn't capture any of us, Spongebob, or Sandy the first time. They must be able to only turn into the people they captured before.

Nico: That is very likely. They caught Mr. Krabs, Patrick, Squilliam, Gary and a bunch of fish we met a few times.

Me: It's true.

Eli: Like him?

We saw "Squilliam."

Squidward: Is that Squilliam?

"Squilliam": No mayonaisse please.

Eli fired a mayonaisse blast and it hit him and dissolved him into slime.

Nico: Scratch another Jellian.

Sandy: Yep.

Triggerhappy: (to Squidward) That's right. They also got Squilliam since you were still in the Warp at that time.

Squidward: Boy a lot of things must've happened since we were in the Warp.

Nico: Yep. And some of them were weird.

We continued walking.

Stinky Butt: Are we getting close?

Eli: Yes. The Force is telling me that something is down there.

We saw a really dark tunnel that looked like a cave that lead into the mouth of Hell and there wasa very evil presence coming from it.

Nico: Whoa. Lets see here.

Nico fired a ball of fire and it went down the tunnel and then it hit something and exploded and out of the the explosion came THE MEAT PONY!

Nico: There she is!

Eli: That's her!

Nico: Entrance time!

We went at the Meat Pony as she landed in the sludge filled water and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind her and a phoenix cry was heard and the spirits of Mountains and Machines swirled around it and converged and then we came out!

Meat Pony: Meat fuel for me!

Nico: You look like a pony version of Gollum.

Fisticuffs: Do you have a name?

Meat Pony: Meat!

Me: She really loves meat.

Nico: No kidding.

Titanium Toenail: So, do we call you Meat then?

Meat Pony: Meat!

Nicole: She does have really good taste. I do like meat myself.

Laney: Yep.

Snake Man: Do you even realize that what you're planning to do here is illegal?

Meat Pony: MEAT! I MUST EAT MEAT!

Nicole: Obviously not.

Me: Yeah.

Nico: We need to stop you now.

Man Boy: Why are you even allied with the Jellians anyway?

Meat Pony: So they can give me more meat!

Nico: Geez!

Hood Sickle: You're a fool. The Jellians and the Aparoids have formed an alliance. As soon as they get what they want from you, they'll destroy you along with everyone else. They think we're all inferior beings!

Nico: That's right! You need to realize that.

Eli: It's true.

Po Kong: Look, I like eating food as much as the next person. But not people!

Jade: You wanted to eat me and a bunch of humans before!

Po Kong: Oh right. Sorry. But that was before.

Nico: Now it's time for us to make you see the error of your ways. But first.

Nico snapped his fingers and we were on the planet Tatooine!

Me: Planet Tatooine. Good choice.

Anakin: Home.

Turtle, Katnappe, Biowulf, Bane, Comic Book Guy, Mr. Fizz, Wrecking Crew, Yenaldooshi, Misty Tredwell and Copperhead then appeared.

Nico: Turtle, Katnappe, Biowulf, Bane, Comic Book Guy, Mr. Fizz, Wrecking Crew, Yenaldooshi, Misty Tredwell and Copperhead.

Turtle: So this is the pony that's been causing so much trouble?

William: She sure is.

Nico: Yep. Crazy huh?

Katnappe: At least she hasn't eaten anyone yet.

Biowulf: Why don't we keep it that way?

Me: That's what we're trying to do.

Bane: (to me) (Spanish Accent) We heard you fought the Digimon Emperor. Again.

Me: Yep and this time we put him in prison at the Estate.

Comic Book Guy: Is there any reason why he's locked up and not dead?!

Me: To have Nico talk to him from time to time and get some things off his chest and all that. You know to get some answers.

Comic Book Guy: That makes sense.

Rockstar then appeared for Round 2.

Nico: Rockstar. Back for round 2.

Rockstar: Yep and it's awesome.

Luna: Rock on dude!

May: Ever consider of forming a band?

Rockstar: That's not a bad idea. If we can find anyone.

Me: There's plenty of people to help out including Luna, Sam and their friends.

William: How about Crash and the Creeps?

Rockstar: Well, they do sound like a band.

Me: They do and they are awesome.

We got the usual battles underway.

Hikaru, Rarity, Sweetie Belle, Water Skylanders, Turtle Brothers, Barricade and Blackout VS Jai West A.K.A. Turtle (DC) - How horrifying it is that there is a pony that EATS meat

Turtle was first.

Turtle: (to Hikaru) It's horrifying that there's a pony that EATS meat. And this one isn't even a zombie!

Hikaru: I know and it's shocking. But Spike told us that this is a pony that was adopted by dragons and can only eat meat. No fruit or vegetables. Just meat.

Turtle: Whoa! A true Carnivorous Pony! It's like the whole world has gone mad!

Hikaru: I know! It would be like a Tyrannosaurus Rex eating plants and an Argentinosaurus eating meat.

Turtle: No kidding! That is a really freaky scenario. But I think I have a good idea. Maybe when Erica has her archenemy, the Meat Pony can be in her team.

Hikaru: That's a great idea! And Erica eats just as much meat as the Meat Pony now because she is a Tyrannosaurus Rex Gene-Slammer.

Turtle: Glad you think so. And Rarity that was so awesome how you laid down the law on Heather!

Rarity: Why thank you darling and may I say that she had it coming for a long time.

Sweetie Belle: You really told her sis!

Leo: You sure did! Great job!

Raph: Yeah! You and Lincoln REALLY laid down the law on her.

Turtle: I'm proud of both of you. I wasn't told what happened.

Sweetie Belle: I can show you.

Sweetie Belle showed the scene on her phone.

---

Rarity: No words can describe just how much of a monster you really are, Heather. But, I already know what to say: you are nothing more than a two-faced, backstabbing, lying, little, no-good, selfish, bossy, manipulative, black-hearted, monstrous, QUEEN BEE BITCH!

Our jaws dropped to the floor when Rarity said that, and that caused Heather's eyes to widen in big time shock, but that shock was eventually replaced with rage as she was foaming at the mouth like a rabid dog. Then, Lincoln fired a blast of dark lightning at Heather, which made her see her worst fear ever: disowned by her family and her awards taken away forever. Then, Lincoln called the cops, and they loaded Heather and Billy McLean inside to take them back to prison.

---

THE PRINCESS OF GENEROSITY, JEWELS AND FASHIONS REALLY LAID DOWN THE LAW ON HER!

Turtle: WHOA! Way to go Rarity!

They cheered for her.

Sweetie Belle: That is my awesome sister.

Turtle: (Laughs) You got that right. Lets do it!

They fired waves of lightning, jewels, water and ice and smashed him down.

Hikaru: Take that!

Rarity: Rapture darling that was grand!

Starfire, Pinkie Pie, Tech Skylanders, Blackfire, Were, Leomon, Thundercracker and Skywarp VS Katnappe - Looks like Nico is gonna finally confront his past with the Digimon Emperor

---

Katnappe was next.

Katnappe: (to Starfire) Looks like Nico is gonna finally confront his past with the Digimon Emperor. I just hope you guys will be at his side when he does.

Starfire: We sure will. Friend Nico has more than earned the right to get some answers from the monster that ruined him.

Pinkie Pie: No kidding. Especially during the 20 Days of Darkness. He is gonna need all the answers he can get.

Sprocket: You're darn right Pinkie Pie. J.D. really made the right call capturing him.

Blackfire: He sure did and that was awesome.

Were: I think so too.

Leomon: A most admirable call. Only a coward enslaves Digimon for his own selfish gain.

Katnappe: You said it. Lets do it!

They fired waves of metal, energy, gears and lightning and smashed her down.

Lucina: Oh no, I was hoping I'd never hear that voice ever again. You can come out now, Desaix.

A figure came out of the shadows, and it's none other than Desaix, the baron who overthrew the royal family of Zofia to become its' chancellor.

Lincoln: Whoa, this guy seems like he's nothing but bad news. What can you tell us about him, Lucina?

Lucina: You and the rest of the team won't like what I'm going to tell you, Lincoln.

Lucina proceeded to tell us about Desaix, and as predicted, we weren't going to like it one bit.

---

Desaix

Desaix is a major antagonist in the first half of Fire Emblem Gaiden and its remake, Fire Emblem Echoes: Shadows of Valentia. He is a baron who overthrew Zofia's royal family, becoming the country's chancellor.

He was voiced by Go Shinomiya in Japanese and Dan Woren in

English.

## Appearance

Desaix is a brawny, 48-year old man with a broad nose, square jaw. In Fire Emblem Gaiden, Desaix has short blond hair, muttonchops, and a large mustache, while in Fire Emblem Echoes: Shadows of Valentia, he also gains a beard. He wears purple armor with gold accents, as well as a red cape.

## Personality

Desaix justified his plot to assassinate the Zofian royal family with his belief that their patriarch, King Lima IV, was a hedonistic and poor leader spoiled by Mila's blessing. He also believed that Mila herself, growing slothful from her slow degeneration, no longer deserved to be venerated as a goddess. However, deep down Desaix himself is little more than a power-hungry schemer; when he does obtain authority he imposes heavy taxes on Zofia's populace and throws the country into famine. He is also a coward not above using body doubles to avoid coming to harm.

## Past

Desaix ingratiated himself with the Zofian royal family after claiming to prevent an assassination attempt on King Lima IV. The perpetrators, a branch of the royal family, were executed along with their kin, while Desaix received Lima IV's recognition and started to participate in governmental affairs. When Lima IV made poor leadership decisions, the high-ranking General Mycen attempted multiple times to reason with the king, only to be stopped by Desaix at every turn. Mycen was increasingly distanced from the royal family. The general populace was displeased by these events, but Zofia was a bountiful land, and as long as they could live in peace, the public was complacent. As a result, Desaix's political rise went unchallenged.

With Lima IV increasingly becoming a puppet to Desaix, any criticisms whispered to him would immediately lead to imprisonment or even execution. To further consolidate his power, Desaix conspired several deaths within the Zofian royal family and framed

Mycen for his crimes, resulting in the general's banishment. Some Zofian officers defended Mycen, but because he originally hailed from the rival country of Rigel, his departure was never scrutinized.

With the death of Lima IV's consort Liprica, Lima IV's poor habits and the kingdoms corruption worsened. One night, the villa the royal children lived in was set ablaze. Most of the villa's residents were slain by assassins hired by Desaix. The only survivors were Princess Anthiese, who was rescued by Mycen, and Prince Conrad, who fled to the Lost Treescape of Rigel.

## War of the Deliverance

In the year 398, Zofia rejected Rigel's request for assistance following a famine and drought, triggering an all-out war between both nation. For over a year, the inexperienced Zofian army was repeatedly defeated by the finely-honed Rigelian Army, and Rigel steadily crept into Zofian territory. Desaix contacted the Regelian Army's upper echelon and negotiated a cease-fire in exchange his appointment as chancellor, the retention of autonomy, and a large compensatory sum of gold. In truth, he had sold Zofia to Rigel. In the name of compensating the Rigelian Empire, Desaix collecting imposed heavy taxes, collected exorbant amounts of wealth and food from the citizens, and executed those who opposed his tyranny or were suspected of doing so. The Rigelian Army remained garrisoned in Northern Zofia and tensions continued to mount.

A year after the cease-fire, Desaix triggered a coup d'etat and killed the remaining members of the Zofian royal family, including Lima IV. Meanwhile, away from the capital, smaller Zofian villages became playgrounds for Desaix's thieving soldiers, increasing Zofia's poverty, while ruffians gathered and spread in influence. Around this time, the Deliverance was formed in order to oppose Desaix, though the chancellor captures the Zofian knight Mathilda to use her as leverage to force the surrender of the Deliverance's leader, Clive. Eventually, Clive was replaced as leader by Alm, and the Deliverance stormed Zofia Castle, killing the captain of the guard, Slayde. If they slew Desaix prior to Slayde, the chancellor is revealed to be no more than a body double, and the true Desaix flees to his personal fortress in Northern Zofia, taking the royal sword with him. When Alm's army arrives at the fortress to rescue

Mathilda, Desaix orders for her to be executed slowly with arrows. Forseeing the arrival of the Deliverance in advance, Desaix also requested aid from the Rigelian Army to finally thwart them. Despite this aid, however, Alm's forces rescue Mathilda and slay Desaix. With his dying breath, Desaix curses Mycen for giving Zofia to "Rudolf's pup", having secretly discovered Alm's true identity.

---

When Lucina was finished, we were horrified by Desaix's evil actions, but when Luke Loud heard all of Desaix's cruel actions even overthrowing the royal family of Zofia, his eyes in anger at Desaix's ruthless and cruel actions. Suddenly, we felt something snap inside of Luke Loud's mind, as his eyes had turned neon blue, and he was surrounded by an aqua blue energy aura with mermaids and ocean waves, and as he'd approached Desaix, he left aqua blue energy, mermaids, and ocean waves with every step.

Luke Loud: Desaix, I will never forgive you for your heartless misdeeds. You overthrew and murdered the royal family of Zofia all for your own selfish ambitions, and the villages and its villagers suffered because of your tyranny. And for that, you will suffer the consequences of your vile misdeeds and die the death of a tyrant in a pool of your own blood, YOU TWO-FACED, MURDEROUS, HEARTLESS, CRUEL, SADISTIC, TREACHEROUS BASTARD!

Nico: Uh oh, looks like Luke's snapped, and now, his fury is about to be unleashed.

Me: You said it, Commander.

Eli: DUCK AND COVER, PEOPLE!

Then, Luke Loud screamed like a madman, as he was then surrounded by a massive vortex of aqua blue energy with ocean waves surrounding it. There were the mythological Sirens swimming around the vortex and singing divinely, and inside the vortex was a purple phoenix. Then, as the vortex had faded, Luke Loud emerged, but he was changed forever.

Luke Loud grew to 7'0" in height, just like Me, Lincoln, Lynn Sr., Liam, Duke Lincoln, Loki, Loni, and Lynn Jr., he now had abnormally large and powerful upper and lower body muscles and eight-pack abs, he had neon aqua blue eyes and a neon aqua blue energy aura with ocean waves and mermaids surrounding him, he had a mermaid singing with ocean waves surrounding her and holding the Water Kanji in her hands emblazoned on his forehead, he had on mermaid earrings with the Water Kanji in her hands and a necklace with a mermaid holding the Water Kanji in her hands for the pendant across his permanently bare chest, his brown hair still had purple and blue highlights in the bangs, and the hair that reached down to the bottom of his neck was tied in a ponytail. Luke Loud now has massive brown angel wings with glowing aqua blue tips on the large brown feathers, and they had water dripping from the tips.

Luke Loud had on his new large cuff Bracelets of the Champions of The Universe with aqua blue gems on his wrists, the massive, wide, double-edged blade of his Sword of The Neptune Crusaders grew to 6'5" in length and the long black handle grew a little longer. Luke Loud now has on the same clothes as Loki Loud, Loni, Me, Lincoln, Lynn Sr., Duke Lincoln, Lynn Jr. and Liam, but his version of He Man 2002's loincloth is purple, he has on long purple trenchcoat flaps with ocean waves and mermaids on them, which were held up by his new Belt of Elemental Bravery with large aqua blue gem for the belt buckle around his waist, he now has on large purple weighted bands on his large biceps and thighs, large black pants with ocean waves on the legs, and a pair of large black leather ankle-high combat boots with silver armor on the toes. Luke Loud also has his new Eater of Sins revolver holstered on his left hip, and he now has eight large purple orbs orbiting around his legs.

Luke Loud has a mermaid tattooed on his now wider and much more muscular back, and there was an aqua blue kanji right below the mermaid that said, "Luke Loud, Awesome and Talented Rockstar of The Genderbent Loud Siblings, Third Eldest Brother and Guardian of Linka Loud, Master of The Seas, Music, and Mermaids, Emissary of The Sirens, Slayer of Evil, Golden-Hearted Lover of His Brothers and Only Sister, and Awesome Member of Team Loud Fairywind and Team Loud Phoenix Storm."

らしく才能のあるロックスター、リンカ・ラウドの3番目の長兄と後見人、海、音楽、人魚のマスター、サイレンの使者、悪の殺し屋、彼の兄弟の黄金の恋人、そして唯一姉妹、そしてチームラウドフェアリーウィンドとチームラウドフェニックスストームの素晴らしいメンバー

Luke Loud has transformed into SUPER ANGEL 750,000,000,000 MAELSTROM MERMAID ROCK STAR ANGEL OF JUSTICE!

We were amazed by Luke Loud's Super Angel 750,000,000,000 transformation, but when Desaix saw it, he fell into a dark rage.

Me: Whoa, Luke Loud's transformed.

Nico: You said it, Colonel, and he's going to make that tyrant suffer.

Luna Loud: Whoa, Luke, you look rocking and ripped, dude. How do you feel?

Luke Loud: (Divine Echoing Cosmic Voice of The Mermaid and Justice) I feel incredible, Luna, and now, it's time for me to rock and roll, AND BRING THE HOUSE DOWN ON THAT BASTARD!

Nico: Oh yeah, show him no mercy, Luke.

Luke Loud: Trust me, Commander, Desaix deserves none after what he's done.

Luke Loud went after Desaix, who got out his lance, and they clashed violently as sparks flew across the field, starting fires, and Luke Loud was absorbing the fierce flames, making him even more powerful than ever. Then, Luke Loud attacked Desaix with powerful blasts of purple and aqua blue energy, water, and mermaids of pure water, and as they hit Desaix, they exploded with incredible power and seriously drenched him. Then, with his massive Sword of The Neptune Crusaders, Luke Loud slashed off Desaix's arms, he screamed in even more excruciating pain.

Then, Luke Loud grabbed Desaix, and tossed the treacherous chancellor into the air with his brute superhuman strength, and he'd prepared for his final attack.

Luke Loud: (Divine Echoing Cosmic Voice of The Mermaid and Justice) Say goodbye, Desaix. This is for the royal family of Zofia and all those who suffered at your hands. DIVINE MERMAID MAELSTROM KAMEHAMEHA!

Luke Loud fired a massive aqua blue Kamehameha energy wave with mermaids and ocean waves surrounding it, and as it hits Desaix, it exploded with incredible power.

Desaix: DAMN YOU, TEAM LOUD PHOENIX STORM!

The resulting explosion killed him, and it obliterated his body completely, and his evil spirit was Super Hakaied forever. Everyone cheered wildly for what Luke Loud did, as he holstered his massive Sword of The Neptune Crusaders on his wider and muscular back, and powered down, but his new clothes, weapons, large purple orbs orbiting around his legs, massive blonde angel wings, and jewelry were permanent.

Luna Loud: Whoa, dude, now that's what I call rocking.

Luke Loud: Thanks, Luna.

Then, Linka went up to Luke, and she hugged him, as Luke picked her up gently and hugged her.

Linka: Luke, that was so awesome. Just like the others, you've definitely come a long way.

Luke Loud: Thanks, Linka.

Lincoln: You definitely brought the house down on that tyrant, and you made sure he dies in a pool of his own blood, Luke.

Luke Loud: Thanks, Lincoln.

The two of them bumped fists, as elemental forces and water came out from their fists. Then, we turn our attention to the meat-eating pony.

Chicken: Try Pork Butts and Tators! PULL!

Cow pulled a lever on a catapult and it fired pig butts and potatoes and they hit the Meat Pony all over and she ate them.

Chicken: How about going Bobbing for Meatballs!?

Cow and Chicken had a huge tub full of gravy and it had lots of meatballs in it and the Meat Pony dunked her head in it and pulled out a bunch of meatballs and her mouth was full of meatballs.

Chicken: (To the viewers) Don't ask where those came from.

Cow and Chicken were giving the Meat Pony meat all over and she was eating and eating and eating and eating! Until she was stuffed.

Meat Pony:
**BBBBBBBBBBBUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUU**

Sam (Total Drama): NICE ONE!

Me: Yeah! I would say she is stuffed. Now we can give her some dessert.

Eximiar, Slurhk, Ulfhedinn, Najarin, and Lystone blasted the Meat Pony all over.

Runamuck, Aeleus, Red Alert and Cranky Doodle used the Earth, Autobot and Equestria Cyber Planet Keys and they enhanced Runamuck's Friction Rifle, Aeleus and Cranky's powers and turned Cybertron Red Alert's rocket into a huge plasma cannon.

The X Squad fired countless amounts of produce at the Meat Pony.

The Meat Pony was buried in fruits and vegetables and she was REALLY down and we tied her up and we were back on Earth in

Ponyville.

Nico: Looks like this pony is going to be needing a lot of help.

We then fired waves of mayonaisse and reduced them to green slop.

Mr. Fizz: What do we do with the Meat Pony?

William: We get her some help.

Piledriver: Good idea.

Bulldozer: Then we decide if she goes in the Redemption Squad or Masters of Evil.

Yenaldoshi: And the Jellians are all dead.

Misty Tredwell: But what do we do with all this goo?

Copperhead: We could use it as flavoring in Krabby Patties.

Nico: I don't think that's a good idea. Lets just send it into the sun.

Me: Yeah this goo was made from the Jellians and they would transfer themselves to anyone. Just being cautious.

Fluttershy: (To the viewers) Looks like we went into a really fun adventure and it was so fun. Hope you all liked it.

Lincoln: We all did.

We sent the green slime of the Jellians into the sun and it was destroyed. We sent the Meat Pony to the Saturn Insane Asylum and then we enjoyed the rest of the day before we went to sleep.

THE END

---

Another awesome chapter done.

This was an original chapter. It was really cool and the Meat Pony was based on the OC made by Larsurus on Deviantart and that was a cool one. The 1st Part was for season 2 of Digimon and you didn't expect us to capture the Digimon Emperor did you. The second part was for Total Drama. It was time Rarity laid down the law on Heather. Francis Gustovson is someone I just made up. Same with Hailey. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this. Thanks guys. And thanks to the guest reviewer for the ideas. Thanks guys. We're going to make Mad Dog pay for his crimes.

# MASK OF THE TRAUMA CAT

This is a Revamped Version of Chapter 549

In Skylands, me, Allie, Eli, Maria, Marie, Erica, Qin, Missy, Lillian, Ellie, Haumia, Simone, Miranda, Gina Pele, Kurumu, Syrus, Dark Magician Girl, Lightning Rod and Laniya Thorndyke the Nihilego Gene-Slammer are over in the Cloud Kingdom and this is the home of Lightning Rod.

Laniya Thorndyke: Looks like we're back in Skylands.

Me: And this must be the Cloud Kingdom. I've always wondered what your home is like Lightning Rod.

Lightning Rod: It's a nice place fit for a god.

Eli: Boy it sure is.

Laniya: I think this is really cool

Laniya concentrated and groaned as her hair fell out.

Marie: (Russian Accent) I have a feeling I know who we're going to face here.

Maria: Yep and Nicole told me about him.

Laniya turned into NIHILEGO!

Erica: Who is that?

Maria: His name is Lord Stratosfear.

Maria told us all about him.

Lord Stratosfear is a minor antagonist in Skylanders: Superchargers. He only appears in the Cloud Kingdom level, though he is playable as a multiplayer-exclusive character for those who purchase the Sky Racing Action Pack. When the Skylanders arrive at the Cloud Kingdom, Lord Stratosfear has already aligned himself with Emperor Kaos and has struck a deal with him to prevent the Skylanders from taking the Thunderous Bolt, which the other Storm Giants agreed to give them. He believes that he and his people should have no business with commoners. The Skylanders eventually defeat him and take the Thunderous Bolt to go into the Land of the Undead after Count Moneybone.

---

When she was done we were shocked.

Haumia: Another usurper of power.

Kurumu: We've been dealing with a lot of those haven't we?

Dark Magician Girl: Yeah I can tell.

Me: This is gonna be so fun.

We flew on and we arrived at the castle of the Cloud Kingdom and we faced LORD STRATOSFEAR!

Maria: Yo, dirtbag! Turn around and get down on your knees!

Lord Stratosfear: I don't bow to anyone!

Lightning Rod: We'll strike you down with the power of thunder!

Haumia: Now it's time to burn!

Allie Wilde flew at Lord Stratosfear and smashed her fist into his face and knocked him down.

Wynn the Wind Charmer and a JetSilphymon appeared.

Me: Wynn the Wind Charmer and a JetSilphymon.

Wynn: Looks like we got here just in time.

JetSilphymon: We sure did. My name is Lola Namiko. It's an honor to meet you all.

Me: Pleasure to meet you too.

Maria: Lola, do you have any special talents?

JetSilphymon: I sure do.

She fired a blast of wind and it formed into a tornado and blew Lord Stratosfear around. Then she flew at him with incredible speed and spun her pinwheel around and slashed him all over the place.

Eli: WOW! That is fast!

Wynn: And awesome too!

Maria: I meant as a human.

JetSilphymon: Sorry. Also I'm a Wind Farm Technician.

Eli: Green energy woman.

JetSilphymon: Yep.

Kurumu: Looks like we're going to have to teach this guy a lesson before we talk more.

Suddenly, Kurumu's eyes turn neon purple, and she was surrounded by a purple energy aura with bats surrounding her, and as she approached Lord Stratosfear, she left purple energy, bats, and illusions with every step. Then Kurumu was surrounded by a massive vortex of purple energy with illusions dancing around the vortex, there were bats flying around the vortex, and inside the vortex was a blue phoenix. Then, as the vortex faded, Kurumu emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Kurumu Kurono grew to 6'0" in height, she had the body of a goddess, she has neon purple eyes and a purple energy aura with bats and illusions surrounding her, she has a Succubus with the Illusion Kanji in her hands emblazoned on her forehead, she has on Succubus earrings with the Illusion Kanji in her hands and a necklace with a Succubus holding the Illusion Kanji in her hands for the pendant, her large bat wings and tail have gotten larger for her new body, she has on a dark purple sleeveless blouse with a blue phoenix, dark purple skirt with bats on it, black pants, black leather ankle-high combat boots, and a dark purple sleeveless trenchcoat with bats and illusions on the coattails and a Succubus on the back. Kurumu has a new large sword in her hand called The Sword of The Succubus, it's a large sword with a Succubus etched on the 6'5" massive, wide, double-edged blade, large bat wings for the crossguard, large purple gem for the hilt, longer black handle, and large purple faceted sphere pommel with surrounding blue gems. Kurumu has on her new Bracelets of The Champions of The Universe with purple gems on her wrists, Belt of Elemental Bravery with large purple gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip. There's a blue kanji right below the Succubus that said, "Kurumu Kurono, Friend of Moka Akashiya, Member of The Newspaper Club, Succubus of Yokai Academy, Seductive Bewitcher of Men, and Master of Bats and Illusions."

赤夜萌香の友達、新聞部会員、妖怪学園サキュバス、魅惑的な男達、コウモリと幻想の達人、黒野くるむ

Kurumu Kurono has transformed into SUPER ANGEL 750,000,000,000 DARK SUCCUBUS ILLUSION ANGEL OF LOVE AND JUSTICE!

We were amazed!

Me: WHOA! Kurumu transformed!

Eli: Incredible! Wow! Kurumu you look incredible!

Allie Wilde: Wow you sure do. How do you feel?

Kurumu: (Divine Echoing Voice of Dark Illusionary Justice) **I feel incredible Allie and this power is gonna be more than enough**

**to make Lord Stratosfear quiver in fear.**

Me: Go get him!

She went and flew at him and smashed him in his face with a powerful kick and then punched him in the stomach all over and then kicked him in the face.

Lightning Rod fired waves of lightning and electrocuted Lord Stratosfear and then Marie went at him and then she got a powerful blue Traptanium Crystal Lightning Bolt Staff appear in her hands and then she fired a blast of lightning and electrocuted him and weakened him.

Maria: Whoa! This staff is amazing!

Me: You have your own Traptanium Weapon. Awesome!

Dark Magician Girl: That staff looks amazing for you.

Maria: It sure does.

Marie: I think this is amazing. Now to trap him.

Marie formed an Air Vortex and it went into an Air Traptanium Crystal that I had and it trapped Lord Stratosfear.

Lord Stratosfear: HEY! HOW DARE YOU TRAP ME!? LET ME OUT! It smells like mustard in here.

LORD STRATOSFEAR TRAPPED!

Me: Now the Cloud Kingdom is safe.

I then put on my blind man glasses and Eli, Lightning Rod and Syrus covered their eyes and I snapped my fingers and Laniya and Lola were reverting back.

Laniya: (regains her hair) Sorry that this hurts.

Lola Namiko: (Grunts) At least it's a human transformation.

They both reverted back but they were naked and Lola still had her awesome pinwheel.

Maria gave them both amazing clothes and they put them on.

Lola Namiko: These are cool clothes.

Eli: We make amazing clothes for all gene-slammers.

Wynn: They are really cool though.

Lola Namiko: (holds her head in pain) At least I'm keeping my pinwheel!

Haumia: And you still can keep it as a human.

Simone: Reign in the power of JetSilphymon with the strength of your will.

Miranda: Concentrate.

Lola Namiko concentrated and she was then enveloped in a neon purple aura and she was fully engrafted with the power.

Lola Namiko: Wow! That was amazing!

Kurumu: Boy it sure was and the best part is I got a new transformation out of it.

Syrus Truesdale: That is really cool.

Dark Magician Girl: It sure is.

Me: And not only that. We caught Lord Stratosfear.

I held up a Traptanium Shard of the Air Element and inside it was Lord Stratosfear.

Erica: Good riddance to him.

We were given medals by Queen Cumulus for our heroic defeat of Lord Stratosfear and later went back to the Estate and told everyone about what happened.

---

After trapping Lord Stratosfear in a Traptanium Crystal, Lincoln, Me, Nico, Eli, Nicole, Applejack, and Mack Hartford were heading inside Lori, and not only is Lincoln going to rescue the ten girls there, but we're also going to help Ozzy and Drix deal with Billy Blob Bile, and stop him from giving Lori a bad case of Appendicitis. We were in full-body wet suits for this one. Lori had been complaining about sharp pains in her sides and we fear that Appendicitis may be on the way.

Lincoln: (Groans) Oh man, we're inside Lori, and I think I know what we're going to do here, not only am I going to rescue the ten girls there, but we're also going to help Ozzy and Drix deal with Billy Blob Bile, and stop him from giving Lori a bad case of Appendicitis.

Me: That's right, big guy. The last time we were inside Lori, we were there to deal with that virus in her.

Lincoln: And when Applejack finds him, she's going to have a bunch of really harsh words to say to that ugly piece of dirt.

Applejack: You said it, Linky. Try to give my future sister-in-law appendicitis, he's going to regret this.

Eli: This should be good.

Me: Lincoln also had Appendicitis from what I remember and it was bad.

?: HELP!

Suddenly, Lincoln heard the sound of ten girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He saw the ten girls, but they, along with Ozzy and Drix, have been cornered by Billy Blob Bile, and he's going to kill them.

Lincoln: Guys, I found the ten girls, but they, along with Ozzy and Drix, have been cornered by Billy Blob Bile, and he's going to kill them. Come on, let's go.

We rushed on over, and we brutally mangled him before Lincoln tied him up in a neon rainbow energy straitjacket. But, that wouldn't be the end of it: there was more to come.

Lincoln: Billy Blob Bile, you've gone too far in trying to give Lori appendicitis. And now, you're going to pay for this. But first, there's someone who has a few words to say to you. Applejack, if you would be so kind?

Applejack: Actually, Linky, would you like to join in on this?

Lincoln: (Smiles) With pleasure, after all, he tried to give my older sister appendicitis. Let's give him what for.

Applejack and Lincoln walked up to Billy Blob Bile, and they weren't happy one bit.

Applejack and Lincoln: What you were trying to do to Lori is nothing more than pure evil. You have no respect for someone's organs, you are nothing more than AN UGLY, LOW-DOWN, GOOD-FOR-NOTHING, DIRT-BRAINED, SIDEWINDING, PIECE OF CRAP!

Our eyes widened in shock at the really harsh words Applejack and Lincoln said to Billy Blob Bile.

Me: Holy cow!

Nico: (Smiles) Whoa, nice one, you two.

Eli: Lincoln may be a nice guy, but we all know that if someone messes with his family, he's going to strike back with a fury.

Applejack: (Smiles sweetly at Lincoln) Alright, Linky, why don't you do the honors?

Lincoln: (Smiles sweetly at Applejack) With pleasure, Applejack. (To Billy Blob Bile) Say goodbye, you piece of dirt.

We arrested Billy Blob Bile and he was gonna be for all to see and more. So that we can have everyone see how dangerous he is.

Lincoln got the ten girls, and we got out of Lori's body, and put the wet suits in the hamper to get them washed, and we got a shower after that. Then, Lincoln and Nicole went up to the ten girls there, and when Lincoln saw them, he'd immediately recognized them. The ten girls were Balsa Yonsa from the Moribito series, Jenny Ai from Ninja Robots, Dita Liebely, Jura Basil Elden, Meia Gisborn, Barnette Orangello, Parfet Balblair, Paiway Underberg, Misty Cornwell, and Seran from Vandread.

Lincoln: Oh wow, it's Balsa Yonsa, Jenny Ai, Dita Liebely, Jura Basil Elden, Meia Gisborn, Barnette Orangello, Parfet Balblair, Paiway Underberg, Misty Cornwell, and Seran.

Nicole: From the Moribito series, Ninja Robots, and Vandread, awesome.

Lincoln: Are you girls okay?

Balsa Yonsa: Yeah, we're okay, thanks to you.

Then, when Balsa Yonsa and the other nine girls saw who it was that saved them from Billy Blob Bile, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books right on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of

Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Balsa Yonsa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made nine clones of himself, and he and the nine clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Balsa Yonsa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Lori: (Smiles) Bro, I heard those harsh words you and Applejack said to that miserable blob, that was literally amazing.

Lincoln: Hey, no one messes with my family and gets away with it, especially not a piece of dirt like Billy Blob Bile.

Applejack: You said it, Linky.

Lincoln also went up to Applejack, and he picked her up and he hugged and kissed her, and Lori goes up to them, and she joins in on the hug, and when the others heard what Lincoln and Applejack did in not only telling off Billy Blob Bile, but they also saved Lori from getting appendicitis. But unfortunately, Lori's appendix had to be removed by Lisa because Billy Blob Bile had caused her appendix to be damaged and she was gonna be in a lot of pain for a while. Ouch.

---

After capturing Billy Blob Bile, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

After that, Lincoln, Aikawa Chocola, Kazuki Arisaka, Kai Narita, Balsa Yonsa, Jenny Ai, Kukuru Misakino, Fuuka Miyazawa, Yohko Mano, Maetel, Tina Hamilton, Sylia Stingray, Aoi Asahina, Victorique De Blois, Haruka Gracia, and Alice Nakata were getting ready for their date, and it's at Emerald Coast, a place that Sonic and his friends have gone to numerous time.

Lincoln was dressed in large orange swim shorts with a thunderbird and elemental forces, and he had on his jewelry and weapons holstered, in case of trouble, Aikawa Chocola was dressed in a two-piece purple bikini with a chocolate bar on it, Kazuki Arisaka was dressed in a red two-piece bikini with ocean waves on it, Kai Narita was dressed in a purple two-piece bikini, Balsa Yonsa was dressed in a red two-piece bikini with a spear on it, Jenny Ai was dressed in a two-piece red bikini with a falcon on it, Kukuru Misakino was dressed in a two-piece blue bikini with ocean waves on it, Fuuka Miyazawa was dressed in a two-piece white bikini with ocean waves on it, Yohko Mano was dressed in a two-piece red bikini with the symbol of the Devil Hunters on it, Maetel was dressed in a two-piece black bikini with stars on it, Tina Hamilton was dressed in a two-piece white bikini with a phoenix on it, Sylia Stingray was dressed in a two-piece blue bikini with the symbol of the Knight Sabers on it, Aoi Asahina was dressed in a two-piece red bikini with the crest of Hope's Peak Academy on it, Victorique De Blois was dressed in a two-piece black bikini with the crest of Saint Marguerite Academy on it, Haruka Gracia was dressed in a two-piece black bikini with the moon on it, and Alice Nakata was dressed in a two-piece red bikini with a basketball on it.

Lincoln: Well then, girls, shall we get going?

Alice Nakata: Of course, Linky.

Lincoln took the girls by their arms, and they left for their destination: Emerald Coast. When they had arrived at Emerald Coast, it was a beautiful place with a large ocean and lush plants.

Alice Nakata: Wow, this is a beautiful beach you picked out, Linky.

Lincoln: Sonic told me about this place, it's known as Emerald Coast. He and his friends have been here many times, but to see it for ourselves, it's amazing. Shall we?

Lincoln and the girls dived into the waters, and they were swimming in the ocean. They also checked out the cascading waterfalls and they were a thing of jaw-dropping beauty, and they took pictures of the beautiful gardens there, as well. Then, after hours of relaxation and fun, Lincoln and the girls all came back to the Estate.

Me: Hey, Linc, how was your date?

Lincoln: It was awesome, J.D. We went to Emerald Coast.

Nico: Emerald Coast, Sonic's been there many times, but that's to deal with Eggman's goons. So, how was it?

Lincoln showed us the pictures of the beautiful gardens, the cascading waterfalls, and they were so beautiful.

Lily Loud: Wow, this place is so beautiful.

Laney: You said it, and the gardens are indeed a thing of beauty.

Leni: And thanks to Lincoln, we also have another spot to go to on Summer Vacation.

Lori: Or Spring Break, Leni, can't forget that.

Nico: Oh, right.

---

Later we were watching TV when Poliwag and Poromon came in with lots of bricks of cocaine.

Ashi: You two better have a good reason for having those drugs!

Poromon: It's a really good reason!

Poliwag: We're helping the city out.

Me: And I definitely see how you're doing it!

Nico: Looks like Francis Gustovson's friends are all coming here.

Eli: Like luring a mouse to cheese.

Lola Namiko: This is gonna be good.

Wynn: You got that right.

Sunny Starscout: As long as you two didn't use any of the drugs, it's fine.

Me: But we're still turning those drugs over to the cops.

Poromon: Fair enough.

Me: (Loads Hellfire Elephant Gun) Lets get those dirtbags!

Nico: YEAH!

We went to get them.

We came down to the surface and we were facing Francis Gustovson's friends.

Drug Dealer: Give us back our coke!

Motormaster: You want them? Come get them, assholes!

Me: Better get outta here or we're going to pump your fucking guts full of fire and lead! (Shotgun Clicks)

Drug Dealer 2: GET THEM!

They came at us!

BANG BANG BANG BANG BANG!

We were blasting them all over and smashing them all over.

Drug Dealer: For Francis!

Rodimus Prime: No wonder you guys came after us!

Lola Namiko: And it's time you all head to the Stony Lonesome! (Echoing) ULTRA TURBULENCE!

She fired a massive blast of ultra powerful wind from her pinwheel and BLEW THEM ALL AWAY with incredible wind power! The blast of wind was so powerful that it blew them all the way into cells of the Jupiter Prison! WHOA!

Nico: WHOA! Lola that was awesome!

Me: Awesome job Lola!

Lori: (Groans) You did a great job Lola!

Me: Yeah!

Laney: Awesome!

All of Francis Gustovson's friends were all found guilty of their crimes and sentenced to multiple sentences of Life In Prison Without Parole and some were even indicted in federal court and sentenced to death and were executed. Later we were getting ready for our next mission.

Snarler: FYI, J.D., it's your turn to lead today.

Me: I know. Lori I'm afraid you can't come with us on our mission today. You need to stay here and rest.

Lori: I understand J.D. and Applejack you really laid down the law on that germ.

Applejack: Aw shucks it was nothing.

Me: Don't worry though. Bobby, Leonard and your kids are gonna look after you.

Lori: Thanks J.D.

Lincoln: Now you and I have had Appendicitis, Lori.

Lincoln showed his scar for having his Appendix taken out too.

Lori: (Laughs) We literally have had it Lincoln.

Rainbow Dash: That's awesome. But thank goodness you two are okay.

Lori: Yep.

Me: You'll like our next mission though.

Then Turtle, Katnappe, Bane, Biowulf, Comic Book Guy, Mr. Fizz, Wrecking Crew, Yenaldoshi, Misty Tredwell, and Copperhead appeared.

Wrecker: Can me, Thunderball, Piledriver, Turtle, Katnappe, Bane, Biowulf, Comic Book Guy, Mr. Fizz, Bulldozer, Yenaldoshi, Misty Tredwell, and Copperhead go with you guys?

Me: You all sure can. Our next mission is to go to Nowhere in the Simulator and help Kitty and Bunny.

Katnappe: Didn't you guys do something like that already?

Bai Tza: Yes we did but that was what happened after Courage and Francesca saved Bunny and reunited her with Kitty the first time.

Katnappe: Oh I get it. (Sees Lori on the sofa) Lori are you all right?

Lori: I'll be all right. I literally had to have my appendix taken out.

Applejack: Lincoln's rescue believe it or not was inside Lori. I had to lay down the law on a germ that gave Lori appendicitis.

Bulldozer: Wow!

Lisa Loud: It's true and this is the germ right here. She had a bacterium called Bacteroides fragilis.

Billy Blob Bile was in a microscope slide and Katnappe looked and she saw him. Billy Blob bile appeared as a three eyed overweight character that seems to dress like a farmer based on his hat and pants.

Katnappe: Whoa. Ugly little turd.

Billy Blob Bile: Who are you calling a turd!?

Katnappe: Uh you ya freak.

Me: Yeah he was a disgusting little freak. You should've seen what he did to Lori's appendix though. It was gross. Anyway lets get going.

We went to the simulator.

---

In the simulator we were getting ready and then it activated and we were in Nowhere, Kansas.

Lady Deathstrike: (Japanese Accent) Here we are back in Nowhere.

Me: Yep and it looks like Muriel is getting eggs for breakfast.

Nico: And Courage is sleeping by the henhouse.

(Courage is taking a nap outside of the henhouse, while Muriel gathers eggs inside. The camera pans over and a mysterious figure in a white, flowing robe, and a massive white mask approaches him.)

Kitty: Dogs are evil.

Courage: (waking up) Huh?

(Courage looks up at her, sees the unsettling mask, and screams.)

Courage: AAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHH!

(Kitty is holding a kitchen sink, and starts pummeling him with it.

BOOM! BLANG! BLAM! BLANG! SMASH!

(Courage tries to crawl away.)

Muriel: Courage!

(Courage cackles deliriously, and his eyes and nose pop off)

Muriel: (steps out of the henhouse) Oh! playing with your new friend, that's grand. Pleased to meet ya, Courage doesn't make many friends ya know. We'd love it if you joined us for tea.

Courage: No, no, no! (protesting gibberish.)

Muriel: Fine, I'll let you two alone to play… Such a lovely girl.

(Courage tries crawling away again. Kitty, now holding a washing machine, pummels him again. )

THUMP! THUMP! THUMP!

We stopped her!

Me: Pick on someone your own size! What has Courage ever done to you!?

Nico: Yeah he didn't do anything to hurt you!

Kitty: Dogs are evil.

Me: Lets head inside and you can tell us about what happened to

you.

Kitty: (sees Scooby Doo, Yenaldoshi and Biowulf) More dogs!

Biowulf: Don't even think about it.

Me: They are with us. And they are good friends. Now lets just calm down and we can talk it over. Please.

Kitty: Fine.

We went into the Bagge Farmhouse.

(Cut to the kitchen. All of us, Muriel, Eustace, Francesca, KItty, and Courage are at the table having breakfast.)

Kitty: My name is Kitty, and I've come from the wrong side of the tracks.

Me: The Dark Side of The City as it's called.

Francesca: I've always hated going there.

Kitty: My closest friend, Bunny… (pours herself some tea)

Muriel: Yes?

Eli: Yeah?

Kitty: Fell in love with a gangster.

Muriel: Oh my!

Me: A Gangster? Oh man!

Kitty: He treats her like she's a slave.

Eustace: My kind of guy!

Me: Someone I would hate to the core.

Laney: Me too.

Bai Tza: Same with me.

Kitty: He's a low down dirty dog.

Biowulf: (Offended) HEY! I resent that!

Yenaldooshi: I'm not a dog, I'm a Loboan!

Scooby Doo: Rey!

(While Kitty says this, Courage rubs the lumps on his head from Kitty's earlier assault.)

Coconuts: You okay, Courage?

Courage: Do I look okay to you!?

Grounder: He looks fine to me.

CLANG!

Scratch hit Grounder on the head.

Scratch: Courage got smashed to pulp by Kitty you dumbbot!

Me: Yeah look at him. He looks like someone smashed him with a steamroller.

Eustace: Ha ha ha.

POW!

Nico punched him in the face.

BONK!

Francesca then bashed Eustace on the head with a Rolling Pin.

Eustace: OW! What did I do?!

Kitty: When he found out I was trying to get Bunny to run away… (brings her teacup to the mask's mouth; the tea spills) he threatened my life!

We gasped in shock!

Muriel: Oh my! Poor dear!

Me: If I find out whoever he is I am going to kill him! No one should treat you like that!

Turtle: I get it. This is probably an ex-boyfriend of yours!

Kitty: No we were not romantically involved. He is an enemy of mine.

Nico: Sounds very familiar.

Courage: (babbles angrily, gesturing to the bumps on his head and pointing at Kitty)

Muriel: Courage! Let our guest finish her story.

Eustace: Yeah! Shut up! Stupid interrupting dog.

CRUNCH!

I smashed Eustace's foot.

Me: You be quiet!

Kitty: I was forced to leave my home, and my best friend, Bunny. I'm lost without her, I can't bear to face the truth, that I'll never see her again.

Me: I'm sorry that happened to you Kitty.

Lana: Yeah we're sorry that happened.

Kitty: Thank you for your sympathies. But it's too late for me.

Muriel: Oh, such a pity.

Eustace: Take that mask off, you might see better.

POW!

Nico punched him in the nose.

Eustace: OW!

Nico: You be quiet if you know what's good for you cueball.

Me: Kitty we'll do everything we can to help you out. No one should ever be involved with Gangsters and we took care of over 5,000 of them earlier this morning.

Bai Tza: That's true. We sure did.

Headstrong: They were actually pals of Hailey's former father.

Me: It's a weird story.

Kitty: I see.

Me: But Kitty we will do what we can to help.

Bai Tza: That's right. We have helped you before but it was in a different time. Let me show you.

Bai Tza used her powers and copied and transfered her memories of what happened in chapter 549 and she was shocked and amazed. But glad that we'll do what we can to help her and Bunny.

Thunderball: Muriel, can we have some food before we head out?

Copperhead: Can't kick ass on an empty stomach.

Muriel: Certainly.

Muriel went to the kitchen to cook us food.

Me: Kitty you don't have to tell us all about Kitty's gangster boyfriend right away. You can tell us when you are ready.

Kitty: Okay.

(Later that day, Courage is laughing at a TV show. A puppet cat is kicking at a puppet dog.)

Courage: Ha, ha ha ha ha haaaa…

Lana: That is funny!

(Kitty walks in front of Courage, brandishing a dead fish. She smacks Courage with it.)

SMACK! WHAP! BLAM!

Muriel: (steps into the living room) Oh! There's my halibut. (Kitty continues hitting Courage) Not to bother, just have fun!

BAM! BLAM! BLONK! CLUNK!

(Muriel walks back into the kitchen, and Kitty keeps hitting Courage with the fish. Scene transition to the bathroom. Muriel is plunging the toilet. Courage enters, his head covered in bandages.)

Courage: Huh?

Muriel: Oh, see what you can do. I'll go get Eustace.

(She hands Courage the plunger and exits the bathroom, closing the door behind her. A moment later, Kitty opens the door to find Courage plunging. She approaches him.)

Kitty: Evil dogs.

(Courage yelps and shakes. Cut to the bathroom door, where Eustace enters.)

Eustace: Huh? Sorry… (Kitty is shoving Courage into the toilet with the plunger.) Sorry! (He exits, closing the door)

(Kitty continues using Courage to unclog the toilet, and he falls off of the plunger into the bowl. She slams the lid and flushes.)

Muriel: (hearing the flushing toilet) You fixed the toilet Eustace, good job.

Eustace: (coming down the stairs) Blah blah blah… shut up.

(Scene transition to kitchen. Everyone is having dinner, except Courage, who is hiding under Muriel's chair.)

Eustace: Whatcha hiding from anyway? Can't eat the food.

Me: Eustace!

(Courage howls with worry.)

Kitty: I simply don't wish to face reality.

Muriel: But my dear, we all must face reality.

Nico: She's right.

Kitty: Really? Like how you sneak extra sweets when no one is watching?

(Cut to the kitchen, earlier in the day. Muriel is raiding the fridge, and comes out holding a slice of chocolate cake. Kitty is watching from outside the window nearby.)

Muriel: Oh!

Eustace: Muriel!

Me: Now now. I do it all the time myself.

Kitty: And you, you say you can fix anything.

(Scene transition to the basement. Eustace is trying to fix the boiler, but it backfires into his face. In frustration, he lifts the boiler off the ground and throws it away.)

Eustace: Ha ha ha… Muriel! I fixed it!

(Kitty is watching from the open cellar door. Back to the dinner table.)

Eustace: Ahh! I'm going to bed. (He gets up and leaves)

Lana: Why do you think I helped him out from time to time?

Me: Well that is good.

(Cut to the attic. Muriel opens the window. A foldout bed has been set up for Kitty.)

Muriel: I've made a bed for ye here in the attic… I hope you'll be comfortable… Just shout if you need anything.

(Kitty sits on the bed, and watches Muriel leave. After Muriel closes the door behind her, Kitty sadly lowers her head. Scene transition to the bedroom of Muriel & Eustace.)

Muriel: Eustace? Do you think I eat too much?

Eustace: Nah! Dumb mask lady… I can fix anything.

Muriel: Well, goodnight Eustace. (turns off her lamp)

Eustace: Yeah yeah… Goodnight. (turns off his lamp)

Piledriver: Yo, Bulldozer, You awake?

Bulldozer: I am. Bubble Man, how about you?

Bubble Man: I'm awake as well.

Me: Looks like we're all awake. Now we can see if Kitty is ready to talk.

We went to the attic and we saw Courage at the door. Courage watches Kitty through the keyhole. She reaches into her robe's pocket, and pulls out a fluffy mouse toy with a little bell on its tail. She strokes it with one of her fingers, and it squeaks. She sets it down on the mattress and starts batting it back and forth with her paws. It bounces out of her paws, and she stops playing with it. She then stands up and lifts the mask off of her head and sets it by the computer desk. She turns toward the camera revealing her face: the face of a green-eyed cat. Courage's eyes bug out and he shrieks like a kookaburra for a few seconds before clamping his mouth shut.

We saw that Kitty was really an ANTHROPOMORPHIC GREEN-EYED CAT!

Me: Whoa!

Kitty: J.D.?

We opened the door.

Me: Yes Kitty? And we are not afraid of you being a cat. We have dealt with stuff like this before.

Kitty: Good. I'm ready to talk.

We came in. We gathered and she showed us her squeaky mouse and told us all about Bunny's toxic boyfriend Mad Dog.

---

Mad Dog is the main antagonist of the Courage the Cowardly Dog episode "The Mask". He is a brown anthropomorphic dog/pimp who took Bunny away from Kitty to be his lover/prostitute.

He was voiced by Jeff Bennett.

Mad Dog is an evil pimp and crime lord who kidnapped Bunny from her girlfriend, Kitty due to jealousy and made her into a prostitute. He forced Kitty to leave town as well. It was because of him that the Kitty believed all dogs were evil. Any time Bunny did something such as try to escape, he would punish her by burying her in a flower pot, leaving only her head to surface.

Being scarred by Mad Dog's actions, Kitty arrived at Courage's house, repeatedly beating him due to being under the notion that all dogs are evil. After Muriel invites her to stay at the house for a while, Courage is desperate to find a way to get rid of her. After he finds Kitty's squeaky toy (a gift from Bunny) he manages to find Bunny in Mad Dog's apartment after she's been put in a flower pot for trying to escape. Courage helps her out, but not before going through Mad Dog's minions.

After they escape to get to the train that Kitty's on, Mad Dog chases both Bunny with his car in an attempt kill her, but Courage dives through the window and spun the car onto the railroad tracks. A passenger trains approaches and Courage jumps out the car before it gets destroyed Mad Dog is left laughing and presumably utterly broken on the train's diesel-powered steam locomotive while holding the steering wheel. It's completely unknown if Mad Dog died afterwards by the impact or if the impact just rendered him dizzy at that moments, but it maybe possible that he eventually fell into the rails, allowing the train to run over him, or that he maybe fell off the train to the sandground, defeated albeit safe.

---

When she was finished we were shocked and horrified!

Nico: Oh man. Mad Dog is a true toxic boyfriend.

Laney: Yeah I know how dangerous he is too.

Lana: What a monster.

May: So he WAS an ex boyfriend!

Comic Book Guy: Worst. Ex-boyfriend. Ever.

Me: And it was because of him that lead you to believe that all dogs are bad.

Kitty: Yes.

Me: Well Courage is not like that as you saw in Bai Tza's memories. Now we know what we have to do. Kitty we're going to get Bunny out of there and deal with Mad Dog.

Nico: That's right.

Eli: Bunny was forced into a life she didn't want. Just like Zuko and Azula's mom Urza.

Nico: Yep.

Me: Don't worry Kitty. We'll get Bunny out of that mess.

Yenaldoshi: Me and Biowulf are dogs too. We'll I'm actually from another planet. And there are several good dogs among us. Like Scooby.

Scooby Doo: Reah.

Me: Anyway we better get ready. It's time to bring the fight to Mad Dog.

Francesca: And we're going to put that dog in the doghouse for good. Get ready Mad Dog. (Eyes glow Neon Pink) We're coming for you.

Me: But we can't let Muriel and Eustace know that we're gone.

Airi: Shouldn't we leave them a note?

Francesca: Yeah we better.

Francesca wrote a note for Eustace and Muriel saying that we will be back and that we're off to rescue Bunny from Mad Dog.

And she slid it under the door of Eustace and Muriel's bedroom. With that we were off. First we went to a diner to rest and see if we can ask for information.

Courage starts thinking again. He imagines Kitty's mouse toy surrounded by question marks, then changes to Courage presenting the mouse toy to a police officer. The thought bubble changes to army tanks and airplanes, and Courage starts to smile. The tanks surround the Kitty Monster. The scene changes to Muriel hugging Courage next to the bottom half of Eustace. Courage happily sighs as the thought cloud poofs away.

Courage is drinking a root beer float. He pulls out the mouse toy and looks at the bottom side. There is some writing.)

Courage: (reading the message) To: Kitty. Love, Bunny.

Me: Hmm.

Courage: Courage imagines Monster Kitty bursting through Muriel and Eustace's bedroom wall, roaring at them. The couple scream in terror.) Ahhh!

Charlie the Mouse: (entering) Hey! There'll be none of that around here! (looks down at the mouse toy) Ain't that Kitty's mouse? You a friend of Kitty and Bunny?

Me: As a matter of fact we are in a way.

(Courage speaks gibberish at length, pulling off his ears, eyes, and nose, and pulling out his teeth. As Charlie says his next line, Courage puts his body parts back in.)

Charlie: Right… Bunny's in a bad way without Kitty. These two was the sweetest gals that ever lived. But Bunny's guy, Mad Dog, he didn't like them being so… friendly like. He's one nasty piece of jealously. He and his gang live down the road. You know where. After you get Bunny outta there, tell her Charlie says, "Hey."

Me: Will do. Thanks Charlie.

We paid for the food and we went down the road. We arrived at Mad Dog's place. It's a rundown apartment building with sinister red light coming from all of the windows. Massive smokestack buildings make up the skyline in that part of town.

Me: This must be it. A rundown apartment building. Very stereotypical for someone like Mad Dog.

Nico: Yep.

Eli: Gives me the creeps.

Francesca: Not the kind of place I would live in.

Misty Tredwell: But for someone like Mad Dog it has to be perfect for him.

Me: Yep.

Misty Tredwell: I'll summon one of my monsters to distract Mad Dog.

Me: Good thinking Misty. But I don't think he's here yet.

Laney: Wait I hear something.

We heard a car.

Me: A car is coming. Hide.

We hid and pink Cadillac pulls up to the front of the building. It has a bone-shaped hood ornament, and the license plate "K-9". The car turns off, and a scary looking doberman with a leather jacket steps out. He sniffs the air. We all are hiding inside and underneath some of the broken down cars and Courage is shivering and holding his ears. The doberman growls, then sniffs the air some more, seeking out who smells so strange in his territory. The doberman sniffs the air once more, then his armpit. He shakes his head in disgust, confirming the source of the weird smell. He walks over to the other side of the car, where another doberman in a leather jacket opens the door. Mad Dog, a doberman with a spiked collar and a white wife-beater, exits the car.

Mad Dog: Move ya tail, Bunny.

(He grabs a sad looking pink rabbit girl wearing a fur coat by the arm and drags her inside. Courage holds up the mouse toy and inspects the bottom. He scratches his head.)

Courage: Bunny?

Me: (Whispering) That must be Bunny.

Nico: (Whispering) Poor girl. She REALLY had it rough here.

Eli: (Whispering) Yeah.

Ulmar: Misty, we could use that distraction right about now.

Misty Tredwell: Right. I summon DRAGON QUEEN OF TRAGIC ENDINGS!

She summoned said monster and the dragon roared and out came Mad Dog and his gang and this provided a perfect distraction for us to slip in. We went into Mad Dog's apartment and we found Bunny.

Me: Bunny. Shh. Come with us.

Bunny: Thank you all.

Katnappe: You're not hurt, are you?

Bunny: No thank goodness. But thank you all.

Me: Lets go.

We went back outside and we hid behind the cars and made it to the tracks and back to the truck. But then the dog gang saw us with Bunny!

Mad Dog: BUNNY!

Me: They saw us! Francesca floor it!

I pulled out a detonator and it was for a bomb we put on Mad Dog's car.

Francesca started up the truck and I pressed a button on the detonator and then…

KRABBBBBOOOOOOOOOOOOOOMMMMM!

It blew up their car and we got out of there and we made weird faces at the dogs.

Me: Boy that was a great rescue. But that was too easy.

Nico: Boy it sure was. But I have a feeling they will be coming for us.

Me: But the good thing is we got Bunny out of there safely.

Ludwig Koopa: While we're setting a trap for those bozos, let's get Bunny something to eat.

Me: Good idea. Without a doubt they will be coming.

We made it back to the Bagge Farm at sunrise.

Muriel: Courage, everyone where have you all been? We've been waiting for you all night.

Me: Sorry Muriel. We got big problems though.

We went upstairs and we saw Kitty and then Bunny came in.

Bunny: Kitty!

Kitty: Bunny!

They went and hugged.

Kitty: I was wrong Kitty. Not all dogs are bad.

Me: Hate to interrupt this reunion but Mad Dog and his gang are coming and they are INFURIATED!

Kitty: Then it's time to stop him for good.

Me: Yep. First lets get Bunny some grub.

We got her some good food. Mostly salads and carrots.

Jean Bison: Eustace, can one of us borrow your mallet?

Eustace: Always carry an extra.

He gave Jean Bison a big mallet.

Jean Bison: Now you're talking!

Me: Okay we're gonna be in for a big battle.

I had a scroll out and I unsealed a bunch of guns, rifles and shotguns and more.

Francesca: Now you're talking.

I had my Hellfire Elephant Gun ready and Nico a grenade launcher and we chose energy blasters and more.

Eli: This is gonna be good.

Mr. Fizz: (puts soda bottles on the ground) This will give those fools a surprise before the entrance!

Nico: Nice.

Me: This is gonna be good.

Laney: Yep.

Eli: I sense something coming from the southwest.

We saw small dust trails and then we saw MAD DOG AND HIS GANG AND THEY WERE REALLY PISSED!

Me: Here they come!

Mr. Fizz fired strawberry soda cannons and they hit Mad Dog and his gang with red soda!

Viceroy (Randy Cunningham): I hope that stained their clothes!

Their clothes were red with strawberry soda.

Me: It sure did. Lets see how they like this!

I had the shotgun ablaze with fire and then I fired and the blast hit the ground in front of Mad Dog and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Mad Dog crashed into a garbage pile!

May: Now for the entrance!

Me: Lets do it!

We flew at Mad Dog and his gang.

Mad Dog growled ferociously and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off in front of the 3 dogs and a phoenix cry was heard and then the spirits of reptiles and animals of elements Swirled around the explosion. Mostly the Duel Monsters Raging Earth, Silent Abyss, Umbral Soul, Radiant Spirit, Firestorm Prominence and Destruction Cyclone. Then the spirits converged and then we came out.

Me: Mad Dog and gang, you three are going to the Doghouse!

Bane: I hope you enjoy being broken.

Mad Dog: We'll see about that! (GROWLS)

Me: You give all dogs everywhere a really bad name!

Nico: That's right!

Bunny: I don't know what I was thinking dating you!

Mad Dog: I take you from a two-bit joint and make you a class act, and you want to make me second-rate?!

Nico: With take kind of attitude it's no wonder people never will like you!

Applejack: Yeah you stupid sidewinder!

Kite Man, Taskmaster, Dayu, Mojo Jojo, Electropede, Baron Mordo, The Rowdyruff Boys, Felix Faust, Seadramon and the 10,000 Volt Ghost appeared.

Me: Kite Man, Taskmaster, Dayu, Mojo Jojo, Electropede, Baron Mordo, The Rowdyruff Boys, Felix Faust, Seadramon and the 10,000 Volt Ghost.

Kite Man: Good thing you got Bunny out of there.

William: I know, right?

Me: It was a little too easy.

Taskmaster: You guys should make sure Bunny has a new home after this.

Me: That's what we plan on doing.

Dayu: She needs it after everything she's been through.

Me: She sure has.

Mojo: (to me) We heard you went to Skylands again.

Me: We sure did.

Electropede: Where did you go this time?

Me: We went to the Cloud Kingdom and we saw Lightning Rod's home and took down Lord Stratosfear. Ellie trapped him in an Air Traptanium Crystal.

Ellie Singh: It's true. See.

She showed the shard with Stratosfear in it.

Electropede: Wow! Awesome job Ellie.

Ellie: Thanks. And we met Wynn the Wind Charmer as well as a JetSilphymon Gene-Slammer.

Lola Namiko: Yep. And that gene-slammer is me. I'm Lola Namiko. Pleasure.

Kite Man: Pleasure to meet you too.

Scatterbrain then appeared for round 2.

Me: Scatterbrain. Back for round 2.

Scatterbrain: Yep.

Nico: Awesome.

William: We want to thank you for erasing Dash and Kwan's memories.

Scatterbrain: No problem. Do you want me to erase anyone else's memories in the future?

Me: We'll call on you if we do.

Scatterbrain: Okay then.

Just then, Vypra appeared, and she had some news for us that she's been wanting to tell us.

Me: Hey, Vypra.

Vypra: Hey, J.D. I've got some news for you: I've found the perfect archenemy for Sherlock Hound, and as soon as Misty told me that the Legendary Dark Knight Sparda has returned and is now bound to him forever, I got to work on finding an archenemy for him.

This surprised us, including Sherlock Hound.

Me: (Surprised) Really, where is he?

Suddenly, we saw a mist of shadow heading this way, and as the mist of shadow faded, in its place was ARDYN IZUNIA, the Chancellor of Niflheim.

Nicole: Oh, no way, Ardyn Izunia.

Me and Nico: The Chancellor of Niflheim himself?

Ardyn Izunia: That's correct, J.D., and it's a pleasure to meet you, along with you, Nicole Knudson, Goddess of Video Games, and Nicolas Chan.

Me: Same here.

Vypra: Ardyn had the qualifications of a member of The Masters of Evil: he has honor and get this, he knows everything about Sparda, because Ardyn also lived 2000 years ago, and he's read the history of Sparda himself.

Sherlock Hound: (British Accent) That's quite interesting to hear, Vypra.

Sparda: (Through the large red jewel on Sherlock Hound's neck) Indeed.

Me: It sure is. Ardyn lived around the same time as Sparda's rebellion against Mundus and his forces of the Underworld.

Ardyn Izunia: That's right. And Vypra had already told me of what you did in slaying Sayer, Detective of Sparda.

Nico: Detective of Sparda?

Me: I think I know why he chose that nickname, Sherlock Hound is a well-known private detective in his world, and now, he has Sparda in him and bound as a guardian demon of Sherlock Hound.

Ardyn Izunia: That's correct, J.D. (To Sherlock Hound) And now, shall we begin, Sherlock Hound?

Sherlock Hound unholstered his Fang of The Demon Hound large sword from his wider muscular back and he then transformed into Super Angel 750,000,000,000 Stellar Darkness Demon Hound of Dark Compassion and Justice.

Sherlock Hound: (Divine Echoing Darkness Voice of Compassion and British Accent) Of course, Ardyn. Of course, I also have a surprise up my sleeve as well.

Suddenly, Sherlock Hound's blue eyes turned red, as Sparda took over.

Sparda: (Through Sherlock Hound's Body) Prepare yourself, Ardyn Izunia, or do you prefer your real name, Ardyn Lucis Caelum.

Ardyn Izunia: Ah, that voice, I should've known. It's been 2000 years, Sparda.

Sparda: (Through Sherlock Hound's Body) Indeed it has, Ardyn.

Ardyn Izunia summoned his Rakshasa Blade, and he threw it.

Sparda: So, Ardyn's going to do a Warpstrike, huh? Well, time for me to counter with a Warpstrike of my own.

Sherlock Hound threw his Fang of The Demon Hound large sword, and then, he and Ardyn appeared and they clashed with their swords.

Ardyn Izunia: Most impressive. Now, I hope you also remember this, Sparda.

Ardyn Izunia then summoned The Royal Arms, the weapons that only those of the royal bloodline of the Lucis bloodline can wield.

Sparda: (Through Sherlock Hound's Body) The Royal Arms, I couldn't forget. Now, it's my turn, I've also been training Hound in all of the techniques that my sons have, and I think you know of Vergil's trademark technique.

Then, Sherlock Hound created the Summoned Swords, which took on the physical appearance of The Force Edge, and he fired them at Ardyn, and they pierced him. Then, with one final attack, Sherlock Hound knocks down Ardyn Izunia. Then, the Chancellor was helped up by Sherlock Hound, who had powered down, and his eyes changed back from red to blue.

Ardyn Izunia: Bravo, Sherlock Hound and Sparda. That was truly a most interesting performance.

Sherlock Hound: (British Accent) Thank you, Ardyn.

Ardyn Izunia: You've already passed the test, and indeed, I can expect more from you both. Oh, and if there's a slight chance that Moriarty and his gang were to break out from their Containment Card prisons.

Sherlock Hound: (British Accent) Actually, that's going to be an impossibility, thanks to Lincoln. He also used a spell to make sure they never break out. But, if they do, they'll be in for a nasty surprise.

We got the usual battles underway.

Drama Sore Losers.

Applejack: Now that would be an amazing sight to see. But thanks for the compliment there.

Felix Faust: You're welcome Applejack.

Apple Bloom: That would be amazing to see Rainbow Dash bash Jo's brains into mush.

Mad Dog: Not until I get Bunny back!

Me: When are you gonna get a clue? She was forced into a life she didn't want and you took her away from her best friend and even threatened her life! You have love for no one but yourself!

Troy: Mad Dog, you're under arrest for abusing your girlfriend.

Megaforce Rangers: Legendary Ranger Mode: SPD!

The Megaforce Rangers turned into the SPD Rangers!

?: I will make sure that all of you will die here!

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight large marine blue orbs orbiting around Liam's legs, the eight large scarlet red orbs orbiting around Lynn Jr.'s legs, the eight large blue orbs orbiting around Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs were glowing, and that means big trouble was coming.

Celica (Fire Emblem) Oh no, I was hoping I'd never hear that voice again. You can come out now, Chagall.

A figure came out of the shadows, and it was none other than Chagall, the arrogant and foolish king of Agustria who usurped his benign father's throne under Manfroy's manipulation.

Celica (Fire Emblem): I should've known that you'd show up here, you paranoid tyrant. You just don't know when to quit, do you?

Me: Whoa, it sounds like you've got a nasty history with him, Celica. What can you tell us about him?

Celica (Fire Emblem): You won't like it, J.D.

Celica proceeded to tell us about Chagall, and we weren't going to like it one bit.

* * *

Chagall

Chagall is a supporting antagonist in Fire Emblem: Genealogy of the Holy War. He is the arrogant and foolish king of Agustria during the first generation of the game's events, usurping his benign father's throne under Manfroy's manipulation.

Biography

Chagall is the son of Imuka, King of Agustria, and the last descendant of Hezul. Unlike his father, who was benign and well-revered, Chagall was an arrogant, hateful and self-serving figure who was hungry of power.

At the start of the story, Chagall had joined Manfroy's conspiracy in order to seize more power for himself. Under Manfroy's machination, Chagall murdered his own father, usurped the Agustrian throne, and started a war against Grannvale. Nevertheless, Chagall lost against Sigurd and was only saved by Eldigan, his most loyal general whose ancestor had sworn to protect the Agustrian royalty for generations. Then, Eldigan and Sigurd striked an agreement between themselves, with Sigurd making peace in the land and leaving Agustria within a year, since Eldigan believed that no matter who Chagall was, he should not be killed since he was the last descendant of Hezul.

Under Eldigan's protection, Chagall went into hiding in the next six months, whilst starting a corrupt rule in his land. He was condemned by his people, believing that he was an inept ruler unlike his father. They wished that Eldigan would take the throne from Chagall, but Eldigan's duty and loyalty made him refuse to do so.

After his six months of hiding, Chagall broke the agreement himself by provoking the Grannevale army and fought against Sigurd without honor. Nevertheless, he was still defeated. Eldigan was forced to move and confront Sigurd's force, and then he discovered his own sister Lachesis was also on Sigurd's side.

If the siblings had confronted, Lachesis would beg her brother not to fight further and persuade Chagall to give in. Eldigan was moved by his sister's pledge and returned to reason with Chagall. He tried to persuade Chagall into yielding and hiding, since it was the best thing to do for a man that was both Agustrian king and descendant of Hezul. However, Chagall was so much an ingrate that he executed Eldigan for it, believing him to be a traitor after speaking this idea. Before his execution, Eldigan finally realized that Chagall was beyond redemption and thus this inept king had doomed his once-proud family inheritage.

After Eldigan's death, Sigurd's army confronted Chagall, who attacked them and gloated to Lachesis about her brother's demise. However, after being abandoned by Travant, Chagall was eventually slain by Sigurd's army.

When Celica was finished, we were horrified by Chagall's murderous and paranoid actions.

Me: Whoa, this guy is really bad news.

Nico: No kidding, he murdered his own father and usurped the throne, and he even killed someone he'd trusted, that's sick.

But, no one was more enraged at Chagall's actions than Lane Loud, as he narrowed his eyes in anger. Suddenly, we felt something snap inside of Lane Loud's mind, as his eyes turned neon yellow, and he was surrounded by a rainbow light aura with light animals, and as he'd approached Chagall, he'd left yellow energy, rainbow light, and light animals with every step.

Lane Loud: Chagall, what you've done was nothing more than pure evil. You have murdered your own father to usurp the throne, you murdered your trusted Eldigan, and you brought nothing but ruin to your own bloodline, and all for your paranoid and delusional lust for power, and for that, I will see to it that you will die here like the monster that you are, YOU MURDEROUS, PARANOID, PSYCHOTIC, CORRUPT TYRANT BASTARD!

Me: Oh crud, Lane's snapped big time!

Nico: Oh yeah, and now, he's going to take it out on Chagall, and make him suffer the same fate as all the others, at the hands of Lynn Jr., Loki, Loni, and Luke.

Then, Lane Loud screamed like a madman, as he's surrounded by a massive vortex of rainbow energy and yellow light and suns surrounding it, there were light animals running around the vortex, and in the vortex was a Fairy and a Sun. Then, as the vortex faded, Lane Loud emerged, but he, like his four other brothers, was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lane Loud grew to 7'0" in height, just like Me, Lincoln, Lynn Sr., Liam, Duke Lincoln, Loki, Loni, Luke, and Lynn Jr., he now had abnormally large and powerful upper and lower body muscles and eight-pack abs, he had neon yellow eyes and a rainbow light energy aura with light animals surrounding him, he had a sun with a fairy and mermaid holding the Light Kanji in their hands emblazoned on his forehead, he had on fairy earrings with the Light Kanji in her hands and a necklace with a mermaid holding the Light Kanji in her hands for the pendant across his permanently bare chest, his longer brown hair that went to the bottom of his neck was tied in a ponytail, he no longer has on braces and he now has permanently straight teeth. Lane Loud now has massive brown angel wings with glowing rainbow tips.

Lane Loud had on his new large cuff Bracelets of the Champions of The Universe with rainbow gems on his wrists, the massive, wide, double-edged blade of his own Sword of Sulis grew to 6'5" in length and the long black handle grew a little longer. Lane Loud has on the same clothes as Loki, Loni, Luke, Me, Lincoln, Lynn Sr., Duke Lincoln, Lynn Jr. and Liam, but his version of He Man 2002's loincloth is yellow, he has on long rainbow trenchcoat flaps with fairies, griffins, rainbows, dragons and more flying on them, which were held up by his new Belt of Elemental Bravery with large rainbow gem for the belt buckle around his waist, he now has on large yellow weighted bands on his large biceps and thighs, large black pants with light animals on the legs, and a pair of large black leather ankle-high combat boots with silver armor on the toes. Lane Loud has his new Eater of Sins revolver holstered on his left hip, and he now has eight large yellow orbs orbiting around his legs.

Lane Loud has a Sun held in the hands of a Fairy and Mermaid tattooed on his now wider and much more muscular back, and there was a yellow kanji right below the Sun held in the hands of a Fairy and Mermaid that said, "Lane Loud, Awesome, Talented, and Hilarious Comedian of The Genderbent Loud Siblings, Fourth Eldest Brother of Linka Loud, Master of Light and Laughter, Emissary of Sulis, Slayer of Evil, Golden-Hearted Lover of His Brothers and Only Sister, and Awesome Member of Team Loud Fairywind and Team Loud Phoenix Storm."

レーンラウド、素晴らしい、才能のある、陽気なコメディアンのジェンダーベントラウド兄弟、リンカラウドの4番目の長兄、光と笑いのマスター、スリスの使者、悪の殺し屋、彼の兄弟と唯一の姉

妹の黄金の恋人、そして素晴らしいチームラウドフェアリーウィンドとチームラウドフェニックスストームのメンバー

Lane Loud has transformed into SUPER ANGEL 750,000,000,000 SOLARSTORM FAIRY AND MERMAID ANGEL OF LIGHT JUSTICE!

We were amazed by Lane Loud's Super Angel 750,000,000,000 transformation, but when Chagill saw it, he fell into a dark and murderous rage, like the paranoid tyrant he is.

Me: Whoa, holy crap, Lane's transformed.

Nico: You said it, bro, and that transformation's sent Chagill into a dark and murderous rage.

Luan: Whoa, Lane, you look awesome and ripped. How do you feel?

Lane Loud: (Divine Echoing Cosmic Voice of The Sun and Justice) **I feel incredible, Luan, and now, if you'll excuse me, I've got a paranoid and murderous tyrant to kill.**

Nico: Oh yeah, show him no mercy, Lane!

Lane Loud: **Trust me, Nico, he deserves none after what he's done.**

Lane Loud went after Chagill, who unholstered his sword, and they clashed violently as sparks flew across the field, starting fires, and Lane Loud was absorbing the fierce flames, making him even more powerful than ever. Then, Lane Loud attacked him with powerful blasts of rainbow energy, rainbow light, and animals made of pure light, and as they hit Chagill, they exploded with incredible power and the bright lights had blinded him. Then, with his massive Sword of Sulis, Lane Loud slashed off Chagill's arms, and he screamed in excruciating pain.

Then, Lane Loud grabbed and hoisted up Chagill, and tossed the paranoid tyrant into the air with his brute superhuman strength, and he'd prepared his final attack.

Lane Loud: **Say goodbye, Chagill. May you be damned forever**

**to the darkness of Oblivion for all eternity, and never find the light again. DIVINE LIGHTSTORM KAMEHAMEHA!**

Lane Loud fired a massive rainbow Kamehameha energy wave with rainbow light and light animals, and as it hits Chagill, it exploded with incredible power.

Chagill: DAMN YOU, TEAM LOUD PHOENIX STORM!

The resulting explosion killed him, and it obliterated his body completely, and his evil spirit was Super Hakaied forever. Everyone cheered wildly for what Lane Loud did as he holstered his massive Sword of Sulis on his wider and muscular back, and powered down, but Lane Loud's new clothes, weapons, and jewelry were permanent.

Luan Loud: Lane, that was so awesome. I guess it proves that you're both a hilarious comedian and an awesome hero.

Lane Loud: Thanks, Luan.

Then, Linka went up to Lane, and she hugged him, as Lane picked her up gently and hugged her.

Linka: Lane, that was so awesome. Just like the others, you've definitely come a long way.

Lane Loud: Aw, thanks, Linka. Plus, tomorrow, you're going to be the next one to transform. Lynn Jr. already transformed when he fought against the High Priestess of Aku.

Lincoln: That's right, and we can't wait to see your new Super Angel 750,000,000,000 transformation tomorrow.

Nico: Along with fighting the lowlife scum that shows his ugly mug here.

Me: You said it, dude.

We then turned our sights back to Mad Dog.

Me: It's buttkicking time!

We went at Mad Dog and his gang and punched and pulverized them all over the place.

BAM BIFF BONK BLAM SMASH THUMP ZOINK THWACK POW BOP WHAP SMACK KROW FWOMP BLANG ZONK THOTH CLANG WHAP WHAM!

We were really smashing them to pulp!

Me: Time for this!

I activated my Ultimate J.D. form with my Omnitrix.

Me: Ampfibian!

I fired a blast of lightning from my hand and it hit Mad Dog and electrocuted him all over with incredible power.

I reverted back.

Me: Time for some fun! Leobreaker and Wingsaber!

Me: Chew on these!

I fired a massive barrage of energy missiles and laser blasts and they hit Mad Dog and his gang and exploded with incredible power all over.

Wingsaber: I've had all I can take of these bad dogs!

Kirby: Lets see how they like this!

Kirby turned into Spark Kirby and he fired a blast of lightning energy and electrocuted them all over.

Psimion blasted and smashed Mad Dog and his gang all over the place.

Me: Take a wiff of this!

I pointed by butt at Mad Dog and then…

FFFFFFFFFAAAAAAAAAAAAAAARRRRRRRRTTTTTTTTT!

I fired a massive blast of blue fire from my butt and it hit them and burned them all over the place.

Rodimus Prime, Sunny Starscout, Motormaster and Ashi used the Earth and Autobot Cyber Planet Keys and they enhanced Rodimus Prime's Photon Eliminator, Sunny's magic, Motormaster's Atom Smasher Cannon and Ashi's powers 100-fold.

The cops came and arrested Mad Dog and gang and sent them to prison for life.

Roscoe: Looks like Mad Dog got what he deserved.

Desoto: You said it.

Me: Yep and he's going to prison for life.

Baron Mordo: (to Bunny) Are you okay now, Bunny?

Bunny: Yes. Thanks to you guys.

We enjoyed the rest of the day and went to sleep.

THE END

---

Another awesome fanfic done.

The Mask episode of Courage the Cowardly Dog was a really dark episode and it was a funny one too. The episode aired on October 18th, 2002 and that was a freaky one for 4 days after my 15th Birthday. The first part was for the Skylanders Superchargers level for The Cloud Kingdom and that was a cool level. Thank goodness we took down the evil Lord Stratosfear. The second part was for the Ozzy & Drix villain Billy Blob Bile who was really an Appendicitis bacteria that gave Hector Appendicitis. We took care of that clod for good. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this. Thanks guys and thanks to the guest reviewer for the awesome scenes. The next rescue for me is gonna be for something that I saw in a dream from long ago. It's something I've been wanting to do for a while. It"s called Rescue from Quicksand Swamp. This is gonna be where me, Allie, Eli, Maria, Missy, Erica, Qin, Ellie, Lillian, Marie, Haumia, Lola Namiko, Simone, Miranda, Gina Pele, Vivi Nefertiri and Christina the Arceus Gene-Slammer are going to rescue 2 School Girls named Namiko and Yuri who got lost and are on the run and being persued by evil murderers. Vivi is gonna transform and we're also going to meet Hiita the Fire Charmer as well as a Pyronite Gene-Slammer named Kimi Lao. Lincoln's rescue is gonna be in the world of One Piece and we're going after Don Krieg and his men and cash in their bounties alive. The next chapter is gonna be for the Search For Candy Island as we go into the world of The Marvelous Misadventures of Flapjack and we're going to meet Flapjack, Captain K'nuckles and Bubbie and we're going to Stormalong Harbor and we're also going to face Peppermint Larry and we're going to show that Carnie what for.

See you all tomorrow

# Adventures of Stormalong Harbor

In a Dark and foreboding swamp, me, Eli, Allie, Maria, Haumia, Erica, Missy, Qin, Marie, Lillian, Ellie, Lola Namiko, Simone, Miranda, Gina, Vivi Nefertari and Christina Schumacher the Arceus Gene-Slammer were walking through it and it was one creepy place.

Me: Boy this swamp gives me the creeps.

Christina Schumacher: (German Accent) Are we at a swamp full of quicksand?

Allie Wilde: From the looks of things I would say yes we are.

Me: This place reminds me of a dream that I had a long time ago.

Vivi Nefertari: Does it really?

Me: It sure does.

Lola Namiko: Really creepy.

Christina concentrated and groaned as her size increased.

Eli: I don't like it. It sure is scary and dangerous.

Maria: Yeah no kidding.

Christina turned into ARCEUS!

Simone: This is a really dangerous place. Did you really have a dream about a place like this?

Me: Yep. It was a really strange and scary one too.

Vivi Nefertari: I don't like it.

Lillian: Me neither. It's scary.

Marie: (Russian Accent) Scary and dangerous.

Maria: I think I see some people.

Me: Oh shit! Lets go!

We went for them and flew fast!

Girl 1: HELP US!

Girl 2: HURRY!

We got to them face and Lola flew and got both the girls out of a pit of quicksand as they were up to their shoulders in it and they hugged her and cried hard. Then we saw 2 dark shadowy figures coming.

Vivi Nefertari: Oh no!

The 2 figures had evil looking red eyes and they were snarling and laughing maniacally and had knifes with them.

Eli: They brought those girls here to die! Now we can kill them!

Haumia: Heartless fiends!

?: Let us help you!

We saw Hiita the Fire Charmer and she had a Femal Pyronite with her.

Me: Hiita!

Hiita: Good to see you all again.

Kimi Lao: And an honor to meet you. I'm Kimi Leo.

Me: Whoa you're a Pyronite Gene-Slammer. Pyronites come from the planet Pyros. They are fire beings.

Kimi Lao: Wow so that's it.

Me: Lets get these guys!

Suddenly, Vivi Nefertari's eyes turned neon brown, and she was surrounded by a rainbow energy aura with parrots and rainbow light, and as she approached the murderers, she left rainbow light, rainbow energy, and parrots with every step. Then, Vivi Nefertari was surrounded by a massive vortex of rainbow energy with rainbow light surrounding it, there was a parrot flying around the vortex, and in the vortex was a pink phoenix. Then, as the vortex faded, Vivi Nefertari emerged, but she was changed forever.

Vivi Nefertari grew to 6'0" in height, she had the body of a goddess, her long blue hair has rainbow highlights in her bangs, she has large rainbow angel wings with bright pink tips on the large rainbow feathers, she has a parrot with the Light Kanji in its talons emblazoned on her forehead, she has on parrot earrings with the Light Kanji in its talons and a necklace with a parrot holding the Light Kanji in its talons for the pendant. She has on a pink sleeveless blouse with rainbow phoenix, pink skirt with griffins flying over the sunset, pink high heels, and a rainbow sleeveless trenchcoat with light animals on the coattails and a parrot on the back. Vivi Nefertari has a new large sword in her hands called the Sword of The Straw Hat Pirates, it's a large sword with the emblem of The Straw Hat Pirates etched on the 6'5" massive, wide, double-edged blade, large rainbow angel wings for the crossguard, large rainbow gem for the hilt, longer black handle, and large rainbow faceted sphere pommel with surrounding rainbow gems.

Vivi Nefertari has on new Bracelets of The Champions of The Universe with rainbow gems on her wrists, Belt of Elemental Bravery with large rainbow gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip. There was a pink kanji below the parrot that said, "Vivi Nefertari, Princess of Arabasta, Member of The Straw Hat Pirates, Slayer of Evil, Bounty Hunter of Evil Pirates, and Master of Light and Parrots."

ビビネフェルタリ、アラバスタの王女、麦わらの一味のメンバー、悪の殺し屋、悪の海賊の賞金稼ぎ、光とオウムのマスター

Vivi Nefertari has transformed into SUPER ANGEL 750,000,000,000 CELESTIAL SOLARSTORM PARROT ANGEL OF LOVE AND JUSTICE!

We were amazed by Vivi Nefertari's Super Angel 750,000,000,000 transformation, but when Sergio Casagrande saw it, he tried to woo her, but Maria grabbed him by the beak and stopped him.

Maria: Don't even try it, Sergio. Because, I'll tell Priscilla the Ostrich at the Great Lakes City Zoo and she'll throw a hissy fit at you.

That was more than enough to put Sergio in his place. But when the evil murderers saw it, they flew into a rage and tried to shoot her, until I fired two bullets into their shoulders, and they dropped their guns and screamed in pain.

Me: Whoa Vivi you look incredible!

Eli: Awesome! Wow!

Lola Namiko: Wow! Vivi how do you feel?

Vivi Nefertari: (Divine Echoing Voice of Oceanic Hope and Light) **I feel amazing and now it's time for me to bring the pain to these monsters.**

Eli: Go get them!

Vivi went at them and pulverized the evil murderers all over the place with incredible fury.

Maria: Do you have any special talents as a human?

Kimi Lao: Yes I do. I'm a welder.

Me: Dangerous job.

Kimi Lao: Yep. Lets get these guys.

Eli: YEAH!

Vivi knocked them out and we tied up the murderers and then Maria poured gasoline on the ground next to the scumbags.

Maria: Kimi, you know what to do here.

Kimi Lao: With pleasure. Hiita? What to help out?

Hiita: Count me in.

Hiita and Kimi fired a blast of fire and ignited the gasoline and burned the murderers to death!

Lola Namiko: Serves you two clods right!

I put on my blind man glasses and Eli and Sergio covered their eyes and I snapped my fingers and Christina and Kimi were reverting back.

Christina: (shrinks) Kimi, do you feel yourself getting cooler?

Kimi Lao: I sure do.

Her rock skin and fire were flaking off and they were back to human and were naked. Maria gave them new clothes and they put them on.

Namiko: That must happen to them a lot.

Lola Namiko: It sure does. After we're done here lets get you girls to the river to clean up.

Yuri: Good idea.

Kimi Lao: But these clothes are amazing though.

Eli: They sure are.

Kimi: (holds her head in pain) Not only am I feeling pain but I'm starting to get hot again!

Ellie Singh: Reign in the power with the strength of your will. It's how I got my power when I got slammed.

Eli: Concentrate Kimi.

Kimi concentrated and she then had a fire aura around her and she was fully engrafted with the power.

Kimi Lao: Wow! That was intense!

Haumia: It sure was but you have the power now.

Me: Lets get out of this death trap and head home.

We did so and went back home.

---

After we took care of those evil murderers, Lincoln, Me, Nico, May, Eli, Nicole, The Straw Hat Pirates, Jaden Yuki, and Alexis Rhodes were heading back to the world of One Piece, and not only is Lincoln going to rescue the eight girls there, but we're also going after Don Krieg and his men, capture them alive, and cash in their bounties.

Lincoln: Wow, we're back in Luffy's world, and I know what we're going to do here, not only am I going to rescue the eight girls there, but we're also going after Don Krieg and his men, capture them alive, and cash in their bounties.

Me: That's right, big guy.

Nico: Plus, J.D. already told me of Vivi's Super Angel 750,000,000,000 transformation, plus, I was very proud that Maria stopped Sergio. How did that party animal parrot join in your rescue today?

Eli: I found out that party animal parrot managed to sneak in by hiding out in Erica's bag.

Nico: Sheesh, that party animal parrot doesn't even know that the rescues you and Linc go on are filled with danger and malicious villains that we haven't met or have dealt with before.

Jaden Yuki: Well, this should teach him not to do something like that again.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He saw the eight girls, but they've been cornered by Don Krieg and his men, and they're going to kill them.

Lincoln: Guys, I've found the eight girls, but they've been cornered by Don Krieg and his men, and they're going to kill them. Come on, let's go.

We rushed on over, and we pummeled Don Krieg and his men badly. Then, Lincoln tied them up in neon rainbow straitjackets and they couldn't get out. Then, Lincoln and Nicole went up to the eight girls, and when Lincoln saw them, he recognized them. The eight girls were Shizune "Nene" Fujinoki, Ranko Honjō, Yui Kashī, and Ayumi Kamisaka from My First Girlfriend Is a Gal, Aika Tenkūbashi, Sayuri Kimachi, Reiko Arisugawa, and Mizuho Suehiro from Shomin Sample.

Lincoln: Oh wow, it's Shizune "Nene" Fujinoki, Ranko Honjō, Yui Kashī, Ayumi Kamisaka, Aika Tenkūbashi, Sayuri Kimachi, Reiko Arisugawa, and Mizuho Suehiro.

Nicole: From My First Girlfriend Is a Gal and Shomin Sample, awesome.

Lincoln: Are you girls okay?

Shizune "Nene" Fujinoki: Yeah, we're okay, thanks to you.

Then, when Shizune "Nene" Fujinoki and the other seven girls saw who it was that saved from Don Krieg and his men, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books right on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Shizune "Nene" Fujinoki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Shizune "Nene" Fujinoki: (Seductively and rubs her right hand on

Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Lincoln then fired a blast of ice, and froze Don Krieg and his men, and before we went home, we had collected the bounty on Don Krieg and his men, and we threw them in prison, where they'll remain there for the rest of their lives.

* * *

After throwing Don Krieg and his men in prison, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

Lincoln: Alright, everyone, shall we get going?

Eli: Lead the way, Lincoln.

Lincoln, the girls, and the couples left the Estate, and they arrived at their destination: Altamira. As soon as they arrived, those who haven't been to Altamira were amazed by how beautiful this place is, but to Lloyd Irving and his allies, they've been here before long ago.

Lloyd Irving: Whoa, so you chose Altamira for the date, Lincoln?

Lincoln: Yeah, I've heard about it from Colette, and I figured this place would be perfect.

Eli: And he's right. We can go swimming and check out the theme park here.

Lincoln, the girls, and the couples got started by diving into the water, and going for a swim. They also saw the sea creatures there, and they were amazing. Then, they checked out the theme park, and they even got to ride the Ferris Wheel, and it was awesome, and they also had lunch there. Then, after their fun date, they came back home to the Estate.

Me: Hey, Linc, everyone, how was your date?

Lincoln: It was awesome, J.D. We went to Altamira in Lloyd's world.

Nico: I've heard about that place, but I've never been there before.

Lincoln showed Nico and all of us pictures of Altamira, and they also saw the theme park, and that'd got the attention of the younger siblings.

Lana: Whoa, they've got a Ferris Wheel there?! Awesome!

Lola: Ooh, next time, we're going there.

We continued hearing about their date, and it was amazing, and next time, we're going to check out Altamira and have some fun there.

---

Later we were getting ready to go to the beach ourselves.

Poison Ivy: Mind if we go with you guys to the beach?

Nico: Sorry. This is only for the 12 of us. I hope you guys can understand.

Me: You guys more than earned a beach trip after being separated for so long.

Lola Namiko: No kidding. You earned it.

Nico: Thanks guys.

Me: But we'll leave you guys alone at the beach while we ALL have fun at another part of the beach.

Me: Boy I don't blame them all. After being separated for so long they more than earned this.

Eli: You said it bro.

Lola Namiko: How do I look guys?

We saw that Namiko was in a neon purple bikini and she looked AWESOME!

Me: (Catcall) Looking good Lola.

Lola Namiko: (Giggles) Thank you.

Sarah (Ed Edd N Eddy): Any sign of troublemakers yet?

Eli: Don't worry we'll keep our eyes out for anything.

Eilonwy: But this is the life.

Lana and Lola were building sandcastles and Lynn was playing volleyball with Rainbow Dash.

Applejack and Nicole were searching for buried treasure with metal detectors.

Me: Ahh. This is the life.

Varie: Boy you said it.

But then I smelled something really foul in the air! It smelled like a skunk.

Me: P.U.! Pepe is that you?

Pepe Le Pew: (French Accent) No zat is not me J.D.

?: Sorry. That is from me.

We saw a girl where a black bikini and she had black hair and skunk ears and she had a Skunk Tail!

Me: Wow! You're a Skunk Girl.

Nina Le Few: That's right. I'm Nina Le Few and I'm a Skunk Girl and it's an honor to meet you all J.D.

Me: Same to you Nina.

Pepe Le Pew: Ah it is an honor to meet you Mademoiselle Nina. I am Pepe Le Pew.

Maria: Kendra, how are you doing?

Kendra: Great Maria. Man this is the life. Wow look there!

Maria and Kendra saw Nina.

Maria: Wow looks like Pepe found a Perfect Girlfriend and she's a Skunk Girl.

Kendra: Now I've seen everything.

Rice: Hey guys! Look what I found!

They came over and Rice found a buried World War 2 Fighter Plane buried in the sand!

Maria: WHOA! That's an old P51 Mustang! Still in good shape even after being buried all these years.

Kendra: Yeah.

We came over too.

Rice had her red Bikini, Sydney had a blue bikini and Georgina had a red one piece.

Dead End: Gearhead's going to love using this.

Nico: He sure will. We sure had a lot of fun though.

Maria: We sure did and the day is not over yet.

Kup: I hope the 13 of you had fun.

Sydney: We sure did. I got to surf on the lake.

Nanette: I cooked lunch on the barbecuer and also got to relax in the sun.

Sheila: I got to bust some beach bullies tried to ruin our fun.

We saw a bunch of muscle-bound bullies tied up.

Me: Whoa! Those guys sure know how to ruin everyone's fun huh?

Sheila: Yep and I was playing volleyball with Ellie.

Irena: I was making seashell necklaces for all of the Neptune Crusaders.

Maxxine: I was painting a picture of the lake.

Rice: I found this amazing P51 Mustang Plane buried in the sand.

Eli: Wow! That is a big find.

Georgina: I got to enter the Muscle Beach Competition and I won this awesome trophy.

Maria: It was awesome.

William: It sure was.

Kendra: And I got to go diving and it was fun.

Nico: Wow!

Me: You guys sure had a lot of fun.

Donna Diego: Nico, I'm glad you had fun on the beach. But don't forget it's your turn to lead today.

Nico: Yep I know and since we're still at the beach I have just the mission for all of us.

Nina Le Few: What is it Nico? Are we going to smash pirates?

Nico: Close. We're going there! (Points to a location)

We saw a Seadog-like harbor out in the middle of the lake.

Finn: Oh wow! That's Stormalong Harbor! I remember that place all too well.

Jake the Dog: Hey wow! Last time we were there we saw Flapjack and Captain K'nuckles and Bubbie.

Nico: Wow! So you guys have experiences with that place. This is gonna be so cool.

Me: I'm looking forward to this one. I think this is gonna be so cool.

Misty Tredwell: It sure will be interesting to see.

Then Kite Man, Taskmaster, Dayu, Mojo Jojo, Electropede, Baron Mordo, Rowdyruff Boys, Felix Faust, Seadramon, and the 10,000 Volt Ghost appeared.

Kite Man: Can me, Taskmaster, Dayu, Mojo Jojo, Electropede, Baron Mordo, Rowdyruff Boys, Felix Faust, Seadramon, and 10,000 Volt Ghost go with you guys?

Nico: You all sure can.

Taskmaster: You guys must've been at the beach all day.

Me: It was for Nico and the girls. After being separated for so long they more than earned a beach trip.

Dayu: Good call.

Finn: Our next mission is gonna be for Stormalong Harbor. It's right out there in the middle of the lake.

Butch: Hey that's a cool place.

Dayu: We actually have potential candidates for the Masters of Evil that we're looking into over there.

Nico: Lets head out over there and check it out.

Nina Le Few: Wow this is gonna be awesome.

Lola Namiko: It sure will be cool.

We were off to Stormalong Harbor.

Nathalie: Good thing we're all dressed.

Me: With our swim clothes on.

Misty Tredwell: I don't mind.

We arrived and we saw that it was a perfect place for any seadog.

Popeye: Wow so this be Stormalong Harbor. Well blow me down.

Nico: Looks like a really cool place for people with lots of Nautical Experiences.

Seamus: Aye lad. Very interesting place.

Mr. Krabs: Perfect for me since I'm a seadog.

We then walked around and we saw a little boy with blond hair in a sailor outfit.

Taskmaster: Hi. You must be Flapjack.

Flapjack gasped in excitement!

Flapjack: Wow! Team Loud Phoenix Storm! What an honor!

Nico: Ahoy there Flapjack. It's awesome to meet you.

Finn: Great to see you again Flapjack.

Jake the Dog: How have you been?

Flapjack: Finn and Jake!

They fistbumped and it was great of them to see each other again.

Flapjack: Awesome to see you again!

Finn: Same here.

We then later met Captain K'nuckles and Bubbie.

Itasis: You two must be K'nuckles and Bubbie.

K'nuckles: Aye. Ahoy there Team Loud Phoenix Storm.

Nico: Ahoy there.

Bubbie: Well it's a true honor.

Nico: Same to you and it's such an honor to meet all of you.

K'nuckles: Same to all you too.

Bubbie: What brings you all to Stormalong Harbor?

Nico: We came to see what this place is like.

Finn: Have you guys found Candied Island yet?

Flapjack: Boy we sure did and it was so amazing!

Me: Candied Island? The legendary island of candy and desserts?

Mary Knudson: Wow! Sounds like an island I would love to find.

Nico: Boy no kidding but it sounds like an island you would love Mary.

Mary Knudson: You're not Kidding Nico.

Dayu: K'nuckles, did you know that you sound like the Flying Dutchman Ghost?

Adam Lyon: And like Coach Gills.

Finn: And you also sound like Prince Huge.

Captain K'nuckles: That is amazing that we have the same voice.

Me: It sure is.

Flapjack: We'll show you all around.

They got to showing us around and Stormalong Harbor was really cool. But then we saw PETRA FINA!? What the!?

Dirt Boss: Wait. Is that Petra Fina? What's she doing here?

Me: That is suspicious.

Carol: (Scowls) She's up to good, I bet!

Carol walks over to Petra Fina and gets right in her face. But some reason, Petra Fina looked tired.

Carol: Alright, Petra Fina! Whatever your planning, it's not gonna work!

Petra Fina: (smiles tiredly) (Yawns) Oh, hey, Carol. What's up?

May: You okay? You're usually more angry at us than what we're seeing. What are you even doing here?

Petra Fina: Oh, don't mind me. I'm just looking for candy. Aren't we all just looking for candy in the world? (yawns)

Me: Boy you look really tired.

Lana: How long have you gone without sleep?

Petra Fina: (Yawns) About 6 days.

Me: WHOA! 6 Days!?

Lola: Wow! That's like what happened to us before and after the Great War of Friendship.

Nico: No kidding. You need to get some sleep.

Eli: I agree.

Mojo: Oh, come on! At least say that you hate us!

Petra Fina: Um… I hate you guys, I guess?

Our aura only flared up a tiny bit.

Lori: We litreally only got a tiny bit stronger from that!

Butch: Guess you're really tired, huh?

Petra Fina: Look, can we just fight another time? I'm looking for something here.

With that, Petra Fina walked away.

Me: Petra wait!

I went over to her.

Me: The least we can do is help you get some sleep.

Lana: Yeah and I got just the cure.

Lana pulled out a portable stove and some milk.

Lazlo was playing Swiss yodeling records and Lana got to making some Blorm Milk.

Lana: Nothing cures sleep problems better than a glass of Warm Milk. Mung showed me how to make Blorm Milk.

She made a big cup for Petra and I pulled out a Dyna Cap and pressed it and threw it and then…

BOOOOOOOOOOOOMMMM!

Out came a luxury bed and Lana gave her the Blorm Milk.

Lazlo: Does that Blorm Milk help Petra?

Petra Fina: (Slurps) Ooh! Delicious and soothing.

Lazlo: Lets hear those ocean sounds Clam.

Clam took a glass of water and drank it and gargled it and imitated a foghorn and dolphin chirps and then Petra finished her milk and then…

PLOP!

She was asleep and out like a light.

Nico: Wow that stuff really works.

Lola tucked Petra in and she was sleeping like a baby.

Carol: That's so sweet of you guys.

I put up a silence barrier to block out all the noise for her to enjoy some peace and quiet.

Nico: That was really clever though. Clam how did you learn how to make ocean sounds like that?

Clam: Family secret.

Nico: But it was genius.

Bad Juju: (to Flapjack) (Voodoo Accent) Now that Petra Fina's sleeping, time we told you why we're here.

Flapjack: Sure thing.

Dayu: We're looking for potential candidates to join us. The Masters of Evil.

Flapjack: I know one that would be perfect for you all.

We went to a shop and we saw PEPPERMINT LARRY!

---

Peppermint Larry is a recurring character in the series, The Marvelous Misadventures of Flapjack. He is the owner of the Candy Barrel, and husband to his spouse, Candy Wife. Similar to K'nuckles and Flapjack, he seeks the mythical Candied Island.

---

K'nuckles: Peppermint Larry.

Peppermint Larry: Well Team Loud Phoenix Storm and everyone it's an honor to meet you.

Me: Pleasure to meet you too.

Brick: Don't mind us. We're just here for some candy.

Boomer: Eepecially M&Ms. I love those!

Peppermint Larry: No problem.

Nico: What are you selling?

Peppermint Larry: All kinds of candy. It's some of the best we have here.

Nico: I see.

Nico saw that Peppermint Larry had a barrel full of red licorice seeds behind him and knew something was up.

Nico: What's that barrel full of Red Licorice Seeds you have there for?

Peppermint Larry: Oh it's for those that want to grow Red Licorice Trees at home.

Nico: Like the ones that Captain Black John Licorice and his crew are after right?

Peppermint Larry: That's right. How did you know that?

Nico: Funny you should ask. Because we had an encounter with him and his crew a while back and the thing is I HATE Black Licorice.

Flapjack: Why do you hate Black Licorice, Nico?

Nico: It's not one of my favorite candies. It tastes like you're eating candied onions.

Me: Not one of my favorites either.

Mary Knudson: Same with me.

Twilight Sparkle: Who is Black John Licorice?

Me: He was a Candy Pirate that we faced a couple of years ago and he and his crew are cursed to be undead black licorice skeletons that can only come out at night.

I went over their history.

---

Black John Licorice is an undead pirate that was once human, made out of black licorice who appears in the Codename: Kids Next Door episode "Operation: L.I.C.O.R.I.C.E.". He was the captain of Stickybeard when he was young and loves candy above anything else.

He was voiced by Marc Graue.

Biography

A candy pirate like Stickybeard, he was considered rotten even by their standards, Stickybeard claiming Black John's lust for candy was such that he would even steal it from his mother.

When traveling in search of candy, Black John and his crew came upon an island of licorice trees, which they promptly cut down and stole. This cursed Black John and his crew, causing all of the stolen licorice to turn from red to black, and the pirates to become skeleton-like licorice figures alive only at night and collapse into piles of licorice bones by day.

Eventually, the Licorice Pirates went to a gypsy, who gave them a magical seed which would cause the licorice trees to grow back and break the curse. Before they could plant it, however, dawn broke and they became lifeless skeletons. Just before sunset that same day, Stickybeard and Heinrich Von Marzipan, his cabin boy at the time, came to the island, where they found the bones of the Licorice Pirates. Heinrich took the seed out of Black John's hand out of curiosity, just before the pirates came back to life and chased after Stickybeard and Heinrich before they managed to escape.

Later, while Heinrich was incarcerated in the KND Arctic Prison, Black John appeared and kidnapped him/her. Heinrich reveals that he/she ate the seed, and Black John decides to plant him/her at the top of the licorice tree, causing the seed to grow in his/her stomach and killing him/her in the process. Before this can be done, however, Stickybeard and Numbuh 5 arrive at the island and rescue Heinrich, escaping when the morning arrives and the pirates "die".

However, at the very end of the episode, Black John's ship is seen heading towards the Arctic Prison for Heinrich once again.

---

When I was done everyone that hadn't heard about it was shocked.

Eli: Whoa! That's nuts!

Applejack: His greed came with a REALLY terrible price.

Fluttershy: Goodness.

Pinkie Pie: I like candy just as much as anyone else but that is not right.

Nico: Yeah no kidding. But that whole mission was very similar to what happened with Captain Barbossa and his crew. (To Barbossa) You remember that right?

Barbossa: Aye. I sure do lad.

Nico: That was a very harrowing adventure. What happened was that Barbossa and his crew were cursed by the Aztec Gold and it made them living undead skeletons and when they were under the moonlight, it made them vulnerable.

Flapjack: Boy that is crazy.

Misty Tredwell: No kidding. Wow.

Laney: Yeah that was a scary and awesome adventure.

Peppermint Larry: Help yourselves to whatever candy you want, folks. I'll be out to run some errands for my candy wife.

Ruckus: Candy wife?

K'nuckles: Don't ask.

He went out and we looked around.

Me: I guess it can't hurt to grow our own Red Licorice.

Nico: You're right.

Electropede: Anyone else think he's hiding something?

Me: I think he is hiding something too.

Laney: Same with me. He is very shady.

K'nuckles: Look, I know Peppermint Larry can be a bit… weird. But I doubt he's such a bad guy. (scowls) Though, I'm still annoyed at how he tricked me and Flapjack that one time!

Totally Spies Alice: Really? Tell us more.

K'nuckles told us how he did it and it was clever.

Edd: Sounds like he is a true master of Chicanery.

Nico: Looks like Eddy and the Flim-Flam Brothers will get along great. I think Peppermint Larry is a perfect candidate for the M.O.E.

Eli: I agree.

10,000 Volt Ghost: (Electrical Voice) Hey, guys. I think I found his candy wife.

We saw that she was an inanimate object.

Laney: Looks like Peppermint is like Jonny 2X4.

Poromon: She's literally made of candy!

Nico: Cool.

Lana: Weird but cool.

Mary Knudson: I don't want to eat that one.

Nico: It's best you don't Mary.

Crystal Man: Let's finish our candy and then look around some more.

Nico: Okay.

We walked around some more.

Seadramon: I'll look in the water. There's plenty of it down here.

Nico: Okay.

Seadramon dove into the water.

Strike Man: Guys, I see Peppermint Larry. And he's with someone.

Nico: Lets get ready.

We stood ready.

Maria: Wait. Is that who I think it is?

We saw that he had CAPTAIN BLACK JOHN LICORICE WITH HIM!

Nico: It's Captain Black John Licorice!

Stickybeard: John is alive!?

Nico: This is gonna be big. Entrance time everyone.

Felix Faust: Let's do it!

We went at Peppermint Larry and Black John.

Peppermint Larry: So you will have a Red Licorice seed then?

Black John Licorice: Aye lad.

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off in front of them and a phoenix cry was heard and then the Elements of the Magic Storm swirled around it and then converged and we came out.

Nico: Captain Black John Licorice. So we meet again.

Eli: And Peppermint Larry you have some explaining to do!

Nico: That's right!

Then we saw Petra Fina walking around!? What the!?

Retrax: What happeend to the silence barrier?!

Petra Fina: (still tired) It wore off an hour ago! And Larry over there has the sleeping candy I need to get some rest!

Carol: (pissed) You liar! I knew you were faking it!

Lynn: Carol, I think she's still telling the truth!

Eli: Lynn's right Carol. She's telling the truth!

Eli went and got a sleeping candy and gave it to Petra Fina and then she ate it and then…

PLOP!

She was asleep again.

Carol tackled Petra Fina to the ground as one of the Black Licorice pirates tried striking them.

Carol: Seriously?! You're not helping them or us! What the Fuck is your plan here?!

Petra Fina: Carol, I'm going to be honest with you here. I haven't slept in 6 days like I told you before. (yawns) I team up with some people to try and take you guys down. But these two? Don't know them. Don't care. What I do know is that I'm not functional enough to walk around. Why do you think I'm wearing a helmet?! I just need that sleeping candy to get. Some. Sleep!

Baron Mordo: (to Eli) Is she telling the truth?

Eli: Yes she is.

Evil Green Ranger, Rex Goodwin, Dr. Polaris, Raven Branwen, Bonz, Roxy Rocket, Anti-Wanda, Nergal, Duff Killigan and Griffin then appeared.

Nico: Evil Green Ranger, Rex Goodwin, Dr. Polaris, Raven Branwen, Bonz, Roxy Rocket, Anti-Wanda, Nergal, Duff Killigan and Griffin.

Bonz: Looks like we got here just in time.

Evil Green Ranger: (to Peppermint Larry) You actually would make an awesome Masters of Evil member.

Peppermint Larry: Really?

Rex Goodwin: Of course! As Eilonwy's archenemy.

Eilonwy: AWESOME!

Raven Branwen: And you can give us some candy like you do for your customers.

Dr. Polaris: (to me) We heard you went a swamp for the rescue.

Me: We sure did.

Bonz: Was it anywhere familiar?

Me: No it was a perilous swamp loaded with quicksand. It was like something that I saw in a dream.

Eli: That is freaky.

Karakasa then appeared.

Nico: Karakasa. Back for round 2.

Karakasa: Yep.

Nico: Cool.

Karakasa: How was the candy here? Was it that tasty?

Nico: Some of the best ever. Especially for the Kids Next Door.

Bluto and Ship Org appeared too.

Nico: Ah want to make this a true seafaring battle.

Bluto: Yep and this is gonna be fun.

We got the usual battles underway.

## M.J., Starlight Glimmer, Cozy Glow, Trixie Lulamoon, Triple Berry, Juniper Montage, Clover the Clever, Undead Skylanders, Lightning Lisa, Mighty Morphin Rangers, Toxin and Scream VS Evil Green Ranger - That swamp must have been a dangerous one

Evil Green Ranger was first.

Evil Green Ranger: (to MJ) That swamp J.D. and the others visited must've been a dangerous one. But it was worth it for them to rescue those girls.

M.J.: Boy it sure was. But J.D. said it was like something he saw in dream from a long time ago.

Starlight Glimmer: Yeah it was really creepy to see.

## Ashnard

Ashnard (in Japanese: アシュナード), also known as the Mad King, is the thirteenth King of Daein and the main antagonist of Fire Emblem: Path of Radiance.

### Early Life

Even though Ashnard was the prince of Daein, he had many older siblings and was never expected to become king. Instead, he served as a royal dracoknight and became a powerful warrior who was able to fight on par with Begnion's pegasus knights. During this time, he fought in many border skirmishes between Daein and Begnion, and his efforts played a huge role in allowing Daein to claim small portions of Begnion. Following the Serenes Massacre, Ashnard met

Lehran, who was determined to awaken Ashera and have cast judgement on all of Tellius. Ashnard's ambitious nature and desire to change the world convinced Lehran that he would be able to help him with his goals, and when he told Ashnard about Lehran's Medallion and the dark god trapped inside it, Ashnard became determined to awaken the dark god. After obtaining Lehran's Medallion, Ashnard abducted Lillia, a royal heron laguz who had survived the Serenes Massacre, and imprisoned her in the temple at Palmeni, ordering her to awaken the dark god, which she was unable to do. Shortly before her death, Lillia asked Elena, a priestess at the temple, and her husband Gawain, one of the Four Riders of Daein who served Ashnard's father, to take the medallion and leave Daein in order to keep it out of Ashnard's reach. In addition, a warrior known only as the Black Knight joined the army and quickly won Ashnard's trust with his immense strength, even giving Ashnard powerful armor that had been blessed by Ashera.

At some point, he tricked his father into sign a blood pact with a mysterious wise man (possibly Lehran himself) under the pretense of it being a contract to secure the services of this man. Ashnard then had the wise man invoke the blood pact's curse, crippling Daein with a plague in the year 626. Among its victims, the plague struck Ashnard's mother and his other siblings, killing all of them and leaving only Ashnard and his father, who Ashnard would then kill, then destroyed the blood pact, ensuring that he would not be affected by the curse himself. Only Almedha and Lehran knew about the blood pact, with everyone else believing that Daein had been struck be a plague. Afterwards, Ashnard succeeded his father as king.

During this time, he met Almedha, the princess of the dragon nation of Goldoa who had left her country. Though the two never had an official wedding, they considered themselves to be married for all intents and purposes. The relationship was never truly built on love, but on power: Ashnard desired Almedha for her sheer power as a black dragon, but after getting her pregnant, she lost her powers and became completely useless to Ashnard. Following the birth of their child, Ashnard became obsessed with the boy out of hope that he possessed great power, only to discover that the child had no abilities. Ashnard would then use his son to bait Almedha's brother, Rajaion, to Daein, who he turned into a Feral One and forced into service as his "wyvern" steed. Ashnard then abandoned the child, and he and Almedha parted way. Rajaion's capture forced his fiancée, Ena, to leave Goldoa in search of him, and when she found him in Ashnard's possession, she joined Daein as a strategist out of a desire to at least be with Rajaion and to find a way to save him.

## The Mad King's War

During his reign, Daein's relations with the kingdom of Crimea were never friendly, but had also never escalated beyond border skirmishes. When Ashnard invaded Crimea in the year 645, it took the Crimean military by surprise. Ashnard led the invasion himself and his army claimed a swift victory over Crimea, taking the capital city of Melior in a matter of days, after which he personally killed King Ramon and his wife. Afterwards, he ordered the capture and execution of princess Elincia, who had escaped and was rescued by the Greil Mercenaries. Following the fall of Crimea, he decided to invade the laguz nation of Gallia, a task which he left to the Black Knight. It was believed that by invading Gallia, he would provoke fellow laguz nations of Phoenicis, Kilvas, and Goldoa into declaring war on Daein as well, which in turn would force Begnion to side with Daein. The success of this plan depended on Ashnard getting Goldoa involved in the war as well, so Ashnard did everything in his power to provoke Goldoa's king, Dheginsea, into going to war, knowing that once the dragons joined in, they would be unable to stop fighting. However, Dheginsea refused to join the war for the sake of preserving the world.

As the war progressed, Ashnard had little interest in Begnion joining the war on Crimea's side or in the Crimean army conquering Daein in his absence, having abandoned the Daein capital Nevassa before it was invaded, but he was interested in how Gawain's son, Ike, was the leader of the Crimean forces, and how he had succeeded in recruiting other nations to his cause and raising the Crimean resistance to a point where it could rival Daein. The medallion was returned to him by Petrine, via Ena, soon after the fall of Nevassa, and after hearing that two more herons had survived, he demanded that the Black Knight capture one of them, so he could try unsealing the dark god through galdrar again. He ordered Ena to be killed by

Petrine for her failure to prevent her from coming near and unsettling Rajaion, but after Petrine was killed, he ordered the Black Knight to do as he wished with her so long as she never came near Rajaion again.

By the spring of 646, Ike and Elincia's army had reclaimed almost all of Crimea and planned to invade and retake Melior from Ashnard. Despite being asked by Byrce, the last of his generals, to retreat, Ashnard refused to abandon the castle or save himself, instead being determined to test himself against the Crimean Liberation Army. He appeared before Ike and Elincia and challenged Ike to fight him, expecting a good fight out of Gawain's son. Ike fought his way through Ashnard's remaining forces, engaged him in battle, and defeated him, but Ashnard then deliberately touched Lehran's Medallion to empower himself, its energies drastically increasing his strength while he still somehow maintained his sanity. Despite his new power, Ike and the army were able to defeat and kill him, finally ending the Mad King's War.

## Legacy

Although Ashnard had failed in his goals, his actions changed the course of history in Tellius. Daein ended up being controled by Begnion, which established a occupational garrison there whose abuses of its citizens provoked an uprising in 648 from the Daein Liberation Army, led by a man who many have thought to be Ashnard's son, Pelleas. Pelleas was even assisted by Almedha, who also believed that he was her son. The victory of the Liberation Army and the coronation of Pelleas, in turn, would cause a civil war in Crimea when members of the Crimean nobility were dissatisfied with Queen Elincia's response to the rise of someone who they feared would be another Ashnard.

During the Mad King's War, a mission at Palmeni Shrine led Ike and Reyson to originally believe that Ashnard was the one who caused the Serenes Massacre. However, when Prince Rafiel, another survivor of the Serenes Massacre, returned to Tellius, it was discovered that the massacre was actually caused by the Begnion Senate. After learning this, all of the laguz nations, except Goldoa, along with the Greil Mercenaries, formed the Laguz Alliance and declared war on Begnion, demanding justice for their role in instigating the massacre. This war achieved two of Ashnard's failed plans: starting a war that would cover all of Tellius, and causing the release of the dark god in the final battle between Daein and the Laguz Alliance.

During and after all of these events, it was believed that Pelleas was Ashnard's son. The truth of the matter was not revealed until Pelleas, while traveling with Almedha, Tibarn, and Elincia to the Tower of Guidance, fought Izuka, a former minion of Ashnard's who had orchestrated Pelleas' rise to power while working for the Begnion Senate. Izuka revealed to Pelleas that he was not Ashnard's son, but was really an orphan who Izuka used to pass as Ashnard's son. While Pelleas refused to believe it at first, he soon realized that this was true and admitted this to Almedha, while also helping her located her real son: Soren, Ike's strategist.

## Personality

Ashnard was an ambitious and hot-blooded man who lived his life believing that strength was the true order of nature. He grew frustrated with the idea of nobility and how a person's postion in life is determined by their parents' position, and believed that the solution was a world in which anyone could claim the right to rule so long as they were strong enough to take it from others. In Ashnard's eyes, anyone who was weaker than him was nothing more than a disposable pawn, even the laguz.

Ashnard's philosophy extended into his army. When employing a warrior, he did not care about their origins or their rank in life as long as they could prove their strength and their worth. This tactic of his was well-known outside of Daein, which made it fairly easy to get outsiders such as the Black Knight close to him. However, his continued trust in a servant similarly relied on their ability to continue to prove themselves, so if even his closest soldiers gave nothing but repeated failures, he would discard them from his service entirely and possibly feed them to Rajaion. He cared little about the death of those who failed him and would sometimes even forget about them entirely. He only placed any value on those who proved to be strong and discarded anyone who he considered weak. This even included all of Daein, since he did show any anger after Nevassa was captured, only disappointment and frustration at the failures of Ena and his soldiers.

On a personal level, Ashnard loved participating in combat himself and took great pride in testing himself as a warrior. He placed relatively little value on his own life, believing that if he were to fall in battle, then his opponent would deserve the victory and the right to reign. Similarly, he cared little for the idea that he ought to preserve his own life solely because he happened to be royalty. Nothing pleased him more than the prospect of engaging a worthy foe, which led him to take a particular interest in Ike, who he believed would be exactly that; he even went so far as to test Ike with a gauntlet of elite soldiers purely for the thrill of seeing how Ike would defeat them. He was similarly excited by the prospects of fighting Tibarn and Nasir, and expressed interest in someday fighting the Black Knight. He also had a significant cruel streak, taking great enjoyment in provoking Bryce by revealing how he had been responsible for the deaths of his own family. He did not care about whether he would be regarded as evil after everything he had done, and said there would be no way to know until he was finished.

---

When Celica was finished, we were both horrified and enraged at Ashnard's actions.

Me: My God.

Nico: This guy really is a powerhungry, psychotic, and sadistic madman. No wonder he's known as The Mad King of Daein.

But, no one was more enraged at Ashnard than Linka Loud, as she narrowed her eyes in pure anger. Suddenly, we felt something snap inside Linka Loud's mind as her eyes turned neon orange, and she was surrounded by an orange energy aura with lightning and thunderbirds, she unholstered her Twin Swords of Hinon from her back, and as she approached Ashnard, she left orange energy, lightning, and thunderbirds with every step.

Linka Loud: Ashnard, no words can describe just how evil you are. You've caused nothing but chaos, pain, war, and suffering to all those in your path, and all for an endless pursuit of power! I will make sure that you pay the price for everything that you've cause, YOU SELFISH, INCONSIDERATE, EVIL, MURDEROUS, PSYCHOTIC, DELUSIONAL SON OF A BITCH BASTARD TYRANT!

We all gasped in pure shock, and our jaws literally hit the floors when Linka said that, and that also included all of her brothers.

Loki Loud: (Gasps) Did our sweet little sister just…?

Nico: (Smiles) Ooh yeah, Loki. She's cursed him out, and now, she's really mad.

Then, Linka Loud screamed like a madman, as she was surrounded by a massive vortex of orange energy with lightning crashing down from the Heavens, there was a thunderbird flying around the orange vortex, and inside the vortex was a blue phoenix. Then, as the vortex faded, Linka Loud emerged, but she was changed forever.

Linka Loud grew to 6'0" in height, she had the body of a goddess, she has orange lightning bolt highlights in the bangs of her long white hair, she has orange eyes and an orange energy aura with lightning bolts and thunderbirds surrounding her, she has an orange thunderbird with the Thunder Kanji in its claws emblazoned on her forehead, she has on thunderbird earrings with the Thunder Kanji in its claws and a necklace with the Thunderbird holding the Thunder Kanji in its claws for the pendant. Linka Loud has on a sleeveless orange blouse with a blue phoenix, a blue skirt with lightning bolts and a Thunderbird on it, orange high heels, and an orange sleeveless trenchcoat with lightning bolts on the coattails and a thunderbird on the back. Linka Loud has large white angel wings that are surging with lightning and they have orange tips on the large feathers, the Twin Swords of Hinon had merged into one, the massive, wide, double-edged blade grew to 6'5" in length, and the long black handle grew a little longer, and she has eight large orange orbs orbiting around her legs. Linka Loud has on her new Bracelets of The Champions of The Universe with orange gems on her wrists, Belt of Elemental Bravery with large orange gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip. There's a blue kanji right below the Thunderbird that said, "Linka Loud, Sixth Child and Only Daughter of The Genderbent

Loud Family, Woman With a Plan, Champion and Emissary of Hinon, Master of Lightning Storms and The Weather, Loving Girlfriend of Double D, Slayer of Evil, and Genderbent Twin of Lincoln Loud."

リンカラウド, ジェンダーベントラウドファミリーの六番目の子供で唯一の娘、計画のある女性、ヒノンのチャンピオンと使者、雷雨と天気のマスター、ダブルDの愛するガールフレンド、悪の殺し屋、リンカーンラウドのジェンダーベントツイン

Linka Loud has transformed into SUPER ANGEL 750,000,000,000 SUPERCELL THUNDERBIRD LIGHTNING STORM ANGEL OF HOPE AND JUSTICE!

We were truly amazed by Linka Loud's Super Angel 750,000,000,000 transformation, along with her brothers, who saw that their only sister's now become a woman, and when Double D saw it, he had an atomic red blush on his face and his nose was bleeding. But, when Ashnard saw it, he fell into a dark rage like the delusional tyrant he truly is.

Me: Holy cow, Linka's transformed.

Nico: You said it, Colonel. And Linka's transformation has got Double D blushing like crazy, and he got a nose bleed from it.

Loki Loud: (Stunned) I can't believe it. Our little sister's now become a woman.

Luke Loud: (Smiles) I'm so proud of her.

Me: We all are, Luke.

Lincoln: Wow, Linka, you look amazing. How do you feel?

Linka: (Divine Echoing Cosmic Voice of The Thunderstorm and Hope) **I feel incredible, Lincoln, and now, I've got a mad king to dethrone.**

Lincoln: Let me join in.

Double D: Same here, Linka. I've had just about enough of this

monster.

Lincoln transformed into Super Angel-Ebonwu Infinity Elemental Thundersnow Buffalo Angel of Frozen Lightning Justice, and unholstered his massive Sword of Taranis from his wider muscular back, and he joined with Linka, and Double D transformed into his newly upgraded Super Angel 750,000,000,000 Supercell Thunderstorm Lightning Dragon Angel of Electric Justice and Hope, and he unholstered his Sword of Raijin from his wider muscular back, and also joined Linka.

Lincoln, Linka, and Double D went after Ashnard and the twisted body of Rajaion, and while Linka and Double D clashed with the Mad King, Lincoln went up to the twisted body of Rajaion, and he made a white magic circle, which surrounded him, and then, Lincoln put his hand on Rajaion's head, and he'd purified him of Ashnard's influence, and he's now become the loyal mount of Lincoln Loud, as he joins with him.

When Ashnard saw it, he fell into another dark rage, until Linka and Double D slashed him in his eyes and then, as soon as Lincoln and Rajaion joined back, they fired powerful blasts of neon blue energy, orange energy, fire, rainbow fire, and rainbow energy, elemental forces, and lightning at Ashnard, and they exploded with incredible power. Then, Lincoln and Linka slashed off Ashnard's arms, and Double D pierced Ashnard's black heart with his sword, and tossed him into the air.

Linka Loud: **Lincoln, Double D, let's end this monster once and for all.**

Lincoln: (Divine Echoing Cosmic Thundersnow Elemental Voice of Justice) **Let's do it, Linka.**

Double D: (Divine Echoing Thunderstorm Voice of Justice) **Understood, Linka, let's end him.**

Linka, Lincoln, and Double D: **DIVINE TRI-ELECTROSTORM KAMEHAMEHA!**

Linka, Lincoln, and Double D fired three massive Kamehameha waves with lightning surrounding the energy waves, and as they hit Ashnard, they exploded with incredible power. Using the last of his strength he uttered one final shout.

Ashnard: DAMN YOU TEAM LOUD PHOENIX STORM!

The explosion killed him and Super Hakaied his spirit forever. We cheered for what Linka, Lincoln, and Double D did, as they holstered their massive swords on their backs and power down, but Linka's new clothes, weapons, jewelry, eight large orange orbs orbiting around her legs, and large white angel wings were permanent.

Double D and Linka shared a hug and kiss, as we cheered for them. Then, Linka's brothers came up to Linka, and they hugged her, and Lincoln's siblings went up to Lincoln and they hugged him.

Loki Loud: Linka, what you did to that monster, that was so awesome.

Linka: Thanks, Loki.

Lori: Same with you and Double D, Linky.

Lincoln: Thanks, Lori.

Lucina: And you also freed Rajaion from Ashnard's influence, Lincoln. Excellent work.

Lincoln: Thanks, Lucina.

Rajaion was glad to be freed from Ashnard, and he's now the new mount of Lincoln. Then, we turned our attention to Peppermint Larry.

Me: Take that!

Nico: YEAH!

Flapjack: Thanks for joining us on this awesome adventure!

Roxy Rocket: It was our pleasure.

Nergal: (to Peppermint Larry) Welcome to the Masters of Evil, Peppermint Larry.

Peppermint Larry: It'll be an honor to be with you guys.

Griffin: And like I said, your candy wife can move in with us.

Anti Wanda: What do we do with Petra Fina over here?

Petra Fina was still sleeping.

K'nuckles: I'm perfectly fine with all the times you kill villains. I mean, it could get her out of your hair once and for all.

Duff Killigan: Lad, we've lost the right to fight her. After all, we're part of the reason she hasn't had any sleep before today.

William: There's always next time.

Carol: Yeah there's always next time. But I'll be ready for her.

Me: Lets just let her sleep.

Nico: Agreed. But this was a fine seafaring adventure. Great job today everyone.

Eli: Thanks Nico. Even though we were not on the sea it was fun.

Nico: True.

Flapjack: (To the viewers) Hope this was a great adventure for you all guys. This was so much fun.

Nico: It sure was. Lets go home.

We all went back home and we enjoyed the rest of the day and went to sleep.

THE END

---

Another awesome chapter done.

The Marvelous Misadventures of Flapjack was a really awesome and funny and great show! It was awesome! It aired from June 5, 2008 - August 30, 2010. It's a darn shame it only aired for 3 seasons! What a rip! But it was a nautical seafaring show! The first part was based on a strange dream I had years ago and it's true. That was a really unusual dream I had back when I was a kid. A swamp like that was one freaky place. The second part was for One Piece and Don Krieg got his just desserts. One Piece has its 1,000th Episode coming next week! WHOA! That is a LOT OF EPISODES! WOW! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this and the Guest Reviewer did too. Thanks guys. Awesome job. The next rescue for me is gonna be in the world of Star Wars and we're going to go into the world of the 2016 movie Rogue One which took place in between Star Wars III and IV and we're going to rescue not only Jyn Erso but also we're going to rescue a Eria the

Water Charmer and a Monster Rancher Undine gene-slammer named Nadine Namiko who is Lola Namiko's little sister. Me, Eli, Allie, Maria, Simone, Miranda, Gina Pele, Marie, Haumia, Lola Namiko, Syrus, Dark Magician Girl, Saeko Busujima and the Umbreon Gene-Slammer are going in that one. We're gonna have a nasty surprise for the Empire as we blow up the Death Star and help the Rebels get a jumpstart and we're going to also clash with Darth Vader too. Also Saeko is gonna transform in that one so I'll need the sequence for that. The next rescue for Lincoln is gonna be for Total Drama Revenge of the Island and Rainbow Dash is gonna have a massive number of REALLY HARSH WORDS FOR JO! So brace yourself for Rainbow Dash and Lincoln giving Jo the WORST EVER REPRIMANDING EVER! And it's gonna be REALLY HARSH AND DETAILED! The next chapter is gonna be for the Will Smith movie Spies in Disguise and we're going to meet Lance Sterling and Walter Bennett and help them kill Killian and we're going to make that terrorist pay.

See you all tomorrow

# Spy Friends And Evil Monsters

On the planet of Scarif, me, Eli, Lincoln, Nene, Allie, Maria, Missy, Erica, Qin, Lillian, Marie, Ellie, Saeko, Simone, Miranda, Gina, Haumia, Lola Namiko, Syrus, Dark Magician Girl and Lucilla Emerson the Umbreon Gene-Slammer were walking around.

Me: Wow! So this is the planet Scarif.

Lucilla Emerson: I think there's a good chance we're gonna run into Vader here.

Eli: If that's possible then I want to have a shot at him.

Maria: That would be so awesome to see you take on Darth Vader.

Allie Wilde: It sure would. Eli did get taught in the ways of the Force.

Lucilla: He sure did.

Lucilla concentrated and groaned as her skin darkened.

Simone: I heard Eli has the capability to overpower the strongest Sith Lord ever.

Lucilla turned into UMBREON!

We then saw a huge aeriel battle with the Rebel Alliance and the Empire happening.

Miranda: WHOA! Looks like we arrived into the middle of a huge battle.

Me: This is the Battle of Scarif. It's one of the major battles to get the plans for the Death Star.

---

The Battle of Scarif, also known as the action on Scarif, the mission to Scarif, or the raid on Scarif, was the first major battle fought in 0

BBY between the Alliance to Restore the Republic and the Galactic Empire during the Galactic Civil War. The battle was preceded by years of attacks by the fledgling Rebel Alliance against the Empire and began the five-year period in which the Alliance successfully fought to replace the Galactic Empire with the New Republic.

Prior to the battle, Rebel Alliance Intelligence Serviceintercepted information suggesting that renowned scientistGalen Erso was building an Imperial superweapon capable of destroying entire planets. Alliance leadership sent Galen Erso's daughter, Jyn Erso, and Captain Cassian Andor to learnmore about her father's involvement, and their subsequent efforts saw the Alliance discover the existence of the Death Star, as well as a fatal flaw in the design placed there by Galen Erso.

Though the Alliance High Command refused to openly oppose the Empire, Erso and Andor led a small unit of the Marine Corps and other allies and defied orders, taking it upon themselves to launch an incursion of the Scarif Citadel, as the rebels planned to infiltrate the heavily guarded Citadel Tower base on Scarif to retrieve the Death Star plans. Under the callsign Rogue One, the unit infiltrated Scarif's planetary shield in a stolen Zeta-class Heavy Cargo Shuttle and proceeded to wage a guerrilla assault on the Citadel's outskirts, drawing away Imperial forces so that Andor, Erso, and the droid K-2SO could infiltrate the facility. Director Orson Krennic, the former commander of the Death Star, attempted to stop Erso and Andor from stealing the plans, but the heavily outnumbered Rebels received support from the Alliance Fleet under Admiral Raddus, whose forces engaged the Imperial Star Destroyers above Scarif and worked to destroy the Shield Gate protecting the planet.

With the Shield Gate's destruction, Rogue One was able to transmit the stolen plans to the fleet above, though all remaining Rebel ground forces were eradicated by a low-powered blast from the newly arrived Death Star that destroyed the Citadel and surrounding area. The Sith LordDarth Vader's forces made short work of the rebel ships that did not manage to retreat, but Princess Leia Organa escaped the battle in the Tantive IV; Vader pursued her to the planet Tatooine and captured her there, but the plans were already out of his reach. The plans eventually found their way to the Alliance, who used them to pinpoint the Death Star's weakness and destroy it at the Battle of Yavin.

* * *

Eli: Wow this is gonna be awesome!

Maria: Alright. Let's see if we can rescue Jyn Erso.

Me: And we better hurry! LOOK!

We saw the Death Star starting to rise over the horizon!

Allie Wilde: WHOA! Is that the Death Star!?

Me: That's it all right!

Erica: This is gonna be EPIC!

Nene: Boy it sure is!

We went to find Jyn and we found her and she had a wounded leg.

Maria: Jyn? It's okay. We're here to rescue you.

Jyn: I owe you my life.

Me: J.D. Knudson, leader of Team Loud Phoenix Storm.

Eli: We got company!

We turned and we saw DARTH VADER!

Eli: Darth Vader!

Lucilla Umbreon: WHOA! This is gonna be awesome!

Eli: Darth Vader you are going to pay for your crimes against the Jedi and the Republic.

Darth Vader ignited his red bladed lightsaber.

(DUEL OF THE FATES PLAYS)

Me: Get ready guys. This is gonna be awesome.

Eli then ignited his blue bladed lightsaber.

Darth Vader: The Force is strong with you young one. Who are you?

Eli: Eli Winston Bullock, Jedi from the planet Earth and avenger of the Republic.

They clashed and sparks flew all over the place and fires started everywhere. They clashed all over and slashed trees and buildings all over the place. Eli did amazing acrobatic moves and skills.

Simone: Whoa! Look at him go!

Gina Pele: How in the world did Eli learn those moves?

J.D. 3: I taught him all those moves and he also learned some more moves never thought possible in the ways of the Jedi.

Maria: J.D.'s immortal caveman self.

Simone: WHOA!

Nene: That is so cool!

Saeko has had enough of Darth Vader.

Suddenly, Saeko Busujima's eyes turned neon blue, and she was surrounded by a purple energy aura with ice crystals and snowflakes, and as she approached Darth Vader, she left purple energy, ice crystals, and snowflakes with every step.

Saeko Busujima: Darth Vader, I will never forgive you for your crimes against the galaxy. Today, you, The Sith, and the Empire dies here with you!

Then, Saeko Busujima was surrounded by a massive vortex of purple energy with ice crystals and snowflakes around it, there was an ice dragon flying around the vortex, and inside the vortex was an ice blue phoenix. Then, as the vortex faded, Saeko Busujima emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Saeko Busujima grew to 6'0" in height, she had the body of a goddess, she has neon blue eyes and a neon purple energy aura with ice crystals and snowflakes surrounding her, Saeko's long purple hair has neon blue highlights in the bangs, Saeko Busujima has a Yuki-Onna with the Ice Kanji in her hands emblazoned on her forehead, she has on Ice Dragon earrings with the Ice Kanji in its claws and a necklace with an Ice Dragon with the Ice Kanji in its claws, and she has large purple angel wings on her back with snowflakes falling. She has her massive Survivor of Fujimi High School sword out. Saya Takagi had on a sleeveless white blouse with a purple phoenix, purple skirt with ice crystals and snow on it, black leather ankle-high combat boots, and a white sleeveless trenchcoat with ice crystals and snowflakes on the coattails and the anti-zombie apocalypse symbol on the back. Saeko Busujima had on her brand-new Bracelets of The Champions of The Universe with purple gems on her wrists, her new Belt of Elemental Bravery with large purple gem for the belt buckle on her waist, and her Eater of Sins revolver holstered on her right hip. There was an ice blue kanji right below the anti-zombie apocalypse symbol that said, "Saeko Busujima, Samurai of Takashi's Group, Survivor of Fujimi High School, Destroyer of the Undead, Loving Future Wife of Lincoln Loud, and Master of Ice and Snow."

毒島冴子、タカシグループの侍、藤見高校の生存者、アンデッドの駆逐艦、リンカーン・ラウドの愛する未来の妻、そして氷と雪のマスター

Saeko Busujima has transformed into SUPER ANGEL 750,000,000,000 ARCTIC DRAGON SNOWSTORM ANGEL OF JUSTICE!

We were amazed by Saeko Busujima's Super Angel 750,000,000,000 transformation, and when Lincoln saw it, he had an atomic red blush on his face. But, when Darth Vader saw it, there was nothing but rage in the Sith Lord.

Me: WHOA! Saeko transformed!

Nene: Awesome! How do you feel?

Saeko: (Divine Echoing Frozen Voice of Cold Justice and Hope) **I feel amazing Nene. This is gonna be awesome to bring down the cold.**

But then thousands of Stormtroopers came and they fired at Saeko and she blasted them all over and skewered them with a shower of ice spears. Killing them all over.

Darth Vader: You think being a hero is a good thing? Sooner or later, you'll come to regret fighting for justice. And believe me, I should know!

Eli: Your thoughts betray you Anakin. Palpatine poisoned your mind with lies from the Dark Side of the Force. There is still good in you Anakin and I can feel it. The conflict.

Darth Vader: There is no conflict. It's too late for me.

Eli: It's NEVER too late. Would Padme want to see you like this? Search your feelings Anakin. For you know it to be true. The Force chose you to destroy the Emperor and you can still do the right thing and finish what the Force had chosen you for.

Darth Vader then knew that Eli was right. Palpatine WARPED his mind and made him do unspeakable crimes against not only the Jedi but to the entirety of the galaxy as well!

Eli: You can do the right thing and go back to the Light Side of the Force. I can help you do that and reunite you with your children and Obi-Wan. Starting with this. (Snaps fingers)

Anakin reverted back to what he was before he turned to the Dark Side of The Force.

Anakin: I'm back to normal! But how?

Eli: I helped you. Anakin, it's not too late for you.

Me: That's right Anakin. You can do what's right. The Emperor may have all that power in the Dark Side of the Force, but there's a bunch of things that we have that he never will have and that is a heart, love, compassion, hope and friendship.

Maria: Anakin, do you think you can tell your buddies to call off their attack?

Anakin: I don't think so. Now that I am no longer a Sith, they will follow only the Emperor.

Me: The Death Star still must be destroyed.

Eli: It's going to fire!

Me: Not on my watch! Everyone brace yourselves! (Cups hands to the side) KAAAAAAAAAAAAA MEEEEEEEEEEEEEE HAAAAAAAAAAAA MEEEEEEEEEEEEEEEEE!

The Death Star had it's Superlaser locked and it was starting to fire.

Me: HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

I fired a powerful Rainbow Energy Kamehameha Wave right at the Superlaser of the Death Star as the Superlaser fired and the Kamehameha Blast hit the superlaser and the blast overtook it and went into the Death Star and then….

***EXTREMELY MASSIVE EXPLOSION!***

The Death Star Exploded with incredible power and was completely obliterated in an instant!

Allie Wilde: WHOA! That was unbelievable!

Eli: AWESOME!

Miranda: Wow! Nice job J.D.!

Jyn: That did it!

Haumia: It sure did! But the war is not over yet.

?: No it's not.

We saw Eria the Water Charmer and an Undine from the world of Monster Rancher!

Me: Eria! And an Undine.

Undine: That's right but my name is…

Lola Namiko: That voice. Nadine? Is that you?

Nadine Namiko: Lola? Lola!

They went and hugged.

Maria: Were you watching the whole thing?

Eria: We sure were and that was amazing.

Nadine Namiko: It sure was! Wow! Eli really saved Anakin from himself. He is a really brave kid.

Me: Well who do you think taught him?

Eria: Yep. J.D. sure has done a great job.

Saeko: And the cool part is I got to transform and take down many Stormtroopers.

Jyn: That's true.

Syrus: That is so cool though.

I had Anakin, Eli, Syrus and Lincoln cover their eyes and I snapped my fingers and Lucilla and Nadine were reverting back.

Lucilla: (regains her hair) Did you also take down several Stormtroopers before meeting us?

Nadine Namiko: (Regains her hair) Yes we did and it was awesome.

They were both back to normal and naked and Maria gave them new clothes and they looked amazing in them.

Nadine Namiko: Whoa! These clothes are amazing.

Lola Namiko: Maria made them. They have amazing designs that accentuate all of us.

Gina Pele: That is amazing.

Nadine Namiko: (holds her head in pain while crying) LOLA! I'M SORRY!

Lola Namiko: Nadine, concentrate and reign in the power with the strength of your power. I did it and so did many others like you. You can do it.

Nadine concentrated and then she had a neon aqua blue aura flared up around her and that showed that she was fully engrafted with the power.

Nadine Namiko: Wow! That was amazing!

Eli: Awesome!

We later went back home and told everyone everything that happened and they were shocked and amazed and I merged Anakin of Rogue One with the Anakin we have at home.

---

After saving Anakin from being Darth Vader and ridding the Star Wars Universe of him, Lincoln, Me, Nico, Eli, Nicole, The Total Drama Crew, Lynn Loud, Lynn Sr., Rita Loud, Rainbow Dash, and Yugi were heading to the mutated Camp Wawanakwa, and not only is Lincoln going to rescue the twelve girls there, but we got word that Jo is there and she wants revenge on us, and Lincoln and Rainbow Dash are going to give her the worst ever reprimanding ever.

Lincoln: Whoa, we're here in the mutated Camp Wawanakwa, and I think I know what we're going to do here, not only am I going to rescue the twelve girls there, but we got word that Jo is here and she wants revenge on us. But, me and Rainbow Dash are going to give her the worst ever reprimanding ever.

Me: That's right, big guy.

Nico: What Jo has done proves that she's nothing but a sore loser, just like Dark Lynn and Evil Lynn.

Lynn Loud: You said it, big bro.

Eli: And you guys told me that Lana and Lola bit off her foot long ago, right?

Yugi: That's right, Eli. But, she deserved it, and her sports career was destroyed for good after she had her foot bitten off, and that attitude of hers also did her in, as well.

Rita Loud: But for her to use the Bad Luck Ordeal on our kids years ago, now that's going too far. (To Lincoln) Sweetie, after you and Rainbow Dash get through with beating her senseless, tell her off and make her ears bleed!

Lincoln: You got it, Mom.

Me: What she said back then was REALLY LOW!

?: HELP!

Suddenly, Lincoln heard the sound of twelve girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He saw the twelve girls, but they've been cornered by Jo, and she's going to kill them.

Lincoln: Guys, I found the twelve girls, but they've been cornered by Jo, and she's going to kill them. Come on, let's go.

We rushed on over, and Lincoln grabbed Jo and tossed her away from the girls, and when she saw us, she was none too happy to see us after what we did to her. Then, Lincoln and Rainbow Dash went up to Jo, and they proceeded to brutally pummel her and beat her brains out, and we watched. Then, as soon as they were done, Rainbow Dash and Lincoln broke every bone in Jo's body.

Then, Lincoln tied her up in a neon rainbow energy straitjacket, and now, they're going to give her the WORSE EVER REPRIMANDING EVER!

Lincoln: Jo, what you've done throughout the entire Total Drama series is indeed unforgivable.

Rainbow Dash: You were ruthless, sadistic, psychotic, stuck-up, and you've shown nothing more than bad sportsmanship and teamwork.

Lincoln: But what you did in bringing up the Bad Luck Ordeal on us like that, you've gone too far. We prevented that from happening here, but you don't even care.

Suddenly, we saw their eyes turn red, and the temperature was now red hot, and they were going to let Jo have it.

Lincoln and Rainbow Dash: (Screaming) ***YOU ARE NOTHING MORE THAN AN ARROGANT, SELFISH, RUDE, TWO-FACED, BACKSTABBING, HEARTLESS, CALLOUS, MANIPULATIVE, SORE LOSER BITCH FROM THE DARKEST DEPTHS OF HELL!***

Our jaws really dropped to the floor in shock and awe, and Jo's eyes went wide-eye in shock, and we cheered wildly for what they did.

Lynn Loud: Alright, way to go, bro!

Rita Loud: Yikes, now that's what I call a really harsh and detailed reprimanding.

Lynn Sr.: You said it, honey.

But, Jo's shock gave way to anger, as her eyes turned red with anger, and she was foaming at the mouth like a rabid dog. But, before she could say anything, Lincoln beamed her back to The Uranus Prison, where she was thrown into a separate cell in Solitary Confinement, and chained to a wall.

Then, Lincoln and Nicole went up to the twelve girls, and when Lincoln saw them, he recognized them immediately. The twelve girls were Konoha Amagi and Mayu Hashimoto from Zetman, Urara Shiraishi, Miyabi Ito, Nene Odagiri, Rika Saionji, Mikoto Asuka, Noa Takigawa, Maria Sarushima, Meiko Otsuka, and Kotori Moegi from Yamada-Kun and The Seven Witches.

Lincoln: Oh wow, it's Konoha Amagi, Mayu Hashimoto, Urara Shiraishi, Miyabi Ito, Nene Odagiri, Rika Saionji, Mikoto Asuka, Noa Takigawa, Maria Sarushima, Meiko Otsuka, and Kotori Moegi.

Nicole: From Zetman and Yamada-Kun and The Seven Witches, awesome.

Lincoln: Are you girls okay?

Konoha Amagi: Yes, we're okay, thanks to you from saving us from that psychotic jock.

Then, when Konoha Amagi and the other eleven girls saw who it was that saved them from Jo, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books right on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Konoha Amagi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eleven clones of himself, and he and the eleven clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Konoha Amagi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We returned home to the Estate, and when we played the harsh reprimand from Lincoln and Rainbow Dash on Jo, Lincoln's siblings cheered wildly, as they went up to him and hugged him, and the other princesses went up to Rainbow Dash, and hugged her, and they also hugged and kissed Lincoln for what he also did.

---

After the harsh reprimanding on Jo and throwing her back in prison, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Lincoln: Alright, everyone, are you ready?

Karin Kanzuki: Of course, Linky. Let's head on out.

Lincoln and his girls and Garrett and his girls head out of the Estate, and head for Maylasia, and their destination: Kanzuki Beach. They arrived at Maylasia, and they arrived at Kanzuki Beach, and it was a beautiful place, and known as the private beach of Karin Kanzuki's family.

Lincoln: Wow, so this is your family's private beach, Karin? It's so beautiful.

Karin Kanzuki: That's right, Linky.

Sakura Kasugano: And this place is truly perfect for our date.

Lincoln and his girls and Garrett and his girls eventually got started by diving into the clear waters, and they also took pictures of the place. They also played a game of volleyball, and they also had some lunch, and after a few hours of fun and relaxation in the sun and ocean, Lincoln and his girls and Garrett and his girls returned home to the Estate.

Me: Hey, guys, how was your date?

Lincoln: It was great, J.D., we went to Kanzuki Beach in Malaysia.

Nico: Kanzuki Beach in Malaysia? From what I remember from living in the Philippines, it's known as the private beach of the Kanzuki family.

Lincoln: That's right, Nico. But, we went there for our date, and it was awesome. Here, look.

Lincoln showed us the pictures of Kanzuki Beach, and it was beautiful.

Me: Whoa, this place is amazing.

May: It sure is beautiful.

We continued looking at the photos and hearing the fun Lincoln and his girls and Garrett and his girls had at Kanzuki Beach.

---

Later we were talking about something.

Nico: Hey, guys. What're you talking about?

Luan: Well, remember when you visited the Aligned World on certain days?

Nico: Yeah I sure do. Why?

Luan: Well Arkayna wants to visit a certain world too.

Arkayna: I chose the world of Blue Dragon.

Me: Hey that's a good one. I heard that there's a lot of problems in that world and going there will give us a few pointers on what is going on there.

Nico: First, tell me what the world of Blue Dragon is about.

Arkayna: Okay.

Nico went over the history of the world of Blue Dragon and how it's undergoing a lot of problems with the evil emperor Nene. Nico went over his history.

---

Nene is the main villain of Blue Dragon. He is the leader of the Gran Kingdom, and flies around the world causing destruction and despair for seemingly no reason. He initially appears as an old man, has a frog-like pet named Deathroy who is chained to his shoulder and always repeats the end of his sentences, and his second-in-command is General Szabo. Nene has a "shadow" that is a red version of Shu's Blue Dragon, which turns into a Chimera later in the story.

At the start of the game, he is controlling the "Land Shark" that is terrorizing the village where Shu, Kluke and Jiro live, and in an attempt to stop the Land Shark they wind up meeting Nene on board his ship and barely survive a confrontation with him, getting stranded in the middle of nowhere. Along the way home, they continue to encounter Nene's path of destruction, and eventually find that the village has been destroyed as well, and the people are migrating to where it is safer.

At the end of the second disc, Nene steals away the main characters' shadow guardians to complete his own and achieves full power, losing his aged appearance and becoming much younger (they later regain use of the shadows but Nene keeps all his power as well). Towards the very end, it is revealed that he had intended the children to acquire and train their shadow guardians from the beginning, as they were originally all part of his shadow but the overuse of the magic was draining his soul and making him old, and he used the children to re-power his shadow with the energy from their stronger souls.

Also during the final confrontation, Nene reveals that Zola, one of the main party members, had actually been working for him all along and was the mysterious voice the children heard when they got the light spheres that gave them their shadow guardians, and after Nene is defeated he asks Zola to take back the shadows and give them to her again. However, Zola has a change of heart and kills Nene

instead.

After that, it turns out that Nene's pet Deathroy was actually "Destroy", the ancient monster mentioned earlier in the game who destroyed a past civilization, and he turns into a giant monster for the game's very last boss battle.

When he was done with Nene he went over the history of Shu and his friends:

Shu (シュウ, Shuu), Zola (ゾラ, Zora), Jiro (ジーロ, Jiro), Kluke (クルック, Kurukku), Marumaro (マルマロ, Marumaro), Bouquet (ブーケ, Buke) and Noi (ノイ, Noi).

When he was done we were amazed.

Me: Whoa! That's amazing! Looks like it's gonna be so cool to meet Shu and his friends.

Arkayna: It sure will.

Later I gave Arkayna a portal watch and she opened a portal and went to the world of Blue Dragon. She arrived there and it was amazing.

Arkayna: Wow! So this is the world of Blue Dragon. Amazing.

Then she saw Shu and his friends.

Shu: (sees Arkayna) Excuse me. Are you lost?

Arkayna: No I'm not. I was sent here by my team. I'm Princess Arkayna Goodfey, leader of the Mysticons for Team Loud Phoenix Storm.

Kluke: Wow! It's an honor to meet you!

Bouquet: Wow! Team Loud Phoenix Storm is the greatest!

Arkayna: I'm actually here as an ambassador to find out what needs to be done and how to deal with the forces of Nene and his evil empire.

Zola: We greatly appreciate it. The Gran Kingdom wants to rule the world in the powers of Darkness.

Arkayna: Looks like my team is gonna have a lot of work to do when they come.

Kluke: Boy no kidding.

Shu: Want to meet my roommate?

Arkayna: Sure.

Shu summoned his Shadow Power, the BLUE DRAGON!

Arkayna: WOW! So that's The Blue Dragon!

Shu: Yep. He's my shadow power.

Blue Dragon: Pleasure to meet you.

Arkayna: Are there more like you?

Blue Dragon: Yes there are. Shu's friends here all have unique Shadow Powers.

Shu's friends all summoned their awesome shadows too! Zola had KILLER BAT, Kluke had PHOENIX, Bouquet had HIPPOPOTTAMUS, Marumaro had SABER TIGER and Jiro had MINOTAUR!

Arkayna: WHOA! That is so awesome!

Phoenix: It sure is and it's a pleasure to meet you.

Minotaur: Same here Arkayna.

Arkayna then sensed something and fired a blast of energy and it hit a cliff and sent a villain with orange hair flying.

Shu: That was Dolsk. Nice save.

Arkayna: Until the rest of the team officially come here, I'm going to help you guys only drive off your enemies.

Kluke: We would like that.

Shu: It would be so awesome to see what you can do.

Arkayna: I won't disappoint you all.

It was a fun time for Arkayna. She later came back.

May: How was it?

Arkayna: It was amazing!

Arkayna told us all about what Shu and his friends all can do and how each of their shadows all have an amazing and awesome power and all that and she told us all about the enemies of Shu and his team. Arkayna told us how she drove off Dolsk.

* * *

Dolsk is a red-haired Shadow User from Gran Kingdom. Under the orders of Nene, the general Dolsk was with sent him to attack Zola's group. When he crashed their campsite and unleashed his shadow, Zola had Jiro fight Dolsk. Dolsk kept attacking Jiro during his power ups resulting in Zola providing any assistance. Shu tries his best to unleash Blue Dragon to help Jiro fight Dolsk only for this to happen when Kluke hits Shu on the head. Blue Dragon manages to berserkly attack Dolsk's shadow before going wild again. Jiro manages to defeat Dolsk while Zola's Killer Bat subdued Blue Dragon in episode 3.

* * *

Dolsk was dangerous but she was too much for him to handle.

Me: Whoa! You did really well Arkayna.

Zarya: Awesome job sis.

Eli: Yeah! Way to go.

Me: Looks like your first Ambassador mission was a success. Maybe one of us can go with you next time.

Arkayna: Good idea.

Lisa Loud: We'll be doing these visits with certain worlds we discover. But we'll let you know which worlds.

Me: Understood and the Blue Dragon world is gonna be amazing to see. But Nene reminds me every bit about Barodius. And I bet you he is just as ruthless as that monster.

Nico: I have that same feeling too. But you aren't gonna be angry about what he does right?

Me: No. I've learned my lesson. But I'm projecting that we'll face either Nene or one of his minions on January 7th of next year.

Laney: Not far off.

Eli: But we'll be ready for any of them.

Me: We sure will.

---

Later we were in the kitchen and we had tons of things out. We had thousands of pounds of beef, cheese, bacon, lettuce, tomatoes, onions, pickles, mayonnaise, flour, eggs and more.

Star Sapphire: So, remind me again why we have all these ingredients out?

Me: It's for this.

I showed a newspaper article for the Gotham Royal York Burger Festival's Biggest Burger Contest.

Nico: Ooh! The Annual Gotham Royal York Burger Festival! I remember that.

Eli: That's a great festival.

Me: Yep. And as you can see we have all this beef, cheese, eggs, bacon and all these ingredients for that. But we're going to be making a burger that's different. We're going to make the biggest Juicy Lucy ever.

Nico: OOH! We're gonna set a record for the biggest Cheese-Stuffed burger ever.

Me: Yep. And this is gonna be an awesome burger. The prize of the contest is free meals from Lynn's Table for life.

Lincoln: Wow! I didn't know dad's restaurant was sponsoring this festival.

Me: With all the food we eat there we endorse it all the time. Now lets get to work!

Gonzo: (picks up some lettuce) Lettuce make the biggest burger ever!

Luan: (LAUGHS) Good one Gonzo!

Nico: (LAUGHS) That was funny!

We got the meat out and pat it all around into huge tubs.

Zarya: I hope we have an oven big enough for this. How many pounds are we going for?

Me: 10,000 pounds.

Zarya: WHOA! That's huge!

Me: It sure is and we do have an oven big enough for it.

Lisa Loud came out with a huge manmade oven big enough to fit a 10,000 ton tub.

We put 2,500 pounds of meat for the bottom half in the tub and then we put 500 pounds of cheese in the middle and then we put 2,500 pounds more of beef on top and crimped the patties together.

Nico: Wow! That's a lot of beef and cheese. How long do we cook it?

Me: For a patty this big I would say 5 hours.

Nico: Whoa! Lets do it.

We did the same to another patty and we put the tubs in the oven.

Me: Whew! Now we make a bun.

We got to making a REALLY HUGE Bun. We got everything ready.

Runabout: Please tell me we're almost done!

Me: Almost.

We got the patties out and they were REALLY BIG! We got them out of the tubs and put one on the homemade bottom bun

Runabout: Wow! That is big!

Me: Now we put cheese on top followed by the second patty.

We put cheese and bacon on it and then the second patty and then we put lettuce, onions, tomatoes, pickles and then mayonaisse. Ketchup and mustard will be added later. Then we put the top bun on and it was ready!

Nico: WHOA! That is big!

Laney: WOW! Lets get it over to the festival.

Me: And I know a faster way to get it there. The World Tree Estate has an anti-gravity crane system.

Vince: Wow that's clever!

Eli: Cool!

Blur: I'll use my speed to get it there!

Nico: Actually the tree can get it there Blur.

Blur: Oh right. I must not have been paying attention.

We went to the festival.

Lady Tsunade, Nurse Joy, Officer Jenny, Mayor Mare, Numbuh 362 and Granny Smith were the judges for the contest.

Lady Tsunade: Glad you all could make it.

Me: Same here Lady Hokage. Our entry is on it's way down.

A beam of light came down from the tree and coming down was a giant raft and it came down 2 minutes later and on it was a massive and giant burger as big as a whole house!

Me: TADAH!

Lady Tsunade: WHOA! That is one enormous burger!

Me: Yep. It's a Juicy Lucy Burger. A Cheese-Stuffed burger.

Granny Smith: Well lets see how big it is.

We had it put on a scale and it showed that it weighed over 50,000 POUNDS!? HOLY GUACAMOLE! It was 5 times more heavier than what we were originally going for!

Lady Tsunade: I think we already know the winner!

Mayor Mare: Yep and it's Team Loud Phoenix Storm!

We cheered wildly!

Disk Wars Mandarin: J.D., you know it's your turn to lead today, right?

Me: I sure do and this festival is awesome. But first before our big mission lets have lunch.

Nico: Good idea. We're starving.

Eli: I am hungry.

Evil Green Ranger, Rex Goodwin, Raven Branwen, Dr. Polaris, Bonz, Roxy Rocket, Nergal, Anti Wanda, Duff Killigan, and Griffin then appeared.

Duff Killigan: (Scottish Accent) Mind if me, Evil Green Ranger, Rex Goodwin, Raven Branwen, Dr. Polaris, Bonz, Roxy Rocket, Nergal, Anti Wanda and Griffin come with all ya laddies?

Me: Sure.

Evil Green Ranger: WHOA You guys made that huge burger!?

Me: Yep and it won. Enough for everyone. Lets dig in guys!

We got to eating the burger and man was it oozing cheese out like you wouldn't believe.

Dr. Polaris: Whoa look at all that cheese come out.

Bonz: That is a ton of cheese!

Nergal: Awesome job making this burger guys.

Me: Thanks Nergal.

French Narrator: (French Accent) 3 Hours Later

We ate the whole burger and we were absolutely stuffed!

Me: Man! (Groan) I'm bloated! BBBBBUUUUUUURRRRPPP!

Eli: That was awesome!

Bonz: Nothing like a good meal before a mission.

Nico: Boy you said it!

Lady Tsunade: That was one of the most delicious burgers ever.

Laney: It sure was. Man I am stuffed!

Me: Me too! That was awesome. I don't think I'm gonna be eating anything for the rest of the day.

Eli: Me neither.

Me: All right lets get ready. That was fun. Our mission is a really cool one. We're going into the world of the awesome movie Spies in Disguise!

Nico: Cool! I love that movie! Let me guess, we're going to watch it first and then head out.

Me: Bingo.

We went back to the Estate and we got to watching the movie.

---

Lance Sterling, a cocky secret agent of H.T.U.V. (Honor, Trust, Unity and Valor), is sent to recover an attack drone from Japanese arms dealer Katsu Kimura in Japan. As soon as the buyer, cybernetically enhanced terrorist Killian, arrives, Sterling breaks in against the orders of H.T.U.V. director Joy Jenkins, defeats Kimura and his gang, and manages to escape with the briefcase containing the drone. Sterling returns to H.T.U.V. headquarters to confront Walter Beckett, a socially inept MIT graduate and outcast young scientist, for equipping nonlethal weapons into his suit. Walter tries to convince Sterling that there is a more peaceful way to save the world but Sterling fires him before he can explain his latest invention: "biodynamic concealment".

Sterling discovers the briefcase to be empty and is confronted by Marcy Kappel, an internal affairs agent, who reveals footage of Sterling (actually Killian in a holographic disguise) leaving with the drone, labeling him as a traitor. Sterling escapes the H.T.U.V. and decides to track down Walter to help him disappear. Meanwhile, Killian breaks into the H.T.U.V. covert weapons facility.

While searching Walter's home for his invention, Sterling ingests the concoction and transforms into a pigeon by undergoing "chromothripsis". Before Walter and Sterling can decide what to do next, Marcy and other H.T.U.V. agents chase the duo through the city, but the duo escape in Sterling's spy car. The two track down Kimura at a resort in Playa del Carmen, Mexico. There, they learn of Killian's whereabouts in Venice, Italy before Marcy and the H.T.U.V. can capture them again.

Arriving in Venice, Walter is confronted by the H.T.U.V., who are unaware of Sterling's condition. Revealing that she knows about Wendy, Walter's mother who was a police officer who died on duty, Marcy tries to convince him to help turn Sterling in, but Walter refuses. Suddenly, a drone distracts the H.T.U.V. and allows Walter and Sterling to escape. The two discover the drone carrying the H.T.U.V. agent database, and Walter manages to retrieve it. However, Killian shows up, takes the database, and prepares to kill Walter. With help from hundreds of pigeons in the surrounding area, they distract Killian and flee. Disguised as Sterling once more, Killian escapes the H.T.U.V., shaking Marcy's suspicions of Sterling upon her seeing him with a robot hand.

Whilst underwater in a submarine, Walter reveals he planted a tracking device on Killian and locates him at the weapons facility. Walter manages to perfect the antidote and successfully turns Sterling human again. Reaching Killian's hideout, Sterling is concerned about Walter's safety and sends him away in the submarine. Once inside, Sterling confronts Killian, but is knocked out and captured as Killian reveals he has mass-produced hundreds of drones to target everyone at the agency using the database as revenge for killing his crew in a past mission led by Sterling. Noticing Walter returning in the submarine, Killian destroys it; unbeknownst to them, Walter survives with the help of one of his inventions, the inflatable hug.

Once Walter frees Sterling, the two escape and contact Marcy for support as the drones approach H.T.U.V. headquarters in Washington D.C. Walter attempts to hack into Killian's bionic arm but when Killian realizes this, he tries to flee via air with a drone, but Walter catches up. Walter risks his life by trapping Killian in the inflatable hug and deactivates the villain's arm as Walter himself falls, but Sterling, who has turned himself back into a pigeon, successfully flies for the first time and carries him to safety with help from other pigeons, while Killian is found and arrested.

Despite saving the world, Sterling -back in his human form- and Walter are fired for disobedience. However, they are quickly rehired by the H.T.U.V. as the agency could learn from Walter's more peaceful ways of handling villainy.

---

When the movie was done we cheered wildly!

Nico: SO AWESOME!

Me: Yeah! Lets get ready and head out!

We went to CIA Headquarters in Washington D.C.

Takinom: Is this the place?

Me: Yep this is it. And I have a key.

I went over to the door and pressed a panel with my foot and a retinal scanner appeared.

I had my eye scanned.

Computer: Access Granted. Welcome J.D. Knudson.

Me: Thank you very much.

We saw a door open in the floor of the CIA Building and we went down a set of stairs and we saw H.T.U.V. HQ.

Me: Welcome to H.T.U.V. Headquarters.

Rainbow Dash: Wow! This is awesome!

Evil Green Ranger: How did the computer know who you are?

Me: I have universal access to all spy organizations and it allows me entry.

Evil Green Ranger: That's cool.

Me: It sure is.

Then we saw Agent Lance Sterling and his partner Walter Beckett.

Lance Sterling: Wow! J.D. and everyone.

Me: Good to see you again Lance.

Lance Sterling: Same here.

Brad Morton: Hi! You must be Lance Sterling!

Lance Sterling: I sure am and it's awesome to meet the famous Team Loud Phoenix Storm. J.D. you and your team went through so much over the years.

Me: So we have heard.

Nico: How do you know Lance, J.D.?

Me: It was before I moved to Michigan and I was getting used to my powers. I was helping Lance on a mission to take down his enemy, Killian.

I went over Killian's history.

---

Tristan McFord, also known as Killian or Robo-Hand, is the main antagonist of Blue Sky's thirteenth and final animated feature film Spies in Disguise. He is Lance Sterling's arch-enemy and a terrorist mastermind with a cyborg left arm.

He was voiced by Ben Mendelsohn, who also played John Daggett in The Dark Knight Rises, Danny Rayburn in Bloodline, Orson Krennic in Rogue One: A Star Wars Story, Nolan Sorrento in Ready Player One, Talos in Captain Marvel and Special Agent Mace in Infinity Train.

In one of HTUV (Honor, Trust, Unity and Valor) agent Lance

Sterling's past missions, the former killed Killian's crew of terrorists in Kyrgyzstan. During that mission, Killian lost his left eye and arm, which eventually leads him to have them cybernetically enhanced.

Years later, plotting his revenge for the loss of his crew and his disfigurement, Killian arrives in Japan to buy a weaponized attack drone from Japanese arms dealer Katsu Kimura before Lance appeared to retrieve the drone. Recognizing the agent, he immediately seized and then scanned him prior to engaging into a fight with Lance; Kimura's men soon surround both Killian and Lance, leaving the former to easily get away with the briefcase containing the drone in a helicopter, though the latter would seemingly manage to recover it. However, Killian secretly left the briefcase empty and escaped with the actual drone while under the holographic disguise of Lance, leading to the agent being labeled as a traitor.

Killian breaks into the H.T.U.V. weapons facility and had one of its scientists build multiple drones before having him killed. One of his drones in Venice, Italy gets destroyed by Lance (who was turned into a pigeon by one of Walter Beckett's inventions) trying to get the H.T.U.V. agent database, although Killian himself shows up and takes it back as he prepares to kill Walter. With help from hundreds of hungry pigeons in the surrounding area, Walter distracts Killian and flees with Lance. Disguised as Lance once more, Killian escapes the H.T.U.V, shaking Marcy's suspicions of Sterling upon her seeing him with a robot hand.

Whilst underwater in a submarine, Walter reveals he planted a tracking device on Killian and locates him at the weapons facility, and upon arrival at the facility, Lance leaves Walter behind (not wanting to get him in danger) and sneaks into the base; unfortunately, he is soon spotted, knocked out and captured as Killian reveals he has mass produced hundreds of drones to target everyone at the agency using the database as revenge for killing his crew in a past mission led by Sterling. Noticing Walter returning in the submarine from one of the monitors, Killian destroys it, leaving Lance devastated. Although, Walter survived the attack with the help of one of his inventions, the inflatable hug, and frees Lance prior to tracking Killian.

During a skirmish between the H.T.U.V. agents and Killian with his drones, Walter attempts to hack into Killian's bionic arm while hidden from his sight. When Killian realizes this however (thanks to Lance revealing the hack while under the sprayed truth serum), he tries to flee with a drone, but Walter catches up. He tries to stop Walter from deactivating his cybernetic arm, believing that the deactivation would kill them both; facing this predicament, Walter risks his life by trapping Killian in one of his protective gadgets, a inflatable balloon, and deactivates the arm (and by extent all of the drones including the one carrying Killian) before being rescued by Lance, who transformed back into a pigeon. As the rubber-balloon-trapped Killian gently lands on the ground, the agents arrive to arrest him; and when they point out that Walter saved him, Killian's eye goes from red to blue, implying he may have felt remorse for what he did or that he accepted his defeat.

---

When I was done everyone was shocked!

Nico: WHOA! That's awesome!

Laney: It sure is.

Rainbow Dash: AWESOME!

Sunset Shimmer: So cool! Does that also mean?

Me: Yep. I left my mark on Killian too. I slashed off his arm and cut out his eye. Because of that, he was hellbent on revenge on me ever since.

Lance Sterling: And he also helped me arrest him the second time.

Me: Yep and that was when I was starting to get the team together.

Raven Branwen: You don't think Killian's going to come back for revenge, do you?

William: With just one arm and eye? He would be crazy to do that!

Me: No he made a robot arm and a robot eye for himself to replace

them.

Raven Branwen: Oh. Oh no.

Lance Sterling: But we're gonna be ready for him.

Me: Yep.

Dr. Ghastly: Also, is it true you were a pigeon before?

Lance Sterling: It sure was and it was really strange.

Maria: Sancho and Sergio would have an awesome friend in their wild parties.

Rosa Casagrande: (Spanish Accent) He better not! That bird is already on thin ice enough already.

Ronnie Anne: Easy Abuella. Maria was just joking.

Rosa Casagrande: Oh sorry miha.

Maria: It's all right Mrs. Casagrande.

Walter: You know, if Sergio's giving you trouble from inside your estate, you can always spank him.

Ronnie Anne: You know what? That's a good idea!

Girl Jordan: That's harsh, don't you think?

Me: Yeah he is a bird.

Rex Goodwin: Before you think of it as harsh, think back to all the times Sergio had wild parties.

Me: Hmm.

I got to thinking and I remembered all the times Sergio and Sancho and all the pigeons around the area were partying like there was bno tomorrow and those parties have been getting out of control from time to time. But I think it was time for Sergio to stop partying!

Me: All right just this once will I allow you all to spank Sergio. But Rosa use La Chancla.

Rosa Casagrande: Si.

Dr. Polaris: Can you remind us what La Chancla means for those of us who don't speak Spanish?

Me: Sure thing. La Chancla is Light Sandal in Spanish.

Dr. Polaris: Oh that make's sense.

Me: The way Rosa uses it means that she is gonna use her sandal as a Spank Paddle.

Slinkman: It's times like these with that bird that I wish I could bring Ol' Spankful out of retirement.

WHAP! PAINFUL SCREAM!

We saw a case in Slinkman's hand that had a spanking paddle.

Weather Vane: Slinkman, I have a feeling you might have to use Ol' Spankful sooner then you think.

Slinkman: You're right.

I gave Slinkman a key and he unlocked the case and Ol' Spankful was officially out of retirement.

Nergal: We should probably get ready to go after Killian in a few hours.

Me: Right we'll worry about spanking Sergio later. That bird has no self-discipline.

Lori: By the way Lance, you literally sound like Will Smith.

Lance Sterling laughed.

We laughed with him.

Lance Sterling: I sure do sound like him huh?

Me: Awesome actor man.

Laney: Yep.

Zilius Zox: While we're getting ready, how would you two like Nergal's pizza?

Lance Sterling: You bet.

Walter: We are hungry.

Nergal made some pizza for them and they loved it.

Walter: So let me get this straight. On some future worlds, most of you guys will be going as ambassadors for upcoming teams of heroes?

Roxy Rocket: That's what Lincoln told us.

Walter: Do you have the necessary paperwork?

Me: (Laughs) That would be good for us. But practically everyone all over the universe knows who we are.

Nico: Yep.

Lance Sterling: I hope you guys know what you're doing. I can imagine that balancing life between two teams isn't gonna be easy.

Nico: Take it from me. You know how exhausting it was to balance life between you guys and Bumblebee's team?

Bugly: I can tell you probably needed to drink lots of water.

Nico: You got that right. I had to drink 4 jugs full of 10 gallons of water.

Laney: Whoa! That's a lot of water.

Megan McAllister: No kidding.

Lance Sterling: Dammit, why did I even spare Killian from death the first time if he was just going to keep trying dumb s*** like going after

J.D.?!

Anti Wanda: Don't beat yourself up about this. Ya'll did what you thought was right back then.

Me: That's right Lance. Well this time I'm going to finish what I started and kill him once and for all.

Eli: Yeah he will pay for his crimes.

Lance Sterling: Good.

Transquito: Well, time to head out.

Me: Yep. Get ready Killian. (Eyes glow red) You and I have some unfinished business to take care of.

Eli: That's right!

We were off to Killian's lair.

We arrived and we saw that it had robots EVERYWHERE!

Griffin: I'll fly around to see how many robots are patrolling the area.

Me: Okay. Be careful.

Mr. Krabs: I have an idea lads.

Me: Lay it on us.

Mr. Krabs told us that he was going to imitate a robot like he did with the Krab Robot fiasco and distract the robots long enough for us to blow them to pieces.

One of the robots spotted us.

Mr. Krabs: I've got this. (to the robot) Bee-boo-boo-bop, boo-boo-bop.

Batch: What are you doing?

Mr. Krabs: I'm speaking their language. (to the robot) Bee-boo-boo-bop, boo-boo-bop.

He walked around and a robot was looking at another robot.

Robot: (To the other robot) That look odd to you?

Robot 2: (Stupidly talking with a stupid smile) Duh nope! Uh-uh. Nope. (Laughs stupidly)

Duff Killigan: FORE! (hits golf ball at a robot)

WHAP!

The ball hit the ground in the middle of all the robots and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The robots were all destroyed in a huge explosion!

Ren Krawler: Killian must be inside.

Linehalt: Time to do our entrance.

Me: Lets do it!

We went at the door of his lair.

Killian: Sterling is here. Perfect.

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted a hole through his ceiling and then a phoenix cry was heard and the spirits of the Dark Masters of The Sky swirled around it and converged and we came in and we were facing KILLIAN!

Me: Hello Killian. We meet again for the last time.

Killian: J.D. Knudson! YOU WILL PAY FOR EVERYTHING YOU DID TO ME!

Me: This time we're here to finish what I started. We're going to kill you

Nico: That's right!

William: Geez, you look scary with that robot arm and eye!

Killian: (chuckles) Glad you think so. I'll be even more scary after I use my robot arm to rip out your heart!

Me: This is between you and me Killian. I'm not going to show you any mercy like last time or the time before that. This time you will die.

Nico: That's right you one-eyed fiend!

Eli: You will pay for your crimes in blood.

Zavok, Fireor, Gameface, Dumbbeltron, Hydros, Firebrand, Heatwave, Firepower, Eccentro and Ragdoll then appeared.

Me: Zavok, Fireor, Gameface, Dumbbeltron, Hydros, Firebrand, Heatwave, Firepower, Eccentro and Ragdoll.

Zavok: Are you glad to be reunited with J.D.?

Lance Sterling: I sure am.

Fireor: Glad to hear it.

Me: And it was cool.

Gameface: Good thing all the robots are destroyed.

Dumbbelltron: (to me) We heard you faced Darth Vader again.

Me: We sure did and we faced him on the planet Scarif

Hydros: I hope he was easy to defeat this time.

Me: He was but you have Eli to thank for that. He reminded Darth Vader that he was Anakin and that Palpatine poisoned his mind with lies.

Eli: Yep. It was an epic battle.

?: No kidding.

A figure came out and it was SILO from episode 4 of Zeo!

---

Silo was first seen being made and created out of spare parts from a junkyard by the Cogs. After a Cog had successfully manages to steal the Passwords that belongs to Rocky's friend Jennifer while both he and Adam Park were Power Rangers taking out an army of Cogs, he used it to first unlocked a Password, and then used a disc to program the robot, based on that of the modification Rocky and his classmate Jennifer were making to the robot fighters in a computer game to make it more educational. Silo was now online and he first ask a the question to where he can find the Zeo Power Rangers to Bulk and Skull, causing them to run in fear, he was later seen with King Mondo, where he does battle with Tommy, Rocky, Tanya, Adam and Katherine, the rangers, the Rangers tried to use the Laser Pistols, but it had no effect, he was then enlarge thanks to Orbus' new ability to enlarge monsters, the Rangers then summon the Zeo Megazord to take on Silo, but the monster was too strong, he then used chains from his stomach area to wrap up the Zeo Megazord and attempt to take it away and throw it into the sun, but the Rangers were able to return to Earth thanks to the new Battle Helmets (much to the shock of both King Mondo and Silo) and they gave Silo a hard blowing kick, they then had rematch, but thanks to the Zeo Megazords Battle Helmets, they were able to get the upper hand, they first used the Zeo 1 Battle Helmet and used the Zeo Cannon Power to blast Silo with strong energy lasers, then they used the Zeo 3 Battle Helmet and uses the Pyramed Power to lift and slam down the monster, but Silo wasn't finish yet however and w charges right to the Zeo Megazord, they then use the Zeo 5 Battle Helmet for Zeo Warrior Power and used the power up Zeo Saber to take out Silo.

---

Rocky: Silo!

Me: Never missed an episode.

Silo: Question: Is this my first usual battle?

Maria: Yes. Yes, it is.

Ace Bunny: You got that right.

Rainbow Dash: That was an awesome way to give someone a piece of my mind.

Scootaloo: Boy you should have seen it. Check it out.

Scootaloo showed the video of it that we made on her iPhone.

---

Then, Lincoln tied her up in a neon rainbow energy straitjacket, and now, they're going to give her the WORSE EVER REPRIMANDING EVER!

Lincoln: Jo, what you've done throughout the entire Total Drama series is indeed unforgivable.

Rainbow Dash: You were ruthless, sadistic, psychotic, stuck-up, and you've shown nothing more than bad sportsmanship and teamwork.

Lincoln: But what you did in bringing up the Bad Luck Ordeal on us like that, you've gone too far. We prevented that from happening here, but you don't even care.

Suddenly, we saw their eyes turn red, and the temperature was now red hot, and they were going to let Jo have it.

Lincoln and Rainbow Dash: (Screaming) YOU ARE NOTHING MORE THAN AN ARROGANT, SELFISH, RUDE, TWO-FACED, BACKSTABBING, HEARTLESS, CALLOUS, MANIPULATIVE, SORE LOSER BITCH FROM THE DARKEST DEPTHS OF HELL!

Our jaws really dropped to the floor in shock and awe, and Jo's eyes went wide-eye in shock, and we cheered wildly for what they did.

Lynn Loud: Alright, way to go, bro.

Pickle Barrel: Awesome! That was so cool Captain Rainbow Dash!

Barley Barrel: Yeah it was! That was great!

Rainbow Dash: She had it coming for quite a while.

Magma Gloom: Yeah I never liked that monster Jo. What she did showed that she had worse Sportsmanship than Lynn's Evil self from what we heard.

Flash Magnus: Jo should've been banned from all sports for life and all that as well.

Air Lincoln: Yeah she is a heartless monster.

Whirlwind: Yeah Chris should've done a really thorough background check on all the contestants to see if they are welcome on Total Drama.

Saint Walker: I agree there with all of you. What Jo did show that she is a criminal that needs intense rehabilitation.

Sister Sercy: I agree there brother. It's horrible to see how she treated her fellow people.

Sonic: Yeah what a heartless fiend.

Tails: No kidding. She needed to be put away.

Amy Rose: You got that right.

Sally Acorn: You said it.

Cream: Yeah no kidding.

Wynn: But I'm glad she is back in prison.

Dave: Yeah.

Pingpong: He's not human or a moose.

Skip: The sight of him makes your fingers fall off.

Chip: I heard it will make your eyeballs turn inside out.

Slinkman: But Camp Kidney is better now that he is gone.

Ragdoll: You said it. Lets do it!

They fired waves of lasers, leaves, grass, flowers and fruit and smashed him down.

War Machine: YEAH!

Fluttershy: That was fun.

# Zeo Rangers, Megaforce Rangers, Nico, Lana, Lola, Laney, Lucy, Lisa and Lily VS Silo

---

Silo was next.

Nico: This is gonna be fun.

Nico teleported and opened the safe and in it was a bunch of swords. They were called the Swords of The Pillars of Harmony, they're a massive collection of swords for The Pillars of Harmony, both past and present, with their cutie marks etched on the 6'5" massive, wide, double-edged blades, large angel wings for the crossguards, large gems for the hilts in the colors of the Elements of Harmony, longer black handles, and large colored faceted sphere pommels. Once in hand, they'll get a massive power and energy increase.

Nico teleported back.

Nico: IT'S MORPHIN TIME!

The Zeo Rangers transformed!

Katherine: "Zeo Ranger I: Pink!"

Tanya: "Zeo Ranger II: Yellow!"

Rocky: "Zeo Ranger III: Blue!"

Adam: "Zeo Ranger IV: Green! "

Tommy: "Zeo Ranger V: Red!"

Jason: "Gold Ranger Power!"

All: "Power Rangers Zeo!"

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! ZEO!

The Megaforce Rangers turned into the Zeo Rangers too!

Nico: YEAH! Lets get him! ZEO CANNON!

The Rangers charged up the Zeo Cannon and they fired waves of energy and elements and the blasts all hit Silo and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH! Silo you have failed this world!

Troy Burrows: Rangers that's a Super Mega Win.

---

We regrouped and we were facing Killian.

Gia: Now for Killian!

Megaforce Rangers: LEGENDARY RANGER MODE! RPM!

The Megaforce Rangers turned into the RPM Rangers!

?: I will make sure that you will all die here!

?: AND I WANT MY CAMP BACK!

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln's legs and the eight large orange orbs orbiting around Linka's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight large marine blue orbs orbiting around Liam's legs, the eight large scarlet red orbs orbiting around Lynn Jr.'s legs, the eight large blue orbs orbiting around Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the eight large yellow orbs orbiting around Lane Loud's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs were glowing, and that means big trouble was coming.

Aladdin: Oh no, I was hoping never to hear that voice again. You can come out now, Monzenrath.

Me: And I was hoping to never to hear that voice again. You just don't know when to quit, do you, Lumpus?

Two figures came out of the shadows, the first figure was Aladdin's second worst enemy, Mozenrath, a powerful sorcerer who's just like Jafar, and the second figure was none other than our old enemy, Algonquin C. Lumpus, who's back for revenge.

Iago: We've already had to deal with you two times in a row, you're starting to give us a headache, Lumpus. (To Mozenrath) But, I should've known you'd show up here again, Jafar Jr.

Me: Whoa, it sounds like you and Aladdin know him all too well, Iago. What can you tell us about him?

Iago: You won't like this wiseguy one bit, J.D.

Iago proceeded to tell us about Monzenrath, and from what we heard, he's just as evil as Jafar.

---

Monzenrath

Mozenrath is the main antagonist of the Aladdin television series, and arguably the most dangerous villain in the show. He is an immensely powerful teenage sorcerer who rules a dark kingdom and strives to take over the world, only to be opposed by Aladdin. He is widely regarded as the best villain of the show and Aladdin's new archenemy after Jafar.

He was voiced by the late Jonathan Brandis, while Jeff Bennett voiced him in "Black Sand". His mannerism and attitude were inspired by those of Brandis himself.

Overview

Mozenrath is a young sorcerer, barely older than Aladdin, and the ruler of the Land of the Black Sand: a desolated land solely populated by his army of undead Mamluks. He is always tailed by his familiar Xerxes, a flying, talking eel, fully devoted to him, who serves as his spy, his assistant, and sometimes his punching ball when he is angry.

Mozenrath is a total antithesis of Aladdin. He is a pale, physically frail, malevolent and ambitious schemer, lavishly clothed, while Aladdin is a tanned, athletic, gentle, selfless and quick-thinking former beggar.

## Personality

Mozenrath is cruel, ruthless, arrogant, over-proud, scornful, greedy and ambitious. His malevolence and lust for power are often compared to Jafar's, prompting Iago to nickname him "Jafar Junior". He doesn't care the slightest about those who he might harm during his experiences, to the point of showing disbelief when Aladdin chose helping people over personal benefit. He wants to grow powerful enough to take over the magical realms of the Seven Deserts (and possibly the entire world). Ever since Aladdin first thwarted his schemes, he swore to destroy him and all he holds dear.

Like many powerful villains, Mozenrath is calm, collected, aristocratic and refined. He enjoys dominating the situation and taunting his enemies with dark humor and false courtesy. He is highly intelligent, cunning and scheming. He can devise very clever traps and schemes, guess things right from very few facts, think on his feet and quickly adapt to unexpected events. While he prefers direct confrontation over manipulation, he's certainly not above the latter. In most cases, albeit only when it serves his interests, he proves to be a man of honor, to whoever fulfills their part of a bargain and rewards generously those whom he hired. All this prompts him to firmly protect what he believes to be rightfully his and to protest whenever he himself gets double-crossed (which only happens once in the show).

Yet, he is also shown being stubborn, impatient, spoiled and somewhat petulant. When people refuse to work for him he coerces them to do what he wants and he tries to gain something from every situation. When his plans fail, he is prone to ranting like a bratty child. He also gets angry at the mere idea of Aladdin being murdered by someone else. He even displays jealousy towards Aladdin, "who got the magic of a Genie on a silver platter", while he had to make harsh sacrifices to reach his situation.

Powers and Abilities

Unsurprisingly, Mozenrath is an immensely powerful sorcerer. His power matches Jafar's own as well as Mirage's and Genie's, who often defeats Mozenrath with ease, but on more than one occasion, Mozenrath defeats Genie with the same kind of quickness, meaning their powers are on equal footing.

He claims to be "the most powerful sorcerer of [his] time" and this is obviously not an idle claim, given all the feats of magic he can perform, namely flight, teleporting himself and other people and objects, opening portals between two places and even between dimensions, making an image of himself appear where he isn't physically present, shapeshift himself and others, animate and bewitch objects, generate tangible illusions (like a woman holding a baby or a dragon), infuse anything with his magic in order to control it, compel creatures and people alike, perform telekinesis, increase his own strength, fire energy blasts and dark fire-bolts, create a dark, sticky matter which he uses to capture people and can compress to the size of a marble, etc.

The main source of his power resides in the magical gauntlet that he wears on his right hand. Taking away his gauntlet renders him powerless. Using the gauntlet comes with a heavy price, however, as it rots away his flesh, reducing his right forearm to mere bones. The gauntlet also drains his life force, which could very well be the reason as to why Mozenrath is physically frail and also condemns him to a premature demise.

---

When Iago was done, we were indeed horrified and enraged by Monzenrath's cruel actions.

Me: Whoa, this guy is just like Jafar in every way.

Nico: And that nickname Iago gave is a perfect fit for a slimeball like him.

But, no one was even more enraged at Mozenrath than Larry Loud, as his eyes narrowed in anger. Suddenly, we we felt something snap inside of Larry Loud's mind, as his eyes turned neon green, and he was surrounded by a green energy aura with leaves and the animals of The Animal Kingdom, and as he approached Monzenrath, he left green energy, leaves, and animals with every step.

Larry Loud: You really make me sick, Mozenrath. You are just like Jafar in every way, you've used people for your own selfish desires and you've shown no remorse for your actions. You are nothing but a SELFISH, INCONSIDERATE, SADISTIC, CRUEL, EVIL, RUTHLESS, ARROGANT, SCORNFUL, AND GREEDY BASTARD!

Our jaws dropped in shock from the rant Larry Loud did on Monzenrath.

Me: Holy crap!

Laney: You said it, J.D. Larry's mind has snapped after hearing of Monzenrath's actions, and now, he's going to let Jafar Jr. have it.

Then, Larry Loud screamed like a madman, as he's surrounded by a massive vortex of green energy and leaves surrounding it, there were animals running around the vortex, and in the vortex was a green phoenix. Then, as the vortex faded, Larry Loud emerged, but he's changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Larry Loud grew to 7'0" in height, just like Me, Lincoln, Lynn Sr., Liam, Duke Lincoln, Loki, Loni, Luke, Lane, and Lynn Jr., he now had abnormally large and powerful upper and lower body muscles and eight-pack abs, he had neon green eyes and a green energy aura with animals surrounding him, he has a fairy holding the Nature Kanji in their hands emblazoned on his forehead, he had on fairy earrings with the Nature Kanji in her hands and a necklace with a Fairy holding the Nature Kanji in her hands for the pendant across his permanently bare chest, his longer brown hair that went to the bottom of his neck was tied in a ponytail, and Lane Loud now has massive brown angel wings with glowing green tips and leaves falling from the tips.

Larry Loud had on his new large cuff Bracelets of the Champions of The Universe with green gems on his wrists, the massive, wide, double-edged blade of his own Sword of Gaia grew to 6'5" in length and the long black handle grew a little longer. Larry Loud has on the same clothes as Loki, Loni, Luke, Lane, Me, Lincoln, Lynn Sr., Duke Lincoln, Lynn Jr. and Liam, but his version of He Man 2002's loincloth is red, he has on long forest green trenchcoat flaps with fairies and animals on them, which were held up by his new Belt of Elemental Bravery with large green gem for the belt buckle around his waist, he now has on large brown weighted bands on his large biceps and thighs, large black pants with animals and leaves on the legs, and a pair of large black leather ankle-high combat boots with silver armor on the toes. Larry Loud has his new Eater of Sins revolver holstered on his left hip, and he now has eight large brown orbs orbiting around his legs.

Larry Loud has a Fairy tattooed on his now wider and much more muscular back, and there was a green kanji right below the Sun held in the hands of a Fairy and Mermaid that said, "Larry Loud, Awesome and Talented Artist of The Genderbent Loud Siblings, First Youngest Brother of Linka Loud, Master of Nature and Animals, Emissary of Gaia, Slayer of Evil, Golden-Hearted Lover of His Brothers and Only Sister, Genderbent Twin of Laney Loud, and Awesome Member of Team Loud Fairywind and Team Loud Phoenix Storm."

ラリー・ラウド、ジェンダーベント・ラウド兄弟の素晴らしくオ能のある芸術家、リンカ・ラウドの最初の末弟、自然と動物のマスター、ガイアの使者、悪の殺し屋、彼の兄弟の黄金の恋人、そして唯一の姉妹、レイニー・ラウドのジェンダーベント・ツイン、そしてチームラウドフェアリーウィンドとチームラウドフェニックスストームの素晴らしいメンバー

Larry Loud has transformed into SUPER ANGEL 750,000,000,000

GAIA FAIRY NATURE ANGEL OF JUSTICE!

We were amazed by Larry Loud's Super Angel 750,000,000,000 transformation, but when Monzenrath saw it, he fell into a dark rage.

Me: Whoa, holy crap, Larry's transformed.

Nico: You said it, bro. Larry's become an Angel of Nature, just like Laney. And his transformation has sent Monzenrath into a dark rage.

Laney: Whoa, Larry, you look awesome and ripped. How do you feel?

Larry Loud: (Divine Echoing Cosmic Voice of Nature and Justice) **I feel incredible, Laney, and now, if you'll excuse me, I've got to get rid of Jafar Jr. once and for all.**

Larry Loud went after Mozenrath, who fired powerful blasts of magic from his gauntlet, but Larry Loud dodged them, and he fired powerful blasts of green energy, leaves, and he also summoned animals, and the blasts and leaves hit him and exploded with incredible power, and the animals had mauled Monzenrath. Then, Larry Loud sliced off Monzenrath's arms with his massive Sword of Gaia, and he screamed in excruciating pain.

Then, Larry Loud fired a blast of red energy at Monzenrath, which sucked out the sorcerer's powers and magic, and Larry Loud, along with the rest of us, made them our. Then, he grabbed Monzenrath and tossed him into the air with his brute superhuman strength.

Larry Loud: **Say goodbye, Monzenrath, may you never return to plague us or Agrabah ever again. GAIA'S VENGEANCE KAMEHAMEHA!**

Larry Loud fired a massive green Kamehameha energy wave with leaves and animals, and as they hit Monzenrath, it exploded with incredible power.

Mozenrath: DAMN YOU, TEAM LOUD PHOENIX STORM!

The resulting explosion killed Mozenrath, and it obliterated his body completely, and his evil spirit was Super Hakaied forever, along with Jafar's spirit that was in The Warp. Everyone all cheered wildly for what Larry Loud did as he holstered his massive Sword of Gaia on his wider and muscular back, and powered down, but Larry Loud's new clothes, weapons, eight large brown orbs orbiting around his legs, and jewelry were permanent.

Laney: Whoa, Larry, that was amazing.

Larry Loud: Thanks, Laney.

Then, Linka went up to Larry, and she hugged him, as Larry picked her up gently and hugged her.

Linka: Larry, that was so awesome.

Larry Loud: Aw, thanks, Linka.

Lincoln: And now, we're rid of both Monzenrath and Jafar for good. I sensed that when Monzenrath was Super Hakaied, Jafar's evil spirit that's still in The Warp was also Super Hakaied.

Me: Whoa, a Double Whammy.

Nico: You said it, now we're rid of those two for good.

Suddenly, Gloriosa Daisy's eyes turned neon green, and she was surrounded by a red energy aura with flowers, and as she approached Lumpus, she left red energy, flowers, and petals with every step.

Gloriosa Daisy: You really make me sick, Lumpus. You've proven to be nothing but a miserable, no-good, fraudulent, and delusional excuse for a Scoutmaster. This time, I'll make sure you never escape from prison again.

Then, Gloriosa Daisy was surrounded by a massive vortex of red energy with daisy petals surrounding the vortex, there was a pony running around the vortex, and inside the vortex was a yellow phoenix. Then, as the vortex faded, Gloriosa Daisy emerged, but she was changed forever.

Gloriosa Daisy grew to 6'0" in height, she has the body of a goddess, she has a pony with the Flower Kanji in its hooves emblazoned on her forehead, she has on pony earrings with the Flower Kanji in its hooves and a necklace with a pony holding the Flower Kanji in its hooves for the pendant. She has large red angel wings with a sweet-smelling aroma of daisies, she has on a yellow sleeveless blouse with a green phoenix, green skirt with daisies, and brown high heels. She has on a red sleeveless trenchcoat with flower petals on the coattails and a pony on the back. She has out her massive Sword of The Redemption Squad unholstered from her back, Gloriosa Daisy has on her new Bracelets of The Champions of The Universe with green gems on her wrists, Belt of Elemental Bravery with large green gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip. There's a green kanji right below the pony that said, "Gloriosa Daisy, Camp Counselor and Savior of Camp Everfree, Friend of The Mane 9, Foiler of Evil Filthy Rich's Schemes, Destroyer of Gaia Everfree, and Member of The Knights of The Friendship Table and The Redemption Squad."

グロリオサデイジー、キャンプカウンセラー兼キャンプエバーフリーの救世主、たてがみの友9、邪悪なフィルシーリッチの計画のフォイラー、ガイアエバーフリーの駆逐艦、友情テーブルと償還隊の騎士団のメンバー

Gloriosa Daisy has transformed into SUPER ANGEL 750,000,000,000 FLORAL NATURESTORM PONY OF JUSTICE!

We were amazed by Gloriosa Daisy's Super Angel 750,000,000,000 transformation, but when Lumpus saw it, his eyes turned red with hatred and insanity and he fell into a dark rage.

Me: Wow, Gloriosa Daisy, you've transformed. How do you feel?

Gloriosa Daisy: (Divine Echoing Floral Voice of Justice) **I feel incredible, J.D., and now, if you'll excuse me, I'm going to teach Lumpus a lesson.**

Me: Show him no mercy.

Gloriosa Daisy went after Lumpus, and she fired powerful blasts of red energy, daisies, and flowers at Lumpus, and they exploded with incredible power. Then, she brutally pummeled him, and with one punch to the head, Gloriosa Daisy knocked Lumpus down and out, and tied him up in a neon red straitjacket.

Gloriosa Daisy: **Now, to send him right back to The Saturn Insane Asylum.**

Gloriosa Daisy beamed Lumpus back to The Saturn Insane Asylum, but this time, she put him in a separate cell in Solitary Confinement, and chained him to a wall, where he'll remain there for the rest of his life. We cheered wildly for what Gloriosa Daisy did, as she holstered her massive Sword of The Redemption Squad on her back and powered down, but her new body, clothes, weapons, and jewelry are permanent.

Twilight and her friends went up to Gloriosa Daisy and hugged her, and she hugged them, and we also joined in.

Lori: Whoa, Gloriosa, what you did to Lumpus was literally incredible.

Lola: Yeah, you gave that nutcase what for.

Gloriosa Daisy: Thanks, girls. I hope this is the last time we ever hear of Algonquin C. Lumpus.

Me: You said it.

Nico: Wait until Commander Hoo-Ha hears about this. He's going to rip Lumpus a new one when he finds out about this.

Lincoln: Good idea, Nico. And that humiliation we dealt him was so hilarious.

Lynn: You said it, bro. That jerk had it coming for what he's done. Not to mention he enlisted one of The Heylin to help him out. Wait until Wuya hears about this.

Nico: I'm sure Vypra already told Wuya and Dark Spicer about it.

Jack Spicer: She's going to wring Lumpus' neck for this, along with Tubbimura's. And there won't be anything nice to say at their funerals.

Lucy Loud: My thoughts exactly, Jack.

We then set our sights on Killian.

Me: Now it's time for you to die Killian.

We went at Killian and pulverized and blasted him all over. We punched him all over.

I plunged my hand into Killian's chest and then…

Firepower: Just because Killian's dead doesn't mean you have to retire, Lance.

Eccentro: Too bad we don't have that big burger to celebrate.

Walter: Big burger?

Ragdoll: J.D. and the others made that this morning?

Walter: Ooh.

Another awesome fanfic done.

Spies in Disguise was a really awesome movie from 2019! And Will Smith did a really great job in that movie. I thought it was all so funny and more. But it was funny how he turned into a pigeon. It was a really awesome and high tech movie. The first part was for the 2016 movie Rogue One which took place in between Star Wars III and IV and that was an awesome movie. But it was a really awesome midquel movie for the Star Wars series. The second part was for the Total Drama Series and Rainbow Dash REALLY did awesome. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this one and so did the guest reviewer. Thanks guys. This was awesome. The next rescue for me is gonna be in the movie Running Man from 1987 with Arnold Schwarzeneggar and me and my group consisting of me, Eli, Allie, Maria, Nene, Marie, Erica, Missy, Lillian, Ellie, Qin, Simone, Miranda, Gina, Haumia, Lola Namiko, Ahsoka Tano and the Stakataka Gene-Slammer are going to take down Damon Killian after his show is exposed to be ONE BIG LIE and we're going to meet a Laval Flamvell Lady and an Ebonwumon Gene-Slammer named Caoimhe Coughlan from Ireland. Funny thing is that Ebonwumon has an Irish Accent and he is cool. Ahsoka Tano is gonna transform in that one too so I'll need the sequence for that. Also the next rescue for Lincoln is gonna be in the city as we go through the whole scenario of Batman Arkham Knight where we take down Professor Pyg like in chapter 1269. I hope you all aren't squeamish for that one because it's gonna be really bloody and gorey. So guest feel free to modify the chapter to your liking for Lincoln's rescue. The next chapter is gonna be for Over the Hedge and it's gonna be awesome as we take down Gladys Sharp and make that real estate developer pay for her crimes in jail.

See you tomorrow

IN MEMORY OF GARRY SHANDLING AND RICHARD DAWSON

In California, me, Eli, Nene, Allie, Maria, Marie, Erica, Qin, Ellie, Lillian, Simone, Miranda, Gina Pele, Haumia, Syrus, Dark Magician Girl, Ahsoka Tano and Alana Vongphachanh the Stakataka Gene-Slammer were walking around.

Alana Vongphachanh: (Lao Accent) Where are we now?

Me: Looks like we're right by a TV Studio by Bakersfield, California. But it's very familiar to me.

Eli: Me too. But I sense something is amiss here.

Nene: I got that same feeling too.

Ahsoka: I feel it too.

Alana concentrated and groaned as her hair fell out.

Maria: Wait a second.

Maria saw a familiar show and it was THE RUNNING MAN!

Maria: OH WOW! We're in the world of The Running Man.

Me: Wow! That's one of my favorite movies!

Alana became Stakataka!

Simone: Didn't that movie take place 4 years ago?

Me: It sure did and the weird part is that it never happened. But I think I know why we're here. We're going after Damon Killian.

I went over his history.

---

Damon Killian is the main antagonist in the 1987 film The Running Man. He serves as the host for the Running Man game show.

He was portrayed by the late Richard Dawson.

## Novel

The show deems the runner as an enemy of the state, and allows him to go anywhere in the world. He is given a twelve-hour head start before an elite group of hunters, known as Stalkers, set out to kill him. The objective is to stay alive for thirty days.

## Film

The show is portrayed as a gladiator-style competition that takes place in a section of Los Angeles ravaged by an earthquake in 1997, where several "runners" attempt to survive while being chased by "stalkers" for cash and prizes. These stalkers are large and strong men with ornate weaponry, costumes, and nicknames. Sub-Zero ice-skates and slashes his victims to pieces with a modified and razor-sharp hockey stick on a hockey rink surrounded with razor wire; Dynamo sings opera and shoots lightning from a specialized electric suit; Fireball possesses a flamethrower and a jetpack, and Buzzsaw has a titanium steel chainsaw that can cut through steel, Captain Freedom uses physical strength on his foes. Damon Killian is a very low person. He made a contract with the government to use his show as a way to keep the populace blind and under control.

During the show, he manipulates facts about the runners, creating fake evidence and information about them in order to falsely "justify" their being hunted down in the show. As well as this, Killian does not keep his promises - this is shown when he tells Ben Richards that if he takes part in the show, his fellow prison escapees will not have to. When Ben does take part, Killian puts the two escapees in the game anyway. He also makes up lies about the innocent Amber Mendez, and when she enters the game zone, she eventually finds that last year's winners (who were said to have been redeemed on completion of their game and were now relaxing in a luxurious holiday resort) are in fact dead.

When Sub-Zero and Buzzsaw are killed by Dynamo incapacitated, Killian offers Ben a chance to become a stalker which the latter angrily refuses.

At the end of the film, Ben manages to show the audience Killian's true nature and that he has been lying to everyone. As Killian attempts to justify his reasons, Ben straps him to the bobsled used in the show to send contestants into the game zone and fires him down the chute. A screaming Killian finally exits the chute, bounces across the ground and flies straight into a billboard with his face on it. The billboard immediately explodes, killing him.

Ahsoka: Oh man! So he framed Ben Richards for a crime he didn't commit in order to boost ratings!?

Eli: That is sick! Just like what happened with Billy McLean.

Me: Yep. Lets get him!

We went into the studio and Maria went up to Damon Killian.

Maria: (smiles innocently) Hi there, Damon! We'd like to star in your next episode!

Damon Killian: Well that depends on which episode you want to star in.

Then the video screen played Killian's true nature and everyone saw that he was lying to everyone and he framed Ben Richards and his friends all for a crime that they didn't commit. Now things are getting serious.

But then Ben Richards and the rest of us came in and a bunch of rebels came in and they were armed with guns and everything.

Me and Ben Richards: It's showtime!

Eli: Everyone you may want to clear out of here. This is gonna get really ugly. REALLY FAST.

Everyone agreed and they left and then guards with machine guns came and I fired a grenade gun infused with Hellfire and blew a guard apart in a massive fiery explosion!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

He was dead.

We were blasting and blowing apart Damon Killian's men and really making sure he paid for his crimes.

Maria: The episode we'd like to star in is "Damon Killian's true backstory!"

Me: And that's about a pathological liar like you!

?: YEAH!

2 figures came out and one was a Laval Lakeside Lady and the other was an Ebonwumon!

Me: Whoa! A Laval Lakeside Lady and an Ebonwumon.

Ebonwumon: (Irish Accent) (In a girls voice) That's right lad. I'm Caoimhe Coughlan.

Me: Whoa you're an Ebonwumon Gene-Slammer.

Maria: The 3rd Sovereign Digimon Gene-Slammer.

Suddenly, Ahsoka Tano's eyes turned neon blue, and she was surrounded by a green energy aura with stars and green nebulae, and as she approached Damon Killian, she left green energy, stars, and green nebulae with every step. Then, Ahsoka Tano was surrounded by a massive vortex of green energy with stars and green nebulae surrounding the vortex, there was a Galactic Republic ship flying around the vortex, and inside the vortex is an orange vortex. Then, as the vortex faded, Ahsoka Tano emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Ahsoka Tano grew to 6'0" in height, she had the body of a goddess, she has neon blue eyes and a green energy aura with stars and green nebulae surrounding her, she has large orange angel wings with stars falling from the green tips on the large orange feathers, the insignia of The Jedi with the Star Kanji emblazoned on her forehead, she has on phoenix earrings with the Star Kanji in its talons and a necklace with a phoenix holding the Star Kanji in its talons for the pendant, she has on a white sleeveless blouse with a glowing green phoenix, a white blouse with stars on it, black leather ankle-high combat boots, and a white sleeveless trenchcoat with green nebulae on the coattails and the symbol of The Galactic Republic on the back. Ahsoka Tano has a new large sword in her hand called The Defenders of The Republic, it's a large sword with the symbol of The Galactic Republic etched on the 6'5" massive, wide, double-edged blade, green angel wings for the crossguards, large green gem for the hilt, longer black handle, and a large green faceted sphere pommel with surrounding gems. Ahsoka Tano has on her brand-new Bracelets of The Champions of The Universe with green gems on her wrists, her new Belt of Elemental Bravery with large green gem for the belt buckle on her waist, and her Eater of Sins revolver holstered on her right hip. There's a green kanji below the symbol of The Galactic Republic that said, "Ahsoka Tano, Brave Jedi Knight of the Planet Shili, Amazing Friend and Student of Anakin Skywalker, and Defender of The Galactic Republic and Warrior of Peace, and Master of The Force and The Stars."

アソーカ・タノ、惑星シリの勇敢なジェダイの騎士、アナキン・スカイウォーカーの素晴らしい友人であり学生であり、銀河共和国の擁護者であり、平和の戦士であり、フォースとスターのマスター

Ahsoka Tano has transformed into SUPER ANGEL 750,000,000,000 CELESTIAL JEDI STAR ANGEL OF HOPE AND JUSTICE!

We were amazed by Ahsoka Tano's Super Angel 750,000,000,000 transformation, but when Damon Killian saw it, he fell into a dark rage. Plus, all of the other Jedi also have their new Defenders of The Republic holstered on their backs.

Me: Whoa! Ahsoka you look awesome!

Eli: No kidding! Wow! How do you feel Ahsoka?

Ahsoka Tano: (Divine Echoing Voice of The Light of The Force and Hope) **I feel amazing guys and this power is incredible. Now to show these monsters what for.**

She fired blasts of Force Energy and smashed them down and we tied them up.

We went up to Damon Killian and we were not happy with him.

Damon Killian: You look pissed, Ben.

Me: Oh he is MORE than just pissed. We're ALL infuriated.

Damon Killian: Believe me, you got every right to be. But hey, will you just let me explain. This is television, that's all it is. It's nothing to do with people, it's to do with the ratings. For fifty years, we've told them what to eat, what to drink, what to wear… for Christ's sake, Ben, don't you understand? Americans love television. They wean their kids on it. Listen. They love game shows, they love wrestling, they love sports and violence. So what do we do? We give 'em "what they want"! We're number one, Ben, that's all that counts, believe me. I've been in the business thirty years.

Ben Richards: Well, I haven't been in show business as long as you have, Killian. But I'm a quick learner.

Me: And so am I. I haven't been in show business as long as you have either. But Billy McLean once thought like you. He thought he could raise the ratings of a show we were on up in Canada called Total Drama just by torturing and humiliating the contestants all just to boost ratings. And look where that got him: In prison for the rest of his fucking life with no possibility of parole as a Dangerous Offender and will never be allowed to be released. And he is being subjected to his own humiliation where it really hurts. But you on the other hand, you killed innocent people just to make ratings and boost money. And that is worse.

Ben Richards: So we're going to give the audience what "I" think they want.

Damon Killian: [Ben shoves Killian into the rocket sled and the restraints automatically lock in place] You bastards. Drop dead!

Ben Richards: I don't do requests.

Me: Especially from a motherfucking dead man. So drop dead yourself.

Maria: Sorry, Damon. But you've just been cancelled!

Me: Permanently.

[Ben launches the rocket sled into the game zone tunnel which later crashes into a billboard with Killian on it, exploding and killing him]

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead in an incredible explosion.

Ben Richards: Well that hit the spot.

Me: This show is now cancelled motherfucker.

Everyone cheered wildly for all of us at putting an end to Damon Killian for good. Then I had the camera's turned off and I had the boys cover their eyes and I snapped my fingers and Alana and Caoimhe were reverting back.

Alana: (regains her hair) The real Ebonwumon has an Irish accent too.

Caoimhe: That's amazing lass!

They both reverted back and were naked and Maria gave them new clothes and they put them on.

Maria: We're gonna have one helluva story to tell everyone when we get back.

Caoimhe: No kidding. That was amazing lass. And these clothes look awesome.

Simone: They sure do. But it's awesome to meet another Digimon

Sovereign Gene-Slammer. I'm a Zhuqiaomon Gene-Slammer.

Gina Pele: And I'm an Azulongmon Gene-Slammer.

Caoimhe: That's amazing lads.

Miranda: It sure is.

Caoimhe: (holds her head in pain) Oh, Hell no! I am NOT transforming back on live television!

Simone: Concentrate and reign in the power with the strength of your will. We did it and so can you.

Caoimhe did so and then she glowed in a neon spring green aura and she was fully engrafted with the power of the Digimon Sovereign of The North.

Eli: Wow!

We later went back to the estate and we told everyone everything that happened and it was amazing.

After dealing with Damon Killian and canning his show, Lincoln, Me, Nico, Eli, Nicole, The Total Drama Crew, Starlight Glimmer, and Shannon Sanderson-Loud were heading to the Gotham City sector, and not only is Lincoln going to rescue the nine girls, but we had also got word that Lazlo Valentin A.K.A Professor Pyg has come back from the dead, and Sammy's evil former sister, Amy, is also here. So not only are we going to kill Professor Pyg again, but Starlight Glimmer is going to give Amy a nasty reprimand for what she's done to Sammy in the past.

Lincoln: So, my rescue's here in the Gotham City sector, and I think I know what we're going to do here, not only am I going to rescue the nine girls, but we'd also got word that Lazlo Valentin A.K.A Professor Pyg has come back from the dead, and Sammy's evil former sister, Amy, is also here.

Me: That's right, big guy. So, not only are we going to kill Professor

Pyg again, but Starlight Glimmer is going to give Amy a really nasty reprimand for what she's done to Sammy in the past.

Nico: Ooh, this is going to be good.

Starlight Glimmer: You said it, Nico. What Amy and her evil mother did to Sammy and to her father in the past can't be forgiven.

Shannon Sanderson-Loud: She's nothing but pure evil, and needs to be put in her place for good.

Me: Yep. And from what I remember, Nico you took him down the first time and that was awesome.

Nico: It sure was. But Professor Pyg is one nasty guys.

Me: He's worse than that. He is one FUCKED UP piece of shit!

We followed Bruce to the Merchant Bridge and there we found a gruesome discovery.

It was a body that was chained, mutilated and posed and he was tied to the Merchant Bridge.

Raph: Whoa! Someone really did a number on this guy.

Nico: No kidding.

Kira Ford: Oh man.

Leonardo: What have you guys got on the body?

Terrorsaur: Let's see. Deformity on the left ear, a wedding ring on the lower intestine, and a hip replacement.

Nico: (uses scanner) According to the scanner, the victim's name is Anthony Lund. Hospital records show he suffered from alcoholism, most probably brought on the by the breakdown of his marriage. The name of the ring is Ophelia, his ex wife. He was last seen in Albuquerque, New Mexico.

Batman: He's one of the patients in New Mexico that went missing.

Nico: Weird.

Me: That is too weird. And it's awful that Pyg would do this to a man from over 1,000 miles away.

Vince: No kidding.

We then went to the Gotham Herald Building and found another body.

Mr. Touch: What have you got on this body, Mr. Go?

Mr. Go: Scar tissue on the upper arm, remnants of a pacemaker fitted through the right ventricle, and clear signs of bone deformation on the victim's knee.

Nico: (uses scanner) This guy's name is Franklin Accardo. He's committed a lot of drug related crimes. He's been in and out of orison at an early age. He was serving a 20 year prison sentence at Blackgate before being released early on grounds of ill health due to a heart condition. He moved to Little Rock, Arkansas, which is where he was reported missing.

Laney: Strange and freaky.

We then went to Miagani Island next and found another body.

Livewire: This is the third victim.

Ben: Now, what's on this body?

Thunderblast: Irregularity on the victim's chest, a bullet lodged in the upper bicep, and the left foot is missing several toes.

Nico: (uses scanner) This is Robert Kincaid, a microbioligist from Stagg Industries. People believed the shooting was connected to Kincaid's knowledge of controversial research. He took a teaching post in Atlanta, which is where he went missing.

Lily: Pyg is one sick monster.

Later at the same location on the southwestern side of the Salvation

Bridge was a 4th victim: A female.

Volcana: A female victim. This is the 4th body.

Rhomboid: What about this one, Octagon?

Octagon: A bite mark from a shark, an Ocular prosthesis, and signs of trauma to the upper arm.

Nico: (uses scanner) This is Lisa Mendes. She's an orphan from the age of nine. She's been in foster homes and she's had some drug abuse. She also develooed a talent for surfing. She was working for a Christian charity in Tucson, Arizona when she went missing.

Bridgette: She and I had so much in common. I like surfing too.

Applejack: Man that's rough.

Nico: No kidding.

Next at Founder's Island we found another body. A 5th Victim, a female.

Livewire: Someone sure knows what they are doing though.

Poison Ivy: This is the 5th victim.

Carly Carmine: What about this body?

Ri'oha: Let's see. Signs of a removed tattoo, signs of a removed kidney, and and a plate made of tantalum.

Nico: (uses scanner) Ella Montgomery. The kidney was donated to a twin sister who unfortunately died. That was probably the catalyst for her boxing pursuits. She went missing in Huntsville, Arizona.

Batman: Someone really did all this to a lot of people.

Volcana: No kidding.

Lastly we found a 6th victim on the north side of the island.

Onyx: What's on this body?

Puff: A chemical burn, a voice box, and an extra finger.

Nico: (uses scanner) This body is Alison Wears, an engineer employed at Ace Chemicals. She moved into a retirement home in Bludhaven several years ago.

Carly Carmine: This is the 6th body we found

?: HELP!

Suddenly, Lincoln heard the sound of nine girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He saw the nine girls, but they've been cornered by Professor Pyg and Amy, and they're going to kill them.

Lincoln: Guys, I found the nine girls, but they've been cornered by Professor Pyg and Amy, and they're going to kill them. Come on, let's go.

We'd rushed on over to the dilapidated Beauty Parlor, and Lincoln punched Professor Pyg in the face and Starlight Glimmer punched Amy in the face, and they crashed into a wall. But, Professor Pyg summoned his Dollotrons to attack us, but Lincoln unholstered his massive Sword of Taranis from his wider and muscular back, and with a couple of powerful one-handed swings from his massive blade, Lincoln unleashed a powerful storm of slashes, and he slashed the Dollotrons to shreds, and they died in a pool of blood and guts. YUCK!

We then confronted Professor Pyg.

Me: You are just as fucked up as ever Pyg! It's absolutely sickening that you are that deranged and disgusting!

Professor Pyg: Lester. Pyg happy to see you and you too Claire, Leslie and Louise. Nice to see you all again.

Batman: You're done here, Valentin. Let them go!

Pyg: Oh no, no, no, no, no! Pyg not ready yet. She's all unique and wrong. All messed up, inside out. Pyg make her better! Pyg make all of us better!

Nebula: Just give up, Pyg. It's over!

Pyg: But Pyg can fix you too! Make you perfect! Like the others!

May: You're insane, do you know that?!

Pyg: And what are all of you?

Nico: We're here to stop you!

Poison Ivy: And kill you!

Pyg: Bad, bad, bad. Pyg is like clay. Pyg is like God. Pyg is here to fix us all!

Me: Just as fucked up as ever!

Nico: You are not fixing anything anymore. Today you die!

May: Yeah!

Carly Carmine: You better pack you're bags because we're sending you on a one way ticket to the darkness of Oblivion.

Misty Tredwell: After we torture you and then kill you!

Rainbow Dash: Yeah!

Deker: You disgust me. If Xandred were still alive, you'd fit right in with him!

Nico: That's right!

Bane: The Legion should've killed you instead of letting you go!

Me: That's right and we're going to make sure your fucking ass dies for good. Someone as fucked up as you is too good for Hell or the Warp.

Then, Lincoln fired a rainbow energy blade with a swing from his massive Sword of Taranis, and it hits Professor Pyg, and it exploded, killing him and Super Hakaied his evil spirit for good.

And the sight of Professor Pyg's demise angered Amy to no end, as the sclera of her eyes had turned bloodshot, and her eyes turned red with hatred and rage.

Amy: NO! YOU IMBECILES HAVE RUINED EVERYTHING!

POW!

Starlight Glimmer punched Amy in the face, knocking out a couple of her teeth, and she tied Amy up in a neon purple straitjacket, so she couldn't escape. Then, Starlight Glimmer proceeded to give her a nasty reprimanding.

Starlight Glimmer: Amy, what you've done to Sammy in the past can't be forgiven. You and your evil mother abused Sammy with reckless abandon, and you also killed your own father in cold blood, and broke her heart. You are nothing more than an SELFISH, INCONSIDERATE, EVIL, HEARTLESS, TWO-FACED, MURDEROUS, SOCIOPATHIC, PSYCHOTIC, MONSTROUS BITCH FROM THE DEPTHS OF HELL! A TRUE SPAWN OF SATAN AND THE MOST RUTHLESS BITCH IN ALL OF KALAMAZOO!

CLANG!

Our jaws dropped in shock when Starlight Glimmer gave her that nasty reprimand, and Amy's eyes went wide when she was reprimanded by Starlight Glimmer, and Cozy Glow recorded the whole thing. Lincoln went up to Starlight Glimmer, and hugged and kissed her.

Lincoln: Nice reprimand, Starlight Glimmer.

Starlight Glimmer: Thanks, Linky. And that monster got what was coming to her.

Amy's shock changed back to rage, but before she could say anything, Lincoln beamed her back to the Uranus Prison, and she was also thrown into a separate cell in Solitary Confinement, and chained to a wall, and she was still in the neon purple straitjacket

Starlight Glimmer put her in.

Then, Lincoln and Nicole went up to the nine girls, and when Lincoln saw them, he recognized them immediately. The nine girls are Robin Sena, Miho Karasuma, Yurika Dojima, and Tōko Masaki from Witch Hunter Robin, Sakurako Kariya and Norma Nguyen from Viper's Creed, Kizuna Kazayama, Rishia Ivyred, and R'yne from Rising of The Shield Hero.

Lincoln: Oh wow, it's Robin Sena, Miho Karasuma, Yurika Dojima, Tōko Masaki, Sakurako Kariya Norma Nguyen, Kizuna Kazayama, Rishia Ivyred, and R'yne.

Nicole: From Witch Hunter Robin, Viper's Creed, and Rising of The Shield Hero, awesome.

Lincoln: Are you girls okay?

Robin Sena: Yes, we're okay, thanks to you.

Then, when Robin Sena and the other eight girls saw who it was that rescued them from Professor Pyg and Amy, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books right on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Robin Sena: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eight clones of himself, and he and the eight clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Robin Sena: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We returned home to the Estate, and when we played the harsh reprimand that Starlight Glimmer did on Amy, Twilight and her friends went up to her and hugged her, and they also went up to Lincoln and hugged and kissed him for what he did in getting rid of

Professor Pyg again, this time for good.

* * *

After getting rid of Professor Pyg again and Starlight Glimmer's harsh reprimanding on Amy, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

Lincoln: Alright, girls, shall we get going?

Ryuko Matoi (TLPS Universe): Of course, Linky.

Lincoln and the girls left the Estate, and they head for their destination: the beach at Ember Island, and when they arrived, it was an amazing place.

Ryuko Matoi (TLPS Universe): Wow, what is this place?

Lincoln: This is Ember Island, Zuko, Azula, Ty Lee, and Mai told me about this place, it's known as the top vacation destination in The Fire Nation. This place has palm trees and luscious vegetation, black sand, and a large body of water.

Lincoln and the girls got started by diving into the large body of water, and were swimming. Then, they also played a game of kuai ball, and it was amazing. Then, they had an awesome picnic lunch that Lynn Sr. packed for them. Then, as the sun set on Ember Island, Lincoln made clones of himself, and he and the clones kissed the girls. Then, Lincoln and the girls returned home, and we can tell they had an awesome time.

Me: Hey, Linc, how was your date?

Lincoln: It was awesome, J.D. We went to Ember Island.

Zuko: Hope you guys took pictures while you were there, Lincoln, so you can show the rest of us.

Lincoln: Way ahead of you, Zuko. Take a look.

We saw the pictures of Ember Island, and the island looked amazing.

Nico: Wow, this place looks awesome. I know where I'm going for my date with May.

Lori: We could all go there one day, and have a lot of fun there.

Me: You said it, Lori.

We continued looking at the pictures, and hearing how much fun Lincoln and the girls had on their date.

* * *

Later we were back at the Jupiter Prison for another Rant Session with the most hated babysitter in the world, ICKY VICKY!

Rajan: (Indian Accent) Hello, everyone. For this rant session, we have all the Quantum Girls reunited!

The inmates all cheered.

Nico: They are all my friends from my childhood: Missy Rodgers, Lillian, Marie, Erica, Qin and Ellie.

Erica: What's up guys?

Ellie Singh: This is gonna be so awesome to see.

Qin: It always is so fun.

Me: And it's always very therapeutic.

Caoimhe: Who are these rant fests for lads?

Me: Oh that's right some of you don't know. These rant fests are for an evil babysitter named Icky Vicky.

I went over her history.

---

Vicky is one of the two main antagonists (alongside Denzel Crocker) of The Fairly OddParents.

She is one of Timmy Turner's archenemies (alongside Denzel Crocker and Francis) and his sadistic, arrogant and cruel babysitter. She was also the main antagonist of the TV movie, "Channel Chasers".

She was voiced by Grey DeLisle, who also voiced Azula in Avatar: The Last Airbender, Asajj Ventress in Star Wars: Clone Wars, Mandy in both Grim & Evil and The Grim Adventures of Billy & Mandy, Vexus in Crossy Road: The Series, the High Priestess in Samurai Jack, Major Doctor Ghastly in Evil Con Crane, and Pixie Dusters in Onward. In the live-action A Fairly Odd Movie: Grow Up, Timmy Turner!, she was portrayed by Devon Weigel.

Background

As revealed in Abra-Catastrophe!, Vicky first started babysitting Timmy Turner when he was eight and she was fourteen. Timmy had found a flier advertising Vicky's babysitting service, and panicked and called this number when his parents tricked him into thinking he was being left alone. When Vicky arrived, she convinced Timmy's parents that they could use a babysitter so that they would have time for each other to go out and do adult things. From that point on, Vicky tormented Timmy whenever she babysat him, and his parents would continue to spend time away, leaving him under Vicky's cruel care. Timmy became so miserable that he needed fairy godparents. With them, he was able to use magic to get even with Vicky. Even with his fairies, Timmy is still challenged by Vicky over the course of the show. She has also worked other non-babysitting jobs, usually if they involve hurting others or holding sharp objects. In most of her early appearances, the simple act of saying her name would cause thunder and lightning to flash in the sky.

## Early life

Vicky appears to have started babysitting at age fourteen or possibly earlier. When she first met Timmy when he was eight, she was just as mean as she is now. It is never explained why Vicky is the way that she is, although several conflicting plots have been put forth. In the episode "Snow Bound", she reveals that she had a rough childhood. In "Tiny Timmy", it is said that her niceness never showed up to work inside her brain. In "Vicky Loses Her Icky", the cause of her evilness is attributed to an evil bug that crawled up her butt (although it is equally likely that the bug was a pure concentration of her evil personality). In the episode "The Switch Glitch", after Timmy wished for Vicky to turn into a five-year-old, she was actually nice but turned bad when she wanted revenge on Timmy for being a mean babysitter. It has also been suggested in fanon that her sister Tootie being born was the cause of her disliking younger kids, and although this has never been explicitly stated, in the episode "The Masked Magician", Vicky lists Tootie first as she went through various enemies she had made in her life, as well as her own parents. Hanging in her house is a picture of an infant-aged Vicky that is shown with the same evil scowl she has in her later life, so it's possible she was born this way.

## Future

After Timmy Turner successfully defeated Vicky in the past and changed the bad future into a good one, twenty years passed by and Timmy is revealed to have two children, a son and a daughter. The children bear a resemblance to Vicky's little sister Tootie among other characters, meaning that these children would be Vicky's nephew and niece if Tootie married Timmy. Some fans even believe that Vicky herself could have been the mother, and even if so, it's possible that her children could have inherited genes from their grandmother. The two children are babysat by a robot that looks and acts like Vicky, so it is likely that Timmy has some connection with her in the future, or has at the very least reconciled with her. It is also possible, even implied in some of Adult Timmy's dialogue, that because he forgot about his fairies in his later life, Timmy eventually assumed that it was his parents, and by extension Vicky, who helped shape him into becoming a responsible adult instead of his fairies, and therefore he believes that hiring a babysitter that resembles Vicky will help shape his own children into responsible adults too. Vicky's exact connection with the robot is unknown, but if she makes and designs these robots, she is likely very rich and successful like she always wanted to be.

## Alternate reality

In the episode "Vicky Gets Fired", Timmy's parents attend a cinema and leave Timmy alone with Vicky, but this time, Timmy, determined to prove Vicky is evil, shows his parents a video in which she tapes over their extremely important videotape, causing her to be fired. Vicky then attempts to seek a new line of employment, although she only succeeds in torturing others, resulting in her getting fired by all her bosses, both literally and figuratively. Eventually, she goes to the mayor and reveals to Chompy the Goat that the mayor indulges himself in eating goat meat, causing the goat to chase him out of his office. Vicky then names herself the new mayor and takes over Dimmsdale, renames it "Vickyland" and attacks it with her newly established ape army. Timmy, who is enjoying the time of his life with his god-family, soon discovers that getting Vicky out of his life causes her to ruin everyone else's. Wanda proposes that they take fire-breathing battle-rhinos and a lion-cloth warrior to Vicky to depose her; however, they lose badly, and Timmy tries wishing that Vicky wasn't the mayor. Unfortunately, Vicky, not being mayor, becomes president of the U.S.A. instead and attacks the country with another armored ape army. Timmy tries unwishing that Vicky dominated reality again, only for Vicky to become the "Dark Empress of Everything that Breathes", and began attacking Earth with her Star-Destroyer-like warship. To save the Earth, Timmy reluctantly wishes that Vicky was his babysitter again in order to maintain peace.

## Leadership

Vicky was formerly a member of B.R.A.T. (Babysitters Raging Against Twerps) until she was rescued by Timmy Turner and felt grateful. Vicky tried to make a new life being Timmy's friend but he rejected her favors and Vicky returned to her organization more abusive than ever, so much so that their companions named her their new leader. On another occasion, she joined and subsequently lead L.O.S.E.R.S. (composed of Crocker, Dark Laser and Foop) and advised them on how to destroy Timmy once and for all, but after Timmy wished that these four enemies wanted to be him, all members (including her) ended up destroying each other. Vicky subsequently left the team after their initial failure and ends up being replaced by Timmy's dad (who thought he was joining a sewing club).

When I was done, everyone that hadn't heard about Vicky was shocked and horrified that she can be so evil!

Simone: I can't believe she is that bad!

Miranda: She's a monster!

Gina Pele: She is Attila the Hun Reincarnated 100,000 times!

Erica: No kidding! She should've gotten the chair!

Me: We should have killed her but our code won't let us.

Nico: Yeah.

We arrived and everyone was excited.

Cobra Cadabra: Who wants to go first?

Dudley Puppy: I'll go first! Let me at her!

Nico: Lets get Ready to (ECHOING AND HAIR FLARES UP) RUMBLE!

Fire Man: Hot Dogs and Burgers and Apple Cider! Get your food and drinks here!

Rainbow Dash: I'll have some Apple Cider.

She gave him money and she got a mug of apple cider.

Dudley went up to Icky Vicky.

Dudley: (Takes a deep breath) YOU ARE A FUCKING ATROCITY FROM THE DARKNESS OF HELL AND YOU ARE NOTHING MORE THAN A BIG FAT FUCKING WORTHLESS FUCK! YOUR PARENTS SHOULD HAVE HAD AN ABORTION!

Vicky's eyes burned red with fire and she screamed in fury when he said that

We cheered wildly for him!

Nightbird: Anyone want to go next? Maybe one of the Quantum Girls?

Erica: I'll go next. I've always wanted to have a shot.

Nico: Go for it Erica!

Erica went up to Icky Vicky and then…

POW!

Vicky got punched in the face and some of her teeth got knocked out!

Erica: YOU ARE ONE FUCKING CRAZY BITCH! YOU ARE WORSE THAN REN HOEK AT HIS MOST INSANE! (To Ren) No offense Ren.

Ren Hoek: None taken. I've had my moments.

Erica: (To Icky Vicky) BUT YOU ARE ONE OF THE MOST FUCKED UP SADISTS EVER! YOU DESERVE TO SPEND EVERY FUCKING SECOND OF YOUR FUCKING LIFE LOCKED UP! NO WONDER EVERYONE HATES YOUR FUCKING GUTS!

Then everyone cheered for her!

Nico: YOU TELL HER ERICA!

Eli: WOOHOO! YEAH! YOU TELL HER!

Me: Mind if the Three Stooges go next commander? They said they have something funny to show.

Nico: Go for it.

Moe, Larry and Curly went next.

Moe: Boy Vicky is one dangerous babe.

Curly: Yeah she reminds me of you on a bad day Moe. Nyuk nyuk nyuk nyuk nyuk.

BOOF! BONK! POINK!

Moe boofed Curly in his stomach and bonked him on the head and poked him in the eyes.

Moe: See that?

Moe had his fist out and Curly slapped it and then…

BONK!

He swung it and hit Vicky in the head and everyone laughed. Curly then got out a kitchen sink.

Moe: Uh oh!

He swung it and hit Icky Vicky square in her face with devastating force and smashed her skull!

KRASMASH!

She was really in a lot of pain and then we cheered wildly for them!

Moe: Thank you all!

Larry Fine: That was sure funny!

Inmate: Maybe you guys should consider recruiting more heroes next year. That way, there's more people for these rants!

Arcee: That's actually a good idea.

Nico: We actually plan to do that later on. Who wants to go next?

Eli Shane: Me next!

Eli Shane went up and he looked at Icky Vicky.

Eli Shane: (Takes a deep breath) YOU HAVE A GIANT FUCKING UGLY BUTT THAT NEEDS TO BE WIPED WITH YOUR UGLY MOUTH!

Everyone laughed at her and then cheered wildly.

Lincoln: Commander can I tell one of my jokes?

Nico: Go for it Lincoln.

Lincoln got up there and had a microphone.

Lincoln: Thank you all. Have you guys ever heard about Icky Vicky? Let me tell you she is one crazy girl. Look at her brain scan.

He pulled up an X-Ray of her brain and it showed that her brain was all wrapped up in razor sharp razor wire and had shorting wires on it and also the whole brain had bandages on it.

Lincoln: Vicky's brain is so repulsively mangled up from all that rusted out razorwire that she looks like she needs to have a blowtorch used on it. Also I wonder if her insurance will allow to have for her brain to have wire replacement!

We laughed hysterically at his joke!

Dr. Nick: My turn. My rant is actually a form of torture.

He pulled out a couple of buckets of worms.

Nico: Worms?

Nicole: Nick worked in Chernobyl, Ukraine for a while to study how nuclear radiation affects Earthworms.

Nico: Oh right I forgot about that.

Dr. Nick: But these earthworms aren't contaminated with radiation.

Dr. Nick then shoved a bunch of worms in Icky Vicky's mouth and she then got a really awful taste in her mouth and then projectile vomited all over and everyone cheered wildly for Dr. Nick!

Nico: YEAH! Nice one!

Dr. Nick: SERVES YOU RIGHT YOU WORMFACED HEARTLESS BITCH!

Kermit the Frog gave Vicky an atomic wedgie, Juni Cortez called her a heartless psycho and a worthless loser and punched her in the face. Starlight Glimmer got a shot in and called Vicky horrible disgusting names and compared her to Slade Wilson which Robin liked. Jason Jenkins smashed her head in with a mallet and the Quantum Girls punched and pulverized her all over with pies and drenched her in raw sewage.

IT WAS A FUNNY RANT FEST!

We later went back to the estate.

---

Later we were getting ready for our next mission.

Spinister: Nico, it's your turn to lead today.

Nico: Yep and I have just the adventure for us all today. We're going to meet R.J. and his friends from the awesome movie, Over the Hedge.

Lana: AWESOME! That's one of my all time favorites.

Lily: That's a great movie.

Lincoln: I love that movie.

Nico: One of my favorites too.

Then Zavok, Fireor, Gameface, Dumbbelltron, Hydros, Heatwave, Firebrand, Firepower, Eccentro, and Ragdoll appeared.

Firepower: Can me, Zavok, Fireor, Gameface, Dumbbelltron, Hydros, Heatwave, Firebrand, Eccentro, and Ragdoll go with you guys?

Nico: You all sure can. We're going to meet R.J. and his friends from Over the Hedge.

Fireor: AWESOME!

Hydros: Great movie.

Nico: First we're going to watch the movie.

We got to watching the movie.

---

RJ the raccoon tries to steal snack food that Vincent, a bear, stockpiled for his hibernation. Vincent wakes up and catches RJ, and the food is destroyed in the ensuing confrontation. Vincent says he will hunt down and eat RJ if the food is not replaced by the time his hibernation ends a week later.

A family of woodland animals consisting of ornate box turtle and leader Verne, hyperactive American red squirrel Hammy, striped skunk Stella, North American porcupine parents Lou and Penny and children Spike, Bucky and Quillo, and Virginia opossum father and daughter Ozzie and Heather, awaken from their hibernation. They find that much of the forest they lived in has been turned into a housing development, which is separated from the little forest remaining by a giant hedge. The animals wonder how they will forage enough food for the next winter. RJ meets them and encourages them to traverse the hedge and steal food from the humans. Despite Verne's concerns, the animals join RJ in stealing and stockpiling human food, not knowing he intends to give it to Vincent. Gladys Sharp, the neighborhood Home Owners Association president, takes notice of the animal problem and hires exterminator Dwayne LaFontant to get rid of them.

Spurred on by the exterminator's arrival, Verne tries to return the food to the humans. RJ tries to stop him, but they come across the excitable dog Nugent who, wanting to play, ends up pulling the wagon of food through the neighborhood until it lands on Gladys' SUV, causing an explosion. RJ blames Verne for the loss of the food, and the family abandons the latter in favor of the former after he inadvertently insults them during a heated argument. That night, RJ begins to feel conflicted about his deception towards the family, especially when he sees Gladys has Dwayne cover her yard in animal traps including an illegal contraband device called the De-Pelter Turbo that turns the entire yard into a death trap when activated.

Verne apologizes to RJ for his actions and reconciles with the other animals. On the night before Vincent's hibernation ends, RJ sees that Gladys has bought a massive stockpile of food for an upcoming party and enlists the help of the animals to invade her home and steal it. Hammy successfully disables the De-Pelter Turbo while Stella poses as a cat to seduce Gladys' Persian cat Tiger in order to steal his collar, which enables entry into the house's pet door. The animals stockpile another wagon full of food, but right as they are about to leave at sunrise, RJ sees a can of chips called Spuddies and becomes determined to get them as Vincent specifically requested them. While trying to justify his effort to get the chips, RJ lets slip his true intention for the food. Gladys comes downstairs and finds the animals, and RJ manages to escape with the food. The others are caught by Dwayne, who takes them away in his truck to euthanize them.

RJ presents the food to Vincent, but as he sees the exterminator truck driving off, he realizes that the family he found in the woodland animals is the most valuable thing in his life. RJ sends the food wagon careening into the truck, knocking out Dwayne and freeing the animals. Spike, Bucky and Quillo take control of the truck and drive it back home, and RJ rejoins the family as they try to shake off the pursuing Vincent. They crash the truck into Gladys' home and return to the hedge, but are attacked from both sides of it by Vincent, Gladys and Dwayne. RJ gives Hammy an energy drink, making the squirrel hyperactive enough to move at warp speed which he uses to go and reactivate the De-Pelter Turbo. RJ lures

Vincent into leaping over the hedge to get him, but puts on Verne's shell which protects him from Vincent's jaws and allows Verne to pull him out with a fishing line. Vincent, Gladys and Dwayne are caught in the De-Pelter Turbo, resulting in them being blasted with radiation and trapped in a cage left in the ensuing crater.

Vincent is captured by animal control and shipped off to the Rocky Mountains, while Gladys is arrested for possessing the De-Pelter Turbo and Dwayne is chased by Nugent. RJ joins the woodland creatures' family permanently as well as Tiger, who remains in love with Stella even after learning she is a skunk, as he cannot smell. The animals' food storage is quickly replenished by Hammy, who finally found the nuts he stored before the previous winter.

---

When the movie was done we cheered wildly.

Fluttershy: Oh those were so adorable creatures.

Eli: They sure are. But that Vincent is one dangerous bear. Same with Gladys Sharp and Dwayne.

Nico: Yep. Lets head on out.

We were off to the Minneapolis forest.

---

MINNEAPOLIS, MINNESOTA

---

We arrived in a housing area outside of a forest in Minnesota.

Shadow the Hedgehog: Looks like we're in an ordinary neighborhood.

Nico: Yep and it's gonna be interesting. Lets see here. If I were R.J., where would I be?

Eli: How about over there?

We saw a forest.

Eccentro: A forest. That was actually obvious.

We went to the forest and we saw a bunch of animals.

Nico: That's them.

Golden Queen: Greetings, small animals!

R.J.: Whoa! Team Loud Phoenix Storm!

Fluttershy: It's so amazing to meet you all. I think you all are so cute and adorable.

Verne: Why thank you all.

Ragdoll: This is actually a nice place you guys got here.

Verne: It sure is. Thank you.

Stella the Skunk: Awesome to meet you all.

Nico: Same here.

Pepe Le Pew: (French Accent) Ah pleasure to meet a fellow skunk femme. I am Pepe Le Pew.

Fifi Le Fume: (French Accent) And I am Fifi Le Fume.

Nina Le Few: I am Nina Le Few. Pleasure to meet you all.

Flower: And I'm Flower.

Stella the Skunk: Same here.

Aria Blaze: So, did you guys get any good food lately?

Verne: Yes. No thanks to Mr. Raccoon over here!

RJ: Oh, c'mon! It worked, didn't it?

Verne: Yeah. And now, Gladys called a fucking exterminator on us!

Me: Hey hey hey. Calm down now. We can always get you all food.

Fluttershy: You just let me help you all out.

Fluttershy got used her powers and had her bird friends get nuts, seeds, fruits and more.

Verne: Cool.

RJ: Wow. That was amazing.

Fluttershy: I am known as the Princess of Kindness and The Life Skylanders. I love all creatures great and small.

Lincoln: And she is one of the most amazing givers of nature ever.

Lincoln and Fluttershy kissed and it was adorable.

RJ: So cool.

Stella the Skunk: Boy that is amazing.

Gameface: Is this exterminator really that bad?

Verne: He sure is.

Me: I take it Gladys Sharp hates you all and wants to destroy you all as well as all your homes.

RJ: That's right.

Laney: That's insane.

Nico: And Vincent is out there and is going to come after you for more food.

RJ: Yep.

Eli: Well we can't let him get the food.

Thorn: What can you guys tell us about this exterminator?

RJ: Well his name is Dwayne LaFontant.

He went over his history.

---

Dwayne LaFontant, also known as the Verminator, is one of the two secondary antagonists (alongside Gladys Sharp) of DreamWorks' 12th full-length animated feature film Over the Hedge (which is based on the 1995 syndicated comic strip of the same name by Michael Fry and T. Lewis), and the main antagonist of the video game adaptation of the same name. He is Gladys Sharp's henchman and love interest.

In the film, Dwayne was hired by Gladys to exterminate RJ and his friends, only to be defeated when the Depelter Turbo stings the greedy bear named Vincent, Gladys, and himself. In the end, he manages to escape from the police, only to be bitten in the leg by Nugent upon climbing over a fence.

He was voiced by Thomas Haden Church, who also played Roach in Tales from the Crypt Presents Demon Knight, Lyle Van de Groot in the George of the Jungle duology, Killer Moth in Teen Titans, the Sandman in Spider-Man 3 and Spider-Man: No Way Home, Tal Hajus in John Carter and Quillgin in Regular Show. In the film's video game adaptation, he was voiced by Fred Tatasciore who also voiced Dennis in the The SpongeBob SquarePants Movie video game, The Mawgu in Nicktoons: Battle for Volcano Island, and King Fossa in Madagascar: The Video Game.

Over the Hedge

In the film, Dwayne is hired by Gladys Sharp as her main henchman to exterminate the animals.

One day, Dwayne arrived and tried to kill Ozzie (who faked passing out), but the possum got away and fled into the hedge. Shortly afterwards, Dwayne then smells Verne (whom he calls "Reptile") and bends over to capture Verne (who was under a car), but Verne had already escaped back into the hedge to meet up with the other animals.

Dwayne installs a high-powered extermination system in Gladys' backyard, knowing that she would insist on wanting it.

Later, after Gladys catches the animals in her house and gets sprayed by Stella the skunk, Dwayne arrives with his gas mask on to avoid odors and is able to capture the animals except RJ, who left to return the restored food to Vincent.

But when RJ sees Dwayne driving away with RJ's caged friends, the raccoon has a change of heart at the last moment and decides to go rescue them. The impact stuns Dwayne and frees the other animals, who turn the van around to go back home. Meanwhile, RJ is chased by Vincent atop the van. Verne eventually manages to convince the other animals that RJ's trying to help them and they all turn to help RJ defend himself from Vincent.

Without control, Dwayne's van eventually makes a jump and flies through Gladys' house. RJ, Verne, and the others flee into the hedge, with Vincent on one side trying to claw them and Dwayne (who uses a cattle prod to shock the animals) and Gladys (who uses a weed hacker) on the other. RJ and Verne then have an idea, and have Hammy drink some soda and he causes the whole world to freeze.

After that, Hammy walks into Gladys' backyard, activates the new extermination system called the Depelter Turbo, and then gets an idea and puts a little garden gnome behind Dwayne's foot. RJ, borrowing Verne's shell, uses himself as bait to lure Vincent into Gladys' backyard. Dwayne, Gladys, and Vincent fall into a pile as the Depelter Turbo comes online (due to them falling into the lasers), zapping them all and imprisoning them in a cage.

Gladys and Dwayne are arrested for illegal traps. While Gladys fights the cops and beats them up, Dwayne quietly escapes and climbs over a fence, only to be bitten on the leg by Nugent after stepping on one of the Rottweiler's squeaky toys.

It is unknown what happened to Dwayne after the events of the film, but it could be possible that the police eventually found and arrested him and Gladys.

We were shocked!

Nico: Geez!

Me: After today I hope that LaFontant and Gladys both have a really good lawyer to defend them in Federal Court.

Eli: You got that right.

Nico: Yep.

Verne: How do you expect RJ to get the food!?

Eli: Verne, don't you think you're being a bit too hard on RJ? He joined you guys just a few days ago but he hasn't steered you guys wrong so far. And the Force says he's trustworthy.

RJ sighed in relief, glad that the Force didn't pick up his true intentions.

Verne: Eli, ever consider that maybe you're not right all the time? Just a thought.

Fireor: (puts hand on Eli's shoulder) Easy, Eli. Take a deep breath. No need to make this into a full blown argument.

Miko Nakadai: Besides, Verne's just jealous of RJ.

Eli: I know. I'm not upset.

Me: Verne, there's no need for you to be jealous of RJ. He is trying to help you all out just like we are.

Nico: That's right. RJ is a great friend and Sly likes him too.

Sly Cooper: He's right and I'm a raccoon myself and he and I are a perfect team already.

Bentley: That's right and Verne like you I am a turtle too. You and I would be great friends.

Verne: That's true.

RJ: Look, if things go wrong, we can just let Hammy drink a lot of sugar. And act like a rabbid squirrel.

Blackarachnia: Why? What happens if he drinks sugar?

Nico: He gets really hyper. Like how Lola gets a sugar rush from too many sweets. And like what happens with Mac.

Lola: He's right.

Mac (FHFIF): Yep.

Verne: Why don't we just return all the food to Gladys when she isn't looking? Sure, we won't get enough. But at least everyone wins.

Hydros: Or she might get suspicious and want to get rid of you guys even more. And there's still the matter of Vincent.

RJ started to sweat at the mention of Vincent.

May: You alright, RJ?

RJ: (smiles) I'm fine. I'm just hot because of the sun. That's all.

Eli: RJ you know Vincent is gonna come.

William: RJ? Is there something you want to tell us?

RJ: Who, me? Of course not. Why would I be hiding something from you guys?

Me: RJ? Tell them.

RJ: (breaks down crying) OKAY! I CONFESS! I ONLY JOINED UP WITH YOU GUYS TO GET THE FOOD TO REPLACE THE ONES FROM VINCENT THAT I GOT DESTROYED! AND IF I DON'T, VINCENT WILL SKIN ME ALIVE!

Lori: That literally was more emotional then I thought it was going to be.

RJ: (still crying) There I said it. (to us) Can you just do me a favor and send me to the Warp so Vincent doesn't kill me himself?

Me: What!? No! We would never do that to you!

Fluttershy: Oh you poor thing. RJ that is sad. But we would never do that to you.

Lincoln: Yeah RJ.

Eli: Besides, Vincent is a monster and he needs to be sent somewhere else.

RJ: Wait. You guys are still with me? I just confessed that I was using you guys to get the food Vincent needs.

Me: Because the truth will set you free.

Nico: That's right. You admitted to your mistakes.

Verne: We're with you all the way.

Stella the Skunk: Yeah!

RJ: (to Verne and the others) Thanks. You guys are true friends.

Verne: Aw you're welcome.

Me: No problem.

Nico: Yep.

Eddy: Don't worry. Vincent won't kill you if you don't get the food for him. Because we're not gonna let him.

Nico: Yep and that bear is gonna think twice before messing with us.

Me: Yep.

Agitos: Now, what do you say we get that food?

Nico: Agreed. This is gonna be good.

We went to go get the food.

Tiger the Cat: Halt! State your business!

Stella the Skunk: Easy. We're just getting some food.

Tiger the Cat started to feel something inside. Something that wasn't rage.

Tiger the Cat: (to Stella the Skunk and Fluttershy) For some reason, I can't bring myself to hurt you two.

Firebrand: (to Stella the Skunk) Looks like someone's got a secret admirer.

Tiger the Cat: That's right and it's love.

Nico: Aww.

Tiger the Cat: Let me help you all.

Dusk: You sure you want to be helping us? You're gonna make your owner very mad at you.

Tiger the Cat: It's gonna be totally worth it. I'm through with her.

Me: Good.

Nico: Awesome.

We went in.

Dumbbellltron: (sees some Spuddies) Those are the Spuddies Vincent loves? They look like Pringles.

Nico: They sure do huh?

Eli: No kidding.

Lars Loud: Yep.

Me: I bet Fluttershy is gonna give Gladys one nasty reprimanding.

Nico: I have that feeling myself.

We got all the food and came out and we saw GLADYS SHARP!

Gladys: What are you all doing in my house?!

Lois Griffin: (smirks) What does it look like? We're taking your food. (pokes her on the nose) What're you gonna do about it?

Laney: Yeah you stupid old hag reprobate.

Gladys: What did you call me!?

Laney: You heard me or is our brain too small to understand anything I said?

BURN!

Gladys: WHY YOU LITTLE!?

Then DWAYNE CAME!

Dwayne the Verminator: Someone call the Verminator?! (takes out taser)

Heat Wave: Buddy, you're fired! (fires flamethrower at Dwayne's taser)

He melted it.

Me: And consider your pest control license revoked.

Eli fired a blast of Force Lightning and electrocuted them both.

Thetis: Looks like we can still do our entrance. I see Vincent over there!

Nico: Time for action!

Vincent got closer and then an enormous grove of trees grew and flowers came out and then bloomed and out came the Dragons of The Elements of Darkness And then they converged and swirled around and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off and a phoenix cry was heard and

then we came out.

Nico: Now THAT is an entrance.

Vincent: Thanks for bringing me the food, RJ. Now, give it to me and I'll be on my way.

Zavok: (he and Fluttershy walk over to RJ's side) RJ doesn't owe you anything anymore!

Vincent: (laughs) Oh, that's funny. (to RJ) After I'm done with these two, you and I are gonna have a little chat.

Me: You won't think it's funny when Fluttershy does her awesome trick on you.

Fluttershy then used her stare on Vincent!

Fluttershy: I see what you are doing! You should be ashamed of yourself! I oughta find your mother and tell her everything you've been up to!

Vincent then started shaking in fear and he was getting his fur scared off him!

Vincent: (to Fluttershy) Should've stayed out of this, kid! RJ's about to get what's coming to him and now, so are you!

Fluttershy: I don't think so!

Fluttershy used her stare on him and to Vincent it was like he was seeing a demon from Fluttershy!

Then Abra Kadabra, Myotismon, Kaos, Ben Ravencroft, Evil Lyn, Mercurymoon, Bizarro, Metal Sonic, Marionette Shadow and SkullMeramon appeared.

Nico: Abra Kadabra, Myotismon, Kaos, Ben Ravencroft, Evil Lyn, Mercurymoon, Bizarro, Metal Sonic, Marionette Shadow and SkullMeramon.

Abra Kadabra: Looks like the fun is about to start.

Gladys: Listen, I'll pay the 10 of you whatever you want if you get rid of those animals!

Myotismon: Really now?

Dwayne: Wait. You can't possibly be paying them more then what you're paying me!

Kaos: You're still being paid. Because we refuse to be hired by her!

Evil Lyn: (smirks) We'll still take her money though.

Me: No deals with our frenemies.

Ben Ravencroft: (to me) We heard you went to the world of the Running Man earlier?

Me: We sure did and it was awesome!

Mercurymon: Who did you kill there?

Me: Damon Killian. He had it coming for all his lies and treachery.

Mercurymon: Good riddance and Ahsoka transformed right?

Me: Yep she sure did. And we met an Ebonwumon Gene-Slammer and a Laval Lakeside Lady.

Mercurymon: AWESOME!

?: That is amazing.

A figure came out and it was WICKED WISHER from episode 31 of Turbo!

---

The Wicked Wisher was used by Divatox who was sent to create three wishing coins but can only create three such coins. Wicked Wisher first appeared at the same fountain Justin made his wish at and stole the coin that he made a wish to see his father with using a fishing net. Justin told him to stop but he went over to Rygog and they summoned some Piranhatrons . During the battle, Wisher took another three coins from the fountain but the Blue Senturion blasted him down, leaving him with only three coins so he regrouped with Rygog and left.

He joined the villains in the Space Base and made the coins into actual magical wishing coins but got backlash for only bringing three coins. Soon after the Blue Senturion was wished evil. the Wisher was sent down by Divatox to get more coins but had a run in with T.J. which resulted in a brawl. Wisher attempted to destroy him with explosive coins but they had no effect and he was blasted down by the Auto Blasters. He grabbed another two of those coins and fled as fast as he could but T.J. gave chase. They brawled in the city which the Wisher won, before the evil Blue Senturion arrived and took over the battle. He introduced the former ally as "Divatox's first wish" and hid behind a pillar to watch the battle where T.J. took a thrashing and ended up retreating which the monster was very happy about. The Wisher then went to the Spacebase and presented Divatox with his newly stolen coins although he couldn't enchant them. When Elgar made her drop the final wishing coin, the Wisher as well as the Senturion were sent down to find it. The Rangers showed up and the Wisher retreated with the help whilst the Senturion attacked the Rangers. Right after the Senturion attacked and the Rangers were ready to brawl, he came in and very easily overpowered the entire team before taking them down with more explosive coins. He got ready to finish them but was taken out by the Turbine Laser.

Divatox made him grow and the Rangers summoned the Rescuezords after Elgar retrieved the Senturion. Although he fought hard with his explosive coins, he was ultimately no match and was destroyed by the Rescue Megazord's Artillery Power.

---

T.J.: Wicked Wisher!

Wicked Wisher: Been a while rangers.

Me: I remember you! You were sent to create Wish Coins and people were going to use them to cause chaos.

Wicked Wisher: That's right J.D. Good memory on you.

Me: Never missed an episode.

Wicked Wisher: (to RJ) You know, I haven't used any of my wishing coins yet. If you want, I can wish for the exact food you need to give to Vincent.

RJ: No. That won't be necessary. (Smiles) I finally found a family in Hammy, Verne, and the others. That's what's more imporntant. The food's just a bonus.

Poromon: (cries tears of joy) That was so sweet!

Me: I have a wish I can do.

Wicked Wisher: All right.

He gave me a coin.

Me: I wish Gladys Sharp would get hit by a rain of anvils from the sky.

I gave my coin and then…

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANGCLANGCLANGCLANGCLANG!

Gladys Sharp got hit by 30 anvils that fell from 4,000 feet. OUCH!

Nico: Now that was funny. Lets get the battles done.

Shannon Deluth Sanderson Loud, Starlight Glimmer, Cozy Glow, Undead Skylanders, Hermione Granger, Thorn and Misty Tredwell VS Ben Ravencroft

Ben Ravencroft: (to Shannon) Starlight Glimmer really laid down the law on Amy. (laughs) I bet she's gonna think twice before messing with the Princess of Empathy and the Undead Skylanders!

Shannon: You got that right. Amy is a heartless bully and she doesn't deserve to ever be released from prison ever.

Starlight Glimmer: It sure was awesome. I hate that monster Amy. Want to see a video of it?

Ben Ravencroft: Sure.

Starlight showed the video of the rant that Cozy Glow made on her phone.

---

And the sight of Professor Pyg's demise angered Amy to no end, as the sclera of her eyes had turned bloodshot, and her eyes turned red with hatred and rage.

Amy: NO! YOU IMBECILES HAVE RUINED EVERYTHING!

POW!

Starlight Glimmer punched Amy in the face, knocking out a couple of her teeth, and she tied Amy up in a neon purple straitjacket, so she couldn't escape. Then, Starlight Glimmer proceeded to give her a nasty reprimanding.

Starlight Glimmer: Amy, what you've done to Sammy in the past can't be forgiven. You and your evil mother abused Sammy with reckless abandon, and you also killed your own father in cold blood, and broke her heart. You are nothing more than an SELFISH, INCONSIDERATE, EVIL, HEARTLESS, TWO-FACED, MURDEROUS, SOCIOPATHIC, PSYCHOTIC, MONSTROUS BITCH FROM THE DEPTHS OF HELL! A TRUE SPAWN OF SATAN AND THE MOST RUTHLESS BITCH IN ALL OF KALAMAZOO!

CLANG!

Our jaws dropped in shock when Starlight Glimmer gave her that nasty reprimand, and Amy's eyes went wide when she was reprimanded by Starlight Glimmer, and Cozy Glow recorded the whole thing. Lincoln went up to Starlight Glimmer, and hugged and kissed her.

Lincoln: Nice reprimand, Starlight Glimmer.

Starlight Glimmer: Thanks, Linky. And that monster got what was coming to her.

Amy's shock changed back to rage, but before she could say anything, Lincoln beamed her back to the Uranus Prison, and she was also thrown into a separate cell in Solitary Confinement, and chained to a wall, and she was still in the neon purple straitjacket Starlight Glimmer put her in.

---

When it was done everyone cheered wildly.

Cozy Glow: That was so awesome!

Hex: Yeah she REALLY Laid down the law with her.

Style Queen: I think that's an awesome idea and it would be awesome to spice up the rants with a little variety with pranks and cartoon style comedy.

Princess Celestia: That is a great idea and I was a good mischief maker myself before I became a princess.

Marionette Shadow: I didn't know you were a good prankster yourself Princess Celestia.

Suddenly, the eight large planets and stars orbiting around my legs, the eight large orange orbs orbiting around Lincoln's legs and the eight large orange orbs orbiting around Linka's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight large marine blue orbs orbiting around Liam's legs, the eight large scarlet red orbs orbiting around Lynn Jr.'s legs, the eight large blue orbs orbiting around Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs were glowing, and that means big trouble was coming.

SpongeBob Squarepants: Tartar Sauce, I was hoping I'd never hear that voice again. You can come out now, Kevin the Sea Cucumber.

A figure came out, and it was none other than Kevin the Sea Cucumber, another resident of Bikini Bottom who's also another jerk to SpongeBob SquarePants.

Lily Loud: Oh great, I should've guessed he'd be here.

Lincoln: I remembered you telling us about him, Lily. This guy is a big time jerk, but you should tell the rest of the team about him.

Lily Loud: You got it, Linky.

Lily Loud proceeded to tell us about Kevin the Sea Cucumber, and we weren't going to like this jerk one bit.

---

Kevin the Sea Cucumber

Kevin C. Cucumber is the former leader of the Jellyspotters. As his name suggests, he is a sea cucumber, which is a type of marine animal that resembles a cucumber. Kevin is the main antagonist of the episode "I'm Your Biggest Fanatic."

## Description

He is a light green sea cucumber. On the top of his head is a set of pale yellow feeding tentacles that looks like a crown, but it is not. The tentacles have an orange outline. He wears blue glasses along with brown shorts and has pink lips.

## Personality

Kevin is a rude, sadistic, treacherous, ruthless hatred on fans geek, as shown when he lets SpongeBob try out for the Jellyspotters only to humiliate and belittle him. He also lacks consideration for SpongeBob when he does cruel things for him such as jumping off a building and punching himself in the face. Humiliating and belittling others seems to be a habit of his, as many of his biggest fans have ended up trapped in a crevasse at Jellyfish Fields because of him.

He is also ill-tempered, as shown when he is annoyed by SpongeBob completing all of his given tests with ease. Kevin is also greatly frustrated when all of his plans end up with him getting stung by jellyfish. He doesn't even know anything about jellyfish and was just in the club for the fashion.

Kevin is also ungrateful, as while he acknowledges SpongeBob saving his group from danger and calls him impressive, he still does not let him join because he did not catch a queen jellyfish, even though he admitted that catching a queen jellyfish was a trick. This is a mistake that leads to his followers turning on him.

## Biography

Kevin was a camper at Camp Coral during his childhood. At some point, Kevin became the leader of the Jellyspotters, an expert jellyfish enthusiast club, because of the fashion. The Jellyspotters then once became so popular that Kevin himself was the mascot of his brand of jellyfish sting ointment.

Having no experience with jellyfish, he was replaced by SpongeBob, who proved to have experience with jellyfish and also saved them from a king jellyfish.

However, SpongeBob quit the Jellyspotters.

Role in series

"I'm Your Biggest Fanatic"

In this episode, he meets SpongeBob and is disturbed by his obsessive fanboy behavior. However, he is greatly surprised when the latter complies with his requests such as jumping off a building and hitting himself. Amused by his attitude, he invites SpongeBob to go jellyfishing with the Jellyspotters who he tells that he wants to embarrass with pranks. He tricks SpongeBob into thinking he can join their club if he passes certain tests, simply so that he can humiliate and belittle him.

However, all of Kevin's plans end up with him instead of getting stung by jellyfish one too many times, causing his hatred for SpongeBob to grow. Finally, he snaps and says SpongeBob is ready for the final test: use SpongeBob as live bait to catch a queen jellyfish. It is revealed the Jellyspotters were using a robot queen jellyfish. Kevin and his friends then taunt and make fun of SpongeBob by calling him a "loser," but when a king jellyfish appears, he falls in love with the robotic queen and attacks them, Kevin proves to be a coward and admits that he was only in the club for the fashion.

When SpongeBob manages to ward away the king, Kevin is ruined when the Jellyspotters rip off his crown-like cranium and put it on SpongeBob.

"Lame and Fortune"

In this episode, one of his legs makes a cameo appearance in the Chum Bucket. Here, it is a much lighter shade of green.

SpongeBob Freestyle Funnies 2018

Kevin later appears on the back cover of the book, where he is part of the huge crowd of villains staring angrily at SpongeBob.

"Jolly Lodgers"

He appears at the Hotel Halibut's 36th Annual Jelly-Fisher Convention, where fans can meet Kevin and get pictures with him. He later appears at the episode's end, where he runs out of the fumigated hotel.

---

When Lily Loud was finished, we gasped in shock, this guy is another big time jerk to SpongeBob, just like Bubble Bass.

Me: Sheesh, this guy is another big time jerk to SpongeBob.

Nico: You said it, Colonel. This guy is just as big a jerk as Bubble Bass. Yuck!

But, no one is more furious at Kevin the Sea Cucumber than Lars Loud. Suddenly, we felt something snap inside Lars Loud's mind, as his eyes turned red, and he was surrounded by a black and red energy aura with vampire bats and the creatures of the night, and as he approached Kevin the Sea Cucumber, he left black and red energy, vampire bats, and the creatures of the night with every step.

Lars Loud: You really make me sick, Kevin the Sea Cucumber. You've been nothing more than a big time jerk to SpongeBob, and to everyone you meet. This time, I'm putting you down once and for all, you jerk.

Then, Lars Loud was surrounded by a massive vortex of black and red energy with the creatures of the night surrounding the vortex, there were vampire bats flying around the vortex, and there was a blood red phoenix inside the vortex. Then, as the vortex faded, Lars Loud emerged, but he was changed forever.

Lars Loud grew to 7'0" in height, just like Me, Lincoln, Lynn Sr., Liam, Duke Lincoln, Loki, Loni, Luke, Lane, Larry, and Lynn Jr., he now had abnormally large and powerful upper and lower body muscles and eight-pack abs, he had neon red eyes and a black and red energy aura with vampire bats and the creatures of the night surrounding him, his longer black hair reaching the bottom of his neck was tied in a ponytail and he now has vampire fangs, he has a vampire bat with the Dark Kanji emblazoned on his forehead, he has on vampire bat earrings with the Dark Kanji in its talons and a necklace with a vampire bat holding the Dark Kanji in its talons for the pendant. Lars Loud has massive black angel wings with red tips on the large black feathers.

Lars Loud had on his new large cuff Bracelets of the Champions of The Universe with blood red gems on his wrists, the massive, wide, double-edged black-colored blade of his own Sword of The Goths of Darkness grew to 6'5" in length and the long black handle grew a little longer. Lars Loud has on the same clothes as Loki, Loni, Luke, Lane, Me, Lincoln, Lynn Sr., Duke Lincoln, Larry, Lynn Jr. and Liam, but his version of He Man 2002's loincloth is blood red, he has on long blood red trenchcoat flaps with vampire bats, the castle of the vampires, and the creatures of the night on them, which were held up by his new Belt of Elemental Bravery with large blood red gem for the belt buckle around his waist, he now has on large blood red weighted bands on his large biceps and thighs, large black pants with blood red flames on the legs, and a pair of large black leather ankle-high combat boots with silver armor on the toes. Lars Loud has his new Eater of Sins revolver holstered on his left hip, and he now has eight large black and blood red orbs orbiting around his legs.

Lars Loud has a vampire's castle tattooed on his now wider and much more muscular back, and there was a green kanji right below the vampire's castle that said, "Lars Loud, Awesome and Talented Dark Poet of The Genderbent Loud Siblings, Second Youngest Brother of Linka Loud, Member of The Goths of Darkness, Master of Darkness and the Creatures of The Night, Slayer of Evil, Golden-Hearted Lover of His Brothers and Only Sister, Genderbent Twin of Lucy Loud, and Awesome Member of Team Loud Fairywind and Team Loud Phoenix Storm."

ラース・ラウド、ジェンダーベント・ラウド兄弟の素晴らしく才能のあるダーク・ポエト、リンカ・ラウドの2番目の末弟、闇のゴート族のメンバー、闇のマスターと夜の生き物、悪の殺し屋、彼の兄弟の黄金の恋人、唯一の姉妹、ルーシー・ラウドのジェンダーベン

ト・ツイン、そしてチーム・ラウド・フェアリーウィンドとチーム・ラウド・フェニックス・ストームの素晴らしいメンバー

Lars Loud transformed into SUPER ANGEL 750,000,000,000 DARKNESS DEMONIC VAMPIRE ANGEL OF DARK JUSTICE!

We were amazed by Lars Loud's Super Angel 750,000,000,000 transformation, but when Kevin the Sea Cucumber saw it, he fell into a rage like the jerk he is.

Me: Holy crap, Lars Loud's transformed.

Nico: You said it, Colonel, Lars Loud has become a true Angel of The Night, just like Lucy.

Lucy Loud: Gasp, Lars, you look like a true Angel of The Night. How do you feel?

Lars Loud: (Divine Echoing Cosmic Voice of Darkness and Justice) **I feel incredible, Lucy, and now, if you'll excuse me, I've got to deal with this jerk.**

Lars Loud went after Kevin the Sea Cucumber, and he fired powerful blasts of black and red energy, darkness, vampire bats, and the creatures of the night at Kevin the Sea Cucumber, and they explode with incredible power. Then, he grabbed Kevin the Sea Cucumber and hoisted him up with his brute superhuman strength.

Lars Loud: **Now, to make sure you never come back again.**

Then, Lars Loud bites Kevin the Sea Cucumber in the neck, and he began sucking out the vegetable juice in him, as Kevin the Sea Cucumber was screaming in excruciating pain. Suddenly, the jerk sea cucumber was starting to shrivel up, and once Lars was done draining Kevin the Sea Cucumber, the jerk was now pale and completely drained of vegetable juice. Then, Lars Loud burned him with a very powerful blast of dark fire, and it incinerated his body and Super Hakaied Kevin the Sea Cucumber for good.

We cheered wildly for what Lars Loud did, as he holstered his massive Sword of The Goths of Darkness on his wider and muscular back and powered down, but his new clothes, weapons, and jewelry were permanent.

Me: Whoa, Lars, that was awesome.

Lars Loud: Thanks, J.D.

Chester Monroe: That was pretty slick of you pulling the same move as Bunnicula, draining the juice out of that jerk of a sea cucumber.

Harold Monroe: And there's something you guys should know, Bunnicula also found out that Lincoln now has a vampire form.

Nico: You mean…? His Vampire Knight costume from Halloween, that means Lincoln now has a…?

Lincoln: Yep, I now have a vampire form, and in that form, I'm known as Lincoln the Vampire.

Lucy Loud: Gasp! That's amazing.

Chester Monroe: Oh, while you and the girls were at Ember Island, Lincoln, Mrs. Casagrande swatted Sergio with her Chancla, and that bird's no longer allowed to go to or throw anymore wild parties. His reputation as the biggest party animal in Great Lakes City is history.

Bunnicula then said something that Harold had to translate.

Harold Monroe: Oh, and Bunnicula said that Sancho and the Party Birds aren't allowed anywhere near the Casagrandes' apartment ever again, and to make sure, Lalo, Chester, Bunnicula, and I have been appointed as rooftop guards, and if we see them, we blast them.

Chester Monroe: Harold's right, just like Bunnicula, we now have powers, Harold has Earth powers and I have Dark powers just like Bunnicula. But, now we need some new weapons.

Nico: I have a feeling that's about to come true today, Chester.

We then went back to the fight with Gladys and Dwayne.

Lily fired a wave of jellyfish into Gladys Sharp's eyes.

Eli: Uh oh.

ZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPP

The Jellyfish went back to the ocean and Gladys' eyes were red and burned and smoking.

Dwayne: WAH WAH WAAAAA.

Gladys Sharp: WILL YOU CUT THAT OUT!?

Maria: (Gives Hammy sugar drink) Here, Hammy. Go nuts. No pun intended.

Hammy drank it and then…

SUGAR RUUUUUUSSSSSSSSHHHHH!

He was running around all over faster than a bullet fired from a gun. He was pulverizing both Gladys and Dwayne all over the place.

Gladys saw Patrick.

Gladys: I'll turn you into chum Tubby!

RECORD SCRATCH!

Patrick: Tubby? (ENRAGED GROWLING) NOBODY CALLS ME TUBBY!

Patrick pulverized the living crap out of Gladys with incredible fury and anger.

Lana: Hey Dwayne! Have a snack!

Lana poored a barrel of raw chum down his throat and then.

PROJECTILE VOMITOSIS!

He threw up all over Gladys! YUCK!

Me: Sniff on THIS!

I pointed by butt at them and then…

FFFFFFFFFFFFFFFFAAAAAAAAAAAAAARRRRRRRRRRTTTTTT!

I fired a massive blast of blue fire from my butt and burned them all over.

Titanix smashed and pulverized them both all over.

They summoned forest animals to smash all over Gladys Sharp as she was flying and then she was pulverized and brutally mangled all over and then she fell to the ground.

Fluttershy went up to Gladys and Dwayne.

Fluttershy: No words can describe just how evil and cruel you are, sending an exterminator to go after defenseless animals just because they were hungry and all for a pathetic way to sell houses that are clean and beautiful. Not only that, but you don't care how you want to sell animals and you would destroy their homes!? You are nothing more than a complete disgrace to the Home Owners Association profession and you are nothing more THAN. A. BIG. FAT. EVIL. **CRUEL** . ***MEANIE !***

Gladys Sharp then crapped her pants 15 times and then she bawled like a little baby as the cops arrested her and loaded her into the car.

Nico, Eli, Lincoln and Varie jumped into my arms.

Me: OOF! (Straining) You're giving me a hernia guys!

Eli: Fluttershy really scared her.

Laney: I know this line is used a lot but (To Gladys) Tell it to the judge lady!

Bizarro: (waves at Gladys Sharp aa the cops take her away) Hello, mean lady! Hello!

Metal Sonic: Check three bad guys off the ever growing list of scumbags.

Marionette Shadow: RJ, how would you and the others like to live in the park?

Abra Kadabra: It'll be much nicer than your home near the hedge. And you'll be protected by us.

RJ: I'd love that.

SkullMeramon: Now, let's go take Gladys' money! (we all look at him) What? We said we'd take her money anyway.

Me: She definitely deserves to have all of her assets seized.

Nico: Yep. Great job today everyone. This was awesome!

RJ: (To the viewers) Never mess with animal rights or you will answer to Fluttershy.

Me: Yep.

Fluttershy giggled.

We went back home and enjoyed the rest of the day before we went to sleep.

THE END

---

Another awesome chapter done.

Over the Hedge was an awesome movie and it was so awesome how animals took on a bunch of people and showed them who is boss. The first part was for the awesome 1987 movie The Running Man and that was a really awesome movie with Arnold Schwarzeneggar and it was so awesome how he did all those amazing things in a game show that was going to kill him. The second part was based on chapter 1269 and the Batman Arkham Knight scenario where Batman took on Professor Pyg. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts as well as the guest reviewer gave me the ideas for this one. Thanks guys. Also this chapter was made in honor of Verne the Turtle's voice Actor: Garry Shandling who died in 2016 of a Pulmonary Embolism. And also this was for Richard Dawson who played as Damon Killian in The Running Man and he died in 2012. Running Man was his last movie before he retired from movies and TV in 2000. He died of esophageal cancer.

RIP Garry Shandling: November 29, 1949 - March 24, 2016

RIP Richard Dawson: November 20th, 1932 - June 2nd, 2012.

The next rescue for me is gonna be for the Batman Beyond episode Mind Games and we're gonna go up against the Brain Trust and rescue Tamara Caulder who was taken by them again and we're going to make sure the Brain Trust all dies. Gabrielle from Chapter 52 will transform in that one. Me, Eli, Allie, Maria, Missy, Erica, Lillian, Ellie, Qin, Marie, Simone, Gina, Caoimhe Coughlan, Miranda, Haumia, Syrus, Dark Magician Girl and Rice Fitzgerald are gonna be in that one and we're also going to meet Aussa the Earth Charmer and we're gonna me a Vorash Gene-Slammer. This is the first Metroid Creature Gene-Slammer we're going to meet and her name is Nalanie Nanthavong from Laos. She is also the best friend of Alana Vongphachanh the Stakataka Gene-Slammer. The next rescue for Lincoln is gonna be in the 1987 movie Predator and we're going to not only meet Major Alan Dutch Schaefer but also Anna Gonsalves and we're going to take down the Predator. The next chapter is gonna be a different one. It's an Original chapter that serves as the 17th installment of the MLP Chapters. We're going to search for Princess Cadance's long lost little sister Lorelei. Thanks to a dream I have we're going to find her.

See you all tomorrow

# The Missing Sister of Princess Cadance

In the early morning hours at 1:17 AM, I was asleep with Varie in my bed and I was having a really amazing and very interesting dream. I saw King Sombra rule over the entire Crystal Empire with an iron fist. His pure evil smile adorned on his face as his eye glow with the essence of pure evil.

King Sombra: I know there is one pony that will eventually destroy me and all my rule over the Crystal Empire and that is your descendant Princess Amore. I will not let her ruin me. So I curse your descendant to be locked away in a crystal in Dragmire Volcano.

Then he fired a blast of black energy from his horn and shattered Princess Amore into dust!

I gasped in shock!

Me: King Sombra you are one heartless monster! It's times like these I'm glad I killed you!

But then Radiant Hope later told Princess Celestia and Princess Luna about the atrocities of King Sombra and they flew over and fired beams of magic that turned him to shadow and they banished to the Arctic North for eternity. But the Crystal Empire vanished too. Never to be seen again for 1,000 years. But then I saw Princess Cadance and on her birthday I saw Lorelai. She was an amazing blue and magenta haired version of Princess Cadance. When the sun was at high noon Lorelai was enveloped in an aura of darkness and King Sombra's malevolent eyes glowed ferociously!

Lorelai: NO! HELP ME CADANCE! HELP ME!

She was enveloped in crystal and was flung far away to to a place far from Cadance! Cadance cried in sadness. But then I was taken to where Lorelai was taken and I saw her in a crystal cave in a tomb in a lake of lava underneath Dragmire Volcano.

Me: That's horrible. I got to make Cadance happy again. And her birthday is coming up so that will make an awesome birthday present for her.

I then woke up at 8:19 AM and I gasped.

Me: Whoa. Another dream. But that was a wicked one. Looks like Cadance is gonna have an amazing surprise for her birthday later today. But I got to tell everyone at just the right time.

I went down and had breakfast.

Later it was time for the next rescue and it was over in the Neo Gotham City part of the City. Me, Eli, Allie, Nene, Maria, Megan, Missy, Qin, Erica, Lillian, Ellie, Marie, Simone, Miranda, Gina Pele, Syrus, Dark Magician Girl, Gabrielle and Rice Fitzgerald were flying over the city.

Rice: You guys went after the Brain Trust before, right?

Me: We sure did and that was an epic adventure. It was before you guys joined us.

Eli: The Brain Trust are really bad from what I heard. They want to use gifted kids that have amazing powers to destroy the world.

Me: That's right. They are a very dangerous international organization and they want to turn kids with gifts like psychic powers and everything into weapons of terrorism for world domination.

Allie Wilde: That's insane!

Nene: No kidding. But I have a feeling we're going to destroy them.

Me: Yep.

Rice: If that's the case then cound me in.

Rice concentrated and groaned as her hands turned into claws.

Gina Pele: We'll make sure they pay.

Caoimhe Coughlan: (Irish Accent) You got that right lass.

Simone: They don't deserve to be on this planet for their crimes.

Rice turned into RAZORFIST!

Missy: Yeah!

Allie Wilde: I'm amazed you all have faced the Brain Trust once before.

Me: We have lots of experiences Allie.

Razorfist: Do any of the Brain Trust have psychic powers themselves?

Me: Yes they do. But they come in a variety of abilities. We faced 2 of them before. One is a woman named Bombshell and she has powerful electrical discharge powers.

Eli: Wow! That's lethal.

Allie Wilde: Yeah and the other?

Me: That's Invulnerable Man. He can't feel any pain and he's really strong.

Missy: Geez.

Erica: What can you tell us about the Brain Trust?

Me: Well it's not good.

I went over their history.

* * *

The Brain Trust was a secret international society believed to be based somewhere in Europe. They considered themselves above all the rest because they were capable of accessing the most potential of their brains. The Brain Trust set up fake schools to lure children with paranormal abilities and then kidnapped them. They set out to recruit many gifted persons that would eventually change the world.

History

One of their targets was Tamara Caulder. The Brain Trust sent two of its members, Bombshell and Invulnerable Man, to recruit her, but they were unsuccessful thanks to Batman.

Bombshell and Edgar later got out of jail and met with their fellow Brain Trust member, Schiz. They took two more children under their wing, giving them code names like Transita and Amp, promising their families that they'd help them control their powers.

Bombshell and Schiz witnessed how Ro "talked" to a robo-harvester, unaware that it was her robot friend Zeta in disguise. They kidnapped her and forced her to try and reactivate a bomb, despite her protests that she didn't do anything. Luckily, Transita used her powers to fixed a severed wire, because she broke it in the first place. The Brain Trust then began calling Ro "Relay".

The Trust had a plan to use the bomb at a nearby radio tower, so that it could release ultraband radiation to awaken the dormant powers in other children. However, it would kill others who didn't have dormant powers. Thankfully, Zeta was able to foil their plot and the Trust members were incarcerated and the children returned home.

---

When I was done everyone was shocked!

Syrus: Whoa! Thank goodness Zeta stopped them.

Dark Magician Girl: No kidding. They deserved to be destroyed.

Me: Yep.

We arrived at the docks and we saw Bombshell and Invulnerable Man and I got right into the fight with Invulnerable Man and slugged him in the face and Maria was facing Bombshell.

Maria: Bombshell. I see your looks haven't changed.

Bombshell: Maria Rockell. You're looking really good yourself. I see you have gotten stronger since the last time we fought.

Maria: The benefits of training.

Bombshell: So I have seen. Not bad for someone that was once made of pure water.

Maria: Indeed. But you would be amazed at how far I've come since the last time we fought.

Bombshell: Lets see you put those powers to the test.

She snapped her fingers and Maria fired waves of water that formed into deadly icicles and they skewered Bombshell's arms.

Eli: Try this one!

Eli fired Force Lightning and electrocuted Bombshell all over as the lightning hit the icicles and electrocuted her from the inside out and on the outside.

POW BIFF CRACK SMASH BLAM!

I punched and kicked Invulnerable Man all over and he was really feeling something.

Me: Not bad for someone who doesn't feel pain.

Edgar Mandragora was facing Razorfist.

Razorfist: (smirks) Why don't you go into my mind? See what happens.

Edgar Mandragora: (smirks) You know what? Maybe I will!

He went inside Rice's mind. BIG MISTAKE!

Edgar was inside Rice's mindscape and it was a volcano field and it had a beautiful mansion made of metal and he saw Rice and RAZORFIST!

Rice: Huge mistake dirtwad. Now you got to deal with me and Razorfist.

Razorfist: Welcome to your nightmare.

They blasted him and then killed him.

POW!

I knocked down Invulnerable Man.

Maria came and she saw the braindead body of Edgar Mandragora.

Maria: (to Razorfist) I'm guessing you killed his mind since his body is braindead?

Razorfist: Yep. He shouldn't have gone into my head.

Me: Very clever.

Bombshell: You all ruined everything!

Gabrielle: (British Accent) You have done enough damage already and this is the last time!

Gabrielle's eyes turned neon yellow and she was enveloped in an aura of rainbow light. She was walking towards Bombshell and rainbow flames swirled around her and light beams were emitted from the ground with each step.

Gabrielle: Bombshell, what you and the Brain Trust have done to many children all over the world is unforgivable. I will not allow you to torment the lives of innocent people all because of your sick plans to "Change The World" all just to enslave the human race. This time you all will pay.

Then Gabrielle was enveloped in a vortex of rainbow light and energy and a phoenix swirled inside it and so did rainbow suns. The vortex faded and Gabrielle emerged from the vortex of light forever changed.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Gabrielle looked like she was 21 years old and was 6' 0" and she had the body of a goddess. She had longer blonde hair that was in a braided ponytail and she had rainbow highlights in her hair and she had neon yellow eyes that had the sun and rainbows in it and she had an angel with phoenix angel wings holding the kanji for light emblazoned in the middle of her forehead and she had earrings on in the shape of the sun with the kanji for rainbow light in the middle. She had a shirt that had a sun with rainbows on it and she had a safari explorers vest on and she had a rainbow skirt on and it had rainbow flames on it and she had rainbow leggings on and they had rainbow fire on them and she had combat boots on. And in her hands was a new sword called The Sword of The Adventurous Explorers. It was a 6'5" long blade that had a rainbow blade and had the symbols of the 9 planets on the blade and it had red angel wings on the hilt and jewels on the pommel and the crossguard. She had a rainbow sleeveless trench coat on and it had a temple of the jungle on the back. She had Rainbow Angel Wings with neon color feathers and the wings had rainbow light shining from the feathers. There was a rainbow kanji on the back of the coat for "Gabrielle Tudor Loud, British Descendant of The Tudor Dynasty, Archaeologist and Great Explorer of The Mysteries of The Great Unknown, Master of Lightning and Light and Powerful Golden-Hearted Friend and Sibling of the Loud Family and Member of Team Loud Phoenix Storm."

ガブリエルチューダーラウド、チューダー王朝の英国の子孫、考古学者、偉大な未知の謎の偉大な探検家、稲妻と光のマスター、そしてラウドファミリーの強力な黄金の心の友人と兄弟、そしてチームラウドフェニックスストームのメンバー。

She had transformed into a SUPER ANGEL 750,000,000,000 BRITISH EXPLORER OF LIGHT AND JUSTICE!

We were amazed!

Eli: OH WOW!

Me: Awesome! Gabrielle transformed!

Dark Magician Girl: Incredible!

Missy: Wow! Gabrielle how do you feel?

Gabrielle: (Divine Echoing Voice of Light and Hope) **I feel amazing Missy and this power is incredible. Now it's time for me to show this monster just what it's like to mess with the wrong people.**

Gabrielle flew at Bombshell with incredible speed and punched her in the face with incredible force and sent her crashing into a crate full of oranges and then she fired a blade of light and slashed Bombshell's arm off and she screamed in pain and then Gabrielle grabbed her by her neck and stripped her of her powers and made them our own.

Maria: If there's any additional backup, we'll gladly welcome it!

?: Someone call!?

We saw Aussa the Earth Charmer and she also had a VORASH with her!

Me: Aussa! Whoa is that a Vorash with you!?

Aussa: Yep.

Vorash: (Lao Accent) That's right. I'm Nelanie Nanthavong.

We gasped in shock! We had just encountered the first Metroid alien creature Gene-Slammer!

Me: Whoa!

Eli: Wow! You are the first Zebesian Creature Gene-Slammer we met.

Missy: That is amazing!

Nelanie: Now watch this.

Nelanie sent her long tongue out and then she ate both Invulnerable Man and Bombshell in one bite.

Me: Whoa she was hungry. That will leave a really bad taste in your mouth.

I then put on my Blind Man Glasses and then Eli and Syrus covered their eyes and I snapped my fingers and Rice and Nelanie were reverting back.

Rice: (claws turn back into hands) Nelanie, do you know someone named Alana?

Nelanie: (Grunts as her flippers turn into hands) I sure do. She's my best friend and I love her like a sister.

Rice: Awesome! But you eating Bombshell like that is gonna leave a really bad taste in your mouth.

Nelanie: (Grunts as her teeth come back) I'm used to it. I've eaten 50 Jokerz for lunch.

Me: Wow. I didn't know Vorash had such a huge appetite.

Nelanie and Rice reverted back and they were naked and Maria gave them new amazing and awesome new clothes.

Nelanie: Wow! This dress is amazing and the red, orange and yellow is perfect for me.

Aussa: Boy it sure is. I think it's awesome.

Simone: I do too.

Nelanie: (holds her head in pain) Guys, tell Alana I miss her!

Simone: Reign Vorash in with your will Nelanie. You can do it. We did it and you can to.

Gina Pele: That's right. We did it ourselves.

Nelanie concentrated and then she had a fire aura ignite around her and that showed that she was fully engrafted.

Nelanie: Wow!

Eli: That was amazing! How do you feel Nelanie?

Nelanie: Amazing. But man I am really hungry. I could go for a lot of steaks.

Maria: Well we have lots of those back home.

Nelanie: Awesome.

We went back home and Nelanie was reunited with Alana and they had amazing steaks for lunch.

After destroying the Brain Trust in Neo Gotham City for good, Lincoln, Me, Nico, Eli, Nicole, Cody (OC), and Brittney Knudson were heading to the world of the 1987 movie Predator, and not only is Lincoln going to rescue the seven girls there, but we're also going to meet Major Alan Dutch Schaefer and Anna Gonsalves and take down the Predator.

Lincoln: Wow, we're in the world of the 1987 movie Predator, and I think I know what we're going to do here, not only am I going to rescue the seven girls there, but we're also going to meet Major Alan Dutch Schaefer and Anna Gonsalves and take down the Predator.

Me: That's right, big guy. Eli and I already got our shots in on two of them, and now, it's your turn.

Nico: J.D.'s right, Linc. It's now your turn to take down one of the Yautja.

Lincoln 2: I've heard tales of the Yautja and that they're the most ruthless hunters in the galaxy, and who've hunted for sport. To take down one of them will mean you've not only earned their respect, but also, you've proven to be a strong, powerful, and honorable true warrior.

Brittney Knudson: That's right. And not only that but Dutch has been poisoned with radiation from the explosion when he fought the Predator the first time remember.

Cody: That's right his tapes said so. Luckily we can cure him.

We'd met up with Dutch and Anna, and they already told us that most of Dutch's men have been murdered by an invisible creature. We knew exactly what it was: a Yautja, since they have the ability to cloak themselves. Brittney called in some help, and we got the dead bodies of Dutch's team out of there, so The Young Morticians Club can prepare them for a proper funeral.

?: HELP!

Suddenly, Lincoln heard the sound of seven girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He saw the seven girls, but they've been cornered by the Predator.

Lincoln: Guys, I've found the seven girls, but they've been cornered by the Predator. Come on, let's go.

We then rushed on over, and Lincoln unholstered his massive Sword of Taranis from his wider and muscular back, and transformed into Super Angel-Ebonwu Infinity Elemental Thundersnow Buffalo Angel of Frozen Lightning Justice, and he clashed with The Predator. He dodged the laser blasts fired from the Predator's Plasma Caster, and fired a blast of lightning at it, disabling it for good. Then, the Predator took his mask off, and we saw his real face.

Dutch: You're one ugly motherfucker.

The Predator roared, and charged at Lincoln, and they clashed fiercely. Lincoln was dodging all of the Predator's attacks and blocking them with his massive sword, and we knew that Lincoln was waiting for the perfect opportunity to strike. When the opportune moment finally came, Lincoln stabbed the Predator in the stomach, and he let out a loud roar, as he was already dying. Then, The Predator got out his Combi-Stick, and gave it to Lincoln, who holstered his massive Sword of Taranis on his wider and muscular back, and powered down.

Predator: (Guttural Voice) Take it.

Lincoln takes the Combi-Stick, a sign that he's earned the respect of the Yautja.

Me: Lincoln's now become the first of the Louds to earn the respect of the most feared hunters in the galaxy.

Nico: Awesome.

Then, Lincoln saw what the Yautja was about to do, as he activated the self-destruct sequence on his gauntlet. 40 second till detonation!

Lincoln: And that's our cue to get out of here!

We ran fast!

Lincoln got the seven girls, and we got ourselves out of here and we flew back home, as the Predator exploded in a massive explosion.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We got out just in time as we saw a massive mushroom cloud from far away.

Me: Holy shit!

Nico: Whoa! That was intense!

Eli: Yeah!

Cody: Yeah.

Dutch: But you saved us.

Me: We sure did. Dutch we got your tapes and we heard about everything you went through with the Yautja's. That was awful.

Cody: I found those tapes and we are lucky that we found you because we can help cure you of your radiation poisoning.

Dutch: I appreciate that.

Me: We actually had encounters with the Yautja's a few times ourselves. I faced one on the island of Sumatra.

Eli: I faced one in Montana.

Cody: And I faced them on the planet Yautja Prime. Very awesome.

Dutch: That's amazing.

Then, Lincoln and Nicole went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls were Rita Ainsworth, Misaki Kamiigusa, Yuuko Kanda, Chihiro Sengoku, Koharu Shirayama, Yayoi Honjou, and Otoha Nakano from Sakurasou no Pet na Kanojo.

Lincoln: Oh wow, it's Rita Ainsworth, Misaki Kamiigusa, Yuuko Kanda, Chihiro Sengoku, Koharu Shirayama, Yayoi Honjou, and Otoha Nakano.

Nicole: From Sakurasou no Pet na Kanojo, awesome.

Lincoln: Are you girls okay?

Rita Ainsworth: Yes, we're okay, thanks to you.

Then, when Rita Ainsworth and the other six girls saw who it was that saved them from the Predator, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books right on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had

deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Rita Ainsworth: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and the six clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Rita Ainsworth: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We'd returned home to the Estate, and when we showed everyone that Lincoln had fought and slain another Yautja, Lincoln's siblings were stunned with awe.

Lynn: No way, Linc fought another Yautja, and he won the fight?! That's so awesome!

Lori: (Stunned) That means Linc's the first Loud in our family to slay a Yautja, and earned the respect of the most feared hunters in the galaxy. That's literally incredible.

Cody (OC): That's right, J.D. and Eli were among the two who've faced a Yautja and won the fight, and now, Lincoln's become the next one to join this group. This proves just how much stronger he's gotten in the last five years, awesome.

The girls in Lincoln's harem were also stunned with awe, and Lincoln showed them the proof of his fight: the Combi-Stick the Predator gave him when he won the fight. And Lincoln got the biggest group hug ever, and the girls in his harem gave him kisses all over.

* * *

After taking down the Predator, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

After that, Lincoln, Yuna Kamihara, Sasha (Stitch!), Dolores (Stitch!), Sari Sumdac, Jessica Shannon, Mai Shiranui, Nanami Simpson, Toph Bei Fong, Julie Makimoto, Hilda, Tatsumaki, Shantae, Akko Kagari, twilight Sparkle, Sunset Shimmer, Rarity, Applejack, Fluttershy, Pinkie Pie, Rainbow Dash, Trixie Lulamoon, Starlight Glimmer, Perfuma, Entrapta, Frosta, R. Mika, Menat, Ibuki, Makoto (Street Fighter) Colette Brunel, Ryuko Matoi (TLPS universe), Shizuka Marikawa, Jolyne Kujo, Team RWBY, Emerald Sustrai, and Dew Gayl were getting ready for their date, they're going to explore Izayoi Island, meet Yuna Kamihara's grandmother, encounter The Spiritual Stone, and have fun at the beach on Izayoi Island.

Lincoln: Alright, girls, are you ready?

Yuna Kamihara: We're ready, Linky. You're going to love exploring Izayoi Island, it's amazing, plus, you're going to meet my grandmother.

Lincoln: That's right, and she's seen many of our adventures, so she's keeping track of us, and it's going to be her first time meeting her future grandson-in-law.

Sasha (Stitch!): That's right. Plus, I don't want to run into Yuna's cousin, Tigerlily.

Delores (Stitch!): Yeah, what she's doing to Yuna was really mean.

Lincoln: That definitely reminds me of Lola before we got her dark side out of her. But, deep down, she does care for Yuna. If we see her, we'll get that dark side out of her, and throw her in the Pluto Prison for Tyrannical Dark Sides.

Yuna Kamihara: I like that plan, Linky. Along with the new name for the Pluto Prison, since we have imprisoned the tyrannical dark sides of people.

Then, Lincoln and the girls left for Izayoi Island, and Yuna, Sasha, and Delores were happy to be back home.

Yuna Kamihara: Ah, home sweet home. Now, then, let's head for my home.

Lincoln and the girls followed Yuna to her home, and she saw her grandmother Obaa Kamihara out in the yard.

Yuna Kamihara: Grandma, we're here.

When Obaa Kamihara saw her granddaughter coming, she ran up to her, and hugged her. But, she was also stunned to see how much Yuna Kamihara has changed, but she remembered when Yuna transformed.

Obaa Kamihara: Yuna. I'm happy to see you here.

Then, when she saw Lincoln, she was very surprised to see the 16-year-old, 7'0" tall white-haired, handsome, and extremely muscular teen.

Obaa Kamihara: Oh my, and this young man must be Lincoln Loud of Team Loud Phoenix Storm, and the man my granddaughter's going to marry in the future.

Lincoln: (Kneels Down to her) Yes, that's right, Mrs. Kamihara, and it's a pleasure to meet you.

Obaa Kamihara: (Hugs Lincoln) You too, dearie.

She was also introduced to the many other girls who are in Lincoln's harem, and she also knows that Lincoln will take care of Yuna, and not only is he a man of his word, but he's also someone who has a massive gold heart and loves his future wives and family equally.

Then, Lincoln and the girls met Yuna's cousin Tigerlily, and when Lincoln reasoned with her that using blackmail on Yuna was really bad, she broke down and cried, realizing that what she's been doing on the outside was wrong, and Lincoln and the girls hugged her. Then, her Dark Side came out, and she was mad. Then, Lincoln used some powerful martial arts on her, and that impressed Tigerlily, and he imprisoned her in crystal and beamed her to the Pluto Prison.

Tigerlily: Wow, Lincoln, that was an amazing display of martial arts. I've trained in the martial arts all my life, but I've never seen anything like that. Incredible.

Yuna Kamihara: Lincoln has trained in many different styles of martial arts and from many different masters for five years, and anyone who messes with him, he won't show them any mercy.

Then, Lincoln and the girls were heading to the deepest part of the island, and right there was The Spiritual Stone, the magical stone that's the source of the Yokai's life force and protects the island itself. It is also said that it that grants wishes to people who have been good and collect a certain amount of good deeds.

Lincoln: Wow, what's this?

Yuna Kamihara: That's The Spiritual Stone, it's a magical stone that's the source of the life force of the Yokai that live here, and it protects the island itself.

Delores (Stitch!): And according to legend, it's said to grant wishes to people who have been good and collect a certain amount of good deeds.

Lincoln: Whoa, that's incredible.

Then, Lincoln and the girls were heading to the beach for some fun in the sun and in the ocean.

Lincoln was dressed in a pair of large orange swim shorts with a thunderbird and elemental forces on them, and he had on his jewelry and weapons holstered, in case of trouble, Twilight Sparkle, Sunset Shimmer, Rarity, Applejack, Fluttershy, Pinkie Pie, Rainbow Dash, Trixie Lulamoon and Starlight Glimmer were dressed in two-piece bikinis in their favorite colors and their cutie marks on them, Yuna Kamihara, Sasha (Stitch!), and Dolores (Stitch!) were dressed in two-piece bikinis in their favorite colors and with sea hibiscus flowers on them, Jessica Shannon, Mai Shiranui, Nanami Simpson, Toph Bei Fong, Julie Makimoto, Hilda, Tatsumaki, Shantae, Akko Kagari, Perfuma, Entrapta, and Frosta were dressed in their two-piece bikinis from their last beach dates with Lincoln, R. Mika, Menat, Ibuki, and Makoto were dressed in two-piece bikinis in their favorite colors with the Street Fighter logo on it, Colette Brunel was dressed in her two-piece bikini from her last beach date with Lincoln, Ryuko Matoi (TLPS Universe) was dressed in a black two-piece bikini with a red scissor blade on it, Shizuka Marikawa was dressed in a white two-piece bikini with a machine gun on it, Jolyne Kujo was dressed in a dark purple two-piece bikini, Team RWBY, Emerald Sustrai, and Dew Gayl were also dressed in their two-piece bikinis from their last beach dates with Lincoln.

Lincoln: Wow, the beach here on Izayoi Island is amazing.

Yuna Kamihara: That's right, Linky. The ocean is a good place to go for a swim, and the sea creatures in the ocean are amazing.

Delores (Stitch): Shall we get started?

Lincoln and the girls dived right in the water, and they went for a swim. They also saw some of the sea creatures that live in the ocean, and Lincoln managed to take pictures of the sea creatures there, along with the underwater plants there. Then, they also had some fun playing in the sand, and they enjoyed a picnic lunch that Lynn Sr. packed for them, and as the sun's about to set on Izayoi Island, Lincoln made clones of himself, and he and the clones kissed the girls. Then, Lincoln and the girls returned home, and we can tell they had an awesome time.

Me: Hey, Linc, how was your date?

Lincoln: It was awesome, J.D. We went to Izayoi Island, and we met Yuna's grandmother, who's been wanting to meet us.

Me: Wow. That's amazing.

Lincoln: Plus, we'd also freed Yuna's cousin, Tigerlily, from her dark side, and she was just like Lola before she had her dark side removed.

Lori: Whoa, I hate to ask, but does she blackmail and intimidate Yuna?

Lincoln: Big time, Lori. But, I reasoned with her, and when she realized that her blackmailing of her cousin was really bad, she broke down and cried and we comforted her. Then, when her dark side came out, I did an amazing display of martial arts and defeated her. Then, I imprisoned her in crystal and beamed her to the Pluto Prison for Tyrannical Dark Sides, where she'll remain there forever.

Nico: Nice one, big guy, and I like the name you came up with for the Pluto Prison, since we've been imprisoning the tyrannical dark sides of people over the last five years.

Lincoln: Plus, during our exploration of Izayoi Island, we also saw the Spiritual Stone, and according to the girls, The Spiritual Stone is the source of life for the Yokai that live there, and it grants wishes to people who've been good and collect a certain amount of good deeds.

Me: Whoa, that's incredible.

Lincoln: Then, we had fun on the beach, and we also took pictures of Izayoi Island.

Lincoln showed us the pictures they took on their exploration of Izayoi Island, and we also saw the Spiritual Stone, and we were amazed, and we continued hearing of their exploration throughout their date.

---

Later Arkayna was getting ready for another trip to the world of Blue Dragon and I was gonna go with her.

Arkayna: Next time, Mumbo can come with me.

Me: Yep. But this is gonna be so cool to see Shu's world.

I put on my cloak.

Arkayna: Why the cloak?

Me: Don't want to have Nene know I'm with you so I'm gonna keep a low profile.

Arkayna: Okay.

Arkayna opened the portal to the world of Blue Dragon and we were off as we went through it.

We arrived later.

Me: Whoa! So this is the world of Blue Dragon.

Arkayna: Yep.

We saw Shu and team.

Arkayna: Hey, Shu!

Shu: Arkayna!

They went over to us.

Shu: Awesome you're back.

Me: Awesome to meet you Shu.

Shu: Whoa! You're J.D. Knudson, Leader of Team Loud Phoenix Storm!

Me: That's right.

Kluke: Wow! It's an honor to meet you.

Bouquet: Same here. Love all your adventures.

Me: I get that a lot. But I came with Arkayna so I can know what we have in store for us when we all come on January 7th.

Shu: Smart thinking.

Arkayna: Look, I swore I wouldn't kill or imprison your enemies until Janaury 7. But is it okay if I redeem some if possible?

Shu: You sure can.

Me: Awesome.

I put the hood of my cloak on.

Me: I don't want my presence to be seen so I got to keep a low profile.

Zola: Understood. How's Linky?

Me: Doing good Zola.

Arkayna: Are there any active bad guys right now?

Shu: Lots of them.

Kluke: And I see a couple of them.

We saw two beautiful belly-dancer girls and they were Donna and Reina.

Me: Ooh hubba hubba. They are pretty.

Arkayna: They sure are. Some of the guys are enamored by their beautiful bodies.

Bouquet: Yep.

Zola: That's Donna and Reina.

Zola told us about them.

---

Donna and Reina were once regular people who were run down and had nothing else. They both wanted to become beautiful and loved. Mikhael then gave the two of them Dragon Scales, which are visible on their necks. The scales cause people to fall in love with them and allow them to drain energy.

When Shu and company arrived, Donna and Reina were performing the Dancing Flame dance for a crowd of men, charming them. Even Marumaro was charmed by their dance, causing him to have an idea to have the two dance to cheer up Shu, Bouquet and Noi. He got them to dance with his friends, only for Bouquet to become jealous, causing an argument between her and Shu. They then began to dance with Noi, causing both Shu and Bouquet to be envious. All the while, the two began to drain their life force, knocking them out cold.

Marumaro and Noi then attempted to get their Dragon Scales, starting with Reina by dancing with her in disguise, but they were found out by Donna. They tried to resist their charm, but Marumaro immediately fell in love with them, while Noi was not envious at all, no matter what the two did with Marumaro. They try to dance with Noi, making Marumaro jealous enough to drain his life force next, until Noi stopped them by biting Reina in the rear. It gave Marumaro enough time to summon Saber Tiger to remove their Dragon Scales. In doing so, everyone who had their life force drained by Donna and Reina returned to life, even Shu and Bouquet.

At the end of the episode, Donna and Reina fall unconscious. According to Noi, they won't remember a thing that they did.

Powers

Donna and Reina have the power to drain the life force out of envious people using their Dragon Scales on their necks. Outside of this, they use their beauty to advantage on most envious people, or in this case, Marumaro, in which Noi is not envious of. They also charm the men around them as they perform the Dance of Flames.

---

When she was done I was amazed.

Me: Whoa they are both beautiful and dangerous.

Arkayna: Yep.

Me: Leave this to me.

I went over to them.

Me: Well hello there ladies.

Donna and Reina saw me.

Donna: Well hello there handsome.

Reina: Do you like what you see with us?

Me: You bet I do ladies. You are 2 very hot ladies that love to dance.

Donna: Why thank you hottie.

Me: (Purrs)

Arkayna: What a charmer.

Me: You ladies wouldn't mind joining us would you. We have a much better livelihood than Nene the Ruthless.

I took down my hood and they saw me.

Donna: J.D. Knudson of Team Loud Phoenix Storm?

Reina: Oh, I see. This is the part where your friends bust in with an entrance.

Arkayna: No. It's just us right now.

Me: We all won't be here till January 7th.

I put my hood back up.

Me: So ladies what do you say? Will you leave Nene and use your powers for good?

Arkayna: You can join either the Redemption Squad or Masters of Evil.

Me: It's up to you gorgeous ladies.

Donna: We'll join the Redemption Squad.

Reina: Awesome.

Me: Great! (Senses something) Now to drive a baddy away.

I fired a blast of energy and it hit a man that jumped out and he went flying far as he clung to the blast and he flew into the distance.

TING!

Arkayna: That must be Lumiere.

Zola: That was him.

Me: He won't be bothering us anytime soon. But I have an idea on how I can make Nene lay low till January 7th.

We later went back home.

May: How was the second visit?

Me: It was great.

Arkayna: It sure was and it was fun.

I told everyone everything and it was awesome.

Laney: Whoa! That was awesome!

Eli: Looks like we have 2 awesome new members for the Redemption Squad.

Vince: Really hot ones 2 like Carol.

Donna: Yep. I'm Donna and this is Reina.

Reina: Hey there.

Nico: Pleasure to meet you both.

Maria: You sure this is a good idea?

Me: Yep now for the fun.

I then got into a meditative position.

In Nene's lair he was sitting at his throne. But then swirls and paths of fire swirled around the floor all over and then The 4 Glowing Red Eyes of Trigon appeared!

"Trigon": BEHOLD! I AM TRIGON THE TERRIBLE!

Nene was shaking in fear!

"Trigon": That's right you mortals. Quake with fear at the terror that I am going to unleash upon your world!

Nene: What do you want!?

"Trigon": I am here to tell you that your time has come Nene.

Nene: What do you mean!?

"Trigon": That time has come for your destruction! You cannot hide from your destiny. This world and everything in it will soon belong to me!

Nene: NO! I WON'T DIE!

"Trigon" THE WORLD IS MINE! (MALEVOLENT LAUGHTER)

Nene then ran in fright!

The eyes vanished.

Later we went down to the World Tree Estate prison and we were there to visit The Digimon Emperor.

Digimon Emperor: If you're gonna kill me, you might as well get it over with.

Eddy: (chuckles) Oh, I'm not just gonna kill you. That wouldn't be any fun. No, I'm gonna rip your tongue outta your face!

Eddy got close to the Digimon Emperor, which was a mistake. Because the Digimon Emperor headbutted him, sending him to the ground.

Digimon Emperor: (laughs) How do you like that?!

Lori: (Eddy gets up) Eddy, please literally let us handle this. Go back to the main room.

Eddy: But-

Lola: You heard Lori. Go now!

Eddy left the room. But not before sending one last glare at the Digimon Emperor.

Lynn: (to the Digimon Emperor) You get that one for free. But we're standing right here so you don't hit us again!

Me: We didn't come here to fight. We came to talk.

Nico: Why? Why did you cause the 20 Days of Darkness?

Digimon Emperor: Why? Because I hate you.

Nico: (aura flares up) Thanks for the power boost. But you'll have to expand on that answer.

Me: Yeah. Be more specific.

Digimon Emperor: You have everything. A good family, a good team, and good friends overall. I don't have any of that stuff. And if I couldn't have any of it, no one could.

Me: You DID have all that. But fate just dealt you a bad card. It was because of your brother dying in that accident. You know that right?

Digimon Emperor: That's right and it was because of those fools I call parents! They loved him more than me!

Nico: But your brother loved you!

Me: Yes he did!

Nico: You wanna know something? I thought you taking over me was the worst thing that ever happened. But now, I know that there are a lot of worse alternatives.

Digimon Emperor: Like what?

Me: Like Lola, Lynn and Lori stepping in and stopping you from doing all that and then an evil monster destroying the world in an eternal fire of hell.

We left.

Later everyone else was over at the Crystal Empire and me and the Quantum Sisters and the Underground Girls were getting ready.

Qin: I don't know what the next mission is. But can me, Erica, Missy, Ellie, and the Underground Girls get changed into jumpsuits?

Me: Go for it.

They went and got into their jumpsuits and came back. Qin's Jumpsuit was green, Missy's was blue, Erica's was red, Lillian's was purple, Ellie's was aqua blue, Marie's was aqua blue too, Sydney's was blue, Nanette's was red, Sheila's green, Rice's was red, Georgina's was purple, Maxxine's was purple, Irena's was purple and Kendra's was green.

Me: Looking good girls. Now thank goodness everyone is over in the Crystal Empire. But I have our mission. I had another dream about what happened in the past.

I told them about the dream and they were shocked.

Rice: King Sombra was a monster!

Me: Thank God that I killed him. But we're heading over to Dragmire Volcano to find Cadance's sister and reunite her with her sister after all this time.

Sydney: We're with you all the way J.D.

Dark Spicer and a few members of the Masters of Evil appeared.

Dark Spicer: Me and the guys are coming with you too.

Me: Okay. We could use all the help. Lets go.

We were off to Dragmire Volcano.

Robo Blaze: By the way, Rice, that was a nice trick you pulled on Edgar Mandragora.

Rice: Thanks Blaze. That was awesome.

Me: Here we are.

We arrived at Dragmire Volcano and it was a scary volcano.

Sydney: This must be the place.

Me: Yep. Lets go.

We went into the cave that lead into the volcano and we went down.

Sheila: Whoa this volcano is creepy.

Maxxine: It's amazing though.

Ellie: Think I should turn into my Kineceleran and look for her?

Me: It's too dangerous. This is a volcano.

Ellie: Oh.

We then saw the lake of lava in a crystal cave that I saw in my dream.

Me: This is the room I saw in my dream.

Rice: Whoa! This is amazing.

Nanette: A Crystal cave with a giant pool of molten lava.

Kendra: Amazing.

Georgina: That crystal pillar in the middle. That must be Lorelai in it.

Me: That's her. Lets go.

We flew over and saw that it was Lorelei.

Me: Hang on Lorelai.

I fired a beam of magic and shattered the crystal and Lorelai was caught by Sydney.

Me: Lets get out of here.

We got out of the volcano.

Maxxine: I think she's waking up.

She saw us.

Lorelai: Who are you?

Me: My name is J.D. Knudson, Leader of Team Loud Phoenix Storm. We came and rescued you. I was told about you in a dream that showed me what happened in the past. King Sombra did this to you.

I told her everything and she was shocked.

Lorelai: Wow! Where's Cadance?

Me: She's back in the Crystal Empire. We can take you to her.

Lorelai: I want to see her again.

Me: Things have changed a lot.

Lorelai: Who are the rest of you?

Me: These are my friends and my teammates.

Everyone introduced themselves.

Lorelai: Wow it's awesome to meet you all. Thank you so much for saving me and killing King Sombra.

Me: You're welcome.

We went to the Crystal Empire.

Lorelai: Why are most of you wearing jumpsuits?

Sydney: It's a weird story.

Nanette: Yeah it sure is.

They told her everything.

Lorelai: Whoa man. That's awful.

Georgina: Yeah but we're cool with it.

Me: We're here.

We arrived at the Crystal Empire.

Lorelai: Wow! I'm home again and it looks beautiful.

Me: Yep.

We went to the castle.

At the same time everyone was celebrating Cadance's birthday.

Mascots: HAPPY BIRTHDAY CADANCE!

Princess Cadance: Oh thank you guys. This was an awesome party.

Nico: You're welcome Cadance.

Twilight Sparkle: You deserve to have a great birthday.

Flurry Heart: That's right mom.

Cloud Star: You earned it mom.

Then there was a knock at the door.

Princess Cadance: Come in.

We came in.

Me: Princess Cadance we have an awesome surprise for you.

Princess Cadance: What is it?

We stepped to the side and Cadance saw Lorelai for the first time in years and gasped in shock!

Princess Cadance: Lorelai?

Lorelai: Cadance? CADANCE!

They went and hugged and cried happily!

It was a happy reunion.

Kendra: I hope this birthday was awesome, Cadance.

Princess Cadance: You all made this the best birthday ever! Thank you all so much!

Lorelai: I'm so happy to be reunited with my sister.

Princess Celestia: I'm happy you have Lorelai back Cadance.

Twilight Sparkle: Same here.

Flurry Heart: Boy I have so much to catch up on with Aunt Lorelai. (Giggles) Sorry this is gonna take some getting used to.

Cloud Star: It sure will. But this is awesome.

Rainbow Dash: J.D.'s dreams into the past have helped all of Equestria a lot.

Nico: Boy they sure have. So that was the reason why J.D. was being so secretive. Not only for Cadance's birthday but also to find Cadance's lost sister.

Eli: Yep. It was so cool.

Applejack: It sure is.

Me: Now we officially can say that King Sombra is now a forgotten memory.

Princess Amore: You said it J.D.

We were happy with that.

Later the next day in the early morning hours at 2:53 AM, Lincoln had a dream, and he saw a little girl with dark blue hair who was hiding out and living in the streets of Aurora, Colorado. But, this was no ordinary little girl, she was Rihoko Amaha, the adopted daughter of Lincoln's future wife, Masane Amaha. Lincoln woke up from the dream, but he wasn't the only one, Masane, Lori Loud, Nico, and I also had the same dream.

Lincoln: Masane, Lori, J.D., Nico, did you guys have that same dream as me?

Lori: We sure did, bro.

Masane Amaha: And it also means that we found out where my daughter, Rihoko, is at.

Me: She's at Aurora, Colorado.

Nico: Oh man, that's not good. Out on the streets of Aurora, Colorado, is not a good place for a little girl like Rihoko.

Lincoln: That's right, Nico. Come on, we're going to rescue her, and bring her to the Estate. Rihoko is my daughter now, and I'm not letting a little girl like her suffer life on the streets. She needs to be home again in the arms of her mother and her new father.

Lori: You got that right, bro.

Lincoln, Lori Loud, Masane Amaha, Me, and Nico were heading to Aurora, Colorado. Then, Lincoln saw a little girl with dark blue hair with dark blue pigtails, brown eyes, tanned skin, and she was dressed in a white and blue dress with a pink butterfly on it. Lincoln saw who it was, it was Rihoko Amaha.

Lincoln: Excuse me, are you Rihoko Amaha?

Rihoko Amaha: Yes. Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Masane Amaha came out, and when Rihoko saw Masane, she was stunned.

Rihoko Amaha: Mom, is that you?

Masane Amaha: Yes, sweetie, it's me.

Rihoko ran up to Masane, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you should know, Rihoko, your mother is one of my many future wives.

Rihoko Amaha: That means… you're my father.

Lincoln smiled, and that filled Rihoko with joy, as he picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Rihoko Amaha to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Masane with her daughter, and she now has a loving, strong, brave, and caring father in her life.

THE END

---

Another chapter done.

This was an original chapter that I made up for today and it was cool! I thought it was amazing. The first part was for the Batman Beyond episode Mind Games and that was a cool one. The second part was for the 1987 movie Predator. Awesome movie with Arnold Schwarzeneggar. NicoChan11 and the Guest Reviewer gave me the ideas for this. Thanks guys. this was awesome. The next rescue for me is gonna be in the world of Ren & Stimpy and we're going into the world of the episode Marooned and we're going to rescue Commander Hoek and Cadet Stimpy from the stomachs of those ugly brain aliens. Me, Eli, Allie, Nene, Maria, Missy, Qin, Erica, Lillian, Ellie, Marie, Simone, Miranda, Gina Pele, Syrus, Dark Magician Girl, Nelanie, Vinyl Scratch and Ekaterina the Solgaleo Gene-Slammer are gonna go in that one. Also I'll need the transformation Sequence for Vinyl Scratch as she will transform in this one and she is mute so she doesn't talk. We're also going to meet a Lunar Queen Elzaim and a Serris Gene-Slammer named Nora Venice and she is Nico's friend from Woodshop Class. Also for Lincoln's rescue he is gonna be in the world of The Ripping Friends and we're going to take on Frictor and make the supposed master of friction pay. The next chapter is an idea from Etstheclarence fan and we're going to Brighton, Michigan which is about 10 miles from Gotham Royal Yorlk and we're going to meet Molly McGee and Scratch from The Ghost and Molly McGee which is a brand new show and we're going to help them take down the Barrister Ghosts and make those spirits pay.

See you all tomorrow

# The Girl and The Ghost

HAPPY 93RD BIRTHDAY TO MICKEY MOUSE

---

On a weird alien planet in the very distant future, Me, Eli, Allie, Nene, Maria, Missy, Qin, Erica, Lillian, Ellie, Marie, Simone, Miranda, Gina Pele, Syrus, Dark Magician Girl, Nelanie, Vinyl Scratch and Ekaterina the Solgaleo Gene-Slammer were walking around.

Ekaterina Vinogradov: (Russian Accent) Where are we now?

Me: Looks like we're on some kind of alien planet.

Allie Wilde: This place is really weird.

Nelanie: (Lao Accent) Boy it sure is.

Alana: (Lao Accent) Yeah no kidding.

Me: But it looks really familiar like I saw it a long time ago.

We walked around and saw the strangest forest woods and plants. They were loaded with eyeball plants and spiderwebs and more. It was a weird planet.

Me: Boy this place is REALLY weird.

Maria: Boy no kidding. It's making me sick to my stomach.

Ekaterina: It sure is weird.

Ekaterina concentrated and groaned as her hair fell out.

Alana: But we did see a ship not far from here.

Simone: That's true and that means that there are people here.

Miranda: That wreck must've just happened.

Ekaterina turned into SOLGALEO!

Gina Pele: YEAH!

Maria: Anyone here?

Me: I don't see anyone.

Eli: Hey what's that?

We saw a tentacle Commander Hoek and Cadet Stimpy! Stimpy tries to pull Ren out of the tentacle, but it's too late, as it grabs both Ren and Stimpy. The tentacle sucks itself into the mouth of a giant brain-like alien. It and an identical alien stare at Ren and Stimpy a bit, and then the first alien releases them into a funnel-like opening on top of the second alien's head.

Me: OH MAN! LETS GO!

We flew into the aliens funnel opening.

We flew down the alien's esophagus.

Maria: Don't worry, you two! We're here!

We flew down and we got them as a swarm of menacing creatures came.

Me: Time to give these brains heartburn!

I fired an energy blast and it blasted hole out of the alien and we flew out and we were facing them.

Commander Hoek: Wow! Thank you guys!

Cadet Stimpy: Wow! We owe you one.

Me: Anytime.

Suddenly, Vinyl Scratch's eyes hidden by her sunglasses turned neon purple, and she was surrounded by a blue energy aura with music notes, and as she approached those butt-ugly brain aliens, she left blue energy, music notes, and Alicorns with every step. Then, Vinyl Scratch was surrounded by a massive vortex of blue energy with music notes and sound waves surrounding her, there was a blue alicorn flying around the vortex, and in the blue vortex was a purple phoenix. Then, as the vortex faded, Vinyl Scratch emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Vinyl Scratch grew to 6'0" in height, she had the body of a goddess, her long blue hair grew, reaching the bottom of her neck and she had purple highlights in the bangs, she still had on her headphones on her head, she has an Alicorn with the Sound Kanji above its horn emblazoned on her forehead, she had on Alicorn Earrings with the Sound Kanji in its hooves and a necklace with the Alicorn holding the Sound Kanji in its hooves for the pendant, she has on a white sleeveless blouse with a purple phoenix on it, purple blouse with a music note on it, purple pants, blue ankle-high leather combat boots with stars on them, and a blue sleeveless trenchcoat with stars on the coattails and the full moon with a music note on the back. Her white angel wings grew larger for her new body, and they had blue tips on the large white feathers. Vinyl Scratch had her massive Sword of The Knights of The Friendship Table unholstered from her back, she had on her new Bracelets of The Champions of The Universe with blue gems on her wrists, her new Belt of Elemental Bravery with large purple gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her right hip. There's a purple kanji below the full moon and the music note which said, "Vinyl Scratch, Awesome Disk Jockey of Equestria, Alicorn Princess of Music for Ponyville, Master of Sound, Moonlight, and Parties, Slayer of Evil, and Member of The Knights of The Friendship Table."

エクエストリアのビニールスクラッチ恐ろしいディスクジョッキー、ポニーヴィルの音楽のアリコーンプリンセス、サウンド、ムーンライト、パーティーのマスター、悪のスレイヤー、そして友情の騎士団のメンバー

Vinyl Scratch has transformed into SUPER ANGEL-ALICORN 750,000,000,000 MOONLIGHT SOUNDSTORM ALICORN ANGEL OF MUSICAL JUSTICE!

We were impressed by Vinyl Scratch's Super Angel-Alicorn 750,000,000,000 transformation, but when the brain aliens saw it, they fell into a violent rage.

Me: Whoa! Vinyl Scratch transformed!

Eli: AWESOME!

Alana: Wow! Vinyl how do you feel?

She made signs for "I feel amazing and this power will show those aliens what for."

Maria: Vinyl Scratch transformed and yet, she still can't talk?

Me: I think she was born mute but that didn't stop her. She looks awesome this way.

Eli: That's why she lets her music do all the talking.

Nelanie: They do say that the way through music is a good form of communication.

Maria: Ah. That makes sense.

Vinyl Scratch kicked one of the aliens in its head and caused its brain to explode!

Maria: Alright, you assholes! Take us to your leader!

We fired waves of energy at the Brain Aliens.

Commander Hoek: YEAH! Take that!

Eli fired waves of Force Lightning and electrocuted the Brain Aliens all over.

?: Let us help out!

We saw a Lunar Queen Elzaim and a Serris!

Me: WHOA! Lunar Queen Elzaim and a Serris.

Serris: That's right.

Lunar Queen Elzaim: Lets get these clods.

Missy: Wait that voice. Nora? Is that you?

Serris: Missy, Erica, Qin, Lillian, Megan, Mare, Ellie! Wow! You're all here.

Qin: Wow! You're a Serris Gene-Slammer.

Serris: I sure am.

Me: Are you another of Nico's friends?

Serris: I sure am. I went to woodworking classes with him.

Me: Awesome.

We destroyed the brain aliens with a powerful energy blast and then I put on my blind man glasses and Eli, Commander Hoek and Cadet Stimpy and Syrus covered their eyes and I snapped my fingers and Ekaterina and Nora were verting back.

Ekaterina: (regains her hair) Nico's going to be very happy to see you again.

Nora Venice: (Regains her arms and legs) Yeah he sure will.

They were back to normal and were n*** and Maria gave them new clothes.

Nora Venice: Wow! These clothes are awesome.

Dark Magician Girl: Maria made them.

Lunar Queen Elzaim: She does make amazing clothes.

Maria: It's not just me. Leni, Teresa and Varie make them too.

Eli: It's true.

Nora: (holds her head in pain) No! Not now!

Simone: Nora reign in the power with your will.

Miranda: Serris is now part of you.

Ellie: That's right Nora. Reign in the power of Serris with your mind. We all did it and so can you.

Nora concentrated and then she glowed in a rainbow and neon blue aura and she was fully engrafted. She now had the power to breathe underwater and even can run really fast and jump high. We went back to the Estate and told everyone everything and they were amazed and shocked.

* * *

After destroying the ugly brain aliens, Lincoln, Me, Nico, Eli, Nicole, Luna Loud, The Ripping Friends, and Thetis were heading to the world of The Ripping Friends, and not only is Lincoln going to rescue the ten girls there, but we're also going to take on Frictor, and make the supposed Master of Friction pay.

Lincoln: Wow, we're back in the world of The Ripping Friends, and I think I know what we're going to do here, not only am I going to rescue the ten girls there, but we're also going to take on Frictor, and make the supposed Master of Friction pay.

Me: That's right, big guy.

Luna Loud: Oh man, I can't wait to make that dude pay for it.

Nico: You said it, Luna.

Eli: We'll rip him apart limb from limb, and see to it he pays for his crimes.

?: HELP!

Suddenly, Lincoln heard the sound of ten girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He saw the ten girls, but they've been cornered by Frictor.

Lincoln: Guys, I found the ten girls, but they've been cornered by Frictor. Come on, let's go.

We rushed on over, and Lincoln fired a blast of fire at Frictor, and he wound up getting burned. When he saw us, he was enraged.

Crag: You've plagued us for the last time, Frictor. Now, we've got a chance to get rid of you once and for all.

Lincoln: But, first.

Lincoln snapped his fingers, and he stripped Frictor of his powers and made them our own, and it caused Frictor's body to be covered by callous.

Luna Loud: Whoa, bro, that was awesome!

Me: Smooth move, Linc.

Lincoln: Thanks, J.D. Alright, guys, let's get him!

Crag: Come on guys!

Ripping Friends, Luna and Lincoln: IT'S RIPPING TIME!

We then piled on, and we'd brutally pummeled the powerless and callous-covered Frictor with brute superhuman strength, and Lincoln delivers the coup de grace by cutting Frictor down with his massive Sword of Taranis, and Frictor exploded in a purple flame, and he was Super Hakaied. Lincoln holsters his massive Sword of Taranis, and the deed is done.

Then, Lincoln, Nicole, and I went up to the ten girls located there, and when Lincoln saw them, he immediately recognized them. The ten girls were Isuzu Sento, Sylphy The Wind Fairy, Latifa Fleuranza The Fairy Princess, Salama The Fire Fairy, Muse The Water Fairy, Kobory The Earth Fairy, Shiina Chūjō, Ashe Am Archamrel, Biino Bandō, and Takami Seno from Amagi Brilliant Park.

Lincoln: Oh wow, it's Isuzu Sento, Sylphy The Wind Fairy, Latifa Fleuranza The Fairy Princess, Salama The Fire Fairy, Muse The Water Fairy, Kobory The Earth Fairy, Shiina Chūjō, Ashe Am

Archamrel, Biino Bandō, and Takami Seno.

Me and Nicole: From Amagi Brilliant Park, awesome.

Lincoln: Are you girls okay?

Isuzu Sento: Yes, we're okay, thanks to you.

Then, when Isuzu Sento and the other nine girls saw who it was that saved them from Frictor, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books right on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Isuzu Sento: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made nine clones of himself, and he and the nine clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Isuzu Sento: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We'd returned home to the Estate, and not only did Lincoln rescue ten more future wives, we got rid of another enemy of The Ripping Friends, but there's bound to be more of them in the future, but we will be ready for them.

---

After taking down Frictor, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

After that, Lincoln, Lily the Mermaid, Earth Chan, Sari Sumdac, Yuna Kamihara, Nanami Simpson, Toph Bei Fong, Julie Makimoto, Jessica Shannon, Mai Shiranui, Hilda, Tatsumaki, Shantae, Akko Kagari, Rachel Alucard, Noel Vermillion, R. Lincoln snapped his fingers, and the 16-year-old, 7'0" tall white-haired, handsome, and extremely muscular teen was dressed in an open short-sleeved orange shirt, white shirt underneath, large blue jeans, and large black ankle-high boots, and he still had on his large weighted orange bands on his large biceps and thighs. He had on his jewelry and weapons holstered, in case of trouble, and the girls and the kids were dressed in their usual clothes and jewelry, and they also had their weapons holstered, in case of trouble.

Me: Hey, Linc. Where are you, the girls, and your kids going to now?

Lincoln: We're heading to Spagonia.

This got Sonic and Tails' attention, as they came in.

Tails: Wait, you, the girls, and your kids are heading to Spagonia, Lincoln?

Lincoln: That's right, Tails, and you and Sonic have been there before?

Tails: That's right, and you can guess who was to blame for it?

Everyone: Eggman.

Tails hands Lincoln a picnic basket.

Tails: I packed you, the girls, and your kids a lunch when you head to Spagonia, and I had also made something for an old friend of ours. His name is Professor Pickle, he's a known professor who's an expert on ancient literature at Spagonia University.

Lincoln: Thanks, Tails. Hey, you want to come with us?

Tails: Sure. Then, after the date, we've got to head to The House of Mouse. It's Mickey and Minnie's 93rd birthday today.

Lincoln: Right, and I ain't missing it. Alright, everyone, let's go.

Lincoln, the girls, his daughters, and Tails left the Estate, and they head for the destination: Spagonia in Europe. When they arrive in Spagonia, it was an amazing city full of culture and art, and the city's architecture was based on some of the structures from Italy, Spain, England, and France, Europe's top four cities since ancient times.

Lincoln: Wow, so this is Spagonia. This city is so beautiful.

Thunder Sparkle: You said it, Dad. This city is full of culture and art, and it's full of vibrant colors. If Aunt Laney saw this, it would bring out the artist in her.

Rarity: Indeed it would, darling.

Phoenix Shimmer: And some of the architecture here is based on some of the structures from the top four locations in Europe since ancient times: Italy, Spain, England, and France.

Twilight Sparkle: So, it's like the four locations of Europe came together as one. Incredible.

Tails: It sure is. Now, let's head on over to Spagonia University to meet Professor Pickle.

Lincoln, the girls, his daughters, and Tails then head on over to Spagonia University, an institution of higher education and research that attracts those in search of knowledge. When they got inside, they met with Professor Pickle.

Professor Pickle: Ah, you must be Lincoln Loud of Team Loud Phoenix Storm, along with Lily the Mermaid, Earth Chan, Sari Sumdac, Yuna Kamihara, Nanami Simpson, Toph Bei Fong, Julie

Makimoto, Jessica Shannon, Mai Shiranui, Hilda, Tatsumaki, Shantae, Akko Kagari, Rachel Alucard, Noel Vermillion, R. It's a pleasure to meet you all. (To Tails) And it's good to see you again, Tails.

Tails: You too, Professor. Lincoln, his future wives, and his kids came here for their date, and I also joined in to see how you were doing.

Professor Pickle: I'm doing alright, Tails. Plus, I heard Eggman is now behind bars for life.

Lincoln: That's right, and we heard everything from Tails, that he tried to acquire the power of Dark Gaia, but that in turn, caused the planet to break apart.

Professor Pickle: That's right, Lincoln. And he also kidnapped me and stole my research on the Gaia Manuscripts.

Rainbow Dash: That mad scientist was messing with forces that he can't ever comprehend. I'm so glad we threw him in prison, and he's never getting out ever again.

Tails: That's right.

Then, Lincoln, the girls, the kids, Tails, and Professor Pickle were exploring the city, and seeing some of the buildings there, which were indeed based on some of the famous buildings from Italy, France, England, and Spain, and they also took pictures. Then, they had lunch that Tails packed, and he also packed Professor Pickle his favorite: cucumber sandwiches. After some more exploration, Lincoln, the girls, the kids, and Tails said their goodbyes to Professor Pickle, and headed home.

Me: Hey, gang, how was your trip to Spagonia?

Lincoln: It was great, J.D. You should have seen Spagonia, it's like Italy, Spain, England, and France came together as one. We also took pictures of the place.

Lincoln showed us the pictures, and indeed the buildings there were based on some of the famous buildings and landmarks in Italy, France, Spain, and England, and it was so beautiful.

Nico: Wow, you weren't kidding, big guy. Spagonia is such a beautiful city, a combination of Italy, France, Spain, and England.

Lincoln: We also met Professor Pickle, who's a scholar and expert on ancient literature at Spagonia University, and he was pleased to meet us, and he was also happy to see Tails again.

Me: Wow, that's awesome.

Lincoln: And we also took a picture of Spagonia University, and it was an amazing place. Plus, while we were there, Twilight Sparkle was reading the many books on ancient literature, and she was quite impressed on the research that Professor Pickle had done on ancient literature.

We saw the picture of Spagonia University, and it was amazing. Then, we got ready to head down to the House of Mouse for Mickey and Minnie's 93rd birthday extravaganza.

* * *

After Lincoln, the girls, the kids, and Tails got back from Spagonia, we were heading down to The House of Mouse, and today was Mickey and Minnie's 93rd birthday. They've been making us laugh since 1928, and we decided to throw a huge party for them, and we also invited The Masters of Evil for this one.

The Mascots: HAPPY BIRTHDAY, MICKEY AND MINNIE!

King Mickey: Aw, thanks, you guys.

Queen Minnie: This is truly splendid of all of you to throw us a party.

Lincoln: That's right, Your Majesty. You and King Mickey have made us laugh since 1928.

King Mickey: You're right about that, Lincoln.

Donald Duck: And we also had to make sure Sancho and the Party Birds wouldn't try to crash this party, Mickey.

Nico: Now that Sergio's no longer throwing wild parties, his reputation as a party animal is history.

Me: But, there's still the matter of Sancho and his goons.

Max Goof: Don't worry, if they try to set one feather here, I've set up buckets of fish heads and cat nip that'll drop on their heads, and the smell will get the Great Lakes City alley cats here, and they'll send Sancho and his gang flying away like the cowards that they are.

Nico: Nice one, Max.

Goofy: You're right, Nico.

Lincoln: Oh, P.J., Pete, I also got a surprise for you two.

Then, two figures came in, and they were none other than P.J.'s mom and Pete's wife, Peg Pete, and P.J.'s little sister and Pete's daughter, Pistol.

P.J.: Mom, Pistol?

Pete: Peg, Pistol?

They ran up to Peg and Pistol, and they hugged.

Peg Pete: It's good to see you and P.J. again, Pete.

Max Goof: Lincoln, did you run into Mrs. Pete and Pistol after you guys came back from Spagonia?

Lincoln: Yep, and they've been wanting to meet us, and see how Pete's been doing. She's already aware that Pete's now a member of the Masters of Evil, and Vypra is treating him with respect.

Sora: Goofy, you didn't mention that Pete also had a daughter?

Goofy: Gawrsh, I can't believe I let that slip my mind. Sorry about that, Sora.

Sora: It's okay, Goofy.

Pistol Pete: And I'm glad that Mr. Goofy convinced you not to kill Pete. We know that he did some really rotten things in the past, especially when he was once in the service of the Maleficent from 1959, the one we know and hate.

Peg Pete: And he also told you about P.J.

Sora: That's right, Mrs. Pete. That's what stopped me from killing Pete, and we locked him up after we defeated him.

Lincoln: And King Mickey, I've got a surprise for you and Queen Minnie. Okay, you two, you can come in now.

We also got another surprise as two more figures came in, and they were none other than Oswald The Lucky Rabbit and his wife, Ortensia the Cat.

King Mickey: Oswald?

Queen Minnie: Ortensia?

The Disney King and Queen ran up to Oswald and Ortensia, and they hugged.

King Mickey: This is quite an amazing surprise. What are you two doing here?

Oswald the Lucky Rabbit: When Lincoln told us what's been happening, we decided to move here to Gotham Royal York.

Me: That's awesome. And it's a pleasure to meet you and Ortensia, Oswald.

Oswald the Lucky Rabbit: You too, J.D.

Ortensia: Oh, and I hope you don't mind. But, we also brought our kids.

Suddenly, we felt the ground shaking like crazy, and I knew what that was.

Me: Uh oh. HIT THE DECK!

Then, we saw what caused the earthquake, it was Oswald and Ortensia's 420 Bunny Children, and they came right into the House of Mouse.

Oswald the Lucky Rabbit: Uh, sorry about that, J.D.

Me: It's okay. But, wow, that's a lot of kids.

Lincoln: And I thought Warren had a lot of siblings.

Warren Loud: Me too, Lincoln. But, it's awesome to meet you, Oswald.

Oswald the Lucky Rabbit: You too, Warren, and Lincoln was right when he described you: you two have the same personalities. Same with your sisters and Lincoln's sisters.

Ortensia: It'll be hard to even tell who's who, because of the identical personalities.

Lori: Don't worry, Ortensia, it takes time though, but you get used to it.

We continued to have tons of fun at the House of Mouse, and Max Goof's fish head and cat nip bucket traps worked and they got Sancho and the Party Birds, and the trap had also got the Great Lakes City Gatos after them, as they flapped off back to Great Lakes City in a panic before the Gatos could get their claws on them.

---

Back at the estate it was time for Sergio the Parrot to get justice for all of his wild parties.

Contessa: Okay, now we REALLY have to put an end to Sergio's partying!

Nico: Yep and I have something awesome planned for that.

---

French Narrator: (French Accent) Later.

---

(THE PEOPLES COURT THEME PLAYS)

Me as Bailiff: Calling Team Loud Phoenix Storm courtroom to order in the case of Team Loud Phoenix Storm and the Casagrande-Santiago Family VS Sergio the Parrot. Honorable Judge Rosa M. Casagrande presiding.

We sat down.

Rosa Casagrande: (Spanish Accent) Sergio how do you plead?

Sergio was in his cage in a straitjacket and was wearing a Hannibal Lector mask.

Sergio: (Squawks) Not guilty your honor.

We got the trial underway. Sergio the Parrot was indicted on charges of overexcessive partying without consent and contributing to the delinquency of a minor.

Po: Dude, you even brought alocohol into your wild parties?!

Poromon: Me and Poliwag are keeping any alcohol bottles you haven't opened!

Rosa Casagrande: (Bangs Gaval) Order Order! Now call your next witness.

We had lots of witnesses come forward and they testified for the prosecution that Sergio raked up the power and water bills at the Casagrande building, bought tons of things without the knowledge of

Rosa and Hector and many more crimes.

We got to deliberations and it didn't take long.

Rosa Casagrande: Has the jury reached a verdict?

Bobby Santiago: We have your honor. We the jury find the defendent Sergio the Parrot, CULPABLE!

Sergio gasped.

Me: (To Nico) That means Guilty in Spanish.

Nico: I had a feeling.

Rosa Casagrande: Well that was expected. Sergio you are hereby sentenced to 20 minutes of spanking and May shall be your spanker!

May came out and she was dressed in black Sadomasochistic Clothes and Nico was in love with May even more.

Sergio: NO!

Astrotrain: You brought this on youserlf, Sergio. And maybe, we should make spanking a punishment for anyone who disobeys orders!

Nico: That's right! By the way May, is there a reason why you wanted to dress like that?

May: Anko gave me the idea.

Anko: It's true and I've been giving her lessons on how to torture and interrogate.

Nico: Nice!

Lincoln: Uh Fluttershy you may want to cover your eyes.

Fluttershy: Oh thanks Linky.

She did so.

May had Ol' Spankful locked and loaded and she had it ready to strike Sergio's butt.

May: Make a wish!

She brought the paddle back and then…

SMACK!

Sergio squawked in pain as he was being smacked.

SMACK SMACK SMACK SMACK SMACK!

French Narrator: 20 Painful minutes later.

The spanking stopped and then Sergio was crying in pain.

May: Man that felt good.

Nico: (to Sergio) Give me one reason why I shouldn't kick you off the team.

Springer: Nico, I think that's a bit harsh.

Nico: I'm the leader today. So, whatever I say goes.

Springer: Oh.

Me: Give us one good reason Sergio. Just one.

Sergio: Ow.

Sergio's butt was burning glowing red with pain. Ouch.

Nico: Seriously, should we kick Sergio off the team?

Me: Nah. He's just a bird. He learned his lesson. But just to be safe. Fluttershy?

Fluttershy went over and she used her stare on Sergio.

(WARBLING)

Fluttershy: Just who do you think you are, throwing parties and causing trouble all over the place? You should be ashamed of yourself! I have half a mind to find your mother and tell her what you've been up to, young man! Now you go over there and apologize to Rosa and your family and give back all of the credit cards you used to make those purchases, and don't ever let me catch you doing this again! Do you understand me?

Sergio was scared crapless!

Sergio: (Scared) Yes ma'am!

Nico: Nice one Fluttershy.

Sergio went and did what he was told. He knew better than to make Fluttershy mad. Or else there would be Nasty Consequences.

Apple Bloom: That is the Stare Master for you!

Sweetie Belle: Yep. Fluttershy is awesome!

Scootaloo: She sure is.

Fluttershy: (Giggles) Thanks girls.

May: Next time we spank someone, I should dress like a biker chick.

Nico: Good idea. But you look great in Sadomasochistic Clothing.

May: Aw thanks Nico.

Nora Venice: You sure do May. It was awesome.

May: Thanks Nora. It was cool to try that out.

Lucy Loud: I thought it looked wicked on you.

May went and changed back into her normal clothes.

Clawful: Nico, it's your turn to lead today. (sheepsihly) But you already know that.

Nico: Yes I know and our next mission is in a place not far from here. It's in Brighton, Michigan.

Lincoln: Wow I know where that is. That's an old town on the northwestern side of the city. Just right across the way from Gotham Royal York.

Nico: Yep and the scanners are picking up Supernatural Activity there.

Shaggy: ZOINKS! Like we know what that means!

Scooby Doo: Ghosts!

Scrappy Doo: Oh boy! I hope we get to splat them!

Then Abra Kadabra, Myotismon, Kaos, Evil Lyn, Ben Ravencroft, Mercurymon, Bizarro, Metal Sonic, Marionette Shadow, and SkullMeramon appeared.

Ben Ravencroft: Can me, Abra Kadabra, Myotismon, Kaos, Evil Lyn, Mercurymon, Bizarro, Metal Sonic, Marionette Shadow, and SkullMeramon go with you guys?

Nico: You all sure can.

Abra Kadabra: We heard you all spanked Sergio.

Me: We sure did. Fluttershy used her stare on Sergio too.

Abra Kadabra: Little too extreme don't you think?

Me: Nah. It was worth it. We're going to Brighton, Michigan.

Nico: Yep. Lets head out everyone.

Shaggy: Like no way! Scooby and I will stay here and eat.

Nico: Oh come on guys! Don't go chicken on us now.

Shaggy: UH UH! No way!

Scooby Doo: Not on your life!

Erica: Okay then!

Erica grabbed them both and picked them up.

Erica: Okay you two chickens, we'll go my way.

She forced them to go.

We were off.

## BRIGHTON, MICHIGAN

We arrived at Brighton, Michigan.

Proto Man: We didn't really need to travel very far.

Nico: Nope. This is amazing.

Me: Brighton looks like a really amazing town.

Laney: It sure does.

We came up to a cool house and we saw that it was the McGee residence.

Nico: Looks like this family is new.

We went up to the door and knocked on it and answering it was Molly McGee.

Bizarro: Goodbye. Is this not the McGee residence?

Nico: He said Hello and is this the McGee Residence.

Molly McGee: (Gasp) Wow! Team Loud Phoenix Storm! It's awesome to meet you all! I love all your amazing adventures! Sorry I'm Molly. Molly McGee.

Nico: Pleasure to meet you Molly.

Molly McGee: Come on in.

We went in and then Lincoln and Danny had a ghost sense and then out came Scratch!

Scratch: Oh wow! Team Loud Phoenix Storm!

Courage: AAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHH!

Shaggy: ZOINKS!

Scooby Doo: RIKES!

Scooby Doo: Oh boy! Lemme at em! Lemme at that ghost! I'm going to splat him!

Lasher: You must be one of those friendly ghosts.

Scratch: I sure am. Despite the fact that I never wanted a friend I think Molly is amazing.

Me: Nice.

Casper: Always nice to meet a fellow ghost.

Scratch: Same here.

SkullMeramon: What do you guys do for fun around here?

Molly McGee: Well we have a lot of amazing adventures. We go to school, go camping, go shopping and have a lot of crazy adventures all over Brighton.

Nico: Boy you sure have fun.

Molly McGee: Yep.

Scratch: But school is fun too.

Molly McGee: Want to come with us?

Nico: Sure.

We went to Molly's school.

Itachi Uchiha: This school is very nice like ours.

Nico: It sure is. Your school is amazing Molly.

Molly McGee: Thanks guys.

Libby then appeared.

Libby: Hey Molly! (Gasps) Wow! Team Loud Phoenix Storm! It's an honor!

Eli: Same here Libby.

Kari Kamiya: Your voice sounds so much like mine, Becky, Lisa and Juniper Lee's.

Libby: It sure does. Wow!

Me: That is coincidental.

Marionette Shadow: We're just checking out the school.

Libby: That's cool.

?: Well looks like you two have Team Loud Phoenix Storm helping you out.

We saw a girl with neon aqua blue hair and she had purple clothes. It was ANDREA DAVENPORT!

Molly McGee: (Snarling) Andrea!

Me: Oh boy.

Andrea: You all are losers and it's best you stay out of my way.

She left.

Nico: That girl is a nightmare

Glumshanks: Someone should teach her a lesson!

Eli: I think I have an idea.

He pulled out The Mask of The Beast.

Me: I don't think so bro. Last time we used the Mask of The Beast, Lynn used it and she was going to turn into someone she is not.

Kushina: I have an idea. Let me work my magic.

We went to the cafeteria.

Kaos: You're right, Glumshanks. Davenport IS about to be taught a lesson!

Me: Watch.

Andrea Davenport: And that's why you all love me because I'm the most popular and most pretty and beautiful girl in the school and always will…

Kushina yanked an invisible chakra rop and then…

RIP!

Kushina ripped Andrea's skirt off and everyone saw Andrea in her underwear and they had bunnies and leprechauns on them and Andrea gasped and Lori snapped a photo of her underwear and posted it on social media and then everyone in the school laughed at Andrea and pointed and humiliated her to the brink!

Fangry: You know that underwear for women is a bra and panties, right?

Nico: (Snickering)

May: (Snickering) Obviously not.

Edward the Platypus: (Laughs) WHAT A LOSER!

Myotismon: What do you have to say for yourself now?!

Andrea ran away crying.

Nico: HA!

Molly McGee: That was so awesome!

Scratch: OH YEAH!

Laney: Serves her right!

Kushina: Chalk up an awesome victory for Kushina Uzumaki, Master Prankster of The Hidden Leaf.

Libby: That felt really awesome!

Rainbow Dash: That was AWESOME!

Naruto: Mom is an amazing prankster.

Kushina: Never mess with the Red Hot Habanero.

Krankenstein: Monster thought that was funny!

Nico: It sure was funny!

Eli: Next time we'll use the Mask of The Beast.

Nico: Good idea. Kushina called it first so we'll do the Mask of The Beast next.

Libby: It was awesome! By the way can I celebrate Hanukkah with you all in 2 weeks?

Me: You're Jewish, Libby?

Libby: I sure am.

Me: Cool! I think Hanukkah is amazing myself. I've always been very curious about it myself.

Nico: Me too.

Tommy Pickles: Awesome!

Nico: It sure is.

Metal Sonic: (to Vinyl) By the way, Vinyl, your new form is awesome!

Vinyl Scratch: (Through a headband) It's rockin dudes.

We gasped in shock! We heard VINYL SCRATCH TALKING!? WHAT THE FUCK!?

Octavia Melody: (British Accent) Vinyl Scratch you are finally talking!?

Laney: Wow!

Lisa Loud: All thanks to my newest invention: The Mind Talking Headband. I invented it for Vinyl Scratch.

Scratch: That is amazing.

Molly McGee: It sure is! Wow!

Elena Validus: Molly, are there any enemies of yours active right now?

Molly McGee: Yes there are.

Scratch: One of my enemies is actually the Ghost Council.

He told us about them.

---

The Ghost Council, is the main antagonistic faction of the 2021 Disney Channel fantasy comedy adventure series, The Ghost and Molly McGee.

It is a group of powerful ghosts that review the performances of ghosts assigned to inciting misery in certain towns.

The Barrister Ghosts are voiced by They were voiced by Grey DeLisle Griffin, John DiMaggio, Greg Baldwin, and Kari Wahlgren.

Not much is known about The Ghost Council except that they sent ghosts at certain town on making them miserable. Whenever a ghost failed to scare someone, they will punish any ghost for failing to scare a human by sending them to the Flow of Failed Phantoms.

The Ghost and Molly McGee

The Ghot Council first appeaered, along with the Chairmen, when punishing one of the ghosts, a pink ghost, for failing to scare a person in Cedar Valley.

They summoned Scratch, as they congratulated him for scaring people in Brighton, as the got to a party to relax. as Scratch goes with them since he succeeded, they kicked him out by sending him back to Brighton.

---

When he was done we were shocked!

Nico: Geez! These ghosts want to cause mayhem and fear. What a bunch of tyrants.

Eli: Yeah.

Evil Lyn: Okay. It's obvious we can't take on the ENTIRE Ghost Council.

Grim: (Jamaican Accent) Actually we can mon. Because I am the supreme council head.

Nico: WHOA!

Beastbox: In that case, when this mess is cleaned up, we'll have to make a new Ghost Council. One made up of all the ghosts in all of our teams.

Nico: Not a bad idea Beastbox. And I have just the representatives. Danny Phantom, Scratch, Lincoln Loud, Skulker, Johnny 13, Box Ghost, Technus, Ember, Youngblood and Casper.

Me: Good choices.

Nico: Yep.

Abra Kadabra: (to Molly) We actually have met a lot of ghosts thoughout the years. And Skulker, Box Ghost, and Technus aren't the only ghosts in the Masters of Evil.

Nico: It's true.

Molly McGee: Wow! That is amazing!

Nico: Yep. Crazy huh? And we have new ghosts in the Ghost Zone.

Molly McGee: Ghost Zone?

Nico: It's another world where Ghosts live.

Sidney Poindexter: And lets not forget that I'm a ghost too.

Laney: Yep.

Nico: And now I can call in special friends.

Nico pulled out a ghost flute and played a tune and then out of a portal came THE GHOST AVENGERS!

Molly McGee: WHOA! The Avengers as Ghosts!?

Nico: Yep. We helped them out on Halloween.

Spiderman: (to Ghost Spiderman) Good that your mask is fixed up. A ripped mask is not a good look for me!

Ghost Spiderman: Boy it sure is good to be free of that virus.

Molly McGee: How did this happen to them?

Me: Really ugly story. These Avengers came from another universe where they were turned into Zombies by a virus and they had their minds intact but an endless hunger for flesh and blood.

Nico: Yep and we encountered them and destroyed them and now they are free and live in the Ghost Zone.

Ghost America: It's true. And we are forever grateful to them.

Ghost Wasp: It's really cool to be a ghost.

Nico: Yep. Lets get ready.

Grim opened a portal.

Brawlrus: Time for an entrance.

Molly McGee: I thought a Phoenix cry was your entrance.

William: Well, ever since we first heard about the Royal Defenders, we decided not to stick to one entrance. Because that was honestly getting boring.

Me: So we decided to make many variations of our entrance.

Varie: It's true. We incorporated many elemental themes and mythological settings to them.

Molly McGee: Wow that is amazing!

Eli: It sure is. Variety is the spice of life.

Nico: That's true. Lets do it!

In the Ghost Council room in the Ghost Zone the Ghost Council or the Barrister Ghosts were minding their own business when suddenly swirls of light and darkness appeared and formed a vortex and then the Sun and The Moon appeared and formed an eclipse and then they converged and the Moon blocked out the sun as the spirits of the Elements of The Dark Twilight appeared and converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a Phoenix Cry was heard and then we came out!

Nico: This council is hereby disbanded!

Purple Ghost: On whose authority!?

Nico: MINE!

Mercurymon: Actually, it's really more Grim's authority. He's the head honcho.

Nico: Sorry force of habit.

Grim: No worries mon. I like how you said that.

Nico: Thanks Grim.

Grim: You're welcome. You heard him Ghost Council! You all are disbanded.

Blue Ghost: You can't do that to us Grim!

Grim: Oh I can! But not before we have a fight with you!

Greiger, Beautiful Gorgeous, Devack, Brass Knuckles, Titania, Cheshire, Tri-Klops, Technus, Girder and Johnny 13 then appeared.

Nico: Greiger, Beautiful Gorgeous, Devack, Brass Knuckles, Titania, Cheshire, Tri-Klops, Technus, Girder and Johnny 13.

Greiger: That's a lot of ghosts!

William: Yep. Ghosts that we're gonna beat the crap out of!

Beautiful Gorgeous: I can see why.

Devack: Good thing there's going to be a more suitable Ghost Council after this.

Me: You got that right.

Greiger: (To the Ghost Avengers) It's great to see you all again.

Ghost Iron Man: Same here Greiger. No hard feelings on Halloween right?

Greiger: All is forgiven.

Brass Knuckles: (to me) We heard you went to Ren and Stimpy's

world.

Me: We sure did.

Titania: Was there anyone that you took out there?

Me: We were on an alien planet set 399,000,000,000 years into the future and we took down 2 big aliens with REALLY UGLY HUGE brains and we had to save Commander Hoek and Cadet Stimpy from the stomach of one of them.

Titania: Whoa! That's a long ways into the future!

Devack: Almost 400,000,000,000 years!? WHOA!

Me: Well 399,999,998,979 years to be exact.

Devack: Wow! That is amazing!

Frightwing then appeared yet again.

Nico: Frightwing. You're just a glutton for punishment.

Frightwing: Yeah I know.

Nico: Awesome.

Frightwing: Hey, Cadance. Is your sister enjoying spending time with you?

Cadance: She sure is and I am so happy to have her back. It was the best birthday present ever.

Me: Glad you love it Cadance.

Twilight Sparkle: We're all happy that Cadance has her sister back.

Laney: Yep.

We got the usual battles underway.

Boris: Boy it sure was and that was the farthest we've ever been into the future. Talk about a huge timetravelling endeavor.

Princess Luna: It sure was amazing to see.

Moondust: But no one knows what will happen during that time.

Snowdrop: Yeah it's a massive mystery.

Gari: But those aliens that they encountered on that planet must've been really UGLY!

Ink Rose: They sure were. I can't imagine what they must've looked like.

Moonlight Raven: I bet they were really cool.

Blackout: But thank goodness Commander Hoek and Cadet Stimpy are okay.

Shadow Lucy: You said it. That was crazy.

Lucille Loud: (Scottish Accent) Aye lass. It sure was.

Rita: It sure is amazing. Molly McGee is one lucky girl. I think Daggett and Norbert met ghosts before as well.

Fluttershy: That's what they told me and it's amazing that they know ghosts too.

Tree Hugger: Really far out dudes. Lucy is a Ghost Whisperer too and she knows a lot of ghosts.

Tornado Bolt: Boy she sure does and it's amazing how Molly and Scratch both have done so much for Brighton already.

Apple Bloom: That's amazing. And thank goodness Andrea didn't call Kushina a T-O-M-A-T-O.

Devack: How come she doesn't like that name Tomato?

Apple Fritter: Kushina absolutely despises that name Tomato. Back when she started out in the Academy, everyone would pick on her because of her red hair and round face and she HATED that name. If anyone called her that, Kushina would beat the living crap out of them!

Devack: Geez!

Big Mac: Eeyup.

Apple Fritter: It's how she got the nickname The Red-Hot Habanero.

Devack: Whoa! She must have one hell of an explosive temper.

Rockhoof: (Scottish Accent) Aye. She sure does. We've seen it in action a couple of times and it was crazy laddie.

Cocoa Axe: (Irish Accent) It's true. When Kushina gets mad you had better start praying to your maker.

Steela Oresdotter: (Norwegian Accent) Ja. She will do you in with a powerful punch.

Autumn Blaze: But it was awesome how she teaches bullies a lesson when they mess with her.

Coloratura: I don't think I even want to imagine what would happen to Andrea if she called Kushina a tomato. She would probably get sent to the hospital with every single bone in her body broken and be wrapped in a full body cast. She's powerful enough to smash a mountain!

Flashwing: She did learn Lady Tsunade's super strength under her tutelage.

Stone Luna: Yeah she sure did.

Lazlo: Naruto's mom is really awesome.

Raj: (Indian Accent) Boy she sure is. She is not only beautiful but she is also a deadly force to be feared.

Clam: Yeah. Powerful force.

Devack: Wow! Lets do it!

They fired waves of earth, energy, rock, crystal, apples and fire and smashed him down.

Iago: Oh no, I was hoping I'd never have to hear that voice again. You can come out now, Malcho.

A figure came out of the shadows, and it was none other than Malcho, a large dragon feathered god-like monster and the former King of The Rainforest.

Iago: I thought I'd never have to deal with your feathery hide again after me, Thundra, and Aladdin sent you packing, Malcho.

Malcho: And now, I'm back to destroy you, Iago.

Me: Whoa, you know this prick, Iago?

Iago: Unfortunately, I do, J.D. And you're right to call him a prick, you wouldn't like this guy one bit.

Iago proceeded to tell us about Malcho, and just as we expected, we weren't going to like this prick one bit.

---

Malcho

Malcho is a large dragon feathered god-like monster who is an enemy to Iago, Thundra, and later Aladdin in the Aladdin TV series.

Malcho is a sly and deceptive individual, who craves power and world-domination. He can be arrogant but is patient and vengeful against those who defeated him.

He is based on the Mesoamerican deity Quetzalcoatl.

He was voiced by Héctor Elizondo, who also played Fiero in Elena of Avalor.

History

Malcho was originally the Ruler of the Rainforest, commanding the weather with a magical amulet. He soon became corrupted by the power to control the weather and sought world domination, but was somehow defeated by Thundra the Rainbird, who stole his amulet to use the powers it held for good.

Roles

Rain of Terror

In his debut, Malcho observed Iago convincing Thundra to take a weekend off from her responsibilities and entrusting the amulet to the parrot. Seizing this chance to reclaim his powers, Malcho managed to steal the amulet from Iago, proclaiming the age of the rain bird was over, and the Season of the Serpent has begun.

Utilizing his old powers, Malcho planned to destroy Thundra as revenge, but she, Genie, Abu, and Iago managed to escape and hide within the rainforest. Malcho discovered Iago, who decided to side with the serpent and revealed to him the hiding place where Thundra, Abu and Genie were. Imprisoning them, Malcho immediately began to plan on what to do for world domination, but Iago convinced Malcho to do revenge before duty.

The parrot then tricked Malcho into using a spell from Thundra's book to summon the Arctic Wind, which backfired on the winged serpent, freezing him solid in a nearby waterfall, allowing Iago to recover the amulet for Thundra. Malcho was thereafter banished to the North Pole, with his froze form being hurled to the north by Genie.

## The Return of Malcho

Sometime after being banished, Malcho somehow thawed out and flew to Agrabah to exact revenge on Iago for banishing him to the cold. Once there, Malcho furiously confronted Iago and revealed that he decided to eat the parrot. Though he tried several times to capture and devour Iago, Malcho was thwarted again and again by Aladdin, the acting Sultan in the absence of the real Sultan, and the Royal Guards.

Malcho was then lured onto a dormant volcano, seeing that Aladdin and the guards were intending to sacrifice Iago to the serpent in exchange for leaving Agrabah in peace. But it was a trap set especially for Malcho in an attempt to get rid of the serpent once and for all. Setting the volcano off, Aladdin and the guards imprisoned Malcho in the volcano and believed him to be defeated.

However, Malcho began to break free of his second prison, proclaiming that he would forget about Iago, and that when he is freed from the volcano, Aladdin would be his.

## Powers and Abilities

Malcho originally had the power to control the world's weather using a magic amulet. While wearing the amulet, his bird wings and the lion's fur at the end of his tail transformed into black thunderclouds, from which he can summon lightning bolts and storms, conjure fierce winds and snow.

But even without his weather powers, Malcho is a formidable foe, as he is a huge dragon serpent snake with great strength, possessing the ability to fly, and he is deceptively clever.

---

When Iago was finished, we were horrified and enraged by Malcho's actions and misdeeds.

Me: Whoa, I was right to call this guy a prick.

Lincoln: No kidding, wanting to cause cataclysmic storms to bring pain and suffering to humanity, that's sick.

But, no one was more enraged at Malcho's actions than Leif Loud, as he narrowed his eyes in anger at the feathered serpent. Suddenly, we felt something snap inside of Leif Loud's mind, as his eyes turned neon marine blue, and he was surrounded by a marine blue energy aura with ice crystals and snowflakes, and as he approached Malcho, he left marine blue energy, ice crystals, and snowflakes with every step.

Leif Loud: You really disgust me, Malcho. You've caused nothing more than pain and suffering to all human beings for your own sick amusement and tried to take over the world. That's it, this time, I'm going to make sure that you finally die here and now, you HEARTLESS, ARROGANT, VENGEFUL, MANIPULATIVE, POWER-HUNGRY, SELFISH BASTARD!

Leif's brothers and Linka gasped in pure shock from Leif's rant at Malcho.

Lynn Jr.: Uh oh, Leif's snapped, and he's going to let that miserable feathered serpent have it.

Then, Leif Loud screamed like a madman, as he was surrounded by a massive vortex of marine blue energy with ice crystals and snowflakes surrounding the vortex, there was an ice dragon flying around the vortex, and inside the vortex was an ice blue phoenix.

Then, as the vortex faded, Leif Loud emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Leif Loud grew to 7'0" in height, just like Me, Lincoln, Lynn Sr., Liam, Duke Lincoln, Loki, Loni, Luke, Lane, Larry, Lars, and Lynn Jr., he now has abnormally large and powerful upper and lower body muscles and eight-pack abs, he now has neon marine blue eyes and a neon marine blue energy aura with ice crystals and snowflakes surrounding him, his long blond hair grew that reached the bottom of his neck was tied in a ponytail, and he has neon blue highlights in the bangs, the gap in between his teeth was filled is as two new adult teeth grew in to fill it, he has a Yuki-Onna holding the Snow Kanji in her hands emblazoned on his forehead, he has on snow dragon earrings with the Snow Kanji in its claws and a necklace with an Ice Dragon with the Snow Kanji in its claws for the pendant across his permanently bare chest. Leif Loud has massive marine blue angel wings surrounded by cold air and snowflakes for his new body. Leif Loud has on his new large cuff Bracelets of the Champions of The Universe with marine blue gems on his wrists. Leif Loud also has on the same clothes as Me, Lincoln, Lynn Sr., Liam, Duke Lincoln, Loki, Loni, Luke, Lane, Larry, and Lynn Jr.,, but his version of He Man 2002's loincloth is marine blue, he has on long marine blue trenchcoat flaps held up by his new Belt of Elemental Bravery with large marine blue gem for the belt buckle on his waist and his Eater of Sins revolver holstered on his right hip, he has large marine blue weighted bands on his large biceps and thighs, large blue pants with snowflakes and ice crystals, large black leather ankle-high combat boots with silver armor on the toes, and he has eight large marine blue orbs orbiting around his legs. He has his own massive Sword of Khione in his large left hand, but Leif's Sword of Khione has a Yuki-Onna etched on the 6'5" massive, wide, double-edged marine blue blade. There was a Yuki-Onna and an Ice Dragon and a marine blue kanji tattooed on Leif Loud's wider and more muscular back, and the marine blue kanji below the Yuki-Onna and Ice Dragon said, "Leif Loud, Awesome and Hard-Working Mechanic of The Genderbent Loud Family, Third Youngest Brother of Linka Loud, Master of Ice and Cold, Emissary of Khione, Slayer of Evil, Golden-Hearted Lover of His Brothers and Only Sister, Genderbent Twin of Lana Loud, Awesome Member of Team Loud Fairywind and Team Loud Phoenix Storm."

Leif Loud has transformed into SUPER ANGEL 750,000,000,000 ICE STORM ARCTIC ANGEL OF ABSOLUTE ZERO JUSTICE!

We were amazed by Leif Loud's Super Angel 750,000,000,000 transformation, but when Malcho saw it, he fell into a dark rage.

Lynn Jr.: Holy crap, Leif's transformed, and he looks really awesome and ripped.

Lana: You said it. Leif's now become a man and an Angel of The Cold. (To Leif Loud) How do you feel, Leif?

Leif Loud: (Divine Echoing Cosmic Voice of The Cold and Justice) **I feel incredible, Lana, and now, I'm going to put this monster down for good.**

Lincoln: Let me in on this too, Leif.

Lincoln unholstered his massive Sword of Taranis from his wider and muscular back, and transformed into Super Angel-Ebonwu Infinity Elemental Thundersnow Buffalo Angel of Frozen Lightning Justice, he summoned Rajaion, and mounted him, and joined with Leif Loud.

Lincoln, Rajaion, and Leif Loud went after Malcho, who fired a blast of wind from his wings, but they dodged it, and they fired powerful blasts of rainbow energy and neon marine blue energy, elemental forces, ice lightning, and ice at Malcho, which hits him in the wings, and he came crashing down to Earth. Then, Lincoln and Leif fired powerful blasts of red energy, which hits Malcho, and they sucked out Malcho's inhuman strength and powers, and they, along with the rest of us made them our own.

Then, Leif and Lincoln went up to the powerless Malcho, and they tossed him into the air with their brute superhuman strength.

Leif Loud: **Time to say goodbye for good, Malcho. This time, stay dead.**

Lincoln: **And may you never return to plague us again.**

Leif and Lincoln: **DIVINE THUNDERSNOW KAMEHAMEHA!**

Leif and Lincoln fired two massive marine blue Kamehameha energy waves with ice and snow surrounding them, and as they hit Malcho, they exploded with incredible power.

Malcho: DAMN YOU, TEAM LOUD PHOENIX STORM!

The resulting explosion killed him, and it obliterated his body completely, and his evil spirit was Super Hakaied forever. Everyone cheered wildly for what Leif Loud and Lincoln did, as they holstered their massive blades on their wider and muscular backs and powered down, but Leif Loud's new clothes, weapons, and jewelry were permanent.

Lana: Whoa, Leif, that was so incredible.

Leif Loud: Thanks, Lana.

Then, Linka went up to Leif, and she hugged him, and he leaned down and wrapped his massive and muscular arms around her and hugged her back.

Linka: Leif, I'm so proud of what you've done, and you've now become a man.

Leif Loud: Aw, thanks, Linka.

Lana: And this means tomorrow, Lexx is also going to transform.

Lola: That's right, and once that happens, the lowlife that shows up tomorrow is going to get burned.

Me: You said it, Lola.

We then turned our sights to the Ghost Council.

Nico: Time for you ghosts to go to oblivion!

THE END

---

Another awesome chapter done.

The Ghost and Molly McGee is a really awesome and amazing show! I think it's amazing how Disney came up with it. It started on October 1st last month and it was so awesome. Etstheclarencefan wanted me to do a chapter for this. This was amazing. The show is still fairly brand new so we don't know much about the Ghost Council or any of the other villains in that show. Andrea Davenport is still new too but she is gonna think twice before messing with us. The first part was for the Ren and Stimpy episode Marooned and that was a really weird one. That one aired on November 10th, 1991. The 2nd part was for the Ripping Friends and that one was for the monster Frictor. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this. Thanks guys. The next rescue for me is gonna be one that has a rotten mouth as we fly over the ocean and we're going to meet the foul-mouthed merman MOBY JERK and that merman is gonna be taught a lesson as I get into a swear fest with him and me, Eli, Allie, Nene, Maria, Missy, Qin, Erica, Lillian, Ellie, Marie, Simone, Miranda, Gina Pele, Syrus, Dark Magician Girl, Nelanie, Nina Fernandez the Gyarados Gene-Slammer and Tayuya are gonna go on this one and we're going to meet a Cure Mermaid and a Preciomon Gene-Slammer named Sophia Rafnkelsdóttir and she is from Iceland. Tayuya is gonna transform in that one too so I'm gonna need the transformation sequence for that too. The next rescue for Lincoln is gonna be in the theater of The Phantom of The Opera and Brittney is gonna transform into her most powerful form ever there. She is gonna demonstrate what the powers of Darkness can do. The next ambassador mission is gonna be for Arkayna and Mumbo Jumbo.

The timing of the next chapter couldn't be better. It's for the Jonny Quest episode Eclipse and we're gonna go to New Orleans and take down a demon that is in the form of a woman from 50 years ago and she needs to replenish her youth and energy every 50 years during a lunar eclipse. And Jessie Bannon is her target! The reason this chapter is gonna be for this is because in the pre-dawn hours tomorrow is gonna be the longest annular Lunar Eclipse in almost 600 years. So you are in for a really amazing show for that one.

See you all tomorrow

# Lunar Eclipse Demon Mayhem

Over the ocean, me, Eli, Allie, Nene, Maria, Missy, Qin, Erica, Lillian, Ellie, Marie, Simone, Miranda, Gina Pele, Syrus, Dark Magician Girl, Nelanie, Nina Fernandez the Gyarados Gene-Slammer and Tayuya were flying over the beautiful water.

Nina Fernandez: Good thing I have a Gyarados form.

Me: Yep and it's a good thing too because we're right over the ocean.

Allie Wilde: I can't wait to see the Lunar Eclipse happening later tonight. That is gonna be an awesome sight to see.

Eli: I know. It's gonna be awesome. J.D. said it's gonna be the longest Lunar Eclipse in almost 600 years.

Me: It's true. This is gonna be so cool.

Simone: Boy it sure will.

Missy: It'll be so awesome to see.

Nina Fernandez: Yep and it will be awesome.

Nina concentrated and groaned as her legs merged together.

Miranda: I can't wait to see what a Lunar Eclipse is like. I heard that you guys saw a Total Solar Eclipse back in 2017.

Me: We sure did and that was unforgettable.

Nina turned into Gyarados!

Tayuya: Right on!

We then saw a merman on a rock.

Maria: Is that a merman?

Me: It looks like it.

Merman: Hey you chickenshit freak!

Me: You mean me?

Merman: That's right! You ya sea cucumber. Nice outfit. You look like a hobo dressed for a dump!

Me: Wait a second. I heard about you! You are Moby Jerk! The most foul-mouthed merman in all of the seven seas!

Moby Jerk: That's right and that was a good snappy comeback! You're about as exciting as a bag full of rotten prunes!

Me: Oh yeah? Well you're as attractive as the rotten broccoli that was in between Jeeves Weevil's toes for the last three and a half weeks!

Maria: Do you kiss your mother with that mouth? Or do you use it to lick shit out of your mother's ass?!

WHOA! CRUEL!

Me: Yeah you fishhead! Has anyone ever told you that your fucking mouth runs faster than your fucking brain?

Tayuya: Yeah you shitsucker! Last time I saw a mouth run that bad was when I was sucking that snake fuckers ass!

BURN!

Suddenly, Tayuya's eyes then turned neon red, and she was surrounded by a red energy aura with soundwaves and red fire, and as she approached Moby Jerk, she left red energy, soundwaves, and red fire with every step. Then, Tayuya was surrounded by a massive vortex of red energy with red fire and soundwaves surrounding it, there was a purple phoenix inside the vortex, and inside the vortex was a purple phoenix. Then, as the vortex faded, Tayuya emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Tayuya grew to 6'0" in height, she had the body of a goddess, she has purple highlights on the bangs of her long red hair, she has neon red eyes and a red energy aura with soundwaves and red fire surrounding her, she has a purple phoenix with the Sound Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with the Sound Kanji in its claws and a necklace with a phoenix holding the Sound Kanji in its claws for the pendant, she has on a sleeveless purple blouse with a red phoenix, purple blouse with red flames, black pants, black leather ankle-length combat boots, and a purple sleeveless trenchcoat with red flames on the coattails and a red phoenix on the back. Tayuya has a new flute in her hand called Death's Whisper, it's a flute measuring up to 6'0" in length with a large silver wolf's head with red gems for the eyes and a large red gem in its mouth on one end of the long black body of the flute and on the other end of the flute are a cluster of silver crescent moons with a red gem on the end. Tayuya has on her new Bracelets of The Champions of The Universe with red gems on her wrists, her new Belt of Elemental Bravery with large purple gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her right hip. There's a red kanji on the back below the phoenix that said, "Tayuya Uzumaki, Niece of Kushina Uzumaki, Cousin of Naruto Uzumaki-Namikaze, Dear Friend and Sister of Kin Tsuchi, Destroyer of Orochimaru and Her Former Teammates, and Master of Sound and Red Flames."

うずまきクシナの姪、うずまきナルトのいとこ、波風ミナト、親愛なる友人、金土の妹、大蛇丸と彼女の元チームメイトの破壊者、そして音と赤い炎のマスター

Tayuya has transformed into SUPER ANGEL 750,000,000,000 SOUNDSTORM CRIMSON INFERNO PHOENIX ANGEL OF FIERY JUSTICE!

We were amazed by Tayuya's Super Angel 750,000,000,000 transformation, but when Moby Jerk saw it, his eyes turned red with uncontrollable rage.

Me: WHOA! Tayuya you look awesome!

Eli: Boy you sure do.

Tayuya: (Divine Echoing Flaming Voice of Hope) **I sure do and this power is amazing.**

Maria: Now that you've transformed, should we stop with the insults and just go ahead with kicking his ass?

Tayuya: With pleasure.

Me: There's a saying we have in our culture against people like you.

Moby Jerk: And what's that? That you're a meatball?

Me: Nope and I've been called worse thank you very much. The saying is "It's Buttkicking Time!"

We went at Moby Jerk and punched and pulverized him into pulp and then a Cure Mermaid and a Preciomon joined the fight!

Cure Mermaid: Looks like you all could use a hand.

Syrus: Wow! Cure Mermaid.

Me: And a Preciomon. Awesome!

Preciomon: (Icelandic Accent) An honor to meet you all. I'm Sophia Rafnkelsdóttir.

Me: Whoa! You're a Preciomon Gene-Slammer. That is cool!

Simone: Awesome! It's cool to meet you both.

Cure Mermaid: Same here and from the looks of things you guys have just started beating up Moby Jerk.

Me: Yep. And this guy gives mermaids everywhere a bad name.

We pulverized him into pulp and he was in a net and unconscious and then I put on my blind man glasses and then Eli and Syrus covered their eyes and I snapped my fingers and then Nina and Sophia were reverting back.

Nina: (her legs split) Sophia, I hope Moby Jerk didn't insult you.

Sophia Rafnkelsdóttir: (Regains her arms and legs) No he didn't. But it looks like we got him.

Moby Jerk was battered and bruised up and unconscious.

Nina and Sophia were back to normal and were naked and Maria gave them new clothes and they put them on.

Nina Fernandez: Not that is an awesome outfit for you.

Sophia Rafnkelsdóttir: It sure is. Wow. The people of my home country love these.

Me: They sure do and being part Icelandic myself in terms of ancestral origin, that is amazing.

Allie Wilde: I didn't know about that J.D.

Eli: Bro has a lot of countries in his blood.

Sophia: (holds her head in pain) With me about to transform again, now would be a REALLY bad time for you to meet Johnny Bravo!

Simone: Reign in the power with the strength of your will. Concentrate. We did it and so can you.

Sophia concentrated and then she glowed in a neon grey aura and she was fully engrafted with Preciomon's powers.

Sophia: Whoa! That was amazing!

Me: Awesome! But if we do meet Johnny Bravo in the future we'll have to keep a close eye on him. You know how big of a womanizer he is.

Maria: No kidding.

We later went back to the estate and told everyone everything that happened and they were shocked and amazed.

* * *

After dealing with Moby Jerk for good, Lincoln, Me, Nico, Eli, Nicole, Brittney, The Goths of Darkness, and Ripster were heading to the theater of The Phantom of The Opera, and not only is Lincoln going to rescue the eight girls there, but we're also going to deal with the Phantom of The Opera, and Brittney's going to transform into her most powerful form ever, and demonstrate what the Powers of Darkness can do.

Lincoln: Wow, we're in the theater of The Phantom of The Opera, and I think I know what we're going to do here, not only am I going to rescue the eight girls there, but we're also going to deal with the Phantom of The Opera.

Me: That's right, big guy.

Nico: And I also sense that Brittney's also going to transform into her most powerful form ever, and demonstrate what the Powers of Darkness can do.

Eli: This is going to be good.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He saw the eight girls, but they've been cornered by The Phantom of The Opera.

Lincoln: Guys, I found the eight girls, but they've been cornered by The Phantom of The Opera. Come on, let's go.

We rushed on over, and Lincoln fired a blast of darkness, which caused The Phantom of the Opera to back away. Suddenly, Brittney Knudson's red eyes turned neon red, and she was surrounded by a black and red energy aura with vampire bats, the Equestrian Wendigo, and the creatures of the night, and as she approached the Phantom of The Opera, she left dark fire, black and red energy, darkness, vampire bats, the Equestrian Wendigo, and the creatures of the night with every step.

Then, Brittney Knudson was surrounded by a massive vortex of darkness and black and red energy with the Equestrian Wendigo running around the vortex and dark fire, there were vampire bats and the creatures of the night flying around the vortex, and inside the vortex is a blood red phoenix. Then, as the vortex faded, Brittney Knudson emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:14)

Brittney Knudson grew to 6'0" in height, she had the body of a goddess, she has long black hair and it has blood red highlights on the bangs and vampire fangs, she has neon red eyes and a black and red energy aura with darkness, dark fire, vampire bats, the Equestrian Wendigo, and the creatures of the night surrounding her, she has large black angel wings with red tips on the large black feathers, she has a vampire bat and Equestrian Wendigo holding the Dark Kanji emblazoned on her forehead, she has on vampire bat earrings with the Dark Kanji in its claws and a necklace with a vampire bat with a blood red gem on it and it's holding the Dark Kanji in its claws for the pendant, she has on a black sleeveless blouse with a blood red phoenix on it, a black blouse with vampire bats on it, black pants, black ankle-high leather combat boots, and a black sleeveless trenchcoat with vampire bats and the creatures of the night on it, and on the back is the castle of the vampires and a vampire bat. Brittney Knudson's large Sword of the Goths of Darkness had suddenly evolved, and it's now known as Eternal Night's Dark Embrace, as the 6'5" massive, wide, double-edged blade turned black and it still had the symbol of The Goths of Darkness on it. Brittney Knudson has on her new Bracelets of the Champions of The Universe with blood red gems on her wrists, Belt of Elemental Bravery with large blood red gem for the belt buckle on her waist, and Eater of Sins revolver holstered on her left hip. There's a blood red kanji below the castle of the vampires and vampire bat that said, "Brittney Knudson, Daughter of James Dean and Varie Knudson, Golden-Hearted Sister of Many Siblings, Empress of Darkness, Leader of The Goths of Darkness, Master of Darkness, Dark Magic, and The Creatures of The Night, Tamer of The Wendigo of Equestria, and Slayer of Evil."

リーダー、闇のマスター、ダークマジック、そして夜の生き物、馬術のウェンディゴの調教師、そしてスレイヤーオブイービル

Brittney Knudson has transformed into SUPER ANGEL INFINITY DARKNESS DEMONFIRE VAMPIRE AND WENDIGO ANGEL OF DARK INFERNAL JUSTICE!

We were amazed by Brittney Knudson's Super Angel Infinity transformation, but when The Phantom of The Opera saw it, his soul went ice cold with fear, as his time of judgement has finally arrived.

Me: (Stunned) Holy crap, Brittney's transformed.

Nico: Incredible. The Phantom of The Opera's in big trouble, he's about to see what the powers of Darkness can do.

Lucy Loud: Gasp, that's incredible.

Lincoln: Wow, Brittney, you look amazing. How do you feel?

Brittney: (Divine Echoing Cosmic Voice of Darkness and Justice) **I feel incredible, Lincoln, and now, I'm going to show The Phantom of The Opera what the Powers of Darkness can really do.**

(PHANTOM OF THE OPERA BY SARAH BRIGHTMAN PLAYS)

We also transformed and unholstered our weapons, and we went after The Phantom of the Opera and we fired powerful neon colored energy blasts and elemental forces at him. Then, Brittney and Lincoln fired powerful blasts of rainbow energy, dark energy, darkness, and Brittney also summoned vampire bats, the Equestrian Wendigo, and the creatures of the night as they ripped him to shreds. Brittney was really showing just how powerful the forces of darkness can be in their most savage and most powerful and the final blow was delivered by Lincoln and Brittney firing a powerful blast of darkness, killing him and Super Hakaing his spirit for good. We cheered wildly as Lincoln and Brittney holstered their massive swords right on their backs and power down, but Brittney's new clothes, weapons, and jewelry were permanent.

Then, Lincoln and Nicole went up to the eight girls sighted there, and when Lincoln saw them, he'd immediately recognized them. The eight girls were Rin Asogi and Mimi from RIN Daughters of Mnemosyne, Lime, Cherry, and Bloodberry from Saber Marionette J, Pacifica Casull from Scrapped Princess, Misaki Nakahara and Megumi Kobayashi from Welcome to the NHK.

Lincoln: Oh wow, it's Rin Asogi, Mimi, Lime, Cherry, Bloodberry, Pacifica Casull, Misaki Nakahara, and Megumi Kobayashi.

Nicole: From RIN Daughters of Mnemosyne, Saber Marionette J, Scrapped Princess, and Welcome to the NHK, awesome.

Lincoln: Are you girls okay?

Rin Asogi: Yes, we're okay, thanks to you.

Then, when Rin Asogi and the other seven girls saw who it was that saved them from The Phantom of The Opera, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally large and powerful upper and lower body muscles, eight-pack abs, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books right on his massive right pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Rin Asogi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones of himself went up to the girls, and they picked them up and hugged them in their abnormally large and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Rin Asogi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

We'd returned home to the Estate, and we showed everyone Brittney's most powerful transformation, and we also defeated The Phantom of The Opera, and showed him what the powers of Darkness can really do.

---

After dealing with The Phantom of The Opera, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

After that, Lincoln, Toph Bei Fong, Jessica Shannon, Hilda, Yuna Kamihara, Rita Ainsworth, Urara Shiraishi, Ayumi Kamisaka, Paiway Underberg, Shizuku Kurogane, Lily the Mermaid, Earth Chan, Lah Kara, Tangle the Lemur, Whisper the Wolf, Jewel the Beetle, Fena Houtman, Lina Davis, Akane Owari, Kasumi Tendo, Frosta, Perfuma, Entrapta, Shantae, Colette Brunel, Ryuko Matoi, Gluko, Batch, Kyoko, Misako, and Faye Valentine were getting ready for their date, this time, it's exploring Ba Sing Se, the capital of The Earth Kingdom.

Lincoln snapped his fingers, and the 16-year-old, 7'0" tall white-haired, handsome, and extremely muscular teen was dressed in an open short-sleeved orange shirt, white shirt underneath, large blue jeans, and large black ankle-high boots, and he still had on his large weighted orange bands on his large biceps and thighs. He had on his jewelry and weapons holstered, in case of trouble, and the girls were dressed in their usual clothes and jewelry, and they also had their weapons holstered, in case of trouble.

Me: Hey, Linc, where are you and the girls heading to this time?

Lincoln: We're off to Ba Sing Se, not only are we going to explore the place, but we want to see how it's been doing now that Ozai is locked up forever.

Nico: Good idea, big guy.

Azula: Oh, and while you and the girls are there, you should also visit the Jasmine Dragon, it's a tea shop that Uncle owns there.

Nico: She's right, I tasted the tea there, and it was delicious.

Lincoln: I'll do just that, Azula and Nico. See you guys later.

Lincoln and the girls left the Estate, and they headed for Ba Sing Se. Once they arrived in Ba Sing Se, it was still as beautiful as ever, and everyone there has been doing well after Ozai was defeated and he was thrown in prison for his crimes.

Lincoln: Wow, Ba Sing Se is still as amazing as ever.

Toph Bei Fong: And everyone here has been doing okay, now that Ozai is locked up for good.

Lincoln and the girls began exploring the city, and ever since Ozai's defeat, the city's also grown and changed. Then, Lincoln and the girls got a call from McWolf to meet him at his new castle, which is located outside of the city. Once they arrived at the castle, they were greeted by McWolf, and they'd gone inside the castle.

McWolf: Sorry to interrupt your date with the girls, Lincoln. But, I've got something to show you all. And I think you know these familiar faces all too well.

Lincoln and the girls followed McWolf to the center of the castle, and they saw a couple of figures all chained up by McWolf's Chains of Torment. But, to Toph, those figures were indeed familiar to her and her friends: the figures were none other than Long Feng, the powerhungry, former Grand Secretariat of Ba Sing Se and the leader of the Dai Li, who were the next couple of figures who were chained up by McWolf's Chains of Torment.

Lincoln: Long Feng?

Toph Bei Fong: And The Dai Li?

McWolf: Yep, when I found out that you guys were coming to Ba Sing Se, I decided to bring them all here, and the talisman cards prevented Long Feng and the Dai Li from using their Earthbending.

Lincoln: Azula told us about Long Feng and the Dai Li, they've caused a lot of trouble for the Earth Kingdom for the last time. So, that's why you captured and imprisoned them, so I can kill them and eliminate any future threats, right, McWolf?

McWolf: Exactly.

Lincoln sprouted out his eleven, massive, long, and powerful wolf tails with stingers, and they went at Long Feng and the Dai Li agents, and stung them in their backs. Then, Lincoln began sucking out and absorbing their energy and powers, as they're screaming in excruciating pain. Suddenly, the bodies of Long Feng and the Dai Li began shriveling up, and after a few hours, Lincoln turned Long Feng and the Dai Li into nothing but mummified husks, and then, he cuts them down with his massive Sword of Taranis, and they exploded in purple flame and their spirits were Super Hakaied for good. Then, the eleven tails then sink back into Lincoln, as he holstered his massive Sword of Taranis on his wider and muscular back.

Then, Lincoln and the girls left the castle, and they were going to tell us what happened with Long Feng and the Dai Li as soon as they got back. Then, Lincoln and the girls stopped in at the Jasmine Dragon tea shop, and they ordered their tea. When Lincoln took the first sip, the taste of the tea had sent his taste buds into overdrive. The girls also did the same thing, and they enjoyed the tea, and after paying for the tea, Lincoln and the girls went back home to the Estate.

Me: Hey, Linc, how was your date?

Lincoln: It was great, J.D., and everyone in Ba Sing Se has been doing okay, now that Ozai is locked up for good. Plus, we also got something to tell you.

Me: Let me guess, you killed Long Feng and the Dai Li agents that McWolf had imprisoned in his new castle in Ba Sing Se?

Toph Bei Fong: Yeah, how did you…?

Me: McWolf contacted me after Linc and you girls left the castle, and we already knew that Long Feng and the Dai Li agents were also agents of chaos within the government. We were planning on going after them, if they returned from the dead. But, you did an awesome job in getting rid of them, and McWolf did a good job in capturing them and imprisoning them in his castle for you to get rid of.

Lincoln: Thanks, J.D. And we also tried the tea at the Jasmine

Dragon, it was delicious.

Nico: Hah, I knew it.

We also looked at the pictures of Ba Sing Se, and we were surprised to see how much it's changed ever since we defeated Ozai and threw him in prison forever, and we listened to their accounts of their day at Ba Sing Se, and we were glad they had a lot of fun today.

Next Arkayna was getting ready to go on another Ambassador mission to the world of Blue Dragon.

Mumbo: Can I come with you this time, Arkayna?

Arkayna: Sure Mumbo. You will love meeting Shu and team.

Me: And don't worry about Nene. He is laying low after I scared him while impersonating Trigon.

Mumbo: I heard all about that. That is really good.

Me: (Imiitating Trigon) Nene cannot hide from the terrible Trigon.

Nico: Awesome imitation!

Lincoln: Yeah it sure was.

Arkayna: Awesome! Next time I'll have Zarya come along.

Me: Okay.

Arkayna opened the portal and they went through it and in the world of Blue Dragon they saw Shu and friends.

Shu: Arkayna!

Arkayna: Shu, I'd like you to meet my archenemy.

Shu: Wow!

Mumbo Jumbo: Pleasure to meet you all. I am Mumbo but I am known as Mumbo Jumbo and I'm a Magician Villain.

He showed a magic trick by pulling birds out of his hat and even stealing a gold watch from one of Shu's enemies.

Mumbo Jumbo: (To Kluke) For you my dear.

Kluke: Oh wow! You stole Cynthia's watch.

Arkayna: He used to be one of the Teen Titans enemies before joining our Frenemies the Masters of Evil. We have amazing battles almost every adventure.

Zola: That is amazing. Lincoln told me they were called Usual Battles.

Arkayna: That's right.

Zola: That is amazing.

Arkayna: Listen, is it okay if I try to summon a Shadow monster of my own?

Shu: If you think you have that kind of power. Go for it.

Arkayna: Here goes.

She concentrated and then flared up a green aura and then her shadow came to life and it formed into THE GREEN DRAGON!

They gasped in sheer amazement!

Bouquet: WHOA!

Kluke: WOW! That is awesome!

Mumbo Jumbo: Way to go Arkayna!

Zola: The 2nd Most Powerful of the shadows. The Green Dragon.

Green Dragon: Awesome job summoning me on your first try Arkayna.

Arkayna: Wow! I really did it! Awesome!

Mumbo: When it's time to kill Nene, he won't know what hit him!

Arkayna: No he won't. And I think every one of us can summon a Shadow. I bet Zarya's is gonna be a wolf.

Shu: That would be cool to see.

Zola: It sure would.

Kluke: Yep.

Shu: Arkayna, this might surprise you. But I feel like you're the big sister I've always wanted.

Arkayna: Am I really?

Shu: Yep. It's because you are an amazing and gifted girl that went through so many amazing adventures. And you have amazing powers and have done so much already.

Arkayna: I'm honored that you think that about me and I would be honored to be your sister figure.

Shu and Arkayna hugged.

Later she and Mumbo went back home.

Zarya: How was today's visit?

Arkayna: It was great!

Arkayna told us what happened and we were amazed! Not only did Arkayna summon her own shadow but also we were amazed that she is now a sister figure to Shu.

Laney: Wow! That's amazing!

Me: No kidding! We're really proud of you Arkayna.

Zarya: I can't wait till we go to meet Shu and friends.

Me: You'll like them Zarya. But I wonder if I can summon a shadow.

Nico: That would be cool to see. Try it out.

Me: Okay.

I concentrated and then flared up my rainbow aura and then my shadow came to life and it formed into a beautiful RAINBOW ANGEL!

Everyone gasped in sheer amazement!

Nico: WHOA!

Eli: WOW! That is amazing!

Rainbow Angel: You have succeeded in Summoning me J.D.

Me: Whoa! Wow! A Rainbow Angel.

Rainbow Angel: Yes. The strongest Shadow there is. Next to the Blue Dragon.

Me: That's amazing! Nene is gonna be in for a huge rude awakening when we face him soon.

Rainbow Angel: Indeed he is. You now can master my power like you have done so with so many.

Me: Can't wait to test those powers out.

The shadow vanished.

* * *

Later on the north side of the city we were called in by a man who said that his daughter was kidnapped.

Bai Tza: So, let me get this straight. You want us to kill this scumbag who's taken your daughter?

Man: Yes please! Help me! I love my daughter!

Eli knew he was lying and I was too. Something was seriously screwed up as I have seen nothing but pure evil in his eyes. They were black as night and completely devoid of a soul. I also saw nothing but pure evil in his heart as it was completely black as night as I saw into his soul with my eyes. But I couldn't let him know that I was onto him so I played along.

Me: Can you give us a picture of your daughter so that we know what she looks like?

He gave us a picture of a girl and she had a voluptuous appearance and beautiful blond hair.

Me: Hey that's Nikki. She goes to school with us.

Nico: Wow. She is pretty.

Eli: She sure is.

Me: We'll find her for you.

We went to find her.

Vanellope: I don't trust this guy. He reminds me too much of King Candy.

Weiss: I don't trust him either. He looks a little like a business man only wanting money. Much like my former father.

Me: Yeah I can tell.

Nico: What do you mean?

Me: When I looked into his eyes, I saw nothing but pure evil and his eyes were totally devoid of any kind of conscience. I also saw inside him.

Weiss: Inside him? What do you mean?

Me: I saw this weird pitch black darkness surrounding his heart. There was nothing good in it at all. Like I was seeing into his soul.

Brittney: You saw his soul dad. It's full of pure evil.

Me: Weird. It's like I gained a new power.

Nico: Yeah.

We then Went to the docks and in an abandoned warehouse we found her and the kidnapper.

Me: Freeze buster!

Kidnapper: This must be the part where you guys kill me, right?

Snapdragon: OF course not. What makes you think that?

Kidnapper: Well, isn't that what you do to all criminals you meet?

Lori: Only the ones who deserve it. And something is telling us you literally aren't one of those people.

Chris: You're right. First of all my name is Chris. And I kidnapped Nikki because her dad wanted to buy my family's shop. But when we refused to sell it, he just burned it to the ground. Now my parents live in poverty all because of him.

We gasped in shock!

Me: Oh man! I knew there was something evil about that man! And I knew I have seen that monster before! His name is Lance Serington and he is a monster!

Nikki: Yeah he is. I hate my dad.

Me: You do Nikki?

Nikki: You bet I do. He is a total slavedriver who loves to torture his employees. His secretary once asked him if she could leave work early to pick up her sick daughter from school, but he responded, "Ha! Today you're gonna work overtime until midnight or you're fired. Now go back to work you lazy bum!" Afterward, he thought it was funny to make me - his 8 year old daughter - fire a pregnant woman. Not only that but when he got arrested for starting a fire he demanded that they let him go or he would sue them all for everything they got and put the police out of business. He was also a cheater. HE threw big parties at our house and he would invite beautiful models over and made out with them right in front of my mom. He always hired the prettiest nannies for me just so he could sleep with them behind my mom's back. Once I even caught them kissing in my bed. Last week he saw a wrinkle on my mom's face, so he screamed, "Get that fixed or I'll put you on the streets!" Sometimes I wish he was just dead.

Chris: Yeah and I demanded a $1,000,000 ransom.

We gasped in shock. We were duped!

We got Nikki and Chris to go with us and we confronted Lance.

Wheelie: You lied to us! You tried to manipulate us into killing an innocent person you hurt! Why?!

Lance Serington: (laughs) Why? It's simple. I knew I had to get rid of that thorn in my side. So, knowing that you all kill every criminal you meet, I knew that you'd jump at the chance to send that scum to Hell once I told you that he kidnapped my daughter!

Me: But we already know the truth!

He ranted about everything that Nikki said. But what he didn't know however was that Luan was recording him. He hated his daughter and hated everything! He wants to make everyone suffer! He is a greedy monster that wants nothing but money all just to satisfy his own greed! He destroyed countless lives all for money! He destroyed businesses, homes, jobs, lives and even killed innocent people ALL FOR MONEY!

Me: Hmm. Thank you.

Luan pulled a microphone out from behind her back and then…

Guns were clicking and the FBI had them all pointed at him with lasers all pointed at him all over his body and he was arrested.

Me: You are under arrest.

Luan pulled out a tape and gave it to the agents.

---

In the park, Garrett and the X Squad were there to have some fun and they then heard crying and saw that it was coming from Andrea Davenport who was crying her eyes out even after we humiliated her.

Garrett: Poor Andrea.

Muty: Hey Garrett, I think we better go over and talk to her.

They went over to her

Zap (Garrett's universe): (Gurgling Voice) Hey, Andrea. Can we talk?

Andrea Davenport: (turns around with tears in her eyes) W-What do you guys want?! C-Come to scare me some more?!

Julie Hinikawa: Geez, have you been crying over since Kushina humiliated you?

Andrea Davenport: (Crying) Yes!

Iris Grace Tyler: Poor girl.

Cronus: Look lass, there's something that you need to know about us. We aren't from this universe.

Garrett: Yeah. Let's just say we're basically psychos and nutjobs that are pointed in the right direction that are here to work alongside Team Loud Phoenix Storm.

Andrea Davenport: What do you mean?

Garrett: We're the black ops of the OmniVerse Defense Force, the X Squad.

Garrett went over every mission they did and revealed everything down to the details and more and Andrea Davenport was horrified by the possible war crimes they committed and intrigued at how detailed Garrett was when butchering Mark Hoffman (and was even taking notes). When Garrett was finished, Andrea was shocked and horrified.

Andrea Davenport: Oh man! Garrett, I had no idea you were that sadistic! I mean putting Hoffman in one of his own traps and rigging it so that he can't even escape and dropping him into sawblades that are on fire and then eating it with marinara sauce, that's sadistic!

Cyclonis (Garrett's universe): We all were shocked ourselves.

Ridley (Garrett's universe): Yeah, that was one crazy Sunday and Garrett joked that he and I quote "made better use of human resources then Hannibal Lecter".

Hun Gurr: So, what do you say? Do you want to make things right with Molly and Libby?

May: It's really your choice. But are you and Kushina good now?

Burgundy: Yeah I forgive Kushina. But I still don't know if I can forgive Molly or Libby.

Bangray (Garrett's universe): Okay then.

Burgundy: So… why is Team Loud Phoenix Storm not here?

Sho Kusakabe: Oh they're at the estate training.

Andrea Davenport: I see.

Cell (Garrett's universe): If I may make a suggestion, how about you join us? We offer food, possible sanity loss, and a very distinct lack of therapy. Those and you get to do good rather than be good, pay heed, blood might be shed, probably that of federal officers.

Andrea Davenport: Good idea. (Stomach Growls) Man I'm hungry!

Princess Morbucks (Garrett's universe): I got you covered. As long as we're here we might as well have a picnic.

Princess Morbucks (Garrett's universe) ordered lots and lots of KFC. Andrea was really hungry after bawling her eyes out.

Neo Politan (Garrett's universe): Whoa! She is really hungry.

Sapphire Ink: Boy I don't blame her. After crying that much, she must be hungry.

Cowboy: Yeah.

Andrea Davenport: But thanks guys. This is delicious.

Garrett: KFC, finger lickin good and possibly made with humans and chickens.

They laughed and it was awesome.

---

Later we were getting ready for our next mission.

Ace: J.D., it's your turn to lead today. (disgusted) Is it wrong that I feel dirty right now?

Me: I know. But believe it or not, Nicole and Lincoln and Naruto and all of Team Cosmic Dragon felt exactly the same way. Remember Akahoshi from the Hidden Star Village.

Ace: (Feels better) Right! I remember! He used the Hidden Leaf to protect the meteorite that the Hidden Star Village took pride in and he was really a bad guy. I forgot that this happened before.

Nicole: Yep it's true.

Nico: I still can't believe that it happened again.

Me: Well we'll be all right. Also Lance will never hurt anyone again. Nikki and her mom and Chris are now put into our protection and I gave Chris' family the money they need to rebuild their lives back up.

Eli: That's good.

Twilight Sparkle: You are a true friend J.D.

Me: Yeah. But we're going down to New Orleans, Louisiana to get a great view of the Lunar Eclipse tonight.

Laney: Awesome! I can't wait to see it.

Greiger, Beautiful Gorgeous, Devack, Brass Knuckles, Titania, Cheshire, Tri Klops, Technus, Girder, and Johnny 13 then appeared.

Beautiful Gorgeous: Can me, Greiger, Devack, Brass Knuckles, Titania, Cheshire, Tri Klops, Technus, Girder, and Johnny 13 go with you guys? Nikki can come with us too if you want.

Me: You all sure can.

Greiger: We heard about what happened to Nikki and her mom and Chris. Are they okay?

Me: Yes they're fine and Lance has been indicted on numerous counts of crimes including Murder, Arson, Destruction of Public Property, Wire Fraud, Fraud, Child Abuse, Assault and Battery, Wrongful Termination and more. He is looking at the death penalty for his crimes as well as paying massive amounts of money in restitution and damages.

Nico: Yep. He brought all this on himself.

Eli: Good riddance. Monster!

Greiger: No kidding. But thank goodness you all stopped him.

Me: Yep. We're going down to New Orleans to see the eclipse. Jonny Quest, Jessie and Hadji are gonna be there and Race and Dr. Quest are gonna be out with friends on the Mississippi River on a Riverboat Cruise while Jonny, Jessie and Hadji stay back to watch the eclipse.

Nico: Oh wow.

Me: Lets head out.

We were off to New Orleans, Louisiana.

## NEW ORLEANS, LOUISIANA

We arrived in New Orleans.

Future Maria: Good old New Orleans.

Me: Yep the Jazz Capital of The World and Lisa Simpson's favorite place.

Lisa Simpson: Yep and it's amazing that there are so many people that love jazz.

Laney: My kind of place to go to.

Me: Always a fun place. Lets go find Jonny, Jessie and Hadji.

We went to find them and we saw Jessie and Jonny.

Titania: Hey, Jessie!

Jessie B.: Hey guys! Glad you could make it.

Me: Wouldn't miss this eclipse for anything. They said it's gonna be the longest Annular Lunar Eclipse in almost 600 years.

Nico: Wow! This is a really rare event.

Me: It sure is. I hope Dr. Quest and Race are having a fun time.

Jonny Quest: They are. What's been happening with all of you?

Me: Lots of things Jonny. How about you?

Jonny Quest: Oh I think Hadji has an awesome girlfriend.

Me: Wow! We're happy for him.

Nico: Yep.

Me: What's her name?

Jessie B.: Elise Lenoir.

Me: Pretty.

Brittney was having suspicions.

Brittney: Elise Lenoir. Where have I heard that name?

Trent Fernandez: Is she related to Simone Lenoir? Ironically, we fought her here after the war.

Jessie B.: I don't think so Trent. She's a black haired woman and Simone's was blonde.

Me: Kind of weird how she shares the same last name as Simone does. And Simone has been around for 300 years.

Nico: Yeah no kidding.

Me: Anyway me, Jonny and Eli are gonna go for a stroll. You guys go check on Hadji and this Elise.

Nico: Okay.

Jonny got on his hoverboard and we flew around.

In the park, everyone else saw Hadji and he was with Elise Lenoir. She was a black hair woman with green eyes and fair skin.

Tri-Klops: Something about this girl seems a little off.

Anakin: Yeah I sense it. It's evil whatever it is.

Nico: Yeah. I wonder if J.D, Eli and Jonny have found something.

On another part of the city we saw the police and they had a body.

Me: Hmm.

Chief: Just like the others doc?

Doctor: All male victims. Totally drained. Almost mummified.

Chief: That makes 7 in 6 months.

We saw a man that was totally drained of his life energy. Dead in an instant.

Me: Weird. He's totally dead. Something sucked the life out of him.

Eli: Yeah. I'm not sensing any life energy in him at all.

A cop pulled out a gold gun.

Cop: (Sniffs for Gunpowder) Poor guy never even got a shot off.

Jonny: Wow. That looks like the same kind of gun I knocked into the river.

Cop: Get a load of this Kenton. (Looks in the Barrel) Silver Bullets.

We saw that the gun had Silver Bullets in it. Weird.

Me: Silver Bullets? Who would use silver bullets?

We followed Jonny to a building where he saw a bullet hit and he used his pocket knife to pull out a bullet slug and it was pure silver.

Jonny: Silver. For a mugger he sure uses expensive ammo.

I used my magnetic powers and brought out the gun that fired that shot.

Me: Wow. 35 caliber pistol.

I looked in the barrel and it had silver bullets.

Me: Silver bullets. Just like what we saw.

We went back and told everyone.

Me: We found something really weird in our exploration. We found the police carrying a man that was totally mummified.

Nico: Mummified? How?

Me: He had the life totally drained from him. 7th victim in 6 months they said.

Vince: That is too weird.

Sea Clamp: You think Elise did this?

Me: Yeah and the gun one of them had was loaded with silver bullets.

Varie: Silver bullets? Is she a werewolf?

Me: I don't think so. But we don't have any proof to know for sure. But this gun that I found that Jonny kicked into the river speaks volumes.

Devack: I think Hadji might in danger!

Me: Lets not panic. But we got to find out more. I think it has something to do with the eclipse.

Nico: I think Hadji is taking Jessie somewhere.

We saw Hadji driving Jessie.

Me: Lets go!

We flew after them but then Jonny hit a wall and then he was saved by a man in black coat from being trampled by a horse and carriage!

Man: (French Accent) Into ze car!

Jonny: Now listen!

Arnaud: No YOU listen! My name is Arnaud and your friend is in terrible danger!

Me: Is it Hadji?

Arnaud: No. Ze girl.

Me: We better get over there and fast! Come on!

I whistled and so did Brittney and my Rapidash and Brittney's Nightmare Horse came and me and Allie got on my Rapidash and Brittney got on her Nightmare Horse.

Leslie Gesneria: Hey, Jonny. We were just taking a stroll when we saw that you made a new friend!

Jonny: Something is wrong guys! Jessie is in danger!

Me: Lets go! HYAH!

We flew and ran and rode with Arnaud and Jonny.

Arnaud: Ze eclipse has not started and one of my men is watching ze house. She is safe for ze moment.

Me: Good.

Jonny: Safe? Safe from who?

Arnaud: Ze demon, Elise Lenoir.

Jonny: Elise?

Me: She's a demon?

Brittney: Oh God help us! I knew there was something evil about her!

We were heading to the Lenoir estate.

Greiger: Tell us more about her.

Jonny: I still can't believe that…

Arnaud: No one ever does. But she is a demon who drains ze life essence of others to sustain her youth.

Me: Oh shit!

Brittney: She is a life force draining succubus!

Kurumu: Like me?

Brittney: No Kurumu. 1,000 times worse.

Jonny: And all those bodies the police found…

Arnaud: We're merely to sustain her beauty until tonights eclipse when a new victim must come of her own free will. I tried to show zis to your friend today. But she ran away. Do you know who zis is?

He pulled out a photo and showed it to Jonny. It was a picture of a woman that looked like Elise.

Jonny: It looks kind of like Elise.

Nico: The resemblance is completely uncanny.

Arnaud: It was taken 50 years ago.

Jonny: 50 years?

He turned it over and there was a name on it: Celeste Arnaud.

Arnaud: My sister, Celeste. I was only 16. It was during an eclipse in Leone where ze creature cast her spell on me and it was I who lead Celeste to ze chateau and ze creature stole my sisters youth and her face. I have been hunting her ever since.

He showed a blade cane.

Jungle Fury Camille: I get it. She's planning to drain the life out of Hadji!

Arnaud: No! It's ze girl she wants.

Jonny: So she's hunting Jessie!

Arnaud: Yes. It is her life force which will rejuvenate ze creature for another 50 years.

Jonny: Unless we stop her!

Arnaud: She can hypnotize those around her into doing her bidding. Like Servants. Or ze woman who adopted her.

Me: This is bad guys. This is bad. We got to destroy her and fast.

Nico: We are also going to have the usual battles too.

Me: I don't think we're gonna have enough time to do them while fighting this demon too. This eclipse only gives us a small window of opportunity to act if we're going to save Jessie.

Eli: How long do we have?

Me: 12 Minutes and 30 Seconds.

Cheshire: Then we'll have the usual battles after we save Jessie and Hadji and destroy Elise.

Me: Right! Maria you better call them in to help us out in this one.

Maria: You got it.

She called the Masters of Evil and out came the U-Foes, Scorpion, Beetle, Whiplash, Drakkon, Vulture, Xaldin, Speed Demon, Kitty, and Zexion.

Me: U-Foes, Scorpion, Beetle, Whiplash, Drakkon, Vulture, Xaldin, Speed Demon, Kitty, and Zexion.

Lord Drakkon: Time for the battles already?

Me: No not yet. We got a big emergency here.

Then the car started sputtering and they saw that it was out of gas.

Me: Uh oh.

Laney looked around and she saw gas dripping from the fuel line.

Laney: Someone cut your fuel line.

Me: How far away is it from here?

Arnaud: Another mile or so. We're running out of time.

Me: The eclipse is about to begin. I'll set my watch for 12 minutes and 30 seconds.

Eli: Okay.

I set my watch.

Me: Hang on tight.

I teleported us all there and we arrived at Elise Lenoir's estate.

Nico: Nice place.

I looked at the Moon and the eclipse has started.

Me: The eclipse has begun. Time starts now.

I started the timer!

12:30, 12:29, 12:28.

Me: There's no turning back now! Lets go!

Vulture: We also have someone else with us.

Sunny Flare: Who would that be?

?: Me.

Leo Corbett: That voice! HEXUBA!

We saw a figure come out and it was HEXUBA!

---

Hexuba is an ambitious and evil Egyptian-themed intergalactic sorceress who is in league with the wicked Captain Mutiny and a villainess in Power Rangers Lost Galaxy.

She was voiced by Rajia Baroudi, who also voiced Queen Miraj Scintel in Star Wars: The Clone Wars.

She takes residence in her floating mansion within the Lost Galaxy alongside Captain Mutiny's castle on the back of the Titanisaur.

She hid in an abandoned shop in the space colony Terra Venture and began her infiltration since after it arrived in the fabled Lost Galaxy. She was responsible for resurrecting several enemies that the Galaxy Power Rangers had already defeated, including Treacheron.

After the Rangers defeated the revived monsters, she merged together with the spirits of the monsters that bore her golden eye emblem and challenged the Rangers herself, but was destroyed by the Galaxy Megazord with the help of the Defender Torozord, Stratoforce Megazord, and Centaurus Megazord.

---

Me: Whoa! Hexuba! I remember you! You resurrected many enemies already defeated by the rangers and even merged many spirits of them together.

Hexuba: That's right. Good memory on you J.D.

Me: Never missed an episode. We can catch up later right now we got to save Jessie. Entrance time!

We went at the estate of Elise Lenoir.

Elise Lenoir: Everything I need is right here!

A shroud of darkness appeared out of nowhere and then red eyes popped out all over and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off and then a phoenix cry was heard and we popped out.

Me: Get away from her you bitch!

I kicked Elise in the face and sent her crashing into the wall and then I cut Jessie free.

Leo Corbett: Hexuba, I know we didn't get off on the right foot years ago. But, do you want to join the Msaters of Evil after we clean this mess up?

Hexuba: Okay.

May: Wait. Just like that?

Hexuba: Yep. Lets get her!

We went at Elise.

9:21, 9:20, 9:19.

Arnaud: Get the girl away until the eclipse ends!

I punched her in the face and sent her crashing into the wall and Jonny went at her with the knife cane ready like a spear and Elise jumped and then she revealed her true form! She was a horrifying bat creature!

Elise Lenoir: (DEMONIC VOICE) **I must have her NOW** !

She went at us and Eli fired a blast of Force Lightning and smashed her down.

Me: Lets take this outside!

We flew out and she flew after us!

Elise Lenoir: (to Kitty) **If I can't have the girl, I'll have you instead!**

Johnny 13: Stay the fuck away from my girl!

POW!

I kicked Elise in the face again.

Me: And she's already dead! KIBAL LETS HOWL!

(The Wolf And The Moon by Brunuhville plays)

I turned into Wolf Moon!

I slashed Elise in the face and cut her eyes.

BANG!

Eli fired a silver bullet and it hit Elise in the back and she screeched in pain!

Me: Try this one! WOLF MOON STYLE NINJA ART: SILVER WOLF PACK FIRESTORM!

I swung my scythe and fired a wave of silver fire and it formed into a pack of wolves and they mauled Elise all over.

Apeface: You're not draining anyone else!

Apeface punched her all over.

Nico: How much time?

I looked at my watch and it said 6 minutes and 15 seconds.

Me: 6 minutes and 15 seconds!

We saw that the Eclipse was half way over as the moon was covered by the Earth's shadow!

Jonny: The Eclipse is almost over!

Laney: Almost there!

Technus: Cyborg, let's combine into Cytech!

Cyborg: You got it!

They merged and combined to form CYTECH!

They fired lasers and missiles and they hit Elise all over!

Brittney was on the ground chanting an incantation. It was an incantation to open a portal to send the demon back to Hell.

Ratbat: You're going back to Hell where you belong!

Maxxor: By the authority of the Tribal Alliance, we're taking you down by force!

Me: And as Dark Spicer would say, Here's Your Warning: Your a** is About to be Kicked!

Back in Gotham Royal York, Dark Spicer was eating lunch with Vypra when he suddenly sneezed.

Vypra: Sounds like J.D. used your line.

Dark Spicer: Feels like it.

We went at Elise and Maxxor, Rothar, Nom, and Pyrithion blasted and pulverized Elise all over.

Brass Knuckles: How could you do this to Hadji?! He trusted you!

Elise Lenoir: **I didn't want to be with Hadji anyway! He was just a pawn in my plans!**

Me: Just what I would expect from a blackhearted demon!

Natsumi: Demons like you make us look bad!

Natsumi fired blasts of fire and she burned Elise all over!

Naruto: Take that!

Emma: Let's keep it up, guys!

4:13, 4:12, 4:11, 4:10.

Megaforce Rangers: LEGENDARY RANGER MODE! LUPINRANGER VS PATRANGER!

The Megaforce Rangers turned into LupinRangers and PatRangers! Troy, Noah and Gia turned into the LupinRangers and Jake, Emma and Orion turned into the PatRangers!

They blasted Elise all over.

Elise tried to punch Girder but he turned to metal, breaking her hand.

CLANG! OUCH!

Girder: (laughs) I'm sorry. Did I break your hand or wing in this case?

Aylene fired a blast of fire and burned her all over.

Eli: Try this one on! DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

He fired a dragon made of Pitch Black fire as hot as the sun and it went at Elise and it hit her and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

Elise was knocked down but not out!

Kurama: Wow! Eli used the Darkness Technique!? But how?

2:11, 2:10, 2:09, 2:08.

Snapdragon, Bai Tza, Vanellope and Wheelie used the Earth Cyber Planet Keys and they enhanced Snapdragon's Gyro Gun, Wheelie's Fire Stone Knife and Bai Tza and Vanellope's powers 100-fold.

Snapdragon and Bai Tza: GYRO MAELSTROM MEGABLAST!

Vanellope and Wheelie: GLITCHING FIRE STONE BARRAGE!

Princess Luna, Moondust, Snowdrop, Children of The Night, Ink Rose, Moonlight Raven, Dark Skylanders, Shadow Lucy, Lucille Loud and Goths of Darkness: DARKNESS ULTRA MEGABLAST!

They fired waves of darkness and energy and water and fire.

Me as Wolf Moon, Jonny, Jessie, Hadji, Technus, Sailor Moon, Sailor Cosmos, Cyborg and Eli: WOLF MOON MEGA BLAST!

We fired a massive blast of silver fire.

They fired waves of elements and they formed into said moons from all over the solar system.

X-Squad: MOON FINAL SMASH: MOON MADNESS!

The X Squad flung Elise into the moon, sending her flying after the crash.

Lincoln and his harem: LUNAR FINAL SMASH: MOONLIGHT FINAL FLASH!

They fired a massive lunar version of the Final Flash at Elise and the blasts all hit her and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Elise got out of the smoke from the explosion.

Elise tried to charge at Nadira but Ransik grabbed her by the throat.

Ransik: If you think I'm letting you feed on my daughter, you have another thing coming!

He threw Elise into the air.

Me: And Elise, Your Time is UP!

0:03, 0:02, 0:01, 0:00!

Elise screeched as she saw the Moon uncovered from the Earth's shadow and the Eclipse was over and she was starting to disintegrate and then she fell to the ground and a portal opened and it lead into the fires of Hell and it closed as she fell into it and Elise Lenoir was gone for good!

Arnaud held out the photo of her sister.

Arnaud: Now Celeste, you may finally rest in peace.

He kissed the photo and wept tears.

We all regrouped.

Drakkon: I'm sorry about Celeste, Arnaud.

Scorpion: We knew how much she meant to you.

Beetle: But at least she's in heaven now.

Arnaud: Indeed. But thank you all for helping me get justice.

Me: It was our pleasure Arnaud. Again you have our condolence's for what happened back then.

Whiplash: (to me) We heard you met a foul mouthed merman this morning.

Me: Boy we sure did.

Vulture: How many insults did you throw at him?

Me: Some of the best ones and even ones I learned from Tayuya. But they are too graphic to say.

Vulture: Oh.

We went back to New Orleans and went to the town square for the usual battles.

J.D. Knudson as Wolf Moon, Twilight Sparkle, Thunder Sparkle, Luster Dawn, Sunny Starscout, Princess Cadance, Lorelai, Princess Amore, Flurry Heart, Lilly Crystal, Cloud Star, Minuette, Twinkleshine, Lemon Hearts, Moondancer, Lyra Heartstrings, Bon Bon, Donut Joe, Spike the Dragon, Shining Armor, Tempest Shadow, Swift Foot, Gallus the Griffin, Star Swirl the Bearded, Magic Skylanders, Crystal Laney, Rai, Sena, Joe Shimamura, Mighty Morphin Rangers, Breach, and Ace VS Lord Drakkon - Terrible how a Demon like Elise Lenoir can cause so much damage over the course of 50 years

Lord Drakkon was first.

Drakkon: (to me) It's terrible how a Demon like Elise Lenoir can cause so much damage over the course of 50 years. Thank God she's dead now.

Me: Boy you are not kidding there. What she did was completely unforgivable. She killed 9 people in just 6 months. All of them males.

Twilight Sparkle: That is terrible. But thank goodness we were able to stop her when the eclipse ended.

Thunder Sparkle: Yeah. What Elise did was horrible.

Lord Drakkon: What kind of demon was Elise?

Me: A succubus-vampire. A kind of demon that drains the life force of others to sustain her youth. 50 years ago Arnaud was hypnotized by the demon and he lead his own sister to a chateau where it killed her and took on her form. He was hunting her ever since.

Sunny Starscout: Boy that is terrible. I feel bad for Arnaud.

Princess Cadance: We all do. He lost someone totally precious to him.

Lorelai: Yeah he did nothing to deserve this and he lost his sister to that monster!

Princess Amore: And it was all against his will.

Flurry Heart: No kidding. Celeste can now rest in peace after everything that happened.

Cloud Star: And that demon is back where it belongs.

Lilly Crystal: In the fires of the Inferno.

Minuette: Yeah you got that right. Poor Arnaud. I feel really sorry for him.

Twinkleshine: And he was hunting that demon for 50 years? Whoa.

Lord Drakkon: That must've been really unhealthy for him.

Me: The pursuit of justice usually is a long one. But it's amazing that Arnaud was able to hunt her for that long. At least his sister is at peace.

Lemon Hearts: That's true. After everything that happened he needed it.

Moondancer: I agree. He went through so much over the years.

Lyra Heartstrings: Boy he sure did. But at least we helped him out and brought an end to that demon for good.

Bon Bon: Yeah no kidding. I don't think the police are going to believe this.

Me: Don't worry Bon Bon. I told them everything before we got the battles started. With everything that we went through over the last 5 and a half years it wasn't that big of a surprise to them.

Bon Bon: Oh.

Donut Joe: I just hope that Arnaud can put all this behind him after everything that happened to him.

Spike the Dragon: Yeah no kidding and he needs all that closure too.

Shining Armor: He sure does. Poor guy.

Tempest Shadow: I just can't believe that he went through all this.

Swift Foot: That must've been terrible to go that long to find someone that is that dangerous.

Gallus: Especially if that someone is a demon.

Star Swirl: No kidding.

Lord Drakkon: Boy I agree with you there. Arnaud went through a nightmare and all for the very demon that kiled his sister. But with everything you all went through he was easy to believe.

Me: No kidding. And it's good we stopped Elise for good.

Spyro: Boy no kidding. Elise is a true demon and she gives all Succubi and Vampires a really bad name.

Crystal Laney: You're not kidding there.

Rai: Yeah it's good we stopped her.

Sena: This eclipse turned out to be a really cool eclipse and adventure.

Joe Shimamura: It sure was and we won't see another eclipse like this for a long time.

Lord Drakkon: No kidding. And how long was the eclipse?

Me: Lasted 12 minutes and 30 seconds. It gave us a narrow window of opportunity to destroy Elise.

Jason Lee Scott: Yeah it sure did but we succeeded.

Kimberly Ann Hart: We sure did.

Billy Cranston: Yep we sure did.

Lord Drakkon: You guys sure did. Lets do it!

Tommy Oliver: Lets do it guys! IT'S MORPHIN TIME!

THUNDERCLAP!

Tommy: "Dragonzord!"

Zack: "Mastodon!"

Kimberly: "Pterodactyl!"

Billy: "Triceratops!"

Trini: "Saber-Toothed Tiger!"

Jason: "Tyrannosaurus!"

They transformed!

Jason: "We're back and ready to morph into Action!"

Tommy: "Six working to together to fight evil!"

Zack: "And stop Rita!"

Billy: "And all her menacing monsters!"

Trini: "From destroying our Planet Earth!"

Kimberly: "And ruling the Universe with evil!"

Jason: "Look out, Rita, we're not backin' down because we're the…"

All: "Power Rangers!"

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready to kick some butt!

We fired waves of energy, blue fire, elements and magic and smashed him down.

Me: TAKE THAT! (HOWLS)

Twilight Sparkle: That was so amazing!

Duncan, Sunset Shimmer, Phoenix Shimmer, Triple Berry, Pepperdance, Cayenne, Wallflower, Pip-Squeak, Adagio Dazzle, Aria Blaze, Sonata Dusk, Gusty the Great, Fire Skylanders, Fire Lori, Jet Link, Spiderman, Mary Jane, Kumiko and Future Maria VS Scorpion - Moby Jerk must've been one vulgar merman and he needs to have his mouth washed out with soap

---

Scorpion was next.

Scorpion: (to Duncan) Moby Jerk must've been one vulgar merman. The asshole needs to have his mouth washed out with soap.

Duncan: You got that right and Tayuya has an even worse rotten mouth than he does.

Sunset Shimmer: Yeah no kidding! But J.D. and his team gave him what for.

Phoenix Shimmer: Yeah no kidding. But it would be funny to see them burp out bubbles.

Triple Berry: That would be awesome to see.

Pepperdance: (Cajun Accent) Ooowee! I would pour hot sauce down their throat.

Cayenne: Ooh! Nice Pepperdance. I would use my magic to wipe their mouth off.

Wallflower: I feel the same way but I would clamp a bear trap onto his mouth.

Firecracker Burst: OUCH! That would hurt.

Pip-Squeak: (British Accent) That was amazing to see J.D. do that with Moby J***. It was awesome how Tayuya transformed.

Adagio: It sure was. I thought she looked amazing.

Aria Blaze: She sure did. I thought it was amazing.

Sonata Dusk: I thought so too and she kicked that monsters fishy butt.

Gusty: Boy she sure did. We're proud of her.

Sunburn: There's only room for one person that has a rotten mouth and that's Tayuya but only when necessary.

Fire Lori: You literally got that right. But what has me concerned is when we meet Johnny Bravo.

Scorpion: I've heard about Johnny Bravo and he is quite the womanizer from what I heard. But he is also a brainless idiot.

Jet Link: Yeah he sure is.

Spiderman: I heard he goes after the prettiest of women and they taze him all over till he is burned to a crisp.

Mary Jane: Yikes. Boy that must really hurt.

Scorpion: Yeah no kidding. Ouch. Lets do it!

They fired waves of fire and energy and smashed him down.

Duncan: AW YEAH!

Sunset Shimmer: That was so fun!

---

Beetle was next.

Beetle: (To Connor) Moby Jerk had a sailor named Captain McSpleen after him. At least, that's what I remember.

Connor McKnight: Yeah you heard right. Moby Jerk insulted McSpleen and he turned into someone like Captain Ahab.

Rainbow Dash: But it was so awesome how J.D. and everyone made that rotten mouth merman fish food.

Storm Rainbow: Yeah I agree. He gives all mermaids everywhere a REALLY bad name.

Pickle Barrel: I agree with you there. What he said makes him less of a merman and more of a rotten pile of sludge.

Barley Barrel: Yeah that's what I was about to say too. He deserves to be vacuum packed in a can of tuna.

Mr. Krabs laughed.

Mr. Krabs: Well said lads.

Lightning Dust: (Laughs) That is funny and a good way to tell that.

Scootaloo: That is very funny. I think he needs to have only mayonnaise as his friend from now on!

They laughed.

Tornado Bolt: (Laughs) That was funny! I agree with you there.

Rumble: Yeah I like mermaids but Moby Jerk makes all mermaids everywhere look bad.

Magma Gloom: No kidding and from the picture we saw that J.D.

showed us he looked like the very personification of an abusive alcohol addicted dad.

Beetle: What did he look like?

Spitfire: Here.

Spitfire showed him a photo of Moby Jerk. He looked like a bald-headed fat merman that had a foul potty mouth and he got a great thrill out of insulting people in a cruel and terrible way.

Beetle: Boy this guy DOES look like a true abusive alcohol addicted dad. Sounds like someone I would slug in the mouth.

Spitfire: Boy me too. He is an ugly merman that made all mermaids everywhere look bad. What a total potty mouth.

Vapor Trail: You said it there Spitfire.

Sky Stinger: What he said to J.D. and Captain McSpleen shows that he is a true example of how words can hurt.

Angel Wings: No kidding. He needed to be put in his place..

Soarin: No kidding. I would have wiped his mouth off shoved rotten eggs up his nose.

Night Glider: Boy I feel the same way and I thought that Potty Mouth was bad.

Wind Socks: No kidding. But thank goodness that he will never attack another sailor on the high seas again.

Cloud Chaser: You're not kidding there.

Cloudkicker: I would have kicked a soccer ball with spikes into his face.

Blossomforth: I know what Princess Celestia would have done and that is banish him to the moon.

Princess Celestia: You bet I would!

They laughed.

Beetle: (Laughs) Yeah that is true and funny!

Daring Do: Yeah it sure was and I bet Princess Luna would turn into Nightmare Moon and eat him.

Princess Luna: That would have been a tasty treat!

They laughed some more.

Derpy Hooves: That is true. I would have used all kinds of cartoon style comedy props on him.

Flash Magnus: That would have been really awesome and funny.

Indigo Zap: Boy it sure would. I would have trampled him with a stampede of wild elephants.

Sour Sweet: I would have skewered him in the butt with a massive barrage of arrows. I am an archer after all.

Sunny Flare: Boy that would have been really awesome. I would have burned him with a branding iron that left a burn that said "This Fishy Vulgar Jerk is Property of Sunny Flare of Team Loud Phoenix Storm's Shadowbolts."

They laughed again.

Beetle: (Laughs) That's funny!

Sugarcoat: That is really funny.

Lemon Zest: I would use Moby Jerk for a more entertaining purpose and that is use his insults on Billy McLean.

Frosty Orange: Hey that's not a bad idea. After everything he did on Total Drama he deserves the worst punishments ever.

Velvet Sky: Yeah I agree. That is funny and a good idea.

Smolder: It sure was and that is a good idea.

Whirlwind: You said it. Awesome idea.

Air Lincoln: I think so too.

Françoise: You said it.

Beetlemon: Oh yeah! That would be great!

Blue Beetle: You said it.

Beetle: Yeah. Lets do it!

They fired waves of wind, lightning, rainbows and energy and smashed him down.

Connor McKnight: YEAH!

Rainbow Dash: That was AWESOME!

Applejack: She sure was. What she did was lower than a cow pie in an incinerator.

Apple Bloom: Boy no kidding and it's even worse than anything all of Equestria's enemies would do.

Thunderbird Apple: No kidding. But thank goodness we've seen the last of Elise.

Lightning Fritter: Yeah no kidding. The eclipse was a really cool one.

Tender Tap: I hope she enjoys the darkness of the Inferno forever.

Apple Fritter: You got that right.

He transformed too.

They fired waves of energy, earth, apples, crystal and rock and smashed him down.

Mirage Daffodil: Yeah no kidding. She needed to be stopped.

Butterfly Rose: Yeah she needed to be sent back to the fires of the inferno forever.

Lily Longsocks: Yeah no kidding. She brought all that on herself.

Tornado Bolt: No kidding. Demons like Elise are always going to be nothing but blackhearted monsters.

Toola-Roola: They always will be. But thank goodness that the Tailed Beasts or Yusuke and his friends or any of the monster girls we know are not like that.

Coconut Cream: Yeah thank goodness for that.

Discord: Even though I may be an embodiment of chaos but Elise is a monster that was worse than me.

Zecora: Elise is a monster that to be stopped from claiming more victims to be, and we made sure that all happened for all to see.

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln's legs and the eight large orange orbs orbiting around Linka's legs, the eight large crimson red orbs orbiting around Naruto's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large colored orbs orbiting around the legs of Lincoln's sisters, the eight large orange orbs orbiting around Duke Lincoln's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight large blue orbs orbiting around Lori and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs were glowing, and that means big trouble was coming.

Donkey Kong: Oh boy, I was hoping I'd never hear that voice again. You can come out now, Wizpig.

A figure came out, and it was none other than Wizpig, another enemy of Donkey Kong's little buddy, Diddy Kong.

Diddy Kong: Wizpig?! I thought I was rid of you after your last attempts of causing havoc.

Me: Whoa, it seems that you have a bit of a history with him, Diddy Kong. What can you tell us about him?

Diddy Kong: You won't like this alien pork-chop, J.D.

Diddy Kong proceeded to tell us about Wizpig, and we weren't going to like that giant pork-chop one bit.

---

## Wizpig

Wizpig is a gigantic alien pig, and the main villain of Diddy Kong Racing and its Nintendo DS remake, Diddy Kong Racing DS. His name is a portmanteau of "wizard" and "pig".

## History

### Background

All that is known of Wizpig's past is that he decided to attempt to conquer his own planet out of boredom. He succeeded, and transformed his homeworld into a high-tech amusement park called Future Fun Land. Eventually, Wizpig once again grew bored, and decided to leave his planet to look for excitement on other inhabited worlds. One of the thrills Wizpig discovered was the sport of racing. This sport eventually became Wizpig's favorite thing to do, along with causing chaos.

### Diddy Kong Racing / Diddy Kong Racing DS

In Diddy Kong Racing and Diddy Kong Racing DS, Wizpig eventually reached Timber's Island, a neighbor of Donkey Kong Island, where he would start another reign of chaos. First, he usurped Taj the Genie. Next, he turned Drumstick into a frog when he tried to challenge Wizpig. He also managed to hypnotize Tricky the Triceratops, Bluey the Walrus, Bubbler the Octopus, and Smokey the Dragon into becoming his servants, giving each of them a Wizpig Amulet piece to guard.

Timber, the son of the island's owners, and his friend Diddy Kong set out on a quest to retrieve all the pieces of Wizpig's amulet, allowing them to challenge Wizpig in a race. After he loses, he teleports away. With Wizpig seemingly defeated, Diddy Kong and friends celebrate, but their party is cut short by Wizpig suddenly reappearing. Transporting himself and one opponent to Future Fun Land, Wizpig demands a rematch.

After beating Wizpig in this second race, the rocket he is riding on malfunctions, sending him to a deserted planet, where he becomes stranded and is never heard from again.

In Diddy Kong Racing DS, Wizpig is now a playable character, unlocked by completing Adventure Mode 2. His stats are identical to those of Taj. His playable form is also made smaller to fit the vehicles properly.

Mario no Bōken Land

Wizpig appears as the main villain of the Diddy Kong Racing story segment of Mario no Bōken Land, titled "Go Go Diddy!". He attacks Taj the Genie during a race, ripping up the carpet he was riding, which strips Taj of his magical powers, beforing escaping. Mario, Princess Peach and Diddy Kong ride on airplanes to follow Wizpig, but he launches a bomb which hits Mario and Peach. Diddy Kong avoids the attack, and Wizpig follows it up with a missile, which he also avoids. Diddy manages to bury Wizpig under a pile of rocks, trapping him underneath. While Diddy Kong and his friends celebrate Wizpig's defeat, the last panel shows Taj offering to help Wizpig out of the rocks if he promises to not do any more bad actions.

---

When Diddy Kong was finished, we were pretty disgusted by Wizpig's actions.

Me: Sheesh, that walking slab of pork is nothing more than an agent of chaos, causing havoc when he visits a planet.

Nico: I ought to turn that guy into bacon for this.

Lexx Loud: And that's exactly what I'm going to do to him.

Suddenly, we felt something snap inside of Lexx Loud's mind, as his eyes turned neon orange, and he was surrounded by an orange energy aura with fire and phoenixes, and as he approaches Wizpig, he left pink energy, fire, and phoenixes with every step.

Lexx Loud: Wizpig, you really make me sick. You cause nothing but havoc and chaos in every planet you visit. This time, I'll make sure that you die here and now, you walking, uncultured, miserable, walking slab of pork!

Me: Oh yeah, you tell him, Lexx.

Nico: And he's going to turn that pig into bacon when he gets done with him.

Then, Lexx Loud screamed like a madman, as he was surrounded by a massive vortex of pink energy with fire surrounding it, there was a phoenix flying around the vortex, and inside the vortex is a red phoenix. Then, as the vortex faded, Lexx Loud emerged, but he was changed forever.

Lexx Loud grew to 7'0" in height, just like Me, Lincoln, Lynn Sr., Liam, Duke Lincoln, Loki, Loni, Luke, Lane, Larry, Lars, Leif and Lynn Jr., he now has abnormally large and powerful upper and lower body muscles and eight-pack abs, he now has neon orange eyes and a neon pink energy aura with fire and phoenixes surrounding him, his long blond hair grew that reached the bottom of his neck was tied in a ponytail, and he has neon pink highlights in the bangs, the gap in between his teeth was filled is as two new adult teeth grew in to fill it, he has a phoenix holding the Fire Kanji in its claws emblazoned on his forehead, he has on phoenix earrings with the Fire Kanji in its claws and a necklace with the phoenix with the Fire Kanji in its claws for the pendant across his permanently bare chest. Lexx Loud has massive blond angel wings with pink tips on the large feathers and flames falling for his new body.

Lexx Loud has on his new large cuff Bracelets of the Champions of The Universe with pink gems on his wrists. Leif Loud also has on the same clothes as Me, Lincoln, Lynn Sr., Liam, Duke Lincoln, Loki, Loni, Luke, Lane, Larry, Leif, and Lynn Jr., but his version of He Man 2002's loincloth is pink, he has on long pink trenchcoat flaps with orange flames on the coattails held up by his new Belt of Elemental Bravery with large pink gem for the belt buckle on his waist and his Eater of Sins revolver holstered on his right hip, he has large pink weighted bands on his large biceps and thighs, large blue pants with flames on the legs, large black leather ankle-high combat boots with silver armor on the toes, and he has eight large pink orbs orbiting around his legs. The massive, wide, double-edged blade of his Sword of Gabja grew to 6'5" in length, the large angel wings crossguard turned orange, the long black handle grew a little longer, and the large faceted orange sphere pommel had pink gems surrounding it.

There was a phoenix and an orange kanji tattooed on Leif Loud's wider and more muscular back, and the orange kanji below the phoenix said, "Leif Loud, Awesome and Talented Pageant Prince of The Genderbent Loud Family, Fourth Youngest Brother of Linka Loud, Master of Fire and Phoenixes, Emissary of Gabja, Slayer of Evil, Golden-Hearted Lover of His Brothers and Only Sister, Genderbent Twin of Lola Loud, Awesome Member of Team Loud Fairywind and Team Loud Phoenix Storm" Lexx Loud has transformed into SUPER ANGEL 750,000,000,000 INFERNOSTORM PHOENIX ANGEL OF FIERY JUSTICE!

We were amazed by Lexx Loud's Super Angel 750,000,000,000 transformation, but when Wizpig saw it, he squealed in anger.

Me: Whoa, Lexx has transformed.

Lola: You said it, J.D. Forget Pageant Prince, with what happened to him, he could be a male model. (To Lexx) But, Lexx, you look fabulous and ripped, how do you feel?

Lexx Loud: (Divine Echoing Cosmic Voice of Fire and Justice) I feel incredible, Lola, and now, if you'll excuse me, I'm going to turn that overgrown pork chop into bacon.

Lexx Loud went after Wizpig, and he fired powerful blasts of pink energy, fire, and phoenixes at Wizpig, and they exploded with incredible power, and burned him. Then, with his massive Sword of

Gabja, Lexx slashed off Wizpig's arms, as he squealed in excruciating pain.

Then, Lexx Loud grabbed Wizpig and tossed him into the air with his brute superhuman strength.

Lexx Loud: (Divine Echoing Cosmic Voice of Fire and Justice) And now, it's time for you to say your goodbyes, Wizpig. May you never return to plague us again. DIVINE FIRESTORM KAMEHAMEHA!

Lexx Loud fired a massive Kamehameha wave made of pink energy, fire, and phoenixes, and as it hits Wizpig, it exploded with incredible power.

Wizpig: DAMN YOU, TEAM LOUD PHOENIX STORM!

The resulting explosion killed him, and it obliterated his body completely, and his evil spirit was Super Hakaied forever. Everyone cheered wildly for what Lexx Loud did, as he holstered his massive sword on his wider and muscular back and powered down, but his new clothes, weapons, jewelry, massive angel wings, and eight large pink orbs orbiting around his legs were permanent.

Lola: Lexx, that was amazing.

Lexx Loud: Thanks, Lola.

Then, Linka went up to Lexx and she hugged him, and he leaned down and wrapped his massive and muscular arms around her and hugged her back.

Linka: Lexx, I'm so proud of what you've done, and you've also become a man.

Lexx Loud: Aw, thanks, Linka.

Lincoln: And now, all that's left are Levi and Leon.

Nico: You got that right, big guy, and I can't wait to see the lowlife that Levi is going to face off against tomorrow.

Me: You said it, bro. But we did a great job. All of you did. Awesome!

Xaldin: Is it wrong that I feel bad for Hadji?

William: Nope. I feel bad for him too.

Me: Yeah.

Speed Demon: The poor kid's girlfriend ended up being a demon.

Me: Yeah no kidding.

Kitty: At least I'm not that way with Johnny!

Zexion: Maybe someday, Hadji will find the right girl for him.

X Ray: I have a feeling he will.

Me: There's plenty of fish in the sea.

Ironclad: Now, let's have some New Orleans grub! I'm starving!

Me: Me too. Lets go.

Jessie Bannon: (To the viewers) Remember this folks, be careful with who you meet and who you fall in love with.

Me: Yep. You never know if they are good or bad.

We went and had a good meal.

---

Later that night as everyone was asleep, Lily was having a lot of heavy thoughts. She was looking up at the stars at the planet Saturn in the distance. She was thinking about Ellie's dad and how messed up his brain got. She knew there was something she could do.

Lily: (In her head) Ellie needs her dad back. I got to get him back to her.

Lily got up and got dressed and left for the Saturn Insane Asylum. She arrived and went to Ellie's dad's cell and she saw him thrashing around while he was chained to the wall. He was not better at all.

Dr. Stromburg: (German Accent) He is one of ze worst patients we've seen.

Lily: Let me see if I can help him out.

Lily went up to him and then she spread her wings and enveloped him in a ball of water and she healed him completely and when the water faded, he then was let down and he got up and groaned.

Ellie's dad: (Groans) What happened? (Groans in pain) Man I have got the worst headache.

Lily: I cured you Mr. Singh.

Ellie's dad: But how come I can't see? It feels like my eyes have been sewed shut.

Lily: Well that's because they are. This is gonna hurt a bit.

Lily took out a pair of scissors.

Lily: Hold still.

She then cut the threads on his eyes and then pulled the string pieces out and then he opened his eyes and he could see again.

Ellie's Dad: Ah. That's better. But what happened? Where am I?

Lily: You're in the Saturn Insane Asylum. We had you brought here because you lost your marbles and sewed your own eyelids shut.

Ellie's Dad: What!? I can't believe I would do something that crazy!

Lily: It was because you lost your mind after losing over $500,000,000,000 due to a scam.

Ellie's Dad: I remember that! Tell me what happened while I was insane.

Lily did so and Ellie's dad was so guilty.

Ellie's Dad: Oh Ellie. I can't believe I let my insanity go so far that I would hurt my own family.

Lily: It's not your fault Mr. Singh.

Ellie's Dad: But you helped cure me and save me from myself. I owe you my life.

Lily: You're welcome. Lets get you back to the estate.

Lily helped him up and took him back home to the World Tree Estate.

THE END

---

Another awesome chapter done.

This chapter was made for a special reason. It was for the Lunar Eclipse that happened earlier in the pre-dawn hours. It was the longest Annular Lunar Eclipse in almost 600 years. This was for the Jonny Quest episode Eclipse and that was a really strange and scary one about a demon. That was really cool though. That episode aired on December 27th, 1996 and that was a really awesome episode that I remember from my past. The first part was for the Johnny Bravo episode Moby Jerk and that was a really crazy episode about a merman that is REALLY a total foul-mouth. That episode aired on July 2nd, 1999 and that was a really awesome episode. The 2nd part was for The Phantom of The Opera, one of the most iconic and most popular operas of all and one of my favorite songs too. Every time I hear that ending with the bloodcurdling scream it sends shivers down my spine. But I feel really sorry for what happened to the Phantom. He got 30% of his face burned in a fire and was left horribly disfigured. Poor guy. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts all gave me the ideas for this. Thanks guys and thanks to the guest reviewer for the ideas. The next rescue for me is gonna be on the planet Pandora. I'm going to show Eli, Allie, Nene, Maria, Missy, Qin, Erica, Nora Venice, Lillian, Ellie, Marie, Simone, Miranda, Gina Pele, Syrus, Dark Magician Girl, Nelanie, and the Copperajah Gene-Slammer around the abandoned Hell's Gate base and then show everyone around the planet and show what goes on in Pandora and also we're going to battle the Rare Hunters who are back from the dead to get revenge and Strawberry Shortcake and her friends are all gonna transform against them. Braedencarnes22 gave me the ideas for the transformations. I have the sequences down in my notes. We're also going to meet a Magician of Faith and a Scarcharosuchus gene-slammer from Germany named Christina Wolfeschlegelsteinhausenbergerdorff and she is Nico's friend from Tennis Club. She is really good at Tennis. The next rescue for Lincoln is gonna be in the world of Ender's Game and that is gonna be interesting. The next chapter is gonna be an awesome spy adventure as we go help James Bond stop Alec Trevelyan who is back for revenge and is out to destroy the worlds economy with a Russian EMP Bomb Weapons Program called Goldeneye and we're gonna be in for an awesome and explosive adventure in that one.

See you all tomorrow.

# In the Sights of The GoldenEye

JAMES BOND FOREVER!

---

In the depths of space, me, Eli, Allie, Nene, Lincoln, Maria, Missy, Qin, Erica, Nora Venice, Lillian, Ellie, Marie, Simone, Miranda, Gina Pele, Syrus, Dark Magician Girl, Nelanie, and the Copperajah Gene-Slammer were flying through the endless voids of space.

Allie Wilde: Wow! This is so cool flying through space.

Nene: Boy it sure is. I think it's amazing to fly through the stars like this.

Erica: Boy it sure is.

Aarna Ramachandran: (Indian Accent) So, where are we now?

Eli: Looks like we're flying to Pandora.

We saw that we were heading to the planet Pandora.

Allie Wilde: Wow! This is gonna be awesome to see the world of the planet Pandora. I heard you all know the people of that world.

Me: We sure do Allie. It's so awesome.

Missy: How long did it take for Jake Sully and a bunch of people to get there?

Me: At 95% the speed of light or 176,968 miles per second it took almost 6 years to get here.

Nora Venice: Wow! And how far away is Pandora?

Me: 4 and a half Light-years away from Earth.

We flew above the planet and the view of the surface was incredible from up above.

Eli: Wow! What a view.

We flew down to the planet's surface and we sniffed the air and it was as weird as we remember.

Eli: Wow! So this is what Pandora is like. It's beautiful. But the air smells and feels weird.

Me: That's because the air is poisonous to humans like us.

Simone: Whoa! But how is it that we can breathe in air this toxic?

Me: We have the power to breathe in any atmosphere no matter how inhospitable the environment or conditions get.

Miranda: Whoa! That is so cool.

We flew over the surface of Pandora and it was beautiful.

Gina Pele: Wow! So this is Pandora.

Ellie Singh: This is incredible! I didn't know it was so much like Earth.

Marie: (Russian Accent) But it has a poisonous atmosphere.

Nelanie: (Laos Accent) This is amazing.

Aarna: Yeah no kidding.

Aarna concentrated and groaned as her nose got big.

We flew over the forests and they were amazing.

Allie Wilde: Wow! This is incredible!

We saw the huge mining craters where the 22nd Century people were harvesting Unobtanium.

Aarna turned into COPPERAJAH!

Allie Wilde: Wow! What are those craters?

Me: This was the spot of a huge mining operation.

Maria: What're they mining?

Me: Remember we shut down this whole operation Maria.

Maria: Oh right I forgot.

Me: But to answer your question for those that didn't hear about it they were mining for Unobtanium. That is a very rich mineral. More valuable than gold and diamonds combined. Goes for $20,000,000.00 per kilo.

Simone: Wow! That's a lot of money.

Erica: Boy no kidding.

Ellie: Maybe I can use that to get my father's wealth back.

Me: Not a bad idea.

We landed in the old Hell's Gate Mining Complex.

Me: This is where they had the whole operation. It's called Hell's Gate.

Maria: Keep a watch out for any trouble.

Me: Right.

We went into Hell's Gate and it was abandoned but still intact.

Eli: Wow. Where is everyone?

Me: They all packed up and we forced them out. The Na'Vi said they were not welcome here.

Allie Wilde: I heard about the Na'Vi. They act in every way like the Native American Indians do on Earth.

Me: Yep very similar lifestyle but very different kind of people. Let me show you all around.

I did so and we saw highly advanced 22nd Century technology and it was amazing and everything. We saw the sleeping quarters and everything and all that.

Aarna Copperajah: Boy this technology is amazing.

Eli: It sure is. Wow. I'm amazed you all got to see all this on a planet with this kind of poisonous atmosphere.

Me: I know. It's awesome.

We went to the Unobtanium Storage and I opened it and then Ellie got as much Unobtanium as she could. She got 7,000 kilos full of it and put it in a scroll. We then beamed more of the technological advancements of Hell's Gate to Earth for the World Tree Estate and even had some of the vehicles, weapons and aircraft go too.

Maria: No trouble so far.

Me: Let me show you the coolest part.

We went to the Avatar Room and we saw the tanks where the Avatar's were made.

Me: This is the Avatar Genesis Room. The Avatar Program was a huge project. What it did was to make Human-Na'Vi Hybrids where one can walk on Pandora freely and try to live among the people or the Na'Vi.

---

Under strong pressure from the UN, the scientists and the general public, the RDA agreed to set a program up to enhance the communications between the humans and the Na'vi. At first, this consisted solely of an Indigenous Terrain program to study Na'vi culture and language and attempt to establish communications between the humans and the Na'vi.

The practical difficulties soon showed a need for a more profound means of communications between the human and the Na'vi species.

RDA research already established the possibility of direct mental communication between humans. RDA scientist Dr. Cordell Lovecraft was given the task of carrying his Dark Dreamer project, which sought to transmit mental processes - "thoughts" - to humans at a distance, as well as interspecies mental communication.

Initial dissection of Na'vi specimens found that although the Na'vi show a surprising degree of external parallel evolution, their internal anatomy and metabolic processes were substantially different from that of humans. The Na'vi brain in particular, with its external neural queue and three cerebral hemispheres (versus two for humans), proved a daunting obstacle.

Building on work with brain-wiped primates and condemned criminals, Dr. Lovecraft was able to demonstrate that full sensory bonding could be established between human twins, human-animal hybrids that shared common DeoxyriboNucleic Acid (DNA), and eventually human/Na'vi hybrids with "resonant" genetic DNA/ NVTranscriptase blueprints.

Since the Na'vi cellular nucleus organelle does not use nucleic acids (DNA or RNA) to encode genetic information, producing a 'translation table' that matched a specific human's DNA to a Na'vi NVTranscriptase equivalent closely enough to allow a level of neural resonance strong enough for congruent mental communication to occur required many months of processing on massively parallel "zettaflop" photonic computing arrays as well as many failed experiments; some of which caused severe permanent psychological trauma to volunteer subjects.

Eventually the Avatar Program succeeded in producing the first viable hybrids between completely unrelated species - a considerable achievement since, as Dr Lovecraft famously remarked, humans are "far more closely related genetically to garden slugs than to Na'vi."

With the aid of thought amplification/transmission "link beds" as well as customized nanotech receiver/transmitter nodes grown into avatar brains from their earliest blastomere stage of development, human "drivers" can now operate their avatars at distances of tens of kilometers. These distances can be reduced in areas where the Pandoran magnetic fields are very strong, such as near the many flux vortices.

Originally part of RDA's Na'vi outreach program instigated at the behest of Earth's government authorities, the Avatar Program has moved from being a poorly-defined xenobiological experiment controlled by Earth-based bureaucrats, ivory-tower academics, and populist politicians to become a tightly-managed engineering project incorporating the most advanced technology from RDA's research and development laboratories.

Dr. Lovecraft has been nominated for multiple Nobel Prizes in biological sciences, but the nominations have invariably been withdrawn following protests from human rights organizations, the UN Pan-Faith Council, and animal rights activists.

## Avatar Creation

The Avatar Program combines genetic information from the native race of Pandoran humanoids, the Na'vi, with human DNA from a selected human operator or controller, also known as a "driver".

Avatar drivers are selected on Earth from volunteer pools using incredibly stringent selection criteria, requiring high motor coordination skills, mental acuity and resistance to mental fatigue. The operators are physically screened and genome sequenced, and a number of tissue, blood and cell samples are taken. Overall, 99% of the trainee intake fail the initial testing. The successful creation of an avatar/operator pair is an extremely expensive process - costing upwards of five billion dollars for each successful avatar build.

Once a suitable operator is found, avatar creation begins in earnest. RDA genetics labs create a hybrid embryo, which is a fused genetic product of the Na'vi and human operator DNA donors. Creating a viable embryo is the most complex part of the process and is prone to failure since the alien Na'vi genome is significantly different to human DNA. The composite eliminates defects, reduces the influence of individual Na'vi appearance traits and boosts compatibility with the human donor DNA sample.

From the hundreds of embryos grown specifically for each operator, many die before reaching the fifty-cell stage. However, some high-quality embryos survive into early organogenesis.

## Avatar Control Link

An avatar driver uses a whole-body remote neural interface to control and animate the avatar body. These link units are located in a dedicated facility, such as that installed at the Hell's Gate base on Pandora. The link beds outwardly resemble MRI scanners, with the operator reclining inside an enclosed capsule. The capsule incorporates neural collection and feedback loops for control transmission and reception of sensory information from the avatar body. The link capsule also continuously monitors operator vital signs and avatar operational parameters. In the event of an abnormality, the link is discontinued immediately or referred to a BioLab technician for further analysis.

To initiate the link, the operator clears his or her mind and enters a transit state of consciousness while the link is established. Once operator-avatar connection quality stabilizes above 99%, the link is set to active; the operator then immediately 'wakes up' inside the avatar body. The operator's own neurotransmitters then cause atonia, disconnecting the operator's natural body from the movements played out by the avatar. Continuous link times vary by individual operator; a new operator may tire and prematurely disconnect from the avatar after only a few minutes, while an experienced driver is capable of several hours or even days link time. Upon disconnection, either by emergency fail-safe or the operator's conscious command, the avatar reverts to a static sleep state, while the operator's consciousness is awakened safely in his or her own body. Disorientation is common upon return, although experience reduces downtime. Emergency disconnections are dangerous, potentially resulting in shock to the human operator and damage to the avatar itself. Catastrophic damage to the avatar, resulting in its biological death, has the same effect.

Avatar operations are limited by the need for the human operator to sleep, rest, and eat. Similarly, the avatar body must be maintained through periods of activity alternating with sleep/disconnection time as well as by consumption of fluids and foodstuffs.

The link machinery is small enough to allow for field operation where link transmission range may become an issue. Compact field bases feature a bank of three ruggedized link beds. Basic science/ accommodation facilities are included with embedded power and air filtration, making them fully self-sufficient for short sorties into the Pandoran jungle. The field base can be air-lifted using a Samson air transport to reach remote locations. Although occasionally prone to 'glitches', transmission strength is strong enough to ensure link integrity even in extreme environments such as the flux vortices found in the Hallelujah Mountains of Pandora.

When I was finished they were amazed!

Maria: Impressive, huh?

Allie Wilde: Wow! That is amazing. But finding a genetic match with an Avatar like that must've been REALLY hard.

Me: It was. But it's really amazing. Jake Sully had to take his brother's place because a total asshole killed him.

They gasped!

Strawberry Shortcake: But why!?

Me: Money. In the 22nd Century people are trying to survive any way they can. Even kill.

Eli: Brutal.

Me: Yep. But this was a harrowing adventure for all of us here when we were on Total Drama Galaxy.

I went over what happened during the events of chapter 1009 and when I was done everyone was shocked. Mostly because of Quarritch.

Eli: Quarritch was gonna destroy the Tree of Souls!? What a heartless monster!

Maria: Yeah he sure was. But we made sure that he got what was coming to him.

Me: Yep. Lets get going so I can show you all more of the lands.

We flew out and got to exploring the planet.

Maria: Maybe there won't be any trouble after all.

Me: Lets hope so.

Allie Wilde: Wow! The landscape of Pandora is magnificent. The jungles go on forever and the Rock Arches are amazing.

Eli: So are the floating mountains. Wow.

Simone: And the view of the planets Pandora orbits around is breathtaking.

Missy: It sure is amazing.

Eli: Wait what's that there?

We went and we saw the remnants of the burned down Hometree of the Omaticaya Clan.

Me: This is the reason why we killed Quarritch. Because he burned down the Hometree of the Omaticaya Clan.

They gasped.

Eli: Why would he do that!?

Me: To drive the Na'Vi away by force. And he burned the whole tree down with napalm

?: Sounds like something you all have dealt with before.

We then saw figures come out and they were THE RARE HUNTERS!

Me: Marik's Rare Hunters!

Eli: Here!? But that can't be right!

They removed their cloaks and they had 22nd Century Exopacks on.

Me: I'm amazed you jerks are ever so far from home.

Strings: Yes it is shocking huh?

Maria: You want a Duel Monsters fight? Fine. I'll give you a Duel Monsters fight. I summon Water Deagon, Roaring Ocean Snake, and Ocean Dragon Lord - Neo Daedalus!

She summoned said monsters!

Allie Wilde: I equip myself with DIVINE SWORD - PHOENIX BLADE!

Allie equipped herself with Divine Sword - Phoenix Blade and it was ready!

ストロベリーショートケーキ、ベリービッティシティの親愛なる友人、ニュープリンセス、ベリービッティカフェとベリービッティマーケットのオーナー、リンカーンラウドの愛する未来の妻、人生のマスター、フローラウナの愛人、そして悪の殺し屋

Strawberry Shortcake has transformed into SUPER ANGEL 750,000,000,000 DIGIDESTINED LIFE ANGEL OF LEADERSHIP!

We all were amazed with how they transformed!

Me: WHOA! Wow you girls look amazing!

Lincoln: Boy I'll say! Wow! How do you all feel?

Strawberry Shortcake: (Divine Echoing Royal Princess Voice of Nature and Leadership) Amazing Linky. This power is gonna really make sure that these Rare Hunters go down.

Me: Lets get them!

Maria: Does anyone else want to join in?

?: We do!

A Magician of Faith came and so did a SCARCHAROSUCHUS!

Me: Whoa! A Magician of Faith and a Scarcharosuchus.

Scarcharosuchus: (German Accent) Ja und it's wunderbar to meet you J.D.

Ellie: That voice. Christina? Is that you?

Scarcharosuchus: Ellie, Erica, Lillian, Missy, Qin, Marie, Nora? Mein gott! You're all okay!

Missy: Wow! We didn't expect you to be here.

Me: Another one of your friends?

Missy: That's right.

Scarcharosuchus: My name is Christina Wolfeschlegelsteinhausenbergerdorff und it's great to meet you J.D.

Me: Whoa! That is a hard name to pronounce.

Erica: It sure is. But I think it's cool.

We went at the Rare Hunters and blasted and smashed them down and we tied them up and then kept their Duel Monster Cards as trophies and then Strawberry Shortcake and the girls reverted back and their clothes, jewels and weapons were permanent. I put on my blind man glasses and Eli, Lincoln and Syrus covered their eyes and then I snapped my fingers and Aarna and Christina were reverting back.

Aarna: (regains her hair) Nico really missed you.

Christina Wolfeschlegelsteinhausenbergerdorff: Ja und I missed him too.

They both reverted back and were naked and Maria gave them new clothes but then Christina started gasping for air before she put them on!

Eli: Oh no!

Eli pulled out his 22nd Century Exopack and put in on her face and it helped her breathe.

Christina Wolfeschlegelsteinhausenbergerdorff: (Breathing) Whew! Danke Eli.

Eli: No problem. We forgot to tell you that the air here on Pandora is poisonous.

Maria: Nice save though Eli.

Christina put her clothes on after Eli came back and recovered his eyes.

Christina Wolfeschlegelsteinhausenbergerdorff: But these clothes are amazing.

Me: Yep. Maria made them. She is one of the heads of the Gene-Slammer Emergency Fashion Team as we call it.

Christina Wolfeschlegelsteinhausenbergerdorff: (holds head in pain) Oh great! I'm about to destroy my Exopack!

Simone: Reign in the power with the strength of your will Christina.

Miranda: Concentrate.

She concentrated and then she glowed in a neon aqua blue aura and it showed that she was fully engrafted with the power of Scarcharosuchus.

Christina Wolfeschlegelsteinhausenbergerdorff: Wunderbar.

Me: Whoa! How do you know Nico, Christina?

Christina Wolfeschlegelsteinhausenbergerdorff: Me und Nico were in the tennis club together. He und I won the national championships together.

Eli: Awesome! Nico will love having his Tennis Partner back.

Me: Lets get back to Earth and put these dirtbags in prison.

Allie Wilde: Good idea.

We had the Rare Hunters all tied up and they were in a lot of hot water.

We went back to Earth.

---

After dealing with The Rare Hunters on Pandora this time for good, Lincoln, Me, Nico, Eli, Nicole, Sonic The Hedgehog and his friends, and Kendra Armstrong were heading to the world of the 2013 movie Ender's Game, and not only is Lincoln going to rescue the eight girls there, but we're also going to deal with Peter Arkady Wiggin, and make him pay for his crimes.

Lincoln: Whoa, we're in the world of the 2013 movie Ender's Game, and I think I know what we're going to do here, not only am I going to rescue the eight girls there, but we're also going to deal with Peter Arkady Wiggin, and make him pay for his crimes.

Me: That's right, big guy. I've watched this movie long ago, and it was awesome.

Nico: Me too. But Peter Arkady Wiggin is nothing but a selfish, sociopathic, sadistic, abusive, violent, and psychotic bastard. I'll be glad to finally get rid of him for good.

Eli: Same here.

Sonic the Hedgehog: Me too, but I can't help but get the feeling that two of the girls here are familiar to me. Well, there's only one way to find out.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling out for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard where the call for help was coming from. He saw the eight girls, but they, along with Peter's former siblings, have been cornered by Peter Arkady Wiggin, and he's going to kill them in cold blood.

Lincoln: Guys, I found the eight girls, but they, along with Peter's former siblings, have been cornered by Peter Arkady Wiggin, and he's going to kill them in cold blood. Come on, let's go.

We rushed on over, and Lincoln grabbed Peter Wiggin, and tossed him right into a wall. When Peter got up, he was enraged at seeing us here.

Peter Wiggin: How dare you interfere in my fun, Team Loud Phoenix Storm?! I WILL KILL YOU ALL!

Lincoln: Shut your trap, Wiggin. You've caused nothing more than pain and suffering to those around you, and you're nothing but a selfish, sociopathic, sadistic, abusive, violent, and psychotic monster, and you deserve nothing more than to die.

Lincoln unholstered his massive Sword of Taranis from his wider and muscular back, and he attacked Peter Wiggin with powerful, one-handed swings from his massive sword, and he slashed the bastard and with every slash, Peter Wiggin's blood was being spilled all over the place. Then, Lincoln plunged his large hand in Peter's chest and ripped out his heart, killing him and his body exploded in purple flame and his spirit was Super Hakaied.

Then, Lincoln ate Peter Wiggin's heart, and that caused most of us to throw up, except for Nico.

Lincoln: Oops, sorry, guys.

Me: That's alright, Linc. But, next time, warn us when you do that, big guy.

Lincoln: Will do.

Nico: But, that was unexpected though, but you also do have Atrocitus' powers, as well, dude.

Lincoln: Yeah, and next heart I rip out from a villain's chest, I'll give that to you.

We went up to Peter's former siblings, and they were okay. Then, Lincoln and Nicole went up to the eight girls located here, and when Lincoln saw them, he immediately recognized them. The eight girls were Shahra The Genie from Sonic and The Secret Rings, Merlina The Wizard from Sonic and The Black Knight, Rikka Takarada, Namiko, Hass, and Sakiru Tonkawa from Gridman, Solty Revant and Rose Anderson from Solty Rei.

Lincoln: Oh wow, it's Shahra the Genie, Merlina The Wizard, Rikka Takarada, Namiko, Hass, Sakiru Tonkawa, Solty Revant, and Rose Anderson.

Nicole: From Sonic and The Secret Rings, Sonic and The Black Knight, Gridman, and Solty Rei, awesome.

Sonic the Hedgehog: Wait, Shahra and Merlina were among the group?! I met them long ago when I travelled to their worlds long ago.

Lincoln: You'll have to tell us that one day, Sonic. (To the girls) Are you girls okay?

Merlina the Wizard: Yes, we're okay, thanks to you.

Then, when Merlina the Wizard and the other seven girls saw who it was that saved them from Peter Arkady Wiggin, their faces turn atomic red upon seeing the 16-year-old 7'0" tall, handsome, white-haired, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, a golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, a Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem, and on top is the Earth surrounded by the ring of mermaids on top, a deep sapphire blue kanji on his wider muscular back that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and the Thirteen Elemental Forces, Man With A Plan, Golden-Hearted Brother of 16 Siblings, and Golden-Hearted Lover, Father, Son, and Husband", and he had deep sapphire blue eyes.

He had his Sword of Taranis holstered on his wider muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces constellation and Aquarius Zodiac sign on the back of his neck, large weighted orange bands on his massive biceps and thighs, his large Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep blue angel wings surging with powerful super lightning and the stars and blue nebulae reflecting on them, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with hanging silver lightning bolts held up by his Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of large blue pants with gold lightning bolts on the thighs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Thunder Kanji earrings, a large silver Thunder Kanji necklace on his neck and across his permanently bare chest, large fingerless black gloves with the symbol of The Loud House on it, a large Orange Buffalo Animal

Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, and he had eight large orange orbs orbiting around his legs.

Merlina the Wizard: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones of himself went up to the girls, and they picked them up and hugged them in their abnormally massive and powerful muscular arms, and kissed them on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, as we cheered over the scene.

Shahra the Genie: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

We returned home to the Estate, and we showed everyone what Lincoln did to Peter Arkady Wiggin, and we did give them a warning that it was going to be graphic.

Lynn: Whoa, that was really brutal, bro. I honestly thought you were going to give Wiggin's heart to Nico. But, that was unexpected.

Lori: Yeah, but we should've expected this.

Lola: In any case, you did an awesome job killing that sadistic psychopath, Linky.

Lincoln: Thanks, Lola.

We gave Peter's former siblings a new home here on our world, and from here, they will recover and begin to rebuild their lives that Peter Wiggin ruined long ago.

---

After dealing with Peter Arkady Wiggin for good, we were training intensely in the gym doing 100,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds. Then, we got a shower afterwards.

After that, Lincoln, Shahra, Merlina, Faye Valentine, Blaze Fielding, Cassandra Alexandra, Sam, Clover, Alex, Megan Clark, Mollie, Ronnie Anne, Girl Jordan, Paige, Hsien-Ko, Felicia (Darkstalkers), Morrigan Aensland, Bayonetta, Lucina, Min-Min, Super Sonico, Tyris Flare, Saya Takagi, Shizuka Marikawa, Panty and Stocking Anarchy, Zone-Tan (TLPS universe), Rem Ayanokouji, Masane Amaha, Oishi Kawaii, and Kasumi Tendo were getting ready for their date, and the location for their date is at Twinkle Park, a world Sonic's been to before.

But, they're not the only ones, Rihoko Amaha, Lola, Lana, SpongeBob, Patrick, Sandy, Me, Misty Tredwell and our three daughters, Jack Atlas, Carly Atlas and their three daughters are also joining in as well.

Lincoln snapped his fingers, and the 16-year-old, 7'0" tall white-haired, handsome, and extremely muscular teen was dressed in an open short-sleeved orange shirt, white shirt underneath, large blue jeans, and large black ankle-high boots, and he still had on his large weighted orange bands on his large biceps and thighs. He had on his jewelry and weapons holstered, in case of trouble, and we were dressed in our usual clothes and jewelry, and we also had our weapons holstered, in case of trouble.

Lincoln: Alright, everyone, are you ready?

Me: We're ready, Linc.

Lincoln, the girls, Rihoko Amaha, Lola, Lana, SpongeBob, Patrick, Sandy, Me, Misty Tredwell and our three daughters, Jack Atlas, Carly Atlas and their three daughters left the Estate, and we headed for our destination for the date: Twinkle Park. When we arrived at Twinkle Park, it was an amazing theme park with a magical feel with neon lights and sparkly objects everywhere.

Me: Wow, so this is Twinkle Park. It's so amazing.

Lincoln: It sure is.

Lola: Wow, this is so beautiful.

Lana: I can't wait to get on the rides here.

We went into Twinkle Park, and we got into bumper cars and tried to bump each other with them. Then, we went on the roller coaster, and from the highest point, we got a clear view of the entire park, it was awesome. Then, we went down in high velocity speeds, but as we got off, some of us went for the trash cans, and hurled our guts out. YUCK!

Me: Whoa, that was fast!

Lincoln: Ugh, now I know how Lynn and some of her friends felt when she went on Whipped Scream in Dairyland.

Misty Tredwell: We've been to Dairyland before and went on the rides.

Carly Atlas: Yeah, and of course, some of us also hurled our guts out, so yeah, we knew how Lynn and some of her friends felt. YUCK! I hurled three times in one day.

We continued having fun and going on the rides here, despite that we were going to hurl our guts out in the trashcans again, but it was worth it. Then, after a day of fun at Twinkle Park, we return home to the Estate.

Nico: Hey, guys, how was your date?

Lincoln: It was good, Nico. We went to Twinkle Park, and we also got on the rides there, along with the bumper cars.

Nico: Whoa, that's incredible.

Me: We also took pictures of Twinkle Park. Here, take a look.

We showed Nico the pictures that we took of Twinkle Park, and they were amazing.

Lincoln: Then, we went on the roller coaster, and after we got off, it ended with most of us throwing up in trash cans like crazy.

Nico: Gross.

Carly Atlas: We also told them we also went on some of the rides in Dairyland, and we also threw up in the trashcans after we got off.

Lynn: Whoa, and I'm sure you told them of how me and some of my friends felt when we went on Whipped Scream.

Misty Tredwell: Yep.

We continued telling them of our day at Twinkle Park, and we also got a shower and changed back to our usual clothes after our little hurl fest at the trashcans.

---

Later we were resting at the estate.

Sonata Dusk: Um, J.D., which criminals were you fighting earlier again?

Me: Hm? What do you mean Sonata?

Sonata Dusk: Look.

On TV we saw a miniature kid version of myself fighting crime!? What the!?

Me: Whoa!? He looks like a pint-size version of me!

Nico: Wow! That is cool! I think someone is doing you a favor in helping you out.

Mallow: You know what? I see nothing wrong with this.

Lola: Me neither. Imitation is the most sincerest form of flattery, after all.

Me: That is true. But I think it looks like I have a very big fan and supporter.

Nico: Yep it sure does look that way.

Lily: Hey guys.

Me: Hey Lily. Where did you run off to?

Lily: Well…

We saw Ellie's dad back!? WHAT THE!?

Lily: Now before any of you freak out Ellie's dad is all cured. I went to the Saturn Insane Asylum and cured him.

Ellie Singh went up to him.

Ellie Singh: Daddy?

Ellie's Dad: Oh sweetie. I'm so sorry I said that.

Ellie Singh: Oh daddy!

She hugged him for the first time in a while and cried hard.

Nico was mad at Ellie's dad.

Nico: Give me one reason why I shouldn't have Lori, Lola, and Lynn kill you right now.

Me: Nico let it go! He didn't mean to say that because he lost his mind remember?

Nico: But you heard him…

Me: I know he said that but he didn't mean any of it. Now let it go.

Ellie's dad: Wow Nico you were just a little guy when I saw you last. You've grown into a great man.

Nico: So I have seen.

Ellie's Dad: Nico, I never meant anything I said back there. I was just insane and didn't know right from wrong or had any recollection of what I was doing. I was so badly damaged from losing all my money to that scam that I lost my sense of reason and I had no idea what the heck I was even doing. I am so sorry Nico. I never meant to cause you to go ballistic like that. I lost everything including my mind. I'm sorry Nico. I didn't mean to hurt Ellie like that.

Lily: He's telling the truth Nico.

Eli: She's right. I sense it.

Nico: Oh, alright. As long as you're truly sorry.

Ellie's Dad: Thank you Nico. But I am so proud of you for becoming a great man and an awesome second in command of Team Loud Phoenix Storm.

Nico: I'm glad you think that.

Me: Mr. Singh, I'm sorry you lost all your money in that scam.

Ellie's Dad: I guess I let my gullibility get the best of me.

Me: You don't have to worry about those scammers anymore. I used my computer skills to trace where the money went to and found out that it was in an account at a company in Bangladesh. I took back all that money for you.

Ellie's dad: Oh thank you J.D.!

Nico: Awesome. And Ellie got you a little extra too.

Ellie had a big check for $140,000,000,000.00!

Ellie's Dad: Wow! How did you get that money?

Ellie: You wouldn't believe me if I told you dad.

Lynn: Guys, you're gonna want to see the news!

We saw the little miniature me about to go after A.I.M. Agents!?

Nico: WHOA! We got to save him!

Me: Since it's your turn to lead we're with you.

We went to the north side of the city.

A.I.M. Agent: Sorry, kid. But this is what you get for trying to be a hero.

G1 Bombshell: (from behind them) You did good, kid. But we'll take it from here.

The kid saw us in person and he squealed like a giddy fangirl and we bashed and pulverized the A.I.M. Agents all over the place until they were dead and pulp. We tied them up and they were arrested and sent to the big house.

Nick Mesa: WOW! You guys are awesome! Sorry my name is Nick Mesa and J.D., I love all your adventures and everything you do! I'm your biggest fan and supporter and I want to be just like you!

Perceptor: Why exactly did you dress up like J.D. anyway?

Nick Mesa: Well, I think he's cool fighting bad guys all the time. So I dressed up like him to follow in his footsteps. I didn't mean to hurt anybody.

Me: (Laughs) Well I'm truly honored that you want to be like me Nick. You definitely have great skills and courage.

Nico: Yep you sure do.

I ruffled his head.

Me: But Nick being a hero like us is a lot of responsibility. You have to protect those around you all the time all for the goodness of your heart. With great power comes great responsibility.

Nick Mesa: I know.

Me: Good. But you did great for your first crimefighting jobs. But if I may make a suggestion, leave the most dangerous criminals to us and go after criminals like thieves, robbers, murderers and burglars and thugs and leave the most dangerous criminals to us.

Nick Mesa: I think I can do that.

Me: Good. But you did great for your first couple of catches.

Eli: You sure did.

Nick Mesa: Thanks guys. This is gonna be so awesome!

Me: It sure will be. If you need help just give us a call on this ring.

I gave him a backup ring to call us just in case.

We went back to the estate.

---

Later we were getting ready for our next mission.

Kabuto: Nico, it's your turn to lead today. But you probably already know that.

Nico: Yes I already know that Kabuto thank you. And I have just the mission for all of us. James Bond has called us all over to MI6 Headquarters because something urgent is going down in Russia.

Me: This is gonna be interesting.

Laney: I always love a good mission with James Bond.

Nico: Me too.

Then the U-Foes, Scorpion, Beetle, Whiplash, Drakkon, Vulture, Xaldin, Speed Demon, Kitty, and Zexion appeared.

Scorpion: Can me, the U Foes, Beetle, Whiplash, Drakkon, Vulture, Xaldin, Speed Demon, Kitty, and Zexion go with you all.

Nico: You all sure can. James Bond needs us over at MI6. Something big is going on. Lets head on out everyone!

We were off to London, England.

LONDON, ENGLAND

We were flying over the city of London.

Zexion: (to Ellie's dad) We're supposed to trust you after how you pissed Nico off?

Nico: Guys there's no need to be mad at him anymore. We've already forgiven him.

Lily: I used my water powers to cure him.

X-Ray: Really? Wow.

Ironclad: That's amazing.

Ellie's Dad: I'm sorry I said all that but I wasn't in my right state of mind when it happened. That scam damaged me badly mentally.

Vapor: That explains it. We heard all about that. Sorry that happened.

Ellie's Dad: It's okay. Besides, Ellie told me all about the adventures you guys go on while you all met that little version of J.D. They were amazing from what I have heard.

Nico: Yep they are awesome.

We arrived at MI6 Headquarters.

Tengu Man: Here we are.

Nico: Yep. Welcome to MI6 Headquarters.

We went in and we saw James Bond.

Nico: James.

James Bond: Good everyone. Glad you all could make it.

Nico: Glad we could. It's my turn to lead today.

Kitty: Did you see the news earlier?

James Bond: Unfortunately no. I was too busy over in Russia.

Nico: It was crazy.

We went with James and went into a monitor room.

Tanner: (British Accent) Good evening 007 and welcome Team Loud Phoenix Storm.

Nico: Glad to be here.

Kim Possible: So what's the Sitch?

Tanner: 16 minutes ago we intercepted a distress call from a supposedly abandoned radar station at Severnaya. Look what the satellite picked up.

The camera zoomed in and it showed the helicopter that James Bond was after.

Tanner: We found a match. Your missing Tiger.

James Bond: In the middle of Northern Russia.

Me: Very impressive design.

Nico: Very well made.

Tanner: Seems your hunch was right 007. It's too bad the Evil Queen of Numbers won't let you play it.

We heard someone clear their throat and we saw the leader of MI6: M.

M: You were saying?

Tanner: No no I was just uh…

M: Good. Because if I want sarcasm Mr. Tanner, I'll talk to my children thank you very much. Good evening 007.

James Bond: Good evening M.

M: Welcome to MI6, Team Loud Phoenix Storm.

Nico: Glad to be here M.

G1 Shockwave: Who stole the helicoptor?

Nico: I have a feeling I know who it might be. Colonel Arkady Grigorovich Ourumov, a Hero of the Soviet Union, Commander of Russia's Space Division.

Eli: And who is the other one Commander?

Nico: Xenia Onatopp, a Georgian fighter pilot.

Me: Hmm. I've read about them.

Laney: What exactly are the Russian's using that radar dish for?

Tanner: Well at one point we suspected Severnaya might be the ground station for a secret space based weapons program called GoldenEye but…

M: Our statistical analysis saw they had neither the finance nor the technology to impliment it.

James Bond: Numbers were never my strongsuit.

Me: Nor mine.

James Bond: Are these pictures live?

M: Unlike the American Government we prefer not to get our bad news from CNN.

Whiplash: Are there any bad histories on our two culprits?

Nico: Not that I can think of. But from what I remember James, Ouromov killed your friend Alec Trevelyan.

James Bond: That's right he did. It was back in 1986. It was at the Arkhangelsk Chemical Base in Soviet Union Russia.

Nico: Hmm.

Nico pulled up the histories of both Ouromov and Xenia.

## General Arkady Grigorovich Orromov

General Arkady Grigorovich Ourumov (Russian: Аркадий Григорьевич Урумов) is a major antagonist of the 1995 James Bond film Goldeneye. He is a corrupt Russian general in league with Alec Trevelyan of the Janus Syndicate.

He was portrayed by the late Gottfried John.

### Beginnings

Though a member of the Communist Party, Ourumov values money and power over ideology, and uses whatever means necessary, including treachery, to rise up the ranks of the Soviet military. He hopes to become "the next Iron Man of Russia".

### Staging a Shootout

Upon his promotion to Colonel, Ourumov is given the important job of being in charge of a Soviet Russian Chemical Weapons Factory. During his early days in his new position he meets Trevelyan, who offers to make Ourumov rich if he helps him betray MI-6. The two pledge not to see each other until Alec Trevelyan and James Bond were to go on a mission to destroy Ourumov's base. However, Ourumov and Trevelyan had different plans. Trevelyan deliberately gets himself caught by Ourumov and his men, and Bond witnesses Ourumov shoot Trevelyan in the head. Ourumov attempts to catch Bond and almost succeeds, but Bond just manages to escape.

The shooting was staged, however. Unbeknownst to Bond, Trevelyan is alive, albeit deeply scarred on the right side of his face. He becomes an international terrorist and crime lord under the name "Janus" (The two-faced Roman god). Ourumov, supposed to be executed for the destruction of the chemical weapons base, frames one of his soldiers for the incident and is instead promoted to the rank of General, and is placed in charge of the Severnaya Space Facility in Siberia. Ourumov also has the job of employing another member for The Janus Crime Syndicate - he hires Xenia Onatopp, an ex-Soviet fighter pilot, whom he is familiar with. For the next 9 years The Janus Crime Syndicate would terrorize Russia without getting caught and all their identities remaining secret, and Ourumov was earning more power, which was starting to trouble the Russian Government.

## Stealing Goldeneye

Nine years later, Ourumov completes the establishment of their syndicate's greatest weapon: "GoldenEye". Two GoldenEye satellite dishes were built: one in Siberia, and one hidden in Cuba. Anyone who became suspicious of Ourumov ended up dead at the hands, or perhaps the thighs, of Xenia.

The Syndicate's first act is the theft of the Tiger helicopter - Ourumov and Xenia personally took care of the operation under the strict order of Janus not to fail. They successfully manage to steal it before Bond can stop them, and arrive in Siberia hours later where the second act of their operation would take place. Ourumov made sure to hire the most intelligent computer programmer to take care of the GoldenEye weapon: Boris Grishenko. Ourumov and Xenia enter the satellite base where the corrupt general orders one of his men to give him the GoldenEye and authorization codes they need to test-fire the GoldenEye. Upon receiving these, Xenia suddenly shoots everyone in the base, and together they arm the GoldenEye to fire on Severnaya in order to eliminate the evidence. The two leave, pleased with their success, not knowing one person is still alive - Natalya Simonova.

Ourumov and Xenia take Boris with them and escape moments before the GoldenEye weapon detonates, and their witness, Natalya, narrowly escapes. Afterwards, Ourumov heads back to Russia to report to Defence Minister Dimitri Mishkin. Ourumov soon learns that Natalya Simonova is alive and he leaves immediately, frustrated with Xenia's failure to kill "everyone". He assigns Boris and Xenia to find her, which doesn't take them long. Ourumov takes

Natalya to Trevelyan's hideout, where he ties her up in the Tiger helicopter to await her death. Bond also ends up in the helicopter, moments after learning that Trevelyan is alive and that he is a traitor. Bond and Natalya escape moments before the Tiger helicopter's heat-seeking missiles fire back on itself, but they are soon caught by Russian troops and taken to the military intelligence archives and locked in a prison cell.

## A Traitor Revealed

Later, upon hearing that Dimitri Mishkin has Bond and Natalya in custody, Ourumov arrives and storms into the cell where Mishkin is interrogating the pair. Ourumov argues with Mishkin, trying to convince him that Bond is responsible for the attack on the Severnaya Facility. Believing Natalya's story concerning Ourumov's treachery, Mishkin yells for a guard to arrest him, but the general quickly shoots Mishkin's bodyguard and then Mishkin himself with Bond's gun. After improvising a cover story, Ourumov then calls for the guards to kill Bond and Natalya. However, Bond hurls a chair into Ourumov and beats him, then throws him headlong into a wall. While he's dazed, Bond takes on two soldiers who enter the cell, then arms himself before escaping with Natalya. Ourumov leads his soldiers throughout the archives, searching for the pair. Ourumov's men manage to capture Natalya, leaving Bond to escape on his own. Ourumov takes Natalya and one of his men and they escape out onto the streets of St. Petersburg by car, but Bond hijacks a tank and suddenly bursts through a wall in pursuit. He leaves a path of destruction behind him as he chases Ourumov through the busy roads, but the general soon arrives at Trevelyan's converted missile train.

Ourumov boards the train with Natalya, and explains to Trevelyan that Bond has escaped. Later, their journey is halted by Bond, who uses the hijacked tank to stop the train. He then boards the damaged train and holds Trevelyan and Xenia Onatopp at gunpoint. Ourumov is called into the room, holding a gun to Natalya's head. Bond reveals to Ourumov that Trevelyan is a Lienz Cossack, leaving Ourumov shocked - however, Trevelyan smooths things over by telling him how rich and powerful he will soon be. He then nods for Ourumov to shoot Natalya, but his real intention is for Ourumov to distract Bond while he and Xenia escape, turning the general into a sacrificial lamb. Bond then shoots Ourumov in the head, killing him.

## Xenia Onatopp

**Xenia Sergeyevna Onatopp** (Russian: **Ксения Сергеевна Онатопп** ), or better known as **Xenia Onatopp**, is the secondary antagonist of the 1995 *James Bond* film *GoldenEye* . She serves as Alec Trevelyan's personal henchman. Her sadistic sexual proclivities, coupled with her overall lack of conscience, would seem to qualify her as a psychopath.

She was portrayed by Famke Janssen, who also played Evelyn Stockard-Price in *House on Haunted Hill*, Rachel Wright in *I Spy*, Jean Grey in the *X-Men* film series, in the third film is where she would become Dark Phoenix, and Muriel in *Hansel & Gretel: Witch Hunters* . In *GoldenEye: Rogue Agent*, she was voiced by Jenya Lano.

### Meeting Bond

Xenia Sergeyevna Onatopp was born in the former Soviet republic of Georgia. She was a fighter pilot in the Soviet Air Force. After the collapse of the USSR, she joined the crime syndicate Janus, led by renegade MI6 agent Alec Trevelyan.

Her main characteristic is that she apparently can receive sexual satisfaction through killing. In a memorable scene, she lures a Canadian admiral onto her yacht moored off Monte Carlo. While the two are having sex, she suddenly wraps her legs around him and crushes his chest between her thighs, achieving orgasm while killing him. Afterward, she steals the admiral's ID. On her way to the admiral's yacht, she raced another driver down the serpentines, unbeknownst to her this driver was no other than James Bond. However, both only raced for fun, as they were not enemies at that point.

The same night Bond encountered Onatopp again at a casino, where the two played a game of Bacara. Onatopp lost the game, which did not sit well with her. Cursing, she left the table. Bond followed her and engaged in a conversation, correctly guessing her nationality from her accent. After talking about Onatopp's car, the conversation turning to the fact that it is counterfeit, Xenia left with the mentioned admiral, leading to the fatal night on the yacht.

Meanwhile, Bond contacted the MI6 and found out that Onatopp had ties to the Janus crime syndicate. He was told to continue observing her.

## Stealing the Tiger Helicopter and GoldenEye

Having grown suspicious, Bond infiltrates the admiral's yacht and finds the man's body. Meanwhile, Onatopp uses the admiral's ID to get access to the presentation of the prototype of a high-profile test flight of a Eurocopter Tiger. She secretly kills both pilots and, disguised as a pilot herself, flies off with the helicopter. Bond arrives too late to stop her.

Onatopp and Ourumov arrive at the bunker.

Arriving at Siberia hours later, Ourumov and Onatopp enter a Russian base, gaining entrance through Ourumov's position. Ourumov and Xenia enter the satellite base where the corrupt general orders one of his men to give him the GoldenEye and authorization codes they need to test-fire the GoldenEye. Upon receiving these, Xenia suddenly shoots and murders all the military personnel and technicians present, again getting sexually aroused in the process- which disturbed the normally cold Ouromov. Together Ourumov and Onatopp arm the GoldenEye to fire on the base in order to eliminate the evidence. The two leave, pleased with their success, not knowing one person is still alive - Natalya Simonova. Due to the EMP attack of GoldenEye, all pursuing fighting jets are rendered immobile. However, Onatopp and Ourumov escape safely inside the Tiger.

When the MI6 finds out about the attack, Bond realizes that the Janus group is behind the attack on the base. Watching satellite footage of the scene he finds out that one person is still alive. M also finds out that Ourumov must be involved despite the Russians denying it because he does not. To find GoldenEye, Bond is sent to

Russia. Together with Boris Grishenko, the traitor who revealed the location of the GoldenEye to Janus, Onatopp later kidnaps Natalya after she has revealed herself to Boris.

## Fighting Bond

After Bond has made contact with Janus and asked for a meeting at the Grand Hotel Europe, Janus sends Onatopp to kill him. After Bond leaves the hotel's pool he reveals that he anticipated Onatopp's arrival and aims his gun at her. Onatopp tries to seduce Bond, but Bond shoves her off him. As he loses his gun in the process, Onatopp attacks him, climbing on top of him and trying to suffocate him with her thighs as she did with the admiral. However, Bond drops her rear end into a vat of hot water so that she releases him out of the sudden pain and he then grabs his gun, forcing her to bring him to Janus.

Onatopp drives Bond to an abandoned junkyard, claiming that Janus is waiting for him. After knocking her out, Bond exits her car and walks towards the Tiger helicopter which he spots in the distance.

Later, Bond pursues a fleeing Ourumov who has taken Natalya. Ourumov eventually arrives at Janus' converted missile train. Bond drives his tank on the rails, intending to derail the train. Alec orders a henchman to keep the train at full speed, to ram Bond's tank. However, Bond uses the tank to shoot at the train, killing the driver as well as blasting the front cabin. The driverless train crashes into the tank and derails, knocking everyone inside off their feet. Onatopp is impressed, and more than a little aroused, by Bond's heroics.

After a short moment of dizziness, Trevelyan realizes what's going on. He crouches towards his gun, but Bond steps on it, forcing him backward. In the ensuing confrontation, Bond kills Ourumov, which gives Trvelyan and Onatopp enough time to flee the train wreckage and lock all doors before escaping in a helicopter

After hacking the computer inside the train and finding the location of Trevelyan's base, Natalya and Bond manage to leave the train before it explodes. They set out to Cuba to defeat Treveyan.

Death

While flying over a lake while searching for the base, Bond's plane is shot by a missile that comes straight out of the lake and crashes into the forest. After the crash, Alec sends Onatopp in a helicopter to search for survivors.

Bond and Simonova get shot down by plane and Xenia checks out the wreckage. Onatopp rappels from a helicopter onto Bond, who is just awakening, and quickly gains the upper hand in their battle. She gets Bond into position to crush his chest; just as Bond is ready to pass out from the pressure, Simonova attempts to attack Onatopp, only for Onatopp to easily throw her aside, telling her to wait her turn.

While she is distracted, Bond connects the rope Onatopp rappelled down to her safety harness, grabs her AK-74 rifle that was slung across her back and kills the helicopter's pilot by shooting into the helicopter's cockpit from the ground. The chopper veers away, pulling Onatopp off Bond and trapping her in a fork of a tree, with her chest being crushed by her safety harness. She struggles to breathe in her crushed state before body goes limp and she dies just before the chopper crashes. After Onatopp's death, Bond quips to Simonova that, "She always did enjoy a good squeeze".

When it was done we were shocked!

Nico: So Ouromov is secretly working for Janus.

Eli: What's Janus?

Nico: It's a Crime Syndicate.

Me: Wait! What's going on!?

We saw the screen go static and it was knocked out!

Tanner: What the bloody hell was that?

Me: No idea.

Eye Five: What just happened?

Nico: No idea.

Lincoln: It's not just us. The entire power grid all over Europe is blacked out.

Me: I think I have an idea on what it might be.

Tanner went to the phone.

Tanner: Thanks. (Hangs up) Our satellite is knocked out. So too the Americans. We have another one coming into range now.

We saw the image restore itself.

Tanner: Good God.

He went to an infrared computer.

Tanner: Two of the MIGs are done.

M: And it looks like the third went into the dish.

Lily: What could've caused that to happen?

James Bond: No lights. Not one single electric light on in a 30 mile radius. E.M.P.?

Me: Electromagnetic Pulse.

Tanner: That would account for the MIGs and satellites.

James Bond: And the blackout?

Tanner: Electromagnetic pulse like J.D. said. A first strike satellite weapon developed by the…

M: The Americans and Soviet's during the Cold War. I've read the brief. Discovered after Hiroshima, set off a nuclear device in the upper atmosphere. Creates a pulse, a radiation surge that destroys everything with an electronic circuit.

Tanner: The idea being to knock out the enemy's communications before he, she or they could retailiate.

M: So. GoldenEye exists.

Nico: It would appear so.

Laney: What is GoldenEye's primary purpose?

Nico: It's a secret Nuclear Space Base Weapons Program that was developed by Russia during the Cold War.

Nico went over what it was for.

The **GoldenEye** was a fictional electro-magnetic orbital weapon developed by the Soviet Union during the Cold War. GoldenEye was subsequently hijacked by the Janus Syndicate from its Russian control facility at Severnaya, Russia and was instrumental in Alec Trevelyan's vengeful plot to decimate Britain's financial economy. The weapon first appeared in the 1995 *James Bond* film *GoldenEye* and also featured in the film's novelisation, 1997 video-game and 2010 re-imagined video-game.

Components

A collection of equipment made up the GoldenEye, each playing an intricate part in the use of the weapon. Firstly, the weapon consisted of two disposable satellites designated "Petya" and "Mischa", each one armed with a nuclear warhead. By detonating the device in the upper atmosphere, a pulse or a radiation surge, is generated; capable of destroying all electronic devices in a 30 mile radius. Consequently, eliminating all forms of electronic communication or retaliation.

In order to activate the the satellites, three keys were needed; two conventional golden keys were used to start the system's targeting network. The third key, a large rectangular cartridge that housed an optical disc and translucent golden gem, was used to read the system's complex access and firing codes. In order to obtain the three keys, an authorization code was needed to unlock the eye shaped vault where they rested. After the cartridge key was loaded into the console, the golden keys needed to be turned with precise synchronization to activate the targeting system. With the target coordinates set, the weapon needed to be manually armed by entering the firing codes. After unlocking yet another compartment, the system would be ready to fire once the trigger switch was turned.
